How It's Done

Student Council decided last night that a petioubt that the Board of Publications had only power and might as well disband

The Board of Publications had decided that only one man was qualified to run for the editorship of the news: the Council decided peremptorily that the Board was all W TAMPA

On the Board of Publications are the following persons: Cher Stewart, alumni secretary; Lloyd H. Geil, faculty C. O. Wilkins, college treasurer ; David Cleary, editor of the State News; ins Murray, editor of the Wolverine; James Lewis president of the Student Council. president of A. W. S.; Laurence Hutchinsmore manager of the State News Carl Nosal business man ager of the Wolverine; Katherine Campbell, co-ed editor erat of the State News. All but Wilkins were present at the last mounding

In this group are people who understand the of compute publications. Three of them are faculty men They got their positions on the Board through appointment, not election, and apparently they should have no difficulty in making judgments concerning the adult's they want in them successors

Yet the Board of Publications spent a week in considering the nominations for this election. They investigated the academic records of each candidate, his personal qualifications, his potentialities, before making any decisions.

musics for third's m. Thursday sigh her the intition then had it about an hour earlier thus avoiding any interference from the public. According to two of the members, the entire procedure took less than ten minutes.

James Lewis, president of the Council, announced at the completion of the meeting that the vote had been unanimous. Yet William Ingleson, when interviewed later, stated that, he had voted against the motion. No faculty men were present, according to two of the commetimen, and the petition was not inspected by all
