## Seniors Swing-out as Spring Sport Costumes Dot Campus

With the arrival of the first spring days, the campus folk have turned to lovers of sport. Students may be seen at almost any time in athletic sport costumes. And with the arrival of spring come the activities of the senior class. On Wednesday, the annual swing-out was held. Nearly 400 seniors clad in the traditional cap and gown paraded about the campus. The lead of the band, drums and brass. William Miller, president of the class, and Mrs. Lucille Miller, the president of the student body, led the parade. Following the parade, the members of the class went to the gymnasium for the first of the spring parties. Seniors are expected to be in attendance with the class at the gymnasium.

permits a certain aloofness. The peak of a girl's popularity is reached during the latter part of her freshman year or the early part of the sophomore year. If by the junior year a girl has not gotten her man it seems to be an unwritten law that she doesn't rate and she is usually alone except when one of the alumni—a student of a year or so ago returns and takes out the girl he knew back in the good old times. Of the girls who come to school 25 per cent are freshmen. The rest either got a man for an education and an ultimate for the time they are graduation on the horizon or they are waiting for a man.

## SPARTAN SPRINTERS RACE IRISH IN SEASON'S LAST DUAL TRACK MEET

Green and White Goes to South Bend Saturday; Local Squad Weak in Weights and Jumps.

### COMPETITION IS STIFF

Spartan sprinters will compete in the last dual meet of the season when they meet the University of Notre Dame at South Bend Saturday, May 11. The Irish have about been among the most able of Spartan competitors and have shared victory and defeat by close margins many times during the past. In 1927 the Green and White edged the Irish with a 10-point margin while the South Bend team won the 1928 dual run to decide the contest in their favor by 2 points when they modeled the Spartans' camp last year. The Irish are considered a chance to win by about 30 points in Saturday's clash.

Lane, who represents a lot of strength in the sprints and Ted Willmuth, who holds a berth in the distance events, working in as either a mile or two-mile on occasion, were laid up during the Ohio relay last Saturday, and it is doubtful that they will compete at South Bend.

The Spartans are expected to hold their own in all events except the weights and the broad jump, where the State team is weak while the Irish are very strong this season. Walsh, who put the shot in Notre Dame at the Ohio relay to take first place, represents a large part of their strength in the weights.

Capt. Lyle Hennessy will meet a formidable opponent in Fidler, who has held the world record 60-yard dash record 14 times. Nordberg, Russow, and Peterson will support Hennessy in the 100 yard dash if Lane is unable to compete. Should Lane be on the runners Saturday, he will compete in the 100-yard dash while Peterson will be reserved for the 440 and 220.

Hennessy heads the list of states entries in the 220, while Salmon is expected to put up a stiff bid for Spartan honors in the 440. Pasank, Russell, and Russow represent the bulk of State's strength in the hurdle events with Yarger, Oswald, and Voecker as supporting barrier jumpers.

McAtee is promising in the pole vault where he will be assisted by Nordberg and Ross. Grose, Potter,

### FRESHMEN TRACK TEAM MEETS ALMA HERE FRIDAY

Oppose Alma Varsity and Fresh; Spartans Out for Sixth Victory.

The Spartan freshmen will clash with Alma college varsity and freshmen track teams in a valuable contest at the home stadium at 4 p. m. Friday, May 10. If the past two years during which time the freshmen met with the Alma team, the Spartans have a reputation of being the Spartan freshmen, school the Green and White. Spartans have won every meet in substantial margins. However, with added strength due to Alma's dropping baseball this spring and an unusually small Spartan representation, it would not be surprising if the visitors took the honors in the coming meet.

Richmond, Va.  
L. S. & Co.  
Gentlemen:

While in Banff, Alberta, in 1909, I climbed Tunnel Mountain. On top of this mountain there is a cave of stones where tourists leave their calling cards with remarks about the scenery, etc. Not having a card with me, I wrote the name of Edgeworth on a piece of paper, and said, "Have a call on me."

I have kept up a haphazard correspondence with one of three who wrote me thanking me for the Pipal at Edgeworth. Who makes me write you is that today (from Australia) I received two photos of Edgeworth with the words, "Have a call on me," as you see Edgeworth keeps friends friendly.

Yours sincerely,

heads the list of entries in both jumps, followed by Grose, Davis, and Lach in the high jump and by McAtee and Grose in the broad jump. The shot and discus combination of Dill, John and Wilson will be on deck with hopes for a few points in their favorite events. Hayden, McAtee and Campbell will leave the javelin for State.

Some stiff competition is promised in the distance events. Brown, a Notre Dame miler, finished ahead of Clark, Spartan miler who holds the C. I. C. title.

## Competition in Co-ed Athletics Develops Versatile Athletes

Women's sports are being looked at in a much different light than they have been up to about three years ago. With the realization that competition is as important for women as it is for men, we find much progress made in co-ed athletics.

As a result, there are various types of women athletes. There is the traditional type, the sprinter, and the good all-around class of sportsmen that are being developed in our present day modern schools. It seems as though every school that stands around the top of the list for efficiency has placed physical education among its required courses. If you seek to question our own health education teachers here in this institution they would be able to show you why physical education is necessary to your muscle coordination with the mental activity.

It is believed by experts that sports are essential for the training of men and women for their present as well as their future life. It is natural that all individuals desire a means to expressing themselves and it is through to him at once.

championship in the Ohio relay Saturday. Another Brown of Notre Dame, a two-miler, will vie for honors with Lauren Brown and Chamberlain. Hackney and Rosetten will compete with good men in the 880. The team, accompanied by Coach Young and his assistants, Mort Mason and Mike Castiel, will leave for South Bend Saturday morning.

### GEORGIA TECH STUDENTS FAVOR QUARTER SYSTEM

Atlanta, Ga., (AP)—Students at Georgia Tech interposed on the question of instituting the quarter system at the institution, have given preference to such a plan by a large margin.

Physical education that fine opportunities of expression are presented to them. Just look into the changes in development and pleasure that are offered here at State by our physical education department and our W. A. A. members.

### FRESHMEN TRACK PROSPECTS WORRY YOUNG

Only One Hurdler on Team; Coach Requests All Hurdlers Report.

Coach Young points out the fact that out of 200 freshmen on the campus this term, practically all potential athletes in some degree, only one hurdler has reported for freshman track. "This is a pitiful condition," the Spartan mentor laments. "I am sure there are more hurdlers in the freshman class. He requests that all yearlings with hurdling experience report to him at once."

## HOPE IS DOWNED IN LOOSE GAME

Spartans Take Long End of 8-1 Score; Kahl Pitches Throughout.

The Michigan State baseball team came out of its losing slump Tuesday when the Spartans defeated Hope College 8-1. The Spartans showed a marked improvement over their playing in the last two years, although the hope was played rather poorly.

Kahl, the right-handed pitcher, pitched all the way for State, striking out eight men and allowing the visitors seven hits. Captain Fidler led the State batters with three hits out of five trips to the plate. Carl Sachs and Knud each connected safely twice.

State's new infield combination of Wood, H. Watkins, G. Captain Fidler, and Knud, pitched a good game, with Wood's spectacular fielding as a highlight. The infield muffed none of the flies that came their way, and were responsible for three runs.

Vanduse Hope's hurler, pitched a good game, keeping the ball to the in-

field most of the time, but was given poor support.

Tuesday's lineup was a little different from the usual one. Captain Fidler took McAtee's place at shortstop, while Watkins filled the vacancy thus made at second. Wood filled McAtee's shoes at first very creditably in his first lengthy workout in a regular game.

The State nine meets the Notre Dame outfit today, here.
