Three Fraternities Compete With Campus Social Slump Caused by Unofficial Holiday Over Week-end

Practice Houses Entertain at Teas; Dean Conrad Gives Dinner in Honor of Brother From Brazil; Cosmopolitan Club and International Relations Class Entertain

EASTER seems to have given the excuse for a general exodus of the entire student body homeward, and consequently our social activities were rather on the wane this past week-end. The Alpha Gamma Rho, Pi Kappa Phi and Sigma Alpha Epsilons were the only fraternities to hold parties last week. However, several dinner and teas and extensive activities at the church kept alive the feeling of social life.

Several members of the Mathematics department gave to the Sigma Alpha Epsilon a special dinner at the University of Michigan on Thursday.

Alpha Gamma Rho had as dinner guests Sunday night, Mr. and Mrs. George Amundson and Prof. and Mrs. C. G. Card.

Wagner's orchestra played for the dancing at the Pi Kappa Phi open house Saturday evening.

More than 40 couples danced in the Gold Dancers orchestra at the Sigma Alpha Epsilon open house Saturday evening.

At the Alpha Gamma Rho open house Friday evening, about 100 couples danced to a fine orchestra.

The annual Engineering banquet will be held tomorrow evening at the Hotel Olds.

This afternoon practice house No. 6 are hostesses at a tea for the wives of the faculty from 4 to 6 o'clock.

Dean Conrad visited with the student at the home of his brother and sister-in-law.

Two Spartan Squads Triumph Over Week-end

CHAMBERLAIN LEADS TRACK TEAM WITH WINS IN DISTANCE EVENTS AS STATE COPS MEET

Detroit City College Defeated, 78 to 52, in Competition Saturday; Efforts of Lewis Fail to Turn Tide; Frosh Come Through Handily.

By GILFORD ROTHFUSS

STATE'S VARSITY TRACK TEAM, led by Clark Chamberlain, diminutive distance star, got away to a flying start at the stadium Saturday afternoon by decisively trimming Detroit City college in the first meet of the outdoor season. The final score was 78 to 52. Although Detroit captured eight first places to the Spartans seven, the team strength of the Green and White was great enough to more than make up the difference. The State track team slammed five of the fifteen events.

Chamberlain, who is next year's cross-country captain, proved conclusively Saturday that he is one of the coming distance stars of the middle west. He won the mile very handily in 4:29.7, and came back an hour later to run the fastest two-mile that has ever been seen at the college stadium. His time of 1:36.1 set a new meet, stadium, and varsity record.

To accomplish this feat Chamberlain had to step out and beat his captain, Lauren P. Brown, former holder of the record, all-American two-miler in his sophomore year, and one of the gamest athletes who ever stepped into a pair of track shoes at Michigan State. After trailing Brown for six laps, Chamberlain sprinted through the last two to lead his bespectacled teammate to the tape by 15 yards.

Distance Strength Counts

It was State's strength in the distance runs that largely accounted for the difference in the final results. The Green and White runners scored slams in the mile and two-mile and took the first two places in the half. In the latter event which was won by Lewis Hackney, "Slim" Fullerton of Detroit came up from behind to nip Lowenstein of Detroit at the tape by inches to take second. Barely a yard separated the three runners at the finish.

The meet Saturday proved that one man, however hard he may try, can not win a track meet all by himself. Co-Captain John Lewis, Detroit's Olympic representative, although he captured the 100 yard dash, the 220, the 440, and ran anchor on Detroit's winning relay team, did not receive the necessary support from his teammates to bridge the gap between the scores of the two teams.

Barney Novotnick of Detroit surprised the crowd by topping Olson of State in the pole vault. Olson by virtue of his fine indoor record was counted an easy winner in this event, but the best he was able to do was to tie for second with Field and Hayes, Grove, both of State.

The Spartan weight men proved their superiority by winning seven out of a possible nine places in the weight events. McCabe led the plater-tossers to a slam in the discus. Hendry captured the javelin, and Joshi and Dell took second and third in the shot put.

Frosh Show Strength

The Green and White freshmen came through in fine style and contributed State's other two slams for the day. Yarger of State slid over the high jumpers in 16 seconds flat to beat out his teammate Robert Russell at the tape, and in the lows, Russos of State once more broke the tape ahead of Russell to take first.

In only one event, the broad jump, did State show a marked weakness. The Detroit boys secured their only slam of the day here. Beauvais, Pearson and Green of Detroit all out-leaping the Green and White contenders.

In the meet between the Detroit City freshmen and the Michigan State freshmen, held in conjunction with the varsity event, the Spartan yearlings

SPARTAN SPORT SHOTS

BY HARRIS COATES

Promising Frosh Thinkers
Bright prospects for next year's varsity track team are already noticeable. Spartan freshmen turned in better performances than the varsity thinkers in two events in the meet with Detroit City college Saturday and equalled two marks made by regulars.

he kinked over the 120-yard high hurdle course in 16 seconds even. He was not venting to win but lagged the old varsity mark by 7 of a second. Yarger made the same time in the varsity race. Jack Berry, who placed second in the national high school meet last year, took the javelin 138 feet to win the frosh event with ease. R. D. Hendry made the best throw for the varsity, sending the spear out 151 feet, 9 inches to place first. Norman Smith cleared 5 feet, 7 inches in the vaulting high jump, while Pearson of Detroit topped the varsity event, 16 seconds flat. Bayless was a triple tie for second place to lead the State varsity jumpers. A. J. Arbogast, freshman pole vaulter, cleared 11 feet, 6 inches to equal to performance of Novotnick, Detroit varsity sky duster, and do better than any Spartan vaulter.

The performance of the yearlings in smothering the Detroit first year men makes them the heavy favorites to crop the annual Fresh-Boph track meet April 26.

Wins by a Nose

Reuben E. Dell, a weigh man, and Walter F. Russos, a sprinter and hurdler, ran a close race for the cup awarded to the member of the track team who attains the highest scholastic average. Dell won the trophy by a slim margin. He carried 18 credits and made 51 points, while Russos took the same amount of work and made 50 points. The race for the scholastic trophy was decided when Dell fell down to a "B" in a three credit course, and this is something unusual for Dell, who has received a "B" in four credit courses.

We believe that these two athletes have established a worthy goal for other students. Dell devotes much time to athletics, including football and track, and this term he pulled down six "A's" and one "B" in engineering subjects. Russos received five "A's" and one "B" in agricultural subjects.

How He Got It

There has been much mystery in the campus regarding the award sported by Vincent Peo West, Peio's diminutive third baseman on Coach John H. Kobs baseball team. Peio also played goalie on the hockey team, but this doesn't explain the back story. It seems that there was a compulsory school order in Wells Hall and an attempt to institute a "darkening of the area" surrounding Peio's eye. Peo was led a troop of members into the buskey's room and was greeted with a nice poke which resulted in the shiner. It is claimed by witnesses that the new comet was rubbed and finally irritated into the order.

Tough Luck Eddie

Eddie Gibbs, center fielder who led the Spartan nine in hitting during the southern training trip and showed some sensational stick work against the University of Chicago in the first game of the home season, faltered a little at Ypsilanti Saturday. However, the diminutive gardner, did his best to hit safely, but was cheated by some class holding. On one occasion he connected for a long fly to center field, but it fell to center fielder started running out as soon as he heard the resounding crack of Eddie's bat and managed to spear the leather with a one-handed leaping catch. So Eddie could not be too severely blamed, because he made a good attempt.

New Distance Star

The performance of Clark Chamberlain, diminutive Lansing runner, in running the two-mile course in 1:36.1 in the meet Saturday is little short of phenomenal. It must be considered that a chilly wind sweeping across the stadium and a wet track were not conducive to outstanding performances, but this failed to check the promising distance flyer. He started even his coaches and team mates by beating out Captain Lauren P. Brown and turning in one of the best times ever made by an American college runner. Shmuck, Marquette ace, held the previous stadium record, but about two seconds was clipped from the old mark.

Chamberlain never ran a step in high school competition. He is also an outstanding cross-country man and will captain the barrier team next season. More power to you Clark!

Although the college is planning to improve the present condition of the "stuccoed" walks, no move can be made toward this end until sometime this summer. The material which will be used to cover the rough walks must be poured during hot weather.

KOBSMEN DOWN YPSI IN CLOSE FOREIGN TILT

State Diamond Aggregation Brings Home Victory; Score 4 to 1.

GRIFFIN IS MOUND STAR

Crall's Double in Eighth Breaks Up Game, Gives Green and White a Triumph.

Steady pitching by Charles Griffin and an eighth inning rally led by Jabber, Barnard, Captain Al Sachs and Max Crall enabled Coach John H. Kobs' Spartan baseball team to turn in a 4 to 1 victory over the Michigan State Normal college nine at Ypsilanti Saturday afternoon. It was the first game of the home season to be played on a foreign diamond.

Crall's double in the eighth broke up the game, giving the Green and White a triumph. The game was a nearly air-tight battle, with the count knotted at one all until State's half of the eighth inning. After the Hurons of Ypsilanti scored in the fourth, the Spartans buckled down to work and matched the run in their half of the fifth frame. Crall was sent on an Ypsilanti player, Eddie Hayden, bunted by Max was upped at second base. Crall's double sent Hayden to third with a single to deep center field. Gibbs drove a fly deep into center field for a timely sacrifice and Jimmy scampered home.

State's "Miserable Row" swung into action in the eighth to put the game on ice. Barnard led off with a sharp single which was promptly duplicated by Captain Sachs. At this juncture Crall clapped a sharp double along the third base line to score both occupants of the base.

Johnny Madonna, flashy shortstop, aimed to make a sure thing of the victory and doubled in the ninth, and Barnard drove off his second consecutive shutout. Eddie Gibbs lined in his lifetime and failed to connect in three times at bat. However, Madonna proved a capable aggressor, temporarily at least, and collected three safeties in four trips to the plate. Barnard and Captain Sachs each made a brace of safeties.

The sensational meeting of the Normal college and present State Normal met most freely. The Ypsilanti players made many spectacular stops in the drives by the Spartans of what appeared to be certain safeties.

Tennis Team Opens Season With Two Week-end Meets

The State varsity tennis team will open the season here Friday afternoon in a match with the Albion requesters. Saturday afternoon they are matched against the crack team of the Michigan State Normal college of Ypsilanti.

Both matches will be held on the college courts if the weather permits. If the courts are not in condition the games will probably be played on the East Michigan municipal courts. Coach C. D. Ball is uncertain as to the men who will represent State in the contests. All of the men are showing up well in early season workouts, and there is a great battle for positions on the team. Captain Paul Kane of Owosso, who finished second to Byron of Western State Teachers, in the state intercollegiate last spring, is the only tried veteran who is back with the team this year.

The State netmen are facing the stiffest schedule ever booked for a Spartan tennis team. Coach Ball hopes to bring the new men into shape to meet the games Friday and Saturday.

SYRACUSE NEXT FOR STATE NINE

Orange Diamond Team Appears Here Thursday; Will Provide Real Test.

Michigan State's varsity baseball nine meets its first real test of the season when they meet Syracuse University in the local diamond Thursday afternoon at 4:30 o'clock. The eastern school always turns out a formidable diamond aggregation and the Spartan team will find them one of the toughest obstacles in this year's campaign. If the Kobsmen turn in a win Thursday afternoon it will be a fair indication of results for the rest of this year's campaign.

Coach Kobs will probably start Harry Jumbo Kild on the mound although Letty Griffin may get the nod for hurling duty. Griffin turned in a good performance in the Ypsilanti game and may be allowed to start in the garden.

Eddie Gibbs and Johnny Madonna will do the hitting behind the plate. The choice of catcher will depend largely on whether or not Coach Kobs decides to use a southpaw on the mound.

Max Crall is first choice for left field, and second Vincent Peio at third. Johnny Madonna and Letty Griffin will compose the infield that will start the work-up against the past few games and should prove an asset Thursday afternoon.

Captain Al Sachs will be anchored in the outfield by Eddie Gibbs and either Barnard or Griffin. It is hoped that Gibbs will recover from the batting slump he encountered in the Ypsilanti game when the little center fielder failed to secure a sack drive.
