

AGED MAN DEAD, 9 STUDENTS HOMELESS IN FIRE

WINTER TERM INITIATION BEGINS JAN. 12

Annual "Hell Week" Opens at 5 as Fraternities Start Induction of Pledges.

LIST REGULATIONS

Inter-frat Group Asks Cooperation of Houses in Observing Rules.

With the first "Hell Week" of the current year slated to begin Tuesday, Jan. 12 at 5 p. m., the attention of fraternity executive committees is called to the Interfraternity Council regulations governing initiation. Bob O'Connor, president of the council, asks that those in charge of "Hell Week" in their respective societies familiarize themselves with the code of rules.

The regulations as set forth in the constitution of the fraternity governing group follow:

1. Each candidate for initiation shall have earned at least a "C" average in his college work for the term or terms of the current college year immediately preceding initiation.

2. Regular initiations shall be held the second week of the winter term. The period shall not begin before 5 p. m. of the Tuesday of initiation week and shall not exceed 72 hours in duration.

3. Other initiations than the regular may be held only by the consent of three-quarters of the council in meetings assembled in public places and subject to the same restrictions as regular initiations and such additional restrictions as the council may impose.

4. Rough house and vulgar incidents or dangerous practices are forbidden.

Student Council Fails to Hold Meeting

For some unexplained reason, the Student Council failed to hold its regular weekly meeting last Tuesday. Although four of the group waited half an hour, the president and secretary as well as other important members were not in attendance.

Many important measures of undoubted importance at the time were to be taken up at the meeting. The president, who attended the National Student Federation convention at Toledo, was to report. Special council committees which have been working during the past term were expected to make reports. Plans for the present term were to be discussed. A revision of the constitution, pending for many months, was also to be heard.

136 REGISTER STUDENT CARS

Many Rush to Co-operate With Police Department in Tagging Autos.

Very quick action was taken by the students in registering their cars at the police department according to the announcement of the News there had been 136 cars registered in the office and it is expected they represent more than 30 cars tagged. The operation is very simple as the only necessary thing being the license number of the car and the driver's own license.

Bremer reports that the students are cooperating with the department and the college very well. This will be a great aid to the college officials and the police. The registering will be taken care of before the annual farmers week and the student cars will be easily distinguished from the others.

PUBLISH DEBATE BY STATE GIRLS

Year-Book of College Debating Lists Talk Given by Team Last Year.

A debate given by the Michigan State college students' debate team last year has been published in the Year Book of College Debating which has just come from the press. The book contains a number of articles and a number of pictures which have long been an integral part of the debate team's tradition.

Bishop to Speak at Y. W. Vesper Service Sunday

Y. W. C. A. New Year Vesper service will be held at 4:30 Sunday in the women's parlors of the Peoples church. Dr. Edwin W. Bishop of Plymouth Congregational church, Lansing, will be the speaker. His subject is "Some Thoughts for the Present Time." Margaret Cramme and Florence Herbert, students of the Y. W. C. A., will sing. The service will be accompanied by Elva Covert, C. Hamilton, an interior decorator of Lansing will talk at the regular meeting of C. G. A. Sunday morning in the student parlors. His subject will be "Home Beautiful." Marian Lee, president, will be in charge. There will be a C. G. A. committee meeting Wednesday, Jan. 13, at 8 o'clock in the church.

UNION BOARD MAKES KNOWN PLAY CONTEST

Will Replace Three-Act Drama Plan by Plays Given by Student Groups.

IS DEPRESSION MOVE

Series of One-Act Plays Substituted for Usual Union Operetta.

Abandonment Wednesday of the union board's proposed three-act drama for its traditional operetta was followed by the announcement of an all-campus one-act play contest to be sponsored by the union.

Decision to stop plans on the drama scheme came after a survey of campus financial situation. The economy report had previously been cast aside due to financial difficulties in previous years.

The contest play contest will be open to any organization on the campus or to any group of students who wish to band together for the purpose of presenting one act plays. The contest opens on Friday, the last act play.

OFFER CHILDREN CLASSES IN ART

Course Will Include Young People Between Ages of Seven and Twelve.

Miss Alice Covert, instructor of the college art staff, will begin Monday her first of a series of art classes for East Lansing children from the ages of seven to twelve.

LAST PICTURE DATES SET FOR SOPHOMORES

Saturday and Monday will be the last opportunities sophomore students will have to obtain picture tickets for the 1932 Wolverine. Miss Isabelle Paulson said today the date when the sophomore section will be closed and sent to the printers.

Herbert Attends Forestry Convention at New Orleans

Recommends County as Sole Unit of Government in Talk.

Speaking before the American Forestry convention at New Orleans, La., Prof. P. A. Herbert, head of the Michigan State college forestry department, recommended the county as the sole unit of local government. Prof. Herbert is one of the 12 Michigan State college men present at the convention.

BULLETIN

Unofficial figures obtained early this afternoon by the Michigan State News, credit M. S. C. with a new winter term enrollment record.

Three thousand fifty-six students have already registered, classified and paid fees, while still more are in the process of entering. This total is 58 more than that reached last winter term after all registrations had ceased.

LATE-COMERS SEE STEWARD

Asks Students Who Registered Late to Petition for Removal of Credits.

Students who registered late after Jan. 2, are asked to call on J. W. Steward, excusing officer, and petition for an excuse of the cut which they received for late registration.

LARGE CROWD HEARS WALKER

Speaks to Student Chapter of American Society of Civil Engineers.

The student chapter of the American Society of Civil Engineers was fortunate in having as its speaker Thursday evening Edward M. Walker, consulting engineer from Detroit. Appreciation of his interesting lecture was shown by the crowd which filled the Olds hall lecture room.

Crowley Makes Many Speeches

What does a football coach do in the winter months? James H. Crowley, tutor of the Michigan State college gridiron forces, can tell you. Crowley has plunged into classroom work during the winter term. He will conduct classes on football theory in the physical education department and in addition fill many engagements as a public speaker.

ANNUAL NAMES 24 SPARTANS OF DISTINCTION

Nominations Made in Contest to Determine Outstanding Men and Women.

WILL SELECT EIGHT

All-Campus Election Will Determine Composition of Section in Wolverine.

Nomination of twenty-four outstanding senior men and women was accomplished on Tuesday by the Wolverine staff in the opening stages of the yearbook's campaign to honor eight Spartans who are prominent in campus activities and scholarship.

According to Miss Isabelle Paulson, Wolverine editor, an attempt was made to select students who had achieved as well as diversified experiences in their college careers. Participating in all extra-curricular functions as well as a leadership were taken into account, she said.

The persons chosen are: Frank Chomover, vice-president of the student council; baseball manager, prominent in class circles, Dorothy Wickstrom, president of Phi Kappa Phi; Anne Emmons, former Michigan State newspaper editor; Hazel Gettens, coed editor of the Michigan State News; Everett Hardy, former R. O. T. C. sponsor; Union board and class officer, Marion Kabe, president of A. W. S.

DOCTOR TALKS OVER STATION

Lansing Man Opens New Series of Lectures Over College Radio.

Opening a series of health lectures sponsored by WKAR, Michigan State college radio station, Dr. J. Carl McIntyre of Lansing spoke over the station at 3:30 Thursday afternoon.

The lectures will be a weekly feature under the auspices of the college extension department with the cooperation of the second congressional district of the Michigan State Medical Association. The district is composed of Ingham, Jackson and Hillsdale counties. Various prominent physicians of the state will speak at these Thursday afternoon programs.

Prize Chicken Has Sad Fate

Goes to Morgue Instead of Happy Life in College Laying Nests.

I was not many weeks ago that the poultry department found itself badly in need of a prize chicken. In fact, so great was the demand that it could not afford to expend the time to hatch the eggs through the purchasing department of the college. The professor had just had to go and get immediately too.

To make a tedious tale less tedious subsequent information disclosed a most amusing fact. The chick had indeed been delivered but to the wrong department. Its delivery department. Farmers bring diseased fowl to the branch to be dissected and this was the very fate of the \$300 prize hen. Reports on the case, however, stated that the bird appeared in a perfect state of health which after all is consoling since what a lot can never be regained. Incidentally the college is lacking three century notes.

REVAMPING AWARD PLAN

Ralph H. Young Reveals That Two Year Survey of College System is Complete.

After two years of investigation of athletic award systems in use in American colleges, Ralph H. Young, director of athletics, is making final report to the Michigan State board of trustees. The report is a detailed survey of the college system and will be published in the near future.

GOLDSAND TO PLAY JAN. 18

Phenomenal Pianist Will Next Artist to Appear on Concert Series.

Robert Goldsand, phenomenal virtuoso pianist who amazed New York and other critics in his first American performance has been announced as the next artist to appear on the concert series offered by the Michigan State Institute of Music and Allied Arts. He will play at the Prudden auditorium in Lansing on Jan. 18.

Install Cory as Club Head

State Professor Becomes President of Lansing Engineers' Group.

Prof. M. M. Cory of the electrical engineering department was installed president of the Lansing Engineers' club at a meeting held Tuesday at the Home Drive Hotel. He succeeds Claude Erickson.

MORNING BLAZE ROUTS STUDENT ROOMING HOUSE

Frank H. Perry, 78, Dies Today As Aftermath of Local Conflagration.

DAMAGE SET AT \$500

East Lansing Fireman Injured Fighting Blaze; Call Lansing Aid.

An aged East Lansing resident is dead, one fireman is injured and nine Michigan State college students are homeless as the result of a Friday morning fire that gutted a local rooming house.

Frank H. Perry, 78 years old, died at 6:15 this morning from heart excitement and after effects of smoke fumes inhaled when he fought to bring to safety the college student who escaped from the fire. Perry, who resided at his home, 507 E. Grand, died at his home. Harney Miller, East Lansing fireman, received lacerations in his right hand from broken glass.

The students who escaped from the burning home are Donald Cooper, Alton Harold and William Cooper, Detroit; Kermit Washburn, and Wesley Newell, Detroit; Roland Henne, Marquette; Martin Fuller, Grand Rapids; Nell Taylor, Toledo; and Harris Storer, Berlin Springs.

My Dear Public:

It was rumored and may be a fact that the annual Union breakfast feature there will be a contest of one-act plays owned and operated by the students of the collegiate barnyard.

Theoretically the best play will win a cup which will be presented early of course. This will be a symbol of dramatic superiority and general acquaintance with the judges. This will be an excellent opportunity for Theta Alpha Phi to catch its modestly acknowledged title of the local thespians and prove beyond any doubt that the true artist can create as well as interpret.

The Critic
 By ANDREW BISHOP

Love in the North-Country, or
 Spawn of the North-Wind
 A Short Story

My Ego And Yours
 By JOHN TATE, Jr.

The slight pecuniary embarrassment that is really becoming rampant in the ranks of the "professionals" is a room of our own. It is a room we'll be over-providing as can raise the room rent.

New Head of Rutgers

Robert C. Clothier, dean of the University of Pittsburgh, has been elected president of Rutgers University in New Jersey, one of the oldest colleges in America.

Wyoming Students Strike When Official Disrupts Petting Party
 Newspaper Carries Story of Bit-ter University Campus Feud.

Interpretations of certain rumors at the Engineers' dance.

There is in evidence on this campus at times a group of students who term themselves members of the highest student governing body, the Student Council. As such, they attempt to do their best in carrying out their duties as representatives of their classes. Each man is, perhaps, wholehearted in his support, desiring to cooperate in the fullest extent in promoting a smoothly running legislative machine.

However, as the average student steps a moment for a brief respect, there is but one tangible accomplishment to the credit of the Council in the two terms of its present administration. And that is the abolishment of the class rush came upon the recommendation of a higher authority.

It has been said that the members of the body are willing. Being loyal Spanglers, they are ever ready to serve their school. Yet from the lack of any constructive undertaking it would appear that some vital factor was lacking.

There is indeed a very apparent void in the Council. At present they constitute a leadership flock. Willing to work, yet without an acknowledged head, they have floundered around for the past two terms.

When the majority of the members of the Council themselves admit that such is the difficulty there must be some element of truth in the statement.

The president of the Student Council is possibly not to blame.

The failure of the body to constructively undertake any constructive measure cannot be placed upon him personally. However, Michigan State college has had efficient Council presidents in the past. Why is it that one constitution is reached, that the career of a president was unwise, since he is wholly incapable of carrying out the duties of the office, as has been so aptly demonstrated, that his conception of office.

However, lamentable as the situation may be, there is not violent urge to make a change. If the student body is satisfied, why do anything about it. Personally, there can be no fault found. But a student and an organization, the president is badly deficient.

If a man can be found who has the nerve to take the office to the hilt, let him be. If a student can be found who has the nerve to take the office to the hilt, let him be. If a student can be found who has the nerve to take the office to the hilt, let him be.

It may have come to your attention that we have a couple of contemporaries, or rivals, to give the thing a name. There is our friend "The Critic," or as he occasionally terms himself, "The Mystic." And the more recent, "My Dear Public," by Don. We are very proud of our proteges.

We have watched over these boys when their columns were in the embryo stage like a dozing crow with its wings. We have lovingly guided their pink little fingers toward the light. With tears of affection we have picked them up when enlightenment has fallen in their childish enthusiasm. And as now in their adolescence we note their sturdy growth and hope and pray that they will bravely withstand the buffeting of an indifferent fate.

Of course they think we are an old fool, softened by age. They have taken a few cracks at us. But we don't mind. Boys will be boys. After all, they only did it to get a little publicity. Here 'tis.

Read Bishop if you wish to be more cultured and learn what Farwell thinks of the latest conceit or what Waide thinks of a recent play. He presents it in such a lovely manner. You should really be slipping a cup of tea when you imbibing a little of his wisdom. His words are smooth as honey, his phrases trip the light fantastic air, his sentences oscillate like a trembling lily in the warm west wind. Surely the artists, with the accent sure the artists, with the accent

But our two proteges must differ, even from their master. And they do. Bishop the artistic, and Don the jester, who smirks at life. Don who undermines your platitudes with his homely witisms. Read Don, for beneath his light touches wisdom flows like the Mississippi, a trifle muddy and a trifle opaque.

While we're toying with the thing we might just as well make a clean sweep. Now here is our friend Green in his editorial today, upsetting all the illusions, trying to break about him. Green the firebrand, the radical, the strong man of progress. Green the apostle who burns to right all wrongs, a veritable fury in the grimacing face of imposture.

But here he is editorially subscribing to a policy as conservative as all the mediocrities of conservatism. He derides the impractical idealism of youth he exhibits at the recent convention of the National Student Federation. Green, the idealist does this. He calls the opposition to military training a fallacious doctrine. He laughs

LOCAL SOCIETY TO SHOW FILM TO SHOW FILM
 Saturday Meet of Steel Treating Group Will Hear McQuaid.

At 7:30 o'clock Saturday evening, Jan. 8, the Detroit chapter of the American Society for Steel Treating holds its meeting in the Chemistry lecture room.

Part of the program will be devoted to a film showing the transformations which occur in steel on being heated and cooled.

The main address will be given by H. M. McQuaid who is metallurgical engineer for the Timken Axle Co. of Detroit.

Mr. McQuaid's talk will be on "High Strength and Case Hardened Steel."

This meeting is open to the public and all those interested are urged to attend. There is also a banquet at 6 o'clock in the Union preceding the meeting.

CAVALRY PROMOTIONS

During the holiday vacation two promotions were made in the cavalry unit of the cadet corps. Henry L. Clark, Phi Delta Theta, was promoted to the rank of captain, while Ensign E. Cloyd and LaVerne A. Davenport were granted the rank of first lieutenant.

Honor System Fails

An honor system one of the time-honored traditions of the University of Southern California is about to be relegated to the ash heap. The reason given for the course of the failure of the system was the increasing number of students who are said to be cheating in examinations, and it is almost impossible to break the habit when they enter college.

Purdue university students are not being subjected to the "sinking table" which records the effect of the relative types of upholstery upon an automobile driver. The shaking table in ten minutes gives a student the equivalent of a 30-mile ride over rough roads.

Collegeditors Donate Cheers for Snappyhot Winchill-Talk

'Main-aining', 'Blessed-eventing' May Become Speech of Land.

Forty college and alumni editors among them State, Glen O. Stewart, answered a recently circulated questionnaire about the influence that Walter Winchill's peculiar diction would have on the English language.

Are the Winchill additions 'main-aining', 'Blessed-eventing', 'maining whoopee', 'Remo-vating' and so on really having an effect on the spoken tongue, or are they merely a passing fad, the substance of the question asked.

Glen Stewart said "The great moral crusade against new words is still on. Nevertheless, each new generation with its colloquialisms will produce new words and expressions that will affect the language of the day."

A STUDENT COUNCIL?

There is in evidence on this campus at times a group of students who term themselves members of the highest student governing body, the Student Council. As such, they attempt to do their best in carrying out their duties as representatives of their classes. Each man is, perhaps, wholehearted in his support, desiring to cooperate in the fullest extent in promoting a smoothly running legislative machine.

NATIONAL STUDENT FEDERATION

The National Student Federation's annual convention at Toledo during Christmas vacation appears to have again listened to the siren call of impractical idealism and crashed the public press with one of the finest collections of childish resolutions that have come out of any adult meeting in recent years. Just exactly what method is used to inculcate normally intelligent college men and women into subscribing publicly to some of this milk-fed propaganda one is unable to imagine.

In the first place they lend wholehearted support to deploring armed intervention of the U. S. to protect investments abroad, favor entrance into the League of Nations and the assumption of leadership in disarmament by the United States, especially at the coming Geneva conference. But that is to be expected, they always do that. And they probably will continue to do so for another ten years, without attracting any more attention than this time.

On the other hand, two most fallacious doctrines were supported by the Student Federation. One, opposition to compulsory military education, and two, abolition of student control of student government.

The nationwide row over military training is as old as the hills of Babylonian and about as interesting. To the mind of most sane college men today the question is a dead one and should best be left alone. Now are the funny widespread craze attributed to the system as such a practical agitation are worth the trouble? The resolution of the Federation will be as much a sensation as a new egg over at the poultry barns.

Why yet, the decision against student control of campus government is particularly invidious in its effect on American undergraduates. The faculty, student council president and newspaper editors must have been asleep or at a downtown movie to allow an organization with which they are affiliated to sanction such a scheme.

It may seem peculiar that the Michigan State News, which has not only campaigned for faculty control of campus elections and student finances should take such a stand. On the contrary she is a firm believer in student government and only agitates for these forms of faculty control until the present low level of campus morals has been given away to political honesty.

That is nothing wrong with the idea of student government and on many campuses it is a desired success. There have been times here in the past when an efficient and wide-awake student council and student president have stood forth as real leaders. It is known that there are always laid here for almost unlimited student control of all student functions as well as a consciousness of citizenship and civic duty.

One can only hope that the press reports of the convention did not reflect the honorable body's reasons for getting off base so far. Just exactly why it took such a position is hard to understand. The aims and purposes of the organization are claimed to be a nucleus for the development of intelligent and responsible student leaders and the expression of intelligent student opinion. Yet their platform

Special Meeting of Dairy Group Set for Tuesday

A special meeting of the Dairy club is called for Jan. 12 beginning at 7 o'clock Tuesday evening according to officers of the organization. Plans for the Dairy club lunch which is served annually in the dairy laboratory will be taken up.

A S. Ligon of the soil department is scheduled to give a short group of material and voice solos to lend an air of entertainment to the meeting. Ligon's specialty is the rendition of Dixie folk songs.

Resolutions are proposed by the committee in charge of the meeting. Admission is confined for no later than 8 o'clock.

Farmer's School To Be Sponsored at Grand Ledge

For the second time in as many years the college will sponsor a school for farmers at Grand Ledge. This year the farm crop department is maintaining the class which will begin Jan. 13 and continue for four weeks, with one meeting each week. If Messrs. professor of farm crops will handle the course, which is to be arranged by Levern Stockman, agriculture teacher at Grand Ledge. The school will be open to anyone desiring to enter and an enrollment of about 180 is expected.

MORE OR LESS DRINKING?

Does anyone remember the first time that the Rev. P. J. P. Nelson, president of the University of Detroit, said in an address there that "College men agree with me there is more serious drinking in colleges today than there was 20 or 30 years ago?"

Did you know that the "college men" are of from what various countries they come, the president says, are they of the same stock? Has one man's opinion led to take an statistical survey of a great mass of colleges? Or is it merely a boast of one man's opinion? Is it a boast of one man's opinion? Is it a boast of one man's opinion?

Following that reasoning that we are permitted to offer with Father Nichols? From talks with and different pictures of college days (which is hard to understand. The aim of the organization are claimed to be a nucleus for the development of intelligent and responsible student leaders and the expression of intelligent student opinion. Yet their platform

My Ego And Yours
 By JOHN TATE, Jr.

The slight pecuniary embarrassment that is really becoming rampant in the ranks of the "professionals" is a room of our own. It is a room we'll be over-providing as can raise the room rent.

They tell us that there have been vague rumors of some slight instigational disturbances in the last few days. But surely this cannot be true. Everything seems as smooth as oily water. Still it might be wise to install a seismograph somewhere on campus to detect these things. We understand that they are very efficient. But it is apparently a very poor policy to purchase machinery during the depression because it throws men out of work.

When their columns were in the embryo stage like a dozing crow with its wings. We have lovingly guided their pink little fingers toward the light. With tears of affection we have picked them up when enlightenment has fallen in their childish enthusiasm. And as now in their adolescence we note their sturdy growth and hope and pray that they will bravely withstand the buffeting of an indifferent fate.

Of course they think we are an old fool, softened by age. They have taken a few cracks at us. But we don't mind. Boys will be boys. After all, they only did it to get a little publicity. Here 'tis.

Winter Term W. A. A. Sports Are Scheduled

Basketball, Rifle, Volleyball and Swimming Are Offered.

SYRACUSE ORCHESTRA PLAYS FARWELL WORK

Syracuse, N. Y., Jan. 8.—The composition, "Gods of the Mountain," a work of Arthur Farwell, will be included in the regular concert program here Saturday, January 9, by the Syracuse Symphony orchestra. Vladimir Slavovitch is to conduct the orchestra.

Initiate 25 in W. A. A. at Annual Party

Announcements Also Made at Gathering Concerning Various Sports.

Twenty-five girls became members of W. A. A. at the annual party given for freshman women on Jan. 7. The names of those initiated will be announced at a later date.

After the initiations, arrangements concerning the various sports were made and stands illustrating the same were performed. Those who had charge of the various divisions are as follows: Swimming, Ella Bostwick; rifle, Norma Streeter; volleyball, Helen Albert; basketball, Florence Herbert; skating, Miss Josephine Garcia; and figure skating, Miss Josephine Garcia and Miss Elizabeth Daniels.

Home Ec. Club Women Asked to Register at Once

Members of the Home Economics club are cautioned to re-register immediately so as not to miss any of the various activities. There is an opportunity also for those girls who had neglected to join last term to do so now. The dues are 25 cents a term. They may be paid to Jean Garbner at the next meeting, the date of which will be announced shortly.

A. W. S. Council Heads Give Time For Interviews

Members of the A. W. S. council may be interviewed in Dean Conrad's office at the following hours this term: Monday, from 1 to 2; Dorothy, Tuesday, 10-11; Dorothy, Wednesday, 11-12; Marian Kline, Wednesday, 11-12; Beatrice O'Brien, Thursday, 11-12; Marian Kline, Adena Boerwieser will be in the office some time on Friday, the hour to be announced later.

GRETA GARBO and RAMON NOVARRO in "MATA HARI"

Restaurant Check Shows That Students Consume Much Food

Eighteen eating places appear in nourishment desires of Collegiate Public.

One public eating house for every 166 students in East Lansing? That's what a careful count of the restaurants, college dining halls, and banqueting shops within the city limits reveals. Altogether there are 18 of them, not counting the drug stores which serve sandwiches and light lunches, and including Mary Mayo hall, the Woman's building and the Union. The dining continuation of the Wells hall eating club keeps the number down, and there is also one other, the Student Cafeteria, which is closed.

REVEAL THEME OF WATER PAGEANT

Green Splash Pool Show Will Again be Aided by Porpoise, Men's Honorary.

Choice of a theme for the 1932 "SPRING WATER" pageant given by Green Splash and Porpoise was announced today by Ettore Briet, chairman of the pageant committee, at a Gam Day in the Yacht Club. Each spring pageant is given by one of the honorary swimming clubs. This year Green Splash will sponsor the pageant and will be aided by Porpoise. The last pageant was under the supervision of the boys' swimming club. They were aided by the girls.

Degrees Granted to Members of Home Ec. Faculty

The degree of doctor of philosophy in home economics and of education were granted Miss Irma H. Green and Miss Jean Elizabeth Hawk of the home economics faculty by the University of Chicago during the Christmas vacation period.

Fourteen Girls Are Staying in Practice Houses

Girls majoring in home economics who are living in the four management houses during the winter term of winter term are Edna Brock, Gertrude Baker, Christine Dine, Hazel Bookman, Ann Valen, Wilma Peterson, Mildred Clark, Bernice Johnson, Marion J. Smith, Joy Vaughn, Frances Middleton, Neida Featherstone, Marie Colebrook, Mary Walters.

Girls Are Asked to Sign Up For Spartan League

Those who wish to join the Spartan Women's league again this term are instructed to sign and pay dues in the League rooms, basement of the W. main building, from 4 to 4:30 after afternoon, Jan. 15.

Will Observe Health Week Among Co-eds

W. A. A. Sponsors Movement to Improve Living Habits of College Girls.

Next week is to be observed here by W. A. A. as Health Week. The Athletic Conference of American College Women of which W. A. A. is a member, advocates the sponsoring of such a week to promote the adoption of a health concept of all college women, with the hope of actual improvement in habits of living.

Interesting Bits of News Taken From Leading College Publications

By MARIE VERHEEST

New Dormitory Plan

Madison, Wisconsin—Plans for the creating of a University City have been developed by the regents of the University of Wisconsin as a means of relieving the meager housing facilities for the several thousand students of the university.

Not Serious

The raccoon coat, slicker and rain atmosphere shouldn't be taken too seriously, according to Dr. E. D. Salkeld, official visitor and speaker on the Texas Christian university campus. "It is a fleeting phase of college life and like all fads will pass out without doing much damage," Dr. Salkeld remarked. "It is human nature to be caught in the backwash of various fads, and that our college students have been caught in the one mentioned only indicate the humanism in boys and girls," he continued.

Protection

A sophomore at Muhlenberg college weighing more than 300 pounds appeared for yellow protection from the freshmen at that school after he remained idle in a pig pen while the first year men held their banquet. One officer was detailed to act as his bodyguard.

Collegiate Fashion Plates

Miss Frances Lee, a graduate of Vassar college and present style editor of College Humor, claims that the girls on the Syracuse campus are smarter in their wearing apparel than at any other college in the United States. Miss Lee has been making a nationwide survey of college fashions and universities. She says that the outstanding feature of Syracuse styles is the informal supper dresses which have become so favored on the campus, these are semi-formal and bridge the gap between informal and formal apparel.

At Northwestern

The Evanston campus library will no longer be open for student study on Sunday. The head librarian, Mrs. E. Eugene, made the announcement. Plans for the winter term program will be made and there will be a discussion of world problems.

Y. M. Cabinet Will Meet With Kunkel Sunday

There will be a Y. M. cabinet and general meeting at 9:15 Sunday morning in Mr. Kunkel's office in the church. Plans for the winter term program will be made and there will be a discussion of world problems.

Omieron Nu to Initiate Nine Saturday Eve

Local chapters of Omieron Nu, home economics national honorary society, will hold formal initiation of new members Saturday afternoon at 4 o'clock in the 1016 apartment of the home economics building. The initiates will be Emma Krueger, Fern Jackson, Lorraine Norman, Ardith Johnson, Gladys Bond, Helen Scott, Marie Gieseler, and Elizabeth Miller. Norma Streeter, Katherine Reuter and Norma Barr are in charge of arrangements.

Sigma Alpha Iota Meets Saturday at McAlvey Home

Katherine McAlvey will entertain the members of Sigma Alpha Iota, national honorary music society, at her home on University drive Saturday evening.

DAIRY CLUB ANNOUNCES FIRST MEET TUESDAY

There will be a meeting of the Dairy club in the Dairy building at 9:00 o'clock Tuesday, Jan. 12. All members should be present as the arrangements for Farmers Week will be discussed. Refreshments will be served and authorities have promised that the meeting will be concluded by 5:00.

ASK M. S. 313 WOMEN TO SEE CAPT. VOORHEES

According to an announcement from Capt. Marion Voorhees, all girls who intend to take course M. S. 313 should see him by Jan. 16. Through an error a number of girls have been registered for that course this term. These registrations have been cancelled. While the work begins this term no credit is given until the course is completed in the spring term and cards for the course should not have been issued until then.

TEXAS ALMA FORM CLUB

Fortunate of a new Michigan state alumni club in the Grand Rapids valley, Mich. was announced in a letter to Cliff O. Stewart.

AIR THREE DAY COURSE IN FORCED BY AIR VENTILATION AND CIRCULATION WILL BE HELD IN FEBRUARY.

The engineering department has announced a request for such a course have been received frequently from various manufacturers in the Midwest. It is expected that from 50 to 75 industrial representatives, as well as other college groups will attend.

Cagers Play Western Reserve and The Irish Here

SPARTANS ENGAGE WESTERN RESERVE TONIGHT; SATURDAY NOTRE DAME WILL PERFORM

Cleveland School Has Strong Cage Team This Year With Veteran Line-up; Notre Dame Holds Win Over Northwestern; Coach Van Alstyne to Start Regular Team.

One of the best Western Reserve university basketball teams in recent years meets the State quintet tonight in Demonstration hall at 7:30. Ray Clifford, coach of the Cleveland outfit and former Lansing man, has a veteran team composed of boys who starred under him while he was coach at Collingwood high a few years ago. Collingwood had a sensational winning streak in a series of consecutive victories which attracted national-wide attention three years ago. Last year Western Reserve created a sensation in the east by beating such highly touted teams as the University of Pittsburgh and Yale on their own floor.

TANKERS PASS EXAMINATIONS

Daubert's Varsity Men Face First Meet Unhindered by Ineligibility Problem.

Coach Russell Daubert breathed a sigh of relief when all of his 1932 varsity swimming candidates came through their examinations in good form. The Spartan splashes will launch their campaign for the coming season unhindered by ineligibility.

Crowley Says Football's O. K.

Coach Defends Sport as Being Less Dangerous Than Hunting.

In a speech before a local student club, Coach Crowley declared that there is more reason for doing away with hunting because of injuries than modern football.

Spartan Side-Lines BY VAN

Two Games

Basketball takes the spotlight this week-end. Coach Van Alstyne's squad will attempt to down some of the season's stiffest opposition on successive evenings.

Tomorrow night Notre Dame will come to Michigan State. The meeting will be the first in years as the Irish were not on State's court schedule last year.

Coach Russell Daubert, swimming coach, reports a death of varsity tank candidates this year. The first meet of the year with Grand Rapids Junior college tankmen is only two weeks off and the Spartan coach is still without any outstanding distance men.

Incidentally, swimming is a good way to make a big splash in more ways than one. Johnny Weissinger, the world's greatest swimmer, is now showing that he is all man by emulating the famous Tarran in motion pictures.

One of the outstanding features of the Cornell game was the sportsmanship of the crowd. Lines have been due to the fact that many students were not in attendance and because of very capable officials. It is at this time that the attitude of the crowd was highly pleasing to those who have attended Spartan track games in the past.

Coach Wayne Smith, freshman basketball coach, has put his squad down to twenty-five players and is selecting some real court material.

Most of the fatalities, according to Crowley, were in sports games where cut-throats marked the lines and boys played without regard of equipment.

JIM CROWLEY TOASTMASTER AT SPORT MEET

Versatile Michigan State Mentor Thrills Coaches With Scintillating Oration.

GUS WELCH WINS DERBY

"Sleepy Jim" Crowley of Four Horsemen fame, motion picture star, radio announcer, football coach, and afternoon speaker de luxe, presided as toastmaster at the banquet held at the Hotel Pennsylvania, in New York city, Tuesday evening, Dec. 29, during the course of the American Football Coaches Association convention which met in the big city on Monday, Dec. 28, and continued until New Year's eve.

Coach Fendley Collins' Spartan grapplers will engage in the first meet of the 1932 season against the University of Toronto Monday evening here. The strength of the Canadian school is unknown, as it is the first time in history that they have met Michigan State.

Norman Stoner, a man who has been defeated only once in three years, will be relied on to win in the 145 pound class. Either Cox Jensen or Rajkovich will take care of the 155 pound division. Les Marsa will wrestle in the 165 pound class, Olin Leopard, the 175 pound class and Stanley Ball, the 126 pound class.

Students should obtain their Athletic Books if they desire admission to the games as no one will be permitted to enter without them. The books may be had at the office in the gymnasium.

Rose Bowl Scene of Track Cycling at 1932 Olympiad

The track cycling events of the Olympic games to be celebrated in this city from July 30 to August 14 will be held in Rose Bowl stadium in Pasadena. This splendid stadium has a seating capacity of 90,000 and a special wooden track designed by the Union Cycliste Internationale will be built for the track cycling races.

Forest Nursery Will Be Headed By Dr. Van Camp

Arriving Monday morning, Dr. J. VanCamp, formerly affiliated with the University of Toronto and the Dominion Forest Service, will be installed as head of the local forest nursery—Dr. VanCamp will also hold classes in seedling and planting.

Intra-mural Sports

INDOOR TRACK SQUAD LISTS 35 CANDIDATES

With the 1931 Inter-Fraternity bowling season finished, statistics compiled by the intramural department show that the teams were bowling better ball this season than in any past year.

GRAPPLERS TO MEET TORONTO

First Match of Schedule to Be Held in Gymnasium Monday Evening.

Coach Fendley Collins' Spartan grapplers will engage in the first meet of the 1932 season against the University of Toronto Monday evening here. The strength of the Canadian school is unknown, as it is the first time in history that they have met Michigan State.

The ineligibility jinx passed up the local wrestlers and the Spartans will be able to put a capable man in each division. Leading State's forces will be Captain Harry Byam, 135 pound star, a third place winner in the national collegiate meet last year.

State's complete schedule has not yet been definitely announced, but it will probably include Michigan, Syracuse, Mechanical Institute, and Indiana.

LOST—Slide rule near Old hall. Return to Gen. Duley, P. Kappas Phi house, 32-690.

INDOOR TRACK SQUAD LISTS 35 CANDIDATES

Expect More to Come Out for Both Freshman and Varsity Indoor Groups.

Thirty-five men reported to Coach Young in the gymnasium Monday night for the indoor varsity track squad. Thirty men reported for the freshman squad.

As a whole the varsity appears a bit stronger this year than last. However, there is a decided weakness in the pole vaulting event. Holcomb has a broken ankle and he will be unable to compete.

The dash men are strong. Lafayette, Crowell and Liberty are veterans, while Kibby who showed up well on the yearling squad last year is added strength.

The quarter-mile is more powerful than last year. Burgess, Stephenson and Steele are the veterans. Hovey and A. Cobb are the new men who, having performed well on the freshman team last year, should do a good share of the work this winter.

There is no new hurdling talent. Yarger and Russell, who worked the highs and lows in past years, are gone. This leaves Liberty, Bath, Steele and Adler, who although fast and powerful will have a hard job upholding the precedent enjoyed in this event for the past several years.

Norm Smith, Kleinknecht, Mayless, and Riley will compete in the high jump. Riley is new to the varsity this year but did good work with the yearlings last winter.

The distance men are the prize outfit of the whole team. Chambers, Linn, Wassner, Elliot, Steimle, Priest, Cobb and Klester have seen action on the varsity indoor track before, while Ponagrace, Warren, Guy, Wilson and Small will be having their first workouts on the varsity level in cross country this fall.

Under state law it is necessary for any male citizen over 18 years of age to respond in cases of emergency to the summons of a fire warden. In past years it has been frequently difficult to obtain sufficiently large crews to fight fires.

However, during the 1930 and 1931 fire seasons, each of the 14 district headquarters had long lists of applications for fire fighting duty. In many instances unemployed men have waited for days around the district headquarters for a call to fight fires. Such work was so demanding in scores of instances that men actually set forest fires that they might get a job putting them out.

Novel Game Placed in Union

A new amusement, recently added to the Union, is an under-class baseball game, placed in the downstairs lobby. This addition is consistent with the usual Union policy which has added two new pin-point tables and several small games in the past few years.

Faculty Men to Greet Guests of National Meet

The national meeting of the American Road Builders' Association is to be held at the Hotel Airport building, Jan. 11-13. Engineers and contractors from all over the United States and many foreign countries will be in attendance.
