EIGHT AT MEET IN WASHINGTON

State Board and Faculty Members in Attendance at Eastern Conference.

Michigan State college was represented at the annual meeting of the Land Grant Colleges association, held in Washington, D. C. Nov. 18 to 20 by eight members of various departments and a member of the state board of agriculture. Three of the delegation remained for the White House Welfare conference.

The representatives were Dean J. F. Cox, agriculture; President Robert S. Shaw, Dean H. B. Drex, engineering; Dean Martie Dye, home economics; Prof. Gardner, head of the horticultural division; Prof. E. L. Austin, head of the education department; Director R. J. Baldwin, extension; and Mrs. Doris Steinman, representing the state board.

President Shaw was appointed a member of the committee on organization policy of the land grant association, while Baldwin presented a paper to the extension directors.

On Tuesday, November 18 the local Washington alumni arranged a dinner for the M. S. C. alumni present in the city at that time. Fifty people were present at the event which was held in the Willard hotel.

Students Avoid After-Game Rioting

Eight Detroiters, none of them students or alumni of the University of Detroit, were the only men fined over the weekend as the aftermath of the Spartan-Titan gridiron clash here last Saturday. Three were fined for ticket scalping, two on charges of drunkenness and disorderly conduct, two for larceny and one for being drunk.

Although a few extra were brought to the East Lansing police station for drunkenness, little or no disorder followed the game, according to Chief of Police J. H. Pratt.

RAZZ TABLOID OUT SATURDAY

Eczema is Printed in Two Editions by Five Pi Delta Epsilon Initiates.

Eczema, official razz sheet of the initiates of Pi Delta Epsilon, national journalism honorary, blazed forth in a riot of color Saturday as the preliminary initiation duties of fall term members of that organization. Two editions, the first in green and the second in violet red, proclaimed to the student body in true tabloid style various "inside-truths" about campus dignitaries.

The list of initiates includes five men who have been prominent in college publications. They are Harris Coates, Larry Guilford, Rothbus, Napier, Henry Hutton, Primmont, Earl Stennis, Benton Harbor, and John Tate. Described, Coates was editor-in-chief and Stennis acted in the capacity of business manager.

Acting as vendors of the paper, the five sold their copies all day Saturday in true newspaper fashion. About 2,000 copies were sold in the forenoon and at the University of Detroit-Michigan State football game in the afternoon. Additional papers are still available at the Union desk for those students who wish to obtain them.

OVER 700 BOOKS ADDED TO LIBRARY

Two Sets of Very Valuable Bird Books; Rare English Chemistry Text Added.

An interesting report from the College library shows a purchase of approximately 700 books since the beginning of the term as well as two sets of very valuable bird books and a very rare early edition of an English chemistry text.

William W. Redfern, 21, of Lansing, donated a copy of Sir Humphrey Davy's "Elements of Agricultural Chemistry," published in London, Eng., in 1831, which has proven to be a very rare and interesting volume of early English science.

W. K. Kellogg of Battle Creek, contributed a twelve-volume set of books by Rex Brasler entitled "Birds and Trees of North America," valued at \$2,500. Each volume is beautifully illustrated with hand sketches and hand painted plates personally autographed by the author and artist, Mr. Brasler.

WANTED—Twenty student salesmen. Call 5-2230 for appointment.

HALF HOLIDAY MARKS CLOSE OF ACTIVITIES OF HIGHLY TOUTED CROWLEY FOOTBALL MACHINE

Team Given Ovation at Afternoon's Convocation; Free Show Offered Monday Evening by State Theater; Two Dances Well Attended by Students in Union and Armory.

IN CELEBRATION of the most successful football season since 1913, classes here were officially excused Monday afternoon while the campus paid tribute to Coach Crowley and his winning team with a series of all-college activities in charge of a student committee. When approached with the plans for Spartan Day late last week, President Shaw sanctioned the proposal to hold a half holiday celebration Monday afternoon whether the University of Detroit game was won or lost. All plans for the fête were left in the hands of student representatives.

THIEVES LOOT HABERDASHERY

\$1,500 Worth of Clothing Pilfered From Lewis Bros. Saturday.

Approximately \$1,500 worth of clothing was taken from the East Lansing branch of Lewis Brothers clothing store when thieves gained entrance to the store early Saturday morning by jimmying and picking the lock on the front door.

The East Lansing night patrolman tried the door on his last round at 5 o'clock in the morning. The door was locked at that time. Entrance was effected between then and 8 o'clock when Hal Clark, the branch manager, found the lock plate broken off and the lock picked open.

A state police fingerprint expert was called in immediately but found no clues as the thieves had used gloves. It was the opinion of the officers that the job was that of professionals as the manner of breaking in showed considerable experience.

An inventory completed yesterday showed the loss to consist of 24 suits and two overcoats. They were all of good grades of clothing but the loss is fully covered by insurance. The complete description and serial numbers are in the hands of the police.

Clark believes that the thieves were frightened by something and left before they had a chance to complete the job. Either that or they overlooked the row of overcoats on another side of the room.

C. H. Pratt, East Lansing chief of police, is working on the case. While very meager clues are offered a check-up of Detroit second-hand clothing shops is being made.

FIRST TICKETS FOR STAGE PLAY ARE SOLD MONDAY

Reserved seat tickets went on sale yesterday for the first time for "Aren't We All" Theta Alpha Phi production scheduled for Thursday, Dec. 4 at the State theater. They will be obtainable at the box office of the State theater and at the Union desk, and will be offered at all of the fraternity and sorority houses during the coming week.

A sellout is expected in view of the large demand so early in the ticket sale, and because it will be the only stage play to be offered here this term. Excellent seats can now be procured. The duets come at fifty cents apiece.

"SPARTAN DAY"

Planned by the Student Council in co-operation with the Athletic Council, Monday's celebration honoring the successful Michigan State gridders and their coaches was one of the finest innovations introduced on the campus in many years. This orderly and enjoyable all-college event is of the type which will give credit to the institution as well as pay honor to the victorious gridders who have recently finished the most successful season since 1915.

A WORD OF THANKS

As soon as word was given out that the Michigan State students would celebrate "Spartan Day" on Monday, the manager of the State theater of East Lansing came to the student committee in charge and offered to give a free show for the students last night. This display of hearty support is greatly appreciated by the college authorities and students alike.

This instance brings to mind the many occasions on which Lansing and East Lansing Business men have co-operated during the present grid season in order to promote events for the students and the team. Banquets, luncheons, and pep meetings alike have been made successful through the hearty co-operation of these loyal friends and alumni of the college. The Michigan State News, in behalf of the student body, wishes to thank the Lansing and East Lansing business leaders for their numerous indications of loyalty and support.

By JOHN TATE, Jr.

The last four days have been to most of us a delightful daze. (No pun intended.) College has seemed almost like it is portrayed in College Humor and in the various alleged college pictures. Books and classes have been relegated to a position in the background. (Even more than usual.) In their place have stepped dances galore, fraternity parties extraordinary (so we have been told), convocations, installations, and the big game.

To complicate things to the point of confusion the Erzema came out in its usual fall apparel, and no one expects to get kicked out of school. Which is merely evidence that its bite was non-infectious and its bark subdued.

The much feared riot after the game failed to materialize, and the various authorities are therefore highly pleased that their efforts were not in vain. But no one possesses the effrontery to suggest that the results might not have been different if the game had had another outcome. No one will ever know what the eventual results would have been if there had been a rush for either set of goal posts.

Counting the fraternity parties as one dance (which isn't really laboring the point, considering what laborious effort was necessary in order to get on the dance floor at most of them), there have been five jigs in the last five days, including the Jitney affair today. All of which is properly collegiate, according to the regulations laid down by the aforementioned alleged publicity agents of the college life. Let our motto henceforth be: bigger and better athletic successes and bigger and better celebrations.

Unusual modesty on the part of the Spartan gridders was evidenced by the relatively small number of the squad that could be persuaded to occupy the seats of honor in the last two convocations at the armory. It has been suggested by a few skeptics that the absentees were afraid that they might be called on for speeches.

GIVE BANQUETS IN HONOR OF GRIDDERS

Lansing Business Men, Rotary and Exchange Clubs Entertain Football Team, Coaches.

Feteing the Spartan football team, a group of Lansing business men gave a dinner in their honor Monday night at the Downey hotel. Many prominent men were listed as speakers, including Coaches Crowley and Carberry. John Krause acted as toastmaster of the evening.

Father John Gabriels was the principal speaker. Others were President R. S. Shaw and Dean J. F. Cox, chairman of the athletic council. Members of the team were introduced and the names of those receiving letters and gold footballs were named. Among the committee in charge of the affair were Arthur Hurd, Jack Gunnell and Bill Otto.

Monday's banquet was not the only function to be given in honor of the team. Friday noon both the Detroit and State teams and coaches were entertained at luncheon by the Lansing Rotary club at the Hotel Oids. On Monday noon the team and coaches were the guests of the Lansing Exchange club at their weekly meeting.

The Elks club, through George Gillison, has extended an invitation to both the football and basketball teams and coaches for a banquet to be held Wednesday Dec. 10.

Crack W. A. A. Team Defeated 3 to 1 By Lansing Squad

The W. A. A. honor hockey team was defeated Saturday morning by a Lansing team composed of members of the woman's physical education department graduates of Michigan State. The score was 3 to 1.

The W. A. A. honor hockey team consists of girls chosen from the various class teams. The members of the team this year are: Helen Abbott, Martha Parley, Athemia Andros, Evelyn Bradley, Isabel King, Isabel McIntyre, Jean Chamberlain, Barbara Schipps, Margaret Stevenson, Norma Barr, Zoe Winnans, Nancy Hale, Genevieve Fox, Janette Truesdel, Frieda Brief and Annie Laune Becker.

The Lansing team which defeated the W. A. A. team has played many games in nearby towns this fall. They have a strong organization and last week defeated a Detroit team by a score of 3 to 2.

Short Course Men Inspect Farms of Former Students

The students in the short course department have made two tours this year visiting farms operated by former short course graduates, who are now managing their own farms to a profitable advantage.

The first tour, taken November 3, was around the central part of the state. Farms near Albion, Clinton, Halfway, Britton and Wills were included in the itinerary. Each one of these farms being master farms in its line.

The second tour, taken Tuesday, November 18, took in the eastern part of the state.

One called East Lansing "this great little college town." In this age of medicine conformity we suppose he meant it as a compliment. But if we remember the journalistic ethics supposedly inculcated into us, accuracy is one of the cardinal principles of a newspaper. And that statement is by no means accurate. In fact it could hardly be farther from the truth. The gentleman is laboring under a delusion.

Carberry's glove episode is fast becoming a local tradition. One way of becoming famous overnight, but to be later really become notorious over a glove. We understand he has locked the well-known mitten in his hope chest. Probably hopes to go to Washington again some day.

Mathematically speaking, a lot of distance has been covered at the jigs since Friday. Figuring ten miles an hour for the average dance, we reach the staggering total of 3,300 miles of dancing. Countless inferences can be drawn from these figures. Think of the shoe leather gone, the weight lost, the increase of appetite, the wear and tear on the sordid ballrooms, and the resultant amount of business created for the commercial organizations affected. Through the depressing cloud of the present pecuniary debacle comes a ray of purest sunlight—an idea to dance ourselves back to prosperity. Oh, well, the idea is as good as many that have been advanced since the stock market had its rendezvous with the Four Horsemen of the Apocalypse.

W. A. A. to Operate Concession Stand at Dealers' Meeting

The Woman's Athletic association is to have charge of a concession booth in Demonstration hall during the Implement Dealers' convention which will be held there all next week.

As is the custom during every convention held on the campus, the members are keeping a stand where candy, ice cream, soft drinks, hot dogs, hamburgers, sandwiches, cake, pie and coffee are on sale in order that the delegates can eat between meetings without leaving the armory.

Girls who have any spare time and would like to work at the stand are asked to sign up at the gym as soon as possible.

STEPPING INTO A MODERN WORLD

6-ton reels of cable distributed with the speed of perishable food

A carload of telephone poles laid down a thousand miles away within 36 hours after getting the order! Rush calls of this sort must frequently be handled by Western Electric, distributors for the Bell System.

But even more remarkable is the regular day by day flow of telephone supplies. The Chicago warehouse—one of 32 in the national system—

handles 1,400 orders a day. In 1929 more than \$400,000,000 worth of equipment and materials was delivered to the telephone companies.

Distribution on so vast a scale presents many interesting problems to Bell System men. The solutions they work out mean much in keeping this industry in step with the times.

The opportunity is there!

Wolverine Jitney Dance, Held in Armory Tonight, Marks Climax of Busy Social Season for Fall Term

Friday's Installation Dance, Nineteen Fraternity Parties, and Spartan Day Celebration Heighten Glory of Week-end.

THE WOLVERINE JITNEY DANCE to be held tonight in the demonstration hall brings to a close a social week-end which has kept campus folk in a furor since the installation dance last Friday evening. A pep meeting, dance and installation on Friday, nineteen fraternity parties Saturday evening, and an all-college dance yesterday afternoon made this one of the busiest week-ends of the term. The general exodus homeward on Wednesday for Thanksgiving is expected to leave East Lansing desolate, and social doings will suffer decidedly.

The Playboys furnished the music at the installation dance in the Armory ballroom on Friday evening. More than 200 couples attended the affair, which was open to all college students. An exceptionally large crowd attended the all-college dances yesterday afternoon following the pep meeting in the Armory. The Playboys furnished the music at the Armory dance and Carlisle's orchestra played at the dance in the Union ballroom. Cider and cookies were served during the dance.

A large number of alumni attended the Lambda Chi Alpha open-house on Saturday evening at which Hap Gallan's orchestra played. Among those who returned for the party were Ed Bettersheimer, Leo Coles, Clare Armstrong, Morgan McDermott, and Henry Morse.

Tommy Towners' orchestra played at the Delphi open house last Saturday evening. Alumni who returned for the party were Mark Herdel, Bob Cook, Bill Stevens, George Dobbins, Glen Wolfinger, Herbert Hendry and Wesley Sheerer. The house was decorated

The seniors had a very good team this year, and as a result won every game played in the tournament. The Misses Dorothy Parker and Josephine Garvin refereed the games. The tournament was the result of six weeks' practice on the part of each contestant. The first four weeks were for individual practice. At the end of this period of time, first and second teams were chosen by the Misses Dorothy Parker and Josephine Garvin, gym instructors. The following two weeks were used for team practice. Each girl chosen for first team and completing the required number of team practices will receive 100 W. A. A. points. The girls who made second team requirements will receive 50 W. A. A. points as an award.

Several alumni returned for the Phi Delta open house on Saturday evening. Among them were Eileen Moore, Dutch McConnell, Ed Lane, Frank McInnis, Russ Hollinger, Jim Semple and Al Moore. The house was decorated in red and blue.

"THE BEST NATURED MAN"

UNDERNOURISHMENT and a pleasant disposition don't mix. The "best natured man" of the senior class isn't the one who spends his time smiling through a series of minor ills.

Shredded Wheat is the natural breakfast for good-natured college men. It supplies all the vital food elements that keep their spirits high. It's easy to digest and provides the bran to keep the system clear.

If you want to start the day with a cheerful outlook eat two Shredded Wheat biscuits every morning with good rich milk and plenty of fruit. It clears away those dark elemental clouds in a hurry.

STATE HOLDS DETROIT TO TITANS

SPARTAN ELEVEN ENDS GREATEST SEASON SINCE 1915; OUTCLASSES HIGHLY TOUTED TITANS BADLY

State Gridders Prove Much Too Powerful for Coach Dorais' Invaders; Punting of Grove, Line Plunging of Eliowitz, Kowatch Feature Game.

By Clarence Van Lonik
MICHIGAN STATE'S SPIRITED FOOTBALL TEAM brought to a close the most successful grid season since 1915 when it completely outclassed and outplayed a powerful University of Detroit eleven in the Spartan stadium Saturday afternoon, the game ending in a scoreless tie. The deadlock that will be set down on the record books can never show how vastly superior in every department of the game the Spartans were to the Doraismen. The victory, which the Spartans cherished above all others, was denied them not because they weren't the better team, but because the Green and White offense seemed to wilt in the shadow of the Titan goal posts. Many times the Spartans were deep in enemy territory, but on each occasion failed to score.

The biggest crowd since the Michigan game in 1924 jammed the stadium to watch the down-staters engage the Spartans. More than 19,000 people were in the stands to watch the crucial test of the respective strength of the two teams.

Coach Jimmy Crowley's men had several good scoring chances, but failed to cash in on them. Two field goals were attempted but the first try, a nice boot by Bob Monnett, fell short and the second was blocked.

The highly touted Maroon team failed to exhibit anything to worry the men of Crowley until the end of the third period of the game when "Bog" Grove, who was playing his last and undoubtedly one of the best games of his college career, was forced out of the game on account of injury. The Titans lonely pair of first downs came after the Spartan quarterback had stumbled off the field for the last time. As the stellar Spartan grid man was helped to the sidelines the stands cheered the passing of one of the greatest punters in the Midwest. It was the brilliant booting of Grove that helped to keep the invaders con-

Life Saving Tests Will Be Held After Winter Term Opens

Tests for Red Cross Life Saving will not be given until after Christmas, it was announced at the meeting of Green Splash, held in the gym Wednesday, Nov. 12. Practices for the tests are being conducted every Wednesday night in the gym pool from 7:15 to 8:30. Any girl who is planning on taking the tests must have at least six practices. Coeds are also required to make up any work that they have missed.

The following hours are open for anyone who wishes to make up work: Tuesday, Thursday and Friday from 9 to 10; Monday, 10 to 11; Saturday, 11 to 12.

Kicking off to Berg who returned to his own 23-yard line. The Titans were unable to make any headway and were forced to punt. The first quarter developed into a punting duel with State having a decided advantage due to Grove's educated toe. With a perfectly placed punt he sent the pinner outside on Detroit's 4-yard line Rocky Parsana, a supposedly big threat in the Titan kicking department, got out a boot which bounded to his own 20-yard line.

On the next play Grove advanced 11 yards around his left end. Kowatch and Monnett, then alternated in smashing through to the Titan 4-yard line as the quarter ended.

On the first play in the second period a lateral pass, Grove to Eliowitz, proved ineffective and the Titans secured the ball on downs. Berg was smeared on his own 3-yard line. Again the redoubtable "Rocky" attempted to punt, but it was partially blocked and State recovered on Detroit's 15-yard line. Abe Eliowitz, the center, but failed to gain and then a 15-yard penalty was inflicted on the Doraismen for holding.

On the next play one of Abe's passes was intercepted by a Titan back and the Green and White had lost a scoring chance.

Grove's punting was continually getting the Doraismen into difficulties but the punting of O'Neill was vastly superior to that of Parsana and it was his toe which saved the Titan cause in the second period.

In the third quarter one of Grove's perfectly placed spirals went outside on the U. of D. 4-yard line. O'Neill again punted, but the Spartan quarterback returned it to the Titan 40-yard

STATE HARRIER CAPTAIN WINS C. I. C. RUN HERE

Chamberlain, National Champion, Easy Winner, But Team is Second.

Clark Chamberlain, State's fast-trotting National Intercollegiate cross-country champion, clinaxed a great season Saturday morning in the Central Intercollegiate run when he flashed in 400 yards ahead of the field to win his second major collegiate title in six days. His time was 22:52 over the Spartan course, which was approximately four and one-half miles.

Nearly a quarter of a mile behind trailed Arnett, Michigan Normal captain and two-time intercollegiate champion, who had been expected to finish the best Spartan with his greatest competition. But the first mile the two were nearly even. Arnett leading part of the time, then Chamberlain pulled away and began to pile up a winning lead.

Michigan Normal gained some consolation for the first defeat of their state in two years by winning the team honors for the event. The team scores were: Michigan Normal 31; Michigan State 28; and Butler University 24. The other two colleges represented Adrian and Western State, did not have full teams in the race, and their points did not count in the final result.

The men finished as follows: Chamberlain (S), Arnett (M), Beatty (W), Parsana (U), Jones (B), Berg (S), Bair (Y), Steude (S), Marquette (Y), Wolfe (Y), Griffith (A), Quinn (Y), Gray (W), Gerard (S), Friese (S), Price (S), Calabrese (S), White (W), Hansen (W), Pileley (B), Ward (B).

Arnett's punting was continually getting the Doraismen into difficulties but the punting of O'Neill was vastly superior to that of Parsana and it was his toe which saved the Titan cause in the second period.

In the third quarter one of Grove's perfectly placed spirals went outside on the U. of D. 4-yard line. O'Neill again punted, but the Spartan quarterback returned it to the Titan 40-yard

SPARTAN SPORT SHOTS

BY HARRIS COATES

The valuable members of the Spartan football squad have assembled their college gridiron careers. Four of them have played their last game against the University of Detroit Saturday and the other two were unable to play due to injuries.

The six men to permanently cast off their college uniforms are: Roger Grove, Spartan quarterback, Coach Pace Jackson and Len Rider, Detroit tackle, Claude Street, Birmingham guard, Gerald Brown, Holland halfback, Sammie Schwartzberg, Detroit quarterback.

Other reliable who should be back for the 1934 season include: Milt Gross, saline guard, Bud Hanks, Detroit reserve guard, Dan Warren, St. Joseph, reserve halfback, Bob Buevick, Pace Paw, reserve guard, Jake Fase, Grand Haven, end, Roy Warner, Detroit, reserve tackle, Harold Hann, Charlotte, reserve end, Lester Ego, Holland, reserve tackle.

If all of these gridlers are available next fall, State should have another crack football team to play what looks to be the toughest football schedule faced by a Spartan grid team in recent years.

A Washington backfield finished the game against Detroit Saturday, with Schwartzberg a quarterback, Monnett and Eliowitz at the halves, and Kowatch at full.

Good Gridders Back
Coach Jimmy Crowley, although he loses star-punting gridlers, should have an exceptional nucleus for himself at their respective positions.

Jerry Green and Carl Westberg, two of the cleverest full backs ever donned a Spartan uniform, were on the sidelines but injuries suffered by them last year had greatly impaired their usefulness and they were not called upon to play in the last game of their college careers.

The lineup and summary:
STATE
Line: (L) Jones, (C) Parsana, (R) Berg. Backs: (L) Bair, (C) Griffith, (R) Quinn. Halves: (L) Gray, (R) Gerard. Full: (L) Friese, (R) Price. Ends: (L) Calabrese, (R) White. Tackles: (L) Hansen, (R) Pileley. Guards: (L) Ward, (R) ...

Line is Powerful
State's line again showed its strength Saturday when it repeatedly threw the visiting backs for loss. Len Rider, giant tackle playing his last game for State, clinaxed his college career with an outstanding exhibition of line play. Coach Fose, also wearing the Green and White for the last time, was the chief reason for the Spartan line being invulnerable. Claude Street, undulating Spartan guard, added to his punch by refusing to let the center of the line be jostled.

Milton Gross, Ralph Brimicombe, Buddy Meiers, Myrt Vandermere and Jake Fase also gave good accounts of

his 1931 football team. Number of spectators are certain to make their presence felt next season. These include: Ralph Brunette, Green Bay, Wis., tackle; Abe Eliowitz, Detroit, halfback and fullback; Ben Monnett, Burrus, O., halfback; Buddy Meiers, Muskegon, center; Myrt Vandermere, Grand Rapids, end; Joe Kowatch, Ionia, fullback; Sammie Schwartzberg, Detroit, quarterback.

Other reliable who should be back for the 1934 season include: Milt Gross, saline guard, Bud Hanks, Detroit, reserve guard, Dan Warren, St. Joseph, reserve halfback, Bob Buevick, Pace Paw, reserve guard, Jake Fase, Grand Haven, end, Roy Warner, Detroit, reserve tackle, Harold Hann, Charlotte, reserve end, Lester Ego, Holland, reserve tackle.
