Debaters Tender Bid for National Convention in '32

The local chapter of the Phi Kappa Phi national debating honorary has extended an invitation to the society to hold its annual convention in Lansing in the winter of 1932. The 1930 convention was held during the last week of March and the first week of April in Michigan. It is expected that this convention also will be attended by at least 500 students consisting of debaters, orators and public speakers.

MOST IMPRESSIVE PAGEANT IS PRESENTED IN VENETIAN NIGHT THEME "PRAISE OF LEARNING"

Twenty-six Fraternities and Sororities Participate to Exhibit Elaborate and Novel Floats, Specialty Acts and Canoe Events; Record Crowd Expected at Second Showing Tonight.

THE MOST ELABORATE and novel Water Carnival yet to be presented on the Michigan State campus opened Thursday night on the banks of the Red Cedar with 2000 people in attendance. "A Festival in Praise of Learning," the 1930 Venetian night surpassed previous carnivals, with only a few of the minor delays common to first night performances. Twenty-six fraternities and sororities represented by floats appropriate to college departments, amusing canoe events, and six unusual specialty acts, and musical entertainment made the evening rank with the best of past performances.

INSTITUTE HOLDS UNUSUAL DINNER

Graveure, Press, Schuster, Appear on Musical Program, 225. Attend Banquet.

A host of civic, industrial and business leaders interested in the future of the Michigan State Institute of Music made the first annual dinner of the board of directors of the Institute of Music, Tuesday evening, when 225 guests attended the banquet in the dining hall. Three musical programs were presented and a few talks explaining the nature of the department.

EXPECT RECORD SUMMER SCHOOL

Numerous and Varied Courses to Attract Large Enrollment.

With very liberal financial backing, the Michigan State Summer School will have a record enrollment this year. The school will offer a wide variety of courses, including English, mathematics, science, and art. The school is expected to attract a large number of students from other parts of the state.

HEADS ELECTED BY JOURNALISTS

Pi Delta Epsilon Names Larke and Pratt as 1931 Officers.

The Pi Delta Epsilon national journalistic fraternity, recently initiated two new members and elected officers for the coming year at a meeting held Wednesday night in the Union Club. The new members are Larke and Pratt. The officers for 1931 are Larke and Pratt.

President's Message

The college year 1929-30 has been an eminently satisfactory one. During this time the completion of plans and setting of standards for a postgraduate school and the building of a new building program, while creating opportunities in equipment and supplies, has been a task of considerable magnitude.

AWARDS MADE IN BAND CLUB

THE END OF THE TERM—Today, the members of the senior class of 1930 will attend classes for the last time in their undergraduate careers. Many have looked forward to this day for a long time, but now at the brink of the climax of their stay at their Alma Mater many dislike to leave.

As a finale to the other senior activities planned for the next week, Commencement will officially close the college work of the prospective graduates for 1930. Commencement, although a climax to their undergraduate work, means to many of the students a beginning in their life endeavor in the business world.

Although we realize that each year some four or five hundred seniors must pass on out into the outer circle of alumni, we regret their going. The class of 1930 has been an active class and one that will leave a mark in the history of the college. We hope that the graduates will be as successful individually in later life as they have been as a class at Michigan State.

RETROSPECT—Today's edition of the Michigan State News marks the end of the term and school year in publication work on the campus. Those who have directed the work on the college newspaper feel that it is a proper time to look back over the past three months' endeavor in the journalism field.

Perhaps at times during the spring term the paper has apparently taken the wrong side of the many controversies which have come to our attention. However, the editor has tried to take a broad minded attitude on all questions discussed editorially with the ideal always in the foreground to promote that which seems to be the best for the college in general. We hope that we have been at least partially successful in publishing the News this term and that we can edit an even better college newspaper for the approval of the student body next fall.

At this time it is also appropriate to mention the many loyal workers who have faithfully contributed to the publication on both the editorial and business staffs. It has been this 100 per cent cooperation which has made it possible for the editors to issue the 18 editions this term.

SET DATE FOR FARMERS' DAY

Twelfth Annual Program to Be Held August 2; New Buildings to Be Dedicated.

The twelfth annual Farmers' Day program will be held at the College Friday, August 2, 1930. At this time all the buildings on the campus and the exhibitions in all types of agriculture will be open for inspection by the thousands of farmers from all over the state. Several new buildings are also to be dedicated. In the afternoon there will be a short outdoor program including some speeches by prominent national figures and a band concert. In the past Farmers' Day has brought a crowd of some 10,000 and even more is expected to attend this year. It is the largest single gathering of farmers for one day anywhere in the country.

Farmers' Day originated in 1918 during the World War. Dean Cook, then head of the Farm Crops department called the day Wheat Day from the fact that the discussions were about the wheat conditions then prevailing. Since that time the summer farmers' day has continued, dealing not only with wheat but with all kinds of agricultural work.

Further details will be published some time in July, it was announced.

Music -- Art and Drama

By PAUL TROTH

The interpretation of the dance by the Michigan State University Union in the Lansing Eastern High school, revealed a most unusual and attractive form of dramatic art heretofore unattempted on this campus.

The successful staging of such a program placed a demand not only upon a knowledge and appreciation of the dance, but also of setting, color, harmony, grace of movement, music, and poetic interpretation. All of these qualities were combined on the stage Tuesday evening to form a most dignified and artistic presentation.

The opening dance, "Prelude," was perhaps among the most impressive for its sense of gracefulness and repose, and brought out strongly the power of expression in the still figure. Contrasts in the figure and the seventh number of the first act, the "Slave Market," which strove to interpret the dramatic mood and was highly emotional and vigorous in its movement.

The "Petite Etudes" in the second part were both well interpreted and amusing and coming as it did, revealed a happy, lighter nature to the dance. And the third part, "The Cycle of the Hours," made a fitting close to the drama.

It would be unfair to try to single out those who did so well, but all who took part joined in setting a high standard for similar presentations in the future and should be commended. The dancing instructor, merits high praise for her achievement.

FOUR CHOSEN BY THETA ALPHA PHI

Neophytes of Dramatics Society Held Swingout Early Friday.

Four candidates for membership in Theta Alpha Phi, national dramatic honorary, swung out at 7:45 o'clock this morning as a preliminary initiation event. The four chosen by the society were Garfield Thatcher, 21b, Jackson; Beryl Abbey, 21p, Battle Creek; Paul Troth, 20, East Lansing, and Great Lakes, 21 of South St. Marie.

The initiates have been actively connected with college plays during the past year and will present a musical play Saturday noon to active members as one of the duties of the initiation period. The date for the formal banquet has not yet been set, but will probably be early next week.

EXPECT RECORD SUMMER SCHOOL

(Continued from page 1)

Courses for Town and Country Ministers, a conference for library workers, a conference for social workers, a Farm Women's Week, and a Farm Women's Week. The Summer School short course for town and country ministers will be held from July 7 to July 14. This course will be taught by a number of renowned men among whom are: Dr. James King, president of Olivet college; A. Z. Mann, of the Garrett Biblical Institute; and E. E. Standt, of Waterford, Conn.

A four weeks graduate course for those who desire to obtain a Smith Hughes teachers certificate will be offered. This course will be popular as shown by the fact that thirty persons have already registered. The criterion of taking this work, other courses for those who desire to shorten their college career, for teachers who desire a life certificate and for students who wish to take special work in Agriculture and Home Economics, have been arranged. Courses for those who are particularly interested in securing degrees in taking a course outside of their special needs, are also to be given. The only limitations being that a student has the necessary qualifications for the course as determined by the department concerned.

Among the many new methods to be inaugurated in the summer session will be a new way of measuring attendance. No credit will be given in a course from which the student has been absent in excess of the number of credit hours offered, unless the student presents to the instructor satisfactory evidence that the work missed has been made up.

The summer session will not be without its social functions. Many varied events have been arranged, including dances, a picnic, a musicale, and an outdoor play by Professor King's class in dramatics.

Senior Events Hold Sway in Social Calendar as Graduating Classmen Make Last Farewells to Alma Mater

Water Carnival, Class Play, and Commencement Program Marks Finale for Year; Numerous Society Functions Are Held During Early Part of Present Week.

AS SPRING TERM draws to a close, the senior class plan their last social events. One of the most brilliant and most active events of the year was staged by this group in the annual water carnival, which was given last evening and will take place again tonight. Centered around the theme, "In Praise of Learning," a most colorful and elaborate array of floats representing the many departments of the college makes their way down the Red Cedar river. Dean Groves and Margaret Patterson, president and vice-president of the senior class, acting as king and queen of the carnival together, with the many spectators, watch as the great spectacle passes by. Another event to be staged by this class will be the senior play, "Captain Jack," which will be given on Tuesday evening in the Forest of Arden. Then comes commencement, the last mile-tone in a senior's career, which will be held in the new Armory on Monday, June 23rd.

The Delta fraternity will host an open house this evening. The Phi Kappa Phi will give the Phi Gamma Phi a party on Tuesday evening. Mrs. H. W. Whitcomb will give a party on Wednesday evening. The Phi Gamma Phi will give a party on Thursday evening. The Phi Gamma Phi will give a party on Friday evening.

3:00 p. m.—Carnavalante service at Peoples church.
MONDAY, JUNE 16—Resumption of spring term finals.

Announce Special Hours for Co-eds During Exam Week

Dean Conrad Wishes Quiet Hours Kept in Dormitories; Ban Tea Dances.

In accordance with the custom carried out at this college of becoming more silent in reputation at the end of the term special rulings have been made governing quiet hours during examination week.

Girls who have no exams on certain mornings may apply for 11 o'clock permission for the evening preceding these days. Afternoon and evening hours are to be observed in these cases. Co-eds who have entirely completed their exams may ask for a 12 o'clock permit for the evening preceding the day they leave for home. The college authorities are insistent that everyone leave immediately after commencement exercises. However, the latter rule does not apply in any cases, except those who are not taking part in any commencement exercises.

Dean Elizabeth Conrad is emphatic in her wish that quiet hours be kept in dormitories continually during the exam week except from 4 to 6 o'clock in the afternoon. Following the custom carried out last term there will be the usual tea dances next week.

Alumni dinner, which will be given at the new Armory on Saturday evening.

The Varsity track under the direction of Miss Jane Dillard was given in the exhibition of the Lansing University high school on Tuesday evening.

The members of the track club were presented by their hosts at a special dinner on Monday night.

Miss J. H. Haslamman, vice-president of the senior class, will be the guest of honor at the Delta Alpha society's water carnival.

The annual senior dinner will be given in the new Armory on Saturday evening.

Delta Alpha society's water carnival will be held at the farm lane bridge on Friday evening.

The seniors of Alpha Chi Omega were entertained at a farewell dinner at the undergraduate's hall.

Flashes bearing the fraternity's colors were given to the Kappa Alpha Theta seniors at a party held in their honor at the pulpit last Friday evening.

The entertainment of Alpha Gamma Delta, which was given last Friday evening at the chapter house.

The annual Mu Eta Omicron garden party will be given in the garden of the new Armory on Saturday afternoon.

In the dimly lighted ballroom above the massed white tables and gleaming centers, each in their turn three famous artists kept the floor in company with a masterful musical painting. The program was opened with two recit numbers by Alexander Schuster, Spanish Dance, Kreisler's arrangement of Granada, impromptu composition and Danquer, La Espana.

One of the highlights of the evening was the playing of Michael Press in three violin numbers. His own arrangements of two Wagner selections, Romeo and the Spinning Song, from the Flying Dutchman, were so well received that two encores were needed to appease the crowd. Behr's Ave Maria rendered more beautifully than any other on the program and The Dance of the Hours. A distinct ovation was given Grainger in his appearance on the platform consisting with the music, "Impressions." When I am Laid in Earth, world favorite followed. Kobsmen Play U. of M. Twice More

WIND UP SEASON WITH PAIR OF TILTS WITH WOLVERINES; KAHL, GRIFFIN CHOSEN FOR PITCHING

"Jumbo" Due to Take Mound at Ann Arbor Friday, June 20, With Charley Trying Postside Shoots Against Maize and Blue Here Saturday, June 21; Season Successful to Date.

GAMES WITH THE UNIVERSITY OF MICHIGAN Friday, June 20, and Saturday, June 21, will conclude a highly successful 1930 season for the Michigan State college baseball team. Friday the Spartan diamond team will journey to Ann Arbor, with Harris (Jumbo) Kahl, big right-hander slated for mound duty, and Saturday the Kobsmen will entertain the Wolverines in the feature event of an Alumni Day program with Charley (Chip) Griffin, sophomore southpaw, hurling for State.

State has already chalked up one victory over Michigan, winning from the Maize and Blue, 3 to 1, Memorial Day. Griffin side-wheeled his way to this neat victory and the Kobsmen will be favored to win at least one of the two remaining games of the three-game series with the Wolverines. Griffin should be able to chalk up another win for State and Kahl has been showing good form this year and if he is going at top pace may succeed in turning back the highly touted Big Ten team.

The team has had only light drills the past week, with only sufficient work being ordered to keep the boys in condition and on edge for the most important games of the season—the tussle with Michigan.

This far in the season the Spartan nine has played 22 games, including the southern training trip during spring vacation, and has won 17 of the contests. Fourteen victories have been chalked up in the 16 games played during the home season, with three of the reverses being suffered during the training season when the squad had not yet reached top form.

Griffin has borne the brunt of the pitching duties this year, hurling seven games, including the toughest assignments on the schedule, and suffered but one reverse, that at the hands of Miami university in Oxford, O., on the spring trip. He turned back Notre Dame twice, has a brace of win over Michigan State Normal of Ypsilanti and twirled State to victories over Syracuse and Western State Teachers of Kalamazoo.

Kahl has pitched six full games and finished one after Griffin had practically made certain of a victory. He lost three contests. Pete Bulloch, has been a reserve moundsman for two years, stepped to the front this season and hurled four games, winning every start. Johnny Langdon worked in one game and was defeated.

Eddie Gibbs, diminutive center fielder, has led the squad in hitting throughout the season and has also been the leading home run hitter. Griffin, Capt. Al Sachs and Jabber Barnard have also been finding the ball with regularity. Barnard's hitting has been especially timely.

The season's record to date follows:

Spring Trip		Home Season

Frosh and Varsity Track Pictures to Be Taken Monday

The official varsity and freshman track pictures will be taken Monday night, June 16, at 8 o'clock according to a statement issued Thursday by Ralph H. Young, director of athletics. Following the usual procedure, the gymnasium steps will constitute the background.

The list of letter and numeral winners will be passed on the bulletin boards in the varsity and freshman south rooms same time Monday, after the meeting of the athletic board of control. It is important that each man be at the gym on time, since individual pictures for the 1931 Wolverine will also be taken then.

We Congratulate the Graduating Class and Thank the Entire student body and faculty for their patronage during this school year.

GRADUATION TO REMOVE 34 MEN FROM ATHLETICS

Every Spartan Squad Weakened as Members Complete Competition.

Unless there are some last minute changes, 34 athletes who have won athletic awards at Michigan State college, will graduate this spring. A few of the men have completed their allotted years of competition but will not be awarded their diplomas until further classroom work has been accomplished. Track is the hardest hit. Twelve men who have helped bring honor to the Spartan cause will pass out of the picture. Leading this group is Capt. Lauren P. Brown, of Detroit, recognized as the greatest distance runner ever to tread the cinders here. Brown has been a consistent winner ever since he became eligible to varsity competition. His favorite distance has been the two-mile while he is easily the best cross-country runner ever turned out.

Other track men who have completed their years of service are: Lewis Mackney, Flint, half-mile; James G. Hayden, Cassopolis, javelin thrower; Marion Joslin, Grand Rapids, weight man; William Kroll, Detroit, sprinter; James McCabe, Petoskey, weight man; Ferris Oswald, Ypsilanti, hurdler; Elmer Rossin, Grand Haven, mile and cross-country; Walter Russell, Monroe sprinter and hurdler; David Salmon, Buffalo 440-yards; Arthur Vaecker, Detroit, hurdler; Theodore Willmarth, Detroit, distance and cross-country.

Seven men who won football letters will pass. Vern C. Dickson and Fred W. Danziger, both of Detroit, and Capt. G. J. H. Schreyer, head of the 1929 eleven, head the list. Others are Henry Schau, full-back, Schererville Ind.; Max Crall, half-back, Lansing; George Ferrari, tackle, Bessemer; James Hayden, guard, Cassopolis; Maxton Joslin, Grand Rapids, tackle.

Sachs, Crall Done Basketball will also suffer. Don Grove, Sturkis, and James VanZylen, Grand Haven, were regular members of the Spartan quintet for three years as forwards. Edward Totten, center, Detroit, and Russell Scheinheim, guard, Lansing, are others. Schau, listed among the football seniors, also played two years as a guard.

Baseball will lose but two regulars, Captain Al Sachs, Lewistown, and Max Crall, Lansing. The former is an outfielder while the latter is a first baseman. Reserves to graduate are Robert McCauley, shortstop, Richmond, Hay; pitcher, Maadillon, O.

Harry Burtis, Sault Ste. Marie, is the only hockey man to finish. Joslin is also listed among four other wrestlers to graduate. Others are Merrill Marshall, East Lansing; Hubert Miller, Highland, and Addison Wilber, Old Mission; Captain Paul Kane, Owosso, is the only tennis senior. Charles Hower, Grand Rapids, and William Kane, Detroit, are golfers completing their studies. Swimming sees David Clatworthy, Grand Rapids, and Edward Cook, Webster Grove, Mo., and Charles Scheid, Kalamazoo, finish their college careers.

State's famous cross-country team that has lost only once in competition since 1926, will graduate two valuable men in Brown and Willmarth. The Spartan barriers, led by this pair, won everything they entered for three years except the national intercollegiate at New York last fall.

THINCLADS HAD GOOD SEASON

Late Start Handicap, But Make Very Creditable Outdoor Performances.

After being handicapped during the indoor season by the ineligibility of several good men, Michigan State's track team proved once more, at the start of the outdoor contests, that it was a leading contender for track honors in the middle west.

Starting off with a decisive win over Detroit City college, 78 to 82, in which the long-legged Clark Chamberlain won the mile and two mile, setting a new varsity record in the latter, the next week a handful of Spartans journeyed to Philadelphia to compete in the Penn Relays. Captain Lauren Brown covered himself with glory in this meet by splashing and leaping his way to victory over a fast field in the 3,000 meter steeplechase. Brown was the only Spartan to score, none of the three relay teams placing.

At Ohio the next week-end, however, the results were different. Twelve in-

dividual plaques came back to East Lansing when three out of the four relay teams placed. The Shuttle-hurdle team garnered a second place behind the record-breaking Illinois stick jumpers, and both the four-mile and the distance medley quartets broke into the money with third.

Loss State Title

A powerful Notre Dame team came to East Lansing next, and by virtue of superiority in the weights and jumps, came out on the fall end of a 39 to 27 score. State's distance men showed up well. Chamberlain and Fullerton finished one-two in the mile with a fast time of 4:24.2, and Brown took a somewhat slow two mile with Chamberlain trailing him home.

The following Saturday at the State Intercollegiate, the Spartans, after a bitter struggle, relinquished the title to a determined Western State Teachers team for the first time in nearly a decade. The Hilltoppers, paced by the brilliant sophomore, Ray Swartz, piled up an aggregate of 51 1-2 to 39 3-4 for State with Michigan Normal of Ypsilanti third. Swartz ran the fastest mile that has ever been seen in Michigan, a mile that should gain him All-American recognition. His time, 4:16.6, was six seconds faster than the meet record, and came within two seconds of the American college record.

Second in C. I. C.

At the Central Intercollegiate in Milwaukee, the Spartans gained sweet revenge for an indoor trimming by Marquette when they beat out the Milwaukee boys for second place. Notre Dame, in view of the fine showing made previously, was expected to take first, and did, but the race that developed between State and Marquette was as un-

expected as the result was gratifying. A. A. A. and the N. C. A. A. meets. Two new State varsity records were established. Chamberlain lowered the two-mile mark by two seconds, entirely unaccountable to many points for the Green and White. At Boston, Brown was the only Spartan to score, running fourth in a fast two mile.
