MICHIGAN CLUB SONGS

Boys’ and Girls’ Club Work in Agriculture and Home Economics

FOREWORD

Singing has long since found its place in Boys' and Girls' Club Work. The significance of song is too well recognized to require comment. Boys and girls love to sing, and songs may do much to create and maintain interest in club work.

Leaders of Boys' and Girls' Clubs should be prepared to conduct group singing at all club meetings. The following songs are suggested as a basis for starting your song program. The help of the children should be enlisted in writing new songs. Those selected below have been tried with clubs and have been found to be easily taught.

How it will be

Now can our fortune tell
If we must part
We'll always stay
Fortune it will

1
MICHIGAN STATE CLUB SONG
"The 4-H Clover"
(Tune: Whispering)

1. Listen now we'll tell you a story,
   And it's worth while listening to,
   It's of the four clover leaf glory
   How it will bring good luck to you.

Chorus:
Here's to the head that does the thinking,
Here's to the hands that do the working,
Here's to the heart that must be willing,
Health we must have to be cheerful and happy.
Now can our good luck ne'er desert us,
If we must prove it, come and watch us,
We'll always keep the clover with us,
Fortune it will ever bring.

2. Michigan, our own state, is calling
   For the best that our hands can do;
   Keep the four-leaf clover from falling,
   And it is up to you—to you.

Written by Marion Boley, Branch County.

2
Camp Shaw Song
(Tune: Peggy O'Neil.)

Our club camp at Chatham we'll make
Called Camp Shaw,
Where we judge and demonstrate
At Camp Shaw
Calves and poultry and pigs in a pen
Canning and clothing and cooking, and then
We will be happy and peppy and snappy
At Camp Shaw

Michigan's Achievement Day Club Song

We are nearing the end of "Achievement Day".
Which has meant so much to us all,
And each member and guest should go away
To answer to Duty's Call;
For "Club Work" means service at work or play
And kindness to everyone,
So we feel at the end of "Achievement Day"
The joy of a task well done.

Yes, this is the end of a "Club Work Year"
Though we wish it were just begun,
And we've finished the projects we set out to do,
Yet there's many still undone,
For we know there are schools where the work seems dull,
And the lives of the children drear,
So we're hoping they all will soon have clubs,
Like the ones which we've had here.

Michigan, My Michigan.

Home of my heart, I sing to thee,
Michigan, my Michigan.
Thy lake-bound shores I long to see,
Michigan, my Michigan.
From Saginaw's tall whispering pines,
To Lake Superior's farthest mines,
Fair in the light of memory shines,
Michigan, my Michigan.

And when the happy time shall come,
Michigan, my Michigan.
That brings thy war-torn heroes home,
Michigan, my Michigan.
What welcome from their own proud shore,
What honors at their feet we'll pour,
What tears for those who'll come no more,
Michigan, my Michigan.

A grateful country claims thee now,
Michigan, my Michigan.
And deathless laurels bind each brow,
Michigan, my Michigan.
And history the tale will tell
Of how they fought and how they fell
For that dear land they loved so well,
Michigan, my Michigan.
5

ALMA MATER M. A. C.

Close beside the winding Cedar's
Sloping banks of green,
Spreads thy campus Alma Mater,
Fairest ever seen.

Chorus:
Swell the chorus, let it echo
Over hill and dale.
Hail to thee our loving Mother,
M. A. C. all hail.

First of all thy race fond Mother,
Thus we greet thee now,
While with loving hands the laurel
Twine we o'er thy brow.

6

Michigan for Me

(Tune: Carrigan)
M-i-c-h-i-g-a-n spells Michigan, Michigan
That's the state that we're from, we're from
That's the state you'll hear from, hear from
M-i-c-h-i-g-a-n you see
First we spell it, then we yell it
Then we yell it, then we spell it
Michigan for me.

7

Michigan On the Lakes

(Tune: When the Roll is Called up Yonder)

Did you ever hear of Michigan?
Did you ever hear of Michigan?
Did you ever hear of Michigan?
Did you ever hear of Michigan?
On the Lakes?

America

Samuel F. Smith, 1832

My country, tis of thee,
Sweet land of liberty,
Of thee I sing;
Land where my fathers died,
Land of the pilgrims' pride,
From every mountain-side
Let freedom ring.

My native country,—thee,
Land of the noble, free,
Thy name I love;
I love thy rocks and rills,
Thy woods and templed hills,
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe partake,
Let rocks their silence break,—
The sound prolong.

Our fathers' God, to Thee,
Author of liberty,
To Thee we sing;
Long may our land be bright
With freedom's holy light,—
Protect us by Thy might,
Great God, our King.

America, the Beautiful

Katherine Lee Bates

(Tune—Materna)

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
   Above the fruited plain!
America! America!
God shed his grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet,
   Whose stern, impassioned stress,
A thoroughfare for freedom beat
   Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
   Thy liberty in law!

O beautiful for glorious tale
   Of liberating strife,
When valiantly for man's avail,
   Men lavished precious life!
America! America!
May God thy gold refine,
Till all success be nobleness,
   And every gain divine!
CLUB PROJECT SONGS

10

Canning Song

I'm canning this year
Tho' I never canned before,
I can everything
From the skin to the core,
For when I'm canning
I'm as happy as can be;
For I am a member of a club you see!

Chorus:
Glorious! Glorious! Glorious!
We'll can enough food for the four of us,
Glory be! there are no more of us,
For the four of us can eat it all alone.

11

Canning Club Song

(Tune: In the Good Old Summer Time)

In the good old summer time, in the good old summer time,
Going to our club meetings with our canning fine,
Our work will make a big display, and that's a very good sign
That we are canning berries in the good old summer time.

12

The Good Old Winter Time

(Tune: The Good Old Summer Time)

In the good old winter time,
In the good old winter time,
How it snows and how it blows
In this northern clime,
But cans of vegetables and fruit,
Are in the cellars, you'll find;
And that's what keeps us happy
In the good old winter time.
Sewing Club Song

I'm sewing this year
Tho' I never sewed before,
I hem and I stitch
Till my fingers all are sore;
For when I'm sewing
I'm as happy as can be
For I am a member of a club you see!

Chorus:
Glorious, Glorious!
We'll make enough clothes
For the four of us.
Glory be, there are no more of us
For the four of us can wear 'em.

Leave it to Our Club

(Tune: Leave Me With A Smile)

Though it's time for working
We will not be shirking
Leave it to our Club,
'Cause our name is "Get There."
We are on our way there
Leave it to our Club,
We'll all work together
Really it's a pleasure
To cook for our club,
We'll do all in our power
In one little hour,
And leave it to our Club.

While We are Making Garments

(Tune: Marching Through Georgia)

Come on, all ye members, we'll sing our new club song,
Sing it with a spirit that will start the world along,
Sing it as we ought to sing, with voices loud and strong
While we are making garments.
Chorus:

Hurrah! hurrah! we're working for the best,
Hurrah! hurrah! we'll surely stand the test.
We will work with a spirit that will startle all the rest
For we are the "Jolly Stitchers."

How our parents praised us when our first work was done,
How our teacher helped us as we wished to travel on,
And amid our steady work, we, too, will have some fun,
While we are making garments.

16

Hurrah for Our Club

(Tune: Hurrah For the Flag)

1

There are many clubs in many lands,
There are clubs for boys too,
But there is no club however grand;
Like our own "I sew-You sew."

Chorus:

Then hurrah for the club
Our sewing club
Its green and white colors too
There is no club in any land
Like our own "I sew-You sew."

2

I know what the prettiest colors are
The colors of our club so true
If I had them here I would make a bat
Of green and whitest hue.

Chorus:

3

There are many colors red, white and blue
There are emblems for clubs too
But the four H clover of green and white
Is the emblem of "I sew-You sew."

Chorus:

Working, working
Trying to do our
And beneath the
We will do the

Hot Lunch Club Song
(Tune: We're Forever Blowing Bubbles)

We're forever drinking cocoa
When we eat our noon-day lunch;
It'll make us strong,
Do you think it wrong,
For us to sing a boasting song?
We are learning new things
We'll need to know always;
We're forever gaining weight
In the Green School Hot Lunch Club.

18

Good Morning Little Vit-Vit-Vit
(Tune: Good Morning Mr. Zip-Zip-Zip.)

Good morning little Vit-Vit-Vit,
In our milk and eggs and butter fine
Good morning little Vit-Vit-Vit,
Our loyal friend the Vitamine;
In spinach and lettuce and po-ta-to
In orange and lemon and to-ma-to;
Good morning little Vit-Vit-Vit,
In our milk and eggs and butter,
Our milk and eggs and butter,
Our milk and eggs and butter.

19

Handicraft Club Song
(Tune: Tramp, Tramp, Tramp.)

We're the boys of District Five,
And we're jolly as can be
And we're surely going to work with all our zest
With our leader at the helm,
Who will show us what to do,
We will trust to run our chances with the best.

Chorus:

Working, working, while we're singing,
Trying to do our very best,
And beneath the 4-H sign
We will do the best we can
So our club will win their honors with the rest.
Poultry Club Song
(Tune: Liza Jane.)

1.
We're the Wide Awake Poultry Club
We're on the go.
White Rocks and Barred Rocks
We'll make them grow.

Chorus:
Oh! come on in
Club work is fine
We're the workers
Fall right in line.

2.
Eggs and meat are very high
No one denies
We'll help cut the H. C. L.
With eggs and fries.

Chorus:
Farmers all must use their heads
As well as work.
Club work teaches us to think
And never shirk.

Chorus:
Head and heart and hand we pledge
Then health will flow
Let 4-Hs be our sign
They're on the go.

21
"Hens"
(Tune: Smiles.)

There are hens that make us happy,
There are hens that make us blue;
There are hens that are great big beauties
But some are not fit for stew.
There are hens that think the joy of living
Is to eat and eat away,
But the hens that we want for our club work
Are the hens that like to lay.
22

Garden Club Song

I'm a gard'ner this year
Tho' I never was before;
I hoe and I rake
Till my muscles all are sore
But when I'm gardening,
I'm as happy as can be
For I'm a member of a club you see!

Chorus:

Glorious! Glorious!
We'll raise a peck of spuds for the four of us,
Glory be! there are no more of us,
For the four of us can eat them all alone.

23

Club Work in Our County

(Tune: King of the Cannibal Island.)

Now would you like to hear our song,
It really isn't very long,
It's all about the good that's done
By Boys' and Girls' Clubs in our county.

Chorus:

Garment-making, canning, too,
Hoeing corn or making stew,
Raising calves and piggies too,
Are taught by the clubs in our county.

Once these clubs did not exist,
We wonder how did folks subsist,
Just think of all the fun they missed
When there were no clubs in the county.
24

What's the Matter With Our Club

(Tune: What's the Matter With Father.)

What's the matter with our club
It's a peach.
What's the matter with our club
It's a peach.
It's the peachiest club we ever knew
We love it and we'll be loyal too
What's the matter with our club
It's a peach.

25

We're Here for Our Achievement Day

(Tune: Solomon Levi.)

We're here for our Achievement Day,
The best day of the year,
We like to play as well as work,
But don't you ever fear,
We strive to make our better best,
Like all clubs in the state,
So 4-H Standard Clubs are here,
Right here to celebrate.

Chorus:

Oh, friends and parents,
Our hats are off to you;
We're here to show you
What the 4 H's in Club work can do
We strive to make our better best,
Like all clubs in the state,
So 4-H Standard Clubs are here,
Right here to celebrate.

We've been working on the farm, boys,
All the live long day;

Yes, and we're all right!

Club Life
(Tune: Marching Thru Georgia.)

Here we come from hill and vale
And from the logged off lands,
We represent the 4-H clubs,
We labor with our hands.
Some raise livestock, some raise poultry
Others corn and beans,
We boost for boys and girls club work.

Chorus:
Club life, club life, this is the life for me,
Club life, club life, no slackers will there be.
We want to raise our standards high,
So everyone may see,
The value of boys and girls club work.
MICHIGAN BOYS' AND GIRLS' CLUB SONGS

In our club we all must work
With head and heart and hands;
Giving our best interest to
The tilling of the lands,
When we exhibit at the fair
And get prizes not a few,
We're always boosting for club work.

4-H Clubs Will Shine

(Tune: Our Club Will Shine Tonight.)

4-H Clubs will shine tonight
4-H Clubs will shine
4-H Clubs will shine tonight

Good luck to find
When the sun goes down and the moon comes up
4-H Clubs will shine.

44

Clubs With the 4-H Sign

(Tune: Smiles.)

There are boys that take to banking,
There are boys that like the law,
There are boys that think the busy doctor,
Is the one whose life has not a flaw.
There are boys that strive to make big fortunes
But for us you need not feel alarm,
For the boys we want in the future,
Are the boys on the good old farm.

There are girls that think the city,
Is the only place to go,
There are girls that do not care for cooking,
Or have no time to knit or sew,
There are girls that think the joy of living,
Is an auto or a dress so fine,
But the girls that we want in the future,
Are the girls with the 4-H sign.

There are clubs for girls in sewing,
There are clubs for canning too,
There are clubs that teach us to feed poultry,
As the best of poultry breeders do.
There are clubs for raising corn and taters,
Feeding pigs, or calves, or sheep so fine,
All these clubs to make us better farmers,
Are the clubs of the 4-H sign.

There are clubs to spend your money,
There are clubs to join for fun,
There are clubs to chase along the cattle,
Or with clubs sometimes a game is won.
There are clubs we often swing for dumb bells,
There are clubs that Father took to me,
But of all the clubs you ere could mention,
Are the Boys' and Girls' club for me.

45

Conference Song
(Tune: Believe me if all those endearing young charms.)

Oh, friends, as we gather once more to renew
Our hopes and our faith in our task,
May our failures all fade as the mists and the dew
While strength for new duties we ask
We must work with new zest;
We must all do our best
To render the service we see,
Then let's all join hands
And go forth for the test
That effective our efforts may be.

46

Parting Song
(Tune: Till We Meet Again.)

Four-H Club folks that we love so well,
You're the folks that in our memories dwell,
When we part from our friends here,
We'll boost club work all the year;
And the friends we've met so merrily,
One and all we'll hold in memory,
So farewell, Four-H friends, we say,
Till we meet again.
