

# Michigan State News

THURSDAY, JUNE 2, 1932

WEATHER

Foggy tonight and Friday, occasional showers, but most warmer, possibly clearing Saturday.

CAP NIGHT  
Ceremony tonight on New Drill Field at 7:30

## DANCE AND BONFIRE TO MARK ANNUAL CAP NIGHT CEREMONIES SCHEDULED FOR THIS EVENING

Fresh Pets and Senior Books Will Rest in Ashes of Bonfire. Coeds Have 11:15 Permission for All-College Mixer to Be Held at Old Armory After Ceremonies.

Cap Night, one of the old traditions on the campus, will be held, rain or shine, tonight at 7:30 o'clock. The freshmen will meet in front of the gymnasium and get into their uniforms at that time.

The parade will be led by the freshman band followed by the seniors in caps and gowns and the freshmen in bright-colored uniforms. They will proceed around the campus back to the gym where the freshmen will be judged for the "loudest" pajamas. A prize will be given to the first-year man having the most gaudy pair.

From the gym the parade will proceed to the parade grounds in front of Demonstration hall. Here they will be addressed by Richard Smith, president of the freshmen class, and in turn will introduce Clark Chamberlain, president of the senior class. Chamberlain will pass the class banners to the next year's president, Professor Newing, of the history department who will speak to the group and will also judge the banners of the freshmen.

After the speeches, the seniors will pass by the bonfire to those who have taken the first while the freshmen band plays and the freshmen sing the Alma Mater. Then the freshmen will pass by the first to those who have taken the first. Then the freshmen will pass by the first to those who have taken the first.

After the ceremonies the students will be invited to an all-college party which will be given in the Old Armory starting at 8:30 o'clock. This party is to be very informal and the entire college is invited to come. There will be no admission charge. Coeds are to be given 11:15 permission in order to attend the dance.

Carlton Spencer's singing society will furnish the music for the party. Dancing will last through midnight and 11:30.

Approximately 250 people attended the annual Lantern Night ceremony held on this campus Tuesday night. The procession started in the rear of Secretary Hall and proceeded across the campus to the old armory where the lanterns were placed in the hands of the freshmen.

The procession was led by Beatrice O'Brien, president of the Sphinx society, and Maxine Johnson, vice-president of the same class. They were followed by the senior girls, number 100 and 110, and 110 and 110.

At the headquarters the Sphinx members took the platform and the girls chosen for the organization were named. These girls are chosen for their leadership character and scholarship. The following girls were named: Athena Andrews, president of the A. W. S.; Alice Beider, president of the Home Fraternity; Paula Buel, president of the W. A. S.; Betty Baker, chairman of the B. S. Sister movement; Gladys Leach, chairman of the Y. W. C. A.; Athena Andrews, president of the A. W. S.; from Marian Kline, the A. W. S. council then came to the platform to take the pledge of the society. This council is elected by members of the sister societies.

Beatrice O'Brien then introduced Fredrick Shaw who gave a short talk to the women on the achievements of the girl during the year at the institution.

During the program Jack Foster presided with the chorus from the Memorial tower.

## '1812' OVERTURE ENDS BAND SERIES

Firearms, Carillon Assist in Presentation of Novel Arrangement.

In spite of threatening weather a large crowd of students and townspeople turned out for the final program of the Military band concert series Wednesday night. The presentation was marked by two features of special interest—the presence of Lewis Richards, director of the Michigan State Institute of Music and Allied Arts, as guest conductor, and the rendering of the popular "1812" Overture by Theodor Skowronsky with novel variations.

Mr. Richards played the piano in the concert and was a novelty to those who have attended the concert series this spring.

The "1812" Overture brought the series to a striking close. The highlight of the presentation was reached when the band instruments were hushed and the carillon pealed out at the hands of Jack Daubert, followed by a burst of artillery and the fire. The arms were fired from the vicinity of Abbott hall where they were concealed from the audience.

FOR RENT—Society house. Will be remodeled to suit renter. Phone 438.

STRAWS, 53 and 55—MURD'S

## Hicks, Union Cop, Breaks Own Record

Fred Hicks, the clerical statistician crashed through with some astounding figures yesterday. Fred has broken a record. He has delivered letters for six years taking them from the Union to the post-office and on May 31 he was given 7,000 stamped envelopes containing copies to be mailed all over the world to take over to the postmaster. That brought the total for the month of May up to 12,000. And Fred never misses on the count. All that was to be done. Fred has chosen some his own. He never has quite so much as that memorable day.

He is noted for his industry and energy. He is noted for his industry and energy. He is noted for his industry and energy.

## STUDENTS TO GIVE RECITAL

Music Students Will Present Program at Abbott Hall Tonight.

**DO YOU INHALE?**

Is this question too revealing for other cigarettes?

WE do not criticize others. We merely call your attention to the fact that the vital subject of inhaling has been generally avoided in cigarette advertising.

Why? What's there to be afraid of? *Everybody inhales!* Seven out of ten smokers inhale knowingly—the other three do so without realizing it. From your side—you want to be sure that the smoke you breathe in is pure and clean—free from certain impurities.

But from the manufacturer's side—he should be sure of giving you this protection. And if he is sure—he need not worry about the question: "Do you inhale?"

Lucky Strike has dared to raise this vital question... because certain impurities concealed in even the finest, mildest tobacco leaves are removed by Luckies' famous purifying process. Luckies created that process. Only Luckies have it!

# KOBSMEN END HOME SCHEDULE WITH WIN FROM CHICAGO AND GO ON ROAD FOR THREE GAMES

### Spartans Play Michigan State Normal Today, Meet Notre Dame Saturday, and Western State Wednesday; Griffin Ends Chicago Game With Homer.

Three games remain on the Spartan baseball schedule this season. Two of these will be played this week, while the third will be played next Wednesday.

The game scheduled with the Michigan State Normal college at Ypsilanti for yesterday afternoon was postponed on account of rain and will be played at the Huron field this afternoon, weather permitting.

Saturday the Kobsmen will endeavor to make it two straight over Notre Dame when they meet the Irish team at South Bend. The last game will be played at Kalamazoo against Western State Normal June 8.

The entire squad left last evening for Ypsilanti where the State team will endeavor to avenge a defeat at the hands of the Huron pitcher in the season Michigan State Normal having lost only one game in nine starts, is favored to win the game on the basis of its showing to date.

Michigan star Huron southpaw who fumbled the Michigan State team in the first game will probably be at the mound again for the Spartans. In view of the left handed pitcher in the opposing pitcher it is doubtful that State will be able to win unless pitchers have always been a weakness for the team throughout the year.

Only an ending that seldom is heard of outside of story books saved the Spartans in their game against Chicago Monday.

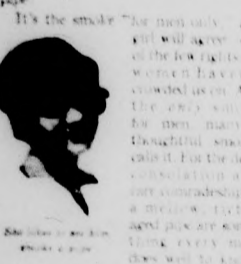

Charles Griffin who had pitched a good game but had allowed a run through the inability of his mates to support him at critical moments, whiffed a homer in the ninth with McCaslin on base to win the game.

With two out, the score 6 to 5 in favor of the Chicago team and the count two strikes and one ball on Griffin, the pitcher, straggled upon the next pitch by Hank Shaw and drove it into the trees in deep center. He scored easily after McCaslin had batted in the tying run.

Today's game will probably find Gerald "Doc" McCaslin on the mound for State. The tall right-handed pitcher, according to Coach Griffin, is particularly one of the best pitchers on the mound, but seems to lack confidence when pitching in a game. He did not work against the University of Iowa but when he was put in against Ohio university.

## To MEN only!

NO NEED to pick a "Ward Keen" at the end of the advertisement. They only of quick eye-awaken they find out what it is all about.

And you taste the satisfaction of deep smoking at its best when you will appreciate the Edgeworth. There is no other in the world like a pipe. A pipe is a man's best friend. It is a man's pride. It is a man's joy. It is a man's life.

## EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of the old tobaccos, with a natural flavor enhanced by Edgeworth's distinctive and exclusive curing process. Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All packages, 15¢ pocket package to \$1.50 pound hamper tin.

## NETMEN MAKE BID FOR TITLE

### State Conceded Chance to Cop State Honors With Strong Team

Today one of the best tennis teams ever to represent Michigan State college is making its bid for the State Intercollegiate tennis crown at Kalamazoo. For the first time in many years tennis has held the spotlight of interest in spring term minor sports.

Although Western State has been favored to win the team championship in the state meet this week, and the teachers will find plenty of opposition in state's netmen. Western State defeated State by a score of 2 to 1 in the match last Saturday and has met and defeated virtually the same teams that State has met.

Stanley Wells, State's sophomore number one man, will undoubtedly hold the center of interest in the state championship singles meet. Wells already has several championships to his credit, including the Central Rapid senior championship and the state intercollegiate freshman title of 1931.

Levin of Western State who is a contender for the state title this year has been defeated twice by Wells. Levin and Wells played at the Central Rapid championship in 1930 and the fresh championship last spring. Carson of Michigan State Normal college is the only man to defeat Wells this year. He defeated the Spartans in State's first year with the Huron and 2-1.

Wells however, has defeated the U. M. captain who represented Central State in the state meet. State's tennis team has been doing well in the past week. Wells and Carson were the mainstay of the team in the state meet.

Wells and Carson will be state's mainstay in the singles matches. Wells has won five of the past six matches, and Carson has won the last two. Carson's record is 2-1 in the state meet.

Carson and Wells will be one of the mainstays of the Huron and Michigan State tennis teams. Carson is a sophomore and Wells is a sophomore. Carson is a right-handed player and Wells is a left-handed player.

The Spartans' tennis team will be one of the mainstays of the Huron and Michigan State tennis teams. Carson is a sophomore and Wells is a sophomore. Carson is a right-handed player and Wells is a left-handed player.

The Notre Dame game will see Charles Griffin on the mound in what may be the last game for the left-handed pitcher. He will attempt to score his second win of the season over the Redwings. The Notre Dame pitching staff will probably be Charles Bell who has led the State team in the first game.

The Western State game will close the season for the Kobsmen. The 2-1 defeat which the Teachers gave the Kobsmen in the game played here will serve to put the team in order in an effort to down the Western State team.

The Notre Dame game was played at the type of ball the Kobsmen had been playing during the last week or so. After losing against Michigan, the Spartans went to Mt. Pleasant where they lost to Central State Teachers college 7 to 5. Saturday they lost to Western State, where they were able to save the dignity of Black, Western State pitcher.

Against Chicago the team was needed for a loss. The Spartans scored in the first inning. Chicago tied it up in the second. They went two runs in the lead in the third, but the Spartans tied it up in their half of the inning. In the fourth Chicago made three runs while State could make only two. There epical ninth.

## THIS and THAT

### "KING" CHARLES ENDS

Only in the movies and in Frank Merrill stories are the last home victories of the type that have been won by Chicago Monks ever seen. However, the home run that Griffin poked to win his own game, the last home game and the last to be pitched against the Big Ten team for the brilliant southpaw, was not just a movie home run. It was a real one.

That went into the trees in center on the fly, and the ball didn't get back into the infield until after Griffin had scored easily.

Incidentally, Griffin has won every game save one that he ever pitched against Western Conference teams. That one was the recent loss to Michigan, and that wasn't the second time to lose pitching as to his contract with the team. Griffin is not to be surprised at his own pitcher's early Kobs is willing to admit that Griffin is not about the best pitcher that has batted for him in his eight years as head baseball coach.

Young Pat Page, son of the great Pat Page of Chicago athletic history, did not meet with much success on the mound in the game he pitched against Michigan State. The senior Page was coach of the Michigan team, and started his son in the last but he called Roy Henderson star southpaw pitcher in from right field to get his off-spring out of one hole later he ordered his son back to the mound again only to see him fall to protect a three run lead he had been given.

When Michigan State a second time jumped Page for two runs within one of a tie, the coach sent his son back into right field and let Henderson finish the game.

Two more Michigan State baseball players will be seen in professional baseball this summer. Charles Griffin will get a tryout with the Milwaukee Brewers, while Capt. John Madonia will be with either the Boston Braves or the New York Yankees. It is our guess that both of the boys make good.

All athletes who wish to try out for Sigma Phi Epsilon national fraternity may also see from Monday to Friday inclusive of next week from 5 to 6 at the stadium. A list of events which all applicants must pass before becoming a member are listed in the examination.

State men making the trip are Lafayette Keast, Pommer Warren, Wilson, Stephenson, Small, Elliot, Bath, Liberty, Holcomb, Klumbeck, Hill, Ross, Pile, and Hovey.

The team left today at 1 p. m. and will arrive in Chicago on Monday and are due to arrive in Milwaukee tomorrow noon.

## TRACK SQUAD LEAVES TODAY FOR C. I. MEET

### Young Takes Sixteen Men to Marquette for Two Day Races.

## SPARTANS MAY WIN

The Central Intercollegiate track meet to be held in Milwaukee tomorrow will find State representative by all likelihood, who scored points in the State Intercollegiate.

Bob Mitchell starred for State in the Detroit City match, winning three points in the mile and combining with Bob Madonia to win 25 in the four mile. Capt. Arnold Garfield won the single mile 2 to 1.

The Spartans are in good shape to face the stiff competition that awaits them in the form of such men as Mitchell, a colored boy from Marquette who recently ran the 200 in 34.4 two tenths, of a second under the world record, and Halton of Iowa who holds the world record in the 120 high hurdles with 1:24 although it is not certain that Iowa will be entered.

Carl Liberty and Ted Bath, who have been taking the hurdles to the Spartans for the past two years, are up for a tryout in these events as the Huron handies handed them a defeat in the State Intercollegiate, although the two Spartans defeated them last year.

Keast is a Spartan high jumper and stands an excellent chance of winning the 400. This event will undoubtedly prove one of the most exciting of the meet. Marshall of Notre Dame, Arnold of Spel and Francis of Marquette will be Keast's toughest opposition. All of these men have done a 49 or better.

Otto Pommer will run the half mile. His best time for this event is 1:50. Wilson of Notre Dame has a 1 to his credit so the race should be a close one. Small captured first place in the two mile in the State Intercollegiate and is included to repeat tomorrow. He stands a good chance of winning in the event, although his competition will be all.

State men making the trip are Lafayette Keast, Pommer Warren, Wilson, Stephenson, Small, Elliot, Bath, Liberty, Holcomb, Klumbeck, Hill, Ross, Pile, and Hovey.

The team left today at 1 p. m. and will arrive in Chicago on Monday and are due to arrive in Milwaukee tomorrow noon.

## GOLFERS WIN TWO DETROIT MATCHES

### Spartan Mashie-Wielders Run Winning Streak to Five Straight

Michigan State golf team ran their winning streak to five straight victories by defeating 4 to 2 the University of Detroit and Detroit City college at the metropolitan last week end. The Spartans avenged an earlier defeat by turning back the city college quarter 9 to 6. The victory over the 47ers was the best of the season.

Bob Mitchell starred for State in the Detroit City match, winning three points in the single and combining with Bob Madonia to win 25 in the four mile. Capt. Arnold Garfield won the single mile 2 to 1.

The Spartans will close their season Saturday at Ypsilanti when they attempt to add the cup of the Michigan Normal team to their collection.

## Seven State Trackmen to Visit Coast

### A Trip to the Pacific Coast with all expenses paid will be the prize for members of the Michigan State track team who accomplish victories in their promising performance in the Central Intercollegiate outdoor championship meet to be held at Marquette university in Milwaukee Friday night.

Coach Philip H. Young has announced that seven members of the Spartan track team will be taken to the U. S. A. A. meet to be held in Berkeley, Calif. and that they will be financed in making his choice in the results Friday night.

The trip comes as the result of Michigan State's membership in the U. S. A. A. A. over a period of years. Three large universities in California guaranteed the center team \$1000 for expense money in order to secure the meet for the next coast. This money is being spread among the eastern members and the Spartans draw a check large enough to permit seven athletes and Coach Young to make the trip.

Robert Keast, Lansing sophomore quarter miler, and Otto Pommer, Detroit half miler, are likely choices for the trip. Both have won Michigan Intercollegiate championships in their favorite events. Ted Bath and Carl Liberty, hurdlers, and Halton, miler, two miler, are others favored to be chosen.

Notre Dame university, winner of the indoor title in the outstanding favorite for the team championship, Michigan State although runner-up of Notre Dame in a dual meet last spring showing three to two over the team, is the only one of the meet to have a high fourth champion will be repeat out of doors.

A popular magazine sponsored this one. The student may be invited only if absence are caused by long continued illness or death. College Regulations Division will verify favorable cases.

## Co-eds Vote to Adopt Revised Constitution

At the all-college election held last week the co-eds voted to adopt the revised A. S. C. constitution by a vote of 45 to 50. Fifty votes were secured 34 of the present members of the new code. Fourteen of these votes were cast against Article 1, section 2. Five each were cast against Article 1, section 3, Article 2, section 3, and Article 3, section 2. The new set of rules will be in effect next fall. Four of the co-eds seem disappointed because of the change.

### NZESPION (born with wings)

Exhibit A, Mercury --- Exhibit B, Pegasus

In the best families (or any others for the matter) that doesn't happen nowadays. Hence the United States Air Corps offers some attractive inducements to you college students before you get your wings. Pay you a salary of \$75.00 per month. Pay your living expenses. Supply you, of course, with snappy, tailor-made, sky blue uniforms. Grant you the social and military privileges of potential officers. Grant your traveling expenses from your home to the new field at San Antonio.

Seven hundred men are taken in each year. The course requires a year or complete as it includes over 200 hours of solo flying. Those who stay the full year are commissioned as Lieutenants in the Air Corps Reserve.

If you don't like the training you may resign at any time. For example:

Should you stay three months and then resign you will receive \$225.00 cash, your round trip expenses from your home to San Antonio, and about 35 hours of solo flying.

The service and associations of the Air Corps gives its members a very real distinction and a very noticeable breadth and poise.

If you have applied and are ready to go we have compiled information and tips, giving you inside angles and data that will be invaluable when you arrive at the field. If you haven't applied yet then by all means get our information. We tell you the entrance procedure and certain tests that make your getting in easier and quicker. The information written by men who have been through the school covers all points from beginning to end that you are interested in knowing. This information cannot be obtained elsewhere, it is complete. Nothing else to buy. The price is \$1.00 or sent C. O. D. if you desire.

### NATIONAL AVIATION SERVICE

742 South Hill Street Los Angeles, Calif.
