Alpha Phi Needs Victory Tonight to Gain Championship Title

Face Thetas In Crucial Contest

Alpha Phi Victory Would Necessitate Game With Chi Omega

By GEORGE MASKIN

A highly vaunted Alpha Phi volleyball team tonight faces what amounts to its most crucial game of the season when it battles Kappa Theta in the event all scheduled for tonight at 8 o'clock.

Victory for Alpha Phi would pave the way for the "house" to gain the right to take on Chi Omega for the Coast league championship tomorrow night.

The Chi Omegas already have completed their season with a record of eight victories and one loss, dropping their only game to the Alpha Phi last night. The Alpha Phi record to date stands at seven victories and one setback.

Previous performances of tonight's rivals would indicate the Alpha Phi are in for a "tough" contest. The Thetas have shown little and at present are leading of the bottom of the league of six teams in the loop.

With victory highly important Alpha Phi will bank on its regular line-up against the locals. They are: The setter will use Betty Snick, Sally Frank, Jean Crooks, Sara and Marian Anderson, Marian Math, Virginia Crooks, and either Mary Westberg or Virginia Crooks.

Meanwhile, the Chi Omegas will be rooting for a Theta triumph which would result in their winning the title outright without a playoff. Tomorrow's game covers all Helen Crooks, Jane Hove, Betty Harring, Ed, Jane Crooks, Barbara Scott, Peggy Lee, Virginia Baker, and Gerry Van Doren will play for Chi Omega.

The champion will gain the lead in the competition by the Wolves. A A trophy awarded the organization with the greatest number of points at the close of regular play.

A University of Detroit faculty member has returned to the students a \$2,000 award for a year standing in line during the holiday season.
