Some Still Have Faith

Rumors are still echoing about campus that an ideallans to circulate to every student in the college a que-fonnaire concerning honor systems, seeking to lear

Lift up Thine Eves— to the Future

management, metitutional management, commercial foods, psychology, and dramatics. More general discussions will concern "Personal and personality adjustments" and "Personal adjustments to your work."

Wishing to cooperate to the utmost with students who wish to participate in the Personalities and Careers conference, college officials have made arrangements to excuse classes of all students who attend discussion

With such complete faculty cooperation and so varied a program, students have before them a green light. They may participate as much as they like.
