**Varsity Ball To Feature Athletes**

**Panico to Play; Plan Program During Intermission**

Decorations for the Varsity Ball Friday night in the Masonic Temple will follow an athletic theme, with green and white the dominating colors. Two warlike Spartans guarding the stage with shields and spears will look up at the word Varsity spelled out in huge letters on the balcony opposite Banners and varsity hats will also be much in evidence.

Program covers depicting a discus thrower in green silhouette against a silver metal background will be in line with the color scheme. Green and white will once more appear in a ribbon worn across the shirt front of each Varsity club member. These may be obtained from Jack Heppinstall in the gym.

Throughout the evening Louis Panico will star. He will sing, play the violin, and sing his masculine songs. Harold Derwin, while the maestro and his band are resting during intermission, a program consisting of novelty song and dance skits to be put on by five radio entertainers will amuse the party-goes.

The committee for this event are as follows: co-chairmen, Bill Bell and Howard Swartz; band, Paul Beutner; programs, Harold Carr; decorations, Dale Springer; tickets, Clyde Randall; reception, George McKenna; publicity, Howard Kraft.

Acting as patrons will be Capt. and Mrs. H. J. Goughly and Dr. and Mrs. S. G. Bergquist. The guest list will include President and Mrs. R. S. Shaw, the deans of the division, Governor Frank Murphy, the athletic coaches, Secretary J. A. Hamish.

Tickets for this dance may be obtained at the Union desk, Smoke Shop or from any Varsity club member. Varsity club members will be admitted by their passes.

**Electric Co. to Sell Bendix Machine**

Announcement has been made of the appointment of East Lansing Electric Co., 130 West Grand River, East Lansing, as representative for the Bendix home laundry, a new machine which washes, rinses and dries clothes ready for the line in a series of automatic operations that are said to revolutionize the wash-day routine.

Local demonstrations will start Thursday, February 17 at 2 p. m. and 7:30 p. m.

**PRIMARIES**  
 (Continued from page 1)

**Panico to Play; Plan Program During Intermission**

Seals. One woman and one man will be chosen Thursday.

Survivors in the freshman for class president are Avery Cameron and John Budinski.

Margaret Pemberton and Nancy Jane Brown will oppose each other in Thursday's finals for vice-presidency.

Betty Vyn and Eleanor Cram were primary winners for the freshman secretary position.

Two opponents for fresh treasurer in Thursday's election will be Harry Jackson and Donald Brandon.

The sophomore representatives for Student council, elected by the freshmen, will be chosen between Charles Leighton and Chet Kennedy.

**THEY ALSO WON**  
 Freshman Union board primary winners are Robert Whitsit and Eldon Koltz.

The candidates were introduced Tuesday afternoon at a free tea dance, sponsored by Blue Key, national junior honorary. The rally was well attended, and Blue Key is planning a similar introduction next week to winners in the primary. At that time candidates will make campaign speeches for their offices and the meeting will take on more of a political flavor.

**A little bit INDEPENDENT**

**PAST AND FUTURE**  
 Dean Fred T. Mitchell was present at last Monday's meeting of zone managers, the elections and the forthcoming dance were main features of discussion.

**NEW MANAGER**  
 Bob Zant, who lives at 333 Division, is the new manager for Zone 3. Independents who wish to get into more activities are urged to get in touch with their zone managers. Anyone not knowing what zone he is in can find out by leaving his name and address at the State News office.

**DATE BUREAU**  
 Bill Ingleton is asking the Date Bureau in its striving to provide perfect dates for its clientele (yes—a clientele in what the bureau got). Bill has given the date to the freshmen Wolverine pictures and the sophomore and junior pictures will come along later. Charlotte Schmidt, first lady of the bureau, says that if you look one of those "yearbook pictures" she will gladly give a better picture if you can give her one.

**Exhibit Includes Sloan Work**

Of patriotic interest in the art exhibit of contemporary American oil paintings on display in room 406 Morrill hall from February 13-27, is John Sloan's "Bleeker".

"Bleeker" is predominantly impressionistic. John Sloan has progressed from his earlier impressionism to a more solid structure and keyed palette. He paints the realism of contemporary American life from the Toas Indian to New York slums. He has profoundly influenced the younger painters by his emphasis upon localism, native tradition, and sound craftsmanship.

**Guidance Committee Announces Plans At Meeting**

Invitations have been sent out to 26 prospective speakers for the vocational guidance conference to be held in March, it was announced by Virginia Thompson at a meeting of the general committee Tuesday afternoon.

Benita Covey, chairman of the committee, appointed Paul Parsons to arrange a schedule of rooms and hours for conference speakers. Dorothy Dunn was appointed chairman of a display of vocational guidance literature which will be available to students.

Prof. R. S. Linton outlined and explained the aims and purposes of the conference to other members of the committee.

He pointed out that the conference will bring to the campus experienced workers, who will lecture to discuss or conduct round table discussion in regard to given vocations. Each discussion will deal with the responsibilities, opportunities for promotion, training required, remuneration to be expected, and other characteristics of the vocation of the live workers.

An analysis of problems presented by 371 students who had consulted counselors. Professor Linton stated, revealed the compatibility of student problems and the need for guidance conferences.

**Name Fabian To Board**  
**Receives International Recognition by Appointment**

Dr. F. W. Fabian of the bacteriology department has received notice of his appointment to commission number three of the technical board of the Institute International Du Froid. The appointment was received from Dr. Maurice Pietre, director of the institute, on December 19, 1937.

The institute is an international organization composed of men engaged in scientific research with particular reference to refrigeration. The committees, composed of people from all the countries in the world, are to arrange the program and do experimental work. The next meeting will take place in Tokio, Japan, in 1940, at which time the results of the members' research will be presented.

Commission three, to which Doctor Fabian was appointed, is to engage in the study of refrigeration in connection with biological chemistry, and health. The individual subjects of this division are as follows: 1—Effect of refrigeration on fresh blood for use in transfusions; 2—effect of refrigeration on mother's milk; 3—effect of refrigeration on anti-toxins, vaccines and other biological products for therapeutic use; 4—the refrigeration and freezing of yeasts, molds and bacteria used for technical purposes; 5—further study of public health aspects of quickly frozen food with special reference to the survival and virulence of organisms causing food poisoning infections; 6—study of suspended animation produced by sudden or gradual freezing.

Most of Doctor Fabian's work will be in connection with the last two.

**NEW DE LUXE FORD V-8**

Ford gives you something really new in the De Luxe Ford V-8 that makes its bow to the motoring world this year. Back of it is a line of more than 26,000,000 Ford cars, honestly built. Ahead of it is a new public appreciation of performance and beauty in the low-price field! It sets a new high—an 85-horsepower high! The biggest and roomiest Ford V-8 ever built, offered in eight body types.

**TWO FORD CARS FOR 1938**

In addition to the De Luxe Ford, there's another outstanding Ford car for 1938—the Standard Ford V-8. The two cars have many features in common, such as the 112-inch wheelbase chassis with its high quality of materials and workmanship. The Standard Ford V-8 offers a choice of V-8 engine sizes—35 horsepower or 60 horsepower. Introduced last year, the thrifty '38' broke records for economical operation! (Many owners reported from 22 to 27 miles a gallon.) See your Ford dealer.
