Otley Named Alumni President of Class At Swingout Monday

Palmer, O'Dell, Roman, and Kreuter Other Officers Chosen to Lead Class for Next Five Years; Otley, Shaw, and Stewart Are Speakers

By LARRY DUFFEL

Thomas C. Otley, of Ardmore, Pa., president of the senior class, was elected permanent alumni president of the class also at the elections held after swingout ceremonies Monday night. Other officers chosen were Charles Palmer, Scottville, alumni secretary for men; Richard O'Dell, Lansing, alumni director for men; Patricia Roman, Detroit, alumni secretary for women; and Mary Jean Kreuter, Grand Rapids, alumni director for women. These officers will serve for five years and will form the committee in charge of the five-year reunion of the class in 1940.

Another School Year

By FREDERICK C. OLDS

With this the Spring term of 1935 rapidly drawing to its inevitable close and bringing with it the final Varsity of 1935 to the college events of the past school year, it seems necessary for the benefit of our reader that we take among the most interesting of these events the annual address of the senior class. Although stating that it was not necessary to list the things the class had done during its four years, Otley humorously mentioned, the most important event of each year including the repeal of the eighteenth amendment and the resulting advent of legal beer during the Junior year, and the defeat of Michigan last fall. Otley then went on to advise the class to either get a little Michigan State spirit or obtain it if already possessed. He then presented the class to President Shaw.

President Shaw then addressed the class commending it upon its achievements and splendid spirit. He went on to discuss the growing importance of Michigan State college in the field of education, laying great weight upon the wide territory represented by the home towns of the students enrolled here. He then introduced Alumni Secretary Glen Stewart, who then gave his address given each year at this time.

Stewart spoke on alumni and alumni work, stating that the alumni represent the third estate of the collegiate world, the first two being the faculty and students. Although he said that some colleges find their alumni interfering too much with the athletic situation here, nevertheless, the secretary stated that the alumni's opinions, influence and financial support were indispensable.

Stewart then went on to discuss the official organization of the Spartans alumni, the M. S. C. Association, performed by the alumni office in addition to the publication of the M. S. C. Record, a monthly magazine. He then mentioned a few of the famous people who are numbered in the alumni of the college, including Liberty Hyde Bailey, Ray Stannard Baker, E. A. Davenport, and Helen Hull. He then concluded with the statement that these older graduates think about the school in a way in which the present class can, not as yet, but that some day such will be the case.

After Stewart's address the meeting was disbanded and a few of the more playful seniors took turns on the swings strung from the trees in the Forest of Arden.

MORTAR BOARD TO INITIATE ALUMNAE

15 Former Sphinx Members Expected to Join Honorary Sat.

Mortar Board plans to hold an initiation on June 8 for alumnae of Sphinx, the local honorary which became Mortar Board last fall. This initiation is being held because of requests from alumnae who were unable to return at the time of the installation last November, when about 30 former members of Sphinx were taken into Mortar Board. From 10 to 15 alumnae, representing classes as far back as 1916, when Sphinx was founded, are expected.

Those to be initiated will meet in the women's lounge of the Union at 10:30 on the morning of June 8, where they will be greeted by the Mortar Boards. The formal initiation will be held in the student parlors of the Peoples church and will be over in time for members to attend their class luncheons if they desire to do so. The initiation will be conducted by this year's Mortar Boards, the newly elected members, Dean Elizabeth Conrad, Miss Elizabeth Daniels, and Miss Irene Shabert.

PLAN MEETING OF COUNSELORS FOR THURSDAY

All Girls Working on Project Are to Get Final Instructions and Materials

DEAN CONRAD TO TALK

Committees Have Already Met to Discuss Plans for Next Fall's Campaign

Freshman counselors will receive their final instructions and their materials at a meeting in the lecture room of the faculty building Thursday afternoon from 2:00 until 4:00. All freshman counselors and girls on the reserve list as well as the sophomore committee of five must attend this meeting in order to be fully equipped to carry out the counselor system next fall.

At this meeting Dean Elizabeth Conrad will command briefly on the work of the freshman committee and Marjorie Chase, president of Freshman Council for next year, will explain. Freshman studies as they affect freshman counselors. Marjorie Andrew, who is in charge of the meeting, and Dorothy Langdon, chairman for the counselor system, will answer questions and give out last instructions.

Refreshments and picnic committee for the freshman counselor system met last Friday to discuss plans for the system next year. At that time each of the members of the sophomore committee was assigned to a committee to be in charge of the system for the first year of the freshman year. The committees are as follows: for the first year of the freshman year, the sophomore committee will be in charge of the system for the first year of the freshman year. The committees are as follows: for the first year of the freshman year, the sophomore committee will be in charge of the system for the first year of the freshman year.

Another important project started during the early weeks of the fall term was a concentrated drive for more school spirit sponsored by five leading campus organizations as the student interfraternity athletic and fraternities united with Blue Key in a vigorous enforcement of traditional campus customs. Freshmen were ordered to wear pins, a seating plan was arranged for a fresh cheering section at football games, and regardless of this united effort, tradition and custom still remained at an extremely low ebb.

A belated prosperity which was long supposed to be just around the corner, made its return to East Lansing October 9 when the East Lansing State Bank opened its doors after a 29 months rest. Conservator Lucas officiating behind his grained window, paid out 45 per cent to the hard pressed students and town folks so they could again pay cash for their food, clothing and shelter, et cetera.

Work on Forestry Cabin Now Nearing Completion

Ceremonies Planned for Alumni Day Will Dedicate New Structure to Professor Chittender, Former Head of Forestry Department.

About a year and a half ago the ring of axes could be heard from the south side of the Red Cedar river. Soon it is expected that smoke will be seen rising from the large chimney of Michigan State's newest structure, the forestry cabin.

Last fall, the erection of the cabin was started by forestry students who began by laying a foundation and then started building the walls with the tamarack logs that had been left to season for nearly a year. Now, with the arrival of spring, the cabin is nearing completion.

The cabin is being built as a memorial to Professor Chittender, formerly head of the forestry department, whose former students have contributed a good share of the funds used in building the cabin. It is expected that the cabin will be completed by next alumni day so it can be dedicated at that time.

HOW THEY'LL LOOK TOMORROW

John Yale as Chanticleer and Margaret Dornbos as the Phoenix

Art Group Plans Outdoor Display of Student Work

Two people on campus realize that really clever artists are to be found in the fourth floor of Olds Hall and it may come that still better have ever gone up there to find out. As Miss Winkler put it, "Since the Mountain student body has so long refused to come to Michigan, Mohamed has decided to go to the Mountain. In other words the Art department under the sponsorship of Delta Alpha Sigma is going to put on an art fair at which any student in the art department may exhibit and sell his pictures."

Another thing which might interest the general public is the fact that the well known auctioneer price usually charged for art works is to be cut into many small pieces. The auctioneer has the simple idea that if people paid smaller prices for their pictures they would buy more and the theory is to be tried out next Friday and Saturday.

The fair will be held in the Forest of Arden starting Friday noon and lasting until the time for Water Carnival and all day Saturday. The exhibit will be hung from the limbs of trees and in a number of cases from one tree to another, while the artists will be displayed on tables. The job of an exhibit fair probably is to exhibit in Paris where the artists are accustomed to hang the same work with beauty and will their regular display from there.

In closing around up in the Art department's sponsored art sale, interesting things about the many outstanding artists who are likely to contribute to the fair. First of all, it is supposed it would be necessary.

AWARD HONORS WAA SPONSORS TO 5 OFFICERS PLAYDAY HERE

Five Advanced Military Seniors Baseball and Tennis Teams Commended for Excellent Scholarship. Part in Meet Saturday.

The Women's Athletic Association sponsored a very successful playday here last Saturday, June 1. Baseball and tennis teams from Battle Creek, Wayne, Central State and Michigan State colleges participated in this event. The first of its kind to be attempted at this college.

Michigan State won five of six singles tennis matches and three of three doubles played. Wayne won four of six singles and one of three doubles. Battle Creek won three of six singles and two of three doubles.

Singles players from M. S. C. were, in ranking order, Helen Otter, Charlotte Pike, Dorothy Gilbert, Norene Ansonge, Addie Pospeshil and Fontella Weaver. Doubles teams were Dorothy Gilbert and Norene Ansonge, Helen Otter and Fontella Weaver, and Charlotte Pike and Addie Pospeshil.

Two baseball games were played. Michigan State lost to Battle Creek in the first game and won from Mt. Pleasant in the second game.

Michigan State players were hostesses at luncheon for nearly 60 girls at the W. A. A. cabin after the morning games. Chairmen for the committees responsible for the great success of this playday were Mary Ballard, Fredericka Morse and Marjorie Green, in charge of tennis, luncheon and baseball plans, respectively.

Miss Dorothy Parker, Michigan State instructor, enthusiastically stated that State seems to have been co-ed tennis ability of any college in Michigan.

Final Arrangements Made For Opening Performance Of Water Carnival Friday

"CHANTICLEER" SCHEDULED FOR TOMORROW EVE

Yale and Dornbos Show Ability In Portrayal of Leading Roles for Annual Senior Play

CURTAIN RISES AT 8:20

Tickets May Be Obtained at Gate Opposite Home Fr Building for 25c Each

"Chanticleer," the production of the Scholastic year, the last social event for the class of '35, the spring term, most noteworthy affair, having commenced, will be presented Wednesday, June 5, at 8:20 o'clock in the Forest of Arden, under the direction of Professor King. Tickets will be sold at the gate opposite the home fraternities building for 25c each.

John Yale, who has been playing the lead and supporting roles in the play, and Margaret Dornbos, who is playing the part of the Phoenix, will be the stars of the play.

The play will be a comedy in three acts, and will be presented in the Forest of Arden. The play is a comedy in three acts, and will be presented in the Forest of Arden. The play is a comedy in three acts, and will be presented in the Forest of Arden.

GEORGIA MEETING DRAWS ENGINEERS

Atlanta Meet One of Several to Be Attended This Summer.

Six members of the engineering faculty are invading the south shore after the end of the term. One party, composed of Prof. L. S. Fultz, W. A. Murray, W. E. Reuling and L. G. Miller, leaves for Atlanta, Ga., in a motor car on June 21. They are to attend the national meeting of the Society for Promotion of Engineering Education.

Dean H. B. Dirks of the engineering department will attend a meeting of the American Society of Mechanical Engineers on June 21-23 at Cincinnati. After this meeting, Dean Dirks plans to attend the S. P. E. E. at Atlanta. Mrs. Dirks is accompanying Mr. Dirks on this trip.

Professor Hobbs of the mechanical engineering department intends to spend the time between June 24 and 28 at White Sulphur Springs, Va. He will attend the meeting of the Society of Automotive Engineers there.

Seniors of Princeton university voted 276 to 86 that they would rather win a Phi Beta Kappa key than a varsity letter in college.

Lantern Ceremony Halted by Weather

Lantern Night will not be held this year. Due to rain, the lantern ceremony has had to be postponed, and since there are no more lanterns in stock, it has been decided to eliminate the feature from this year's carnival and to hold the lantern ceremony in 1936.

Small Amount of Construction Work on Floats is Only Work Still Left to Be Done

EXPECT 3,000 PEOPLE

Special Entertainment for Intermission Period Will Feature All Local Talent

By BILL KIRKPATRICK

Construction and construction work was practically all that remained to be done today as the committee directing the 1935 annual Water Carnival made ready to handle a crowd of over 3,000 people which is expected to witness the "Milestones of Michigan" on the banks of the performing art center from 8 o'clock on Friday and Saturday morning, June 7 and 8.

DRAMA SOCIETY PRESENTS PLAY

John Yale and Virginia Deay to Take Leading Parts in Oriental Drama

The drama society, under the direction of Robert Miller, has selected "The Legend of the Willow Pattern" as its play for Friday evening at 8 o'clock in the Forest of Arden.

The play is a comedy in three acts, and will be presented in the Forest of Arden. The play is a comedy in three acts, and will be presented in the Forest of Arden. The play is a comedy in three acts, and will be presented in the Forest of Arden.

Campus Accepts Jan Garber's Music for Diversion on Friday; Houses Hold Parties Saturday

Many college students spent Friday evening at the well-known ball at Lake Lansing, dancing to the strains of the excellent music of Jan Garber, and his noted band. There were, therefore, few parties Friday night.

Saturday night the Theta Kappa Nu term party was held in the Little Theatre with dancing to Fergie and his band. Spring flowers consisting of tulips and spruce were used to decorate the dance hall. Dr. and Mrs. S. G. Herzog and Prof. and Mrs. A. B. ... were patrons for the evening.

MUSICIANS GIVE FINAL RECITAL

Last in Series of Spring Term Programs Given in Union Monday.

Bringing the spring term student recitals to a close last evening, the Michigan State college symphony orchestra, under the direction of Michael Press, presented a program of concertos in the ballroom of the Union building.

This was the eighth and final concert in the spring term series. These presentations have been under the direction of Lewis Richards, head of the music department, here at the college.

The program last night presented a group of concertos placed by student artists assisted by the orchestra. Those appearing on the program were: Dika Jane ...

The ballroom was packed to capacity for last night's performance and the numbers were received in a very warm and enthusiastic manner by the audience.

The program was as follows: Overture to the "Oberon" Weber Michigan State College Orchestra

Concerto in D Minor, Mendelssohn Allegro Dika Jane ...

Concerto in D Major, Haydn Adagio Dika Jane ...

Concerto in A Minor, Op. 16, Grieg Allegro moderato Dika Jane ...

Concerto in D Major, Tchaikovsky Allegro moderato Julius ...

The Passing Show

By ARTHUR FARWELL

A second graduation recital of unusual character, following the one by Miss Hoyt on May 29, was presented on Monday evening May 27, by Wendell Westcott, pianist of the Michigan State college department of music at the Michigan State college Union.

The program, classical, romantic and modern, presented an interesting array of works, calculated to make a wide range of demands upon the pianist, which he met with apparent ease and certainty.

The first group offered works of Scarlatti and Bach, "Pastoral" and "Capriccio" by the former, and the "Prelude and Fugue in F Major" by the latter.

The third group consisted of four works by Chopin, supreme writer for the piano. Of the four studies, the appoggiato F flat was taken quietly, the G flat, in sixth, in quite dazzling fashion.

Following upon the study in boisterous scherzo of Beethoven, they present a total departure from the peculiar implications of the musical content of giants.

The second heard Tausig arrangement of the Schubert "Marche Militaire" opened the final group, and gave the pianist a fine chance to display his undeniable quality of bravura.

The pianist's showing was highly successful, and one may safely predict that he will go far. His reception by the audience was warmly enthusiastic.

A CAPELLA CHOIR TO GIVE CONCERT

Lutheran Group to Sing in Lansing Sunday.

Four College caapella choir of Blair, Nebraska, one of the best known Lutheran choirs in the middlewest, will stop in Lansing next Sunday, enroute to Europe for a summer concert tour.

State Theater Previews

LAST TIME TONIGHT

"Go Into Your Dance" Starring—Al Johnson and Ruby Keeler

WEDNESDAY AND THURSDAY "Grand Old Girl" Starring—May Robson

FRIDAY AND SATURDAY "Cardinal Rube" Starring—George Arliss and Maureen O'Sullivan

ANOTHER SCHOOL YEAR

(Continued from page 1)

Handing out the first defeat to be suffered by a University of Michigan team since 1931, State's Spartan gridmen decisively whipped the Wolverines at Ann Arbor, Saturday, September 6, by a score of 16 to 0.

At the same date there was started a request by students for a Thanksgiving vacation. Although not originally planned when the term schedule had been made, students volunteered to sacrifice a day from their Christmas holiday if permitted to have Friday off.

Another sports flash came over the horizon on November 19, when the Spartan cross country team, led by the blond Tom Otley, registered their second successive triumph at the national ICA meet, run in Van Cortland Park, New York City.

Friday afternoon brings another of those pleasant visits with George N. Fuller, secretary of the Michigan State Historical Commission. Dr. Fuller's subject for his final talk Friday will be "Michigan Centennial Celebration."

Spartan Sports' final appearance Friday at 3:45 p. m.

Sport fans' attention! Saturday at 3 p. m. the staff sports announcers, Harry Wisner and Don O'Hara, will bring you a play by play account of the baseball game between University of Iowa and Michigan State.

Of special interest to alumni and friends of the graduating class will be the broadcast of the 74th annual commencement exercises of Michigan State college on Monday, June 10, the broadcast beginning at 10 a. m.

With the morning program of June 10, WKAR will complete the winter season of broadcasting and will enter its summer schedule. Afternoon programs will be discontinued, but the noon Farm Service programs will be continued.

House out Grand River avenue

Chilling reception however at the hands of local students, and to the tune of rotten eggs and much over-ripe fruit, were sent to a dampening baptism upon the broad bosom of the Cedar River.

And lastly, in their hasty reach for topics of the past, comes a mention of that notable flitic encounter between Fred Emery, pride of the Tic House and Jumping Jim, Schmozzola, eagle-beak, Quoilo (the Latium Terror) and our white State News scribe. The aforementioned parties battles to a no round decision in a bloody encounter behind the dairy barn before a screaming yelling mob of light fans estimated to be near one million in number. Quoilo won by a nose.

Thus we bring this term to a close, a long awaited and greatly appreciated close, and no more issues of this paper remain to search through for headlines of the past. It was an eventful year, a successful year, but then we would be forced to say that of any season, that of courtesy, whether it were true or not.

Campus etiquette received a decided uplift during this spring term when the Mortar Board began a series of educational courses in order to school Spartan students in the proper conduct and manipulation of their social graces so as to eliminate embarrassment due to ignorance of the rules and regulations as set down by Emily Post. Well attended by both the male and female element of the college environment, the lectures went over big and it is hoped that they will be continued with Mrs. Post's consent in the future.

On April 12, the dove of peace attempted to settle fondly upon college scene when the much publicized peace demonstration took place on the porch of the Fairport year college newspaper.

Kappa Kappa Alpha pledges and alumnae held a picnic breakfast Sunday morning at Pinetum.

Kappa Gamma Alpha day will be observed at the house on June 8.

Delta Chi Charlotte Yager of Lansing was president recently.

W. L. Tea Set Thursday Members of S. W. L. will sponsor tea Thursday, June 6, in the faculty women and all are invited. Blanche Ross, social chairman, is in charge of arrangements, assisted by Rachel Pitt and Vivian Meyer. Miss Sophie Garvin, faculty advisor, will act as hostesses.

LAN MEETING FOR COUNCIL THURSDAY (Continued from page 1)

Chairman of the system, will divide the names among committees of five sophomores will in turn send out the letters to the freshmen under the Freshmen will in so far as possible, be assigned to advisors who have the same interests.

After a summer spent in writing letters to their freshmen, counselors will return to school Tuesday, September 17, for the beginning of freshman week.

That night there will be a meeting of all counselors in room 101 home economics building from 7:00 until 8:00 o'clock. At that time last minute instructions will be given out, and questions answered, and the counselors will receive their green and white counselor ribbons which they will wear all during the first few weeks of school. From 8:00 until 10:00 that Tuesday night all counselors are invited to the parties in the dormitories where their freshmen live. The next evening, Wednesday, September 18, all freshmen who do not have medical examinations at that time will be asked to remain in their rooms, and their counselors will call on them. After that counselors will meet their freshmen as often as possible for the rest of the year. At the end of fall term each counselor will be asked to make out a sort of personality sheet on her freshman. This will show how much the freshman counselor system is benefitting the freshman co-eds, and will check up on the counselors as well as on the freshmen themselves.

Home Ec Teachers Fete Senior Women

Decided in readiness to represent their work and division in the department, the Home Economics teachers gave a party for all of the seniors girls, graduating in home economics. There were about one hundred and twenty-five girls present. The party was held in the Little Theatre Tuesday night at 9 o'clock. Mrs. Newburg of the faculty was general chairman for the party. The group was divided into smaller groups, and each one gave a stunt representing some home economics class. The faculty also gave a stunt on the evolution of a co-ed. Refreshments were served after the entertainment.

Eight Are Initiated By Speech Society

Pi Kappa Delta, national honorary speech society, inducted eight new members at a mock initiation held last Wednesday evening. The new members, Ruth Martin, Ruth Johnson, Hazel Sikkenga, Harlan Clark, Elmer Perrin, Donald O'Hara, Clare Pockington and Donald Hittle, selected from State's forensic squads, were given the opportunity to display their abilities in the art of elocution.

Studio Static JACK D. PARKER

Well, we go into our last week of regular broadcast service with an awful lot of variety on the Wednesday program. At 2 p. m. including music with the necessary and traditional fare, but the musical part of the afternoon program was made up of more comprehensive program, which according to plans now being formulated, will provide many new educational and musical features.

Friday afternoon brings another of those pleasant visits with George N. Fuller, secretary of the Michigan State Historical Commission. Dr. Fuller's subject for his final talk Friday will be "Michigan Centennial Celebration."

Spartan Sports' final appearance Friday at 3:45 p. m.

Sport fans' attention! Saturday at 3 p. m. the staff sports announcers, Harry Wisner and Don O'Hara, will bring you a play by play account of the baseball game between University of Iowa and Michigan State.

Of special interest to alumni and friends of the graduating class will be the broadcast of the 74th annual commencement exercises of Michigan State college on Monday, June 10, the broadcast beginning at 10 a. m.

With the morning program of June 10, WKAR will complete the winter season of broadcasting and will enter its summer schedule. Afternoon programs will be discontinued, but the noon Farm Service programs will be continued.

SPARTANS TIE HARVARD AND STANFORD

Spartans Rank High In I.C.A.A.A. Track Meet at Cambridge

State Runners Carry Off Honors in Three Events and Tie Harvard, Stanford for Fifth Place.

By JACK BERRY

The Trojans of California showed the rest of the field their heels in the 59th annual I.C.A.A. meet held last Saturday at Cambridge, Mass. Amassing a total of 32 points, the west coast team doubled the score of California which was in second place.

The Spartans did not perform as well as expected in the meet but tied for fifth place with Harvard and Stanford with 11 points. The Michigan State team took two second places and one third out of the total of six events in which they were entered.

Captain Wes Hurd, running for the last time in this classic of track meets, was headed to the tape by the smooth-striding lad from Penn, Gene Venke. Venke led most of the way and then coasted a stretch challenge by Hurd to win by six yards in the time of 3:37.9. Nelson Gardner of State came up fast in the last lap to take third right on Hurd's heels.

Jimmie Wright took a second place in the 100 meters, but lost to Kenneth Black of Maine. Wright was boxed for the first half of the race and at the quarter mark was not even in the first five men but coasting in to the home stretch Jim broke through the four men in his way and out-sprinted them to finish a half feet behind Black.

After leading for nearly seven laps, Tom Otley faltered with a lap to go and finished a bad seventh. The pace was too fast for one man to lead all the way and Tom could not keep it up. Versey of Colby won the race.

Versey was the second man to finish in the I.C.A.A. cross-country meet last fall, which Otley won.

Carl Mueller was eliminated in the heats of the 100-yard 200 meter dashes. After running in third place for the entire race Mueller could not account enough of a sprint to beat the challenge of the field. Fran Dietrich was fourth in the trials for the 100 yard jump but in the finals two men bettered their jump of Friday and Dietrich ended up in sixth place.

Chuck Dennis did not qualify in the 800 meters and ran in the 1,500 meters the following day but was also eliminated.

Sebastian California took first in the meet out of a total of 15 events. There were only three Trojans who did not place and the squad of 28 men who made the trip. They qualified 20 men to run in the finals on Saturday.

The surprise of the meet was the taking of third place by Billie Bump college. Two of their men were responsible for their total of 12 points. A. Lee Kelson and Larry Johnson finished 1-2 in the hammer throw and the former took third in the discus.

Keith Brown of Yale made the world's record of the meet when he tied 14.54 in the 100 yard sprint. This was the first time the record was broken for the meet of all time.

The "Ties" won the Inter-Fraternity baseball championship last week, defeating the Lambda Chi in the final game by a score of 7 to 5. Prindle was again on the hill for the "Ties" and Gross behind the bat, while Sargent pitched for the Lambda Chi. The victory in baseball practically assures the Electrics the all-around inter-fraternity cup for athletics this past year. It has long been a tradition with the boys from Evergreen street to be exceptionally strong in Inter-Fraternity athletics.

SPORTORIALS

By HARRY WISSMER, Sports Editor

Swinging into the home stretch of the spring sports season, we find a world of material to comment on, and in accordance with the policy of our campus publication we again strive to pass it on to you in presentable fashion. Baseball, track and tennis carried the limelight of State's athletics again this week, and although perhaps none too successful in some phases the results were, nevertheless, gratifying to some extent.

Outstanding among the Spartans conquests over the past week-end was the sterling performance of several members of the track team. Guided by Coach Ralph Young, eight State stalwarts left the campus last Thursday to participate in the 59th annual I.C.A.A. meet being held in the Harvard stadium in Cambridge, Mass. The trials were held on Friday and the finals Saturday. The meet was broadcast by both the National Broadcasting company and the Columbia chain. But now let's glance into the exhibitions put on by the men of Sparta. Capt. Wesley Hurd ran one of the greatest miles of his career in pushing Venke of Penn all the way to the tape. Hurd came out of the maze of runners at the half mile post and ran on the Penn flyer's shoulder for the next quarter. However, Hurd became a little too anxious and began his sprint a bit too soon. The wily Venke sensing he was in for a tough battle held Hurd at his heels for a few more strides and then they turned it on the valiant Spartan leader losing by but four yards in a courageous finish. Jimmie Wright, pint sized half miler and a young sophomore, again came through to take a second in the half mile. Wright was beaten in a blanket finish by Black of Maine who led the pack all the way, but served notice that he will be one of the greatest half milers in the nation within another year. Wright pocketed all through the race or otherwise he would have had an excellent chance of winning. Venke too a fourth in this race. Nationally famous Tom Otley, who has won so many fine races since matriculating at this institution, ran into a world of tough luck, and combined with bad judgment he was beaten in the 3000 meters by Versey of Colby and six others from far and wide. Otley, out after a record was off to a flying start, and led the pack up until the last lap and a half. At this point he was passed by Versey and Fowler of California, and then the blond Spartan crumbled, losing ground rapidly as man after man passed him in the final stretch. Otley lost because he endeavored to set too fast a pace in the early stages of the race.

Two other men who did well at the meet were Gardner and Dietrich. Gardner in the mile put on a beautiful finish to take third, pulling up behind Hurd who was in second position. Gardner really turned it on coming down the stretch and came from nowhere to take his third and more points for his alma mater. Dietrich although only placing sixth in the broad jump and just out of the money, came through to leap 22 feet 3/4 inches to set a new Michigan State varsity record.

Another tough ball game was dropped to Notre Dame last Saturday at South Bend. John Berg was on the bill for the Spartans and hurled a beautiful game. However, the breaks were against the lanky Hamtramck youth and he was the victim of a 2 to 1 defeat in ten innings of exciting play. Berg allowed but seven hits over the stretch and deserved a much better fate. Beech was the choice of Coach Jake Kline to stop the State nine and he sure did a fine job of it. Beech is a slow ball pitcher and the ball looked as big as a balloon floating in there, but the Spartans continually popped up, swinging too lustily on Beech's efforts.

Andy Pilney of gradian fame was the Rambler who put the bee on the flag. Pilney, coming to the swarming station in the tenth with the socks as full as a New York tenement house and stinging sharply to center field and diving across to winning marker. Pilney by the way is Ernest Lavender's brilliant left half during the fall season. State counted in the initial inning when Sebo drove a single to center field. Vic Metzler, the leading sticker of the Irish aggregation, failed to connect safely during the course of the afternoon.

With Fager, Tager, Sebo, was on hand catching a glimpse of two or three of the players in each club getting a line on them for future consideration. Fager is recognized as one of the best ivory seekers in the business, and he is definitely interested in some of the Spartans. Steve Grogan, utility infielder again pinch hit for the lowering Lehnhardt. Grogan with the count three and two tied high to center field. Steve Sebo swung at the top of the batting averages, hitting in the neighborhood of .300. Arnold Parker coasted on his heels, smacking the apple of .340. The outfield, which is supposed to carry the biggest load, had them this year. Parker being the only one to lead and consistently. Lehnhardt, the center fielder is hitting .240 and Ziegler, the right fielder is clubbing the ball at the rate of .240. Bartling has also failed to get going, the smooth-working first baseman still hitting around .190.

"Heading for the Last Roundup" is the theme song of the State nine as they prepare for the windup of the current college baseball season. Games with Iowa on Friday and Saturday will bring to a close a very successful year for the men of Kobs. It is likely that Kronbach and Hill will do the pitching in the Iowa series, these two men have made the best record for the year.

Friday's game will get under way at 4 p. m. and Saturday's battle will begin at 3 p. m. Iowa is bringing a big hard-hitting club who are out to take the Spartan nine into camp. They are not leading the Western Conference this year, but they do have a good team, and the two-game series with the Cornhuskers this week should bring the season to a grand climax.

The tennis team on their part into the Buckeye state last week-end and the Toledo Tennis club on Friday 5 to 3, and lost to Ohio State on Saturday at Columbus by a score of 8 to 2. The tennis team this year, although severely handicapped by the loss of such stars as Norris and Wright, struggled along, winning now and then and putting up a sterling battle when losing. In another year Coach C. D. Ball should see more have a well balanced winning aggregation. It was a tough struggle for Ball this year after having two of the finest college players in the mid-west no longer at his disposal.

Ben Van Abeyne's golf team came through with a successful year of campaigning, winning four matches and losing five. The team this year, which was composed of such fine golfers as Hamlin, Taylor, Herrick, Henrickson, Riordan and Bos, deserves a big hand coupled with a round of applause for their fine play. With Taylor, Hamlin and Henrickson returning next year, and two or three brilliant young frosh hopefuls looming as varsity material, the State golfers should be plenty tough to take for at least a couple more years. In their final match of the year last Saturday the State team lost in extra holes to the Michigan normal team at Washnaw Country club.

Most of the best varsity track talent in the middle west will gather in Milwaukee Friday afternoon and night, June 7, for the tenth annual running of Central Intercollegiate outdoor track and field championships in the Marquette university stadium. At least eight of the Big Ten schools will be represented, Michigan and Minnesota the only ones of the Western Conference which have not filed entry. Other institutions that will be represented are Notre Dame, Butler, Grinnell, Western State, Ohio university, Bradley Tech, Michigan State, Lawrence, Kalamazoo college, Marquette, and a number of other well-established institutes of higher endeavor. The K. K. Rockne memorial challenge trophy, honoring one of the founders of the Central meet, is the big objective of the competing schools. It is now held by Indiana university, which scored 32 points to win the '34 championship. Marquette was second with 30, Michigan State third with 24, Notre Dame fourth with 22, and Wisconsin fifth with 14. Permanent team trophies will be awarded to the winner of the meet and to the school placing second. Trophies will also be awarded to the first and second place teams in the mile and half-mile relays. Gold, silver and bronze medals will be given to the winners of the first five places in all events.

In the nature of a "command performance," Ted Canty of Chi-

SPARTANS LOSE IN OVER-INNINGS TO NOTRE DAME

Unearned Run Ruins Berg's Chances as Irish Win by a Score of 2-1.

PLAY IOWA TWICE HERE

Kronbach to Hurl His Final Game in One of Two Games Friday and Saturday.

Irritated by a 2-1 defeat administered them by Notre Dame last Saturday, the Kobsmen were getting ready this week to wind up the year's diamond activities with a two-game series with the University of Iowa. The Hawkeyes come to College Field for the first of the two games this Friday and will probably face either A. Kronbach who will be winding up his college career or a George Hill, who is closing one of the most successful years ever enjoyed by a State sophomore hurler.

Kobs sent John Berg, the tall veteran who has been bothered all season by the loss of his control against the Irish with a hunch that he would regain his control for this one contest. Berg hooked up in a pitching duel with Beach and should have been returned the victor. He would have got the decision in nine innings but for a costly error by Eddie Fiedler in the second that let an unearned run come across.

State had gone ahead in the opening frame when Parker and Sebo both got timely hits. After the Irish scored their run in the second, both teams went scoreless until the tenth, when several bad breaks on infield ground balls and a timely hit by big Andy Pilney won for the home forces.

Playing before a large crowd in the ballcock of the Irish, Ziegler opened the game with a pass. Fager drove a hard grounder to short and went to second when the first baseman Dunn dropped the relay from the second baseman on the try for a double play. Parker followed with a single to center and Sebo scored Fager with a single to left. Rouse then grounded into a double play.

Fiedler fumbled Pilney's grounder to second and it was turned into a tally. Pan sacrificed and Costello singled to right, scoring Pilney. Fromhart forced Costello and was out stealing. Sebo to Fiedler.

Poor luckwork by the Spartans cost them a chance to sew up the contest in the fourth. Sebo started the inning by getting on through Fromhart's fumble of his grounder. Rouse got an infield hit, on his line to the third baseman. Lehnhardt then tried to sacrifice but tapped right to Beach and Sebo was forced at third. As Bartling fanned for the only Spartan whiff of the game, Lehnhardt tried to steal second and found Rouse occupying the bag. There was nothing for Der Kaptink to do but try for third and he was out. Gault to Fromhart to Cunha.

Once more the Spartans threatened in the eighth, when Ziegler singled after two were down. He was out stealing. Again in the ninth, Fager opened with a hit and was sacrificed to second. Sebo and Rouse both popped to the short-stop.

They went down in order in the first of the tenth and led the game in the second half. Beach opened with a hard drive that took a bad bound past Rouse and went for a single. Cunha tried to sacrifice and dribbled an easy grounder that went slowly past Berg, and two men were on the bases. The Spartans then worked the pick-off play and it went awry when Sebo made a bad throw to Fager at first. Both runners advanced.

ago, noted midwestern announcer of sports events, will handle the microphone at the Central intercollegiate track and field games in the Marquette university stadium Friday night, June 7. Canty made such a great impression at the American championships here last summer that Milwaukee track fans have demanded his return.

We find that the entries for the water events such as the canoe race, etc., have not created their due amount of interest this year. These water events carry with them some very worth while prizes and all who have had previous experience in a canoe (and still enjoy their hobby) are asked to get in touch with Paul Kilmie, general chairman of the Carnival, Ormond Drake or myself, and file entry for the grand affair to be held this week-end—Friday and Saturday evenings.

And now to the victors go the spoils... we refer here to these irrepressible "Ties" who came through again to win the inter-fraternity baseball championship. This just about assures them the all-around inter-fraternity title for proficiency in athletics. Pick Prindle, former All-State Q. B. from Saginaw Eastern in the days of Ted Petoskey, threw them in for the Ties and did another fine job. Dan Reck was unable to handle his slants due to a broken hand, Gross doing well as his substitute. It was the Lambda Chi who furnished the opposition in the final contest and although they put up a fine game they dropped the decision to a superior club by the score of 7 to 3.

YEARLINGS SET TRACK RECORDS

Ken Waite and Half-mile Relay Team Make New Half-mile Marks.

By GERARD BOSS

Two meet records were broken last Saturday afternoon when State's freshman defeated Alma college varsity. Ken Waite lapped two seconds off Howard Clark's half-mile record and the sprint relay team shaved two seconds off the half-mile relay record also. In the races down the straightaway records were also set, but were disallowed because of a strong pushing wind.

Right here we want to apologize to the weight men on the freshman team, despite our dire predictions to the contrary, they certainly did some good work. They also won the grant and heave star, taking first in both the shot put and discus throw. He pushed the shot 40 feet 5 inches and sailed the discus 124 feet 9 inches, performance of almost varsity caliber, giving him two first places and 10 points. Most of the other events followed the dope rather closely and as expected Alma's score was kept down to 25 points, with one first in the javelin, and a tie in the high jump.

Hartson's victory in the 440 was a surprise, he had never run this distance before. Grantham's taking third in this event behind "Red" McKenna gave the frosh one of their four "grand slams." They also swept the mile, the 100 yard dash which by the way was run in 10 seconds flat, and the 220. Adcock, Meadows and McLaughlin finished in that order in both sprints.

Due to the aforementioned wind the distance events were run in poorer times than expected. To the uninitiated it may not seem of such great importance that half a gale was blowing through the wind tunnel that is Macklin field. It is as you half the time. However, after one has had time leaning against a young hurricane, his mind is changed. It seems as though the wind is taking every last bit of drive and strength out of the legs.

The high point man was Adcock; he won both sprints and was on the relay team, netting himself 11 1/2 points. Besides Jenkins, Springer also grabbed 10 points, taking first in both hurdle races. Green and Sparks pulled a friendly act. Green won the mile and finished second in the two mile. Alma's lone entry was way in the two mile and finished behind Green in the mile. In the two mile Alma's lone entry was lapped and finished over two minutes behind Sparks. It was rather a surprise to the spectators to see Bob Hill's finish third in the half mile and the 220 low hurdles, this is an unusual combination of events. Bob also holds the college record for chinning the bar and the freshman record for the steeplechase.

SUMMARIES
Mile run—Green (SF) first, Sparks (SF) second, Hill (SF) third. Time 4:36.9.
440 yard dash—Hartson (SF) first, McKenna (SF) second, Grantham (SF) third. Time—52.6.
100 yard dash—Adcock (SF) first, Meadows (SF) second, McLaughlin (SF) third. Time—10.0.
120 yard hurdles—Springer (SF) first, Meadows (SF) second, Hill (SF) third.

Reagan was passed and Pilney, ended Fromhart had popped out, after the game with a sharp single that scored Beach.

The hits were even for both sides but the Spartans weren't making their count as they have in past games. Berg pitched a heady ball game, allowing four hits up to the tenth and deserved a better fate. Beach showed very little in the way of variety in his pitches, but the State hitters were off stride and had the bill in pop-ups when the hits were needed.

This Week

By BOB BURHANS

AT HOME
Friday and Saturday—
Baseball—The strong Iowa inter-collegiate baseball will invade the campus along with the accompanying and attempt to secure major double digit victories from the Kobsmen last year. Eddie Hill of Kronbach will fill in the mound for the home boys and the Cornhuskers will be surely true with either. The returning groundie star for some fast ball on either side or knock out the old stuffer and be among those present for the season's wrap-up. The game will get a good airing with University of Ed Warner on the blowing end.

AWAY
Saturday, June 5
Track—Milwaukee in the 1935 state for the wandering track team from the scene of this year's inter-collegiate. The Big Ten teams will be considerably present along with about 30 other colleges.

STATE LINKSMEN TIE WITH NORMAL

Conclude Season With Golfers From Michigan State Normal.

In this final match of the year, the Spartans golf team went down to Michigan State Normal and lost in the Yonkers. The Spartans were defeated by a score of 18 to 17. The Spartans were defeated by a score of 18 to 17. The Spartans were defeated by a score of 18 to 17.
