THE RIGHT TO VOTE—

A check-up on attendance at class meetings on Thursday reveals that a rather small percentage of class members turned out to take part in the nominations of their class representatives. Enough did turn out, indeed, to form a representative body and to complete the work at hand, but we bring this to your attention in order to bring about an increase at the next meeting.

The nominating of men is not an especially involved process and it does not take a great body of men, but all should at least be interested. More important is the meeting on next Thursday when the eliminations take place. It is then a question of votes as to which men shall appear on the class ballots at the all college elections.

It is always a source of regret to those interested in the carrying on of campus business to see some fifty votes or less place a man in office as the representative of a class of some 500 students. Every student is privileged to vote for the class representative and we ask every student to use that privilege in putting the right man in office. Plan now to attend your class meeting next Thursday and cast your vote for the man you want in the job.

A WOLVERINE FEE—

Discussion in the Student Council and in the Board of Publications has brought about a proposal to refer to the student body for their opinion the question of a compulsory fee for the Wolverine. The plan has been followed in the past of having a blanket fee and has proved most successful from the standpoint of the student body and the managers of the book.

When the duration of time for the compulsory fee ran out in 1928, it was again referred to the student body for a vote and though the plan won decisively, not a sufficient number of votes were cast to insure action by the State Board of Agriculture.

An opportunity will be offered to the student body on March 20 to again voice their opinion at the polls. If the motion passes, every student will be required to buy a book and he will secure it at a little more than half of the present Wolverine price. Furthermore the managers of the book will have a definite amount of money to work with and can guarantee the kind of book which is fitting to a college of the size and reputation of Michigan State. The Wolverine is a souvenir of college days and every student should want to own one. The State News is in favor of a blanket fee for the Wolverine and urges the student body to make use of their vote on this question at the polls, March 20.

ELIGIBILITY RULES—

Eligibility rulings governing candidates for student offices are of two kinds. First, every man must be scholastically eligible according to the same rules as govern athletes. And secondly, no man shall be eligible to run if he is already overburdened with activities and athletics under the Student Council point activity system. Students are reminded of these rulings in order that they will consider them in placing men in office.

The crowd which overflowed the Peoples church on Thursday evening to hear the lecture by Count Von Luckner reminds us again of the need for a suitable auditorium for such affairs. We wish to hurry the construction of such a building on the campus because we feel its need on many different occasions, and because we do not like to see a place of worship turned into a lecture hall.

Senior students who will be approached with the Alumni Fee petition this week end are urged to give the matter their consideration and hearty endorsement.

THEY COME, THEY SEE, SOME LAUGH AT ART SHOWING IN LIBRARY

Exhibit of Modernistic Art Has Students Wondering if Artists Are Sane.

Few things since the Michigan game have furnished such a sensation to the college as the new exhibition of modernistic paintings in the library. One can hardly get through the halls now for they are packed with assorted neck-cracking humanity. The expressions on the faces range all the way from approval to hearty derision, and some of the less cultured or more sensitive ones break right out in lusty laughter.

The pictures themselves cover a wide and varied field. Beautiful and understandable landscapes and marines stand side by side with such things as five lines and twenty dots, representing a very puffy and sick-looking face. Comments on the last named picture were generally anything but favorable, and one observer summed it up in this manner: "He sure must have been inspired when he painted that picture!"

Another canvas which came in for its share of remarks was a self portrait which the young man, for the picture didn't have a very good opinion of himself, did not mind being called a "madman" by his companions. One could hardly blame the young man for the picture as a good many miles removed from the popular "madman's dream."

CLASSES NOMINATE FOR MAJOR CAMPUS OFFICES

Continued from page 1) The co-eds were to select four nominees from a list of 25 women to appear on the ballot at the all-college election for the A. W. S. council. Freshman candidates for Student Council who will face eliminations Thursday of next week were named as Roy Jensen, Escanaba; James Mitchell, Detroit; Jack Mohrhardt, also of Detroit; Jack Clark, Bad Axe; Clyde Lambert, Escanaba, and Lewis Thornton, of Sandusky. The class will be allowed one representative to this body from that number.

The nominees for the Union board were Don Lau, Ferris; Charles Fawcett, Benton Harbor; Lyle Hauger, Tonawanda; N. Y. Dell Matthieu, Detroit; Horton Stickle, Rock Island, Ill.; Allen Wilson, Rochester; Carlton Spencer, South Haven, and Richard McDonald of Dearborn. There will be one man elected from these for membership to the board.

Much interest was evidenced in the nominations in all the class meetings. A large percentage of the class membership attended and there was a spirited contest to place names on the lists.

"himself did he?" said one young gentleman, a thrust which was echoed by his companions. One could hardly blame the young man for the picture as a good many miles removed from the popular "madman's dream."

"Meinholtz, the Times Wants You..."

FRED E. MEINHOLTZ of the New York Times sat in his home on Long Island, listening in on a radio press dispatch from the Byrd expedition. Someone on the Times staff wanted to reach Meinholtz on his home phone. And quickly! But the receiver there happened to be off the hook.

Radio science was equal to the occasion. The Times radio operator sent a request to the fur-clad operator at the other end of the world. And Meinholtz was quickly made aware of the situation by a radio message from Antarctica saying: "Meinholtz, the Times wants you to hang up your receiver so that they can call you on the telephone."

FROSH FROLIC TO HAVE FULL QUOTA

Yearling Party Tickets in Great Demand: One-half of Ducats Already Gone.

Nearly 100 tickets for the Frosh Frolic were sold to members of the freshmen class at their class meeting Thursday. The Frosh Frolic is the only freshmen party of the year and will be held in the ballroom of the Union building on Friday evening, March 14.

President James Mitchell of the yearling organization has announced that only 200 tickets will be available for the annual class party to members of all four classes in order to avoid a congested situation on the dance floor. The freshmen responded to the first offering of tickets in such a manner that the class treasurer, Clyde Lambert, will have little need for worry in regard to making the party a financial success, as it is highly probable that other sales will produce a complete sell-out.

Some Klans welcome Frolicers, a banquet which comes with high prominence from Detroit has been secured to produce the music for the first year social event. A special feature of the party has been promised in the form of novelty acts during the evening's program. Tickets were promised to go on sale at the Union desk immediately following the introductory talk at the freshmen class meeting. The party is informal and will last from 8 o'clock until midnight. Attractive programs have been promised for both men and women. The price stands at \$2.00 per couple.

The first of these affairs will be a five-course Armenian dinner and is to be given at Peoples church, Friday, March 21, at 6:30 o'clock.

The main purpose of the plan will be to give the students and the faculty members of the M. S. C. club an opportunity to get a taste of foreign food and at the same time bring them in close contact with the foreign students of this institution.

The carrying out of this scheme will depend on the success of the first one. It is essential that the number of people desiring to attend the dinner be known ahead of time. For this reason tickets are already on sale, and may be purchased from James A. Kruman, the president of the Cosmopolitan club, and from any of the members of the club.

Crisper, tastier Better Bran Flakes

A bowl of Kellogg's Pep Bran Flakes with milk or cream makes you "sit up and take notice." They are so much crisper. And what a flavor! It's the famous flavor of PEP. As you eat each spoonful remember that you are getting the nourishment from the wheat. Ask that Kellogg's Pep Bran Flakes be served at your fraternity or campus restaurant.

P.S. HE GOT THE JOB..

W had a smooth pair of box toe numbers we were eager to stamp on a new record. One—bit of a great talking, the other—crumpled with irresistible rhythm—BOTH memorably melodic and smartly new. They deserved the honor of a master hand—man—to be molded into the final form by the deftest of synthesizers. So I chose someone said "Whiteman."

TRACKSTERS TO GO INTO ACTION AT SOUTH BEND

Nine Spartans Entered in Fourth Central Intercollegiate Meet.

IRISH FAVORED

Strongly Balanced Team Has Wins Over University of Illinois To Its Credit.

State's varsity track and field team will compete in the fourth annual Central Intercollegiate Track and Field meet which will be held Friday and Saturday at Notre Dame. Track stars from many mid-west colleges will compete, including athletes from Notre Dame, Marquette, University of Detroit, DePaul, St. Xavier, Butler, Drake, University of Kansas and Ohio Wesleyan.

Up to the present Notre Dame has topped first honors each year, while Spartan trackmen have always emerged with second place. Coach Young's men have suffered one reverse at the hands of Marquette this year and the Milwaukee team is sure to pose a serious obstacle in securing high honors this week at South Bend.

Notre Dame with one of the most powerful track teams in the history of the school bids fair to run away with most of the honors of the meet. The Irish trackmen have turned in several remarkable performances this year, including a brilliant victory over the strong University of Illinois team, a victory which marks the first win a Notre Dame track team has ever won from the Illini.

Capt. Brown is expected to secure honors for the local team in the two mile while Pullerton will also compete in the distances. Swanson, Salmon and Russow will compete in the shorter distances and are expected to place in their respective events. Ross, with Yarger and Russell will also compete in the hurdles.

In the pole vault, Olson and Field will try to emulate their famous Spartan predecessor, Harold McAfee, and try to break his meet record of 12 feet 10 1/2 inches which he established last year.

GRAPPLERS SPLIT SEASON'S MEETS

Spartan Wrestlers Win Three Out of Six Contests; Five Seniors Compete for Last Time.

Michigan State's varsity wrestling team managed to break even in its schedule this year, winning three meets out of six. The grapplers turned in several brilliant wins during the season to pile up a total of 108 points to 34 for their opponents.

A high spot of the season was the sensational defeat of the strong Northwestern University team at Evanston, 25 to 3. Local grapplers absorbed the worst beating of the year when Michigan took them into camp, 24 to 6.

Five of Coach Collins' men have donned their ring attire in the last time and will be lost through graduation this spring. Seniors grapplers who will graduate this spring are: Mike, 115 pound class; Wilber, 125 pound class; Tompkins, 140 pound class; Marshall, 155 pound class; and Capt. Joslin, heavyweight class. Capt. Joslin has been a bulwark of strength on the varsity team and his absence will be keenly felt next year.

TWO MORE LETTERS SOUGHT BY GROVE

Football, Basketball Ace Feels Lure of Track and Baseball, Has Previous Record

Roger Grove of Sargis may do the unusual in Michigan State career with letters by winning a letter in both baseball and track. The track coach has seen his heart on playing first base on the baseball team and also doing some thing in the pole vault before he finishes his career a year from this spring.

Although Grove has never turned out for the diamond sport, he has a good record as a high school player on the initial sack. He proved during his freshman year that he could pole vault by tying Carl Nordberg, another football player, for the freshman record in the event.

W. A. A. SWIMMERS TO HOLD MEET SATURDAY MORNING

The W. A. A. Novice Swimming team, composed of those girls who have learned how to swim this year, will hold its meet Saturday morning, March 6 at 11 o'clock in the college swimming pool. The events scheduled for the meet will include side stroke, crawl, sculling, diving, floats and recoveries.

SPARTAN FENCERS CLASH WITH CHICAGO SATURDAY

Tomorrow night Michigan State fencers clash with one of the most adept teams of swordsmen in this country, the U. of Chicago fencing team in the Windy City.

Prospects of a State victory are slim in the face of the fact that the Maroons have one of the best collegiate fencing teams of all time and will enter practically the same team that secured the Big Ten title last year.

The Spartans fencers in their past year have broken even in their meets having won twice from Ohio Wesleyan and dropping two meets, Michigan and Ohio State. Coach Bauer has been working his men hard for the Chicago meet and they are in top form to meet the University team.

The meet making the Chicago trip are: Win Ketransk, foil; Ben Grogan, foil; Willie Atwell, epee; Don Gould, sabre; and George Bauer, foil, epee, sabre.

OUTDOOR WORK AIDS KOBSMEN

Intensive Spring Training Brings State Gardeners Into Better Form.

Coach John Kobs' varsity baseball team is fast reaching top shape due to the intensive training that the diamond mender is handling and to his progress every afternoon in the Army.

The favorable weather this week has enabled the baseball men to do some of their caving on the old drill ground in front of the gymnasium where there is much more room to lumber up than in the confines of the riding hall.

At present 25 men are working out nightly in preparation for the stormy season ahead which begins with the southern trip the last part of this month.

Several veterans are back this year including: Capt. A. Scott, Pete Baska, K. Ryan, K. Ryan, K. Ryan, Fred Warner, Hadden and Maudslow. Max Crall, another veteran will not be able to report for a couple of weeks yet due to a recent operation. Others on the squad at present are: Chamberlain, Hawkins, Latta, Griffin, Lathrop, Madonia, Bellini, Cullbertson, Ross, Bretnawaker, Gross, Van Hatten, Dangler, and Douglas.
