"CANTICLE OF PRAISE" TO BE GIVEN AS TRIBUTE TO SOLDIER DEAD IN IMPRESSIVE CEREMONY SUNDAY

Military Department, Music Institute and Department of Speech Co-
operate in Presenting Memorial Pageant to Be
Held in Demonstration Hall.

MICHIGAN STATE'S traditional service of tribute to her soldier dead will be held Sunday afternoon at 4 o'clock, Nov. 16, with the combined music and military departments presenting Witter Ryerson's impressive "Canticle of Praise" in Demonstration hall. A stirring ceremony of memorial centered around a guard of honor for a huge cenotaph with a background of artillery pieces, the rollcall of the Spartan dead with special music by college organizations, and the first appearance of the R. O. T. C. cavalry in the hall will be the highlights of the program.

Peoples Church to Present One-Act Play, "The Valiant"

The Valiant, by Holworthy Hall, a one-act play, will be presented by student director, Normal Knutson, and speech professor Rex B. Wilkes, in the social hall of the Peoples church at 7 o'clock Sunday evening, Nov. 15.

MILITARY GROUP PLEDGES FRIDAY

Scabbard and Blade to Announce
Initiates at Colorful Ball
Tonight.

Tonight the Scabbard and Blade, honorary military society, will hold their formal pledge party at the Little Theater. The ten pledges whose names will be announced during the dance are: Edward H. Holtzclumper, Oaxosa, Howard H. Balbach, Springfield, Ohio; Vern M. Smith, Lansing; Robert E. Dattel, Lansing; Richard C. Giffey, Oaxosa; C. R. Chapman, Lansing; Paul E. Morrow, Grosse Pointe; Alfred Wangelman, East Jordan; Wm. J. Meyer, Lake Linden; and John Harvey, Iron Mountain. All of these men chosen for this honor are seniors on the campus.

WKAR ENLARGES RADIO PROGRAM

Homemaker Helps; Care of Flowers
Are Added to
Features.

Keith Himebaugh, program director of WKAR, announces that the college radio broadcasting station is planning to expand its present agricultural program, with the addition of early morning and afternoon features on the farm and home.

BLUE KEY PLANS MASS MEETING

Final Pep Gathering to Follow
Installation of Corps
Sponsors.

Following the formal installation of sponsors for the Corps of Cadets, including the evening of Friday, November 21, Blue Key plans to stage the final pep meeting of the year to spur the Spartan football eleven on the last day of the season.

INVITE STUDENTS TO HEAR DRAMAS

Begin Weekly Programs Today in
Physics Lecture Room
at 4 P. M.

All Michigan State college students are invited to attend weekly meetings in the Physics lecture room beginning Friday, Nov. 14 at 4 p. m. at which the world's most interesting plays will be heard over the radio.

TO THE VICTORS GO THE SPOILS

Michigan State athletic authorities took commendable action yesterday when they reached an agreement with the University of Detroit officials that in the future "no matter where the contest is played, the student body of the winning eleven will be allowed to take the goal posts." The establishment of this new tradition in connection with the annual Detroit-State grid clash is one of good sportsmanship and co-operation of the student bodies of the two rival institutions is the only manner in which the new custom can be successful.

Rivalry between the schools during the past two years has become so keen that at times an open break in athletic relations has been contemplated. Interest as has been exhibited by students and fans alike during this period gives evidence of the popularity of the annual gridiron meeting. The University of Detroit student leaders and faculty members have indicated that they will co-operate in every way possible in making the 1930 contest successful. Will not the Spartan supporters show the same good sportsmanship by giving our visitors one of the biggest welcomes ever extended a visiting team and its backers?

By JOHN TATE, Jr.

Some people draw the spotlight of publicity to themselves as mousers does flies. Others have to commit a crime little short of homicide in order to break into print. It seems then that the co-ed who has succeeded in crashing this column for two successive issues must have something to recommend her.

Apparently this black-eyed babe in blue has got it. As the last reports come bounding into the news office we hear that this fellow student from the south at least she's got the accent, is the proud possessor of three engagements for tonight and the same number tomorrow night. (We hope the publicity will not ruin her racket; it sure is a racket.)

The only trouble with her line is that it lacks variation. Her hobby is collecting rare photos, and she demands one from each of her "sons and onlies." That's what she tells them. Her co-ed's ability is remarkable inasmuch as she can talk to three or four men over the phone at the same time. Two of the unfortunates got together and compared notes. They find that her line is identical with each. She must have it memorized.

Such brilliant flights seldom have the quality of permanence. And it's the horse with stamina that wins the race.

Habits are capricious things. Prexy Shaw astounded the guests at a recent Sigma Kappa dinner by kicking his deerskin hat under the divan in reality a sofa. The custom probably harks back to his more robust days when a complete and hasty exit was at times the better part of discretion.

This institution doesn't go in for much of a celebration of Armistice day. Not even a good old war tune like "Over There" was played on the chimes. But we certainly go in for putting over Farmers' Week in a big way.

A security hockey game provides an amusing contrast to the girls' usual cool and snappy appearance. Ignoring of course the unavoidable exceptions that prove the rule. The shorts they are compelled to wear are an abomination. They remind us of the voluminous days of the prairie '90s.

One of the more hefty football men was caught red-handed the other day peering over the screen at the co-ed leaning room in the gym. He claimed that he hadn't noticed the abbreviated costumes, the fencers sported, but was deeply interested in the esthetic beauty inherent in the manipulation of the foils. He undoubtedly picked up his appreciation of the artistic amidst the splattering gore of the gridiron.

A certain prominent prof-on-campus defines a flapper somewhat in this manner: A flapper is a girl that goes out on a raucous party Saturday night and sows the well-known grain, then attends church the following morning and prays for a crop failure. We'd like to tell it as he does, but we haven't his drags. The point is there if you can find it.

Leader swam the Hellespont every night to see Hero. What a man!

As a result of four years of investigation, A. R. Marston of the Farm Crops department and C. B. Dobbie of the Entomology department are publishing a bulletin on the European Corn Borer. Of especial interest in the bulletin which will be off the press in a week is a report of the progress in breeding borer-resistant corn. The experiments were carried on at a substitution located at Monroe, Michigan.

The past several weeks have seen the removal of all of the old farm buildings which remained on the campus at the beginning of the year. The old sheep, cattle, horse and dairy barns have been torn down and only the foundations now remain. These will be taken up during the winter and the old sites will be graded and landscaped in the spring.

SWIMMING TEAMS PRACTICING NOW STATE X-COUNTRY MEET SLATED HERE

Both Varsity and Frosh Tank Spartans Not Entered, But Reserves and Frosh Will Be Tested.

Coch R. D. Daubert announces that the varsity and freshman swimming squads are being organized. Practice begins this week, so all those wishing to go out must see Coach Daubert as soon as possible. Anyone who has any possibility of making a team is urged to report, especially divers, as this branch of aquatics seems to be the weakest at the present time.

The varsity squad practices at the following hours: Tuesday 4-6, Wednesday 3-6, Thursday 4-6, Friday 5-6. The Frosh squad drills each afternoon except Monday from 5 until 6 o'clock.

Faculty Folk Club to Give Program for Thanksgiving

An interesting Thanksgiving program is being planned for the next meeting of the Faculty Folk Club which will be held Friday, Nov. 14, at 3:00 o'clock, in the faculty club rooms at the Union.

The committee in charge is composed of Mrs. Charles Thomas-Stable, chairman; Madeline I. C. Emmons, C. D. Ball, Fendley Collins, E. L. Anthony, R. C. Hudson, K. P. Flagg, C. A. Ge, E. L. Austin, C. G. Card, and R. J. Davis.

AMATEUR WIRELESS TO BE REPLACED BY NEW DEVICE

Three engineering students, Win Rankas, 33, Milton Kinnworth, 34, and Gary S. Morgan, 34, are constructing a new 30-watt transmitter for the amateur broadcasting station WASH located in room 111 Olds hall. The set will have a crystal quartz control frequency, one of the latest developments in radio broadcasting. B. K. Osborn of the Electrical Engineering department is in charge of operations and Mr. Rankas is chief operator of the station. The set will be in operation, has been commenced with all parts of the world.

While Clark Chamberlain is touring the east in quest of a national cross-country championship this week-end, and the remainder of the first team is taking a lay-off, there will still be a considerable amount of activity on the Spartan cross-country course. Saturday afternoon, when the annual state intercollegiate run is held on the M. S. C. course.

Entries have been received from Michigan State Normal (the team which led by Roger Arnett, is doped to win the event), Western State Normal, Union College, Detroit City College, Adrian and Kalamazoo colleges. Michigan State's regulars are not entered in this meet, but Coach Mort Mason is starting several of his reserves, headed by Stanley Frisbie and Walter Wisner to get an idea on his lineup for the central intercollegiate next week.

State freshmen will also get a chance to show their wares Saturday following the intercollegiate, when they have a dual meet with Western State Normal.

Constructs Device to Perform Duties Over Telephone

W. H. Bliss of the Electrical Engineering department has constructed an electrical contrivance which might be spoken of as a robot. It is similar to the Western Electric "Televox" which appeared two years ago however, it is more compact due to the fact that batteries are done away with and the regular 110-volt house current is used. With the aid of this appliance five successive tasks may be performed upon a certain note or word being sounded or spoken into the transmitter of an ordinary telephone which may be located any distance away, but must be hooked up to the appliance. This robot does not do mechanical work, but throws on a circuit in which a motor or similar device is connected and the

BEAUTY THAT IS ENVIED EVERYWHERE

Today, graceful curves are necessary to look well in the new modes. And most women can achieve these by wise dieting. But avoid starvation menus. No doubt you know girls who complain of dizziness while dieting. Of headaches, listlessness. When reducing diets lack sufficient nourishment, improper elimination is inevitable. It can be prevented so easily. Just add two tablespoons of Kellogg's ALL-BRAN to the diet daily. It is not fattening. Relief is guaranteed. In addition, Kellogg's ALL-BRAN helps prevent dietary anemia. It contains iron which brings rich color to the complexion. Made by Kellogg in Battle Creek.

Peak of Term is Reached This Week With Advent of Three Major Parties and Four Dances

Collegiate Sophomore Ball, Scabbard and Blade Formal, and Woman's Building Party Lead Short Holiday's Affairs of Note in Society Swing.

THE SOPHOMORE DANCE, the Scabbard and Blade, and the Women's building parties, and four fraternity dances make this week the most outstanding week-ends of the term.

The Union ballroom is being transformed with lavish decorations of silver and purple and multi-colored lamps, and an indirect system of lighting is being installed about the orchestra platform.

Novel programs, with a cartoon sketched on the cover in silver and purple, are other intriguing features of the dances.

Nate Fry's 10-piece band will furnish the music and the patrons will be Prof. and Mrs. L. C. Emmons, and Coach and Mrs. Mike Casteel.

Alpha Delta, Kappa Gamma, Ero Alpha and Hesperian fraternities will hold dances on Saturday evening.

The Little Theater will be the scene of the Kappa Delta fall term party tomorrow evening with the Playboys furnishing the music.

The Gold-Diggers will play for the Kappa Kappa Gamma formal reception dance tomorrow evening in the Union ballroom.

Jack DeCamp and his Four Aces will furnish the music for the Ero Alpha fall term party which will be held tomorrow evening at the Masonic temple.

The Woman's building party will be held tomorrow evening at the "cow" with Fayerweather's orchestra furnishing the music.

The Wolverine is making plans for a jitter dance in the Union ballroom on the Tuesday before Thanksgiving.

Dr. L. P. Breckenbridge, former head of the mechanical engineering department at this college, and later head of the engineering department at the University of Illinois and Yale, spoke at the Faculty club luncheon in the Union on Wednesday noon.

Sigma Kappa entertained the following faculty members Thursday evening at a buffet supper.

Next Sunday afternoon Miss Lou Babcock, retiring national vice-president of Alpha Chi Omega, Miss Gertrude Babcock, and Mrs. Babcock of Detroit, will be dinner guests at the local chapter house.

The Alpha Chi Omega entertained Miss Elizabeth Whitaker, Miss Beatrice V. Grant, Miss Catherine Miller, Miss Janet K. Smith, all of the Home Economics department, and Miss Ruth Y. Johnston of the history department at dinner last night.

The pledges of Alpha Gamma Delta were honored at a tea Wednesday afternoon given by Mrs. R. S. Shaw and Mrs. Helen Monroe at the home of Mrs. Shaw.

The Delta Alpha entertained their house mother, Mrs. Effie Sutcliffe with a tea at their house on Wednesday afternoon.

Several members of the Faculty club entertained their wives informally in the club rooms last Tuesday evening.

On Thursday evening all the club members entertained the women at the formal fall party.

The entertainment consisted of dancing, games and several musical numbers were provided by the Variety Trio, composed of James Palmer, Leslie Dale and Burton Dale.

Prof. L. C. Emmons was in charge of the party. More than 100 couples were present.

Hotel Course and Co-ed Textile Class Visit Nearby Mill

Miss Julia Tear took her freshman class in Textiles and the men's Hotel Management class to Eaton Rapids Thursday afternoon, Nov. 13. There were two busses chartered to take 107 students.

The Hornor Brothers Woolen Mills furnished guides to show the students through the mill explaining the processes from beginning to end. After each group had completed the tour, a movie was given to show more clearly the processes. The display room was opened also, showing all the different finished products.

Varied Events on Week-end Program At Peoples Church

Student, Alumnus and Faculty Members to take Part.

Student organizations of the Peoples church have outlined various programs for this week-end which are designed either for the religious education of students or for their entertainment.

The World Fellowship committee in charge of Elizabeth Baker, 33, will conduct the Campus Girls' assembly program for Sunday, Nov. 16, at 12 o'clock.

Dr. N. A. McCune's Sunday morning topic will be "Victories That Leave No Regrets," while Norman Kunkel will address the 12 o'clock meeting of the Student Citizenship League on "Building Bridges and Making Men."

Dr. J. D. Menelof of the Speech department will present readings for the usual Friday Fun Site. A double quartet stand song, and a dart ball game are other features of this evening of entertainment.

Kenny Carlisle will play for the Hesperian fall term party at their home tomorrow evening.

The Wolverine is making plans for a jitter dance in the Union ballroom on the Tuesday before Thanksgiving.

Dr. L. P. Breckenbridge, former head of the mechanical engineering department at this college, and later head of the engineering department at the University of Illinois and Yale, spoke at the Faculty club luncheon in the Union on Wednesday noon.

Sigma Kappa entertained the following faculty members Thursday evening at a buffet supper.

Next Sunday afternoon Miss Lou Babcock, retiring national vice-president of Alpha Chi Omega, Miss Gertrude Babcock, and Mrs. Babcock of Detroit, will be dinner guests at the local chapter house.

The Alpha Chi Omega entertained Miss Elizabeth Whitaker, Miss Beatrice V. Grant, Miss Catherine Miller, Miss Janet K. Smith, all of the Home Economics department, and Miss Ruth Y. Johnston of the history department at dinner last night.

The pledges of Alpha Gamma Delta were honored at a tea Wednesday afternoon given by Mrs. R. S. Shaw and Mrs. Helen Monroe at the home of Mrs. Shaw.

The Delta Alpha entertained their house mother, Mrs. Effie Sutcliffe with a tea at their house on Wednesday afternoon.

Several members of the Faculty club entertained their wives informally in the club rooms last Tuesday evening.

On Thursday evening all the club members entertained the women at the formal fall party.

The entertainment consisted of dancing, games and several musical numbers were provided by the Variety Trio, composed of James Palmer, Leslie Dale and Burton Dale.

Prof. L. C. Emmons was in charge of the party. More than 100 couples were present.

Pick Class Teams to Participate in W. A. A. Bowling

Sever Line-ups Named for Inter-Class Contests Scheduled for Friday Afternoon.

W. A. A. announced the personnel of its bowling teams early this week. On the senior first team are: Madeline Dugas, Marian Moore, Elsie LeBeau, Vera Warden, and Katherine Lynch.

The sophomore team will be: Janet Trachsel, Jean Whiteley, Elizabeth Ershaw, Majel Horning, and Catherine Hawley.

The first team of the junior class is composed of Merle Hammond, Beatrice O'Brien, Alta Parks, Alice Bloomer, and Marian Kline, while the second team is composed of Jean Anderson, Elsie Pittsworth, Betty Oswald, Marian Holsapple, and Shirley Moore.

The sophomores have the following girls on their first team: Esthet Waidt, Frances Williams, Miss Pauline, Elsie Jarda, and Adeline Andros, and the second team is composed of Lucile Knudt, Helen Carrington, Helen Vandenberg, Florence Huber, and Mary Marshall.

W. A. A. to Sponsor Cross-Country Hike Saturday, Nov. 15

The W. A. A. fall cross-country hike for all Michigan co-eds will be taken tomorrow afternoon.

The hike will start at 10 o'clock, the girls will hike ten miles up to the leadership of Kate McAlister, former national champion.

The W. A. A. hike will be taken tomorrow afternoon, starting at 10 o'clock, the girls will hike ten miles up to the leadership of Kate McAlister, former national champion.

Fall Term Party in Women's Dorm Tomorrow Night

Plans have been completed for the Women's building fall term party which will be held in the main auditorium of the Women's building tomorrow night.

Fayerweather's orchestra will furnish the music and President and Mrs. R. S. Shaw, Dean Elizabeth Conrad and Mrs. Grace S. White, house mother at the dormitory, will act as chaperones.

About 40 pledges from the various fraternities in the Physical Education building will be present for an informal get-together, smoker, and luncheon.

Bud Wassenaar acted as headmaster of the evening, and introduced the following speakers: Jack Knudt, fraternity president; Morris Oger, and Thomas Gunnison of the orchestra staff.

Co-ed Debaters To Start Term Work Immediately

Members of the co-ed debate squad are to start preliminary work at once it was decided at a meeting held in room 1, Woodshop, Nov. 11.

Debating for the women's team opens in the winter term but work on the question "Resolved that state medical schools should be established," will start this week.

State medical schools would call for hospitals and clinics built and operated by the public, thus placing medical attention within the reach of rich and poor alike.

Coach Ormand J. Drake has selected the following co-eds for the team: Mildred Patterson, Phyllis Shassburger, Martha Robertson, Ethel Lyon, Hillary Rarden, Margaret Kaski, Lucile Bitwood, Fannie Bergman, Ethel Killham, and Dorothy McDonald.

All future meetings will be held at 4 o'clock in Seminar B of the Library on Tuesdays and Thursdays.

"CASTLE OF PRAISE" IS STATES ARMISTICE TRIBUTE

Continued from page 1. During the call of the honor dead white-robed girls bearing wreaths for each name called will place the flowered memorials at the base of the cenotaph in the center of the hall.

Around the memorial stone will be a special cadet officer guard of honor, standing continually at attention during the service. It is of interest to note that the cenotaph used in the traditional ceremony is replica of the traditional British monument in Whitehall, London.

Cadet officers who will take part as the wreath bearers will be selected by Pan-Hellenic council. The wreaths will be provided by the Inter-Fraternity council as their part in the service.

The states' crack cavalry troop will make its first appearance Sunday afternoon in the grand finale of the program, leading a line march to the military aspect of the ceremony.

Squads were scattered about the hall and an artillery-piece background will add the finishing touches.

Reception will be offered by Rev. Robert Owen Thomas, pastor of the First Presbyterian church, Lansing, and the afternoon will close with the singing of "Now the Day is Over."

In past years the M. S. C. memorial service has attracted the most impressive and stirring of any to be presented in central Michigan.

At least 5000 students, faculty and townspeople are expected to witness the tribute this year.

WELCOME FOR TITANS TO BE EXTENDED

Continued from page 1. The winning student body will be allowed to tear down the goal posts after the game, the authorities here have reached an agreement with the Detroit officials that in the future, no matter where the contest is played, the goal posts will go to the winners.

This is expected to give an additional thrill to the large crowd of spectators in the stands.

Detroit and Michigan State authorities alike are anxious that rivalry between the two institutions be continued under amicable circumstances and are making far-reaching plans to make the event one of the greatest grid classics of the year.

Sesame, Women's Building Play in Final Hockey Meet

As a result of the semi-final games in the intramural hockey tournament, Sesame and Women's building will contest for first place Thursday, Nov. 13, at 5 o'clock.

The winner of the final game will receive the intramural hockey plaque and 100 points. The loser of the final game will receive 50 points.

The scores of the semi-final games were as follows: Ero Alpha 0, Women's Building 3; Alpha Phi 1, Sesame 4.

Women's P. E. Department Sponsor's Hygiene Lectures

A lecture course on matters of health and hygiene for girls is being sponsored by the Women's physical education department. These lectures, which are compulsory for all freshman co-eds, are given every Tuesday afternoon at 5:00 in the Horticultural lecture room.

At present, Miss Elizabeth Whitaker of the Home Economics department is delivering a series of three lectures on foods, and when this has been completed, the lectures will be concerning the hygiene and proper selection of clothing.

Gridders Get Brief Respite; Titans Next

TWO-DAY REST GIVEN VARSITY AFTER NORTH DAKOTA TRIUMPH; DETROIT GAME TO BE CLIMAX

Capacity Crowd Will See Spartans in Final Grid Appearance of Year Against Coach Gus Dorais' Powerful Invading Combination.

MICHIGAN STATE'S hard working football team will enjoy a vacation tomorrow afternoon as no game is scheduled, thus giving the Spartans opportunity to get in top condition for the impending battle with the Titans of the University of Detroit the following Saturday. The battle with Coach Gus Dorais' men promises to be a highspot in the history of grid relations between the two schools. Coach Jimmy "Sleepy" Crowley fully appreciates the ability and power of the formidable Detroit eleven and is pointing his men for the last game of the season well aware that it is going to be a terrific battle.

Assistant Director of Athletics, Lyman L. Primovich, states there is little doubt but that the game with the Titans will be a complete sellout. He has already taken steps to accommo-

CHAMBERLAIN RUNS IN NATIONAL MEET

Spartan Harrier Captain Has Good Chance to Cop Big Run Monday.

The middle west has but one entry in the National Intercollegiate cross-country run this fall and his name is Clarke Chamberlain. When the slim Spartan leader leaves with Coach Mort Mason for New York City tomorrow afternoon to compete in the annual six-mile tussle over the sand hills and through the woods of Van Cortlandt park, New York City, Monday afternoon, he will carry not only the hopes of Michigan State with him, but of track followers throughout the central states.

In view of the showing made by Chamberlain last fall his first period of varsity competition, when he finished fourth in the annual blue-ribbon hill-and-dale run, it is not at all unlikely that for the first time in history of the national championship, may be brought home to East Lansing. All three of the men who beat Chamberlain last year have graduated. These are Lindsay and Richardson of Maine, and Laurin Brown of Chamberlain's team, mate and captain last year.

The stiffest opposition the Spartan captain is likely to encounter will come from Joe McCluskey, Fordham sophomore distance star, who won the freshman event last year, and this summer ran with Chamberlain on the American team which met Great Britain's track team at Chicago. Another man to be feared is McNite of Penn State, who was well up in the scoring last year and has been undefeated so far this season.

Farm Crop Professors Go to Chicago Exposition

C. R. McGee and R. H. Morrish of the farm crops department are both scheduled to take part in the International Exposition to be held in Chicago the first week in December. Mr. McGee will be on the committee of judges to judge small grains and Morrish is in charge of Michigan's entries in the crops division.

showed tremendous power in holding the visitors and bowed only after a real battle. Coach Crowley was more than convinced that the Titans this year have a team that is not easily beaten.

In Rocky Parsaca, the Detroit eleven boasts a drop-kicker, definer whose educated toe has caused considerable consternation among the ranks of Titan opponents this fall. Parsaca, who is one of the best all-around field generals ever turned out by a Grand Rapids school, is sure to give a good account of himself next week. Capt. Bill Storer is also a ball carrier of note.

A Detroit victory would climax the most successful Spartan grid season in well over a decade. There have been eight grid games played with Titan and teams in the history of the sport and the tie this year will be the "rubber" game of the series.

Coach Crowley decided to give his men a little rest this week and so no practices were held by the Spartans on Monday and Tuesday. The latter part of the week however saw the team getting down to real work with the Spartan grid mentor handing out a lot of new plays and perfecting the aerial attack. Next Saturday may see a somewhat different attack than that which has been displayed to date. Both Titans and Spartans use the Rockne system on the gridiron so the game is likely to develop into a battle of wits, with the cleverest team winning.

A number of Spartans will be donning the State uniform for the last time against the Detroiters. Roger Grove, Jerry Green, Cecil Foss, Claude Streb and Don Radler will be among those ending their football careers under the Green and White.

Intra-Mural Sports

Interfraternity Bowling

At the Rainbow alley Wednesday, David Trimora bowled 208 in his first game and this score proved to be the highest for November 12 matches for the fraternity men. The Trimora shared the empty honor with the Lambda Chi Alphas of out-pointing their opponents and still losing their matches.

Trimora won the first game by a wide margin from the Hermians, but lost both their second and third games. The score in the last two games was very close and the Trimoras were barely edged out. The total score for the three games was Trimora, 2189; Hermians, 2026. Bowler came through in his third game with a total of 696 for the Hermians.

Phi Kappa Tau (2199) lost to Lambda Chi Alpha (2159) on a point basis, but won both the first and second games. Hawkins (171) was high man for Phi Kappa Tau, and Schimmel (177) for the Lambda Chi Alpha men.

The Phylean team won the coronation cigarettes offered by the Luggert Meyer benefit to the fraternity team with the highest team score each week. The score was 2373.

The Phyleans (2373), high man Gibbs (193), won all three games from the Olympians (2292). All three games were hotly contested however.

FUTURE ROSY FOR POWERFUL TRACK TEAMS

Michigan State's track prospects for the future are looking up, according to the results just compiled for the annual fall handicap track meet which was held on the night of November 6, 7, 10, and 11. The results ran away with the meet, setting a total of 61 points. Their closest competitors were the seniors, who had 27 1-3 points. Next came the sophomores with 21 2-3 and the juniors with 4.

The summaries follow:
100-yard dash—Won by Koppin (S), second, Winiacki (F), third, Becker (F), fourth, Hovey (F). Time—11.5.
220-yard dash—Won by Murphy (F), second, Steele (S), third, Kippin (S), fourth, Barber (F). Time—23.6.

440-yard dash—Won by Murphy (F), second, Hovey (F), third, Mueller (F), fourth, Koppin (F). Time—33.4.
Two mile run—Won by Pongrace (F), second, Frisbie (S), third, H. Russell (F), fourth, Conrad (S). Time—19:47.

120-yard high hurdles—Steele (S), Both (S), and Lillie (F) tied for first, fourth, Dittich (F). Time—16.3.
250-yard low hurdles—Won by Steele (S), second, Dittich (F), third, Lillie (F), fourth, Both (S). Time—29.8.

Shot put—Won by O'wall (S), second, Becker (F), third, H. Russell (S), fourth, Dittich (F). Distance—35.11 ft.

Discus throw—Won by H. Russell (S), second, O'wall (S), third, Mueller (F), fourth, Dittich (F). Distance—115 feet 3 inches.

Javelin—Won by Dittich (F), second, Dvort (S), third, Falconer (F), fourth, Scott (F). Distance—133 feet 1 inch.

100-yard dash—Olsen (S), Wilson (F), and Storer (F) tied for first, Arbogast (S), and Aurand (S) tied for fourth, 11 feet 6 inches.

High jump—Won by Steele (S), second, Dittich (F), Riley (F), and Storer (F), tied for fourth, Height—3 feet 8 inches.

440-yard run—Won by Dittich (F), second, Rosow (S), third, Barber (F), fourth, Rothhouse (S). Distance—20 feet 4 1/2 inches.

STATE FROSH '11 TO BATTLE IRISH

Green and White Yearlings to Play Notre Dame Bees at Grand Rapids Saturday.

With the Michigan State college varsity idle Saturday, the football spotlight turns on Coach John Kabs' big squad of freshmen players who will invade Grand Rapids for a charity game with the Notre Dame Bees. The contest, sponsored by the American Legion is to be played at Ramona park. Due to the fact that Coach Jimmy Crowley, head varsity coach, favors an election of definite teams in the freshman ranks, there has been no little headway made towards the picking of a first team. The yearlings lost two early games to Michigan Normal and University of Detroit. In these two games 110 players were used without discrimination. Last Saturday, for the sake of the Harold E. Smead benefit game played with the Grand Rapids Junior college team, a first string lineup was organized. A 44 to a victory resulted. This same first string being maintained for the game with the Irish scrubs next Saturday.

A matter of fact, Sam Madorsky, 250 pound, all-state, high school center from Mt. Clemens, is the pivot player with Morris B. Hodges of Cadillac and James H. Decker, 6 foot 7 1/2 inch, Michigan youth, next in line. The first string guards look like Russell M. Lay of Williamston, and Joseph C. Ferray of Eastover. Second in rank are Edman G. Bolter of Grand Rapids and Kenneth Van Hoesen of Boyne City. Third string guards are Edward H. Bittner of Holland and Edward Kuchak of Boy City.

There is a lot of tackle material but the starting players Saturday will probably be Walter G. Pizorsch, Grand Rapids, and Arthur Buss of Boyne Harbor. Runners will be Willard Barnes, Pizorsch, Charles Harris of Lansing, P. H. Toy, Cadillac, and Don Hultman, Grand Rapids, all-state linemen.

Ends are numerous with Carl M. Hansen of Eastover and John Young of Alma favored to start. They will probably be backed by Roger Keast of Lansing, Robert G. Burns of Detroit, Myron Grant of Grand Haven, and Gilbert H. Jones of Monroe.

There is a lot of tackle material but the starting players Saturday will probably be Walter G. Pizorsch, Grand Rapids, and Arthur Buss of Boyne Harbor. Runners will be Willard Barnes, Pizorsch, Charles Harris of Lansing, P. H. Toy, Cadillac, and Don Hultman, Grand Rapids, all-state linemen.

quarterback post. In the Grand Rapids Junior college game Louis Japiniga a 145 pound pilot and former all-state high school selection, ran the team in such a heady manner that he now had the contention. Just a step behind him are James G. Gates of Redford, Leonard L. Bishop of Benton Harbor and Charles F. Newberry of Ludington.

The full positions seem to be settled upon with Jerry Jones, all-state selection from Bay City at left half and Tony Michel, Grand Rapids, at the other. Other prospects are Bob Ederton of Cass City and John H. Damoth of Allegan. Almost in the same class are Robert L. Kirby, a New York youth, and Philip Schwartz of Lansing.

Fullback duty falls upon the shoulders of Bernard McNitt of Allegan, one of the best looking prospects State has had in the freshman ranks in many years. McNitt is speedy, but a line hard is great defensively and blocks hard for his fellow ball carriers. Tolley from Holly, Bert H. is second and Cleo Baumann, Okemos, is the third replacement.

THE CAMPUS PRESS INC. 106 W. Grand River Ave.

In dormitories as well as in the gym ... beware of "ATHLETE'S FOOT"

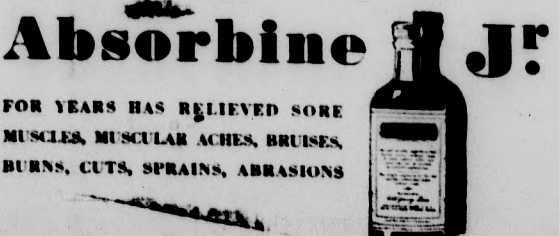

THE man who's making his "M.A." as well as the man who's making the team—the fellow whose foot-work is from class to class as well as the bright boy who can foot it in 10 seconds flat—any one or all of them stand a good chance of having that ringworm infection commonly known as "Athlete's Foot". In fact, 50% of the men in universities as widely separated as those of Pennsylvania and California have caught it, according to authoritative reports. "At least half of all adults suffer from it at some time," according to the U.S. Public Health Service.

The symptoms vary, but all are traceable to one germ, *Tinea trichophyton* by name. Sometimes it starts with redness between the toes and it-itching. Again, tiny blisters appear; or it may show itself in a thick, moist-skin condition; or dryness with little scales.

It lurks in the very places where we all go for cleanliness and health—on the edges of swimming pools and showers—in gymnasiums—on lockers and dressing-room floors. In spite of modern sanitation (you have to boil socks 15 minutes to kill it) this fungus parasite infects and re-infects bare feet almost any time they come in contact with damp floors.

Absorbine Jr. kills the germ of "ATHLETE'S FOOT". Tests in a famous New York "lab" have revealed that Absorbine Jr. penetrates flesh-like tissues deeply and that wherever it penetrates, it KILLS the ringworm germ.

It might not be a bad idea to examine your feet tonight. At the first signs of the symptoms mentioned, douse on Absorbine Jr. And keep a bottle handy in your locker as a preventive. Use it after every exposure of bare feet on damp floors. At all drug stores—\$1.25. W. F. Young, Inc., Springfield, Mass.

In every college town there is one outstanding smoking tobacco

At Illinois it's

ALONG Green Street, where campus leaders stroll... in the great state-roofed fraternity houses of Champaign... there is one pipe tobacco which always rolls up the biggest vote. At Illinois it's Edgeworth, every time.

A pipe Edgeworth. That is the smoking combination which has won the college man. Harvard, Cornell, Michigan, Stanford, Dartmouth—all agree with Illinois. Natural merit has made Edgeworth the favorite tobacco in America's leading colleges and universities.

College men everywhere respond to the appeal of pipes packed with cool, slow-burning Edgeworth. Be guided by their verdict, try Edgeworth yourself. Find it at your nearest tobacco shop—15¢ the tin. Or, for generous free sample, address: Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

EDGEWORTH SMOKING TOBACCO
