### CO-EDS CHOOSE MARIAN KLINE FOR PRESIDENT

Will Hold Post on Council; to Be Assisted by Adelia Beeuwkes.

**CLASSES ELECT HEADS**  
Shaw, O'Brien, Juniors; Blake, Lee, Sophomores; Morden, Lee, Freshmen.

Associated Women Students will be headed by Marian Kline, Gaylord, as the result of a vote of the entire co-ed student body at the all-college election Thursday. Miss Kline defeated Adelia Beeuwkes, 52-42, and Dorothy Prudeaux, 22, Benton Harbor in the race for presidency. They will serve on the Council the coming year as president and house representative for most of the offices were voted and included about a third of the co-ed body.

The junior women surviving the election are Beatrice O'Brien, Lansing; Sarah May Shaw, East Lansing; and two unsuccessful candidates are Dorothy Prudeaux, Benton Harbor; Adelia Beeuwkes, Detroit.

### RIFLE TEAM HAS RECORD SEASON

Establish New Team Record While Winning 31 Matches Out of 42

The rifle team has had its most successful season of its history, having won 31 out of 42 matches. Although the squad has not won a single match since they have won 21 victories and suffered only 11 losses. Michigan State ranks third in the Michigan State ranks in rifle shooting. The team has won the University of Michigan Rifle Championship and Second schools on the Michigan Rifle team. Among the members of the team are: Tom Woodworth, captain; Wayne Scott, second lieutenant; and John Jennings, first sergeant.

### MILITARY CLUB NAME OFFICERS

Logan, Cook, Sargeant, Jennings, Elected by Scabbard and Blade.

Election and installation of officers of the coming year were the important features at the meeting of Scabbard and Blade on Wednesday, March 18. Those who were elected together with their respective offices are as follows: Leonard Logan, captain; Richard Cook, first lieutenant; Snover Sargeant, second lieutenant; and John Jennings, first sergeant.

### Election Interest Proved Intense

Faction Strife Evident as Contests Grow Bitter.

Protestations of an intense student interest in the elections yesterday were more than fulfilled. From eight o'clock to about the polls were opened an almost steady stream of voters filed past in ballot stands.

While factional strife was very evident upon out-breaks occurred among the voters of both of the major factions crowded the main lobby all day. Both sides tended to under-estimate their own possibilities, but it was the general consensus of opinion that the outcome would be very close. The unprecedented turn-out of the independent vote made the outcome still more uncertain. Even the political spies were at a loss to pick the winner.

### WATER CARNIVAL THEME DESIRED

Twenty-five Dollars Offered to Winning Entry in Contest.

**ORIGINALITY STRESSED**  
Winner Is to Become Ex-Officio Member of Carnival Committee.

Announcement was made today by Ray Schaubel, water carnival chairman of the coming year, of the theme contest for the annual water carnival to be held in the Red Cedar river lake on the coming term. A prize of \$25 is offered to the author of the winning theme, which entries must be submitted before May 15.

Originality in the theme is the main requisite for the winning theme. It should be brief and should be typewritten. A modern theme is preferred although a "must" be practical. Anyone may enter as many themes as he wishes and two students may cooperate in working out a theme together.

The winner of the contest will be automatically become an ex-officio member of the water carnival committee. The theme for the past four years have been of a wacky divergent nature, with distinctly different from the rest in 1927 a novel idea. "Worship of the Spurtan God" was used. The following year "Parade of Romantics" was chosen. "Parade of Romantics" was chosen in 1929 and "Parade of Romantics" was chosen in 1930. The theme of 1931 will be "Parade of Romantics". The theme of 1932 will be "Parade of Romantics". The theme of 1933 will be "Parade of Romantics".

### PRESIDENT OF HOME EC CLUB TO BE HARDY

Murphy, Gibbs, Carruthers, Win as Vice President, Secretary, Treasurer.

### ANOTHER ADMINISTRATION CLOSES

With the publication of this edition, another Michigan State News administration passes out of office leaving the guidance of the paper in new hands. Although our task has proven very difficult at times, the present editors have thoroughly enjoyed their contact with the Michigan State News.

In leaving our posts, we are indebted to members of both the editorial and business staff who have given 100 per cent cooperation in everything we have attempted to do. It was only through such loyal support as was exhibited this year that we were able to attain the improvements which we have instigated this year.

Both of the newly elected executives are extended the congratulations of the retiring heads with the best wishes for a prosperous and successful year at the helm of the News. We feel assured that the new managing editor and business manager will continue to improve the publication to the best of their ability.

In closing we wish to thank the various administrative officials of the college and others who have co-operated so willingly to help us in the direction and publication of the paper during the past year.

By JOHN TATE JR.

Well, folks, politics may come and they may go, but this thing goes on forever. Which is the lesser of the two evils is a fume of another scent, if you are up on your nose trouble.

One might become sentimental about the situation, and moralize like a madman. We'll let you in on a secret when there are two men chasing the same blonde one of them is going to get there last. So we ask you, in that case who holds the bag?

Theme song of the election bouts that cluttered up the Union. Oh Promise Me!

There is a rumor about that Al

Capone walked into the Union lobby Thursday afternoon and exclaimed with a great deal of civic pride: "How the old town is growin'!"

The State News wishes to announce that the election was a thing of beauty and a joy forever. Furthermore it was of inestimable value as evidence of the ultimate perfectability of man. Oh, well, Lincoln took an awful beating before he finally made the grade. This should give the candidates who are seeking a deluge for their sorrow much solace.

One sensitive soul who was on the inside (that is really something) washed his hands thirty-three times during the day, and then went home and slept in the bathtub. His creed is that cleanliness is next to godliness. Now what does that make the situation in the lobby yesterday? That's how we felt too.

All of which brings us down now we are beginning to get somewhere to the point that the old go out and the new come in. The seats of the mighty will be dusted for the incoming occupants and strange masters will stride the tightropes of fame. And who knows the surging rabble may be afflicted with hilarious laughter at the antics of the man who hazards the trembling way?

Now that the campus has been purged of this madness, everybody will return to normal and speak to

exactly the same. Final results showed Harold Tyndall Lindington to be highest with 240 votes; Leonard Logan Detroit, next with 206; and Frank Conover Jackson, with 202. These three men will be the Junior class representatives to the student governing body. Others who were eliminated were John Madonna Detroit, and Paul Younger East Lansing, each with 191 votes. Ward Kelley Lansing withdrew.

The count in the contest for Sophomore representatives to the Student Council showed a wider gap with Rex Steele Detroit highest with 280 and Milton Dickman Waukegan next with 194 votes. The two eliminated nominees, James Mitchell Detroit and Ed Miller Saginaw, polled 147 and 131 votes, respectively. Maurice Baster East Lansing collected a miscellaneous vote of 10.

Minard Farley Albion won out easily each other again. At the ingratiate of man? Just a pal one day and electioneering the next. You may be a joy to your mother but you're just a politician to us.

Anyway these campaigns relieve the monotonous cause discussion in the ranks of you attended any of the termity meetings in the last few weeks. You sleep, dissipate, the reader, but floating bonds of friendship and glib scholastic averages a sad beating.

for freshman representative to the Council with a total of 201 votes against his competitor John Manning Grand Rapids, who scored 112.

For Union Board in the Junior class elections, John Tate Detroit, Carmel Hamilton Lansing, and Beatrice Clayton Lansing won without appreciable difficulties with counts of 277, 238 and 219 respectively. Students eliminated were Henry Cross Flint and Dorothy Wickstrom Western Springs, Ill. with 186 and 130 votes, respectively. Charles Griffin Shelby withdrew.

In the Sophomore class Richard McDonald Detroit of Hotel Caruthers, Plymouth, was Union Board position with the tally of 222 and 247. McDonald was unopposed while Caruthers was over Mary Louise Shearer Grand Ave. who polled 101 votes. Ed Caruthers Detroit polled a miscellaneous vote of 10.

The Freshman representative chosen by the Union Board was Edward Kramer of Easton. Eliminated candidates were Robert Constantine Kalamazoo with 112 and Don Henry East Lansing who marked up 10 votes on a sticker.

The representatives of the Liberal Arts Board from the Sophomore class were Bruce Larson and Keith McKelvey Cadillac, who with 208 and 187 votes respectively, defeated candidates were Dorothy Finmore, East Lansing, and Owen Taylor Detroit, with 149 and 123, respectively.

## BOLTS

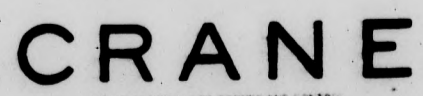

8 times as strong under super-heat as "before the war"

Trace the evolution of the bolt since 1913 and you trace the amazing post war advance of power and industrial processes... and the Crane contribution to help make it possible.

In carefree days "before the war," a steel bolt was a steel bolt. It was made of any easily obtained steel that forged easily and took threads well. Industry moved forward... stronger bolts were asked for. Ordinary steels were improved to tensile strength of 45,000 pounds. Not enough. A bolt with forged-on head and tensile strength of 60,000 pounds was developed. Still not enough. Cold rolled steel bolts with tensile strength of 80,000 pounds were offered. They had a tendency to snap.

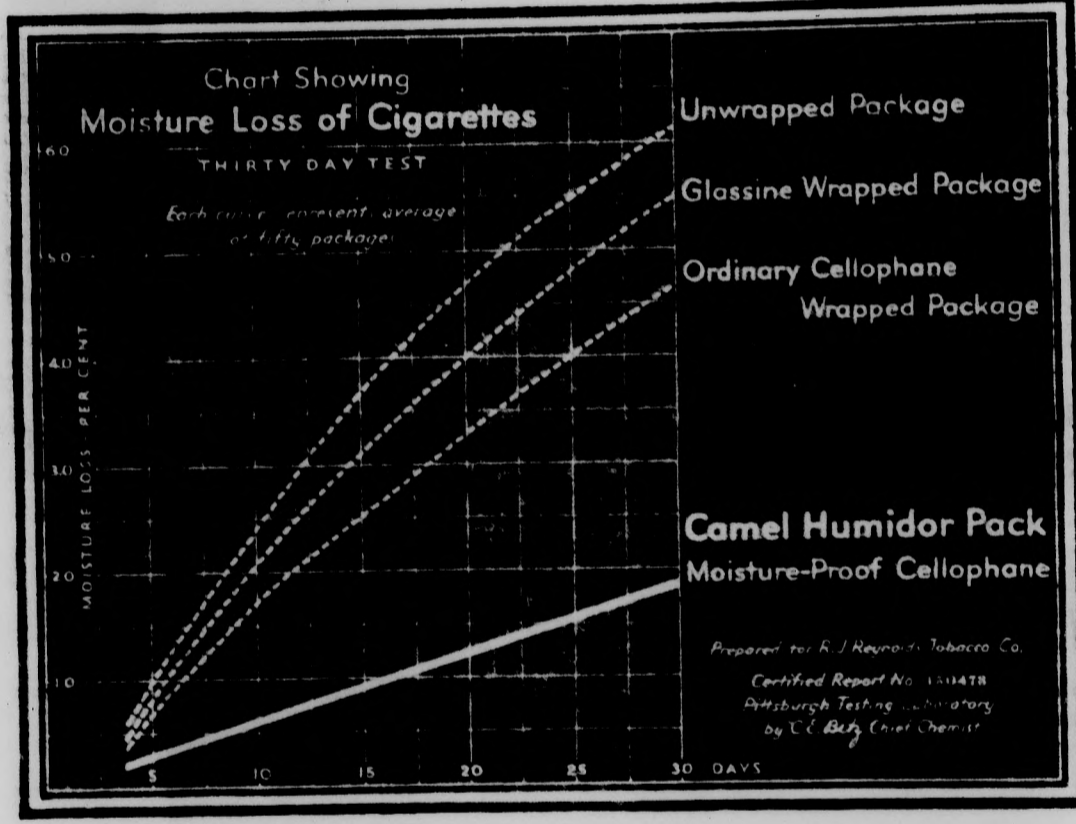

To fully meet the demands of modern high pressure and temperature technology, Crane Co. brought out for its cast and forged steel materials their Triplex steel stud bolts, of chrome nickel steel with tensile strength of 125,000 pounds. The limit is not yet. Even now, Crane Co. can supply bolts for valve bonnets and flanges with tensile strength of 120,000 pounds and retaining strength at well past 1000° F.

By exhaustive laboratory investigations, long carefully charted creep tests, detailed study of service conditions, Crane Metallurgists have helped this development. With the same scientific methods they have as strikingly improved bodies, bonnets, discs and seats, stems, packing boxes... so that Crane valves and fittings can be supplied for higher pressures and temperatures than have yet been commercially projected.

Cigarettes in prime condition have a moisture content of about 10%. It will be seen by the Pittsburgh Testing Laboratory's Chart that cigarettes in the ordinary wrapped package lose more than half of their total moisture in thirty days and that only the Camel Humidor Pack delivers cigarettes to you in prime condition.

THE whole country is talking about the throat-easy mildness and the prime freshness of Camel Cigarettes in the new Humidor Pack.

The above chart prepared by the Pittsburgh Testing Laboratory tells you why.

Please examine it carefully. It is an unfailing guide to cigarette selection and enjoyment.

As you can quickly see by the three upper curves on this interesting chart, cigarettes that lack the protection of the Humidor Pack lose their moisture rapidly from the day they are manufactured.

And day by day as this moisture disappears, the smoke from these cigarettes becomes harsher, hotter, more unkind to the smoker's throat.

Not so with Camels!

The Humidor Pack is moisture proof and sealed airtight at every point. It protects the rich, flavorful

aroma of the choice Turkish and Domestic tobaccos of which Camels are blended.

### Make these tests yourself

It is so easy to tell the difference between parched dry cigarettes and fresh prime Camels that it is no wonder everybody is reaching for a fresh cigarette today.

Your fingers identify stale, dried-out tobaccos at once. While a Camel is flexible and pliant.

Your ears can tell the difference too. For a dust-dry cigarette crackles under pressure.

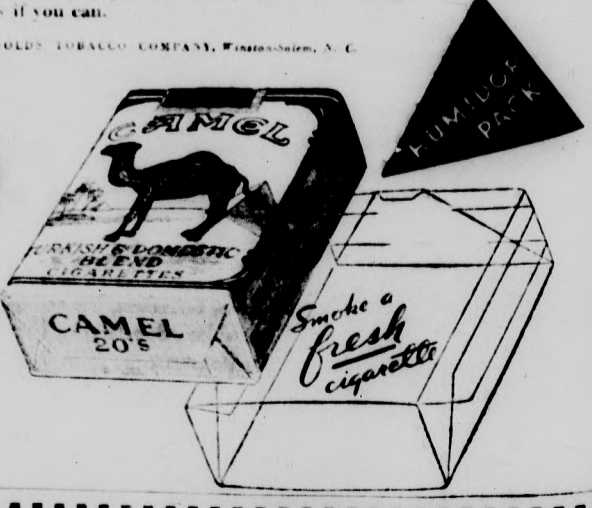

But the real test is taste and there is simply no comparison between the rich mildness of a Camel and the hot, brackish smoke from a stale, dry cigarette.

Switch to Camels—just for today then leave them tomorrow if you can.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

# CAMELS

Artificial heat in houses and apartments dries the moisture out of cigarettes wrapped the old-fashioned way. It is the mark of a considerate hostess, by means of the Humidor Pack, to "serve a fresh cigarette." Buy Camels by the carton—this cigarette will remain fresh in your home and office.

# Spartan Baseball Team Leaves For South Next Week

## KOBSMEN TO PLAY SEVEN GAMES ON SOUTHERN TOUR; SPARTANS OPENING LINEUP STILL IN DOUBT

Charley "Chip" Griffin Not Likely to Pitch in Season's Opener; Abe Eliowitz Slated for Duty at First; Capt. Ed Gibbs, Ace of Spartan Batsmen, to Head Outfielders.

AT THE PRESENT TIME it looks highly doubtful whether Coach John Kobs' diamond candidates will have any chance for outdoor workouts before they go south on their southern jaunt the end of next week. Cold and wet weather have kept the Spartans indoors to date. Coach Kobs has seen his outfielders chasing fly balls in the open just once since he opened practice six weeks ago.

Charles Griffin, Shelby junior, who was the star of the mound corps last season, has been troubled with a sore arm in recent practices. Looked upon as the main cog in the pitching machine this spring, Griffin was expected to lend material aid on the southern trip but now, it seems that someone else will have to bear the brunt of the work. If Griffin is not ready to start, most of the hurrying will fall upon the shoulders of Harris Kahl, senior right hander, and some of the promising recruits from last year's frosh.

Coach Kobs has several capable receivers, including the veteran "Jab" Barnard, Keith Byrne and Lawford. All will likely see service on the southern tour. First base is causing Coach Kobs

#### TAU'S WIN TITLE

Winding up Inter-Fraternity basketball for the 1931 season, the Phi Kappa Tau five Tuesday night doubled up the count on the Olympics to take the final match, 22 to 11, with Dixon scoring eight points for the winners and Tomasek garnering seven to take scoring honors for the losers.

In the semi-final round, played the previous week, the Olympics topped off the S. A. E's 16-15 in a struggle which went to two overtime periods before it was finally decided.

The Phi Taus required only the specified time to take over the Ties, 9 to 11, with Brose, Phi Tau forward, scoring six of the winners' 11 points. Following is the box score on the final game:

## SPARTAN TRACK MEN COMPLETE INDOOR SEASON

Set Up Envious Record by Victorics Over Three Major Opponents.

### CHAMBERLAIN STARS

Distance Ace Carries Brunt of Work in Record-breaking Fashion.

WITH AN INDOOR record behind them that has not been approached in the last few years, Michigan State's track men have put away their scanty apparel for a few weeks and have gone into training for the most important race of all—with term examinations.

Not in a goodly number of moons has a group of Spartan tracksters piled up such a record of victories on the boards. Sweeping through dual meets with Chicago university, Ohio Wesleyan and Marquette for three triumphs in two weeks, the Green and White runners came through the State Relay Carnival in good shape, placed second to Notre Dame's strong squad in the Central Intercollegiate at South Bend and finished the season last Saturday in competition with over 500 of the mid-west's leading athletes at the Illinois Relays.

Clark Chamberlain, State's premier distance ace and national cross-country champion, was easily the most consistent point winner and hardest worked man on the squad. Besides winning the mile and two-mile runs in all three dual meets, he won a special two-mile race with Ray Swartz of Western State in the State Relay Carnival, set a new Central Intercollegiate two-mile record at South Bend, finished in a dead heat for a new record with Paul Rakers of Penn State in an individual mile race at the West Virginia Relays, and placed third in the National Senior A. A. U. two-mile at New York city. His sole defeat in an intercollegiate race came last Saturday at Illinois, when he was outspurred by Ray Swartz in a scoring 1500-meter run in which the speedy Western State performer rang up a new conference record. Running eleven hard races in six weeks, the black-haired Spartan flyer scored 49 out of a possible 55 points, and chalked up six new records in various parts of the country—an achievement for future athletes to shoot at.

The Green and White team started the season with a qualifying run over Chicago university, 58-36 in which two new varsity records were set. Chamberlain's 2:28.8 mile accounting for one, and Norman Smith's leap of 5 feet 9 1/2 inches in the high jump providing the necessary height for the other. This most brought a host of new sophomore material to light and gave the squad the confidence necessary to enable them to carry on against stronger teams. Bob Olsen reached 12 feet in the pole vault and Buss Pfing heaved the shot 41 feet 11 inches to give State two firsts in these events.

The Spartans found the competition stiffer against Marquette a week later. After a nip-and-tuck battle all the way, the Hilltoppers finally went under to the tune of 58-50. The outcome was decided only in the ultimate event, the 800 relay, in which State's flying quartet out-topped Marquette's entries to win. Norman Smith showed the high jump record an inch higher, leaping 5 feet 10 1/2.

Ohio Wesleyan university came within one point of upsetting the dope the following week-end when they battled the Spartans to the last ditch before succumbing. The score here was 53-54. In this meet also, it was the 800 relay team, Bob Russell, Elmont, Criswell, Ken Lafayette and Clifford Liberty that clinched the argument for State. Chamberlain came through for his third double win in three dual meets, taking the mile easily and setting a new gymnasium record of 9:44.4 in the two-mile. Walter Wisner, a new sophomore find for State in the half mile, galloped the eight laps in a time that lacked but a fraction of the varsity record, to win a much-needed first for the Spartans. Bob Olsen led the Spartans to a slam in the pole vault. Arbogast and Mouthrop tying for second behind him. Pfing added another first in the shot put. Chamberlain led the assault on the records at the Indoor Relay Carnival.

## TATE TO CAPTAIN SWIMMING TEAM

Varsity and Freshmen Splashers Dine at Hunt's Food Shop Wednesday.

John Tate, 32, Spartan free style artist, was selected to captain next year's varsity tank team at a dinner held Wednesday night at Hunt's food shop. Both the varsity and freshman swimming teams of the past season were present at the dinner. Leonard Montgomery, 32, first year dash man, was voted honorary captain of this year's, freshman team. Montgomery holds freshman records in the 50 and 100 yard free style events.

Coach Russell Daubert spoke on the tentative schedule for next year. Next year's opposition will include some of the classiest swimming talent in the country and will provide the stiffest campaign ever to be mapped out for State's tankers.

The following week-end with a 9:43 performance in the two-mile, beating Swartz of Western State by nearly a lap to lower his own varsity mark. Seven meet records tumbled in the meet, and one was equaled. Barnhill of Western State showed the hot out 46 feet 2 1/2 inches, State's freshman two-mile relay team, Warren Pongrace, Guy and Hurd, wiped fifteen seconds from the old record, negotiating the distance in 8:34.2.

The final meet in which the whole team participated, the C. I. C. meet at South Bend, was the hardest nut the Spartans found to crack. They placed second to Notre Dame in this competition, the powerful Irish team setting one American indoor record, five one world record, and chalked up five conference records, as they won six of the events and galloped away with the honors and 40 points.

Clark Chamberlain won the only first place of the day for the Green and White when he clipped an even ten seconds off the C. I. C. two-mile mark, taking the race in the excellent time of 9:24.2. Running a perfectly timed race for the major part of the distance, he swept away from the field at the mile mark and finished with a fine last-lap sprint to the accompaniment of an enthusiastic ovation by the crowd.

State's hurdlers came through in no shape to capture a second, two thirds, and a fourth for eight points. Ken Yarger took second in the high hurdles, and third in the low for five points. Liberty was third in the 100 and 200, and fourth in the same race. Bob Olsen tied for second with a leap of 12 feet 6 inches in the pole vault, and States' mile relay team, Burgess, Wisner, Steele and Stephenson, took fourth. With the exception of Chamberlain, Olsen, Liberty, Bath, Russell, and Yarger.
