

MICHIGAN STATE NEWS

Daily Student Publication of Michigan State College

VOL. 222, 228 EAST LANSING, MICHIGAN, THURSDAY, MAY 18, 1944 No. 162

Today's Campus

... Spare the Rod

Among other things, the State News now boasts a home for foundlings. An infant adopted Peg Middlemiss, new manager, as foster mother when he couldn't find his own. Spell Trying to pacify his tears, Mama No. 2 Child bought a "pink" ice cream cone and attempted to tell the story of the Three Bears. The young man knew the story better than Miss Middlemiss who finally relinquished the child to a frantic parent. She frankly admitted that a newspaper is not so hard to handle after all.

... Barefoot Beauties

Rain has caused the flowers to bloom, the grass to turn green, and the birds to sing but a rather unexpected effect was shown yesterday when wise coeds, thinking of their precious shoe coupons, and finding themselves caught in the downpour, whipped off their shoes and raced barefoot into the Union grill to refresh themselves with a coke.

MSC Movie Gets National Rating

Second place winners in the American Alumni council contest for movies, "The Campus at War for Peace", a sound and technicolor picture bringing together the overall view of Michigan State's war efforts, will be presented Saturday at 8 p. m. in College auditorium.

At the council's national conference, the movies were judged on the basis of sound or silence.

An important meeting of the State News business staff will be held tomorrow at 5 p. m. in room 7, Union annex. Everyone must be there, according to Barbara Fearnside, advertising manager.

The united efforts of the photography, alumni relations and publications departments brought the second award to State, Dean S. E. Crowe told interviewers yesterday.

Shown at State for the first time Saturday night, the film will be used for youth and adult organization throughout the state, and will be presented at 7 and 9 p. m.

"The Road to Singapore", starring Dorothy Lamour, Bob Hope and Bing Crosby, will be the second feature. Students will be admitted by treasurer's receipt and servicemen free.

Dean Dye's Secretary Leaves for WAVES

Miss Jeanette Somers, secretary for the last nine years to Dean Marie Dye of the Home Economics division, has left for the WAVES. Miss Somers left yesterday for Hunter college in New York city where she will take her boot training. She hopes to do the same type of work as she has done at State.

Miss Somers attended Michigan State and was a member of Alpha Phi sorority. As secretary to Miss Dye she was an invaluable help to both faculty and students, Miss Dye said.

Annual Concert to be Given Despite Loss of Musicians

Schuster Will Direct Orchestra Tonight

Members of State's symphonic orchestra, under the direction of Prof. Alexander Schuster, will present its annual May concert this evening at 8:15 in College auditorium.

Even though the orchestra is only half as large as the organization in previous years, the regular concert is being played as usual.

"Oberon Overture" by Weber will open the program, with Haydn's "Symphony No. 101" following. This selection, referred to as "The Clock", has four parts, adagio-presto, andante, menuetto and finale.

Bruch's adagio "Kol Nidrei" for orchestra and cello, will feature Schuster as soloist. Bruch is said to have taken the theme of this number from the songs of Jewish religious services.

"Concerto Grosso", a selection for string orchestra and piano obbligato, by Block does not follow the usual concerto. Instead it is a dialogue between a group of soloists and a larger group of performers.

The prelude, dirge, pastorale and rustic dances and fugue make up the various divisions which the orchestra will perform with Roy Underwood, head of the Music department, playing the piano obbligato.

The concert is open to the general public free of admission.

Roosevelt Gives Nod to Third Extension of Lend-Lease Act

WASHINGTON, May 17 (AP)—President Roosevelt today signed the third extension of the lend-lease act and hailed the program as the symbol of Allied unity which will hasten the day of victory.

"Through lend-lease and reverse lend-lease," the President said in a statement accompanying his approval, "the material resources and supplies of the United Nations have been pooled for their most effective use against our common enemies."

The legislation signed into law extends the life of the vast program until June 30, 1945.

The lend-lease administration said in its last report that the actual total of lend-lease operations was 21 billion dollars through Jan. 31.

Roosevelt's statement described lend-lease as "a powerful weapon working for the United States and the other United Nations against our common enemies."

The new act prohibits the president from using lend-lease authority to obligate the United States.

Russian Bombers Strike Two Nazi Rail Centers

LONDON, Thursday, May 18 (AP) — Russian long-range bombers heavily damaged Nazi transportation centers in white Russia and old Poland again Tuesday night, the Soviet communique reported last night as the German high command warned that "new and large-scale battles are to be expected" soon to break the lull on the eastern front.

Rail facilities and Nazi military trains at Minsk, Baranowicz and Chelm were bombed Tuesday night, said the communique broadcast from Moscow and recorded by the Soviet monitor. Three of the raiders failed to return from the flaming junctions.

Aerial combat continued on a moderate scale over most sectors of the land front. The war bulletin said 29 enemy planes were destroyed Tuesday.

The Russian communique said there were "no important changes on the front" during the day, but a Berlin broadcast declared "at least two Soviet infantry divisions in the area of Grigoripol on the lower Dnepr have been cut off from rear communications by German offensive operations and face annihilation."

Allies Attempt to Halt Exports to Germany

STOCKHOLM, May 17 (AP) — A decision on Allied efforts to halt Sweden's ball-bearing exports to Germany may be reached within the next 36 hours, it was indicated today, with a compromise agreement appearing likely.

An informed observer took the view that a "middle way" would be found for Sweden which possibly would provide that she cease exporting to Germany all types of ball-bearings used in planes and other military equipment, but continue shipments of other types to keep within the framework of Stockholm-Berlin contracts.

Allied Fighters Collapse Pignataro Stronghold

British, Indian Troops Buck Powerful Nazi Resistance in Drive Toward Cassino; Gustav Line Cleared of Enemy

ALLIED HDQ., NAPLES, May 17 (AP)—British and Indian troops have smashed through the German stronghold of Pignataro at the mouth of the historic Liri valley four miles southwest of Cassino and tonight were

Home Ec Club to Introduce New Heads

Outstanding Student Will Be Honored at Banquet

Approximately 200 women will attend the annual Home Economics banquet to be held tonight in the Union ballroom, according to General Chairman Aileen Wilson, Detroit junior.

Because of the shortage of help a modified buffet supper will be served by the Union. Guests will gather on the third floor at 6 p. m. before the dinner.

Tables will be decorated with spring flowers according to decorations chairman Beverly Smith, Detroit junior. Colorful programs have been designed by Audrey Stein, Wayne junior, and her committee.

Retiring president of Home Ec club Jean Oviatt, Washington, D. C. junior, will be toastmistress for the evening. She will present the guest speaker, Mrs. L. E. Mills, state president of the American Association of University Women. Other guests will include Dean Marie Dye, Jeanette Lee, Mrs. Hannah, and Dean Elisabeth Conrad.

Also included on the program will be a summary of activities by Marge Graff, Detroit junior, and a discussion of the foreign fellowship drive by Mary Gorsline, Battle Creek junior. Several songs will be sung by Pat Fisher, Evanston, Ill. junior as part of the after-dinner program.

Other events of the evening will be the installation of club officers and the presentation of awards by Dean Marie Dye.

Naoma Fredrickson, Edmore junior; Pat Gould, St. Charles junior; Harriet Hahl, Buffalo, N. Y. junior; Gertrude Jackson, Ishpeming junior; and Donna Eckstrom, Grant junior, comprised the invitations committee. Audrey Stein, Wayne junior; Margaret Peterson, Brooklyn junior; Sylvia Surratt, DeWitt junior; and Barbara Estes, Constantine junior, handled the programs and placecards.

Working on the ticket committee were Barbara Mye, Tonawanda, N. Y. sophomore; Gertrude Jackson; Janie See HOME EC—Page Four

moving across the valley against furious enemy resistance in an effort to sever Cassino's road and rail communications with Rome.

From the battlefield, strewn with abandoned German equipment, Lynn Heinzerling of the Associated Press reported that the crack Nazi parachute troops who for months defied all Allied efforts to storm Cassino frontally "faced the possible danger of winding up their careers in the dusty environs of that forsaken town."

American forces pushing on Southward from the Liri valley along a twisting 15-mile front to the gulf of Gaeta, American and French native troops drove a disorganized enemy from the last defenses of the shattered Gustav line and fought through the outposts of the powerful Adolph Hitler line, the enemy's last known fixed belt of fortifications before Rome.

American forces driving up the coast captured the heavily-fortified town of Castellonorato, four miles from Formia, and pushed on up the coastal road under stiff fire from enemy artillery and snipers.

Castellonorato, whose fortifications were said to compare with those of the Hitler line, was reduced to ruins and littered with German dead. Several American divisions participating in the offensive were without previous battle experience.

Nazi Lines Destroyed The French, whose spectacular advance between the Americans and British had sparked the six-day-old Allied offensive, approached the fortress town of Esperia, four miles southwest of San Giorgio and two miles south of the Liri river.

IBM Representatives to Interview Women

Representatives of the International Business Machine company will be on the campus tomorrow afternoon to interview senior women for training positions with the organization.

Those chosen will receive two months training with the company in New York and then will be used as supervisors for the training of other operators.

No special course of study is required for the positions, and persons with majors in any division will be interviewed. Those interested should contact Tom King, Ext. 525, and make appointments as soon as possible.

MSC Veterinarian Picks Staff Editors

GLENN SNOEYENBOS editor

Glenn Snoeyenbos, Glenwood City, Wis., and Tom Reutner, St. Louis, Mo., both junior Vets, were appointed by the Board of Publications last night as editor and business manager of the MSC Veterinarian, respectively.

Snoeyenbos succeeds Harold Bryan, Perkasio, Pa., who served as editor for the past year. The new editor is a member of Sigma Chi fraternity and has been make-up editor for the magazine this year.

Reutner, also a Sigma Chi, has served as advertising manager for the past year and succeeds Jack Preston, Well, Minn., as business manager.

Additional staff appointments will be announced early this summer and the new regime will take over their duties fall term.

The Veterinarian is a quarterly publication of the Michigan State Veterinary division, and was the only magazine of its kind in the United States when it began publication four years ago.

TOM REUTNER business manager

Spartan, Coast Guard Game Postponed After Downpour

Men's Batting Averages Announced

With rainy weather disrupting the schedule of Spartan-Coast Guard games, the team took the afternoon off and manager Sid Kern settled down and figured the teams' batting averages. He promised the fielding averages.

Chief desire of Coach John Kobs is to find an infielder that will not have a fielding average as shameful as the team's promise to be. The team can hit, he said, they kick the ball around too much. Batting averages are attaining a high in the 400s attests to this batting average of the Spartans.

to Play Grosse Pointe Tomorrow

Heavy downpour caused the postponement of the baseball game with the Detroit coast guard yesterday. The contest will be played at a later date, probably on a Sunday since the Spartans must be on duty at times.

The Spartans hook up with the powerful Grosse Pointe tomorrow. In an effort to win accounts with the fliers, John Kobs has nominated Krestel as his starting pitcher. Krestel has won two and lost one to date. The Spartans walked all over State two days ago, 12 to 3.

Krestel has fallen heir to an inheritance of bad luck. Howie Yarnall, first baseman, turned in Tuesday's practice with a sore elbow. Workman sustained an injury in the practice game when he was hit by a ball. If he is unable to play, versatile Jack Breslin, catcher, will probably be called to the initial sack, and Luckenbiller will handle the pitching chores.

Workshop Presents Original Radio Script

Dramatic workshop of the air presents an original radio script, "So This is Where You Live," by Nancy Blue, Detroit, at 4 p. m. today over station WKAR.

Guests in the cast include Mary, instructor of speech; Leonard Tallmadge, graduate assistant in speech; Jean Granville, law junior; Dick Schubel, law junior; Bob Kamins, law junior; Cy Jones, DeWitt junior; Bill Thielen, Eschscholtz junior; Marjory Rice, law senior, and Shirley Casselans junior.

Costin Tops Batters With .437 Average

Dana Costin, shortstop, tops the list of Spartan stickmen with a batting average of .437, according to team manager Sid Kern. Following Costin in order are: Breslin, who bats in the clean up position, hitting .375, Grunst, swinging his bat to the tune of .363. Also up in the exclusive .300 bracket are Workman with a .333, and Reed, .315.

Turk, second string shortstop and second sacker, comes next in the group, with an average of .265. MacCris, third baseman, is hitting .259. Henessy has hit a .166 while McDonald has a .137 average.

Among the pitchers, Krestel is the leader in batting as well as in games won. He has hit an average of .176. Yarnall has hit .166. Couey and Ashley have not yet connected for hits and are consequently batting zero.

Invasion Forces Hit Jap Patrol Troops in New Guinea

ALLIED HDQ, NEW GUINEA, Thursday, May 18 (AP) — Gen. Douglas MacArthur disclosed today that invasion forces which have been at Aitape, New Guinea, since April 22 now are engaged with a Japanese force in that sector.

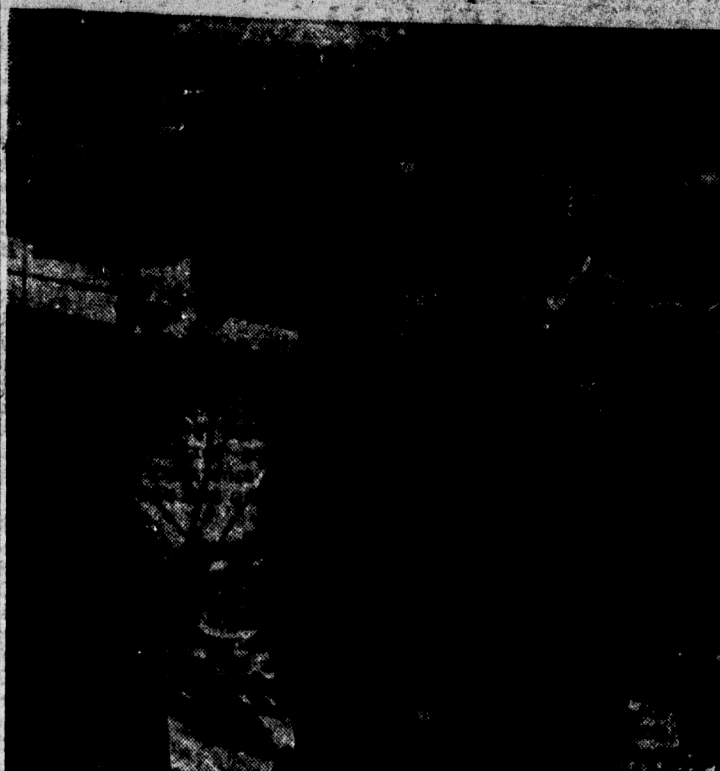

Aitape is 150 miles southeast of Hollandia, Dutch New Guinea, which was invaded simultaneously in April.

Headquarters said today that the Aitape invaders had contacted a Japanese force 34 miles to the southeast last Saturday night and that the patrol fighting may still be in progress.

Wakde, the next New Guinea step beyond Hollandia on the way to the Philippines underwent its fourth straight day of stiff aerial blasting Tuesday and the continuous series of raids on the Schoute S, 250 miles northwest of Hollandia, were carried into their 13th straight day.

At Noemfoor Island, three Japanese planes were shot down.

Eric Johnson Leaves for Russia

ERIC A. JOHNSON (center), president of the U.S. Chamber of Commerce, waves as he leaves the National airport at Washington, D. C. for Russia, where he is to discuss postwar problems. Accompanying him are W. L. WHITE (left), editor of the Emporia, Kas., Gazette, and JOYCE O'HARA (right), Johnson's secretary.

Weather Spares Continent From Usual Bombings

LONDON, May 17 (AP) — Bad weather and the massing of Allied bombers for renewed blows spared Europe its usual avalanche of bombs for the fourth straight day today after fleet Mosquito bombers made their fifteenth call of the year on Berlin last night, unloaded block-busters and returned without loss.

Rain and low banks of heavy clouds rolling in from the continent may also have kept Nazi raiders grounded, for they failed to show up after two nights of attacks along Britain's south coast in which they claimed to have drubbed the ports of Bristol and Portsmouth.

While the army of bombers gathered strength for the new pre-invasion blows, the Mediterranean army air force hammered day and night at enemy strong points and supply centers in support of the Italian offensive although weather kept heavy bombers aground.

There is no question but that a new Allied aerial offensive, which may dwarf the previous 29 days of unrelenting assault, will soon break over Europe from north, south and east.

Weekend Social Calendar to Include Annual Bowery Ball, Other Dances

The Theta Chis will highlight this weekend with their annual Bowery ball to be held in the Forestry cabin, Saturday night from 9 to 12. The original dress of the Bowery will be worn and decorations will carry out the theme.

Music will be furnished by records and refreshments will be served during the evening.

Prof. and Mrs. Nathan Hall and Prof. and Mrs. Lauren Brown are to be the patrons.

Formal Dance
Saturday night will climax the province convention of Alpha Xi Delta sorority with a formal dance preceded by a formal dinner at 6:30.

The dance will be held in the Union ballroom. Rosemary Howland and her orchestra will furnish the music from 9 to 12. Refreshments will be served following the dance at the sorority house.

Patrons are Prof. and Mrs. Edward Nordaus and Prof. and Mrs. Stanard Bergquist.

Dorm to Entertain
North and South Campbell are offering an informal mixed dance from 8 to 12 Saturday night. Recordings will furnish the music. A dorm band, square dance and a singing trio will entertain and refreshments will be served out of doors, according to Gene Denison, Vernon junior, and Marilyn Goodrich, Albion senior, social chairmen of the dorms.

Prof. and Mrs. Walter Fee, Prof. and Mrs. James Richards, Prof. and Mrs. C. A. Lawson, and Prof. and Mrs. J. D. Menchofer will be the patrons.

AP Writer Exchanged
BARCELONA, May 17 (AP) — Larry Allen, Associated Press Pulitzer prize winning war correspondent, who survived the sinkings of two British warships, was exchanged today after 20 months in Italian and German prisoner of war camps.

Foremen Leaders Call Off Strike

General Arnold Claims Work Stoppage Cost Army 250 Fighters

WASHINGTON, May 17 (AP)—Leaders of striking foremen called off their two-and-a-half week walk-out in 13 Detroit war plants today after General Henry H. Arnold warned them it was endangering lives of American airmen and "may even affect our invasion operations."

Bristling and indignant, the chief of the army air forces made a five minute appearance at a War Labor board hearing to declare, "this is one of the most serious setbacks that the army air force program has had since its inception; and to show you that I am not exaggerating, this strike so far has cost the U. S. army air force 250 P-51 airplanes, which is not a small number."

The strike of some 3,300 foremen has left about 52,000 war workers idle and has caused shutdown of the Packard plant which is the sole source of engines for the long range fighter.

President Robert H. Keys and the 10-man executive board of the Foremen's Association of America left the hearing for a conference. An hour and a half later they delivered their decision to Davis and instructed local leaders in Detroit to hold meetings immediately to end the strike.

The foremen are fighting for collective bargaining recognition. The national Labor Relations board has denied them the assistance of the Wagner act which is extended to unions generally.

Invasion to Be Noted by Minute of Silence

LANSING, May 17 (AP)—Gov. Harry F. Kelly today setup machinery for an "official" observance of the opening of the Allies' invasion of Europe, asking citizens to join at that time in one minute of silence to commemorate the occasion.

Having proclaimed "D-day" as a day of prayer last week, Kelly said he had been urged repeatedly to insure that the observance was state-wide and that it does not degenerate into a series of false alarms.

The state director of the office of civilian defense will send his proclamation of the exact time for the observance on the OCD air-raid warning system.

Diplomatic Ships Begin Exchange of Prisoners

BARCELONA, May 17 (AP)—The diplomatic exchange ships Gripsholm and Gadisca docked here today and the transfer of some 900 American and British prisoners of war for 700 German prisoners and civilians began immediately.

As Allied soldiers and civilians debarked at the bow of the swastika-flying Gadisca and walked across the pier to go up the Gripsholm gangway the Germans went aboard the Gadisca at the stern.

The Allied group was laughing and joking in distinct contrast to the Germans, few of whom appeared cheerful. Despite their ragged uniforms which seemed to be those in which they were captured, the Allied troops generally had a spruce appearance. Some of the British were wearing shorts.

The Germans, members of Field Marshal Erwin Rommel's Afrika Korps captured in Libya and Tunisia, were greeted by a swarm of uniformed Nazi party officials who paraded back and forth along the pier.

Among the Allied war prisoners were two British generals and an air marshal. The first person to leave the Gadisca was an Irish general in the British army named O'Carroll.

INFORMATION

ODC
Red Cross board, which consists of officers of the Red Cross and chairmen of Red Cross chapters, will meet today at 7 p. m. in the ODC office in the Union.

MEB MEO
Med Bloc will hold a meeting today at 7:30 p. m. in the Bacteriology building, according to Eleanor Hall, Montour Falls, N. Y., sophomore, publicity chairman. Three women from the state health laboratory will speak on internship and answer questions.

HISTORY CLUB
History club will meet tonight at 7:30 at 674 Butterfield drive to elect officers for the coming year. Members and students who would like to become affiliated with the club, whether history majors or not, are invited to attend.

AVMA
Dr. R. A. Runnells, head of the anatomy department, will speak on Prewar European Veterinarian Education at the AVMA meeting tonight at 7:30 in the Vet Clinic.

SENIOR ANNOUNCEMENTS
Payments on previous orders of senior announcements can be made today from 11:30 to 5 p. m. in the lower lounge of the Union. All money must be in before arrival of the orders May 23.

Lantern Night Tradition Continued Senior Women to Receive Awards

By JANICE HOFFS

Following senior week tradition, Spartan women will meet in front of the Women's gym at 9:30 p. m. June 6 for the Lantern night ceremonies. Co-chairmen June Wilkinson, Jackson sophomore, representing Tower Guard, and Grace Sidoti, Lansing senior, representing Mortar Board, announced yesterday.

Sponsored jointly by Tower Guard, Mortar Board, and AWB, the annual walk will be led by seniors, dressed in mortar boards and gowns, followed by juniors, sophomores, and freshmen. All will carry lighted Japanese lanterns with the exception of the freshmen.

Walk Through Garden
Accompanied by the chimes of Beaumont, played by Denzil Treber, Lansing senior, the procession will march through Beal Gardens and end in front of the bandshell where the presentation program will take place. At that time new Mortar Board, Tower Guard, and AWS officers will be installed, and the outstanding seniors from campus organizations will be honored with white carnations.

As in the past, finale of the ceremonies will be the significant handing down of lanterns. Senior women will pass their lanterns to the juniors, and each class in turn will pass them on to their succeeding class. The freshmen will lead the procession back.

Late Permission
Special provision for late permission will be announced at a

later date, Miss Wilkinson and other students in charge of the evening program are: tern chairman, Jane Cade, Lansing freshman, of Tower Guard; publicity chairman, Leona Seastrom, Geneva, Ill., sophomore, of Tower Guard; and presentation chairmen, Sheila Keasey, Saginaw junior, and Janice Hoff, Lansing junior, new members of Mortar Board.
