

The Tortois begs the Eagle her to bear,  
The Tortois begs the Eagle her to bear,  
To search for Jewells in a Rock oth' Ay,

But having Vansackt all the distant skyes,  
But having ransackt all the distant skyes, prize,  
He finds the cheat, and makes his load the prize,

Morall you never meant,  
Promise not princes what you never meant,  
Least death, or worse deserv'd be the event,

F A B. CX. Aquila & Testudo.

**C**ertamen inire voluit Testudo reptilis cum Aquilâ velocissimâ.  
Locus designatus, & qui spacio trium dierum ad propositum lo-  
cum prius venerat, victor salutaretur. Aquila tardigradam contem-  
psit Testudinem, autumans se alarum impetu posse brevissime ad locum  
avolasse. Negligens igitur secessit, aliis intenta; sed Testudo indefati-  
gabili labore & solertia infra tempus, & ante Aquilam, arrepsit ad  
locum, & omnium calculis, victor evasit.

MORALE. docet

Quod nil tam arduum quod non solertia & sudore attingatur.
