Car for Sale!

Arthur Amron has a car for sale... It happened in 1935.

Amron lives in New York city and conceived the idea of renting a car to drive home during the recent vacation.

Amron was disappointed when he returned to Michigan. He had rented a car from a dealer in Lansing who was glad to rent him a car.

Since used-car dealers by law are prohibited from renting cars, he dealer told Amron he would loan a temporary bill of sale which would be destroyed when Amron returned the car.

Amron returned to Michigan and took the dealer on the level. Amron went through with the deal.

According to the company's book, Amron legally had purchased the car. So now, with a car in his hands, Amron is hunting for a purchaser.

No Truth In It

Reports from Secretary Hannax's office indicate that there is little truth in the rumors that plans for a new hospital will be discussed at the forthcoming meeting of the State Board of Agriculture Thursday.

It Worked Once!

Students in the advanced feather-writing class have discovered a method by which they may be freed from class early. At least it worked yesterday.

Misprint?

The pass in the crop house out in M. A. C. avenue must think back last year. Yesterday they had a card in the window "Approved Rooms for Men."

No Pull With Bull

Dick Rogers, campus cop, got caught in the backwash of his own petition the other day.

Glory That Pays

Miss Ann Howell, Kappa Kappa Gamma and a junior art major, spent her spring vacation most profitably.

Scarves on Head Out. Comments Stylist Hays

What takes the gentleman eye? was the subject on which Flora Anderson of the Home Ec club interviewed Jimmie Hays, president of Student council Saturday morning on the Home Economics club broadcast over WKAR.

Jimmie buried a courageous and emphatic "NO" at questions like "Do you like veils or scarves on the head or perfumes in the classroom?" but finally admitted that he thought the State goods are the best-dressed group he has ever seen on any campus.

City to Vote On Charter

Councilmen Approve Resolution to Place Change on Ballot

Members of the East Lansing city council last night adopted a resolution proposing a change in the city charter for replacement of the present municipal council with a commission form of government.

The resolution, introduced by Councilman C. G. Card and passed by a unanimous vote, will place the proposed administration shift before East Lansing voters for approval in a general election June 15.

According to the adopted resolution, voters at this time will decide on the election of a charter commission composed of nine members who would draft a new municipal charter setting up a city manager form of government.

Under the proposed change the city manager would be elected by a board of commissioners whose number will be decided by members of the charter commission.

Council members last night also ordered a continuation of property inquiry for the location of a new storage tank needed by the city water system. The tank, which will be located somewhere in the west side of the city will contain storage space for 150,000 gallons of water.

Purdue Sends Powerful Squad For First Outdoor Track Meet

Drills Held Outdoors As Break Comes In Weather

Expect Record-Breaking Race in Hurdles Between Woodstra of State and Lemen of Purdue; Count On Greer to Extend String of Wins in Dashes

The return of spring to this part of the country has brought with it a broad smile on Athletic Director Ralph H. Young's plump face.

State's sporting chief and head track coach as well, for a while last week was in a gloomy state as three inches of snow covered the entire section, including the Spartan's modern track and field plant.

With the snow and cold weather on hand, it began to appear the State-Purdue track meet scheduled here next Saturday might be postponed or restricted because of the untimely weather. And Young's plan for a grand opening of the home season would be for naught.

Gridders Get Scrimmage

Bachman Bears Down After Week of Light Drills

By TOM MEELY

FIRST OUTDOOR DEBUT

All was different, however, yesterday. Young was his usual cheerful self as he directed his charges in the first outdoor drill since their return from their successful eastern trip in which they won at West Virginia, Maryland, and Penn State.

Purdue will send a strong squad to face the Spartans, indicating this year's opening probably will develop into a closer meet than the 1937 inaugural one against Chicago, which State won by a large margin.

Co-Captains Bob Lemen, quarterback, and Charles Lemen, quarterback, will be the main attraction. Lemen's team, which includes Coach Henry's Philip, Backmaker, team. Other stars are, Al Knapp, distance, and Art Bodden, in the middle distance.

TO LEAD SPARTANS

The Spartans will be led by William Greer, 100 yard sprinter, and Harvey Wadsworth, 200 yard sprinter. Greer, who has given State one of its strongest combinations in years, Greer went through the indoor season without losing a race, and has maintained his record in two outdoor meets to date.

Director Young expects most of the track events will draw by the wayside this season. He says the due State will win, but will have a quiet in a day here, and will host to the Michigan Intercollegiate.

One of the highlights of Saturday's meet will be the 200 yard race in which will be being together Lemen and Wadsworth. At the sight of Bob's Backmaker, Lemen outran the Spartan and won the race.

Mound Staff Effective On Trip

New Men Bolster Kobs' Hopes for Winning Season

Pitching, at first feared to be the weakness of the Michigan State college baseball team, now promises to be its strength.

When practice started early this spring, Coach Kobs bemoaned the fact that he had only one pitcher, Art Lillibee, who boasted previous experience. All the others were either newcomers or had seen very little action on the mound.

The southern trip convinced all that New Men Bolster Kobs' Hopes for Winning Season. The eminent freight train traveler, Kobs, has five others who seem capable of starting and finishing a game.

RANKIN SHOWS WELL

The first of these is Glenn Rankin, the lanky red-head from Detroit. In the south Rankin won two ball games, pitching good ball in each case. Rankin is the pitcher of the most finished pitching motion seen around here for a long time.

Unlike most college pitchers, Rankin gets the full swing of his body behind each pitch, enabling him to put more on the ball than the pitcher who throws only with his arm. He is also able to control the ball better.

Another boy, who looked good in the south was John Dabrowski, better known to his fellow players as "Dolly." He, along with Rankin and Lillibee, promises to be the mainstay of the 1938 Spartan pitching corps.

HAS WHIPLIKE MOTION

Dabrowski possesses a whip-like motion and throws a baseball with plenty of the well known "snap" on it. In the game with Ohio University he had the left arm swinging at the ball after it was in the catchers' mitt. "Dolly" also has a sidearm curve, which should help him plenty.

Pete Dal-Ponte, Orlando, Fla., and George Morrow are others who seem to have what it takes. Bob Miller, a stocky pitcher, has not pitched in games enough yet to know what he can do.

With the pitching inevitably will taken care of, Red Rankin, improving every day behind the plate, and the infield and outfield set, with the exception of left field, State should win its share of baseball games this year.

Day practice game yesterday, the varsity blanked the visitors, 5-0, despite the fact the second stringers carried the starters, 7-2.

SPORT INTERLUDES-Mention Stars

By GEORGE MASKIN

Gordon (Dolly) Dabrowski and Art Buss, ex-State line stars, have been prominently mentioned to fill the vacancy in the Spartan football coaching staff created by the recent resignation of Bob Terhune. Terhune's successor will not be named until next summer.

Glenn Rankin

Plummer Gordon, Michigan's much publicized athletic star, has doubled up in track and football, but has nothing new on the Spartan at present. Both Spartans at present are doubling up in football and track. They did the same thing last spring.

Marquette's basketball team placed State's Marty Butt on its second all-opponent five. The same Bill Tompkins, in picking an honorary captain for the 1938 season, named three men instead of the usual one or two.

Al Thomas, who scored 18 points in the Detroit high school track finals, it is rumored, may enter State next fall.

Walter Hazen, Jr., son of the great Hazen, is a member of the Notre Dame golf team which plays here next month.

Specelman to Coach

The turnout of 115 candidates for Spring practice here is the largest ever to report for any football team in Michigan. Harry Specelman has accepted a coaching position at Redford Union high school, meaning he will not play football with Cleveland.

Although an official sport on the State athletic program, polo must pay its own way. It receives no money from the sport budget. Otto Vogel, Iowa baseball coach, whose Hawkweave nine plays State twice later this month, once performed with the Chicago Cubs.

Hitting the high spots in the State baseball team information look issued to the press.

Gene Colek is the only returning 300 hitter. Colek belted the ball at 319 clip in 1937. Coach John Kobs calls Captain Harper Scott the fastest thrower "I have ever seen anywhere." Scott and Colek collaborated in 12 double plays last season.

There are six players who answer to George. There are four Bobs, but only one Orland and one Texton. Pete Dal-Ponte protests that his name is not Peter. Similarly Sam Nuznov won't have it Samuel. Johnny Kuk's name is pronounced to rhyme with "luck."

Miller Lone 'Lefty'

Three foot 11 men are regular baseballers. Gene Colek at catcher. Al Deibald, right field. Bob Miller is the lone out-of-state player in camp. No wonder. Kobs eagerly awaits the day when Miller locates the direction of the plate.

Three of State's eight victories over Iowa have been shutouts. The Spartans never have lost to Armour Tech, winning seven in a row. State has stopped Toledo three times in as many games between the teams.

Oldest State rivalry is with Michigan. The teams first clashed in 1887. The Wolves hold a wide edge in the 62 games played, winning 42 times to State's 19. There was one tie verdict, which incidentally was the longest game in Spartan history.

The Spartans set their all-time high scoring record against Armour Tech in 1922, winning 31-7. California will be the first Pacific Coast conference team to engage State in baseball.

Seventy-three Frosh Out At Spring Baseball Drills

Those frosh are back again. Seventy-three freshmen baseball hopefuls were given their first opportunity yesterday afternoon to display their diamond talent before Coach Lyman Frimodig as Michigan State officially inaugurated its 1938 freshman baseball season.

Little or nothing was learned, however, of the value or possibilities of any individual prospect by either Coach Frimodig or Assistant Coach George Hill because of the enormous group of recruits budding for berths on the freshman nine.

Although the practice session itself developed into a rather uninteresting affair, the handful of spectators on hand were amused by the many different uniforms worn by the rookies.

High school suits, semi-pro and amateur uniforms, and several combinations of baseball attire, street clothes, sweat suits, gym uniforms of all colors and sizes added a humorous effect to the afternoon's practice session.

Coach Frimodig plans to gradually work his long squad into good physical condition this week. Next week he plans to turn all batmen over to Assistant Coach Hill, while he takes charge of the infidels and flycatchers.

By this means he will be able to get a better line on the material with which he hopes to produce the most successful freshman season ever enjoyed by a Spartan yearling baseball team.

The other two blocks will have teams in action the next night when Delta Sigma Phi and Beta Kappa of Block 3 collide on the varsity field, while Alpha Gamma Rho and Phi Chi Alpha take to the freshman field to start festivities in Block 4.

Frat Nines to Open Season, April 13

Four teams are scheduled to open the baseball season in the interfraternity league Monday, April 13.

On the varsity field, two representatives of Block 1 will do battle when Sigma Nu takes on Theta Kappa Nu. Teams from Block 2 will tangle on the freshman field with Sigma Alpha Epsilon meeting Delta Chi.

The other two blocks will have teams in action the next night when Delta Sigma Phi and Beta Kappa of Block 3 collide on the varsity field, while Alpha Gamma Rho and Phi Chi Alpha take to the freshman field to start festivities in Block 4.

Trio of Veterans Back for Golf

Coach Van Alstyne states that he will depend upon three veterans and one sophomore for this year's golf team. Ed Flowers and Tom Brand, major letter winners, will be back, as will Roy Nelson, winner of a minor award last season. Bud Tansley will complete the quartet which will represent State on the links.

One casualty has already been reported. Flowers injured his wrist when he hit into a stone on one of the municipal links. It is hoped that this will not handicap the team in its first start a week from Saturday against Michigan at Ann Arbor.
