### Loses Better

The letter was mixed with the usual fare and in order to come fast and thorough feeling, the matter was placed outside the door and buried in the snow. A few and soon lusty black pigs were removed from the pen to make room for the new kind of cookies. Mervin Dick stepped outside the door and let the snow from the pen. That's a gap he discovered that there was no batter left than that.

# Marquette Invades State Today for Annual Indoor Track Meet

## Influenza Hampers Spartan Hopes For Victory

**State's Greer, Marquette's Kennert Expected to Tie Up in Hottest Race of Evening in 10-Yard Dash**

Headlining home sport attractions today is the thirteenth annual clash between Michigan State and Marquette indoor track teams at 8 p. m. in the gym.

The Spartans will be out to even the count at seven victories each and also to avenge a 52 1/2 to 50 1/2 defeat at Milwaukee last year. State will have its back to the wall for not only do the Hilltoppers have all but one place winner back from last year's team, but they have uncovered strong sophomore material.

Influenza has struck the Spartan camp and now claims Chuck Cannon, Bob Hill, Bill Carpenter and Al Barnes. Dick Fry was stricken earlier in the week but will not be in shape for tonight's meet.

**LOSSES HURT**

The loss of Hill and Carpenter will be sorely felt in the 440, 320 yard dashes and in the two relay races which went to the Hilltoppers last year.

**Yearling Matmen Windup Campaign**

Freshman wrestling takes its final bow for 1939 this coming Saturday afternoon when Coach Fendley Collins' strong freshman squad engages Dearborn Boys' only.

**Sickness Cancels Frosh Swim Meet**

Old Man Sickness put a crimp in the scheduled meet Wednesday of the Michigan State freshmen and the Eastern high school swimming teams, with the result that the meet was postponed until next Tuesday.

**HURDLE TROUBLE**

Shurtz will give the State hurdlers plenty of trouble as he has done in the past. Other men to watch will be Shillberg in the pole vault, Pruks in the distance, and Haring in the shot put.

**Scoop Says:**  
By George Maskin

You will find in the metropolitan dailies and listen to radio commentators say that in the last week of the 1939 Hot Stove League...

You drop into the swimming tank of the pool and discover John Kells swimming in the water, a man of which nothing is a bad thing. You know, you will find a man who is a pitcher and better than any other pitcher in the world.

You notice Leonard Koshitchek hurries by and immediately are reminded of tennis and Coach L. D. Ball Jr. The results of the 1938 season flash in your mind. No, the average wasn't the best a Ball team has compiled, but you are certain the next Spartan court aggregation again will make its followers' delight in its successes.

You hear the voices of Wilbur Greer and Bob Hill discussing track in the hallway with Francis Dietrich. The latter two are leading cheer for his brilliant record duplicating race at Illinois Reared last Saturday. Greer has nothing to say, other than it's time he headed for home and "got in some practice on his flute."

**Frosh Basketball Writes 'Mag' Stories**

James B. Hendryx, a freshman basketball player at Michigan State is helping support himself in college by writing thrillers for the "pulp" magazines. Jim takes a fling at a wacky thriller once in a while, but most of his detective magazine material is in the mood, but really is in style when writing sports yarns. Quite appropriately, his yarns have debuted in the Hendryx.

## State Boxers Face Orange Tonight

**Coach Burhan Takes Along Nine-Man Squad On Trek to Syracuse**

SYRACUSE, N. Y., Feb. 25.—(Special) Michigan State's boxing team, facing its first test of the season, will engage Syracuse's battered Orange squad here tonight at the local arena to gain their first victory in four starts.

The Spartans left East Lansing yesterday afternoon, and the nine-man squad arrived here early this morning. State has a pair of men ready to compete in two of the bouts, but is without a 127-pounder.

**COACH BURHAN TAKES ALONG NINE-MAN SQUAD ON TREK TO SYRACUSE**

Coach L. D. (Brieley) Burhan of the invaders still was undecided on his arrival as to whom he would start in the events which are two-manamed. In the 145-pound class he has veteran Tom Wagner and sophomore Tony Riech, while at 165-pounds he has Darwin Dudley, senior football guard, and Joe Costowski, another sophomore.

**ROSSI FAVORITE**

He has returning lettered filler two spots. Don Rossi, Spartan captain and quarter-finalist in the National Collegiate last year, is favored in the 175-pound match, while Clint Bradford will be ready at his usual 135-pound weight.

**NEW SOPHOMORE**

Ernie Dunn, a sophomore and one of the most promising newcomers for State's pug championship, will fight at 145 pounds.

**SURPRISE HOPES RECEIVED**

Syracuse's hopes received a serious blow in the Navy meet Monday when Bobby Stander, one of the Orange team, suffered an injured eye Monday in the Navy encounter, and was definitely discarded out of action for tonight.

**FRISH RUNNERS ROUT KAZOO IN OPENER**

Winning all but three events, Michigan State's freshman track team displayed well rounded strength in coming over Western State's freshmen at Kalamazoo Thursday night by the score of 63-23 to 23-13.

**FRILLS OF FOOTBALL BLASTED BY DEAN**

Thomas N. Y. (ACP). Another kind of intercollegiate football which has been a disappointing factor in the realm of higher education has been made by Cornell University's Dean Robert M. Coe, president of the New York State Association of Colleges.

**YOUNG SETS DATE FOR DEDICATING FIELD HOUSE**

Although Michigan State's new three-quarter million dollar men's gymnasium and fieldhouse is little more than a hole in the ground at the present time, Athletic Director Ralph H. Young has set the date for dedication. The Spartans formally will open the new plant with a two-day program next February 9 and 10.

## Epeeist Versus Foilsman, Maybe

When two fencers cross swords in the same event there is no extraordinary new story, but when an epeeist meets up with a foils man that is extraordinary. Here BEN BISCHIER, left, star epeeist is shown meeting the foils blade of Capt. MANUEL ARTEAGA, stellar foils performer. BISCHIER has been out with the flu all week and will not be in the Buffalo meet.

## Tankmen Lick Their Wounds After Rout by Wayne

With no meets scheduled for the weekend, State's swimming forces face a period of inactivity before swinging into competition again next week against two Big Ten foes.

The Spartans will take to the road for these contests, meeting Purdue at Lafayette, Ind., on Friday and Indiana at Bloomington Saturday.

The frosh tankers journey to Bay City today for an engagement with Bay City Junior college. Next Tuesday the freshmen will tackle with Eastern high school in a meet scheduled for last Wednesday, but which was postponed because of sickness in both teams' ranks.

The varsity, after winning its first meet of the season a week ago, suffered a reverse Thursday night against Wayne and were outscored, 36-19. The Spartans were able to garner only two first places, by Don Ladd in the 220 yard free style and by Leon Williamson in the 440 yard free style.

Other than this, the Tartars had things their own way. They finished one-two in the six-yard free, the 100-yard free, and the 200-yard breaststroke. They also won both the relays, although the 300-yard free style relay turned into a dogfight with Benson of Wayne touching out State's G. J. Zappella by inches in the anchor lap.

The all-around strength possessed by this year's crop of frosh swimmers can be seen by the fact that out of 12 records standing at the start of the season only two remain. The 200-yard breaststroke and 100-yard freestyle were the only ones to survive, but these were broken by the Spartans.

## Buffaloians Briggs Five Takes Abbot Manor Here To Fence

After having their winning streak stopped at four straight by Lawrence Tech, the Spartan fencers now turn to University of Buffalo swordsmen who face them today at 2 p. m. in the gymnasium.

Spartan hopes of victory are riding high, however, because two of the three key men, out of the Lawrence Tech meet, are back in action.

Bill Hasselback, stellar man in sabre and Capt. Manuel Arteaga leader in foils, are back and are ready to put State in the winning column again. Ben Bischieer who has been out with the flu all week but Jerry Richardson who beat the Michigan champion in epee at the Tech meet, will probably be fencing for State.

With Hasselback and Arteaga back in the lineup, the Spartans face Buffalo almost at top strength. In foils there will be Captain Arteaga, Jerry Richardson and Bill Hammond. Elmer Kay might break into the lineup, but it all depends on whether Richardson takes part in both foil and epee.

In epee Garth Oswald will take over the number one spot and Jerry Richardson in all probability the second spot.

Buffalo proves to be a question mark because since nothing is known about them. However, the Spartans are taking no chances and are putting in their strongest lineup.

**GAME**

(Continued from page 1)

other jolt as Clayton of Wayne broke through to sink a "dog" and a moment later Knezy scored from the corner. Although Hindman recorded a second foul and Fakowski turned in field goal number 10 after that, the issue already was decided.

At the outset the game took on all semblances of developing into a thriller. The count shifted back and forth until it reached the 13-9 stage with State a little front end.

Then the Wayne team opened with a sparkling offense which brought the Tartars 11 points before Shier's foul shot again put the Spartans in the scoring column.

Jimmy Garretson stood out in the Wayne victory, scoring six baskets and one foul for 13 points. J. I. Cooper of the Tartars had eight points.

The defeat gave State a record of nine victories and eight losses in 20 games.

**STATE AHEAD 27-23**

Sherman then followed with a foul shot and Reisinger tossed in a basket to give State a 27-23 lead. Wayne, however, struck back to even the count on a pair of goals by Reble.

Later in the period three quick baskets, two by Reisinger and one by Tom Wilson ran the State 19-14, which proved enough to conquer the home loaves.

Reble, who played with the State team last season, started for the Tartars, scoring 10 points.

## Briggs Five Takes Abbot Manor

A hard-driving Briggs Ace, who handed the Abbot Manor basket ballers a stunning 26-5 setback in the first game of the evening Wednesday night.

Don Anderson, flashy Briggs forward, led the scoring of the night by chalking up 15 points, although the Abbot men turned in a good form of ball handling.

The Briggs Ace team showed good defense and exceptional talent in tallying their high score.

In the second game of the night the highly touted Baker boys swamped the Geology Gang by piling up 19 points compared to their 6.

Johnny Day, of the Baker, led the scoring field with 10 points to his credit. The Baker boys promised to show great play in the closing games of the meet.

The guardians of the Deans quintuplets have refused the Deans College request for a transfer from the top nursery for the boys in the southern college's famed walk of fame.
