In the manner typical of all conservatives, we were skeptical at and ending with an optimistic prophecy that America the strong will first and viewed with suspicion the chain letter salesmen who mused, again triumph over evil and regain its normally before the last "It wouldn't be hard to make four copies of this letter instead of two insidious letter is delivered by a toticning postman." We of this less mature paper feel differently about the chain letter we of this less mature paper feel differently about the chain letter

We of this less mature paper feel differently about the chain letter fact. We are convinced that such schemes, though moleculous, are a good ionic for a nation that is too sluggish at present. To an American that was thrown into a penny-pinching stupor by its losses in stock market speculation when financial structures were running high, wide and handsome, the chain letter mod other devices for putting money into circulation were little doses of elixit. When the chain letter reached this locality we found ourselves who took of their wrappings for the first time in months to sell eagerly what might net them a few casy dollars. However, we reacted
