R. O. T. C. PARADE REVIEWED FIRST TIME THIS YEAR

Complete Demonstration to Be Given May 24 Before War Department Officers.

Major W. C. Ide of Detroit and Capt. Shaddock, on leave of absence from Topeka, Kan., reviewed the complete corps of the R. O. T. C. at the weekly parade last Wednesday afternoon.

L. Whitney Watkins, state commissioner of agriculture, was unable to review the units as previously planned. Major Ide has been in Lansing inspecting the 119th field artillery.

The exhibition showed great improvement over the first that was held a week ago and gave evidence of the efficiency of the regular army staff in charge of whipping the corps into shape. By May 24, when a complete demonstration will be given before inspecting officers from the war department, the units will honor Maj. Gen. W. S. Graves, commanding general of the Sixth Corps area, with a snappy drill and impressive parade.

With the new colors and the excellent equipment, the thousand khaki-clad students form a showy outfit as they march down the field headed by the 65-piece military band. Plans are now under way to entertain the spectators with added exhibitions which will include anti-aircraft demonstrations, skillful horsemanship, and a sham battle by the infantry.

The sham battle will take place next Wednesday and promises to be a thrilling spectacle. The entire infantry unit will take part in the event and the battle will rage over the parade ground, the object being for one portion of the troops to seize a machine gun nest in front of the hospital, defended by the second division. Machine guns, trench mortars and one-pounders will be used and the exhibition will be noisy and realistic.

The State college R. O. T. C. this year is the largest in the history of the institution. Because of the increase in students at the college, extra army officers have been added to the staff. The corps is working hard to achieve distinguished rating this year as they have in 1924 and 1925.

WRITING CONTESTS END NEXT WEEK

State News-Economian and Lawson Contests Terminated Tuesday.

The Michigan State News-Economian contest and the Lawson essay contest are to be closed next Tuesday and all manuscripts must be in the office of the English department by noon of that day in order to be accepted by the judges.

A first prize of \$20 and a second prize of \$10 are offered in the first contest, which is open to all students of the college. In poetry the first prize is \$12 and the second \$8. A maximum of three manuscripts may be submitted but no student may present more than one short story or two groups of poems.

The George E. Lawson essay contest is open to undergraduate men only and the essay may be on any subject with a maximum limit of 2,500 words.

SCHOLARSHIP DONATED BY PROF. BURNHAM

Award Open to Graduate Students Who Pay Own Expenses.

Prof. A. C. Burnham, a graduate of Michigan State, who is now giving the senior course in life planning, has donated \$5,000, the interest of which is to be used as a graduate scholarship. The award will be made for the first time this spring.

Any graduate who has earned all of his expenses while in college and wishes to spend a year in graduate study in some science is eligible. The only stipulation made by the donor is that the winner teach three hours a week.

The scholarship is to be awarded by the committee on graduate study and will be known as the Don Burnham scholarship.

EXTRA COPIES OF STATE NEWS AVAILABLE TODAY

Extra copies of the State News will be available starting today and continuing throughout the remainder of the term for those who are not subscribers and those who do subscribe and wish additional copies.

They will be placed on sale at the desk in the lobby of the Union building, at the college book store and at the Smoke Shop.

Most of the students have friends or relatives who would be interested in occasional articles that appear in the paper.

The cartoon in today's paper, Signs of Spring, by Trot, should be of special interest to anyone interested in college life.

PEOPLE'S CHURCH PLAN MOVING DAY

First Week in New Building To Be Celebrated By Two Banquets.

Plans are rapidly progressing for moving day at the People's church. As the plans now stand the exodus from the old building to the new church will be made either the 28th or 29th of May.

George Brown has been named chairman of the moving committee which will have charge of all the complicated details of moving day. Supt. Lane of the East Lansing schools has promised to aid in getting students to help.

The first week in the new church will be celebrated with two special banquets. Tuesday night, May 11, a victory banquet will be held. Dr. Hunt has charge of the ticket sale for the supper. On Thursday night the all-college banquet will be held. A special price of 65 cents will be made to students. Tickets may be purchased from any of the members of the Michigan council or Mr. Wiley.

Tuesday night Prof. T. H. Blatchell, a former member of the faculty and originator of the People's church movement here, will be the principal speaker. Mrs. D. A. Seely will have charge of the music and Dr. W. H. Phillips will speak in behalf of the church. On Thursday night's program will be Dr. W. C. Spencer, Dr. K. J. Butterfield, Dr. C. D. Foster and Supt. Johnson of the state board of education.

The second largest gift for the new building was received this week from Carl H. Keller, head of the Contractors' Equipment Co. of Detroit who gave \$3,000 to be used for the most beautiful floor in the corridor that can be had with the amount given.

Discuss Founder's Day Plans

Milton Francis, 26, has been appointed chairman of the general arrangements committee for student activities in the Founder's Day program May 13.

A general meeting will be held Monday afternoon at five o'clock in the Union building to arrange for details of the program and it is desired that all fraternities and societies as well as individuals will be well represented at the meeting.

Signs of Spring

Costumed Co-eds Will Make Merry at Annual Prom Tonight

The long-awaited day has arrived. Tonight is the costumed prom. It should be an auspicious evening, expectantly looked forward to by all the Michigan State co-eds. Costumes it is rumored, are nearly all finished and early in the evening unusual shapes will be creeping through the shadows up to the welcoming doors of the Union, there to be swallowed up in the rest of the gaiety.

Who knows what strange and fearful creatures, the unsuspecting and timid co-eds may encounter in that dark and fascinating interior? It is beyond human power to prophesy how the true nature of our fellow students may be revealed by the costumes which they will display. Devils, perhaps there may be, and when disguises drop away the wearer will stand revealed as one of the meekest and mildest of girls on the campus or perhaps terrible wild animals, roaring lions and gawky striped tigers, frightening the hearts of the bravest of us. Ah if one could only pierce the thinness of human nature that the sweetest of us may dress as the Black Death.

That is the joy of the prom, the uncertainty of the night, once to positive remembrance, two candidly visited the place and gazed wildly in lanes to which scraps of flesh still clung. Fierce looking animals were

these, blood curdling enough to satisfy the most avid thrill-seeker.

If one could only predict the unusual creatures that will be walking in our midst this evening, Creatures of which one has never thought, even in ones wildest dreams. Handy creatures, some of them are. Take for instance, a fairy who is perfectly willing to grant one of three wishes provided that they are reasonable. A fairy is rather a handy friend to have around and really quite harmless. A great lumbering elephant may be seen dancing lightly on the floor with his sweetheart, Miss Muffet. Or a Brownie may be doing a solo dance before an admiring crowd of spiders. Great shaggy dogs are there, dogs which one has no desire to pet because of their fierce appearance. However, all the animals admitted to the prom are quite harmless, and are all required to show certificates for former good behavior. Let not the timid ones be discouraged therefore.

If your ticket has not been purchased already, do not let that little matter hinder you from attending. Tickets of course, will be one side of the door, and fifty cents is all the exorbitant charge. Come and bring your costume complete for the big prizes, and give your friends all a shock. There will be not a man present to mar the enjoyment of the evening. We may be as free and unconventional as we please.

ENGINEERING FRESH TO BE GUESTS AT SMOKER

A smoker for freshmen engineers will be given for the first time next Tuesday evening at 7:30 in the Union building.

Entertainment will consist of several musical numbers and talks by members of the engineering faculty. Speakers are Dean G. W. Hissel, Prof. L. S. States and Dept. T. A. Anderson.

This smoker is given by Phil Landolt, Tau, engineering fraternity for furthering the social and technical interests of the freshman engineer.

SOPHOMORES SET DATE FOR PROM

Union Building Will Be Scene Of Soph Prom June 4.

June 4 has been set for the annual sophomore prom which will be held in the Union Memorial building ball. Padded to the floor, under the top, the evening of social amusement Thursday, even holds a place in the social events of the year and is the attraction of the social calendar of the spring term. This is the big event, the second of the year.

Decorating tickets from the usual custom, the party this year will be an informal affair and will be an open party. However, explicit word comes from the sophomore party committee to the effect that over 150 members will be admitted. With this in mind it behooves the members of the sophomore class to get their tickets early or tickets if they expect to attend their big dance.

The name of the musician is not hard to ascertain. The committee report on disclosure let out a real which is in communication with social well known musical organizations by the room and real music should be forthcoming.

The committee in charge of the party consist of Amy Hedrick, Karl Davison, Beatrice, Robin, Flossie, Patricia and Paul-Jarkey.

FRANCESCA DA RIMINI NOW TAKING SHAPE

Costumes to Be Secured From Fritz Scholtz Co.

Rehearsals in the senior play this spring, Francesca da Rimini, five act Italian tragedy, which will be given commencement week in the Forest of Arden, Michigan State's outdoor amphitheatre, are rapidly taking a finished form with two of the five acts needed into fair shape at this early date.

The play includes some very powerful dramatic passages as well as an abundance of color and spirit and will give plenty of opportunity for real acting. The ever intricate method of marriage by proxy proves a tragic and pitiful blunder to the beautiful Francesca and the gallant Paolo, and the embittered lunchback, Lanciotto, remedies matters in a uncompromising fashion.

Several scenes which necessitate so little paraphernalia and color will go to make the play a success. The scenic properties will probably be secured from a Detroit firm, while Fritz Scholtz, the big Chicago costume house will furnish the costumes.

W.S.G.A. TO BE REPRESENTED AT NATIONAL CONVENTION

Dorothy McWood, president of the college Women's Self Government association, and Olga Bird, president for the coming year, are representing Michigan State college at the biennial W. S. G. A. convention at Bloomington, Ind.

HONOR DIPLOMAS MAY BE GIVEN TO FUTURE GRADS

Prof. Foltz Outlines Proposed Plans at Faculty Association Meet.

Graduation with honors may be instituted at Michigan State college if the Faculty acts favorably upon the recommendation of the Faculty association as presented last Tuesday evening by Prof. L. S. Foltz in an address on "methods of stimulating interest in intellectual pursuits."

According to the system outlined by Professor Foltz, who has made some intensive study of the matter, there will be freshmen, sophomore, junior and senior honors, composed of the first 20 per cent of the freshmen class, the first 15 per cent of the sophomores, the first 10 per cent of the juniors and the first 5 per cent of the seniors. Those who have obtained freshmen, sophomore, junior and senior honors will be graduated with highest distinction. Those who have won sophomore and junior honors, together with their final honors, will be graduated with high distinction. Classes C and D, composed of those who obtain junior and senior honors and those who obtain senior honors alone will have engraved on their respective diplomas "with distinction" and "with honor."

Those forming the senior honor roll will constitute an eligibility list which will be given first consideration in the selection of fellows and graduate student assistants, while there will be created in the new Library building a scholars' Gallery, upon the walls of which will be hung the various honor rolls appropriately fabricated and framed. The senior honor roll with courses pursued will be printed in the college yearbook and will also appear on the commencement day program.

The dean of the college and the librarian will constitute a committee having jurisdiction over the scholars' Gallery, and the creation and mounting of honor rolls. Questions arising in connection with the administration of the honors will be referred to the scholarship committee.

This system of graduation with honors has been worked out successfully in a large number of the colleges and universities of the United States and has been looked upon with favor by the faculty of Michigan State for some time.

UNION BOARD MEET POSTPONED

State Game Conflicts With Time Set for Meet.

The meeting of the Michigan State college Union board which was to have been held last night was postponed a week because of the Michigan State college baseball game held in Ann Arbor yesterday.

Among the important matters which were scheduled to come to the attention of the board was the consideration of changing the annual Union rendezvous to a musical opera. This matter was taken up at a recent meeting and referred to committee. The report of this committee will be heard at the next meeting, it is said.

Ruth Keltman, newly elected president of the Union is also expected to submit her committee appointments to the board next Wednesday.

At The Union

The Union had a student payroll of more than one thousand dollars for the month of February.

Remaining parties for the year are May 7, May 21, June 11.

Your favorite magazine will be carried at the main desk if you request it.

Suggestions placed in the box in the cafeteria should represent ideas about the place instead of attempts at humor.

You benefit by using coupons, they cannot be purchased by non-members.

Meetings at the Union should be arranged as far in advance as possible. Demand for these rooms is greater than the supply.

Michigan State News

Published twice weekly during the college year by the students of the Michigan State College. Entered as second class matter at the post-office, East Lansing, Michigan. Advertising rates furnished upon application to the Business Manager.

Editorials appearing in the MICHIGAN STATE NEWS are written by the editor-in-chief and his assistants, who are students. They can in no way be interpreted as representing the official viewpoint of the college, or of college officials.

SUBSCRIPTION—\$2.50 THE SCHOOL YEAR

are duly and rightfully honored and it would seem that outstanding achievement in education, the primary purpose for which an institution of higher learning is maintained, should be given a prominent place.

Incentive goes hand in hand with achievement. Some students enter college with a definite goal. The majority of them do not. Permanent and tangible recognition would offer a valuable incentive.

It is true that the names of those who achieve the highest averages are published at the end of each term, but they are soon forgotten. They deserve to be remembered.

COLUMBINE PLAYERS ELECT OFFICERS

Columbine officers for the coming year were elected at a regular meeting of the Columbine club Wednesday night. Marian Bennett and Curtis Keifer were re-elected president and vice-president respectively. Martha Stein was chosen as secretary and Euryoyne Hiller treasurer. Following the election, Eugene O'Neil's play "In the Zone" was read and discussed. The next meeting will be of a social type and will be held Mar 22 up the river.

Twelve Year Old Girl Sings Over WKAR

Wanna Bowdish, girl soprano of 12 years, was a guest at the musical

program broadcast from station WKAR last night. Wanna, a resident of Gregory, sang two numbers for her radio audience. Dance music was furnished by the Campus trio and many other soloists took part in the program. Those who gave solo numbers were: Warner G. Butterfield, baritone; Clair Tietz, banjo; Murray O'Neil, piano; Lyle Lyon, baritone; Georgia Lightfoot, violin.

NO MORE EXTRAS

Cabs of this company no longer make the 20c each charge for extra passengers. Therefore, two, three, four or five passengers may now ride at the price of one. This should appeal to students as groups of five may now use taxicabs at but slightly more than street car fare.

TENNIS FEVER

Once more the seasons roll round and bring with them spring, fair weather and our tennis affliction, so now the disease is spreading rapidly among a large part of the student body. The first evidence of this malady appears in the form of questions from the students, thus: "How can we play when the varsity tennis team is always using the courts? When are we going to have any more courts built; they've promised them to us every year?" and countless other queries. In all, there seems to be some real cause for these complaints, for how can all of the tennis players possibly obtain any pleasurable amount of use in only three tennis courts which are confined almost exclusively to the practice of the varsity and fresh squads most of the time when the average student has available time for recreation? There is no doubt that some definite action is needed in this direction and needed at once. It should be the duty of the athletic department to provide the student body with recreative sports as well as to produce winning teams.

Tennis, in the past, appears to have been regarded as entirely outside of the scope and responsibility of the athletic department. Members of tennis teams have had to furnish their own equipment in its entirety and act upon their own responsibility in the majority of purchases of new equipment. It seems that, in the future, our athletic department should take some steps to provide at least our varsity tennis men with the necessary equipment, for after all, they are a part of our athletic teams as much as wrestling, hockey, and the like—which are all provided with equipment.

CONTEST AMMUNITION

The zero hour is approaching! The time to charge will soon be here! But how many of us have anything with which to charge? How many have submitted manuscripts to either the *Economian*-*State News* contest in poetry and in the short story or to the Lawson essay contest? There is a worthwhile goal for which to strive, of \$12, \$29 and \$25 respectively for the winners of the contests. Tuesday noon, the 27th, is the dead line for all manuscripts to be in the hands of the English department. Those who intend to participate in this literary attack would do well to prepare their ammunition at once.

EDUCATIONAL RECOGNITION

A very progressive forward step is to be considered by the faculty of the college, that of official recognition and permanent record of honor students, and it is to be hoped that this system will receive the recognition which it is worthy of.

The new system as outlined by Prof. L. S. Folts would give the student a goal to work for each year, and a written statement of final honors on the diploma at the time of graduation, in addition to a permanent remembrance in the form of an Honor Roll to be maintained by the college.

Those who achieve distinction in athletics and other forms of contests

\$360 REWARD Plus Two Months of Sales Training

Everett Fuller of Pittsburg, Kansas, Averaged \$90.00 a Week Last Summer

Mr. Fuller's attendance at the Normal College at Pittsburg, Kansas, this year was made possible through the money earned with the *Woman's World* subscription sales organization last summer. Even during the school year Mr. Fuller has continued with us on a part time basis and pulled down from \$25.00 to \$90.00 weekly. Needless to say he will be back for full time work at the close of school this summer.

FOR eight weeks during July and August we offer you an opportunity to put class room theories to the test—to acquire under trained salesmen a business experience that will be invaluable later on—and last, but not least, a chance to bring the emaciated bankroll to its former robust state.

This summer as in previous years, *Woman's World*—a magazine entering 1,325,000 homes monthly—invites ambitious college men to enter its subscription sales organization, to work shoulder to shoulder with seasoned veterans, to learn the thrill that comes with getting a prospect's name on the dotted line and to reap the cash rewards that industry and ability invariably bring.

The work is diversified, intensely interesting and keeps you out in the open. No other branch of modern business offers such large or such quick returns as does the sales department. This is a real opportunity and we will help you make the grade.

A letter or postcard will bring you full details without obligation, together with a booklet of letters from other college men in our employ. Write promptly, please, as units are now being filled.

Address Mr. P. M. Hinman, Director of Sales

WOMAN'S WORLD

The Social Whirl

Edited by
ERVA PRESCOTT
Kappa Delta House

Many activities are scheduled to appear on the State social docket this week-end. First and of foremost interest to the co-eds is the annual co-ed prom which is being held tonight at the Union. The foresters are staging their annual shindig at the armory Saturday night while the Union will be the scene of the Alumni-Union party. Many societies are holding open houses and initiations during the week-end.

AeTheon

Prof. C. M. Ferguson gave a short talk at a literary meeting Friday night. Initiation started Wednesday for six pledges. Mr. Hansen visited in Grand Rapids during the past week. The society will stage an open house Saturday night. H. Thomas and P. Lonsberry went with the track team to the Ohio races last week-end.

Delphic

Ten members attended the game at Ann Arbor Wednesday. M. Bailey is out of the hospital. The society will hold its first open house Saturday night. Formal initiation and banquet will be held Monday evening at the house for five pledges.

Themian

Margaret Shoemith was up from Merrill-Palmer for the week-end. Maurice Davist's orchestra will furnish music for the Themian spring term party which will be held in the Union ballroom May 1st.

Pythian

Formal initiation will be held Saturday afternoon for Frances Tallman, Gwendolyn Packwood, Charlotte Breidenstein and Alice Hunter. The ceremonies will be followed by a banquet at the Hunt Food Shop.

Columbian

The first open house of the term will be held at the society home Saturday night.

Formal initiation was held Sunday for William Noeller, J. Dillar, B. Giller, R. Miller and P. Kenyon.

June 5th is the date set for the Columbian spring term party to be held at the society home.

Lambda Chi Alpha

J. Ninas, an alumnus, is visiting at the house.

Hillcrest

Six girls attended the game at Ann Arbor Wednesday. Mildred Baker and Lois Blankenship will spend the week-end in Royal Oak.

Alpha Phi

The sorority held a cosy Tuesday night.

Miss Fairchild, a teacher in the East Lansing schools, is staying at the house for the week.

Misses Neva Lovewell, Y. W. C. A. secretary, and Dorothy Goodson, student president, are attending the Y. W. C. A. convention at Milwaukee this week.

Union Literary

Initiation was held Monday for Chester Superman, Clair Passtink, Ronald Hinshaw and Lester Hong.

Kappa Delta

The sorority spring term party will be held June 5th in the Union.

Myrtle Tobias is a patient in the college hospital.

J. B. Haskins of Howard City visited his daughter, Elizabeth and R. E. Prescott was the guest of his daughter, Bryn, during the week.

Phylean

The house is being redecorated this week.

Herbert Hill has returned to Ann Arbor after a week at the house.

A. B. Corey was in Fremont last week-end.

May 22 has been set for the date of the spring term party. Gerritt Arnold heads the general arrangement committee.

Arthur Hannah and Stanley Den Herder spent last week-end in Grand Rapids.

Henry Arnold is engaged in spring football, while Dell Blackman, and Jack Leslie are on the frosh baseball squad. Don Ovaltt is competing in tennis, and B. Ormer and H. R. Hopkins are track men.

Ero Alphan

Arrangements are being made for the spring party to be held May 15, in the armory.

The society initiated Bessie Castle, Isabel Laird, and Marjorie Torrant. Several girls attended the ball game at Ann Arbor.

Tie

The fraternity will stage an open house May 30.

Are You Going Into the Bond Business?

There is a cycle of fashion not only for the hats college men wear but for the line of work into which they go.

But your job has to fit your head as well as your hat, for it has to fit your state of mind.

Like your hat also, your job needs to fit your purse.

Therefore, why not choose one that brings not only satisfaction in service but in financial return.

Selling life insurance is one of the few modern businesses that does just this.

It takes: **Intelligence, Zest and Ability**

It gives: Liberty of action, the philosophic satisfaction of selling future security and present serenity to living people, and a response, immediate and tangible, in monetary as well as mental reward.

Complete and confidential information, without any obligation on your part, can be obtained by writing to the Inquiry Bureau, John Hancock Mutual Life Insurance Company, 107 Clarendon Street, Boston, Massachusetts.

OPEN SATURDAY NIGHT

Where dependability is vital

IN connection with a new pumping station at Milwaukee, Wisconsin, additional feeder mains were required. It was necessary that one of these should carry an unusually large proportion of the water supply, and 54-inch pipe was decided upon. Although pipe of material other than cast iron had a lower first cost, Cast Iron Pipe was chosen because the possibility of interruption to service had to be reduced to a minimum.

The photograph above shows a section of pipe being lowered into the ditch in the process of laying it.

THE CAST IRON PIPE PUBLICITY BUREAU, Peoples Gas Bldg., Chicago

CAST IRON PIPE

Our new booklet, "Planning a Waterworks System," which covers the problem of water for the small town, will be sent on request.

Send for booklet, "Cast Iron Pipe for Industrial Service," showing interesting installations to meet special problems.

WHEN the lithe half-milers are fighting for the lead. And your own dauntless champion suddenly soars ahead and wins—have a Camel!

For you'll never find another friend so attuned to your triumphs as Camel. Camels are made of the choicest tobaccos grown—they never disappoint your taste. Camels annihilated cigarette after-taste. Regardless of price, you'll never buy better tobaccos, or blending, or flavor than you get in Camels.

So this year when the old school's men go through for victory after victory—taste then the smoke that's choice of the world's victorious.

Have a Camel!

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price.

B. J. Reynolds Tobacco Company

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and domestic tobaccos. The most skillful blending. The most scientific package. No other cigarette made is like Camels. No better cigarette can be made. Camels are the overwhelming choice of experienced smokers.

MICHIGAN WINS FIRST GAME FROM STATE 6-1, KUHN STOPS WOLVERINES

Four Runs Scored After Two Are Out; Captain Kiebler's Error Settles Issue; Tolles Leads Attack.

The Maize and Blue of Michigan continued its time worn custom of winning over the Green and White of State Wednesday afternoon, taking the first of a two game series from the Spartans, 6-1. Michigan, with an array of three first class moundsmen, held the States at bay throughout most of the afternoon, allowing the Kobsmen to dent the plate only once and then only through the medium of Kiebler's one base smack and errors by Kubieck and Friedman on easy chances, which allowed the State captain to score.

Michigan got to Wakefield in the first inning for a counter when with Loos down, Wilson singled and was forced by Lange who took second when Wakefield hit Edgar. Miller walked filling the bases and Lange scored when Wakefield walked Puckelwartz. Kiebler tossed out Kubieck.

State also threatened in the first inning by filling the bassocks on singles by Haskins and Tolles and Friedman's error but Baynes was an easy third out, Kubieck to Wilson.

Michigan did not score in the second but sewed the game up in the third with four runs, five hits and one error. After Lange rolled out to the box and Edgar struck out, Miller rolled to Kiebler who threw the ball over Spiekerman's head, Miller taking second from where he scored on Puckelwartz's single. Puckelwartz took second on the throw in and counted on Kubieck's double to right cen-

ter. Friedman scored on Jablonski's two base hit but Jablonski, who tried to score on Loos' single, failed to touch third and was out. Kiebler to Fremont to Hood.

Michigan counted its last run in the sixth when Lange singled and scored on Edgar's triple. Oosterbaan, who was coaching third, sent Edgar home with Kiebler holding the ball. Kiebler got him at the plate by five yards.

One of the real features of the game was Haskin's great throw from left to get Jablonski who tried to score in the second frame from second base on Loos' single. Fremont got him by four feet.

Wakefield was relieved in the big third by George Kuhn, who took up only four hits the remainder of the pitching assignment and allowed game. Wakefield was wild and when he did find the plate he was hit hard. The loss however was not due any more to his faulty pitching then it was the collapse of his infield. Wakefield would have gotten through the third inning scoreless if Kiebler had got Miller at first which would have been the third out.

"Lefty" Tolles led the State attack with two clean bingles. Fleser, who up to Wednesday had collected nine hits out of 10 times at bat, failed to hit safely. A feature of the game was that not a single stolen base or sacrifice was recorded during the pastime.

TENNIS COURT REGULATIONS

A. The courts between the hours of 8 a. m. and 6:30 p. m. are for the use of the

1. Varsity tennis squad.
 2. Freshmen tennis squad.
 3. Men and women electing tennis for college credit.
- B. Courts should not be played upon unless sign "Courts Open" appears on the bulletin board. Courts will only be closed when wet or prior to a meet.

C. All men electing tennis for college credit have been assigned four hours per week during which time the courts are reserved for their use. Find the number opposite your name and see what hours have been assigned in the schedule below. This assignment is a regular class hour.

D. Tennis shoes (without heels) should always be worn on the court. Keep outside the courts when not playing. Do not run across a court where play is going on in order to get a ball; let the men on that court get it for you.

E. Court No. 1 reserved for varsity, 2 to 7 daily. Court No. 2 reserved for varsity or fresh squad 3 to 6:30 daily. Court No. 3 reserved for varsity or fresh squad from 4 to 6:30 daily.

Freshmen managers for tennis needed. See Malone or Lawrence, at Ag house.

STATE ENTERED AT DRAKE RELAYS SATURDAY IN ANNUAL CLASSIC

Alderman, Grim, Lord and Farley to Compete; Interclass Meet Here Saturday.

This Saturday State athletes will compete in the university class where as last year they competed in the college division. In the 220 dash Alderman will meet Locke, of Nebraska, and Grim will run against Hester of Michigan in the century. There is bitter rivalry between these men. Last year Alderman beat Locke in the 220 and set a new conference record in turning the trick. Grim during the indoor season equalled the world's record for 75 yards in his preliminary heat, but in the final was nosed out of first by Hester.

Alderman and Grim are also running on the 440 and the 880 relay teams. In the time trials this week Lord beat out Van Noppen and Farley takes the place of Rupp who has not fully recovered from an attack of tonsillitis and is not in condition to run.

State will enter Alderman and Grim in the 100-yard dash; Alderman in the broad jump and Lord, Farley, Grim and Alderman in the 440 and the 880 relays.

Interclass Track Meet Saturday
This Saturday, April 24th, the four classes of Michigan State college will battle for track honors on the old athletic field, the first event is scheduled at one o'clock. The meet should be an interesting one inasmuch as each class has capable performers.

The outstanding men in the fresh class are Barratt and Doyle in the shotput, discus, and the javelin; Kroll, Henson, Lang, Peterson, Schaar, and Kenyon in the dashes; Diller, and

McAttee will take care of the pole vault and the running high jump. Joachin in the javelin looks as if he is a first place winner in that he came within several feet of the college record last Saturday. He will have a worthy opponent in Smith, a sophomore. The sopho. hope depend upon how well Smith, Tillotson, White, Belt, Walk and Reid come through in their respective events.

The juniors have Rupp, Waterman, Hoff, Kurtz, and Dorrance. The seniors will present a formidable array of track men in the persons of Van Noppen, Van Arman, Hanger, Keefe, Oosterbaan, Ripper, and Thomas.

Ribbons will be awarded for places.
