Today's Campus

The New Order

Rumor has it that a psychology section will be opened in the near future for those early risers and adventurous students who like their psych at 7 a. m. before breakfast. Prof. J. M. DeHaan made the announcement early to both of his 201e sections yesterday, and was met with a wave of groans, moans and a few nods of approval. Definite information will be forwarded to the students as soon as such problems as obtaining breakfast and keeping peace with roommates when the alarm goes off around 6:15 a. m. are ironed out.

Wandering Footsteps

To prove that humans are next to the funniest people in earth (only freshmen are funnier) we give you this odd incident. Marjorie Sheffield, Bay City freshman, approached Chottie Hess, Bay City junior, and inquired where the beef and cattle barns could be found. Miss Hess, being curious about such a profound interest in the bovine world, asked her what business she might have in such a place. "Well," replied Marjorie, "I have to be at the BCB in five minutes. What else could it be? It might be the Basic College building. Who knows?"

Coed Fools Campus

Students eyed just a little skeptically the Psi Chi recognition pin Yvonne Davidson, Ferndale senior, was wearing a few days ago. Wondering New why an MSC coed would Pledge be a member of a medical fraternity, one brave soul questioned her. Dado, it seems, was lacking so much sleep that she had turned her Chi Omega recognition pin upside down, thus giving the false impression.

Red Fleet Moves Into Baltic Sea

HELSINKI, FINLAND, Sept. 25—(AP)—Heavy gunfire from the Finnish gulf echoed in Helsinki today, indicating that the Red fleet had moved in strength into the heretofore German-controlled Baltic sea for the first time in more than three years. Russian naval forces were said to be firing at all sea-going craft sighted in an effort to smash Nazi attempts at evacuation and men even have engaged one or two German heavy cruisers which informants said were covering the enemy's confused withdrawal from the Baltic states. Windows rattled and china-ware shook as the reverberations of gunfire sounded hour after hour in the Finnish capital. Meanwhile Finnish troops somewhere in the wilderness stretching across central Finland from Oulu eastward to the Russian border were reported skirmishing with retreating units of the Nazis' Lapland army.

BULLETIN

SHAFF, Sept. 25 (AP)—Determined German counterattacks threatened Lt. Gen. Sir Miles Dempsey's rescue expedition as well as the trapped airborne troops northwest of Arnhem, Holland, today, but the supplies still were moving through a narrow corridor 50 miles long. It was announced officially late tonight. Headquarters had no news of the situation at the vital Arnhem bridge and said there still was no firm junction with the British sky troops which have been encircled for nine days on the north bank of the Rhine.

Jap Sea, Air Forces Duck From Blitz

American Naval Air Arm Forces Jap Warships From Philippines

U. S. PACIFIC FLEET, PEARL HARBOR, Sept. 25 (AP)—Japan's naval and air forces defending the Philippines, mauled by devastating raids by seaborne American planes, backed away today from the air blitz that Tokyo reports is continuing in full force against the archipelago.

In three lightning strikes over a period of three weeks, the American naval air arm has forced the enemy warships from former anchorage in the Philippines and "broken" the defending air force.

Results of Third Raid

Adm. Chester W. Nimitz gave that summation Sunday of the effects of the daring forays by Adm. William F. Halsey's third fleet in reporting the results of the third and latest thrust.

The third raid, extending over Sept. 20 and 21 (U. S. time), sank or damaged 86 Japanese vessels, 17 smaller craft and two floating drydocks and destroyed 357 planes. Forty-eight more planes were damaged. Havoc was wrought among ground installations, buildings, warehouses and storage facilities.

U.S. Losses Light

American losses in the two-day assault were given as 11 planes, 10 pilots and five crewmen. There was "no loss or damage to any of our surface ships," said the communique.

The first carrier strike into the Philippines fell on the southern island of Mindanao Sept. 8. This was followed by a three-day attack, starting Sept. 11, into the central portion of the Archipelago.

On Sept. 20 and 21 the carrier-borne typhoons swept the northern islands, including Luzon, on which Manila is situated.

Deliveries Curtailed

No deliveries of the State News will be made this term west of Harrison road, north of Southlawn, east of Bailey, or north of Ann street. No deliveries will be made on Milford, Gunson, Cedar, or River streets or out of town. Persons living outside of this area should pick up their paper at the Union desk daily.

Paying positions as carriers are now open on the State News. Persons interested in applying should contact Jane Walker in the News office, Union annex.

State Begins Fall Quarter With 3,604 Students

Michigan State college, now in its 90th year, is beginning its fall quarter with a total civilian enrollment of 3,604 students, of whom 884 are men and 2,720 are women, according to the latest statistics from Registrar R. S. Linton.

This figure tops last year's total by about 10 per cent and does not include approximately 750 soldiers and air corps reserve men in training on the campus. Last year's enrollment showed 1,040 men students, including junior ROTCs and Vets under ASTP, and 2,237 women, for a total of 3,277 students.

Included in this fall's student body are over 1,300 freshmen and about 125 World War II servicemen who have been honorably discharged.

Incoming freshmen will be enrolled in the new two-year basic college, while the veterans will be given special personal and academic attention through facilities and personnel of the new college servicemen's institute.

Registrar Linton expects another 100 students to enroll between now and October 2, he said today.

Russians Capture Port of Haapsalu, Speed to Latvia

LONDON, Sept. 25 (AP)—Russian troops captured the west Estonian port of Haapsalu and seized a 35-mile section of the Gulf of Riga coast below fallen Parnu today as they sped onward toward the Latvian capital of Riga.

The Moscow bulletin also announced the capture of 50 localities in southern Poland along the Czechoslovak border, but did not confirm last night's Moscow broadcast telling of a 25-mile penetration of Slovakia.

Haapsalu, 63 miles southwest of Tallinn, Estonian capital, was among 800 populated places taken by Marshal Leonid A. Govorov's Leningrad army sweeping through western and southern Estonia.

Kuusiku, only two miles from the Latvian border, and 65 miles north of imperilled Riga, was the southernmost point reached by units which drove down the eastern side of the Riga gulf from Parnu.

Gen. Ivan Maslennikov's third Baltic army, attacking through northern Latvia captured Mazalaca, 25 miles east of Kuusiku. Hence, a junction between his units and those under Govorov is imminent.

Double-Headed Invasion Stabs Siegfried Anchor

Germans Throw in Three Divisions Against Stubborn British Band West of Arnhem; Allies Appeal to Foreigners in Reich

SHAFF, Sept. 25 (AP)—A great battle raged on eastern Holland's approaches to Germany tonight with the enemy hurling elements of three to four divisions against a valorous British band clinging stubbornly to its foothold north of the broad Neder Rhine just west of Arnhem.

C. P. LOOMIS

Professor Loomis has been named head of the department of sociology in the school of Science and Arts by the State Board of Agriculture. Loomis, whose appointment became effective Sept. 1, comes to State from the U. S. Department of Agriculture.

Director Announces Time Schedule for Play Tryouts

Tryouts will be held for the fall term play "Kind Lady," by Edward Chodrov, in room 130 Morrill hall today, tomorrow and Thursday from 7 to 10 p. m., according to Don Buell, play director. Upperclass sorority women who cannot attend the regular tryouts may try out tomorrow from 4 to 6 p. m.

Five or six male parts are being cast, including a suave man-about-town, a doctor and two or three art dealers. The main women characters are the kind lady, her socially minded friend and the lady's niece. Six women's parts have to be filled.

The play is a psychological chiller much like last winter term's "Guest in the House," and concerns a kind philanthropist who becomes involved with a gang of crooks.

The British second army, throwing a bridgehead across the river barrier, also was under violent attack as it strove to drive up to the beleaguered airborne force which has fought alone for nine days. Its supply lane stretching 50 miles southward was under assault.

Meanwhile, the Allies swung guns and troops from Holland into Germany at two points some 15 miles south of this fighting, driving ahead to within eight miles of the Siegfried line's northern terminal vulnerable northern defenses.

Supreme headquarters joined in with a call to the 12,000,000 foreign workers inside the Reich to take up arms, indicating climatic battles were at hand.

Southwest of Kleve the British second army was moving out east of its Dutch base at Eindhoven on a 13-mile front and advanced elements knifing into Deurne were about 18 miles from the German frontier.

Supreme headquarters said Allied forces had entered the forest of the Reichswald, which screens the fortress of Kleve on the southwest, and front dispatches said these were British troops and tanks. From the edge of the forest at the Dutch border they are eight miles from Kleve.

Flying Boat Sinks Three Jap Ships

ALLIED HDQ., NEW GUINEA, Tuesday, Sept. 26 — (AP) — A Catalina flying boat sank three Japanese warships off Davao, headquarters reported today.

A Nipponese seaplane tender and two destroyer escorts were destroyed with a single bombing run.

This was one of the most singular feats reported during the consistent bombing of Davao harbor in the southern Philippines.

The Catalina was on patrol over the important Japanese base which has been under almost constant American aerial surveillance for weeks.

The attack was made during Saturday night and Sunday morning.

In other Allied raids, a 10,000 ton Japanese tanker was sunk and a 3,000-ton freighter damaged in Dutch Celebes.

A total of 122 tons of bombs were unleashed on airdromes on Celebes and Ceram, in a continuation of neutralization raids.

Ag Board Announces Faculty Changes

Elizabeth Corbishley, formerly secretary to the counsellor for women, will succeed Mabel Petersen as housing supervisor for women at MSC, and Edward Kinney, of the electrical engineering department, replaces Ward A. Davenport as head of the department of buildings and grounds, it was announced at recent meetings of the state board of agriculture.

Other major appointments included those of Mrs. Maurice Gordon, of Shelburne Falls, Mass., as assistant counsellor for women, and Dr. Leo J. Haak, of the University of Tulsa, Okla., as head of the department of effective living in the new basic college. Still others were Dr. C. P. Loomis as professor and head of the department of sociology, replacing Dr. E. B. Harper, now head of the department of social

service, and Laurence J. Quill as professor and head of the department of chemistry in the school of science and arts.

Clark Gets New Duties
Miss Petersen has been commissioned a lieutenant (j. g.) in the WAVES and leaves for Smith college soon. Davenport has accepted a job at Brown University. Quill replaces Prof. A. J. Clark associated with the college for 39 years, who will be assigned new duties.

Other appointments included Carlos Teran, a native of Quito, Ecuador, as associate professor in the institute of foreign studies; Maurice Dumesnil as associate professor of music, replacing Prof. Frank Mannheimer; and Dr. Charles Schoff, replacing Dr. L. M. Folkers, of the college health service, who has accepted a position at Stephens college, Columbia, Mo.

Resignations accepted by the board included those of Mrs. Leone Warren, Union hostess, and Cornelia Tomes, associate professor of education who has accepted a position in a private school in Texas. Various leaves of absence, including seven military leaves of absence were granted to members of the college staff.

Gifts Total \$15,135

The board also approved the establishment of an institute of nutrition at Michigan State college for the purpose of enlarging the nutritional research activities in man, plants and animals. The institute will be administered in the school of graduate studies under Dean R. S. Huston.

Gifts totalling \$15,135 were accepted by the board recently, for scholarships and various funds for research and study.

Must Football Take a Back Seat?

Time 2 p.m. Place: Macklin Field. Occasion: Michigan State vs. Scranton football game. Good afternoon ladies and gentlemen. Here we are up in the press box ready to bring you the play by play description of the Scranton-State game. It's a beautiful day in East Lansing. The teams are taking the field and the game is about to begin. But wait, something seems to be missing from the picture... where's the crowd?

We'll tell you where a good portion of it is! Because of thoughtless planning, three quarters of State's women are busy at sorority rushing parties this afternoon. But then why shouldn't they be? We have all of two more home games! It seems, ladies and gentlemen, that the traditional Spartan spirit has been replaced by outside activities that just couldn't be held at any other time.

Members of the faculty have gone to great pains to aid the return of football to our campus; 60 members of the team have given their time and efforts. And for what, if the students haven't enough interest to attend the games? Perhaps PanHel has forgotten that the new freshmen have never seen State play or had the chance to develop the famous State spirit.

It is unfortunate that the male members of the student body, who are in the extreme minority, must not only supply all the contestants but also supply all the spirit. Let's hope that this will serve as a future reminder to PanHel that Michigan State college comes first and other activities second.—J. C. and J. B.

Publications Serve MSC

Through the offices of the department of publications at one time or another passes most of the information about Michigan State college. "Down under" in Ag hall this department, headed by Lloyd H. Geil, handles a large number of public relations services, designed to inform Michiganders about Michigan State, its students, and its work.

From the general information service news articles and photographs are released to the Associated Press, United Press, International News Service, and special correspondents.

Information Blanks Helpful Many students raised a wondering eyebrow at the new blank included on the registration card this term. This information will be used by the department of publications in writing stories concerning outstanding student achievements to be sent to hometown and high school newspapers.

This year news stories will include sports, which were welcomed back last April. Publication of the "Spartan Gridiron News" and "Football Facts" will be resumed this fall.

Michigan newspapers are generous with their space, a fact shown by the department's clipping service. It is estimated that newspaper clippings numbered about 60,000 last year, which represents quite a bit of printer's ink.

The clippings are sorted and sent to the appropriate department heads for filing.

An interesting and rapidly expanding division in the department is the visual aid service, which last year distributed slides and films dealing with farm and garden production to school, farm and urban audiences all over Michigan.

This type of visual education is expected to be widely used after the war.

Cooperation for Information

Included also in the department of publications are news broadcasts about college activities, and a radio information service dealing with topics on agriculture and home economics; the publication of innumerable bulletins; and news stories on all phases of agriculture sent out through the extension service to Michigan weeklies.

In Campus Quarters

By LEONE SEASTROM

A FIRST glance at the moonlight news that was piled up over the summer months would set the OPA tearing their hair at the coed corner on the diamond market.

Starting the list with those who said "I Do" and made it definite during the summer is Jean Moffett who is now Mrs. Bill Gotshall. Bill was a Kappa Sig, '43. Janet Pullen, Jackson sophomore, was married Saturday to Ralph Harvey, former MSC man.

News of engagements comes fast and furious. Pat Fisher, Theta, explains her beaming face with the diamond she has from Lt. Don Cline of Evanston, now overseas.

Fast becoming left-handed are Alpha Chi's Carol Schier and Jane Wolcott. Both received rings during the summer from Lts. William Goodale and Carroll Butts, respectively.

Over at the Kappa house Marion McCain is showing off the sparkler she has from Officer Candidate Richard Mac Cracken, Beta from the University of Colorado.

Competition comes from her sorority sisters Betty Payne and Marie Angove. Betty wears a ring from A/C Irv Meyer of the University of Southern California and Marie's sparkling third finger is all because of Pfc. Murray Foster stationed at Camp Chaffee, Ark.

Across the street Betty Oles, Alpha Phi, is telling her sorority sisters all about the ring she received from Robert Wiegand.

The Pi Phi Gammas are "best wishing" their sorority sister Dotty Wells whose engagement to Dick Haggerman, former member of the MSC band, was announced this summer.

Another in the strictly one-man class is Virginia Brader, APOi who wears a ring from Sgt. Robert Bakewell. Last on the list is Percy Kelley, Buchanan senior. The sparkler she proudly displays is from Keith Cole, air cadet stationed at Santa Ana.

More fraternity pins have deserted their male owners and happier for it are their coed owners. Lt. Charles Colville, Delta Chi, has left his badge in charge of June Fredericks, Kappa, while sorority sister Jeanne Ringle wears a Phi Delt pin from Pfc. E. C. Schouweiler of Penn State. Lt. Robert Asmussen, Sigma Nu, '42, happily presented his white star to Kappa Eileen Fink before he left for Panama earlier this month.

Still in the department, but off the romantic angle is the election of Sigma Chi officers for the year. Tom Reutner, St. Louis, Mo., junior will act as president with Dick Mosher, East Lansing sophomore, as vice-president; Jim Sullivan, Detroit senior, secretary and Bob Freeman Detroit senior, treasurer.

INFORMATION

WOLVERINE SALES

A Wolverine sales meeting will be held tomorrow at 5 p.m. in the Wolverine office, Union annex. All salesmen are urged to be present as plans for the term will be discussed. Other students who are interested in selling Wolverines are invited to attend.

WOLVERINE STAFF

A general staff meeting of the Wolverine will be held today at 5 p.m. in the Union annex according to Editor Sam Fox. Everyone interested is invited to attend, and though no previous experience is necessary, photographers, artists, and typists are especially needed.

UNION BOARD DANCE

Union Board will open the fall social season by sponsoring an informal dance in the Union ballroom Saturday night which will be open to the entire student body and to service men. Music will be furnished by Rosemary Howland and her orchestra and the dancing will continue from 9 to 12 p.m.

Grim and Bear It By Lichty

"I'm not worrying about his being spoiled, Auntie. Now that his father's a sergeant, he'll know how to handle him when he comes home!"

Dewey Hits at Jokes, Mud-Slinging In Roosevelt's Campaign Speech

OKLAHOMA CITY, Sept. 25 (AP) — Assailing President Roosevelt's record in office as "desperately bad," Gov. Thomas E. Dewey tonight hit back sharply at his opponent's opening campaign speech with this statement:

"He jokes about depressions—about the seven straight years of unemployment of his administration. But he cannot laugh away the record."

Replies to Roosevelt's Speech

The Republican nominee, patently aroused by Roosevelt's Saturday night assertion that the GOP campaign has been marked by "fraud and falsehood" quoted from senate records in an attempt to show the White House was responsible for the "shocking state of our defense program four months before Pearl Harbor." But, he said:

"I shall not join my opponent in his descent to mud-slinging. I shall never make a speech to one group of American people inciting them to hatred and distrust of any other group."

"Can't Laugh at Problems"

Declaring Roosevelt tried to "laugh off the problem of jobs after the war, Dewey said:

"Let's get this straight. The man who wants to be president for 16 years is indeed indispensable. He is indispensable to Harry Hopkins, to Madame Perkins, to Harold Ickes, to a host of other political job holders."

College Canning Factory Calls for Student Help

An urgent need has arisen for both men and women to work in the college canning factory as there is danger of an early frost, according to W. F. Robertson, superintendent. The tomatoes already picked will rot if not canned immediately, Robertson said. Hours for work will be from 4 to 10 p.m. and a special wage of 55 cents an hour has been offered. Permission for women to work at the factory has been granted by Mrs. Maurice Gonon, counselor of women's activities.

State Men Write Article

Two members of the college staff, Dr. C. F. Huffman, research professor in dairy husbandry, and Dr. C. W. Duncan, research associate in chemistry, are co-authors of a chapter in the 1944 "Annual Reviews of Biochemistry," published recently by the Stanford University press.

The chapter entitled: "The Nutritional Deficiencies in Farm Mammals on Natural Feeds," is the first that State instructors have contributed to the annual review, which contains a compilation of important nationwide research findings of the previous year.

Grid Squad Will Meet Scranton Saturday in Macklin Field

Scranton Eleven Faces Spartans As Third Game

Spartan gridiron forces will take action against an intercollegiate foe for the first time in two years when they face the University of Scranton, Pa., Saturday at 2 p.m. in Macklin field.

An untried State team will meet a team already tempered by two previous games. Scranton defeated Franklin and Marshall, 7 to 0, Sept. 16 and lost to Villanova, 13 to 7 last week.

Completed Last Week

Athletic Director Ralph H. Young succeeded in completing a seven game schedule only last week, after previous efforts had resulted in only five games. Schedule negotiations were hampered by the lateness of the date of the return to intercollegiate sports.

The complete seven game schedule is:

- Sept. 30—Scranton—Home
- Oct. 7—Kentucky—Lexington
- Oct. 14—Kansas State—Home
- Oct. 20—Maryland—College Park
- Oct. 27—Wayne—Detroit
- Nov. 4—Missouri—Columbia
- Nov. 11—Maryland—Home

*Night games.

Night Practice

New to Spartan football fans will be night games. With both Maryland and Wayne slated as late encounters, Coach Charlie Bachman has already held one night practice under the lights of old college field. The Wayne game will be played in the University of Detroit stadium.

Pre-game plans include a student rally Friday at 7 p.m., sponsored by Alpha Phi Omega, national service fraternity. Yells and songs will be practiced and the starting lineup will probably be introduced along with Coach Bachman.

Cheer Leaders Needed

Needed for the game are cheer leaders. All persons interested in leading cheers are urged to report to Russ Daubert, phys. ed. instructor, in the stadium at 5 p.m. any day of this week.

Scranton is a Jesuit college which had some 700 men in the pre-war era. It was founded in 1888 as a college and later changed to a university. Against a weak schedule last year Scranton won five, lost four, and tied one.

Dorsey Band Listed for Dance Friday

Jimmy Dorsey and his orchestra will play Friday night in College auditorium from 8:30 p.m. to 2:30 a.m. at an open house dance, sponsored by an outside organization.

It will be announced later whether or not the ACERC's (air corps reserves) will have open post to attend the dance, the first "big name" affair of the season.

Tickets are now being sold at the Union desk and Administration building on campus, and at Budd's, Grinnell's, and Resurrection Catholic church in Lansing.

Drive Delayed

Mackmen Halt Bengal Race for Pennant by 2-1 Victory

DETROIT, Sept. 25 (AP)—Russ Christopher, lanky Philadelphia righthander, tamed the Detroit Tigers on four hits today as the Athletics captured the opener of a three-game series, 2 to 1, before a paid crowd of 5,881 fans.

The Tiger loss, cracking a four-game winning streak, gave the St. Louis Browns an opportunity to tie Detroit for the American league lead tonight by beating Boston.

Christopher, beating the Tigers for the second time this season, pitched brilliant ball. Three of Detroit's hits were infield scratches and only six balls went to the Philadelphia outfield all afternoon.

Irvin Hall's double leading off the Philadelphia eighth inning, followed by Ford Garrison's single over second, provided the winning run, breaking a 1-1 tie and sending Ruff Gentry down to his 14th defeat. Gentry had won four in a row before today.

New Faces to Greet Football Foe Saturday

Unveiling its second war-time football season after a year's lay off the Spartans will field the first complete under-graduate eleven to don State livery in many a moon. Hooking up with one of their lesser opponents of the season, the University of Scranton, Saturday afternoon, the Spartans' starting line-up will consist of six freshmen, four juniors, and one sophomore.

A press-box view of the tentative line-up is in order as every face on the team is new. What the team lacks in experience it offers in balancing amount of pep, speed, and confidence. The average age of the team members is below that of normal times, but every man is scrapping for a starting berth.

Powerful Ends

The ends are ably manned by two of the most promising prospects Coach Charles Bachman has had under his wing in a long time. Frank Brogger and Don Grondzik. Both adhere to the State system which requires the flankers to be rugged as well as adept pass snatchers and down field blockers.

Both stand over six-feet, and strangely enough hail from the same city, Saginaw. Brogger was a stand-out freshman end in '42, and Grondzik matriculated this

summer after graduating from Saginaw high. Brogger won a starting berth almost immediately.

Grondzik, a proven man on defense, also turned into a pass catcher which was shown Saturday when he clamped on to two pay-off tosses to rack up 12 points in a lengthy scrimmage.

Tackles Secure

Weight is no worry at the tackle slots. Coaches John Kobs and Karl Schlademant have Mike Prashaw, 210 pound Messena, N. Y., junior and Peter Dendrinis, 215 pound Muskegon Heights freshman. Prashaw won his numerals in '42, and Dendrinis has been an outstanding prep tackle for two years.

The guard positions are in the hands of a veteran and a freshman. Bob Godfrey, Mt. Clemens sophomore, and Don Arpson, Muskegon freshman, have cinched the starting roles. Godfrey is a veteran of the campus league last fall, and Arpson was a better-than-average man for Muskegon. Both men possess the necessary talents for the post, and

will serve to plug up the middle of the line.

Experience at Center

Completing the line is Brady Sullivan, Stuebenville, O., junior. A quarterback for the Cleveland Rams, Sullivan will add valuable experience to the untried line. He was changed to the pivot post early in the season and has performed nobly.

Behind the line coach Joe Holsinger has molded a well-balanced quartet of leather-huggers in the persons of Jack Breslin, Battle Creek junior; Bob Bruegger, Lansing freshman; Bill Siler, Dundee freshman; and Fred Aronson, Chicago junior. Breslin, a 185 fullback and Bruegger, one of the better half backs in the prep ranks last year will be the king-pins of the Spartan-offensive.

Both boys are talented passers and dangerous runners. Breslin is rapidly developing into one of the better kickers in State's history. Siler, small but rugged blocking back, has speed as well as signal-calling finesse. Aronson, who has been nursing a back injury will be the dark horse in the backfield, but can be counted on as a real threat.

American Fifth Army Fights Toward Nazi Escape Route

Western Yanks Advance to Bologna

ROME, Sept. 25 (AP)—American fifth army troops, smashing beyond the core of the enemy's Gothic line, were fighting forward tonight less than 12 miles from the Bologna-Rimini highway, main escape route for German forces still battling desperately northwest of the Adriatic port of Rimini.

The thrust toward the highway—the Via Aemilia of the Romans—was made northeast of Firenzuola. Farther west Yank troops continued to advance in the Futa pass area and reached points roughly 15 miles from the big industrial city of Bologna.

(An Associated Press dispatch reported the Swiss-Italian frontier between American forces were within 12½ miles of Bologna, a city of 300,000.)

(It said Allied bombings had disrupted all public services in Bologna, including its water supply, and that bloody fighting was in progress in the streets between Italian Partisans and Fascists.)

In the Adriatic sector eighth army troops penetrated 2,000 yards beyond the Rimini-Bologna railway north of Santa Guistina and to within 1,500 yards of the historic Rubicon river, where they were checked temporarily by fierce Nazi resistance.

Enemy parachute troops, infantry and armored forces were fighting desperately to hold a line across the entrance to the wide and fertile Po valley.

British Reveal New Security Plan

LONDON, Sept. 25—The British government made public tonight, on the eve of the reconvening of parliament, a tremendous social security plan affecting every man, woman and child in Britain and the government's answer, at least in part, to the controversial Beveridge plan of a year ago.

It would provide unemployment and sickness insurance; health service; widows pensions; retirement pensions; family allowances; orphans allowances; motherhood grants and death grants.

Basically the government plan would seek to banish extreme poverty from Britain at one stroke and greatly improve the welfare of most of the country's 47,000,000 people.

It is generally expected proponents of the plan will claim it is the greatest social security charter ever introduced by any government in any country and argue that it is better than the Beveridge plan.

Cross Country Team to Run OSU Oct. 14

With a cross-country meet already scheduled with Ohio State university for Oct. 14, runners are needed to fill out Coach Lauren Brown's harrier squad.

To bring out men interested in cross-country and winter track and field events, a meeting will be held Thursday at 5 p.m. in room 215 of Jenison gym for all who are interested. Coach Brown stated that any man with two legs had a good chance to get on the squad.

— THE — WOMAN'S WORLD

ORCHESTIS

Junior and senior members of Orchestis, dance honorary, will hold a meeting Thursday from 5 to 6 p.m. in the lounge of the Women's gym. All persons interested in trying out for membership are invited to attend.

GREEN SPLASH

Women interested in participating in a life saving class to be sponsored by Green Splash, swimming honorary, are asked to meet in lecture room A in the Women's gym tomorrow at 7 p.m. A life saving badge is one of the requirements for women wishing to become members of the organization.

ORIENTATION LEADERS

A meeting of all freshman orientation group leaders will be held Thursday at 7:30 p.m. in room 103 Union annex. Leaders are asked to bring pencil and paper. Schedules of leaders are to be left at the Union desk for Mickey Mosely before noon tomorrow.

FRESHMAN ORIENTATION

"Best Foot Forward" will be the topic of the first group meeting of freshmen orientation classes Tuesday at 2 to 3 p.m. and Saturday at 10 to 11 a.m., according to Sue Averill, co-chairman. At this meeting several important announcements will be made and seats will be assigned. Speakers will be three outstanding women on campus, Miss Averill said.

DORMITORY ELECTIONS

Election of officers in dormitories, co-ops and other residences for college women is scheduled to be held tomorrow night, according to Betty Corbishley, housing director. President, vice-president secretary, and treasurer are to be elected in all houses. Fire chief and social chairman are also to be chosen if the number living at the residence requires it.

Hospital, Library Set Hours for Fall Term

The Olin Memorial Health center has announced the hours when students may receive medical attention. Monday through Friday the center will be open from 8:30 to 11 a.m. and from 2 to 4:30 p.m. Saturday hours will be from 8:30 to 11 a.m. Students will be received by appointment only on Sundays.

Library hours for the period beginning Sept. 25 and continuing to Dec. 15 have been announced by Librarian Jackson E. Towne. Monday through Friday the library will be open from 7:30 a.m. to 10 p.m. On Saturday the hours are to be 7:30 a.m. to 6 p.m. while Sunday hours will be 2 to 10 p.m.

Jimmy Dorsey Dance to Open MSC Social Season Friday

ASTP and ACERC Men May Attend if Graduating

By KATHIE MULL

College auditorium doors will swing open wide Friday at 8:30 p. m. for the first big social affair of fall term. Jimmy Dorsey, billed as the "world's greatest saxophonist", will be the man behind the baton and will swing out with his entire orchestra on the opening notes of "Contrasts" for a four-hour open house dance program, planned for both spectators and dancers.

To Be Informal

Strictly informal and the first "big name" affair of the current season, the dance will be attended by students, the general public, and two military sections on campus.

Open post for the dance will be given both to cycle one of the Elisted Air Corps Reservists and cycle one of the ASTPs (advanced engineers), according to Captain Beekman, public relations officer. Both of these sections are scheduled to graduate Sept. 30.

"We regret that all cannot attend the dance," said Captain Beekman yesterday, "but study schedules of other ACERCs do not permit their attendance." He pointed out that this latter group could not afford to lose the Friday night study period and Saturday morning classes.

Shoot to Fame

Jimmy Dorsey who skyrocketed to fame in the "jazz world" without "pull" from big brother Tommy is just finishing an engagement at the Oriental theater in Chicago, and will stop here on his way to New York. This is one of the four dances he will play for this year, his playing schedule including theater engagements entirely.

Advance tickets for both spectators and dancing enthusiasts are now being sold at the Union desk and Administration building on campus.

Yanks Near Bologna; British Cross Rubicon

ROME, Sept. 26 (AP)—American fifth army troops advancing toward Bologna, in northern Italy, have smashed three heavy German counterattacks, and on the Adriatic battlefield British eighth army forces have crossed the tiny but famous Rubicon against strong enemy resistance. Allied headquarters announced today.

Field Marshal Gen. Albert Kesselring hurled three vicious counterattacks at the Yanks near Monte La Fine, 21 miles southeast of Bologna.

Allied Leaders Announce Home Rule Plan for Italian Reconstruction

WASHINGTON, Sept. 26 — (AP)—President Roosevelt and Prime Minister Churchill announced tonight a greater measure of home rule for Italy and projected a program of industrial reconstruction to help that one-time enemy nation join "The struggle to defeat Germany and Japan."

How this program is to be financed was not disclosed and speculation immediately arose that since its announced purpose is the prosecution of the war, United States lend-lease assistance and British mutual aid might be extended to Italy.

The new policy was decided by Mr. Roosevelt and Mr. Churchill at Hyde Park, Sept. 18 and 19, where they met secretly following their conference at Quebec.

The efforts of the policy seem certain to be far-reaching.

Yankees Land Reinforcements In Eindhoven-Arnhem Area

Trapped Japs Face Defeat On Peleliu

Enemy Forces Hold Only Small Area After 12 Days of Fighting

U.S. PACIFIC FLEET HDQ., PEARL HARBOR, Sept. 26 (AP)—American marines and infantry, driving hard to complete the conquest of Peleliu island in the Palau group, have forged two tight encirclements around remnants of the Japanese garrison holding out in formidable positions on "bloody nose" mountain.

This development, indicating subjugation of the island, might not be far off, was reported by Leif Erickson, Associated Press war correspondent, in a flag-ship dispatch dated today (Peleliu time, Monday U.S. time).

Advance Made

For days the marines had been halted in bitter fighting in their attempt to take Umorbrogol mountain by frontal assault. Adm. Chester W. Nimitz announced Monday night that an advance had been made Sunday along the western shore of the island, indicating a flanking move was under way.

Erickson reported that one marine spearhead pushed north along the western peninsula of the island, securing all roads on that side. This column captured a coral knob known as Amiangal mountain, throwing a block across the peninsula's eastern road.

Japs Caught

Meanwhile 81st division infantry, transferred from nearby Angaur island, drove westward all the way across Umorbrogol's ridges and established a mile-long block across a road skirting the eastern cliffs of the peninsula.

These two operations caught the Japanese defenders in two tight pockets. Only a tenth of the island remained in enemy hands after 12 days of fighting.

The marine advance, spearheaded by tanks, had squeezed by the fortress-like mass of rock, also known as "bloody nose," honey-combed with caverns concealing the defenders.

Nazis Claim Encircled British Skytroopers Wiped Out, As General Eisenhower Orders Blackout of Battle News

By HOWARD COWAN

SUPREME HDQ. ALLIED EXPEDITIONARY FORCE, Sept. 27 (AP)—The British second army sent another column east toward Germany yesterday, pulling up on the Meuse river at Boxmeer, 13 miles south of Nijmegen and only three miles from the Dutch-German border.

MRS. THOMAS E. DEWEY

SAPULPA, OKLA., Sept. 26—(AP)—It was a great day in Sapulpa, and the Democrats and the Republicans became one big happy family—almost.

Gov. Thomas E. Dewey, Republican presidential candidate, became Mr. Frances Hutt for the day, husband of Sapulpa's most distinguished daughter, and Mrs. Frances Hutt Dewey stole the show.

United States Places Restrictive Orders On Argentine Trade

WASHINGTON, Sept. 26 — (AP)—The United States tightened screws on Argentina today with two moves thinning trade between the two countries to a trickle.

The state department announced the first move—a ban preventing American ships from calling at Argentine ports after Oct. 1.

At the same time, it was learned, the department instructed the foreign economic administration to restrict export licenses to Argentina to a minimum.

About a year ago, export licenses for Argentina were ordered cut down, but the new confidential directive cuts exports which can go to Argentina to those necessary for public health and to maintain essential services.

A state department spokesman (CQ) said the reason for the shipping ban was because routes must be responsive to war requirements.

The Road to Berlin

By The Associated Press

- 1—Western Front: 305 miles (from west of Kleve).
- 2—Russian Front: 310 miles (from Warsaw).
- 3—Italian Front: 570 miles (from south of Bologna).

This new drive came as American transports towing gliders landed close behind the front in Holland with men, weapons and supplies for the beleaguered airborne troops in the Nijmegen-Arnhem sector and bolstered the Allied forces for the increasingly vital struggle at the northern gateway to the Rhine.

There still was no word early today, as General Eisenhower blacked out the news reports, of the fate of the British airborne "red devil" division which has clung stubbornly to a little foothold on the north bank of the Neder Rhine for nine days and nights.

A German broadcast, unconfirmed by Allied sources, asserted that the valiant little band of British skytroopers finally had been liquidated with the last 600 surrendering yesterday morning.

The combination of powerful ground blows by British armor and the reinforcements and supplies landed from transports and gliders eased the critical situation along the narrow corridor stretching up into Holland and supreme headquarters announced that the highway between Veghel and Nijmegen now was cleared of the Germans although still under artillery fire.

Second Army in Oss

Cleaning up the west flank of the tenuous communications link with the northern spearhead of Lt. Gen. Sir Miles C. Dempsey's second army, British armor knocked the Nazis out of Oss, 10 miles west of Grave, and from Heesch, eight miles north of Veghel. These successes provided an alternate supply route to Nijmegen by way of Grave.

Still farther south, Belgian forces of the second army were driving toward the German frontier east of Maeseyck.

The Germans were resisting strongly and in some sectors the opposition seemed to be gaining in strength as the critical battle flamed toward a climax.

Nazis Cut Lines

At least three times German armored and infantry attacks had severed the thin Allied supply line between Eindhoven and Nijmegen, the vital artery along which reinforcements were being shoved toward Arnhem. As many times British tanks and self-propelled guns had smashed the Nazis back and cleared the highway.

In their determined effort to halt this Allied thrust toward Germany the Nazis struck with their hoarded reserve of fighter planes. A single flight of 100 Focke-Wulf fighters attacked British forces near Nijmegen, and another 75 swept down on the besieged airborne Tommies at Arnhem. Sixteen of the attacking Nazis at Nijmegen were shot down by RAF Spitfires and Typhoons.

Today's Campus

Emperor Jones . . .

The warlike look in the eyes of Bob Edgell, Elmira, N.Y., senior, really means blood when he gets his well padded hands on Corky Jones, the small black cocker spaniel which has again been seen roaming the campus lately. Corky was guarding the door of the State News office and claims that Edgell frightened her. She didn't mean to tear his trouser leg, she would much rather have tasted the leg itself.

The Fallen Pigeon . . .

As it must come to all elder statesmen, failure of public recognition became the fate of Gordon Hueschen, Pigeon senior, at the freshman mixer Saturday night. No small man, he, Hueschen stood placidly while receiving advice on extra-curricular and political activities from a second term freshman.

The freshman had found in his one term here that there is much to be gained by participation in campus affairs, and was trying to help this "green" student by passing along his advice.

Ex-student council president, Union board prexy, member of Green Helmet and Blue Key, Hueschen thanked the helpful frosh and said no more than adieu.

Pre-war Color, Spirit Promised Spartans at Football Game

The Spartan football season will open Saturday with the color and spirit of previous years, and grandstand spectators will be led by a squad of seven cheer leaders, Athletic Director Ralph Young said yesterday. Prof. Leonard Falcone of the music department, also revealed that while Michigan State's 50 piece band will not march, it will play during and between game halves.

Cheer leaders will be Richard Howell, Robert Turner, Robert Deason, Paul Kline, Roland Young and Donald Moses. Young said that they had been practicing every night at Macklinfield.

Miss Lucille Dailey of the physical education department announced that the department is attempting to organize a women's cheering group, but it is not yet ready to perform.

Rushing Changed

In order that women may attend the MSC-Scranton football game Saturday, there will be no sorority rushing parties Saturday afternoon. PanHellenic President Jean McKerrigan announced yesterday. However, there will be one party held Saturday night from 6:45 to 7:45, she added, and the second party scheduled for that day will be dropped.

Speaking for Myself

By BARBARA DENNISON

FOR THE first time in over six weeks the campus and Union grill have taken on the appearance of life once again. Only the students who braved the rigors of summer school can imagine the appearance of the campus during the summer months.

It gets so bad that strangers meeting on campus would almost greet one another as long lost cousins, wondering if they were the only persons enrolled, after wandering about for the whole summer talking to themselves.

After all the griping that was done last year about the lack of social activities for weekends, we greet with joy the approaching appearance of Jimmy Dorsey and his orchestra. Never before, except in the dark dim past, has such a remarkable thing happened the first week of school, and scarcely even the first term.

It used to be winter term before a dance was put on that was worth getting excited about. We're off to a flying start this year, anyway. Jimmy Dorsey is nothing to sneeze at, especially when it is the first time a big name band has been at MSC in more than a year.

In spite of the joy over the prospective dance, there are still a few persons who are complaining about the cost. Remember the good old days when a ticket to the J-Hop cost nearer \$10 than \$5, not to mention the cost of dinner before the dance, flowers (way, way back), refreshments, etc.? There is no comparison.

Slightly confused before elections are over will be the student so anxious to please his instructors that he plans to wear a Dewey button to the class taught by a staunch Republican, but to change his spots in favor of Roosevelt before discussing politics with a Democratic instructor.

Before he gets through he may convince himself of almost anything. The important thing is to vote, no matter what the inclination is. Elections aren't being held for our own amazement, although the returns may be in that category.

Slightly of the opposite nature is severity rushing this year, which is being held for our amazement and certainly not much else, as nearly as anyone can figure out. We never saw so many women who looked like their feet hurt. As someone aptly put it, rushing is the feline process of elimination.

Our hats off to Panhellenic too, for changing the rushing schedule for Saturday so everyone could attend the football game. Now it is expected that everyone will be there. There's no excuse any more.

Upperclassmen couldn't help but notice the attitude with which freshmen bought their green and white frosh placards this fall. Of course a string

around a person's neck isn't like wearing a little green pot, but the idea should be the same.

In promoting the wearing of Frosh placards, Blue Key men hoped to keep alive or re-awaken the spark of Spartan spirit which has made Michigan State famous in past years. Instead, freshman men greeted the revised version of the tradition merely as a money making scheme for Blue Key.

No one will deny the difference in the college now and in years past when green-and-white-sweatered Varsity club men coerced the frosh into buying a pot or else threw them in the river. But that is no excuse for the present frosh men not accepting with the same spirit the wearing of the small placard.

Spartans At War

By PEG DUBRY

LT. ANSON J. WALKER . . .
has been awarded the Purple Heart for wounds received in action against the enemy, it has been announced from the 12th air force headquarters in Italy. Lieutenant Walker, a veteran of 30 combat missions, is assigned to a B-25 Mitchell bomber group that helped open the beachhead in southern France on D-Day.

CAPT. CHARLES R. WILCOX . . .
'40, stationed in France, was recently promoted to his present rank of captain in the ninth air force service command. Captain Wilcox was in charge of procurement, storage, and issue of parts and supplies for Mustangs taking part in the direct support of the ground forces in the invasion.

Prior to his enlistment in the army air forces, Captain Wilcox was a member of the enlisted reserve corps and as a geologist in the U. S. corps of engineers, he took part in the survey of the Missouri river bed for dam sites.

LT. BILL KENNEDY . . .

Marine lieutenant and former star football player at State, is on duty as an instructor with the training command, physical training school company at Camp Pendleton, Oceanside, Calif.

Lieutenant Kennedy was graduated in June 1942 and that same fall he played guard for the Detroit Lions.

SGT. DOUGLAS A. RICE . . .

veteran of some of the outstanding missions of the light air force, has been awarded the distinguished flying cross for "extra-ordinary achievement" as ball turret gunner on the B-17 Flying Fortress, "Heaven's Above."

Sergeant Rice went over with the first wave of bombers on D-Day and took part in the St. Lo offensive. His group is a member of the third bombardment division, which was cited by the President for its part in the shuttle bombing of Messerschmitt aircraft plants at Regensburg.

In addition to the DFC, Sergeant Rice holds the air medal with three oak leaf clusters.

LT. JOHN H. GARLENT . . .

former State student, has received the air medal at an eighth AAF fighter station in England. The citation for Lieutenant Garlent read in part, "For meritorious service in aerial flight over enemy occupied continental Europe."

MAJ. RALPH PULCIPHER . . .

'42, recently has been promoted from captain in the eighth See SPARTANS, Page 4

AWS to Distribute Time Ration Books To Coed Representatives Today

Jane Cumming, president of AWS, announced yesterday that time ration books for coeds will be out today, and may be obtained by representatives for each house from 9 a.m. to 12 noon and from 2 p.m. to 4 p.m. in the AWS office in the Union annex.

The book has A, C, and D coupons. Each student is allowed two A coupons, each good for one night away from the residence during the week, Monday through Thursday, Miss Cumming explained.

Each C coupon is good for one complete stay away from the college during the week. There are two C's for the term in every book.

D coupons are for 1½ hours extension of time any night other than Friday or Saturday. Arrangements must be made ahead of time with the housemother in order to use these.

A D coupon is not required for lectures or other college activities, attended by the use of the student activity card. Coeds are allowed 20 minutes after the pro-

gram is over to return to their residences. All students should read the handbook for further details, Miss Cumming added.

Library Adopts New Simplified Method for Card Catalog

A simplified and speedy system of card cataloging, the principal index to the college library's resources, has been completed and is ready for use by returned students and faculty.

The catalog, formerly in dictionary style, is now divided into two distinct units: an author-title catalog and an alphabetical subject catalog, both of which are situated in the hallway of the second floor.

"Books by" a certain author or title may be quickly located in the author-title catalog; "books about" a desired subject will be revealed by the subject catalog. Directions for the use of the new catalogs are posted on the bulletin board beside them.

Have a Coca-Cola Soldier refresh yourself

...or a way to relax in camp

To soldiers in camp, from the Gulf Coast to the north woods, Coca-Cola is a reminder of what they left behind. On "Company Street" as on Main Street, Coca-Cola stands for the pause that refreshes. Ice-cold Coca-Cola in your icebox at home is a symbol of a friendly way of living.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
Coca-Cola Bottling Company of Jackson

It's natural for popular names to acquire friendly associations. That's why you hear Coca-Cola called "Coke."

Dizzy Trout Blanks Athletics For 27th Victory of Year

Tiger's League Position Still Hinges on Boston

DETROIT, Sept. 26 (AP)—Paul (Dizzy) Trout, making his 27th victory of the season his seventh shutout, blanked the Philadelphia Athletics, 6 to 0, today as the Detroit Tigers moved a half game ahead of the St. Louis Browns pending their night game against Boston.

The Tigers belted Luke Hamlin for 11 hits and all their runs in four innings. Dick Wakefield, bouncing his 12th home run off the flag pole 430 feet out in center field and Rudy York hammering his 17th homer into the upper deck in left field with one on.

Trout, shutting out the Athletics for the fourth time this year, spaced six hits—four of them coming after two were out—and never was in serious trouble. Trout was starting his third game in seven days.

Carl Schieb, rookie righthander who relieved Hamlin in the fifth, blanked the Tigers on two hits the rest of the way. Jim Pruett, who reported yesterday from Milwaukee, replaced Frank Hayes to catch Schieb.

Six of Detroit's 13 hits went for extra bases, York driving in four runs with his homer and a single.

Hal Newhouser, winner of 27 games against nine defeats for the Tigers, was Manager Steve O'Neill's choice to oppose Bobo Newsom of the Athletics in their final game tomorrow. Frank (Stubby) Overmire, originally ticketed to pitch Wednesday, complained of a sore arm when he warmed up today and O'Neill said Newhouser would get the call.

Trout didn't have to work hard for the victory that pulled him even with Newhouser as the American league's biggest winner this year. Only one man reached first for the A's in the first three innings as the Tigers counted four times.

Browns Hit Top After Beating Boston, 1 to 0

ST. LOUIS, Sept. 26 (AP)—The St. Louis Browns battled their way back to a first place tie in the American league tonight by defeating the Boston Red Sox 1 to 0.

In one of the most spectacular pitcher's battles of the local season, Sigmund Jakucki, the 32-year old rookie from a Houston shipyard, bested veteran Mike Ryba and posted the second Brownie shutout over Boston in two nights.

Jakucki allowed five hits, walked four and struck out four in winning his 12th game of the year against nine defeats. It was his fourth triumph of the season over the Sox.

Ryba allowed four hits, only one of them coming after the second inning. He struck out one and walked three.

The Browns scored the only run in the first inning on a pair of walks, a pop fly single by Mike Kreevich and a deep infield hit by Milt Byrnes that scored Chet Laabs. Laabs had previously forced Kreevich.

Boston threatened in the seventh and eighth but both rallies came with two out and the Sox were unable to push a runner across home plate. No Boston runner moved past first base until the seventh.

The defeat was the 10th in succession for Boston. It was the Brown's seventh consecutive victory.

U. Of M. Expects Tough Clash in Indiana Game

ANN ARBOR, MICH., Sept. 26 (AP)—Digging in after Scout Art Valpey reported back that Indiana would be "quite strong" for its Saturday football clash with Michigan at Ann Arbor, Coach Fritz Crisler sent his Wolverines through one of their stiffest scrimmage sessions of the season today.

With Valpey's "white" reserve squad running Indiana formations, the Michigan varsity polished its defenses, particularly against passes, for the air-minded Hoosiers' second appearance here in two seasons.

Valpey reported Indiana's first string backfield packed with first rate passers including the ace of the Hoosier pitching staff, Bobby Hoernschemeyer, and a pair of newcomers, Ben Raimondi and Bob Miller. Failure of the Hoosier aerial game to click for consistent yardage against Illinois last week was attributed to lack of timing, which another week of practice should cure.

Injuries May Alter Starting Lineup As Season's Opener Draws Nigh

With the season's opener three days off, the usual crop of injuries have popped up to plague Coach Charlie Bachman.

On the sideline with injuries are tackle Mike Prashaw and right half Fred Aronson. Aronson will probably start in the game, though he has not been working out all week. A back injury has been his trouble, but he will be able to play.

Prashaw, out with a bad shoulder, will probably not start the game. Instead, Dan Goldsmith, 190 pounder from Flint, will probably get the nod. Another tackle who has shown up exceptionally well in recent sessions has been Dean Dingeman, Fowlerville huskie, and he might fill the starting hole.

Backs Are Fast, Shifty

Facing a team boasting a fast, shifty group of backs, State can offer a hard to beat combination of its own. Behind a heavier line, Spartan speed should really show up.

In half-backs, State can put on the field, several of renowned speed. Bullet Bob Bruegger, Lansing, who last year won prep mention as a fast and very shifty runner, is one, while second-string tailback, Herb Speerstra, Saginaw, last spring won the state championship for the 440 yard dash.

In addition to being a big rug-

ged line plunger, Fullback Jack Breslin should get a top rating as a punter, with an ability to average some 60 yards a try.

Fred Aronson, a veteran of last year's campus league Veteranian team, makes the blocking back's post a spot of real threat with his fast clever running. Fullback Bill Pirronello combines speed with real drive in his running ability to constitute no mean threat also.

Quarter to Leave

Filling out the backfield is quarterback Bill Siler, who is playing his first and probably his last game Saturday. Siler, a smart field general, was discharged from the navy air corps with Dick Wakefield, Tiger baseball star, and is now facing the regular draft.

Chief asset of the Spartan aerial game is not a passer but a good receiver, in the person of Frank Brogger, Saginaw, a big rugged end who will keep up the tradition of powerful State ends. Any of the backs can pass well enough to make an aerial game a possibility, but none is really outstanding to date.

Don't be a tradition breaker—no smoking on campus.

News in Brief

CHUNGKING, Sept. 27 (AP)—The Japanese continued to advance today toward Kweilin from positions east of the Kwangsi province city, whose loss would be the greatest reverse for the Chinese since the fall of Hankow and Canton in October, 1938.

BARI, ITALY, Sept. 26 (AP)—Heavy fighting was reported today in the neighborhood of Sarande, a southern Albanian port, as German troops crossed the Albanian border in their attempt to escape from northwestern Greece.

A B-29 SUPERFORTRESS BASE IN WEST CHINA, Sept. 26 (AP)—A heavy force of American superfortresses bombed industrial installations at Anshan in Manchuria for the third time by daylight today.

Tigers Sign Bill Pierce, Detroit Prep Pitcher

DETROIT, Sept. 26—(AP)—The Detroit Tigers announced today that Bill Pierce, Highland Park high school pitcher, had signed a contract to report to the club immediately.

Pierce, a left-hander who represented Michigan in a recent East-West all-star sandlot game in New York, is a senior in high school and will finish his class work daily before donning his Tiger uniform.

"Spirit of Victory"

The American Telephone and Telegraph Company, its twenty-one associated operating telephone companies, Bell Telephone Laboratories, and Western Electric Company, continue to face unprecedented demands for telephone communication.

Never before in the country's history has there been so much evidence of the indispensable part telephone service plays in the life of the nation. It makes a direct contribution to the effectiveness of every part of the war effort.

The sense of responsibility which telephone people call the "spirit of service" is in this war the "spirit of victory." The men and women of the Bell System, in whom this spirit lives, may be relied upon to do their utmost.

Advancing Russian Armies Threaten Germans at Riga

Nazis May Make Last Stand in Baltics

LONDON, Sept. 26 (AP)—Yielding more than 500 towns and villages to the Russians, the mauled divisions of the German northern army corps fell back on Riga tonight for what may be their last stand in the Baltic states.

A brief Soviet communique reported that Red army forces took more than 200 places in their drive to clear the scattered and disorganized enemy from the west coast of Estonia southwest of Tallinn and pressed on down within 45 miles northeast of Riga, taking 300 places in Latvia.

Riga, last Baltic capital in enemy hands and a highly valuable naval base for the newly unfettered Red Baltic fleet, already is closely threatened by the Russians six miles to the south, and only a narrow escape corridor leading westward along the sea remains to the Germans.

The Soviet communique also announced capture of Turka, in southern Poland 12 miles from the border of Czechoslovakia, and nine other communities in that mountainous frontier region.

The Russians were silent concerning all other fronts, but the German radio said Soviet pressure on the Hungarian border from Romania was increasing, with several attempts to cross into Hungary from the area north of Arad. The Ankara (Turkish) radio said the Russians had crossed the border northwest of Arad and were 15 miles inside Hungary.

The only news of the fighting at Warsaw came from the Polish underground forces of General Bor, which reported a sustained Soviet artillery barrage from the right bank of the Vistula, with Poles inside the city acting as spotters.

SPARTANS

(Continued from Page 2) AAF, composite command in England. Major Pulcifer is serving in the plans and training section at the headquarters of the eighth AAF and is in charge of heavy bombing training throughout this command.

Pilot of a B-17 Flying Fortress, Major Pulcifer has been in the European theater of operations for 14 months.

S/SGT. DONALD CAMERON '36, has just returned from service outside of the United States and is being processed through the army air forces redistribution station number 2 in Miami Beach, where his next assignment will be determined. Sergeant Cameron served in the Mediterranean area 18 months in communications.

Allied Fliers Sink Four Jap Ships

ADVANCED ALLIED HDQ., NEW GUINEA, Wednesday, Sept. 27 — (AP) — In continuing heavy blows at Japanese shipping on the south approaches to the Philippines, Allied fliers have sunk four freighters at Halmahera and Bornero.

Headquarters announced today that a 3,000-ton freighter was sunk Monday at Bornero, which recently has been brought within the regular raiding sphere of Gen. Douglas MacArthur's New Guinea-based planes.

Three small freighters were sunk off Halmahera, an area in which MacArthur's invasion forces now stand within 300 miles of the southern Philippines.

Today's communique listed a 65-ton bombing which neutralized Japanese airdromes on Ceram.

A one-thousand ton enemy freighter was damaged off Dutch Celebes.

Headquarters said that 686 more Japanese have been killed in the jungle war around Hollandia, Dutch New Guinea.

Second only to Harvard university, Michigan State has the largest collection of trees and plants in the world on its campus.

INFORMATION

TAP SHOES

All women with used tap shoes are urged to take them to Mrs. Waters in the Women's gym this week to either sell or rent.

WOMEN ACCOMPANISTS

Women interested in accompanying for tap, social dancing or folk dancing classes are asked to come to the Women's gym and apply for one of these paying positions. Ann Kuehl, Lois Newman, or Mrs. Westlund will interview all applicants.

OPEN SMOKER

Theta Chi fraternity will hold an open smoker for all interested men in the faculty dining room tomorrow at 7 p.m.

LIFE SAVERS

All women life savers interested in participating in a life saving class sponsored by Green Splash, swimming honorary, are asked to meet next Wednesday in lecture room A, Women's gym, at 7 p.m. All applicants must come prepared to swim.

STATE NEWS

All persons interested in working on the editorial staff of the State News are asked to attend a meeting tomorrow at 4 p.m. in the State News office. Anyone having classes conflicting with the meeting should contact Barbara Dennison, editor, at the office, room 8 Union annex, at any time tomorrow afternoon.

FOOTBALL MANAGERS

Men students interested in becoming football managers should report to the practice field after 5 p.m. today.

Receipts Will Serve As Football Tickets

Lacking the usual student activity books of former years, students will gain entrance to Saturday's football game by presenting their treasurer's receipt at gate four, on the north side of the stadium at game time. Assistant athletic director L. L. Frimodig, announced. There will be no reserved seats in the entire east stands and no pre-game reservations need be made.

Campus Telephone Directory

For the convenience of students who wish to call sororities, fraternities and dormitories, following is a list of this year's telephone numbers. This article may be clipped out and posted until 1944-45 student directories are available.
