## CAMPUS NOMINATIONS SPUR POLITICAL INTEREST

### VOTERS TO SEE CANDIDATES AT MASS MEETING

Will Request All Those Running for Offices to Appear at Gathering

### OFFICIALS COOPERATE

Move All Freshmen Co-ed and Men Phy. Ed. Lectures at 5 o'Clock to Union.

A large all-college mass meeting to awaken interest in approaching campus elections will be staged in the Union Ballroom at 5 o'clock, Tuesday afternoon at 5 o'clock, outstanding college, social and political organizations are tendering support to the movement.

All candidates for public office will be asked to appear before the assembly to allow the student electorate to become acquainted with their names. Candidates and their supporters are being advised to appear to suggest to an impartial committee their list of qualifications for the office they are nominating.

Full cooperation of officials should not be expected. The meeting is being held to awaken interest in the election of officers to the Union Board, Student Council, and other offices. Attendance will be checked as in regular class. It is thought that by setting a precedent in acquainting freshmen with campus candidates, the political interest aroused might carry over into the next years.

Arrangements are being made for a mass meeting of all freshmen and women's physical education lectures, usually held at 5 o'clock to the Union. Attendance will be checked as in regular class. It is thought that by setting a precedent in acquainting freshmen with campus candidates, the political interest aroused might carry over into the next years.

Cooperation of the Michigan State Women's League, American Women's Students, Intercollegiate Student Spikers and Physicists has been extended to the election drive.

Members of the plan state that the meeting this year is not to be held with the one attempted last year. That they are disappointed to have been overlooked. They are hoping that this year as before, interest will be efficient and intensive.

It was also pointed out that in the past too many student voters have little or no knowledge of the candidates for whom they must vote. It is said, in bringing before the electorate all candidates with a definite statement of their accomplishments, and what they consider their qualifications for office.

While appearance of candidates of course is not compulsory, it was said by one student leader today that any candidate who did not want his job enough to show himself before the student body and admit his qualifications for office.

### WILDER DRAMA IS WINNER IN UNION CONTEST

"Happy Journey to Trenton and Camden" Carries Off First Place.

### AUDIENCE VERY LARGE

Honorable Mention Given to "Workhouse Ward," Irish Comedy, Lady Gregory

Thornton Wilder's play "A Happy Journey to Trenton and Camden" presented by a group of State students organized for the occasion, carried off first honors in the highly successful and one-act play contest staged last evening by the Student Union board.

An appreciative audience packed the Little Theatre to limit of its capacity and enjoyed for two hours an exhibition of social dramatic talent in the first contest of its kind to be held on this campus.

The winning play by Wilder, noted the early days of pioneering in its old-fashioned background. Intimate scenes of family life, both real and sentimental, portrayed the whole range of emotions from the primitive to the civilized. Eva Richards and Edith Brown, producers, Tom French, stage manager, and the cast of Miss Zimmerman, Don Houghton, Genevieve Fisher, Bob Miller, Betty Coombs and Florence Herbert, showed ability in the presentation.

"Workhouse Ward" with the cast of Charlotte MacKinnon, Joe Koller and Dick H. Robinson, displayed some true Irish humor, some fast repartee. The bed-ridden old character drew sympathy for their characterization.

Realism with quiet poising marked "The Back Page," a picture of the making of a student newspaper, which was written by students Jack Green and G. L. Bostwick. The cast included Josephine, Marked Jack Green, G. L. Bostwick, Clarence Van Lopp, and Norman Reeder, all of whom have in the past the parts they played well.

The first play of the evening was "The Drums of Oude," which was a colorful melodrama with some real Irish and complete with dagger and bayonet. The cast included Jack Green, G. L. Bostwick, Clarence Van Lopp, and Norman Reeder, all of whom have in the past the parts they played well.

GIRLS Do Not Smoke Pipes

THE GIRLS haven't left us many of our masculine rights. They fly our airplanes, drive our cars, smoke our cigarettes—but they don't smoke our pipes! They're left us this one manly right, anyway.

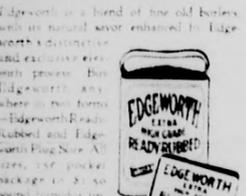

A man almost has to smoke a pipe nowadays. A pleasant necessity for a pipe filled with good tobacco is just about the best smoke a man could want.

And if you're troubled about selecting a tobacco, remember that Edgeworth is the popular favorite in 4 out of 5 colleges. It somehow seems to fit the college man's taste. Edgeworth is cut especially for pipes, it burns slowly, it gives a cool smoke. You can buy Edgeworth wherever good tobacco is sold. Or, for a special sample packet, write to Larus & Bro. Co., 100 S. 22d St., Richmond, Va.

PREP TANKMEN HERE TO DECIDE CHAMPIONSHIPS

High School Swimmers of State Gather for M. S. C. Tournament.

EXPECT 15 SCHOOLS

Michigan State is playing host to a large number of high school swimming stars here to compete in the annual state championships held in the college pool tonight and tomorrow afternoon.

Approximately 15 class A and B schools will have teams entered in the meet, and some close races are in prospect.

Couch Russell B. Daubert, State track manager, made the following predictions as to team and individual winners. He based predictions on the previous meet as far as the season by the various teams and their members. Battle Creek high school should repeat their last year's victory in class A.

Members of Lansing Central should win the 50 yard free style with James of Battle Creek McKibbin of Lansing Central and Bacon of Pontiac in their class. McKibbin should win the 100 yard free style with Bacon taking second place.

James of Battle Creek is the outstanding entrant in the 200 yard free style event and may break the existing record. Bailey of Lansing Eastern should be runner-up. The 100 yard breast stroke will probably be won by Yeps of Battle Creek in a time around 1:15. Selden of Pontiac is favored in the 100 yard back stroke with Battle Creek's representative pushing him hard. Spartan Side-Lines BY VAN

"King Charles"

Few, if any, pitchers in the ranks of the nation's colleges have a record such as that piled up by Charles Griffin, State's star southpaw. Griffin is entering upon his third season with the Spartans.

For two years the Shelby side-wheeler has been the ace of the college mound crew. His record is more notable when it is understood that as the ace of the mound staff he has been asked to meet the charges of position on the schedule for two seasons. He has pitched in four seasons over the University of Michigan, never having been beaten by the Wolverines. He has pitched Western State Teachers three times.

The record book reveals that Griffin has won 15 games while losing three. Two of his defeats were charged against him on the schedule for two seasons. He has pitched in four seasons over the University of Michigan, never having been beaten by the Wolverines. He has pitched Western State Teachers three times.

Griffin has turned back 136 batters at the plate, averaging 10.6 runs a game. CHAMBERLAIN RUNS

Twenty-one Spartan trackmen left today for Notre Dame where they will participate in the Central Inter-Collegiate track meet to be held there today and tomorrow.

Scholarship men from all parts of the middle west will have representatives from the meet. Last year they had several places out of a field of 100, but this year will take one of the first four spots. The trip.

State Matmen in A. A. U. Meet

Undimmed by their first defeat in five matches, the Michigan State wrestlers are going through their paces in slow tempo now keeping in trim for the approaching Michigan A. A. U. and the national collegiate meet. Influenza removed two of State's stars from the ranks and inability to make weight cost another bout in the final match of the season with Indiana. The Hoosiers won handily 25 to 10. Floyd Austin, 118-pounder, was unable to make the trip because of illness, and Norman Stoner, 145 pounds, was so weakened that he lost his first decision of the year.

Jensen, the 155-pound contender, also was sick. Captain Harry Ryan was unable to make weight for the 135-pound bout.

Although the regularly scheduled spring football practice is slated to start April 1, several veteran players and prospective members of the Michigan State college squad are meeting daily with Coach James H. Crowley to engage in informal drill. When weather permits the sessions are held out of doors and when the temperature is too low the athletes don lighter apparel and practice on the gymnasium floor.

No attempt has been made to organize these practice sessions, only those players who feel they have the time to take from their studies being permitted to participate. The squad is made up for the most part of sophomores who will be attempting to make the team for the first time next fall.

Coach Crowley said that the work at present is concerned with the individual instruction of the prospective freshmen in the shirt that is employed under the system used here. The veterans will assist Crowley in introducing his style of play. No attempt is made during the fall to drill the freshmen in the system of play used by the varsity.

Russell Reynolds, of Flint, has impressed Coach Crowley with his appearance in the backfield. Reynolds lined up recently at right half and moved through the line as a veteran. His speed of foot and ability to grasp the rather intricate details of the play brought forth a compliment from the sleepily-mentored of the Spartans. Ed Kiewicki of Hamtramck and Frank Butler of Chicago a pair of freshmen linemen, also caught Crowley's eye.

One of the hardest working members of the bull carrying corps is Bob Munnell, for two years a star backfield man. Munnell appears WHERE IS THE BALANCE OF THIS STORY?

COLLEGE PUGS EXHIBIT WARES IN TOURNAMENT

Thrills and Humor Feature Annual All-College Boxing Meet.

ABE ELIOWITZ WINS

By CHARLES BAIRD

The final of the annual all-college boxing tournament were held last night in the gymnasium before a crowd of enthusiastic spectators. As in former years, the audience was treated to some good fights. Out of seven bouts, one was won by a knockout, two by technical knockouts and four by decisions.

Abe Eliowitz successfully defended his heavyweight title against Kiewicki, 155-pound contender. The bout was closer than was expected, Kiewicki putting up a smart fight against his more experienced opponent. Clever boxing by Eliowitz, however, gave him a point advantage. Eliowitz did not appear to be putting everything into his boxing but seemed to be working only for a decision.

One of the best fights of the evening took place between Bob and A. H. Baker in the 175-pound division. Bob, after trading in the first two rounds, came back to put Baker away in the third. The knockout came as a surprise to the crowd.

A closest bout place between Spoelstra and Dex in the 158-pound class. In the third round both fighters were practically out on their feet. The crowd was treated to the original spectacle of seeing both boxers fall to the floor at the same time. With the referee's assistance they got to their feet and finished the round. Spoelstra won the decision.

In the 145-pound class, Bortman put his man away in short order. Exhibiting a neat professional brand of boxing, he defeated Kennedy by a technical knockout after less than two minutes of fighting.

In the 135-pound class, Miller gave H. L. Baker a bad beating to win by a technical knockout in the last round.

Putman won a decision over Murphy in the 125-pound class, as did Margich over Power in the flyweight division.

Gold medals were presented to the winners in each division while silver medals were given to the runner-ups.

Repairs on the 155 mm. gun assigned to the M. S. C. unit of the R. O. T. C. have been completed. A new recoil mechanism, costing \$2,000 was installed by order of the federal government.

This gun which is used by the artillery students saw service during the war but has not been used for actual firing since. Although it is improbable that this piece will see any real service in the near future it is a policy of the war department to keep all equipment in condition at all times.

TESTIMONIAL BANQUET

A testimonial banquet at the convention of the Michigan Engineering society at Kalamazoo, Feb. 22 is to honor a Michigan State alumnus, T. O. Williams, 87. Williams also received the honorary degree of C. E. here last year. He has been county surveyor at Grand Rapids for 25 years.

Jerseys and letters were earned by 18 men from athletes receiving white sweaters signifying two seasons of athletic achievement. The white sweaters men are Floyd Dale Martie, lightweight boxing, Roll and Noble Grand Lodge, heavyweight boxing, Fred Laukert, Kalamazoo swimming, Melvin Smith, Hastings, wrestling. Seven men made basketball letters, two made track letters, two made swimming letters, three made boxing letters, and three made wrestling letters.
