Set New All-Time Enrollment Record

NUMEROUS IMPROVEMENTS MADE DURING SUMMER AS INITIAL STEP IN NEW CAMPUS GROUPING PLAN

Relocation of Barns, Curbing of Roads, and Construction of New Buildings Among Major Additions to Campus.

AS ONE of the features of the most extensive building and improvement programs in the history of the school, Michigan State college has, through the completion of six barns of the farm group, that which is conceded to be the greatest and finest group of college farm buildings in the country.

The six barns replace the old dairy group located in close proximity to the chemistry building, and which are now being rapidly torn down. All obstacles in the path of completion of the plan to remove all the college barns to the south side of the Red Cedar have been overcome with the wrecking of the old group.

In addition to this major development, a host of other improvements have either been begun or will shortly be started. An extensive improvement program of the college roads was started this summer by the state highway department when new gravel was laid on all of the roads, curbing placed in all locations heretofore unimproved, and much of the road work was done in a scenic plan in keeping with the grounds landscaping program.

The roads program will be finished in 1931 with the laying of concrete all over the campus. The gravel will be given a chance to set until that time for the purpose of making a suitable foundation.

A curved road was extended through a college farm east of the dairy and agricultural buildings, beginning at the chemistry building and following a curved route to Grand River avenue at Haslett street intersection.

Service lines for water and electricity are being extended to all farm buildings across the river in addition to the stadium. In the immediate future the contracts for tunnels from the gym to the new co-ed dormitory will be received.

Bids will be asked for the construction of three new greenhouses for the botany department. They are planned to be built in three ranges behind the botany building and will replace the greenhouse at the end of the liberal arts building.

CO-ED GYM HAS NEW DIRECTOR
Dr. Lydia Lightning Replaces Miss Grimes as Physical Ed. Head; Has Envious Record

The Women's Physical Education department underwent a complete reorganization during the summer. The former head of the department, Miss Helen D. Grimes, now on an extensive leave of absence at the New York Teachers' college, has been temporarily replaced by Dr. Lydia Lightning.

Dr. Lightning has a background that makes her exceptionally well-fitted to fill the position of director of physical education for women. She has a bachelor of arts degree from Ohio Wesleyan university, and a degree of doctor of medicine from the Women's Medical college of Pennsylvania. She has also done post-graduate study at the University of Illinois and Columbia university. Previous to her employment at M. S. C. she was on the physical education staff of Northwestern, Ohio Wesleyan, and Colorado State Teachers' colleges.

Miss Christine Anderson, former swimming instructor has been replaced by Miss Josephine Corvin who holds a number of science degrees from Columbia university and a master of arts from Columbia university. She has had experience teaching in Kansas State Teachers' college, University of Illinois, and Oregon State college.

Miss Hazel Jones, who obtained her bachelor of science degree from Columbia university, replaces Miss Edith Lindsay as instructor of Therapeutic education. She is a veteran physical education instructor, having taught physically at Central high school, Kalamazoo; St. John's House, New York City; high school in Champaign, Ill.; and Fairmont College, Wichita, Kansas. Miss Jones Darland has been replaced by Miss Ann L. Kuehl as dancing instructor. She holds a bachelor of education degree from Michigan university and has had experience teaching in Michigan high schools.

Student Council Will Hold First Meeting Tuesday

The first Student council meeting of the year has been called for Tuesday evening at 7:30 o'clock, it was announced last week by Douglas Carruthers, president.

Plans will be discussed for the first official all-college mixer, tentatively placed for Thursday night.

Necessity of filling two vacancies in the governing body by a special election will occupy the attention of the council. Karl Jepson, senior representative, and Howard Jacobin, junior member, will not fill their offices this fall, and must be replaced.

WORK BEGINS ON NEW FRAT HOUSES

Phi Delta Building \$75,000 Home West of City; Aethon House Well Under Way

Following through with the cherished plans that they have formulated during the past few years, the Phi Delta and Aethon fraternities are making rapid progress in the erection of their new homes. The detailed diagrams, as submitted and approved, call for extensive layouts that will place these houses among the finest to be found on any campus in the state.

The Crowl Construction company of Madison, specialists in fraternity houses, is in charge of building the new \$75,000 Phi Delta home. Ground was broken last Tuesday morning on their lot on the corner of West Grand River and Cowley. The excavating for the basement is now completed and the work of erection will begin in the immediate future.

The ambitious plans call for a four-story building. The basement will house the boiler room, dining hall, kitchen, chapter room, and a suite of rooms for the caretaker. The ground floor is divided up into a suite of offices, rooms, combination drawing and guest room, lounge, and a great hall suitable for parties and dances. This room will be fitted with a large fireplace and will be done with a paneled effect and beamed ceiling.

SMEAD BENEFIT RETURNS LARGE

Proceeds From Baseball Tilt Are Estimated at \$1,000; Journal Nine Noses Out Elks 8-6

Funds estimated at \$1,000 were raised for Harold Smead, injured captain of the Spartan football team, through a benefit baseball game played Sunday. The Lansing State Journal team, champions of the city league, and the Lansing Elks, a semi-professional team, played 12 innings of fast-baseball before the Journal nine, of which several players on the crack State team are members, chalked up an 8 to 6 victory in a thrilling see-saw game.

A crowd of nearly 1,500, probably the largest ever to witness a game in Municipal park, Lansing, watched the game and thus paid tribute to Smead. An exact check-up of the number of tickets sold has not been completed and will be necessary to determine the amount of the purse to be presented to the injured State gridder, who is still confined in an eastern hospital following almost fatal injury in a traffic accident during the summer.

Six members of Coach John H. Kobs 1930 baseball team and two former Spartan diamond stars played in the game. Charley Griffin, Ed Gibbs, "Jabber" Barnard, "Pee Wee" Pevic and Johnny Madonna played their regular positions on the Journal nine, and in addition Gibbs hurled heavy ball for nine and two-thirds innings after Griffin was troubled with a sore arm. L. D. Hamlin, regular pitcher with Evansville in the Three-I league, started for the Lansing Elks, but cold weather had its effect on his arm and he gave way to Harris (Jumbo) Kahl, another Spartan hurler, after pitching 11 innings. Rorrest Rinehart and Jack Sepanec were two former State diamond captains who played with the championship Journal team in the benefit game.

The score by innings:
Journal 022 010 201 002-8 15 2
Elks 001 102 101 000-4 14 7
Batteries: Griffin, Gibbs and Barnard; Hamlin, Kahl and Cherry.

Michigan State's crack military band will play at the biggest pep meeting of the year, Thursday, 8 o'clock.

HUGE PEP MEET ON THURSDAY; MIXER FOLLOWS

Blue Key Sponsors Send-off for Team in Demonstration Hall.

Mass Meeting at 8 to be Followed By Student Council All-College Mixer at Armory.

Michigan State's last gesture of "good luck" to Coach Jimmy Crowley and his fighting Spartans, facing their most sought-after scalp of the year, a win from the University of Michigan, will take the place of a monster pep meeting, sponsored by Blue Key, and a Student Council all-college mixer. Plans are rapidly being completed for a huge mass meeting in Demonstration hall Thursday night at 8 o'clock.

Immediately following, the Student Council will stage its first all-college dance in the ballroom of Demonstration hall.

Michigan State's crack military band will make its first public appearance that night, opening the evening's program in full uniform. Howard Mitchell, variety cheerleader, and his assistants will aid materially in pepping up the immense crowd that is expected to witness the team good luck against the Wolverines Saturday afternoon.

Blue Key's innovation of placing the mass meeting in Demonstration hall, where protection from the night air and plentiful seats are available, is expected to prove a big drawing card to the student body. The added attraction of the variety band, long absent from pep meets, the presence of well known and popular speakers, and the usual desire of the college at large to demonstrate its desire for a victory over Michigan, all are seen as indicating a large student turnout.

COUNCIL TO SET PLEDGING

Interfraternity Body to Act Tonight On Question of Deferring Date.

The first meeting of the Interfraternity Council has been called by President Oswald for 8:30 tonight at the Union. At this time discussion will be in order concerning the time for pledging. According to the by-laws of the council, pledging is to be held seven days after the registration of the upperclassmen, but due to the pep meeting and the all-college mixer on Thursday night, it is probable that it will be deferred until Sunday evening, Oct. 5.

C. E. Professors Actively Engaged During Summer

With the opening of the fall term, members of the teaching staff of the Civil Engineering department returned from various out-of-door occupations in which they were engaged during the summer.

Professor Theroux traveled many miles during vacation while studying the stream pollution conditions throughout the state with the pollution control commission.

Professor John Meyer worked with the U. S. Army engineers on a pier and breakwater project in the Keweenaw peninsula.

Trophies Given Sororities For Last Year Honors

The Alpha Gamma Deltas won the championship cup for inter-sorority athletics during the year of 1929-30 by running up a total score of 880 points. Sigma Kappa with 401 was a close third to Seaside with 405. Alpha Gamma's score is accounted for by the fact that its girls were the winners in the hockey, swimming, pinball, baseball, and tennis contests, the entire list of intra-mural sports for the year with the exception of bowling and riflery.

STATE CAPTAIN PLACES IN MEET

Chamberlain Competes on International Team, National A. A. U. Durng Summer

Clark S. Chamberlain, Michigan State's cross-country captain, kept himself in condition during the summer by representing his college in several important meets, and clinched the coveted title of champion of the United States team that met the British Empire in an international track meet at Chicago during the latter part of August.

At Detroit on July 4 in the Michigan A. A. U. meet, he defeated a picked group of miles in which were included DePetter, former All-American star at Michigan Normal, and Arnet, of the same school. DePetter came back two weeks later, however, in another four-lap race at Detroit, and showed the slim Spartan his heels.

In Pittsburgh a week later, in the National A. A. U., Chamberlain ran three races. On Friday, Aug. 22, he took fourth place in the junior mile, and came back a few hours later to capture second in the senior six-mile. A few days behind the galloping Joe McCloskey.

GOULD TO LEAD BAND THIS FALL

Two Sessions Daily Fill Band Card for Mich. Game; Welcome Return of Ace Drum Major.

Two daily sessions of intensive drill are scheduled this week for the Michigan State military band, in preparation for its appearance at Ann Arbor for the Michigan football game. The return of "Johnny" Gould, ace of Spartan drum majors, and without whom the band appeared last year, has served to lighten the pall of gloom in the musicians' camp.

Of almost as much importance as the annual gridiron clash, was the competition staged in past years between the Wolverine band and the State unit. Both rated among the crack bands of the middle west, they have yearly renewed rivalry for first honors, holding as much of the crowd's attention as the teams themselves.

Michigan Graduate Joins Engineering Staff at M. S. C.

W. A. Hedrich who graduated from the University of Michigan with the class of 1919 joined the engineering staff this fall as a graduate assistant in Electrical Engineering. During the past four years Mr. Hedrich has been in Germany.

COLLEGE REGISTRAR'S FIGURES SHOW INCREASE OF 96 STUDENTS OVER OTHER HIGH TOTAL MARKS

Miss Yakeley Announces That 3,113 Students Have Enrolled Here Up to 8 o'Clock Tuesday Morning; College Authorities Expect Late Registrants to Swell New Record.

SHATTERING THE ALL-TIME enrollment record, 3,113 upper and lower classmen had formally enrolled at Michigan State college at 8 o'clock Tuesday morning, according to an announcement made today by Miss Elida Yakeley, college registrar. A number of students, still in the process of enrollment, are expected to swell the figures even more before the end of the week.

Forum Magazine Offers \$500 Prize for History Essay

All college students with a historical complex are invited to compete in a \$500 prize contest to be conducted by the Forum magazine. The idea is to pick the twelve most important events in the history of the world, give their correct dates, and tell why they ought to be regarded as the greatest dates in the calendar.

The Forum magazine will publish three articles in its September, October, and November issues by Willem van Loon, Will Durant, and H. G. Wells, in which each will list twelve dates and tell why he thinks that they are the greatest. For the three best papers listing the most important events that van Loon, Durant, and Wells forgot or overlooked, the Forum will award a first prize of \$250, a second prize of \$150, and a third prize of \$100.

THEMIANS TO GO NATIONAL NOV. 8

Local Sorority Granted Kappa Kappa Gamma Charter in July Committee Appointed

During the national convulse of Kappa Kappa Gamma, national fraternity, at Mackinac Island from July 18-25, a charter was granted to the Themiian sorority for many years a strong local organization here. The Themiians will become formally affiliated with the national group on Saturday, Nov. 8, when the charter will be installed.

NEW DORM LIFTS BUILDING TOTAL

240 Co-eds to be Accommodated in Structure Under Way on Old Picnic Grounds

Work on the new \$400,000 co-ed dormitory has progressed so rapidly that the construction of the foundations and the basement has virtually been completed, and workmen will soon begin on the erection of the walls. The structure is being financed and constructed by the Detroit Security & Trust company.

SUMMER SCHOOL WELL ATTENDED

Show Increase Over Other Years in Enrollment; Conferences Very Successful.

Over 725 students enrolled in courses offered in this past session of summer school, it was announced by Professor A. H. Nelson, director of summer school. This session proved to be one of the most successful on the records. The enrollment showed the largest increase over any year except for the year of 1918.

Graduate of State Has Position With Mo. Health Dep't.

Mr. M. H. Peterson who received a masters degree after having completed two years' work as a half-time graduate assistant in the Civil Engineering department has taken a position in Missouri with the state health department. The money left by Peterson will be used by W. A. Hedrich of the class of 1919.

MANY IMPROVEMENTS MADE

Progressing rapidly on the program to make the building group and campus of this college the best in the country, the college administration has without question accomplished more in the last six weeks of the summer vacation than in any other similar period in the history of the school.

Not alone confining their activities to constructing agricultural facilities, the administration has considered every other phase that goes towards placing the college at the top when compared to other educational institutions. Wonderful foresight in planning a building program for years to come will give opportunity for utilizing the present accomplishments as a nucleus for further development.

Every year the campus is more and more assuming a spot of beauty. The student body had surely ought to have a personal interest in such developments as these. Those closest to developments nearly always, however, fail to appreciate them to the fullest extent.

Every loyal Spartan will be on hand for the monster pep meeting to be held in Demonstration hall at 8 p. m., Thursday evening.

The Campus Cynic

O. O. McIntyre having returned to M. S. C. to get his degree, the now defunct Blarney Stone will be reincarnated in the form of this, "The Campus Cynic."

The mental strain encountered in trying to name the thing was terrible. The Unkley Three in the editorial office went into secret session, and after successively considering "The Official Truth," "Street Newsprints," "Broad-Ways," and other dark, subtle, vague titles, compromised on the present name.

The column itself will be patterned after the writings of Mencken, Walter Winchell, Pete De Vries and other notable authors (only it will be much better). At least that is what O. O. says. (I'm just the fresh cub).

After a visit to the football training table, the Olympic House (the same thing), and a few of the sorority houses (being rushing season, we will spare the names) the Cynic finds that the YO-YO is as prevalent as peas and twice as noxious.

The slips that pass in the night—two State frosh attended the Michigan game last Saturday wearing their pots. Coincidentally, two unidentified students were seen on the Grand River road somewhere this side of Brighton in the early dusk Sunday walking towards East Lansing. They still had the pots on. Probably the same Frosh on a two day trip back to the campus. We have fears for the I. Q.'s of the class of '34. Perhaps we were that dumb—we do not choose to remember.

Returning after a year's absence—three hours to see Frosh—waste of time—must pay fees—Scheper's ditto—must classify—two bucks for registering later—B-L, here since Tuesday—still the two bucks—no justice—more with Frosh—debate—more grief, closed sections—class cards—too late—tomorrow morning—more cuts—Steward's tough—What is this thing called education?

The campus (or Sophs) Monday gave proof thru the day that a fresh man's existence is still a dog's life. Apparently the sophomores are unmoved by the edict of Dartmouth and other institutions of culture (call them what you like)—abolishing hazing.

Saturday marks another enthusiastic invasion of Ann Arbor. Chances of a Spartan victory after many fruitless seasons loom large. Our guess is it wouldn't be good to be unqualifiedly optimistic. Michigan failed to show his real strength against Ypsil. Victory may hang on so slender a thread as the moral support that a strong band of Spartans can lend the team.

Shame on the false Spartan who lingers on at home. When Crowsley had a dauntless band to on the march to Rome (Ann Arbor).—And apologies to Macaulay! So LET'S GO!

CO-ED GYM HAS NEW DIRECTOR

(Continued from page 1) department, requires that all freshmen women have two hours a week of games and gymnastics and one hour of lecture in "Life Ideals and Character Development" as part of the general college requirements in physical education. Dr. Lightning states that she expects to bring in prominent women from throughout the state who will report on topics in their special lines of interest to the girls.

Miss Hazel Jones, in charge of the physical examinations for the freshman girls, reports that 375 girls were examined the first part of the week. More than 60 have been placed in therapeutic gymnasium classes to have minor defects remedied. Miss Jones says that the girls have been quite willing to co-operate with her in entering the corrective classes.

Be sure to attend the giant "Beat Michigan" pep meeting at 8 o'clock Thursday evening, at Demonstration hall.

75 Frosh Co-eds Feted Saturday By W. A. A. Board

W. A. A. entertained more than 75 freshmen girls at a breakfast in their cabin Saturday morning. Annie Laurie Becker, president of the association, acted as master of ceremonies and introduced the new members of the athletic department and members of the board.

The faculty members who are new at Michigan State this year are Dr. Lightning, head of the women's department of Physical education, and Josephine Gargie, instructor of swimming. Isabelle King then explained the purpose and point system of W. A. A. and Kate McAlvay told the freshmen a little of the manner in which the association gives credits for hiking. Following this, Betty Baker, bowling and track manager, said a few words about those sports.

Other sports were brought to the attention of the freshmen, by Athena Andros, dancing manager, Barbara Dell, archery manager, and Evelyn Bradley, manager of golf. Breakfast, which was served to the girls, consisted of bacon sandwiches and coffee, followed by plates of doughnuts.

Church Orchestra to Begin Practice Sunday, October 5

The first rehearsal of the Student Religious Council orchestra will be held Sunday, Oct. 5, in the student parlors of Peoples church. All students interested in devoting a small amount of time each Sunday are cordially invited to attend the first rehearsal and try-outs.

SUMMER SCHOOL WELL ATTENDED

(Continued from page 1) students registered in the social workers' conference. In the minister's conference course there were 25 enrolled. An increase of 56 graduate students over last season was found at this session. Altogether 166 graduate students were in attendance at summer school. About 39 students received their diplomas this year.

Statistics
The Spartans advanced the ball 446 yards from scrimmage for 15 first downs, as compared with 274 yards and nine first downs for the Alma eleven. State completed three passes for a total gain of 30 yards, while Alma advanced the ball 166 yards via the aerial route, completing five losses. One pass gained 45 yards for the Freshy, Terrian and another netted 44. State was assessed 135 yards in penalties, with offside play on the part of linemen the most frequent infraction of the rules.

Help "Beat Michigan" by attending the pep meeting Thursday night.

First Class CLEANING and PRESSING

THE TAILOR 129 E. Grand River Phone 5-2730

WORK BEGINS ON NEW FRAT HOUSES

(Continued from page 1) in well with the general tone of the building. The hotel management department of Marshall Field & company of Chicago has charge of this work.

Briarhill limestone will be used on the exterior with trimmings of Indiana limestone. The roof will be of gray late that will lend a fitting touch to the appearance. It is planned to have the house facing Cawley with terraced grounds sloping down to Grand River avenue. A tennis court and drive with parking space will also be included.

Frank Conover, 32, treasurer of the house, states that the new home will be ready for occupancy by next March. The fate of present home has not been decided on, but it is believed that it will be rented until a satisfactory sale can be arranged.

The Athetons, while not intending to build as expensive a place as the Phi Deltis, have progressed further. Their home was begun the first of August, and the rough construction is now approaching completion.

The Montgomery Ward Company of Chicago are financing the erection of the home. The building with the lots will cost in the neighborhood of \$50,000. Charles Hodge, Lansing contractor, has the contract for the construction, while Thomas S. Tanner, Ann Arbor architect, drew up the plans.

The over-all dimensions are 30 feet by 60 feet. The kitchen, dining hall, boiler room, storage room, and caretaker's suite are located in the basement. The first floor is comprised of an entrance hall, library, guest room, and large parlor. The parlor, with fireplace, timbered ceiling, and artistic decorations, will be used extensively for entertaining.

The second floor will be devoted entirely to study rooms, while the top floor will house the sleeping porch and three more study rooms. A total of 14 study rooms with individual lockers

will make the place available for 40 men. The house is built facing Woodmere avenue. An English type of architecture has been carried out. Red brick is being used half way up with the remainder being brick veneer. The landscaping plans have not yet been completed, but it is planned to terrace the grounds facing East Grand River. Lauren Barber, '31, and Holly Barber, '31, state that temporary quarters have been established in a home back of the new building. Boarding quarters at 708 East Grand River enable the members to stay together until they officially open the new place with a Thanksgiving dinner.

"Most Popular With Co-eds"

POPULARITY with the fairer and gentler sex depends upon personality and that calls for vibrant health and a quick mind. The "senior most popular with the co-eds" will be the one who keeps a wary eye on the vitamins and proteins. Shredded Wheat gives you the magnetism that comes from glowing health and good

spirits—the fatal charm that lies in a brain that can work overtime without feeling the strain. It supplies you with all the essentials of a well-balanced diet and at the same time it aids digestion.

Try a biscuit or two for breakfast served with whole milk and fruit and see how it feels to start the day right.

SHREDDED WHEAT

Social Life of Campus Gathers Momentum as Freshmen Mixers, Teas Fill Newcomers Programs

Foreseen Exodus to Ann Arbor for Game Casts Gloom on Prospects for Bright Week-end.

ANOTHER POPULAR all-college mixer looms over the campus horizon to cheer the drooping spirits of upper classmen, piqued at being excluded from the freshman mixers. The mixer will be held Thursday evening in Demonstration Hall and will follow a pep meeting held in the Armory. Douglass Carruthers, president of the Student Council, is in charge of arrangements for the dance, and Jack Green for the pep meeting.

The efficacy of open teas to start the co-ed rushing season was effectively proven Sunday. Large groups from the college dormitories and numbers of town girls made the rounds of the sororities and were teed enthusiastically. Tuesday evening rushing by invitation starts, and continues for two weeks.

A stag party for all the college men was held Saturday evening in the Student Parlors of Peoples church under the leadership of Rev. Norman Kunkel. Prof. James Hasselman and Prof. James Crowley gave short talks, as well as Rev. Kunkel.

Freshman girls were entertained Saturday morning by W. A. A. members at a breakfast at the cabin. The committee in charge was Annie Laurie Becker, Dorothy Leith and Isabel King. About 65 girls attended, accompanied by Dr. Lydia Luchring, Miss Josephine Gardner and Miss Dorothy Japs Parker. Annie Laurie Becker, president of W. A. A., explained organizations and the point activity system.

The Grange and 4-H club entertained the freshmen interested in Home Economics and Agriculture at a party in the Little Theater Saturday evening. Mary Richmond, president of the 4-H club, was in charge of arrangements. Square dancing and games made up the entertainment.

The Y. W. C. A. cabinet held a board meeting at the Grace E. Lyon's cafe Saturday at noon for the purpose of discussing plans for next year. It was decided to have a general meeting October 15. Miss Neva Lovewell told of her experiences this summer as a councillor in the Rocky mountains. The cabinet attended the football game together after the luncheon.

A record crowd attended the first Union party of the year, Saturday night. Kenny Carlisle's orchestra played for the dancing.

Football games are calling for much attention now, with the Michigan game in the offing as the climax of the first week of school. Society parties, however, not having gotten well under way, the social season is not yet in full swing.

Pan-Hell Holds First Meet; Plan Rushing Season

The Pan-Hellenic Council held their first meeting on the sun-porch of the Union on Friday afternoon for the purpose of discussing rushing plans. The sorority rushing season opened on Sunday with the open teas given by the various houses and will continue throughout the next two weeks. Among the various new rules explained at the meeting was that girls will not be called for or taken home during the rushing season. It was also arranged that the hours for delivering bids had been extended to four o'clock.

The Council decided to cancel the rushing party because of the Michigan game. The date of formal pledging was also changed from Saturday October 18 to Friday, October 17 at 5 p. m.

About one hundred and fifty freshman girls and transfers visited the various sorority houses on Sunday. The girls were divided into three groups, one starting from the Eta Alpha house, one from the Alpha Chi Omega and another from the Alpha Phi house. From these houses the groups circled around to the various houses.

Year's Program Discussed Sat. By Y. W. Cabinet

The Y. W. cabinet held a luncheon in a private room of Grace Lyon's cafe on Saturday at noon. During the luncheon plans were informally discussed for C. G. A. throughout the coming year.

This year at the Freshman convocations and mixers the Y. W. distributed mail blotters on the backs of which are the subjects of each Campus Girl's Assembly from September 28 to December 14, and the person or group in charge of the discussion. In this way it is hoped that all freshman girls will take an active interest in the C. G. A. and will attend, if not all the meetings, at least those in which they feel that they have an interest.

- The program for the year is:
Oct. 3—Receiving a series of talks on "Spiritual Food of Modern Literature."
Oct. 10—In Memoriam—Miss Lovewell.
Oct. 12—Workshop—Kappa Delta in Charge.
Oct. 14—Workshop—Delta Alpha in Charge.
Oct. 17—Workshop—Phi Kappa Phi in Charge.
Oct. 20—Workshop—Alpha Chi Omega in Charge.
Oct. 23—Workshop—Eta Alpha in Charge.
Oct. 26—Workshop—Kappa Alpha Theta in Charge.
Oct. 29—Workshop—Delta Gamma in Charge.
Nov. 1—Workshop—Sigma Kappa in Charge.
Nov. 4—Workshop—Phi Gamma Phi in Charge.
Nov. 7—Workshop—Alpha Phi in Charge.

Again Sheaffer's are first in America's Colleges
The business, professional and college people of America have definitely marked Sheaffer's as their pen. Sheaffer's outsell all others; among America's hundred leading colleges, each registering 1,700 or more students, Sheaffer's are first in sales. You'll agree that Sheaffer's popularity is deserved when you try a Sheaffer's Balance® Lifetime® pen.

time. Do that! Choose the point exactly suited to your hand. Feel the swing and rhythm of Balance® writing. See the modern color and modern Balance® contour. Know that your Balance® Lifetime® is guaranteed to serve satisfactorily as long as you live. And without any doubt, you'll make Sheaffer's your Lifetime® writing companion, too!

The ONLY genuine Lifetime® pen is Sheaffer's. Do not be deceived! All fountain pens are guaranteed against defects, but Sheaffer's Lifetime® is guaranteed unconditionally for your life, and other Sheaffer products are forever guaranteed against defect in materials and workmanship. Green or Black Lifetime® pens, \$8.75; Ladies', \$8.25. Black and Pearl DeLuxe and Marine Green Lifetime® pens, \$10; Ladies', \$9.50. Petite Lifetime® pens, \$7 up. Golf or Handbag Pencil, \$3. Others lower.

*A recent survey made by a disinterested organization showed Sheaffer's first in fountain pen sales among the 100 leading American colleges having a registration of 1,700 or more students. Documents covering this survey are available to anyone.

BALANCE
The only Balance® pen and pencil is Sheaffer's.

The First Lesson for the Fall Term of School

1-Parker Pocket Duofold being Convertible -
2-saves the Price of a Desk Pen - Now or later
3-which pays for the Desk Base!

Every Parker Duofold is convertible—a combination pocket and desk Pen both, at no extra charge. Choose Parker Duofold and you virtually get two Pens for the price of one.

Yet you have only one to fill. And you have your accustomed point wherever you are.

When you're on the go, it wears its trim, streamlined cap, with Parker's patented clip that holds the Pen low and unexposed in your pocket.

On your desk, it rests in Parker's ball and socket Base. And with this comes the tapered end for the Pen (once \$1 extra), now included free.

Attaching the taper converts the Duofold into a Desk Set. Removing it restores the Pen to a pocket model.

Guaranteed for Life
Paying more won't get you a thing—but will deprive you of this double value. For only the Parker offers this. And a Pen that holds 17.4% more ink than average, say for size. **Guaranteed for Life!**

Go try them at any nearby pen counter, side by side, with any other pen, regardless of price. You'll be surprised.

Parker Duofold
PEN GUARANTEED FOR LIFE

State Turns Back Alma Eleven, 28-0

GREEN SETS SCORING PACE IN INITIAL CONTEST OF SEASON AGAINST PRESBYTERIAN TEAM

Veteran Halfback Scores Two Touchdowns on Long Runs; Monnett and Elowitz Also Cross Visitors' Goal Line; Coach Campbell's Scrappy Eleven Gives Good Account Here.

ALTHOUGH UNEXPECTEDLY STURDY opposition was encountered, Michigan State breezed through its opening gridiron encounter of the season Saturday afternoon with a 28 to 0 victory over Alma college chalked up in the Spartans' record books. The green and white clad proteges of Coach Jimmy (Sleepy) Crowley, including six sophomores, acquitted themselves well in winning their initial game of the 1936 season from the clever, scrappy team offered by Coach Roy Campbell of the Presbyterian college.

Alma won the M. I. A. A. championship in 1929, but loss of stars through graduation and ineligibility forced the Presbyterian grid mentor to send an inexperienced eleven to East Lansing. Despite this, Coach Campbell offered a combination well schooled in trick formations and imbued with determination and scrappiness which makes for winning teams. The visitors, led by Gussin, foot-footed quarterback, frequently reached into their bag of tricks and pulled forth surprising plays which kept the State defense continually on the alert. Alma's passes, both forward and lateral, were especially effective. To Gerald Brown, Holland speed merchant and a veteran halfback went the individual scoring honors in the tilt with Alma. The Spartan ball totter personally accounted for two of State's four touchdowns. He got loose in the first period and dashed 43 yards to cross the Presbyterian goal line. Brown again showed his heels to the Alma gridder in the fourth period and carefully picked his way through a broken field for a 47-yard touchdown sprint.

Get Early Lead

State's eleven got away to a flying start and scored two touchdowns in the first quarter, looking far superior to Alma in this period. Abie Elowitz, husky fullback, scored for State with short line plunges after a 70-yard march to the goal line with Monnett and Elowitz bearing the brunt of the ball-toting duties. Shortly afterward Brown flashed across the Alma goal line. Bob Monnett's well directed place-kicks added the extra points and State led 14 to 0.

Alma banded in the second quarter and held State on even terms. The Spartans scored near fire at the start of the second half and scored once in each the third and fourth periods. The State's third quarter drive ended when Monnett hit the Alma forward wall for a three-yard gain and a touchdown. Brown's open field running netted the tally in the fourth period and Monnett boosted two more extra points from placement to wind up the scoring.

130 FRESHMEN GRIDDERS OUT

Coach Kobs Has Many Promising Candidates Including Prep Stars; Game Oct. 18

Coach John Kobs this year has one of the largest squads of freshman football team candidates in the history of the college working out nightly on the old football field. Some 130 men are fighting for positions on this year's yearling team. Many former high school stars are included in the list of first year gridiron men.

There are a number of promising backs who have already shown signs of ability in ball carrying. Among them are Bishop Benton Harbor, Juninga, Holland, Tolley Detroit, McNitt, Al-Jegan, Jones, Bay City, Russo, Grand Rapids south, and J. Adams, Dallas, Texas.

On the line, Coach Kobs has Troy, Cadillac, Simons, Bay City, Grand Rapids, Saginaw, Holland, Cadillac, and Dekker, Muskegon, who have shown flashes of ability so far.

Another feature of this year's yearling squad is the abundance of beam centers. One of the Outstanding candidates for the center berth is S. Madorsky, Mt. Clemens who tips the beam at 250 pounds. Madorsky was the star of last year's team at Mt. Clemens, high winning all state center position. Other promising center candidates are Blank, Michigan City, and Barnes, Petoskey.

The fresh gridderers have three games on their schedule this year, the first game being on Homecoming day. Their schedule follows: Sat. Oct. 18, Michigan State Normal freshmen at Ypsilanti; Friday, Oct. 24, University of Detroit freshmen at Detroit; Sat. Nov. 8, Grand Rapids Junior college, here.

State's defensive ability was put to a fair trial, as Alma advanced inside of the Spartans' 10-yard stripe four times but were unable to penetrate deeper into State territory. The Spartan line was reasonably effective, but it is a safe bet that the secondary defensive will come in for some schooling against the aerial attacks before meeting Michigan, as this was the outstanding Spartan weakness Saturday.

No salient weaknesses were evident in the center of State's line, a point of interest due to the absence of Capt. Harold Smead, injured center whose athletic career was ended in an almost fatal traffic accident during the summer. "Buddy" Meiers, Muskegon blonde, performed creditably at this post. Milton Gross showed well at guard and Don Ridler proved a tower of strength on the right side of the line, despite the fact that he missed many practice sessions during the week on account of illness and did not report to Coach Crowley until late in the training season.

The punting of Roger Grove gained ground consistently for State.

The Lineup:

Michigan State	Pos.	Alma College
Four	LE	Johnson
Brown	LT	Porter
Gross	LG	Koehnke
Meiers	C	Brown
Smead	RG	Lindbatter
Evo	RT	Groves
Vandermeer	KE	Graham
Monnett	QB	Gossin, C.
Brown	HB	Shaw
Elowitz	NB	Brown
Elowitz	FB	Barton

Score by quarters:
Michigan State 14, 0, 0, 14 - 28
Alma College 0, 0, 0, 0 - 0
Touchdowns—Brown 2, Elowitz 1, Monnett 1
Points after touchdowns—Monnett 4
Place-kicks—Brown 2, Elowitz 1, Monnett 1

Substitutions: State—Pass for Vandermeer, Butler for Evo, Handy for Strub, Vandermeer for Don, Strub for Handy, Kowalski for Elowitz, Pass for Vandermeer, Warner for Hampton, Warner for Brown, Handy for Don, Handy for Strub, Huskirk for Gross, Al-Jegan for Lindbatter, Dickson for Brown, Lindbatter for Robbott, Schummers for Brown, Butler for Hanson, Warner for Lindbatter, Oostik, Nelson, W. C. Morrison, West Virginia, Woodcock, Umstatter, R. D. Howell, Washington & Jefferson, Linsman, Martin, H. Drake, Michigan.
