STATE BOARD OF AGRICULTURE MAKES FAR-SIGHTED CHANGES IN IMPORTANT MEETING, APRIL 4

Controlling Body Creates Professor of Institutional Administration, Graduate School, Two New Divisions, Two New Departments; Approves 5-3-2 Credit Changes; Promote 17 of Faculty.

WITH the action of the State Board of Agriculture in a special session on Friday, April 4, approving the administrative recommendations made by President Robert S. Shaw, far-reaching changes in college organization have been effected. The creation of a research professor in institutional administration; the establishment of two new divisions, the graduate school and the all-college department; the transfer of physiology and physical education departments to the applied science division; the creation of two new departments, the modern languages, geology and geography departments; the approval of the 5-3-2 credit system; the provision for an expert accountant to aid student organizations; and the promotion in title of seventeen faculty members were included in the most far-reaching re-organization action taken at Michigan State college in several years.

HUSTON MADE SCIENCE DEAN

State Board Meeting Brings 17 Promotions to Veteran Members of College Staff.

Seventeen changes in title of the Michigan State college faculty were made by the action of the state board of agriculture in a special meeting held on the campus last week.

Board Approves Shaw's Program

Pres. Robert S. Shaw
Two years of increasing effort to improve college administration were rewarded last week when the State Board of Agriculture approved the recommendations of Pres. Robert S. Shaw.

BOARD DECIDES WAYNE SCOTT TO HEAD UNION

Basketball Captain Selected as President of Union Board.

NEW COUNCIL IN OFFICE

Margaret Goodenow and Marvin Horne Are Vice-Presidents.

Wayne Scott, 31, For Wayne Ind. was elected president of the Union board at the first spring term meeting held Wednesday night April 9. Margaret Goodenow, 31, Detroit, was elected a first vice-president and Marvin Horne, 31, Dearborn, was elected second vice-president by the newly elected members of the controlling council.

TWENTY-NINE STUDENTS ROUTED IN ULYSSIAN HOUSE BLAZE; SET ESTIMATED LOSS AT OVER \$7,200

Fire of Undetermined Origin Guts Local Fraternity House Wednesday Evening; Student Loss Local at \$2,000; Will Rebuild.

TWENTY-NINE men students were routed from their rooms Wednesday evening by a fire of undetermined origin that inflicted damage of at least \$7,200 on the Ulyssian fraternity house, 331 W. Michigan avenue. Delay in calling the fire department gave the blaze a start that resulted in practically gutting the dwelling. Members of the society were today making arrangements to room in other fraternity houses until repairs have been completed.

APPOINT STAFFS FOR STATE NEWS

Majel Horning to Head Reorganized Co-ed Department; Four Assistant Editors Named.

With this issue of the News a new administration takes office and will direct the destinies of the semi-weekly student newspaper for the next three years. Several changes have been made in the organization of the new staff and a rearrangement of duties of the old staff members has been effected.

NEWS FOUNDED 21 YEARS AGO

Campus Publication Begun in 09. Was Known as The Holcad. Published Bi-Weekly.

Today's issue of the Michigan State News marks the twenty-first anniversary of the founding of an official college newspaper on the campus. From a humble and modest beginning as a bi-weekly known as the Holcad, it has advanced and expanded to a present issue which is published weekly.

CO-ED DEBATERS 2ND IN NATION

Women's Forensic Squad Goes Into National Finals at Pi Kappa Delta Meet.

Michigan State co-ed debaters team, composed of Midwest University and Anna Peck, ranked second in the first state contest held at Michigan State University last week.

ALL-FRAT BALL TOMORROW NITE

Annual Party to Be Open to Non-Fraternity Men. Carlyle Band to Play.

The fraternities opened at its first annual ball at the gymnasium last night. The event was held in the gymnasium and was open to all students.

CADET CORPS TO PARADE WEEKLY

Entire College Unit Holds Practice Wednesday Afternoon; to Be Regular Feature.

The entire student cadet corps of over a thousand members assembled on the parade grounds in front of the gym Wednesday afternoon at four p. m. for the first parade of the spring term.

SENIORS JOIN ALUMNI GROUP

Stewart Signs 182 of Graduating Class on Registration Day.

In response to the letter taken recently by the state board of agriculture, the Michigan State College Alumni Association has requested students to join the graduate organization before leaving the college.

SENIORS JOIN ALUMNI GROUP

THEY SERVED WELL—

Many times those who serve best do not receive due credit for their work. We believe that this is especially true in the case of the men who were at the helm of the News for the past year. Our predecessors served the paper well, handled the many difficult situations with integrity and fairness and published a news paper of which the student body could be justly proud.

With the advent of the new administration, we realize more than ever before the ability and worth of the preceding staff that has recently passed out of office. They have made a mark that will be hard to equal and our only hope is that we can serve as well as they have.

We will strive to make our news timely, authentic and interesting, and will attempt to cover the entire campus as closely as possible. We aim to organize an efficient staff that will serve Michigan State to the best of their ability. We hope that the News will continue to be an organ of the student body, express the student opinion, and every effort will be expended to this end.

Our attitude editorially will be as broadminded and unswerving as possible. We will continue the policy of investigation of student organizations and will attempt to secure such information as we can for the college. We believe in the free press and support it for all concerned. In pointing out the faults of student organizations we will be constructive rather than destructive. We support the student body and will continue to do so.

HARD WORK REWARDED—

Two years of hard work in building a new administration was rewarded last week when the Agricultural Experiment Station was opened to the public. This new station will be the most interesting thing that has been put in place since the war.

The Board is taking a favorable view of the gift in payment to the university of an allotment of land. This gift will be used for the purpose of developing a new campus and will be a decided step forward.

CAMPUS BRIEFS

Students and faculty organizations are urged to make use of this column for their announcements.

The chess club will give a tournament on the chess room of the Main Building, Thursday, April 23 at 5:30. Tickets are for one dollar and a maximum of two dollars.

No change will take place in the 1937-38 student body. The 1937-38 student body will be the same as the 1936-37 student body.

Here is no bushtiful cereal

This is Kellogg's Rice Krispies... the cereal that tells the world how good each golden mouthful is. It's a fact! When you pour milk or cream in a bowl of Rice Krispies, these crumbly little bubbles actually crackle out loud. And what a delicious flavor!

Eat Rice Krispies for breakfast—great for a quick lunch with fruit or honey added. And what could be better for a late bedtime snack at the campus restaurant? The world's most different cereal. Have you heard it yet?

The most popular cereal served in the dining rooms of American colleges, eating clubs, and fraternities are made by Kellogg in Battle Creek. They include corn flakes, All-Bran, Bran Flakes, Wheat Krispies, and Kellogg's Special Whole Wheat—the cereal that lets you sleep.

Encouraging the long distance habit

An interesting example of organization is the development of long distance telephone business. Men and women of the Bell System made this service worthy, and the public has recognized this by its greatly increased usage.

The Bell Laboratories improved the quality of sound transmission by modifying existing apparatus and designing new. Western Electric manufactured the necessary equipment

of the highest standards. Operating telephone companies, working with the American Telephone and Telegraph Company, shortened the time for completing calls and reduced the rates.

In all a coordinated work, bringing together many and varied activities, and typical of the way in which telephone service is constantly being made a better tool for the nation's needs.

Camping College Comics Drive Drama Devotees to Despair

Joe College and his girl friend seem to be taking to the not-so-silent drama, judging from the size of the nightly invasions of the local movie emporium.

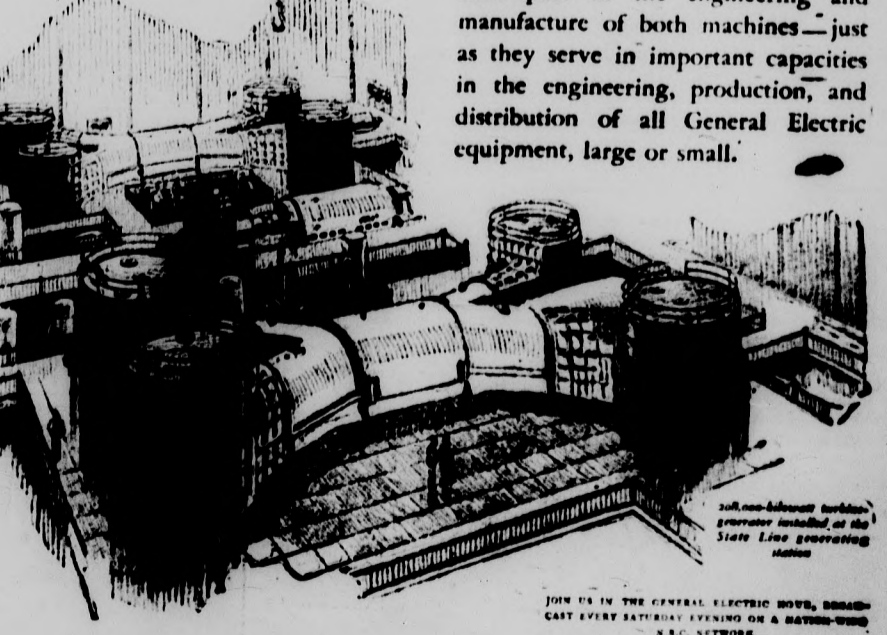

5000 kilowatt turbine generator installed in 1905 at the 1st Street station of the Commonwealth Edison Company, Chicago.

When Small Machines Were Big

MORE than a quarter century ago, the Commonwealth Edison Company, prophetically alive to the immense possibilities of the future, ordered from General Electric a 5000-kilowatt steam turbine—in those days a giant of electric power.

To-day, a General Electric turbine-generator of 208,000-kilowatt capacity sends out its vast energy to the Chicago Metropolitan District.

College-trained men played a responsible part in the engineering and manufacture of both machines—just as they serve in important capacities in the engineering, production, and distribution of all General Electric equipment, large or small.

TOUGH MEETS FOR THINCLADS

Track Team Faces Stiff Schedule With Very Good Prospects.

One of the stiffest schedules ever arranged for Michigan State faces the Spartan track team this term. Besides two dual meets, the Green and White speedsters will participate in two major relays; and four intercollegiate contests. The first competition will start Saturday, April 19, with a dual meet against Detroit City College, and the season will end on the seventh of June with the National Collegiate at Chicago.

With the strength of the squad materially strengthened by the addition of men who were ineligible during the winter term, a great season is looked forward to by coaches and track followers. In the persons of Chamberlain, Brown, Fullerton, and Hackney, State will have four men capable of record-breaking time in the four-mile relay. Each of these men has run the mile under 4:30.

To pipes, Men, to Pipes!

TRADITION has it that ye shall know the fellowship of pipes with seasoned, masculine, mellow men of every age and degree. Some try to join this brotherhood, yet fail, and are rebuffed as born to pipeless lives. But honest effort is required—each man's own test with good tobacco on good pipe.

That is the formula. Both pipe and tobacco must be good. The pipe must be pure of lead, and the tobacco must be—

Well, Edgeworth, if you'll permit—good old Edgeworth, Class of '04. Tried Edgeworth yet? Now's your chance! Use the magic coupon, and we'll rush right back to you a free-for-nothing packet of genuine Edgeworth to fill your good pipe with.

Edgeworth is a careful blend of good tobacco selected especially for pipe-smoking. Its quality not being over-chargeable, Edgeworth comes where it has been—Edgeworth, Edgeworth, and Edgeworth.

EDGEWORTH SMOKING TOBACCO

LARUS & BRO. CO. 100 S. 221 St., Richmond, Va. Fill your Edgeworth. And fill it in a good pipe.

SPARTAN CRIDDERS TO ABANDON GREEN

Coch Crowley Favors Changing Color of Football Jerseys to Help Passing Game.

Michigan State football team will be rigged out in new gear next fall. The age-old North Dakota solid green jersey is to pass out of the picture. At least, if Coach James H. Crowley has his say. Crowley favored a change last fall but delayed putting it into effect until 1930. The new jersey is to be white with green sticker tape in parallel bars down the front. A narrow band of green will adorn each sleeve at the elbow. The number will be white on green on the reverse side.

Crowley said that the all-green jersey did not stand out, handicapping forward pass receivers in picking out their men. He thinks the contrasting color will help.

forward to by coaches and track followers. In the persons of Chamberlain, Brown, Fullerton, and Hackney, State will have four men capable of record-breaking time in the four-mile relay. Each of these men has run the mile under 4:30.

A star group of quarter-milers, including Kroll, Salmon, Swanson, and Hackney who runs anything from the quarter to the two mile, should be capable of good results in the mile relay events at Pennsylvania and Ohio.

The schedule follows: Saturday, April 19, Detroit City College, here; Friday and Saturday, April 25-26, Pennsylvania Relays at Philadelphia; Saturday, April 26, Fresh-Soph meet, here; Saturday, May 3, Ohio Relays at Columbus; Saturday, May 10, University of Notre Dame, here; Friday and Saturday, May 16-17, State Intercollegiate, here; Friday and Saturday, May 23-24, Central Intercollegiate at Milwaukee; Friday and Saturday, May 30-31, I. C. A. A. A. Intercollegiate at Cambridge, Massachusetts; Friday and Saturday, June 6-7, National Collegiate, at Chicago, Ill.

ULYSSIAN PLANS TO GO NATIONAL

Prominent Spartan Local Society is Admitted to Theta Kappa Nu; On Campus Since '22.

Ulyssian fraternity, for eight years a local society at Michigan State college, announces its admittance to Theta Kappa Nu national fraternity. The installation is scheduled to take place during the later part of May, as the Michigan Beta chapter.

Organized on this campus, November 22, 1922, Ulyssian society has been active in student activities, inter-fraternity circles, scholarship, and athletics. The organization obtained for its permanent possession the inter-fraternity scholarship cup, after having won it for three years straight.

Theta Kappa Nu was founded by the union of eleven well established local fraternities at a meeting held in Springfield, Mo. June 9, 1924. Among the founding chapters were some of the oldest 'locals' in their respective institutions. Unique among Greek letter fraternity history was the chartering of Sigma Phi of Baldwin-Wallace established in 1868 and Alpha Theta, Theta of Colver-Stockton organized in 1897.

Following is the schedule: Sat. Apr. 19, Detroit City; (Inn.) Sat. Apr. 26, Fresh-Soph 10:00-11:00; May 3, Interclass meet; May 10, University of Notre Dame; May 16-17, State Intercollegiate; May 23-24, Central Intercollegiate; May 30-31, I. C. A. A. A. Intercollegiate; June 6-7, National Collegiate.

YAKELEY GOES TO TENNESSEE

Registrar Attends Convention of National Association at Memphis.

Miss Ethel Yakeley, registrar of the college, will leave Sunday morning for Memphis, Tennessee to attend a convention of the American Association of Collegiate Registrars during April 15-16 and 17. A. Miss Yakeley is on the executive committee of the association and she leaves earlier to attend a meeting.

This is the eighteenth annual meeting of the national organization. The association was organized eighteen years ago at Detroit. Miss Yakeley was the secretary of its first meeting. The membership of the association is twenty to a membership of six hundred.

The purpose of the annual meetings is to aid in solving the various problems of the registrars. The membership is extended to all the leading universities, colleges, and a few junior colleges. The session of the registrar is comparatively new, and these meetings have been proven very valuable to those attending them.

GEOLOGY STUDENTS PLAN STATE TRIP 2,000 Mi. Field Tour Scheduled for Spring Term; Will Study Metal and Rock Strata.

College Careers Are Based on Hope, Not Practicality---Caswell

In the largest majority of cases college education is of no benefit to graduates, financially, said Prof. J. T. Caswell recently in a pertinent discourse upon the relative merits of higher schooling. Technical knowledge may be accumulated to advantage of people entering the professions, however.

FACULTY MEMBER HONORED AT KANSAS TO HOLD 4-H CLUB MEETING IN AG HALL

L. D. Menchhofer Re-elected First Vice-president of Pi Kappa Delta.

New Organization on the Campus Plans Events for Spring Term.

L. D. Menchhofer, coach of Michigan State's men's debating team, was re-elected first vice-president of Pi Kappa Delta, national honorary forensic fraternity, at the business meeting of the national convention held at Wichita, Kansas, during spring vacation.

Menchhofer was also elected chairman of the charter committee. This position is especially important in the function of organization inasmuch as it is this committee which determines whether or not applications for new chapters will be accepted.

A reorganization of the national system is on the program, according to Menchhofer. An important function of the newly elected committee will be to investigate the status of the various chapters all over the nation and to set definite requirements that must be met before each chapter can continue with its national rating.

TRYOUTS OPEN FOR VARSITY GOLF The first try-outs for the Michigan State varsity golf team will be held Saturday morning according to James H. Crowley, who will have charge of the team.

Any applicants for the team are requested to report to the gymnasium with equipment at 10:00 a. m. tomorrow for the first practice. Howard Miner is captain of the team this year.

Professor Austin of the education department will speak at the first meeting of the 4-H club which will be held in room 402 of Agricultural hall at 8 p. m. April 25.

This club which was only recently organized was accepted on the campus during the first week of March. It is composed of seventy former 4-H members. The purpose of this club is to provide a social outlet for its members and to carry out the principles embodied in the four-leaf clover which is the emblem of the club.

The officers who have been selected to lead the organization for the coming year are: President, Mary Richmond; vice-president, Ingrid Mattson; secretary, Margaret Kanall; treasurer, James McMillan.

During the term the members of the club will be taken by the 4-H extension staff to various county achievement talks where they will discuss college life and campus organization.

Spring Football Practice Attracts Fifty Candidates

SNOW GREET'S GRIDDERS MONDAY. GOOD WEATHER BRINGS INCREASE IN NUMBER OF EARLY ASPIRANTS

Coaches Crowley, Carberry and Casteel Work With Half a Hundred Ambitious Athletes in Teaching Notre Dame System; Veterans Report for Drills.

APPROXIMATELY half a hundred aspiring athletes are holding spring football workouts under the watchful eye of their head mentor, Coach Jimmy (Sleepy) Crowley. Assistant Coaches Glen (Judge) Carberry and Miles W. (Mike) Casteel are active in aiding their chief in schooling the Spartan grid candidates in the rudiments of the famous system introduced at Notre Dame by Knute Rockne. Carberry is a former Irish lineman of considerable fame who has signed for a regular position and is expected to aid Coach Crowley materially.

Twenty-six men turned out for the first early practice session Monday afternoon and pranced through their paces on a snow-covered gridiron. Many others were registering and were delayed, but reported Tuesday to swell the squad to about 50.

Several veterans were in the first delegation. Captain Harold Smead, Cecil Forge, "Jake" Fasse, Harold Haun and Milt Gross were lettermen reporting.

Crowley was joined in his first afternoon of work by Carberry, chief assistant coach, and the initial workout brought calisthenics and short pep talk by Crowley.

Casteel joined the coaching force Tuesday and concentrated on the back-field candidates, working several of the sophomores in ball carrying units with the veterans and giving them cadence of the shift that will be employed under Crowley's style of play.

Smead Aids Coaching Tuesday Carberry devoted his time to the guards and tackles, while Coach Crowley led a group of end candidates in drills. Captain Smead had several centers under his guidance in a separate school. Reuben Dill, veteran guard and tackle who was incapacitated early last fall, reported and plumed into his work with enthusiasm that Carberry turned a group of perspiring linemen over to him to instruct.

With about a dozen lettermen working the one prospects are fairly good for a successful team, but there will be many more in the lineup that will be here here. The coaches face the task of finding men to replace Gus Danfman, Freddy Dandner and Fred Debeauvoir, Max Crall and "Duke" Schan, who have played their last college football game. The line was also weakened through graduation. In addition Carl Nordberg, veteran fullback, may be

(This column is presented as a new feature and is designed to include terse items of interest to sport fans. Occasionally the articles will be editorial in nature and will be intended to aid in formulating what we believe to be proper student opinion. Communications addressed to the column will be welcome and an effort will be made to follow out any suggestions which our readers may make.)

State's baseball squad has returned from Dixie after its most successful spring training trip in four years. Coach John H. Kohn professes to be even in the long southern jaunt, winning three and losing three games. The only letterman record was established on the inaugural trip five years ago. The Spartan line showed good form despite occasional miscues which can probably be attributed to nervousness at the start of the season and should enjoy a successful season.

However, probably the hardest schedule ever outlined is ahead of the Kohn men this spring with Chicago furnishing the first opposition at the home season Saturday afternoon.

State is certain to be represented by a strong thirteenth aggregation and the student body should get out and back to players by the first out at all times regarding the certain code and cheer loudly to visiting teams and officials.

The splendid hitting of Eddie Gable dominates center fielder was one of the most artistic features of the trip to Coach Kohn's table for better than a 100 per cent hit, driving out 11 homers in 25 trips to the plate during the spring season.

Gable reached his peak in batting against Cincinnati university when he connected for three home runs, three batters and three singles in the final of 1921. He hit safely in two out of three chances against Miami college the next day.

Gable was the only state player to score the delivery of "Grim" in the final game of the season when the Spartans dropped to 1-10 in an upset since he struck the blue hurler and beat out a cleverly hit out for a single.

It is probable that the 1922 team will not repeat the success of the 1921 team. The Blue Jays, however, are expected to perform even better in the home field. Langdon showed good ability but poor speed after the return from the trip to the south. Pete Rose did not perform on the mound of the team because one game with Yankee City was rained off and Coach Kohn had planned to use him that night.

TRACK PROSPECT RAISES HOPES OF STATE VICTORIES

Star of Green and White Thinclads Seen to Be in Ascendancy.

INELIGIBLES BOLSTER LIST

Have Four Hopes That May Rank With Grim-Alderman Duet.

With the return of four track stars who were unable during the mid-winter season, Michigan State's prospects on the under path for the spring term are the brightest they have been since the days of Bobb and Fredrick Kallstrom.

Clark Chamberlain, cumulative miler and two-miler who consistently broke Henry White's hold on the mile, and a full second in practice meet a few weeks ago is a strong cog to be added to the Green and White quartet.

Leon Hachter, half-miler, Bill Kroll, quarter-miler and Jack Sharkey, all miler, complete the new additions. Markley and Kroll have run with the Green and White for the last three weeks, but each had had a season of outdoor competition left. Hachter is the newest member of the varsity half-mile crowd and Kroll was national one mile champion in running on the Michigan A. A. U. sprint relay team.

Clayton Lauren, Purple Brown, who as sophomore year ran himself into fame on the All-American two-mile team, and one that has consistently improved, leads the list of prospects who are looking out nightly at the stadium. Leonard Dowd, a sophomore in cross-country, a year ago won the state mile and is also running with the Spartans.

James E. Laska, defender man from Long Island, New York, will be a considerable running mate in the mile during the indoor season. Fuller, who has been a consistent runner, will also have an indoor season.

It is probable that the 1922 team will not repeat the success of the 1921 team. The Blue Jays, however, are expected to perform even better in the home field. Langdon showed good ability but poor speed after the return from the trip to the south. Pete Rose did not perform on the mound of the team because one game with Yankee City was rained off and Coach Kohn had planned to use him that night.

GRAPPLERS COMPETE STATE CLASS A TITLE TAKEN BY S. A. E. CAGERS

Collins' Men Return from Penn State to Enter Mich. A. A. U. Meet at Detroit.

Coach Pendley Collins wound up the varsity wrestling season by taking three of his men to the National Intercollegiate Wrestling meet, which was held March 28-29 at Penn State. The men who accompanied Coach Collins on the trip to the Quaker State were Capt. M. John, M. G. Marshall, and Capt. Ed Storer. Storer, although eliminated in the earlier part of the meet, put up a fine grappling exhibition to secure fourth place in the consolation.

The outstanding feature of the meet was the spectacular performance of the wrestling team from Oklahoma A. & M. The southerners, once more established the reputation of the Oklahoma school for outstanding grapplers by again winning the national intercollegiate championship. E. C. Gallagher is the coach of Oklahoma A. & M. which is the alma mater of F. Collins, Michigan State, C. Kohn, U. M. C. Gallagher, Harvard, J. Hicks, M. I. T., and a host of other prominent wrestling coaches.

On April 5 several State grapplers entered the Michigan A. A. U. wrestling meet at Detroit. Strom, 145 pound class, was defeated by Benz, stellar U. of M. matman, in the final.

Merle Collins, a freshman grappler, showed the form that enable his brother to win the national title when he won the championship in the 160 pound class.

Marshall, although receiving a painful ankle injury, put up a brilliant battle to secure highest honors in the 175-pound division.

David Salmon, quarter-miler look good in the preliminary workouts. The sprint squad will be made up of Edgar Ryan, Kenneth Lafayette, Herbert Chackert, Arthur Voelker and Walter Risnow.

Coach Miles Casteel has five lettermen back in the hurdles, a fact which augurs well for Spartan prospects in these events. Besides Russen and Voelker, who double up on hurdles and sprints, other strong contenders are Robert Russell, Kenneth Yarger, and Ferris Oswald.

The pole vault will be ably taken care of by Bob Olson who is back in school after an absence of two years and Fred. In the high jump, Bayless and Cole look good for places, and the broad jump will be represented by Bayless, Russell, and Rothfus.

same combination that contributed materially to the successful campaign that the State cagers were against the mid-west college teams during the past season.

Both teams displayed ability in net passing and brilliant ball-handling but the game was somewhat uneven as to the zone defense which both teams employed. The Grand Rapids squad staged a rally in the first period but failed to break down the best that the S. A. E. players had met throughout the entire game.

Art Haun, Don Grove and Stan Zivien made up the combination amount which the East Lansing team was built. Haun led the individual scoring with 10 points to his credit. Van Zivien made 7 more points for the fraternity squad. Don Grove's speed and accuracy accounted for 8 more counts.

The State cagers got away to an early lead of 10 to 3 which they maintained until intermission.

The S. A. E. basketball squad defeated the Gulls Contenderes, 27 to 17 in the Grand Rapids Y. M. C. A. gym April 2, to win the state class A independent court championship. The fraternity team was composed of the

State to Meet Chicago Nine Saturday

SPARTANS RETURN FROM JAUNT INTO DIXIE WITH EVEN BREAK; WON AND LOST THREE CONTESTS

St. Xavier, Marysville and Cincinnati Diamond Aggregations Conquered by Kobsmen; Vanderbilt and Miami Squeezed Out Victories.

THE MICHIGAN STATE COLLEGE baseball team will entertain the University of Chicago Saturday afternoon at 3:30 o'clock. Coach John H. Kobs and his Spartan diamond squad returned Wednesday from their 1,800-mile annual spring training trip into the south and the players appear in fine fettle for the tilt with the Maroons.

State broke even on the annual vacation jaunt into Dixie, winning three and losing three games for 500 per cent. The Kobsmen defeated Marysville, St. Xavier and the University of Cincinnati and came out on the short end of the count with Vanderbilt, Miami and Marysville, dividing a two-game series with the latter team. The trip was made by motorbus.

The Spartan nine got away to a rather poor start and dropped the first game on the trip to Marysville college in Marysville, Tenn., 11 to 2, Mar. 31.

Johnny Langdon hurled a fair game, but his team mates bobbled five times to hurt his chances for turning in a victory.

The long ride into the south evidently had its effect on the State players, as their throwing was inaccurate and the judging of fly balls was not all that might be hoped for. "Jumbo" Kahl failed to gather in one high fly in the outfield and cost State three runs. The Spartans' wild pegs knocked down several Marysville base runners and "K" Kinsel sent one of the Tennessee players from the game with an injury received when hit by a wild throw.

Kinsel led his team at bat with two safe hits and Jim Hayden banged out a three-bagger for the only Spartan extra base hit of the game.

The next day Charlie Griffin, sophomore southpaw, let Marysville down with three hits, and turned in the first shutout game of the season when State won 3 to 0. Griffin fanned 12 opposing batters and his mates showed vastly improved fielding ability to afford him fine support. The Kobsmen smashed out nine safeties, drove one Marysville hurler from the mound in the seventh inning.

All of State's runs were scored in the first two frames and Griffin held the Tennessee nine well in check throughout the remainder of the game. Ed Gibbs again made two hits and Kinsel hit safely on two occasions.

After an all-night stay at Sparta, Tenn., the team motored to Nashville, Tenn., Wednesday to tackle the Vanderbilt university nine which is rated as one of the strongest in the south.

Rain caused the postponement of the first game and Thursday the Spartans played on a slippery field and might have won handily except for a pair of freak homers, which the Commodores drove over the short left field fence. Both of these hits would have been legitimate doubles in an ordinary ball park.

Harris "Jumbo" Kahl rendered a fine account of himself in the game, allowing but six hits, but a host of Spartan errors made matters worse.

The slugging Vanderbilt game was puzzled by the splendid change of pace shown by Kahl and he had the Commodores at bay practically every time he chose to use his dazzling fast ball. State led during the early innings by straddling a two run lead in the second frame. Vanderbilt scored in the last of the second but the Spartan picked up another in the first of the sixth to forge ahead, 3 to 1. Then Vanderbilt produced a brace of tallies in the sixth to tie the count, and the two homers in the last of the seventh decided the game.

Saturday the Kobsmen gained sweet revenge for the 18 to 2 defeat administered to them last spring by St. Xavier in Cincinnati, Ohio, and turned in a decisive 9 to 2 victory. Pete Buloch was on the mound for State and let St. Xavier down with six hits, fanned eight men and exhibited nearly perfect control. The game was actually won in the third inning when the Spartans pushed across six runs. Johnny Madonia, flashy shortstop, led the hitting with three safeties in four trips to the plate, while "Chum" Culbertson and Gibbs each made two safe singles.

The Queen City proved to be just about what the State baseball players needed to inspire them to victory and Monday they trounced the University of Cincinnati nine, 13 to 3. Steady pitching by Kahl and a batting spree in the sixth inning proved the undoing of the Cincinnati aggregation. "Jumbo" Kahl had all the earmarks of a seasoned veteran hurler and allowed but

These Players will Represent Michigan State on Diamond During Season Full of Hard Games

Above are some of the mainstays of the Spartan nine. They are: (1) Hayden, (2) Gibbs, (3) Warner, (4) Barnard, (5) and (6) left to right, Crall, the Kobs, coach, Capt. Sachs, L. Macaulay, and (10) Kinsel, 7th.

eight hits, which did little damage, and struck out nine men. He yielded but one safety during the last five innings. Gibbs again led the Spartan strikers and had a field day at bat. He drove out a home run, a triple and three singles in five times at bat. The midair center-fielder also contributed one of the holding features, racing far over into right field to make a one-handed catch of a long fly.

Errors Hurt Again
A fast-throwing Miami college team took the final game of the trip from the Spartans at Oxford, Ohio, Tuesday afternoon, 5 to 3. Charley Griffin was bested in a pitchers' duel due primarily to the failure of his infielders. Madonia had a bad day afield and erred three times after the umpire gave an off-color decision which robbed the little shortstop.

This didn't help matters any, and then Macaulay bobbled once so that Johnny Bass, Miami mound ace, bested Griffin.

The Ohio nine played alert baseball and several times State batsmen saw hot smashes knocked down where hits would ordinarily have resulted. Fast fielding and accurate throwing kept the bases pretty well cleared for Bass. Miami found "Lefty" Griffin for seven hits and the Spartans gathered five off Base delivery. Gibbs was the only State player to solve Bass offering, and continued his sensational hitting pace by slugging out two safeties in three trips to the plate.

The box score of the six games follows:
