... From Wierd

When relating experiences about mental telepathy, queer dreams, amputated limbs, and other wierd happenings, to H. H. Humphreys scoffed worse at the stories of students in his beginning psych class. He knew of a woman who made bookends for a living and had five sets of twins.

... Tomatoes by Tons

An appeal was made this week to the student body of Michigan State college by William F. Robertson, superintendent of the college cannery. The appeal arose when a labor shortage threatened to halt the processing of a bumper tomato crop. Forty-eight college women answered the call, and in one night processed more than six and one-half tons of tomatoes, which amounted to four times the amount processed by the day shift.

Wagner Opera Group to Give "La Traviata" for Opening Concert

"La Traviata," well known Italian opera, will be presented by the Wagner opera company in College auditorium on next Saturday at 8:15. First of the lecture series, the opera will follow up last year's performance of "Faust." Metropolitan stars and a symphony orchestra will be featured.

Because "La Traviata" is sung entirely in Italian, a preview of the forthcoming production will be held in the Music auditorium Sunday at 4 p.m. The plot will be discussed and students will sing well known parts of the opera. Photographs and recordings will be used also. Prof. Fred Patton, head of the voice department, is in charge of the preview.

Union Board Dance, Radio Parties Folk Dancing Slated for Weekend

Four after-the game informal dances, all scheduled from 9 p.m. to midnight, will mark with social emphasis State's return to intercollegiate athletics today.

First on the dancing docket tonight is the Union board dance, heralding the opening of Union ballroom this term. Rosemary Howland and her all girl orchestra have been engaged to provide music for the affair. Tickets may still be obtained at the Union desk, Joan Hint, Oakfield, N. Y., senior and ticket chairman, said yesterday.

Other committee chairmen for the dance include; Ginny Jackson, Alma junior, orchestra; Jack Breslin, Battle Creek junior, posters; Bill Graham, Detroit sophomore, patrons; and Bob Edgell, Elmira, N. Y., senior, publicity.

Patrons for the dance will be Prof. and Mrs. C. S. Gerlach and Prof. and Mrs. C. G. Danforth.

An open house featuring folk dancing and sponsored by the Student club, will be held in the Little Theater of the Home Ec building at 9 tonight, according to Betty Warner, Twining sophomore, chairman of the affair.

Allied Armies Gain in Drive On Germany

First Autumn Snow Falls on Armies Marching Through Europe

SHEAF, Sept. 29 (AP)—Allied armies pressed the Germans back tonight at opposite ends of the 460-mile western front—at Arnhem, where the enemy blew approaches to the Neder Rhine bridge to balk pursuit through northern Holland, and in mountain strongholds 11 miles west of France's Belfort gateway to southern Germany.

German forces who slipped south across the Neder Rhine near Arnhem by night fled from their flimsy bridgehead as the British second army swept into action. Then they turned and destroyed approaches to the bridge—which the famed "Red Devil" division fought more than a week to hold—lest the resurgent Tommies try to forge across after them.

German forces were hotly beset also on the extreme south, where the U.S. seventh army fought five miles across a battlefield strewn with enemy dead and seized a fortified village 11 miles from Belfort, which stands at the western edge of the gap leading to the Reich, 30 miles beyond.

(The London radio said the first snow of autumn was falling on Americans closing in on Belfort Gap.)

In a concerted drive to the north, the seventh army bent back enemy lines in gains of three to five miles and struck toward four passes through the Vosges mountains on other routes to Hitler's frontier at the Rhine.

Between the British on the north and the seventh on the south, the U.S. third army carved out a five-mile gain between Metz and Nancy after blasting 82 German tanks, and the U.S. first army stabbed to the German

Allies Push Ahead After Setback

German counterattacks have forced the withdrawal of survivors of the "lost" British airborne division from the north bank of the Neder Rhine at Arnhem, but Allied forces were striking hard along the Maas river to the south. Arrows indicate drive. Allies were pushing toward Kleve and had reached the Maas in the Boxmeer-Groeningen sector and in the Wessom-Dilsen sector.

Sororities Steal Sunday Show for Sure

By WILMA FREDERICK

Lots of fun, food, and frolic, with some unusual surprises are on the program that the sorority women are presenting tomorrow. Here is just a quick peek at the first acts and intermissions that the rushees will enjoy in the 2-3 and 4-5 o'clock parties.

Seven ages of man or the seven ages of Alpha Chi is on the billing at the Alpha Chi Omega house, says chairman Dorothy LaMont, Royal Oak junior.

According to Director Jane Malicki, Detroit junior, even the peanuts in the gallery will be wearing blue jeans 'n plaid shirts for the colorful wild west show

at Alpha Gam's play-house. Alpha Omicron Pi Gretchen Wright promises a good many Near East beauties in a Sultan's Harem setting for tomorrow afternoon's feature, at the AOPi house.

College clothes for all occasions will be shown over at the Alpha Phi's big white house. According to Chairman Joyce Johnson, Detroit junior, the guests will be served tea during intermissions.

Sweaters, socks and war-time date dresses will be given top billing over the tea cups tomorrow afternoon, says Gloria Searle, Detroit senior, chairman for the Alpha Xi doings.

Music in the Chi O' manner is opening a one night stand here says Margaret Johnson, Lansing sophomore, chairman of the musical.

Delta Zeta. A new show of art treasures will open at the Delta Zeta "Galleries" for judging by the rushees, according to Phyllis Hamborsky, Detroit junior, "manager" of the gallery.

Way up the avenue on Grand River the new road show is putting them in the aisles with a radio-stage comedy. Director of this fun is Millie Van Westrienen, East Lansing senior, of the Gamma Phi's.

State Team Holds Edge in Weight And Experience

Intercollegiate Football Held on Macklin Field After Year's Absence

By JERRY KENNEY

Michigan State will open its football season today at 2 p.m. in Macklin field, favored to win over a strong Scranton team which has two previous games under its belt. A 10 pound weight advantage and older, more experienced players give State the edge.

Game time will find an official Spartan team competing in intercollegiate athletics for the first time since the spring of 1942. Wartime conditions caused elimination of sports last year.

Students will be admitted to the game by showing their treasurer's receipts at gate four, on the north side of Macklin field. Army and cadet students attending the game will be admitted after showing their class A identification cards at gate four. There are no reserved seats.

Twenty-five men are needed to work in the parking lot and refreshment stands at the game today and at all home games. Those interested should contact Ralph H. Young, athletic director, this morning.

Operating a fast, deceptive T formation from behind a pair of powerful tackles, Scranton will bring to East Lansing a type of football not seen in a long time.

Twenty-seven Scranton grid players arrived yesterday morning and held a practice session last night. With warm, though cloudy weather forecast for the game, Scranton's light, fast team should be in top form.

Sparkplug of the Tomcat offensive is 18-year-old Tom Flanagan, shifty Negro halfback from Wilkes-Barre. He has shown up well in both Scranton's previous games, scoring the winning touchdowns in the Franklin and Marshall contest.

Weekly Letter to Men in the Service

Sept. 30, 1944

DEAREST JOHNNY,
Time once again to dig our correspondence out of the moth-balls and haul it into the public eye. Much has happened since I last heard from you—the air corps went and the air corps came. The procedure sounds odd, I know, but we now have lots of 17-year old ACERCs to keep the freshmen happy—a job they're doing rather well, I might add.

Speaking of freshmen, mamas and papas invaded the campus several hundred strong two weeks ago bringing their prides and joys to college complete with new clothes, potted plants, and cloth animals. The new crop would easily fulfill your highest requirements. At least the campus police are satisfied, and they are the best judges I know.

Remarkable changes have taken place during the summer. Former Dean of Women Elisabeth Conrad has been granted a leave and Mrs. Maurice Gonon replaces her as counselor for women. Mrs. Gonon has had a great deal of experience with coeds and is being well received by them.

The term started off with an all-college mixer Saturday night and it was a huge success. The fleet was in in full force and the army, too, so men weren't as scarce as you wish they were. Margie Wilkins, a cute freshman, sang with Ed Berry's band and whipped into a big time in one week flat, having sung last night with Jimmy Dorsey's band at a dance in College auditorium. Persons who attended it say they know now how a sardine feels, but it was worth it to hear the junior Dorsey give forth.

Everyone's in a dither today about State's return to football this afternoon in Macklin field. We're taking on Scranton for our first encounter and we're going to turn out for the big event. Sorority rushing, and I do mean rushing, is going on at full steam right now under a new hustled-up system. It will be fine to have it out of the way earlier this year, although I expect several coeds have already reserved rooms at the college hospital for the day after the last party.

I'm getting your Christmas box ready as per post office instructions. Don't forget to get mine in the mail before Oct. 15, either.

Hopefully,
PEG

Choice of Action Given Argentina

WASHINGTON, Sept. 29 (AP)—President Roosevelt served notice on Argentina today that if the "growth of Nazi-Fascist influence" there continues to impede the United Nations' program, that South American nation will have to pay for it in the future.

At the same time in a formal statement, he struck sharply at what he called the "vicious rumor," circulated in part by the Nazis and in part by "irresponsible persons," that our councils are divided on the course of our policy toward Argentina.

He adopted in full this statement by Prime Minister Churchill in an Aug. 2 speech to the House of Commons.

"This is not like some small

wars in the past where all could be forgotten and forgiven. Nations must be judged by the way they play, not only belligerents but neutrals will find that their position in the world cannot remain entirely unaffected by the part they have chosen to play in the crisis of the war."

The statement asserted that the Argentine government "has repudiated solemn inter-American obligations" providing for a common front against Axis aggression, and added:

"Unless we now demonstrate a capacity to develop a tradition of respect for such obligations among civilized nations, there can be little hope for a system of international security."

Detroit Tigers Split Doubleheader With Senators

St. Louis, Detroit Tied in Race for League Honors

DETROIT, Sept. 29 (AP) —The last place Washington Senators, splitting a doubleheader today with the Detroit Tigers before 17,606 fans, knocked out Paul (Dizzy) Trout in four innings of their 9 to 2 nightcap victory after the Tigers had taken the opener, 5 to 2.

The even break knocked Detroit into a tie for the American League lead with the St. Louis Browns, who whipped New York twice at St. Louis. The pennant thus will be decided on the last day of the season Sunday.

Gentry on Mound

Washington, beaten by Rufus Gentry in the opener for its 16th loss of the Tigers in 19 games this year, belted Trout for six runs and six hits in sending him to his 13th defeat against 27 wins. Left-hander Mill Haefner, nicked for 12 hits, coasted to his 12th victory after being staked to a 6-0 lead.

The Senators, taking their second decision in nine appearances at Briggs Stadium, banged out a dozen hits off four Tiger pitchers. Stan Spence, with his 12th homer good for three runs in the third, drove in four tallies in the nightcap.

Detroit, battling to hold its bare edge over the Browns, made seven hits off Johnny Niggeling, good for five runs in the first game, kayaking Niggeling in the eighth inning in handing him his eighth loss.

Gorsica Replaces Gentry

Rufus Gentry, giving 10 hits in 7 2-3 innings, gave way to Johnny Gorsica in the eighth but received credit for his 12th victory.

Rudy York's triple drove home a Tiger score in the first inning and Gentry held the edge until he wild-pitched the tying run across in the sixth. Detroit sewed it up with three runs in the seventh on four hits.

Spence, with two singles in the first game and a homer and two more singles in the second, was the batting star of the day. George Case had a pair of doubles in the opener and two singles in the nightcap while Rudy York led the Tigers with two triples, a double and a single in nine trips in the two games.

Squad of 15 Women to Lead Cheering at Today's Game

A squad of fifteen coed cheerleaders dressed in white pleated skirts and green sweaters, traditional colors of Michigan State, will lead the crowd in cheers for the kick off today at the first football game of the season. After practicing all week, the women held dress rehearsal last night at Macklin field.

Although fifteen leaders will lead the cheering, the main squad of eight women will lead the cheers for the rest of the game. The main squad includes: Billy Morley, New Troy senior; Norma Amy, Allen Park sophomore; Dawnell Hill, Manistee sophomore; Virginia Brown, Lansing sophomore; Thais Lucas, Berrien Springs sophomore; Berneice Means, Doris Guth, Detroit junior, and Arlene Redman.

Tigers Make 177th Double Play

The Detroit Tigers rang up their 177th double play of the season in the ninth inning at Detroit while trimming the Athletics 4 to 0. Eddie Mayo is completing the killing with a throw to Rudy York, nailing Roberto Estalella at first after the latter's grounder to Joe Hoover had forced Ford Garrison. The umpire is Ernie Stewart.

Browns Eliminate New York From Pennant Race

ST. LOUIS, Sept. 29 (AP) —The determined St. Louis Browns swept into a tie with the Detroit Tigers for the American League pennant today by twice conquering the New York Yankees while the Tigers split a double header with tail-end Washington.

The victories eliminated the Yankees from any mathematical pennant chance and assured the Browns of second place.

St. Louis thumped Ernie Bonham 4 to 1 in the first game and beat Hank Borowy 1 to 0 on two hits in the final. The Brownies squeezed in their only run in the first when Don Gutteridge doubled, went to third on a wild pitch that hit the dirt in front of the plate and scored on Mike Kreevich's grounder to first.

Nelson Potter, pitching the Brown's second game, chalked up his 19th victory of the season against seven defeats.

Sensational one hand running catches by Kreevich and Gutteridge saved the second game for the Brownies. In the eighth with two on and two out, Kreevich raced backwards to the center wall to pull down Johnny Lindell's long fly. In the ninth Gutteridge leaped high to spear pinchhitter Paul Waner's liner over his shoulder with one hand.

Gangling, 26-year-old Jack Kramer registered his fourth straight victory in the first game.

First Marines Make Two More Landings In Palau Archipelago

U. S. PACIFIC FLEET HDQ., PEARL HARBOR, Sept. 29 — (AP)—Elements of the first marine division, covered by naval and air bombardment, landed Wednesday on Ngesebus and Kongauru Islets, in the Palau Archipelago, in a move to tighten their hold on Peleliu, where Japanese resistance continues.

Light enemy opposition was brushed aside and Ngesebus quickly overrun, Adm. Chester W. Nimitz said today in announcing the new landings. The island has a 4,800-foot fighter strip.

Scattered Japanese troops still occupied a small portion of Kongauru and they were being mopped up by the leathernecks.

American assault forces—marines and the 81st army division—now hold a cluster of eight islands at the southern end of the strategic Palaus.

U. S. Aerial Sweep Sends Jap Ships Into Hideouts

U. S. PACIFIC FLEET HDQ., PEARL HARBOR, Sept. 29 (AP)—Japanese shipping seeking refuge in hideouts on the China sea side of the Philippines has been smashed badly in the latest of U. S. seaborne aerial sweeps over the Archipelago.

Yank airmen from Adm. William F. Halsey's third fleet flat-tops spotted the concentrations last Saturday. They went to work on them against negligible air opposition and sank or damaged 85 or more vessels, ranging from fleet tankers to small craft.

A belated report of the raid, made late Friday by Adm. Chester W. Nimitz, said 29 Nipponese aircraft had been destroyed. That raised enemy plane losses in the Philippines in these carrier attacks to 1,014.

Illustrating the recent statement by Admiral Nimitz that Japanese shipping had been forced to seek new anchorages in the Philippines, the Yank fliers made a "particular heavy strike" at Coron Bay, about 150 miles southwest of Manila Bay.

The new kills raised to at least 160 the number of enemy ships sunk in seven days of carrier-borne attacks this month over the islands. In addition, more than 200 small craft were probably sunk or damaged.

Last Saturday's sweep also took in the Visayan Islands—Negros, Cebu, Leyte, Panay and Mactan in the central Philippines—as well as southern Luzon, on which Manila is situated.

American losses in the widespread attack were 10 planes, five pilots and three crewmen.

WASHINGTON, Sept. 29 (AP)

President Roosevelt announced today that in preparation for the end of the war in Europe he had ordered the speeding up of studies on how to control Germany's "power and capacity to make war in the future."

The studies are being made by the foreign economic administration, partly on the basis of information about German industrial resources which has aided the Allied air forces in selecting their strategic bombing targets. Roosevelt said specifically that the work is to be done by FEA "under the guidance of the state department."

This was at first interpreted as possibly settling the cabinet committee dispute between Secretaries Hull and Stimson on the one hand and Secretary Morgenthau, on the other, concerning long-range German peace policy. It appeared to stress state department control of German peace planning—which later must be integrated with the plans of Russia and Britain.

Tonight, however, it was said authoritatively that such an interpretation was not intended by the President and that his discussion today of the Morgenthau incident, while it stemmed from his release of the FEA letter, was an entirely separate matter.

Rain, Mud Hinder Battles in Italy

ROME, Sept. 29 (AP)—Rain and mud, defensive aids of Field Marshal Gen. Albert Kesselring in the past year of fighting from one mountain line to another in Italy, have now helped to slow the advance of the Allied fifth and eighth armies into the Po valley.

The weather, however, is not the only reason that Allied forces are almost at a standstill. The Germans are fighting with a ferocity born of the realization that a single Allied breakthrough might bring disaster to their entire position in northern Italy. They are counter-attacking violently whenever the opportunity offers.

In the only specifically announced gains of consequence yesterday, American troops pushed to the top of four more hills commanding stretches of mountain roads leading down the northern slopes of the Apennine mountains into Bologna and Imola.

ed too, because of the outside influence brought about by Coach Charlie Bachman's season at Camp Grant. The shift has been discarded and all plays are run from one position.

In Good Condition

No scrimmage has been held since the middle of the week. Practice sessions have consisted mainly of lectures and light drills. In general the team is in good condition and those who were out of practice with injuries are expected to be in shape for the game.

Other features of the game will include the MSC band, which, however, will not march. Cheer leaders consisting of some seven men and eight coeds will lead the yell.

Song sheets and copies of Spartan cheers will be distributed free at the game by Interfraternity council, as a part of its general service to the college.
