NO JUNIORS AND SENIORS CEDED CUT PRIVILEGES

Classifying Officer Lists Upperclass Students Who Can Take Absences.

ST HAVE "B" AVERAGE

Number of Seniors Double Those of Juniors; Holds for This Term.

Eliminated privileges have been granted to more than 140 upperclassmen for winter term according to Fred J. Howard, supervisor of attendance. Nearly twice as many seniors as juniors received this honor. The list reveals that one senior may go to classes, they please this term and fifty-juniors.

In order to qualify for this privilege, student must be at least a junior in grade and must have maintained a "B" average for the two preceding terms.

It is noted that a student misses a class, he does not excuse him from any that may have been assumed in absence.

A list of Seniors follows:

FROM YEAR TO YEAR— COMPLIANCE—

Circumstances connected with the recent Junior Hop lead us to believe that it would be well, and not the least bit out of order, to have some patient faculty member definitely appointed to oversee this annual campus event. Not that we do not think the students are capable in themselves but we do believe that it is foolish not to have the experience and understanding of such an undertaking passed on from year to year.

The J-Hop involves a great sum of students' money, and that money should be handled in the most sensible and profitable manner to produce the desired results. The advice and direction of a man who has had experience in the financing and final staging of such an event as the J-Hop should be made available from one year to the next to each new junior class.

Furthermore, each class during its four years of college existence attempts but one J-Hop. It should mark the essence and the perfection of all social events during one's college career. It should be the desire, almost the ambition, of each student to attend the J-Hop of his class. If this were true, each junior class would be assured of the support of its members.

For the best results, we believe that each new class should profit by the mistakes and by the discoveries of the old.

We are pleased to notice on the campus during the past week a greater number of green toques. We are glad of this not because we wish in any way to belittle the freshman, but because we like to see men comply with the traditions of the campus.

We have heard talk against tradition of late, but we feel that tradition is a necessary thing, even as standards and ideals are necessary in that we may have something more to govern us and to hold sacred. And, when we establish and recognize a lowest class, we must of necessity name a highest class, and that gives us something to strive for and to hold as a goal and an ideal.

Although the last Artists' Course lecture did not attract a full house, it did offer to those men and women interested in science and botany a most unusual insight into the field of nature and the great possibilities of photography.

Inter-collegiate champions!

The corn flake flavor championship is won year after year by Kellogg's. On campuses from coast to coast they sweep the field. Why? Try them!

Pour milk or cream into a heaping bowl of Kellogg's Corn Flakes, crisp and golden. Relish the matchless flavor of the best spoonful. Savor the satisfaction of the last. Then you'll know why they're champions!

Particularly good with fruit or honey added. Ask that Kellogg's original Corn Flakes be served at your fraternity house or favorite campus restaurant.

WHAT YOUNGER COLLEGE MEN ARE DOING WITH WESTINGHOUSE

A shakedown test, a rescue, and a hundred thrills

A SCORE of carefree Coast Guard sailors, and with them a Westinghouse man from the Boston Office, headed in a "bum boat" for the cutter Chelan, peacefully at anchor in the harbor of Hamilton, Bermuda Islands.

It had been an exciting shakedown test cruise. The Westinghouse turbine generator, motor and condensers had functioned perfectly, the sea had yielded up its bag of tricks, the Bermudas had fascinated every soul. And soon they would be bound for home.

But fate held new experiences in store. Five hundred miles off the Azores, the Newport, New York State training ship, had lost her propeller. The Chelan was called to the rescue. And with her, of course, went the Westinghouse man.

Three days at top speed on tropical waters, the excitement of rescuing a helpless crew, twelve days at a lazy towing speed, men overboard and a rescue at sea—thrills like those come to many Westinghouse men in line with their work at electrifying the world.

For Westinghouse, in a commanding position in electrical development, enters every field of industry where electricity is or may be employed. And Westinghouse men get a taste of every brand of human activity.

SEM. BOT. GIVES DARWIN BANQUET

Birthday of Famous Scientist Observed by Campus Group Wednesday Night.

February 12, Lincoln's birthday, is also the birthday of Darwin to the scientists of the college. The Sem Bot celebrated this by their annual Darwinian banquet on Wednesday evening of that date.

About 25 doctors, professors, and graduate students attended the dinner at Hunt's Food Shop. After the dinner, the party adjourned to the lecture room of the Botany building, where joined by a small group of the public they listened to a lecture by Dr. Carl D. LaRue.

Dr. LaRue of the University of Michigan, from his wealth of experience as representative successively of the United States government of the Goodyear Co. and of Henry Ford in the rubber country of the Amazon, aided by colorful slides, gave an interesting presentation of the rubber problem.

VARSIITY GROUP PICTURES INAUGURATED BY ANNUAL

A group picture of all varsity lettermen will be taken in front of the gymnasium on Wednesday, Feb. 19, at 5 o'clock, according to word received today from Jack Knight who has charge of the sports section of the 1930 Wolverine.

The picture will introduce a new feature in the Spartan annual in that it will show an all-inclusive group of Michigan State athletes. Knight requests that his notice be passed around among the team men in order that all wearers of the block "S" will be included in the picture.

U. OF M. DEDICATES COURT

(Continued from page 1)
another chapter in the athletic relations of the two colleges. Prior to this time the Michigan team dedicated the State football field; this week-end they will officially open the Spartan basketball court with a growing spirit of friendliness behind them. The presence of the visitors in East Lansing for this game is due to the quick consent of the Ann Arbor heads to change the meet from that city, where it was originally booked for, to the local campus. Ralph H. Young, director of athletics here, expressed the gratitude of the college for the fine spirit shown by Michigan. "We hope soon to be able to establish a home-and-home game basis with Michigan. This gesture with the unusually large crowd that is expected, should materially assist us," he said.

FENCERS' CLUB INITIATES NEW MEMBERS THURSDAY

The Spartan Fencers' club formally initiated two honorary and 16 regular members in the Union Thursday evening. After the ceremony a dancing and card party was provided for the amusement of the organization.

Prof. and Mrs. L. M. Shout were taken as honorary members. The other initiates include Hans Hansen, Margaret Huston, Sally Ayres, Jean Carr, Elaine Come, John Casselman, Jr., Edward Myers, Kenneth Krentel, George L. Galls, John C. Baxter, Ralph Freedman, Kenneth Stone, Russel Taylor, Arthur Cash, John Murphy, Nathan V. Taich, Ralph W. Bristol and J. D. Wells.

The staff of the Physics department will attend the annual meeting of Physics teachers from the colleges and universities of the state which will be held on Feb. 15 in the new research laboratories of the University of Michigan Physics department.

U. OF MICHIGAN, OBERLIN COLLEGE SEND TEAMS TO OPPOSE SPARTANS; STATE BEATS BETHANY, 36 TO 32

Ohio Quintet Facing Coach Van Alstyne's Team Tonight; Wolverines to Help in Dedicating New Portable Floor Saturday.

PLAYING TWO GAMES on successive evenings, the Michigan State college basketball team will close the hardest week of its schedule Saturday. Friday evening the strong Oberlin college team from Ohio will oppose the Spartan five and the following evening State and the University of Michigan quintets will meet in the game which will dedicate the new portable basketball floor in Demonstration hall. Both games are scheduled for 7:30 o'clock, but it is a safe bet that anyone who sees the tilt Saturday night will be in his seat long before this time, as L. L. Frimodig announces a sell-out for the game.

Additional bleachers have been erected to care for the crowd, which is certain to set a new attendance record.

It ever true Spartan spirit was displayed it was Tuesday evening when Coach Ben F. Van Alstyne's basketball team defeated Bethany college, 36 to 32, in a game replete with thrills. Sheer grit was responsible for State's victory over Bethany, a powerful team which defeated the Spartans earlier in the season in a game played in the hills of West Virginia. The Bison from the east were at top form for the contest and hurled their best efforts into the game, but the Spartans' determination to win was the deciding factor. The teams appeared evenly matched as far as ability was concerned, both playing stellar games, but the Spartans had the pluck to hang in and triumph.

Strategy Effective
Some clever strategy planned by Coach Van Alstyne, superb defensive work by Wayne Scott and Art Haga and the heart to win were the contributing factors to State's victory. The coaching of Scott and Haga held the two crack Bethany forwards to one field goal between them, determination enabled State to come from behind and win, and the State mentor played Randy Boskool, endomated center, as his trump card. Boskool went in at center late in the game when the Spartans were ahead and used his extraordinary height to good advantage, giving State the tip-off control of the ball.

Spectacular basket shooting was a feature of the game that deserves to rank next in importance to close guarding. Both teams made one-handed shots from angles that ordinarily make scoring impossible. The lead changed hands frequently to make the game as thrilling as any played here in many years.

Both teams opened cautiously and finally Haga and Roger Grove came up field goals, but Dan Schneider and Telfair matched them. Bethany then grabbed a four-point lead and after a conference during a time out period State closed the gap and it was nip and tuck battling until only two minutes of play remained in the first half. The score was 11 all and then the Bisons broke loose to score five points and hold the lead, 16 to 11, at half time.

The Spartans staged a great rally at the opening of the second half and scored 10 points before their opponents were able to tally. State ran her total from 11 to 21 points in just four minutes, with Scott missing the wax. He made two field goals from short range in succession and the Green and White added one more. All of these rallies were made under difficult conditions.

Telfair and Ruck finally heated the hoop and Bethany regained the lead at 22-21. Scott tied it up with a charity toss and Roger Grove muffed Edinger's one-handed shot. Telfair scored again and Roger tied the count at 26 all and two free throws sent Bethany ahead. Haga ordered the gap to six points, 32-26, with a beautiful shot

SPARTANS LEAVE FOR MILWAUKEE

Green and White Trackmen Meet Marquette University Saturday Afternoon.

Michigan State's indoor track team will leave tomorrow afternoon for Milwaukee, where they will meet the Marquette squad in the first annual meet held between the two schools. The contest, which will be held on Saturday night, promises to be a close struggle. If previous meets are any indication, Marquette should win, as they have won the two contests which have been held on their own floor while the Spartans have taken the two held here. The Green and White trackmen are prepared to put up a stiff fight, so the chances of victory are about even.

The loss of two stars will be keenly felt by the Spartans. Chamberlain, veteran distance man, is ineligible at present and may not be reinstated in time to make the trip. Sharkey, half miler, is also ineligible, and it is very doubtful that he will go with the team. For the 40 yard dash, Lafayette and Ransom will be entered. The milers

are Swanson and Fullerton, the eight lap relay team is composed of Volker, Lafayette, Oswald and Ryon, and Yarger and Russell will compete in the high hurdles. Salmon and Wilson will cover the low hurdles, Lafayette and Volker are 200 entries, and Williams and Swanson will run the 880.

The present arrangement for the 12 lap relay calls for Volker, Ryon, Wilson and Salmon to start, with Swanson and Russell held in reserve. Ol-fell will represent State in the pole vault, Pfing and Russell, Cole and Bayless will do the high jumping.

The team will stay overnight in Chicago on the way to Milwaukee. They will arrive in Lansing early Sunday afternoon.

SWIMMING TEAM TO MEET YPSI SAT.

Time for Meet Not Definite; Will Try to Arrange for Afternoon Meet.

Coach Russell B. Daubert and his aggregation of swimmers will leave Saturday morning for Ypsilanti, where they will have a dual meet with the Michigan Normal tankmen. The time for the meet is not definitely set, but it will be either in the afternoon of the evening. Coach Daubert is trying

to arrange for an afternoon meet that the swimmers may return for the game with Michigan Saturday night. The following men will trip: Schaubel, Scheid, Crandall, worthy, Cook, Vaughan, Seely and Vinkemulder.

LOST
