Student Council Greets New Class

Douglas Carruthers

Douglas Carruthers, president of the Student Council, made known to the freshmen class the warm feeling of welcome held by the council as representative of the entire student body. The statement given by Carruthers reads: "The Student Council extends a hearty welcome to members of the class of 1934 and hopes that they feel themselves a real part of Michigan State college."

FROSH ARE AIDED BY BLUE KEY PLAN

Honorary Inaugurates New Idea
For Freshman
Week.

Innovating an information booth in the Union lobby during freshman week, handling the distribution of the Student Handbook, frosh "bible," and co-operating in the entertainment of incoming yearling football men, was the opening program of Blue Key, national service honorary, for the college year.

Student Council Encourages Enforcement of Frosh Traditions

Spartan traditions have long been honored and faithfully upheld. These traditions are not for the purpose of substituting the spirit of any man, they are time-honored customs which tend to give the underclassmen something to look forward to remember. The enforcement of this custom has been encouraged for the betterment of all students.

1. All freshmen men shall wear the traditional freshmen hats, except on Sundays, in distinction themselves as newcomers to the campus. During the winter term, however, the hats will be substituted by green knaps.
2. All freshmen men shall wear a

Must Apply for Mich. Game Seats By Monday Night

Reserve seat applications for the Michigan-Michigan State football game at Ann Arbor next Saturday afternoon must be in the hands of the State athletic department by 6:00 o'clock Monday evening in order to insure being filled. It was announced today by that office.

In the front of every student ticket book is a special coupon for admission at the gate at Ann Arbor. This is not to be confused with the regular check (number three in the book) and is necessary to enter the stadium.

It is announced that the game is scheduled for 2:00 o'clock (E. S. T.) Saturday afternoon.

1930 HANDBOOK OUT WEDNESDAY

Book Assumes Status of Official
Publication This
Year.

Copies of the Michigan State college Student Handbook, an official college publication, were distributed to members of the freshman class and new students who registered here this week. Others are available at the Registrar's office for all students who wish to apply at that place.

For the first time in recent years, the college took over the task of publishing the handbook in order to make it an official publication. The 1930 edition includes various rules affecting both students and faculty, an outline of the campus organizations and their respective purposes, an index of the sororities and fraternities, and many other helpful bits of information. Two thousand copies of the books were printed.

A committee of faculty members, under the leadership of James Hasselman, director of publications, was in charge of the compilation. Information contained in the booklet is very complete.

COUNCIL ADVISES FIRST YEAR MEN

Inter-Fraternity President Com-
ments on Rushing and
Pledging.

Stanley M. Oswalt, inter-fraternity council president, gives a word of advice to all freshmen regarding fraternities and pledging.

"Don't be in too big a hurry to join a fraternity," he advises the first-year men. "Look them all over, and be sure which one is suited to you and your tastes. Especially note the younger members of the society you propose to join. They are the ones you will have to live with while you are in college, so be sure they are the kind of men you want to associate with."

"If you do pledge to a fraternity during your freshman year, don't let it go to your head, and don't let society activities interfere with your marks. Scholarship is at all times the primary consideration. Before you may join any fraternal organization at Michigan State, you must maintain at least a C average for one term.

"If you're not rushed by any fraternity, don't let it worry you. Many men are pledged in their sophomore, junior, and even senior years, after they have made themselves known on the campus."

"Affiliation with a fraternity is one of the most important steps in your college career, so consider the problem carefully, and be sure you make no mistake in your selection."

The first council meeting will be held Oct. 8, at 8:30, in the Union. All members are asked to be present.

CO-ED RUSHING RULES GIVEN FOR SORORITIES

Changes Made for Rushing of
Freshmen and Transfer
Students.

BEGINS TUESDAY NIGHT
President of Pan-Hellenic Associ-
ation Gives Helping In-
formation.

Rushing rules for the sorority rushing season were announced today for the Pan-Hellenic association. The rules contain several changes, the principal one being the introduction of open teas which will be given by all sororities on Sunday afternoon.

No invitations will be issued by any sorority but all freshman girls and transfer students are urged to avail themselves the chance to gain a general idea of the various societies on the campus. It will also be an excellent opportunity to learn the location of the houses since no girls will be called for rushing. Maps showing the location of the houses have been placed in the dormitories. Each girl will find it a great aid if she would check her map in the same manner.

Vera Munsell, president of Pan-Hellenic, made several statements when interviewed today which will help the new girls on the campus.

"Sororities," said Miss Munsell, "are social organizations whose membership is by invitation only. It is the purpose of the rushing parties during the first two weeks of school to acquaint the prospective girls with the various sororities and the societies with the new girls."

"It is advisable for any girl to become acquainted with as many groups as possible," continued Miss Munsell, "and to become particularly well acquainted with the sophomore girls for they are the ones she will be most closely associated with should she join a sorority. Since a large part of the social life of the college centers around sororities and fraternities, membership in a sorority is a social asset to a girl. However, a mistle can do damage to any group of individual and the matter should be considered carefully. The cost of joining a sorority should also be considered. Complete information can be obtained from Dean Elizabeth Conrad's office."

Regular rushing will begin Tuesday night and will continue until Sunday, Oct. 12. Four rushing dates a week will be held on Tuesday, Thursday, Saturday and Sunday. A week of silence will follow the two weeks of rushing with pledging date fixed as Saturday, Oct. 18.

PLAY BENEFIT GAME SUNDAY

College Athletes Move to Defray
Injured Captain's Hospital
Expense.

A benefit baseball game for Harold Smead, injured Spartan football captain who lies in an eastern hospital recovering from serious injuries received in a traffic accident early in the summer, will be played between the Lansing Elks and the State Journal teams at Municipal park, East Michi-

Captain Harold Smead

gan avenue, Lansing, Sunday afternoon at 3 o'clock. Many college stars are on the Journal team, which will overtake Class A championship in the city league this summer.

The entire proceeds from the game will go to defray Smead's hospital expense. The State Journal leader is still confined to his hospital cot and is not expected to be able to return home for some time yet. Information as to following the game and it was necessary to complete and lay below the line and the State Journal on one hand. At one time, spectators feared that Smead would not recover.

Other athletes who play with the

Record Number of Co-eds Crowd Dormitories Wed.

Due to the increased number of women entering the college for the first time this year, the three women's dormitories—Eldon, Abbot Hall and the Woman's building were completely filled early Wednesday, the day of registration, according to Miss Elizabeth Conrad, dean of women. However, there has been no trouble in placing those who had to live outside of dormitories. Miss Conrad states that 241 girls have been located in off-campus houses. This number excludes 71 who are earning their board and room in town houses and more than 75 who are living with relatives in Lansing and East Lansing.

STATE STUDENT WINS FILM TEST

Telegram Indicates That Betty
Rarden Makes Hit in Screen
Test at Hollywood.

Miss Elizabeth Rarden, State college co-ed, feminine lead in the 1929 and 1930 Union opera, and talented pupil of Louis Graveure, appears to have caused a sensation in Hollywood movie circles, it was indicated in a telegram sent-Lewis Richards, director of the music institute by Graveure, enroute to East Lansing.

Graveure's telegram read in part: "Elizabeth Rarden made a singing, speaking and picture test with Metro-Goldwyn-Mayer corporation yesterday that cost them approximately \$5,000 and such as is seldom given any but known artists. It was a great success in every way and her voice is likened to the best they have ever recorded. She has to stay over to talk with Metro casting director at his request."

It is said that Miss Rarden's voice appears to be one of the best obtainable for musical comedy-talkie. Music department heads in East Lansing say that at present the singing picture production in Hollywood is at a low ebb, but that a pick-up is expected within two or three months.

CUT SYSTEM IS EXPLAINED

Freshmen Are Cautioned Against
Absences From
Classes.

In spite of the rush and excitement of freshman week, members of the class of 1934 are reminded that they can not miss classes at will unless they are willing to suffer the penalty that the school imposes for such an offense.

The penalty for failing to attend class is the imposition of one negative credit; with the twelfth unexcused absence, and each six succeeding cuts will bring another negative credit.

A negative credit is an additional one which is added to the total number of credits that a student must earn to graduate. Unexcused absences or cuts are counted from one term to another, and each student is allowed eleven cuts per year without receiving a negative credit.

Double cuts are counted for absences on the half day preceding and following a holiday.

Absences because of sickness or for other good reasons may be excused by presenting the reason to the Supervisor of Attendance, in the old library, not later than a week from the Saturday following the absence. If possible such excuses should be accompanied by a voucher from parents, the health service or other responsible persons.

Students coming to class late will be marked absent, but such marks may be removed by calling the instructor's attention to the matter at the close of the period.

SLIGHT DROP REGISTERED OVER FIGURES OF LAST YEAR; EXPECT NO LOSS IN TOTAL ENROLLMENT

Registrar Reports 900 Bona-fide Freshmen and 58 Transfers as
Result of Wednesday Influx; Business Depression
Not Expected to Seriously Lower Total.

FIGURES RECEIVED from the registrar's office this morning show a slight decrease in freshman enrollment over that of a year ago. According to the latest available statistics, Miss Elida Yakely, registrar, states that at 11 o'clock Thursday morning 950 new students had enrolled in Michigan State. Of these, there are 900 bona fide freshmen and 58 transfer students.

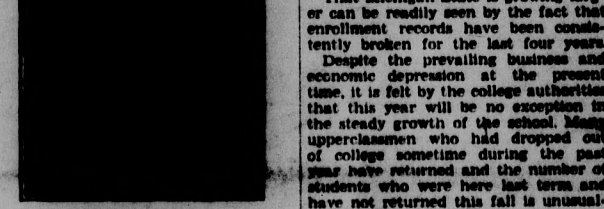

The drop in new students is not alarming, being less than 50 persons. At this same time last year there were 947 bona fide freshmen. However, it is conservatively estimated that by the end of the registration period there will be sufficient late enrollments to bring the figure up to last year's record.

Certain erroneous reports were circulated during the past week that freshmen registration records had been broken; that there were more new students than ever before. This rumor was based on the number of prospective freshmen who had forwarded their entrance applications to the registrar during the summer.

That Michigan State is growing larger can be readily seen by the fact that enrollment records have been consistently broken for the last four years.

Despite the prevailing business and economic depression at the present time, it is felt by the college authorities that this year will be no exception in the steady growth of the school. Many upperclassmen who had dropped out of college sometime during the past year have returned and the number of students who were here last term and have not returned this fall is unusually low.

A. W. S. Extends Freshmen Welcome

In an interview given Wednesday night, Martha Farley, president of Associated Women Students, issued a welcoming statement to incoming freshmen co-eds.

Miss Farley's message follows: "The officers of the Associated Women Students are endeavoring during Freshman Week to extend the warmest welcome possible to the new women students on the campus."

"Through close association with you at this time we hope to establish helpful understanding and friendship with you as individuals. We hope that the contacts made during the present week will lead directly to permanent friendships for the future."

CAVALRY MAN HEADS R. O. T. C.

Colonel Dorsey L. Rodney Re-
places Davis as Post
Commandant.

One of the most important changes in the faculty occurred this summer in the military department. Colonel Edward C. Davis, who served one year as commandant of the college R. O. T. C. unit, was transferred to another post and his place taken by Lieut. Col. Dorsey L. Rodney, U. S. Cavalry.

Lieutenant Colonel Rodney comes to this institution from the fourth cavalry post of Ft. Meade in the Black Hills of South Dakota, where he was executive officer. He graduated from the cavalry division of West Point in 1898. Later he became commandant of the general staff school at the Army War college in Washington, D. C.

During the war, Lieutenant Colonel Rodney served at Camp Dodge as assistant chief of staff of the 25th division. He also saw service for a short time in France.

An innovation in freshman military this year is now under consideration. It is planned to organize an "Order of Military Merit," for those who prove themselves worthy of the honor. A decorative ribbon would be presented at the ceremony of installation of sponsors and worn as a standard military decoration. It is thought that this will furnish an incentive for good work.

A new style of military uniform will be issued to students this year. The old type of high collared coats have been replaced by the more comfortable roll collar form. The adjustment has been shipped and is expected to arrive by Oct. 1.

State News Staff to Hold Meeting 8 o'Clock Monday

Freshmen and upperclassmen who are interested in college newspaper publication are asked to attend a meeting Monday afternoon at 8 o'clock in the State News office at the University of the State College.

The meeting is for the purpose of discussing the plans for the new college newspaper, the State News. The meeting will be held in the State News office at the University of the State College.

"At the main desk information on all school subjects, school supplies, maps, globes, notebooks, and other articles can be obtained by telephone."

"On behalf of the State News staff, and Mr. Rags, manager of the State News, I want to express my appreciation to the State News staff for their help in getting the State News office up and running."

"The following committee are open to the school at all times: the editor,

Union President Explains Use of Building; Welcomes Frosh

"The Union Memorial building is a student clubhouse open to all members of the college and to the use of which everyone is fully entitled," said Wayne Smith, president of the Union board, today in explaining the benefits of the building to the incoming freshmen class.

"It is our desire to make the Union the center of all social and extra-curricular activities at Michigan State, and to this end we are willing to do everything in our power to co-operate with the new class of 1934. The Union is student operated by representatives elected by the college at large, and exists solely for the pleasure and use of every student."

"The following committees are open to the school at all times: the editor,

WELCOME TO THE CLASS OF 1934

The Michigan State News wishes to extend to the class of 1934 and the other new students who have come to the campus this week a hearty welcome. While it is to be expected that the first few days here will be a bit bewildering to the newcomers, we know that very soon the incoming class will become oriented in their surroundings here.

Perhaps the best advice that can be offered to the freshmen is to make friends, for friendship counts heavily in the world of today. Get acquainted with your classmates as well as the members of the upper classes here. The Spartan spirit on the campus is one of the biggest assets of the college. Get acquainted!

Scholarship is not the only thing that counts in college. Campus activities tend to develop the student. The time to begin is during your freshman year.

CROSS COUNTRY PROSPECTS DIM

Daily Two Veterans Available; Practice Started Monday; Sophs Promising.

Michigan State's cross country team swung into action Monday morning for its first pre-season practice, under the tutelage of Coach Horton F. Mason. The Green and White barriers, although capped by one of the nation's greatest distance stars in the person of Clark Chamberlain, will nevertheless be hard put to keep intact their record of having won every

More freshman cross-country candidates are wanted by Coach Mason. To date only two have reported for workouts, a most unusual situation at Michigan State, where cross-country has been a major sport for the last three years. Any freshman interested may get a suit by applying at the stockroom.

dual meet in which they have participated during the last three years.

Graduation and ineligibility have hit the squad hard this year, and even the most optimistic followers of the hill-and-dale team have little hope that the 1930 aggregation will measure up to the standard set for it in the past. Of the six-man team that placed second in the I. C. A. A. A. meet last fall at Van Cortlandt Park, New York City, only two remain. Lauren Brown, 1928 captain, has finished his allotted competition. Rossen and Willmarth have graduated, and Reid has transferred to the University of Michigan.

Bob O'Connor will form a nucleus with Chamberlain, the nucleus of the 1930 team. Of the reserves of last year, Loring Fullerton, a miler, and captain-elect of the track team, seems to be the best bet. Others who will battle for a position with these three are Price, Steimle, Dowd, and Corroll, with several promising sophomores, Conrad, Cielchous, Wildschut, Carlson, Korney and Elliott completing the roster.

Dual meets have been scheduled with Butler university, Michigan, and Notre Dame, all teams which State defeated easily last year. Besides these, the program includes the annual State Intercollegiate run, the Central Intercollegiate, and on Nov. 17, the I. C. A. A. A. run at New York City.

FRESHMEN AIDED BY BLUE KEY BOOTH

(Continued from page 1) Revolving shifts of Blue Key men did duty Wednesday and Thursday in the newly conceived information booth answering freshman questions in regard to campus life, traditions, and methods of registration and classification.

B. R. Proulx, chairman of Freshman Week ceremonies paid tribute to the assistance given him by members of the honorary, and expressed the hope that the new Blue Key plan would be carried out in future orientation weeks.

SMEAD BENEFIT GAME AT LANSING SUNDAY

(Continued from page 1) Journal team include the following: Charley (Chip) Griffin, pitcher; John (Jabber) Barnard, catcher; Ed (Angel Face) Gibbs, center fielder; Jimmy Madonna, shortstop; and "Peewee" Peve, third base. Jack Sepanek, former State diamond captain and Johnny Gartner, a student, will also be in the lineup. Harris (Jumbo) Kahl may get the call to pitch for the Figs, as he has been with the club this season. "Bull" Green, a frequent arbiter in State games, will umpire.

Sale of tickets for the benefit game is reported to be brisk. Be a loyal Spartan and back our injured football captain! Don't forget the benefit baseball game for Smead Sunday.

RAMON NOVARRO and DOROTHY JORDAN in "CALL OF THE FLESH"

RAMON NOVARRO SINGS AT THE STATE TUESDAY

Ramon Novarro's much heralded flair for opera singing will be put to screen use for the first time in his newest musical picture, "Call of the Flesh," which will open at the State Tuesday and continue till Wednesday, with a cast which includes Dorothy Jordan, Ernest Torrence, Nance O'Neil, Renee Adoree, Mathilde Comont and Russell Hopton.

The story, an original by Dorothy Farnum, provides Novarro with the role of a Spanish singer whose operatic success is tempered by the complications which result as the outcome of two love affairs. The star will sing "Ridi Pagliacci," one of the late Enrico Caruso's favorite arias, and "Questa o Quella" from "Rigoletto." In an attempt to keep the picture from being too high-brow, M-G-M have also included three numbers composed by Herbert Stothart and Clifford Grey, who wrote the music for "Devil May Care" and "The Rogue Song." They are "Not Good Enough for Me," "Just for Today" and "Loving Thoughts of You."

Spartan athletes are helping Smead. Why not all the students?

MUSICAL GROUPS TO HOLD TRYOUTS

Glee Clubs Orchestra and Band Start Work First of Week.

Tryouts for men and women's glee clubs, mixed chorus, and orchestra will begin tomorrow and run through to the middle of next week. It was announced today in the music building, for the benefit of freshmen.

Under the direction Zinovy Kogan, the girls' glee club and mixed chorus will hold tryouts Saturday from 2 until 4 in Room 101, Home Economics building. Mr. Kogan will also take over the organization of the M. S. C. orchestra until the arrival of Michael Press, head of the violin department. Tryouts in this field will take place from 4 until 5 at the same place. Fred Killen, assistant director of the music institute, will start work-outs for the men's glee club as soon as tryouts are finished. These will be next Tuesday and Thursday from 4 until 5 in Room 101, Home Economics building. The Spartan male glee club has in the past few years gained an enviable statewide record and is looking forward to increased usefulness in the coming year.

Freshmen Begin Campus Careers With Participation in Mixer Friday and Saturday; Attendance Large

Various Forms of Entertainment Crowds Social Calendar for Incoming Horde; Fresh Indulge Vigorously in Activities.

MICHIGAN STATE'S gay night life flourishes as usual, even amid gusts of almost-October rain, deluges of professorial lectures and floods of hope-dampening intelligence tests. Since the recent influx of promising first year students, the upper classmen have rushed about full of intriguing plans to brighten the collegiate existence of the yearlings. The ever popular mixers are drawing the usual large crowds, despite the fact that upper classmen are presumably not admitted to the affairs.

W. A. A. Breakfast Will Be Given on Saturday, Sept. 27

Plans, in charge of Carl Haradine, are now being made for the annual church mixer. Byron Mate and Phil Cartwright will give several stunts and Bill Forman's orchestra will furnish the music. Before the program starts the girls will meet in the student parlors of Peoples church for a get-together under the supervision of Miss Neva Lovewell, while the boys will meet downstairs in the dining room under the leadership of Rev. Norman Kunkel. Following this there will be a general get-together in the dining room. All those attending are requested to bring pencils.

Closed parties for the freshmen were held in the Union building and Gym last night. Admission was by ticket, and due to the new system of dividing the mixer into two parts the dancing was not congested. Kenny Carlisle's orchestra furnished the music for the party at the Union building, and Wac-novord's orchestra for the mixer at the Gym. The girls were given late permission for the party.

Mary Richmond, president of the 4-H club is in charge of arrangements for a joint Orange and 4-H club party to be held in the Little Theatre Saturday evening. This party is primarily for those interested in home economics and agriculture. The entertainment will consist of games and square dancing.

The sorority presidents met for lunch with Dean Elisabeth Conrad at Hunt's at noon today. Matters of interest to sororities were discussed, especially rules governing the rushing tests to be held Sunday. These meetings are to be a monthly event and will be for the purpose of exchanging ideas between sororities. A meeting of the Pan-Hellenic council will be held at 5 o'clock this afternoon in the Union to discuss rushing rules.

A stag party will be held tomorrow evening in the student parlors of Peoples church, to which all men students are invited. Bill Forman's orchestra will furnish the music for the party and Prof. James Hasselman and James Crowley will speak.

Phyllis Shaasberger, president of the Y. W. C. A. was in charge of a picnic at Pinetum Thursday afternoon. The advisory board was introduced to the freshmen girls and they were entertained with music.

A reception sponsored by A. W. S. was held for the freshmen girls in the Women's building Wednesday afternoon. Mrs. R. S. Shaw, Mrs. H. H. Halladay, Dean Elisabeth Conrad, Dr. Marie Dye, Miss Neva Lovewell, Mrs. Grace S. White and Dr. Lightning were in the receiving line. Mrs. Shaw poured punch.

The Cabinet of Y. W. C. A. are asked to meet for luncheon at the Grace E. Lyon cafe on Saturday at 12:15.

The annual Woman's Athletic association breakfast will be given at the W. A. A. cabin on Saturday morning. Freshmen co-eds are requested to meet at the Gym at 7:45. From here the party will hike to the cabin, where breakfast will be served. After breakfast each sport manager will give a brief account of the sport of which she is in charge. Freshman girls may obtain all material concerning W. A. A. at this time. This breakfast has always been one of the big events of Freshman Week and this year is expected to be the best ever given. The committee in charge are Dorothy Leith, chairman; Annie Laurie Becker and Isabel King. The following are officers: Marian Leighton, secretary, and Margaret Stevenson, treasurer.

SCHOLASTIC MORTALITY THREATENS FRESH CLASS

(Continued from page 1) tute of Music and Arts; and Secretary H. H. Halladay, expressed the welcome of their departments, and tendered bits of advice on college life.

The Thursday morning convocation in the gym opened the second day of the freshman orientation week program, the yearlings having registered all day Wednesday. For the remainder of Thursday morning placement tests under the direction of Prof. J. M. DeHaan were given the freshmen. Yesterday afternoon DeHaan directed the holding of psychological tests, divisional assemblies were held, and aptitude tests for engineers were scheduled.

Prominent campus leaders addressed the all-male assembly Friday morning in the gym, presenting the official welcome of the student body, and explaining various phases of undergraduate life and activity. Those who spoke were as follows: Douglas Carruthers, president of the Student Council; William Pratt, editor of the Wolverine; James S. Haskins, editor of the Michigan State News; Stan Oswald, president of the Inter-fraternity council; and Bud Gibbs of the Michigan State Union. Lt. Col. Dorsey L. Rodney, new R. O. T. C. Commandant; Head Football Coach James (Sleepy) Crowley; and Ralph H. Young, director of athletics.

In an all-college convocation to be held this afternoon at 3:00 o'clock in the Little Theater, Associated Women Students presented a welcome for the women newcomers. Martha Farley, 31, president of A. W. S. was to have acted as chairman. Speakers were to have been: Mary Lou Lipka, for A. W. S.; Annie Laurie Becker, for W. A. A.; Vera Munsell, Pan Hellenic; Phyllis Shaasberger, Y. W. C. A.; Mabel Horning, State News and Wolverine; Lucille Morris, point activity; Madeline Dulso, honoraries; Margaret Goodson, Home Economics club; Miss Neva Lovewell for the Peoples church; Dr. Lightning, new head of the women's physical ed. department; Dr. Marie Dye and Dean Elisabeth Conrad were slated for a few remarks.

CAMPUS CALENDAR

Spartans Open With Alma Saturday

FIVE SOPHOMORES SLATED TO REPRESENT STATE IN INITIAL TILT OF 1930 GRID SEASON

Moore Due to Take Captain Smead's Center Post-Left Vacant Through Injury; Brunette, Vandermeer, Eliowitz and Monnett to Make Debut With Varsity; Squad Worked Hard.

MICHIGAN STATE'S 1930 football team, one of the most promising in recent years, will open the season against Alma college, champions of the M. I. A. A. last year, in the stadium Saturday afternoon at 2 o'clock. Coach Jimmy (Sleepy) Crowley has his Spartans charged all primed for the tilt with the Presbyterians, as he wound up heavy workouts for the week with a scrimmage against the frosh gridgers Thursday. Although the State eleven is pointed for the Alma contest, it is expected that

Coach Crowley's team in stride and he is getting in trim for the game with the University of Michigan at Ann Arbor the following week.

After watching his two strongest varsity combinations test through the freshmen Thursday, Coach Crowley had about decided upon the following lineup: Foss, left end; Brunette, left tackle; Gross, left guard; Meiers, center; Streb, right guard; Eko, right

Coach James Crowley

tackle; Vandermeer, right end; Grove, quarterback; Monnett and Breen, halfbacks; Eliowitz, fullback. This combination will present five men in their first varsity competition as Brunette, Meiers, Vandermeer, Monnett and Eliowitz are sophomores.

Kowatch and Warren, backs who are very likely to see action early in the game, as they have been showing the most promise of any reserves.

The Spartan gridgers will have 15 days of practice behind them when they take on the Presbyterians here Saturday. Coach (Sleepy) Crowley called his proteges together September 10 for the first time this fall and since that time the athletes have held two drills daily with an abundance of strenuous work. Coach Crowley and Groe, Judy, Carberry and Miles W. (Mike) Castle, his assistants, have been relentless in the work ordered for the squad of nearly 50 men and the players are now in tip-top condition. There is little doubt that long hours of training have put most candidates in fine fettle.

As he promised at the close of spring practice, Coach Crowley had the 41 gridgers, who reported for practice the first day, prancing through a spirited signal drill. The athletes were given plays to study during the summer and their performance September 10 was smoother than might be expected. However, the number of candidates was a little smaller than the Spartan grid mentor had anticipated, as invitations to attend early practice had been sent to 65 men.

Scrimmage Sept. 16

A scrimmage was held Tuesday, Sept. 16, with Abe Eliowitz, Ralph Brunette and Bob Monnett, all sophomores, carrying off major honors in the rough-and-tumble session. The varsity rolled up a total of 13 touchdowns against reserve eleven. Sammy Schwartzberg called signals in the absence of Roger Grove, regular quarterback last season who was bothered with an infected knee. Don Warren, a junior backfield man saw plenty of action in the scrimmage. Buddy Meiers, leading candidate for the center position left open by the serious injury of Capt. Harold Smead in a traffic accident in the east during the summer, was under the weather and Fatchett and Beyer, the latter a towering sophomore, alternated at the pivot job on the varsity eleven. Groe and Streb, guards, Eko and Brunette, tackles, and Foss and Vandermeer, ends, completed the first string lineup.

Secret practice was inaugurated Thursday, Sept. 18, principally because the pre-season drills had attracted such crowds that the gridgers were hampered in their workouts. Also, Coach Crowley felt that he could work on some of his favorite formations with a higher degree of safety when admittance to the practice field could be gained only through presentation of a pass when he issued personally.

Sophomores Promising
At about this point in the practice, several sophomores served notice that they are determined to hold places on the State varsity this year. "Red" Vandermeer, end, Ralph Brunette, tackle, Buddy Meiers, who played in the backfield on the frosh eleven last year but has been shifted to center to fill Captain Smead's shoes following his injury, and Eliowitz, Joe Kowatch and Monnett, backs, were leading the second-year candidates in the game for varsity berths.

Sammy Groe and Meiers returned to the first team lineup for practice Wednesday and Don Ridler, veteran line-backer, also made a promising showing. The last season, put in his first appearance, the playing of Kowatch and Eliowitz, one promising and Nordberg, one of the old back.

COACH SEEKS MORE FROSH TRACK MEN

Coach Ralph H. Young is desirous of having more candidates report for fall practice for the frosh track team. All men who are interested should report to him in the gymnasium.

showed evidences of the hard work which they had been through during the hot weather and were a little sluggish, the State gridiron combination was pleasing to watch. Despite the fact that both teams knew each other's plays, plenty of good football was displayed.

Probably the most important thing about this tilt was that it enabled Coach Crowley to finally decide upon the lineup for the game with Alma. Following the encounter he made it known that his present choice was about as follows: Foss and Vandermeer, ends; Brunette and Warner, tackles; Groe and Streb, guards; Meiers, center; Grove, quarterback; Warren and Monnett, halfbacks; Kowatch, fullback.

Drills Monday, Tuesday and Wednesday of this week were devoted to correcting mistakes which cropped out in the practice game. The Spartan coaches handed out but very few complaints and practically every player came in for some tongue lashing. The criticism was even more bitter after the varsity candidates were pitted against an ambitious freshman lineup which provided plenty of opposition and caused the regulars no little difficulty.

Nordberg Hurt Again

Ridler did not report early in the week because of illness. An aggravation of Carl Nordberg's old knee injury during Wednesday's drill sent State's gridiron stock tumbling a little. He

is certain to be out of the Alma game, with the possibility that he may not be in condition to play until late in the season. It is doubtful if Ridler will play against the Presbyterians.

The personnel of the squad follows: Lester Eko, Holland, tackle; Don Ridler, Detroit, tackle; Paul Rivers, East Lansing, center; Roy Warner, Detroit, tackle; Ralph Brunette, Green Bay, Wis., tackle; Harry J. Skornia, Borne City, tackle; George Carlson, Iron River, guard; Dave Hosler, East Lansing, guard; Charles Sweeney, Hillsdale, tackle; Elwyn Fatchett, Hillsdale, center; Louis Handler, Detroit, end; Dan Prendergast, Owosso, end; George Handy, Detroit, guard; Herbert List, Schwaing, tackle; Claude Streb, Birmingham, guard; Charles Gotta, Bessemer, guard; Milton Groe, Saline, guard; Robert Buskirk, Sturgis, guard; Elmer Bowen, Detroit, guard; Gerald Maskrey, Detroit, center; Alphonse Andrielewski, Hamtramck, end; Ken Lafayette, Detroit, halfback; Francis Meiers, Muskegon, center; Harold Haun, Charlotte, end; Merton Vandermeer, Grand Rapids, end; Jake Fasse, Grand Haven, end; Cecil Foss, Jackson, end; Abe Eliowitz, Detroit, fullback; Koe Kowatch, Jenia, fullback; Bob Monnett, Bucyrus, O., halfback; Alvin Olson, Chicago, Ill., halfback; Roger Grove, Sturgis, quarterback; Florian Ferrar, Bessemer, halfback; Carl Nordberg, St. Joseph, halfback; Dan Warren, St. Joseph, halfback; Sam Schwartzberg, Detroit, quarter-back; Mark Stephenson, Constantine, quarterback; Anthony Mashnik, Detroit, end; Gerald Breen, Holland, halfback.

TRACK CANDIDATES TO REPORT MONDAY

Monday, Sept. 20 at 4 o'clock has been set by Coach Ralph H. Young as the time for the first fall track practice. Varsity and freshman candidates are urged to report at that time for a preliminary workout.

Equipment will be loaned at the discretion to individuals desirous of training for a place on the squad.
