So Forget It

We have marred our perfect record now, but that's no reason why we should overlook the remaining three opponents. Football is played to prove character, not to build up records on paper, and it takes a lot more onality to be acclaimed in defeat than to be cheered in victory. So when Detroit comes up here next Saturday, we'd like to see the old pepper in there again and the team can be assured that their supporters will have no less confidence in them than they confidence in them than they had after the Michigan game.

Ottey, Bechtold, and Nelson Gardner Finish in Scoring Positions for State; Zepp of Michigan Normal Sets New Meet Record.

The Spartan harriers, after receiving a scare last week from Indiana, came back in the 19th annual state intercollegiate cross country run held here at East Lansing last Saturday and won the meet with 25 points. Bill Zepp, of Michigan Normal, hung up a meet record of 20:44.5 to nose out Tom Ottey, leader of the Spartan pack, and take first place. Ottey, Bechtold and Nelson Gardner came in in that order, with Johnny Hammer one place removed and Bob Gardner running tenth to finish the first five men over the line and took first over Michigan Normal, Western State and Kalama-

WE tell you that Chesterfield Cigarettes are made of mild, ripe tobaccos. We've told you about the paper-that it's pure and burns right, without taste or odor.

We have said that Chesterfields are made right. The tobaccos are aged, then blended and cross-blended, and cut into shreds the right width and length to smoke right.

These things are done to make what people want-a cigarette that's milder, a cigarette that tastes better - a cigarette that satisfies.
