## FINEST HORSES OF MIDDLE WEST WILL BE IN M. S. C. SHOW

### Third Annual Horse Show to Be Held in Stadium to Be Brilliant Event.

The Third Annual Horse show, with one of the most brilliant arrays of fine horses in the country, will be staged in the new football stadium at Michigan State college May 28 and 29, and will include in the list of entries many of the finest thoroughbred riding horses of the middle west. The tourney is to be held under the management of the military department, and the committee in charge offers an alluring list of cash prizes. The entire \$2,500 appropriation made by the board of agriculture for the promotion of the show has been set aside solely for the winners of the 24 brilliant events of the two days.

No weather can stop the show—whether it be rain or snow," according to the committee. In case of rain the exhibition will be held on the riding field west of the stadium, besides the large number of "foreign" entries, a host of local animals are expected to display feats at the show. Dr. C. L. Barber and Dean Frank S. Kedzie, owning the finest horses in Lansing, will probably lend support to the tourney. Entries have been received for different events from cavalry cadets at the college as well as from outsiders. The cadets include Frank D. McCalby, C. W. Cazier, S. W. Whittemore, and J. K. McElroy, all of whom will demonstrate skill in general horsemanship, jumping and charging.

Orders are now being filled for box seats, although the entry blanks have just been issued. The first person to order a box was Blair Hunter, president of the Aeronautical society of Lansing.

The State College Horse show has increased in three years from practically a local affair to an array of considerable outside interest. The first show in 1924 had assets of only \$56 and but a few dozen entries. Last year cash prizes amounted to \$260 and more than 300 horses competed, 82 of which were not of local stock.

## PEOPLE'S CHURCH PLAN DEDICATION

### Many Prominent Speakers to Be Here for Dedication Week Services.

May 9 is the date of the last service to be held by the People's church in the old building. The dedicatory services will be held in the new church starting with the Victory banquet Tuesday evening, May 11.

Many speakers of prominence are to contribute speeches on this occasion and a special table is to be reserved for all the charter members, who organized the church in College hall several years ago.

The Woman's society of the church will dedicate its parlors with a reception and tea Wednesday afternoon. In the evening a program pertaining to religious education will be held in the class rooms and Sunday school department.

All-College night will be held Thursday, with President Kenyon L. Butterfield as the main speaker. The banquet room has a capacity of 500 and in addition there is an overflow room. However, the request by the committee in charge is that reservations be made at least two days before the banquet so that all may be taken care of who wish to attend.

Friday night has been designated as Lansing night, when members of the various organizations and clubs of the city of Lansing and all others who are interested will be welcomed guests.

Dedicatory services are to be held Sunday morning, May 16; complete arrangements are to be announced later. Monday, May 17, the college Choral union is to give a concert in the auditorium, and May 18 the Chicago Symphony orchestra will play.

## TO BEAUTIFY CAMPUS ALONG BOULEVARD

Planting shrubbery in the boulevard near the Home Economics and Union buildings will be started this week, to beautify the tourists' view of the college.

## AIRPLANES TO ASSIST IN ARTILLERY MANEUVERS

### To Consist of Firing of Anti-Aircraft Guns and Problems of Artillery Warfare.

Airplanes from Selridge field at Mt. Clemens will assist in the artillery demonstration to be given by that branch of the cadet corps May 12. This is one of a series of demonstrations which are being given by the various units of the corps. The demonstration will consist of the firing of anti-aircraft guns and a problem in artillery warfare.

The demonstration for May 5 will be given by the cavalry. Jumping and other spectacular stunts are being planned.

## SOCIETIES TAKE IMPORTANT PART FOUNDER'S DAY

### Order of March of Societies Are Determined by Lot; Classes Excused In Afternoon.

With plans nearly completed for Founders' Week, from May 9 to 14, the general arrangements committee headed by Milton Francis, '26, has announced the order in which various campus organizations will be lined up on the drill field May 13, the date of the 68th anniversary of the college.

Lots were drawn from among the fraternities and sororities to determine the order of march on the afternoon of May 13. At 1:10 p. m. all organizations listed are requested to be on the drill field in body. Classes will be dismissed at noon for the remainder of the day, and at 4:30 o'clock the march into the gymnasium under society banners will be begun.

The lineup of march will be as follows: AeTheon, Hermian, Delphic, Phi Chi Alpha, Sororian, Phylean, Elysian, Phi Delta, Theman, Pythian, Alpha Phi, Union Lit., Alpha Gamma Rho, Olympic, Eunoimian, Ero Alphan, Columbian, Trimotira, all independents, Hesperians, Eolectic, Phi Kappa Tau, Lambda Chi Alpha, Alpha Gamma Delta, Sessame, Delta Sigma Phi, and Kappa Delta.

The festivities for Founder's day of anniversary week will be culminated by the annual freshman spring term party at the Union in the evening. On the following night, the week's activities will come to a close with the elaborately planned Union party. Week-end rules for co-eds will be in vogue both nights.

## HISTORIC SMOKER'S DISPLAY AT UNION

Displayed on the main deck in the Union building is a very valuable collection of antique smoking pipes, of various designs. The five exhibits are contained in a glass case, and present a very novel sight to the careful observer.

First in order, comes a German pipe-bearing two Teutonic inscriptions. In the same category is another of German origin. This second type is a solid porcelain, water cooled variety. Next we view one of Italian affiliation, known as the "Poker pipe of Italy." In this class of pipes, handed down from the inhabitants of the Mediterranean area, we also are given a glimpse of a very old Italian meserschnum. It is metal plated, and of odd design, which touches for its expressed age of more than one hundred years. This pipe is the most curious and valuable of the collection. It has not been smoked for over fifty years, and to secure its original beauty would require from two to three months of use.

The last of the display is of Turkish origin, and has a profound historic significance. It is designed in the pattern of the head of a girl from a Turkish harem. A meserschnum stem of amber and silver adds to the ornamental value of the pipe, and gives it museum and artistic bearing. The design was originally one of a Turk, but it was dropped and broken. Later it was taken to Nicola Farnesi, who was called the second Benvenuto Cellini, a direct descendant of Cellini, the first. He recarved the pipe and made it into its present shape, symbolic of a girl's head. Perhaps it is also significant of his ability to see into the future, and predict the usage of such articles among the feminine sex.

LOST—A kodak Saturday afternoon on Grand River Ave. Reward. Call 23687.

## CO-EDS TO START NEW FUNCTION IN LANTERN NIGHT

### New Ceremony Planned to Do Away With Inter-Class Hostility.

Spring term leads between the junior and senior co-eds will be a thing of the past, if the plans being made by the senior girls materialize. Formerly it has been the custom for the co-eds of the two upper classes to hold many midnight feuds. These were supposed to be secret, but invariably the members of the other class would get wind of the affair and raid it. This caused considerable ill feeling between the members of the two classes.

The senior girls have planned a "Lantern Night," to be held during the week of Cap night. The senior co-eds will parade about the campus carrying lit lanterns. They will hand these to the junior girls in an impressive ceremony. The junior girls will hand them to the sophomores who will in turn hand them to the freshmen girls.

Plans for the affair, which will be held in "Sleepy Hollow," are being made by a committee headed by Milton Clark. They are planning to pattern the affair after similar ceremonies which have become very popular in other institutions.

To take all vestige of inter-class hostility from the occasion, an inter-class "wente" or steak roast is also being planned, at which the senior girls will be hostesses. This will be held in some favorable spot up the red cedar, and June 2 has been set as a tentative date.

## ADVERTISE FOR BIDS FOR CHEM BUILDING

### Bids to Be Opened On May 26; Contract to Be Awarded Shortly Afterwards.

Another step toward the new chemistry building has been taken by advertising for bids for its construction. According to Secretary H. H. Halladay, the bids will be opened May 26 and the contract will be awarded shortly afterward.

This sudden action is due to the unexpected releasing of \$300,000 of the \$600,000 appropriated by the state legislature for the building. The remaining \$300,000 will not be released until 1927.

Plans and specifications for the building are being rushed to completion in order that the contractors may have an opportunity to make estimates on the work. The new building will be one of the finest on the campus. It will be located south of the agricultural building in front of the horse barns, which will be moved across the river to make room for the new building.

## ANNOUNCE SPRING PARTY SCHEDULE

Numerous parties and open houses have been scheduled for the spring term by the various sororities and fraternities. These range in importance from the open houses held by the various fraternities to the Soph prom, most important social event of the spring term. The spring term party list, although in some instances not complete, is as follows:

- May 1—Theman, Union.
- May 8—Lambda Chi Alpha, Union.
- May 9—Phi Delta open house, Union.
- May 14—Eunoimian open house, Eunoimian house.
- May 15—Delphic open house, Delphic house.
- May 15—AeTheon open house, AeTheon house.
- May 15—Eolectic, Eolectic house.
- May 15—Ero Alphan, Union.
- May 15—Sessame, Union.
- May 21—Abbott Hall, Armory.
- May 22—Phi Kappa Tau, Armory.
- May 22—Hermian, Masonic temple.
- May 28—Trimotira open house, Trimotira house.
- May 28—Pythian, Union.
- May 29—Alpha Gamma Delta, Armory.
- May 29—Delta Sigma Phi, Union.
- May 30—Phi Delta open house, Phi Delta house.
- June 4—Sophomore Prom, Union.
- June 5—Columbian, Columbian house.
- June 12—Senior, Union.
- June 19-23—Phi Delta house party, Phi Delta house.

## BAND TO ATTEND KNIGHTS TEMPLAR CONCLAVE

### Conclave To Be Held At Battle Creek June 1.

The Michigan State college military band will accompany the Lansing commandery of the Knights Templar to the annual state conclave at Battle Creek, June 1, according to Secretary Halladay, supervisor of the organization.

Bruce Anderson, one of the Lansing knights, in extending the invitation to the band, stated that the "Templars were exceedingly pleased with the exhibition given by the outfit at Grand Rapids last year, and desired that the boys accompany the commandery again."

## RECENT SYMPHONY OF DE LAMARTER TO BE CONCERT FEATURE

### Announce Complete Program For Two Chicago Symphony Entertainments.

Eric DeLamarter, assistant conductor of the Chicago Symphony orchestra, will accompany the organization on its visit to East Lansing May 18 and will conduct his most recent symphony, "After Walt Whitman."

Alfred Wallenstein, cellist, will be the soloist in the afternoon concert, and Jacques Gordon, the popular concert master of the orchestra, will give solos in the evening program. Both concerts are to be given in the new auditorium of the People's church. The programs are as follows:

Afternoon Concert  
Overture, "In Spring Time"

Goldmark  
Symphony No. 1, A Major, opus 22  
Poco sostenuto—Vivace  
Allegretto  
Presto  
Allegro con brio

Intermission  
Variations on a Theme Toccata for Violin and Orchestra  
Tchaikowsky  
To a Water Lily... Macdowell  
Stock  
A Wild Rose... Macdowell  
Waltz, "On the Beautiful Blue Danube" Strauss

Evening Concert  
Soloist, Jacques Gordon  
Overture, "Carneval" Dvorak  
Symphony No. 2, G Minor, After Walt Whitman DeLamarter

I. "I Sought My Barbic Warp"  
H. O. Glistening, Perfumed South

III. "Robust, Friendly, Singing with Open Mouths" Souvenir de Moscow for Violin and Orchestra... Wieniawski

Intermission  
Hungarian Rhapsody No. 2... Liszt  
Symphonic Poem, "The Spinning Wheel of Omphale" Saint Saens  
Suite from the Ballet "Casse-Noisette" (Nutcracker) Opus 71a Tchaikowsky

I. Overture miniature  
II. a. Marche  
b. Danse de la Fee Dragee  
c. Danse ruse  
d. Danse arabe  
e. Danse chinoise  
f. Danse des mirillons  
III. Valse des fleurs.

Aside from the DeLamarter symphony Frederick Stock will clad the orchestra.

## COUNTY NORMAL SCHOOL STUDENTS TO HOLD MEET

The tenth annual meeting of county normal school students will be held at the college, May 13 and 14. Principals of the county normals will accompany their classes. A special program to be held in the Little Theater is also being arranged, and a banquet will be given in the Union building.

More than 1,000 boys from vocational schools will be attending a conference here at the same time.

## Purchasing Agent's Council Attend Lake Forest Game

Members of the fourth district council of the National Association of Purchasing Agents attended the State-Lake Forest baseball game last Saturday in a body as guests of the Lansing association. The association, which opened its two-day session at the Kerns hotel last Friday, held a meeting Saturday in the Union building. The opening banquet at the Kerns was presided over by Willard Sweeney, purchasing agent of the college.

## COMMITTEES ARE ANNOUNCED BY UNION BOARD

### Union Is Busy With Social Affairs and Spring Term Functions.

The appointments to two of the committees of the M. S. C. Union board were submitted for approval at the last meeting of the board by the newly elected president of the Union, Ruth Ketcham, and the remaining appointments will be released, it is expected, at the next meeting of the Union board on May 8.

The following appointments were made for the entertainment committee: Harry Swanson, chairman; Elton Hutchins, Margaret Mathews, Leon Greene, and Walter Ayrault; for the loose robes committee: Franklin Howland, chairman; June Ranney, Annabelle McRae, and George Maier.

A busy term seems in store for the Union with an average of three or four parties a week in Union ballroom as well as a galaxy of meetings and banquets taking place in the building. The anniversary week as well as the alumni functions near the end of the term are affairs which are conducted under the Union.

Next Thursday night the Inter-City Golf club will hold a dance in the ballroom. Friday night a Union party will be held. An outside orchestra has been imported for the occasion. The Chicago Serranaders is the musical organization, which has been secured to furnish the music.

Saturday noon, a joint meeting of the Union board and the executive committee of the M. S. C. Alumni association will be held in the Union. This is the first of a number of meetings of this kind which will be held to deal with problems in common to both organizations.

During anniversary week a freshman party will be held on Wednesday, May 12. Kokoski's orchestra from Muskegon will furnish the music and week-end hours will prevail for the co-eds. Thursday night, May 13, a Union party will probably be held, beginning at about 7 o'clock. The party will probably be a twenty-five cent party with indications at present pointing towards a Victor Orthophonic in evidence as the music maker.

## COMPLETE PLANS FOR SOPH PROM

### Jean Goldkette's Breeze Blowers Will Furnish Music.

Complete arrangements for the sophomore prom, the biggest social event of the spring term, which will be held in the Union ballroom June 4, are ready according to the committee in charge of the affair. The orchestra has been secured, and elaborate arrangements are being made for favors and novelties.

Jean Goldkette's Original Breeze Blowers have been secured to furnish the music, which insures real music for the prom. Those who have previously heard them will well remember. The Breeze Blowers have played for social functions before at Michigan State and have never failed to render a pleasing grade of music.

Plans are also being made for favors and novelties. The committee in charge of arrangements promises a treat in this respect. The prom is the big social function of the spring and is always remembered along with the 4 Hop, the military ball, and the variety party as one of the big parties of the year.

## At The Union

Lunches will be prepared to your order for canoe trips and picnics.

The Chicago Serranaders, a notable attraction, will provide music for the party May 7.

College ice cream may be purchased in bulk at the soda fountain.

Do you want league baseball scores posted at the Union?

A special party is planned for the near future when some of the world's best dance orchestras will be heard.

Your visitors will find the Union convenient and attractive.

### FOR THE GOOD OF ALL

For the first time since the establishment of the *Herald* in 1908 (now the *State News*), advertising has been secured from Lansing theaters. It has been the ambition of nearly every business manager of the paper, realizing that it would be a valuable aid to the publication, to secure this advertising.

The Michigan State News is laboring under difficulties, financial difficulties, of a debt that has been steadily increasing during the last several years until at present it has reached rather alarming proportions.

Relations between the Lansing theaters and the student body have been strained in the past, and not without just reason. Irresponsible student mobs have not only inconvenienced and humiliated theater patrons, but have needlessly destroyed property. Instances have been cited in the past when, not satisfied with forcing an entrance, students have proceeded to stop the show, push women and children out of their seats, and to commit other ungentlemanly acts of which they would not be guilty under ordinary circumstances.

College men are supposed to be capable of thinking and acting for themselves and would be insulted if told that they were not, yet these same men, when in a mob, will allow themselves to be swayed to actions that show no forethought, judgment, or regard for the rights of others.

Lansing theaters realize that the student body is a valuable source of patronage and they are willing to reciprocate with advertising space which should be a valuable aid to the Michigan State News, and increase good will and student patronage. It is only just that they be given due consideration in return.

Opportunity for service to the college and to the student body through the medium of the Michigan State News is limited only by the energy and conscientious application of the staff and the extent to which the student body is willing to cooperate in making it a success.

It is the aim of the staff to give the students the best possible college paper. A newspaper must serve both its advertisers and its subscribers and at the same time meet its financial obligations. No publication is a success whether it be a personal or a student enterprise unless it succeeds financially.

Placed on a sound financial basis, the Michigan State News will be able to do a great many things in the way of service to the student body that have hitherto been impossible. It can be made larger, more complete,

and more interesting. We are willing to do our best. Are you willing to help?

## BETTER Shoe Repairing

## Are You Going Into the Bond Business?

There is a cycle of fashion not only for the hats college men wear but for the line of work into which they go.

But your job has to fit your head as well as your hat, for it has to fit your state of mind.

Like your hat also, your job needs to fit your purse.

Therefore, why not choose one that brings not only satisfaction in service but in financial return.

Selling life insurance is one of the few modern businesses that does just this.

It takes:

**Intelligence, Zest and Ability**

It gives:

Liberty of action, the philosophic satisfaction of selling future security and present serenity to living people, and a response, immediate and tangible, in monetary as well as mental reward.

Complete and confidential information, without any obligation on your part, can be obtained by writing to the Inquiry Bureau, John Hancock Mutual Life Insurance Company, 197 Clarendon Street, Boston, Massachusetts.

### SOCIETY

**Essemanian**  
 Friday evening the society gave an initiation banquet at the Union for Capt. C. Kelly. Following the dinner an open house was held at the society home with about 40 couples in attendance. Patrons and guests were Sec. and Mrs. Halladay, Howard Rafter, and Capt. and Mrs. C. Kelly.  
 Carl Pohlman and Harold Summak of Saginaw were the guests of Ralph Single during the past week-end.  
 B. Neller, an alumnus and former football star, was a week-end guest from Cassopolis.

**Olympics**  
 The pledges were given formal initiation Saturday evening.  
 George Jagnow of Detroit was a house guest over the week-end.  
 Lloyd DeVries and Harold Peters spent the week-end in Detroit.

**Aethon**  
 Week-end guests at the house were Jerry Brabb of Detroit, H. Matzing of Muskegon, R. Blank, and C. Johnson.

Frank Thomas returned this week-end from Indianapolis.  
 S. Chamberlain spent the week-end in Detroit.

**Kappa Delta**  
 Myrtle Van Horn and Marie Rostleman were members of the Y. W. C. A. house party at Pine Lake during the week-end.  
 Luella Bunge spent the week-end in Howell, while Erva Prescott and Agnes Trumbull visited at the latter's home in Jackson.

## NO MORE EXTRAS

Cabs of this company no longer make the 20c each charge for extra passengers.  
 Therefore, two, three, four or five passengers may now ride for the price of one.  
 This should appeal to students as groups of five may now use taxicabs at but slightly more than street car fare.

## Crows

In a field in sunny Spain stands a stone mortar. Crows hover around it, picking up bits of grain and chaff—cawing.

Here Marcheta, in the fresh beauty of her youth, will come to pound maize. For years she will pound maize. The stone will stand up under the blows; not a dent has the muscle of three generations of women made upon it. But the crows will hurl their black gibes upon a woman aging early and bent with toil. *Old Marcheta*—still in her thirties.

The American woman does not pound maize. But she still beats carpet; she still pounds clothes; she still pumps water. She exhausts her strength in tasks which electricity can do better, and in half the time.

The high ideals of a community mean little where woman is still doomed to drudgery. But the miracles which electricity already has performed indicate but a fraction of the vast possibilities for better living and the tremendous opportunities which the future developments in electricity will hold for the college man and woman.

Electricity, which can release woman from her burdens, has already created a revolution in American industry. Wherever mankind labors, General Electric motors can be found carrying loads, driving machinery and saving time and labor. And there is no branch of electrical development today to which General Electric has not made important contributions.

A series of G. E. advertisements showing what electricity is doing in many fields will be sent on request. Ask for booklet GEE-1.

# The Social Whirl

Edited by  
**ERVA PRESCOTT**  
Kappa Delta House

The past week-end was filled with many and varied forms of entertainment. The Theman spring term party was the first individual society function held in the Union Saturday evening. The Alpha Phi benefit dance was held in the same place on the preceding night. The Eumonian and Phyllean societies staged open houses while the Y. W. C. A. cabinet spent the week-end at a house party at the "Y" cottage at Pine Lake.

### Theman

Many members and guests were in attendance at the Theman spring term informal at the Union building Saturday evening. Floor lamps and ferns were prominent among the decorations while music was furnished by the Green Bug orchestra. Misses Josephine Hoffarth and Ann Hickman were patrons for the occasion and

guests included Mary Welch and several Kappa Kappa Gammas from Hillsdale.

### Delphic

Guests at the house during the past week were Robert Perry of Ann Arbor and Wynard Hinkley. R. C. Blatchford spent the week-end in Detroit while R. Bower visited in Owosso.

### Columbian

The society will stage an open house on the coming week-end.

### Alpha Gamma Delta

Margaret Longwecker visited in Ann Arbor over the week-end. Teckin Sparks was in Eaton Rapids while Eleanor Bonninghausen and Lois Gates were in Detroit, and Dorothea Hauser visited in Hartford.

### Sesame

The society held a May morning breakfast at Pinetum Saturday. Guests at the house for the past week-end were Helen Kelly of Grand Rapids and Judge and Mrs. Clements of Saginaw.

### Union Literary

Charles Fredericks and Arthur Beckley spent the week-end in Saginaw. George Wenner and C. Passink were in Grand Rapids and L. Fischer was in Brooklyn.

### Eclectic

The society will entertain with an open house Saturday night. James Appleford and William Morin of Detroit were house guests over the week-end.

### Ulyssian

The society held initiation Monday for L. Cook, C. Cramer and J. Turner. Following the ceremonies a banquet was held at the Union.

George Compton, B. Batchelder and Forest Leedy spent the week-end at their respective homes.

### Lambda Chi Alpha

Initiation was held during the past week for Cleo Coles, Don Rodger, William Hoyt, P. Purdy, E. D. Middough and Louis Jernell.

P. Purdy and J. Luther spent the week-end in Grand Rapids while M. McDemott was in Ann Arbor.

### Hermian

C. MacDonald was in Brighton for the week-end and P. Chalmers visited in Tecumseh while Keith Hunt and Walter Sandley were in Grand Rapids.

### Sororian

Frances Harvey, Volynn Moore, Dorothy Mae Eickson, Dorothy McWood, Olga Bird, and Alice McWood attended the Y. W. C. A. house party at Pine Lake.

# Varsity Track Humbles City College of Detroit, 66 1-2-55 1-2

### Alderman Takes Four Firsts, Breaking Three Records; Grim Lowers 440 Time; Smith, Doherty Break Even.

Michigan State's track thineclads won their first dual meet of the season Saturday, outscoring City college of Detroit, 66 1/2 to 55 1/2. Differing from meets in past years between the two schools, the meet was not decided by the last event, State leading by a fair margin all the way.

Second in interest to the meet itself was the rivalry between Doherty of Detroit and Smith of State, both being entered in the same six events, the pole vault, discus, shot put, high jump, broad jump and javelin. Both came out even as to points scored, each taking 1 1/2. Smith scored a first in the pole vault, second in the shot, discus and javelin. Doherty, although placing in more events, scored no more points in the pole vault in which he took third, first in the high jump, second in the broad jump, third in the shot, discus and javelin and second in the 220 low hurdles.

One of the outstanding features of the meet was Freddy Alderman, who copped four firsts, winning the century, 220 yard dash, javelin and broad jump, and breaking records in all except the javelin. None of his marks was allowed as official due to the wind at his back. He lowered the present mark of 19 flat in the hundred to 9.7 seconds, held by Moon, Herdson and Ernst jointly. He also bettered his own record of 23 ft. 3 1/2 inch in his broad jump, leaping 25 ft. 3 1/2 inch. Not being satisfied with this he proceeded to lower his own mark in the 220 yard dash, bettering his own time in 20.9 seconds. In both the 220 and 100 yard events he came to within 1/10 of a second of the world's record in these events.

Captain Bohn Grim also entered into the record-breaking mania and lowered the college record in the 440 of 59.2 seconds to 58 flat. His mark was allowed as official. Grim started out in second place, dropping

# FRESH OVERWHELM MOUNT PLEASANT

### Both Relay Teams Lower Time; Kroll Smashes 440 Record; Fresh Take 15 Firsts.

Michigan State's all fresh track team broke three records Saturday in overwhelming the Mt. Pleasant scorers, 106 to 30. Mt. Pleasant scored only one first, the remainder of its places being mostly thirds, eleven places in that niche being registered by the invaders, while the fresh piled up the remaining first places.

Kroll broke his own mark in the quarter mile of 53.2 doing it in 52 flat. Kenyon, Peterson, Henson and Lang, running the 880 relay, bettered the mark of 1:37.4 set by Lang, Kenyon, Kroll and Henson in the Fresh-Soph meet, turning in a 1:33.1. Peterson, Wilmarth, Henson, and Lang broke the one mile relay record of 1:37.4 made by Lang, Kenyon, Peterson and Kroll in the interclass meet with 3:38.2.

The first place winners for State were Lang, Williams, Passink, Kroll, LaPlant, Kenyon, McAtee, Olson, Schaar, Barratt and Joachim.

# TENNIS TEAM WINS TWICE

Coach C. D. Ball's tennis squad kept step with the remainder of State's athletic teams over the week end, scoring two victories. The first was against the court squad representing Detroit City college, which was humbled 6-2 in an impressive victory. The second victim was Mt. Pleasant Normal, which invaded the State stronghold Saturday and was turned back, 7-0. The Normal failed to produce any tennis talent in the class of the Spartans, every match going to the Green and White in straight sets.

Lawrence defeated Moss, of Detroit junior city champion, in straight sets, 10-8, 6-5, in one of the best matches of the day. Lawrence has also defeated Levine, senior champion of Detroit, who is with the University of Detroit team.

In the singles matches with Mt. Pleasant the best any northerner could do was to score four games in one set. Crawford and Warner did force Stott and Colvin to a 9-7 set in the doubles, which the latter finally took in the second set, 6-4.

# STATE SHOWERS LAKE FOREST WITH VOLLEY OF HITS AND WIN, 27-5

### Illini Make Thirteen Errors to Aid Spartans; Tolles and Bremer Effective; Zimmerman Hits Homer.

Illini college will furnish the opposition for Coach John Kob's Spartans this afternoon at College field, when the Congregationalists will try to stop the onslaught of the "Murderer's Row" that the Spartan mentor has been urging of late to terrorize out-of-town mountaineers. Only one pitcher has gone the route against State since its return from the south and the chances are that the bull pen will be doing a good business today in an effort to stop the fattening of the Spartan batting averages.

The Crimson has not won a game this year, and the taste of the full last season to the State attack, 13-1 remains. The varsity seems to have put the idea of winning a game in the back of their heads and instead are trying to see how large a score can be run up.

State collected 21 base hits, which with twelve free tickets to first and thirteen misplays by Lake Forest, all went toward fattening the scoring column. Lake Forest, after using all its available pitchers, let the members of the infield take turns in letting the State wrecking crew look over their deliveries. None were effective and State was busy clubbing the sphere to all parts of the lot.

Lefty Tolles, the bespeckled, crooked arm twirler, posed on the State mound for five innings, allowing three hits and two runs. This was Lefty's first appearance on the hill since the southern trip and justified Kroll's confidence in him by pitching a stellar ball for the five chapters he was on the mound. Bremer, who pitched the remainder of the game, held the visitors at all times and was never troubled with an avalanche of hits.

Del Zimmerman planted one close to the south bank of the river for a grand trip in the big third in which State scored 18 runs, believed to be a college record or near to one. Nineteen men batted in the third round, eleven hitting safely and the rest getting on through misplays.
