WATER PAGEANT FRIDAY AND SATURDAY NIGHTS TO REVIEW HISTORICAL EVENTS AT M. S. C.

Societies Plan Novel Floats in Depicting Theme of Carnival; Friday Night Announced As Student Night With All College Dance Following Water Event.

Great interest in the annual senior Water Carnival, which is scheduled to occur from 7:00 to 10:00 on Friday and Saturday night of this week, has already been indicated by the large sale of tickets for the event. The Carnival this year will take the form of an historical water pageant depicting important events since the founding of Michigan State college.

Latest developments in the plans for this annual water event include an announcement by the carnival committee that Friday night has been designated as student night and will be featured by an all college dance on the playground between the Union building and Women's building at ten o'clock following the carnival. Music for this event will be furnished by the M. S. C. Collegians, a ten-piece band, and dancing will last until 12:30. At the same time as the all college dance, there will be a roller skating event on the playground in front of Ag Hall which will be open to all students. As many students as can be accommodated are invited to bring their own skates for this event and in addition the committee announced that there will be roller skates for rent at a small charge.

The Dreams of Old Red Cedar is the theme of the program for the Water Carnival. The program itself has been printed as a sixteen page booklet and is more elaborate than those used in previous years. Among other things it includes messages from President R. S. Shaw, Glenn O. Stewart, and the carnival committee. Pictures of the senior class officers, Cornelius S. Hampton, chairman of the event, and Clarence Van Lopek, editor of the State News, who has served for the past two years as consultant on details of float decoration for the carnival, also appear in the program.

James B. Haselmann, director of publications, will act as announcer for the program for both nights of the carnival. The special water and entertainment events scheduled to begin at seven o'clock will start off with the canoe races and will be followed by canoe doubles at 7:30. Canoe mixed doubles also at 7:30. Canoe tripping at 7:45, entertainment by Pop Warner and Jab Barnard at 8:00, and by the lacrosse sisters at 8:45.

Entries which have been announced for the canoe events include: The canoe singles, Dick Miller, Delta Sigma Phi, Rex Aurand, Theta Kappa Nu, George Thomas, Enochman, Bill Burgess, Enochman, Harold Balback, Delta Sigma Phi, John Alexander, Delta Sigma Phi. Those listed for participation in the canoe doubles are George Thomas, Enochman, Enochman, Harry Leonard, Gladstone, Theta Kappa Nu, Paul Jensen, P. Vincent, Phi Kappa Tau, H. Balback, J. Alexander, Delta Sigma Phi, and Dick Miller, Delta Sigma Phi.

SENATE ALTERS ARM YMEASURE

Provision Cutting 2,000 Officers From Army Eliminated in Committee.

Another provision of the Army Appropriation bill introduced into the House of Representatives recently, affecting the R. O. T. C. work in colleges throughout the country, has been subject to revision. The part of the bill which provided for the cutting of 2,000 officers from the regular army was crossed out by the senate. The first major modification was accomplished in the house when money was awarded for the continuance of summer camps through the coming fiscal year.

The senate committee on Appropriations ran into difficulties when it returned the measure to the floor of the chamber. It seems that the proposed cut in the number of officers had been crossed out but no money had been added to the appropriation to cover their salaries. It was necessary to rush the bill back to the committee which proceeded to add over \$4,000,000 to the army budget.

Nothing definite has been done in regard to the other provisions of the bill directly affecting the continuance of collegiate R. O. T. C. units. It will be necessary for the senate to submit the revised bill to a joint committee from the house and senate in order to reach a final agreement.

New Course Planned By Art Staff For Fall

A new course in art appreciation to be offered by the art department next fall. The course, known as the "Art Appreciation" course, consists of ten lectures and ten hours of laboratory work. It will be held in the Union building on Wednesdays and Thursdays evenings to collect as many volumes as are obtainable. The board representatives will call at all faculty and society houses between 7 and 10 p. m. next Tuesday, Wednesday and Thursday evenings to collect as many volumes as are obtainable.

The members of the volumes will receive a receipt for the amount they contribute as the price of each book. The receipts will be returned at the Union desk when the books are sold. In no case will a receipt be made for less than the stipulated price.

Collectors will be made next week in order that the volumes may be catalogued and placed on sale at the beginning of the fall term. It is hoped that a large and varied stock will be on hand at that time. For the convenience of students, a catalogue of the stock will be available at the Union desk when the sales open next fall. The Union board has taken over the project of increasing the stock and preparing a catalogue in response to a growing demand for used books.

COUNCIL VOTES TO TRIM FEES

Student Council Acts to Reduce Student Voted Fees to \$7.25

Discussion of a cut in student voted fees for next year was the main item of business at the final meeting of the Student Council, held on Tuesday, June 6. A motion was carried to reduce the student voted fees from \$11.00 per year for each male student to the amount of \$7.25, and the change to trim the cost and the class dues for all students from \$11.00 to \$7.25 was carried by a vote of 11 to 2.

Further business in connection with this last meeting of the governing body consisted of a discussion of the plans for freshmen orientation during the freshmen week next fall. It was decided to ask for a convocation of both freshmen men and women at that time at which representatives from the Student Council, A. W. S. State News, and Women's will be given an opportunity to address the new students. The committee on honorary fraternities reported that seventeen out of 28 honoraries had responded to cards sent out by the council asking for lists of newly elected officers in these organizations who will serve for the coming year.

ADD NEW PROVISIONS TO CUT SYSTEM RULES

New Attendance Regulations to Cover Special Cases Are Listed.

Students who have not completed their registration within the required time will be marked absent during the first registration period. Absences during the first registration period will be given for absences due to late registration. Absences previous to the time a subject is dropped will not be excused. A sufficiently good reason must be presented to the instructor of a class entered ten minutes past the start of the class or excused later. Such tardiness is required to be corrected before the next class period.

KOBSMEN BOW TO WESTERN STATE NORMAL; NUMEROUS ERRORS PAVE WAY TO DEFEAT

State Finished Season With 6 to 4 Trouncing; Loss is Third in Row, Fifth in Last Six Starts; Cuthbertson and Langer Get Hits.

By STEPHEN ROGIENSKI
Michigan State's baseball team closed its unsuccessful season at Kalamazoo yesterday afternoon when they were defeated by the Western State Normal team, 6 to 4.

The defeat was the second at the hands of the Teachers, and the fifth by Michigan colleges this year. The defeat entirely eliminated any hope State might have held for recognition as a contender for state baseball honors this year.

The team that closed its season yesterday was one of the weakest to represent the school within the past few years. Early promises of potential strength on the southern trip faded as the season progressed and the team played only mediocre baseball throughout the season.

Erratic playing of the Michigan State infield, which has been its chief characteristic during most of the season was in evidence at Kalamazoo. Three errors, coupled with four scratch hits gave Western State four runs in the third inning, which put the Teachers in the lead and allowed them to win the game.

Griffin started on the mound for Michigan State. This was his last appearance in a Spartan uniform. As has been the case in just about all the games that the Shelby left-hander has pitched this year, he received miserable support. "Chip" could not win his own game yesterday as he had won several others this year by scoring the winning run himself, and also striking out most of the enemy batsmen in order to assure himself of safely retiring the side without having to stand the chance of his mates making a bobble in the field. He was jerked at the end of the third inning.

The Spartans were out-hit by the Kalamazoo team 7 to 6. But the Kobsmen out-errored their opponents 3 to 2. The errors, which about spelled the margin of defeat for State.

Going into the last half of the third inning with a one run lead, Michigan State proceeded to make three mistakes. Langer made one and McGinn effectively finished the job with two more. During the inning only one solid hit was made, while three others went over the heads of the infielders who were playing in close.

The splurge gave the Teachers four runs and meant the end of Coach Griffin's stay on the mound. Pete Brose replaced the portender in the fourth and went

BASEBALL

With the playing of yesterday's game against Western State Normal at Kalamazoo, four regulars in the Michigan State lineup have retired to the college's sport. Captain John Madonna, who has been at short for the past three years, Charles "Chip" Griffin, one of the finest hurlers ever turned out at State; Harold Cuthbertson, second baseman, and Pete Brose, pitcher, are the seniors who participated for Coach John Kobs for the last time.

Left-handers have been panned for Michigan State's ball team this year. Although they were able to beat Inerham of Iowa, Pitt of Notre Dame, and Henshaw of Chicago, they were forced to take it on the chin from Michaels of Ypsilville and Black of Western State. The Kobsmen wilted before the curves of the woadsides this year, finding it difficult to get the pellet out of the infield in many of the games.

NOT SO GOOD

Michigan State failed even to come close to a mythical state collegiate championship in baseball this year. The Kobsmen were defeated by Michigan Normal and Western State Normal twice losing yesterday's game to the Teachers 6 to 4, and to Central State and the University of Michigan once.

TROPHY CASES

Numerous old trophies which have been won by Michigan State teams in the past were resurrected from dusty hiding places in the gym during the last week and placed in trophy cases in the Union lobby where they may be seen by all. The assortment included an old fashioned coffee pot, silver plated and all which has passed a doubt in the minds of all who have observed it.

SPORT SPIGOT

Polo was abandoned this term because of conflicts in military department schedules. The sport had gained considerable prominence last fall and winter, and will, no doubt, be revived next fall. To Gail, Sorry, Old Man, we'll do better by you next time. Only the track team will be participating in any athletic events this week end.

FRESH PLAYERS GIVEN AWARDS

Frimodig Gives Out Seventeen Numeral Sweetlers; Season is Successful.

Coach Lyman Frimodig's freshman baseball team ended a successful season by winning a double victory over Lansing Eastern here last Wednesday and Saturday. The Fresh batsmen won the first encounter 12 to 5 and the second 15 to 7.

In the first game Killeen and Grant did mound duty for the Spartans, and in the second Killeen vent the entire distance unassisted. Practically the entire squad got into the two hitting crises against the Quakers, and Coach Frimodig expressed satisfaction with the performance of his men.

Red Norton, star Tuscumban, Ala. outfielder, was one of the star members of the freshman. He was the leading slugger of the team, cracking out a .580 average for the season, and his fielding was beyond reproach. Parker, with a .500 average, was next in line in batting. The team average for the season was .433. Five games were won and two lost.

Black Wins Second

Vict Black, Western State south-paw, for the second time showed the Spartans some new pitching and squelched the weak attempts of the State team. The Kobsmen were effectively bottled up as per usual and went out with a two run splurge in the eighth and ninth innings which was but the loud echo of a very subdued fizzle in the first four innings. The Fighting Sussertans fought not with their old-time fight, but fought nevertheless, and to no avail. The game was the third straight that State had lost, and the fifth out of the last six encounters.

Cuthbertson Finally Hits

Gaffer surprised the fans and Spartan supporters by blasting out a home run while Langer and Cuthbertson sat idly by. It was Cuthbertson's last hit in collegiate competition and was quite a tasty blow. The score by innings:

Michigan State 010 100 011 4
Western State 004 010 000 8
Batteries: Michigan State—Griffin, Brose, Pemberton and Morse.
Western State—Black and Thomas.

The University of Cumberland has a Greek graveyard in which are buried the memories of fifteen chapters of Greek letter fraternities which have passed on since 1854. Four of the chapters were strangled to death during the Civil war, and the other eleven just died natural deaths in the years since then.

TRACK SQUAD TAKES FIFTH IN C. I. MEET

Spartans Win 21 Points in Hottest Competition on Cinders This Year.

PONGRACE IS STAR

By RAY E. MIX
Michigan State's thirteenth journey to the Central Intercollegiate in Milwaukee last Friday and took fifth place out of a field of 17 middle-western schools. Marquette proved the best on her own stamping grounds, winning the meet for the first time since 1928. Wisconsin State, Penn State and Ypsilville scored ahead of the Spartans. Michigan State was up against stiff competition but displayed some unusual talent in several events. The fine work of three men, Lafayette Keast and Pongrace left nothing to be desired while the Spartan one-mile relay team, composed of Pongrace, Henry Warren, and Keast, clocked for the time of 3:29.6, a new record. This accomplishment was especially pleasing to the coaches and team in that this same team was defeated earlier in the year by Ypsilville in the dual meet, and by Notre Dame in the dual meet. The four men composing this team are all sophomores.

Ken Lafavette Shines

Ken Lafavette turned in the best performance of his college career, placing third in the 100 and 220 yard dashes, which is good work considering that on both occasions he was close behind Metall of Marquette, who is undoubtedly one of the country's outstanding hurdlers for Olympic honors. Metall was clocked at 9.8 for the 100 and 21.2 for the 220, both of which are meet records that equal those set by John T.orney of Marquette last year.

Reper Keast was in a tough spot when he found himself lined up for the start of the 440 with nine men behind him who could do 49 flat, which was his best time, so he ran the stretch in 48.9, taking third place behind Wilson of Notre Dame and Arnold of Ypsilville. The Notre Dame man was timed at 48.8, a new record. Warren took fourth place in the event.

Pongrace Breaks Record

O. Pongrace continued a series of wins by taking first place in the 150 with the time of 1:56.3 which, although it did not establish a new record at Marquette stadium, is a new Spartan varsity record. Still, he had some bad luck at the start of the two mile, turning his ankle on the curve and being hit by track in the first forty yards. He had almost completed six laps when the crowd-ed track caused him to step on the curb, again turning his injured ankle and causing him to drop out of the race entirely.

All boys made his best throw of the year when he heaved the discus 133 feet, winning fourth place. Ted Path took a third in the 120 high hurdles, making out Beauty of Ypsilville. Pongrace was seventh in the high point honors, scoring 65 points, the highest number scored by a State man.

The annual was discontinued at the University of Dayton because of the fact that students would not subscribe to a large enough number of books.

OLYMPIC GAMES

Wrestling was already down to a science five thousand years ago. Big bullock "Strangler" Lewis prides himself on his deadly arm and head locks. Gus Sonnenberg, world's heavyweight champ in 1928, imagines that his bone-cracking jack-knife hold is the latest thing.

Both these professional wrestlers would deduct a neat sum of credit for originality from their wrestling accounts could they know that the friezes on the walls of Egyptian temples at Beni-Hasan on the Nile show wrestlers using every hold known today.

In speaking of strength and consistent performance—pride would take a fall could they know that about 2400 years ago Milo of Croton scored 32 consecutive wrestling victories in various national finals six of them in the Olympic Games. He concluded his performances by carrying an ox on his shoulders through the Olympic Stadium.

When they wrestled in that day, they did a thorough job of it. Philostratus, ancient scribe, says of the pankration or free-style bout to a finish. "They employ everything short of biting and gouging." With all that to Homer and his cronies, wrestling is a symbol of the triumph of civilization and science over brute force. Correct form, elegance and beauty of movement were demanded.

The Olympic wrestlers will be classified into seven divisions according to weight: bantamweight (123 lbs.), featherweight (134.5 lbs.), lightweight (145 lbs.), welterweight (158 lbs.), middleweight (174 lbs.), light-heavyweight (191 lbs.) and heavyweight.

ELEVEN INDUCTED TO SIGMA EPSILON

Swingout and Banquet Held Wednesday and Thursday of Last Week.

Sigma Epsilon, honorary economics fraternity, held its annual swingout last Wednesday morning. Eleven business administration students took part in the initiation ceremonies.

A banquet held in the Union dining room Thursday night marked the climax of the formal induction. J. Simke, executive chairman of the governor's unemployment committee, gave the address of the evening on the social results of our present economic condition.

The men who took initiation are as follows: G. F. Brunsten, H. W. Froebel, I. H. Glanders, A. N. Mann, H. M. Olsen, R. L. Reese, G. L. Smith, R. C. Stonechild, S. E. Wells, R. E. Knutsala, J. W. Hicks.

VETERINARY ASSOCIATION HOLDS CLOSING MEETING

At the final meeting of the Junior Chapter of the American Veterinary Medical Association held Monday evening the following officers were elected: Fred Gasow, president; Max C. Abraham, vice-president; Kenneth Van Noecker, treasurer; Maurice Court, secretary.

Dr. Sales, a faculty member, gave a short talk on the advantages of having a membership in the American Association. Another feature of the program was the awarding of the scholarship prize to the senior having the highest scholastic average during the senior year in the veterinary division. The winner this year is Oscar W. Schmitt. The program was concluded with farewell talks by the seniors present.

WATER PAGEANT OPENS FRIDAY

(Continued from page 1)
Thomas-B. Burgess, Elinor, Robert, Robert, William, Gilliland, Heppner, P. Vance, Paul Jensen, Phi Kappa Tau, J. Wilson-Moyle, Phi Phi Kappa Tau, and H. Back, J. Alexander, Delta Sigma Phi. For the canoe mixed double, George Thomas and partner, Virgil Bolton and partner, and Tom Otley and partner are listed for participation.

Girls vote for PIPES (for men!)

ASK any girl you know to name her favorite smoke—for men! Ten to one she'll say a pipe!

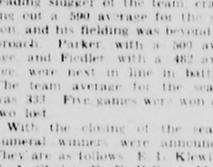

She's discovered trust her bright little eyes—that it's the BIG men, on the campus and off, who welcome the mental stimulation and relaxation they get from this real man's smoke.

And if she's very wise in the ways of smokers, she'll go one better than that. She'll tell you the men who know, smoke Edgeworth!

No two ways about it, you do get a doubly satisfying smoke when you fill up your pipe with this famous old blend. It's a happy combination of choice burleys—cut long to give you

a cool, slow-burning smoke. And its mellow flavor and rich aromahave made Edgeworth the favorite pipe tobacco on 42 out of 50 campuses.

Help yourself to a peaceful next time someone pulls Edgeworth out of his pocket. Pick up the familiar blue tin yourself at any good tobacco stand. Or for a special free sample packet write to Larus & Bro. Co., 105 S. 22d St., Richmond, Va.

SMOKE A PIPE FOR MEN

Edgeworth is a blend of fine old burleys, with its natural savor enhanced by Edgeworth's distinctive and exclusive elevating process. Buy Edgeworth anywhere in two forms—Edgeworth Ready-Rubbed and Edgeworth Plug Slice. All sizes, 15¢ per package to \$1.50 per pound humidifier.
