## Today's Campus

### ... Shot of Adrenalin

Interfraternity council, somewhat daunted by the lukewarm temperature of the college spirit, will distribute song booklets in all the women's dormitories today, according to John Hickey, secretary. Placed in the forced mail boxes, it is hoped that the pocket size booklets will be read and sung in the dormitories, on campus, and at organization meetings. It might even be suggested that they supplant the comic books as extra-curricular reading in the classrooms.

### ... Hometown Boy

Former Editorial Director of the State News Ellis Brandt, who always had a nose for news recently turned up some news that really is worthy of special mention. On duty in France with the army intelligence, Brandt found a map with German markings all over it. After deciphering as much as he could, he turned it over the higher authorities who soon became greatly excited. It seemed that he had stumbled on a map showing where the Nazis had concealed various and numerous mines. "It wasn't much," he reports, "but I felt that I was doing some small part in this war."

## General Tells Of Defeated Jap Fleet

### Americans Disintegrate One Nipponese Force Off Leyte Island

GEN. MAC ARTHUR'S H D Q., PHILIPPINES, Thursday, Oct. 26—(Via Army Radio)—(AP)—Defeat of two Japanese naval forces converging on Leyte island in the east-central Philippines and sharp advances by American ground troops on Leyte, where one Japanese force is disintegrating, were announced today by Gen. Douglas MacArthur.

The Japanese fleet approached Philippine waters "in force" Tuesday, MacArthur said. One force appeared at Surigao Bay, south of the San Bernardino strait, which separates Samar and Luzon islands. The second force appeared off the east coast of Samar island.

Both were intercepted by Adm. Thomas Kinkaid's seventh fleet, including an Australian squadron, and escort carriers.

"The southern force comprising two battleships, one heavy cruiser, one light cruiser and four destroyers was completely routed," MacArthur reported. Remnants retreated westward through Surigao straits under repeated air attack suffering losses and damage.

"Every ship was either sunk or heavily damaged," said MacArthur. Allied losses were described as "extremely light," with several PT boats sunk or damaged and one destroyer damaged.

## British Army Closes In On Tilberg After Capturing 'S Hertogenbosch

### Dempsey's Forces Drive Germans To Outer Fortifications of City

LONDON, Oct. 25 (AP)—British second army forces, slashing westward in Holland behind a veritable wall of armor and artillery fire, drove the Germans back tonight along a 15-mile front north and south of the communications center of 'S Hertogenbosch and drove in swiftly on Tilburg, another main enemy bastion 12 miles southwest of 'S Hertogenbosch.

Lashing out on the left flank, Lt. Gen. Sir Miles C. Dempsey's powerful forces smashed the enemy back six miles to the outer defenses of Tilburg, a fortified city of 81,000 which the Nazis have for a month furiously defended against attacks from the south. At dusk British patrols were less than two miles east of Tilburg.

### Infantry Pushes West

British infantry and armor which liberated Bommel, six miles south of 'S Hertogenbosch, continued to push west along a railroad running to Enschede and Tilburg.

Heavy German movements observed north of Tilburg and Breda indicated the enemy was moving his divisional headquarters and other administrative staffs out of the immediate path of General Dempsey's offensive.

### Canadians Approach Antwerp

Canadian forces fighting to clear the approaches to Antwerp maintained their pressure both in the area of the Breskens pocket on the south side of the Schelde estuary and around Bergen Op Zoom, directly north of Antwerp.

American troops made some gains northeast of Epinal in France, capturing the villages of Mortagne and Bifontaine after house-to-house fighting and the seventh army improved its positions in the snowy Vosges mountains. Little more than patrol activity was reported from the Moselle valley front around Metz.

## Club Will Feature Music Program

Members of the newly organized International club will meet at the International center tomorrow evening at 7:30 for their first fireside social.

Entertainment will consist of a program of recorded music, including Russian masterpieces and Latin-American popular pieces. George Drouth, a native of Russia, will comment on the music of his country, while the Latin-American numbers will be explained by Ligia Simons-Quiroz of Panama, and Ciro Martinez of Cuba.

Later the club plans to invite small groups of students, as well as professors, to attend its fireside gatherings. Because of space limitations in the center, it is impossible to invite the entire student body.

## Reds March On Russians Invade Norway And Finish Conquest of Transylvania

LONDON, Oct. 25 — (AP) — The Red army invaded Norway today and captured the prize Arctic port of Kirkenes and 30 other communities at the northern end of the front, completed the conquest of Transylvania in the south, and won 13 strong points in East Prussia in head-on collisions with the desperately counterattacking Germans.

The Moscow communique and two orders of the day from Marshal Stalin announced these successes, but did not confirm a German high command announcement that the Russians had launched a violent new offensive northwest of the Narew river between Warsaw and East Prussia.

Moscow said only that Russian and First Polish army units took eleven small towns in a narrow arc immediately northwest of Warsaw below the Narew.

The invasion of Norway and the clearance of Transylvania were presented by the Russians as the day's top news, both being heralded by orders of the day from Stalin and victory salutes from Moscow's cannon.

In addition, Moscow announced capture of another 50 population centers in the mountains of eastern Czechoslovakia north-east and southeast of Mukacevo, and the repulse of large German forces trying to break out of the tight pocket in southwest Latvia above Liepaja.

The invasion of East Prussia ran into a storm of fanatical Nazi counterattacks around Gumbinnen and Goldap.

The fury of the battle was signified by the statement of a Russian military commentator on the Moscow radio that the Germans had lost more than 300 tanks in two days and were losing men at the rate of 3,000 and 4,000 killed each day.

## William Primrose To Be Featured On Music Series

William Primrose, viola virtuoso, will give the first program of the music department concert series next Wednesday at 8 p.m. in the Music auditorium. This concert is the first of a series of five sponsored annually by the music department.

Primrose is currently touring the country presenting viola concerts. One of the first to bring

Beginning Monday, students and faculty members will have priority in the Union cafeteria.

Union Manager Emery G. Foster announced today. The general public will not be allowed in line until after 5:45 p.m. each day. Students coming to the cafeteria after that time will have to wait in lines as usual.

the viola to the foreground as a solo instrument, he is recognized as the world's finest viola player.

William Primrose was born in Glasgow, Scotland. Inheriting his music ability from his father who was a noted violin and viola player, at the age of ten, Primrose made his first public appearance as a soloist.

In 1930 he joined the London String quartet which was at that time touring the United States.

In 1935 the group disbanded, and Primrose once more returned to the concert stage as viola soloist. When the NBC symphony orchestra was formed in 1937, Primrose joined the group and played with it until 1942.

## Presidential Proclamation Restores Civilian Rights In Hawaiian Islands

WASHINGTON, Oct. 24 (AP) — With the lifting of martial law in Hawaii today by presidential proclamation, civil government ruled in that territory for the first time since the Japanese attack on Pearl Harbor.

The proclamation also restored the right of habeas corpus in Hawaii, continued suspension of which had created a controversy between military and civilian officials.

President Roosevelt simultaneously issued an executive order directing Secretary of War Stimson to designate a military commander for Hawaii and authorizing the commander to prescribe the territory or any part as a military area whenever military necessity exists.

Suspension of the writs of habeas corpus led to a conflict between Federal Judge Delbert E. Metzger and Lt. Gen. Robert C. Richardson, Jr., commanding general of the army's Hawaiian department.

Judge Metzger had ruled that if the jurisdiction of civil courts in the islands was restored in part, as was done in 1943, it must be restored in full, including the right to grant a habeas corpus writ.

## Chinese Educators to Visit College

The Institute of Foreign Studies will be host to two distinguished Chinese scholars early in December, according to an announcement by Prof. S. C. Lee, director of the institute.

Dr. Timothy T. Lew, professor of philosophy and psychology at Yenching university, Peiping, China, will be on campus for a week, beginning Dec. 2, and Dr. Y. G. Chen, president of the University of Nanking, will be here for a series of lectures from Dec. 10 to 15.

## Radio Workshop Show Will Present French Comedy by Moliere

Prof. Joe A. Callaway, speech department, will direct and play the lead in this week's Radio workshop play, an adaptation of Moliere's "The Doctor in Spite of Himself." The radio show will be heard Thursday afternoon at 4 o'clock over WKAR.

"The Doctor in Spite of Himself" is a classical French comedy about a man who bluffs his way out of an awkward situation which was forced upon him by a shrewish wife.

Other members of the cast include Robert Starring, instructor in written and spoken English, Dave Lang, Barbara Barrett, Patricia Fochler, Robert Kamins, Lansing senior, and James Harvey, Pauline Sitter, Detroit graduate student, will serve as assistant director.

## Spain Blames Russia for Civil Rebellion

LONDON, Oct. 25 (AP)—The tightly-controlled Spanish press accused Russia today of attempting to incite rebellion in Spain and the overthrow of the regime of Generalissimo Francisco Franco.

With clashes between Spanish Republican guerrillas and Franco's forces continuing, the concern in Madrid over the possibility that the uprising might develop into a full-fledged civil war was reflected in the government-dominated press.

Press dispatches accused Russia, "seconded by extremist papers in many democratic countries," of starting a campaign "to make relations between the Spanish government and the Allies impossible."

## General Visits Pacific War Base

GEN. DOUGLAS MAC ARTHUR, at left, under whose command Allied forces began an invasion of the Philippines Oct. 17, goes ashore in a landing craft recently at an undisclosed point in the Pacific after a journey aboard the American cruiser Nashville, (background). At right is the general's aide, Col. Lloyd Lebras.

## Wanted . . . Intelligent Voters

To the student voters: Are you, as thoughtful Americans, voting for a particular party because you are acquainted with and believe in the principles and policies for which it stands? Or are you voting for the party of your choice merely because you have grown up in the tradition of that particular party at home?

"What was good enough for grandpa is good enough for me" is not a valid basis on which to vote, for platforms and policies as well as foreign and domestic conditions change with the passing years. Indeed, if today we should vote as did grandpa, wars and international relations would continue to be disturbed and peace remain beyond our grasp.

The newspapers and magazines are printing material relevant to the candidates and the parties, and through the radio alone can listen to the speeches as they are given. Thus, with a minimum of effort it is possible for the modern voter to know more thoroughly the essentials of this campaign of 1944.

Will yours be an intelligent or a hereditary vote on Nov. 7?—B.Z.

## Tower Guard Again Offers Tutoring Service in Freshman Subjects

Tower Guard, sophomore women's honorary, is offering its tutoring service again this year, according to Pres. Peggy Frimodig. The following freshman subjects will be tutored to any one requesting it of these Tower Guard members.

Mathematics instruction will be done by Peggy Frimodig, 8-2567; Shirley Johnson, Ext. 605; Dora McKibben, 8-1851; Shirley Schumbl, 8-3337; and Martha Driver, 2-7987.

Tutoring in chemistry will be offered by Verda Hendrickson, 8-2515; Virginia Collins, Ext. 84; Dorothy Roberts, Ext. 89.

## INFORMATION

### LA COFRADIA

La Cofradia, Spanish honorary, will meet today at 5 p.m. in Organization room 1, Union, according to Pres. Alice Knott. Business to be discussed includes the election of a new secretary; plans for a weiner roast; prospective new members; and plans for the affiliation of the group with the national honorary. All members are requested to be present.

### SENIOR PICTURES

Seniors not receiving their appointment card for their class picture by the end of next week should notify the Wolverine office or see Bethany Beardstee, classes editor, at once.

### ORDER OF THE RAINBOW

The East Lansing assembly 32, Order of the Rainbow for girls will have a pancake supper in the Masonic temple at 6 p.m. tomorrow, according to Mrs. Sigrid Palm, adviser.

Ann Shontz, Ext. 80; Margaret Wallace, Ext. 80; and Virginia White, Ext. 84.

Help with German may be received from Margaret English, Ext. 87; Barbara Elliot, 8-3337; Mary Fuss, 2-4426; and Ruth Koski, 8-2636.

English instruction will be done by Betty Ives, 8-3020; Ann Aishisken, Ext. 84; Gayle Oviatt, Ext. 83; Jane Helbig, Ext. 89; Nina Holmes, Ext. 87; and Jean Proctor, 8-3555.

Tutoring in Spanish will be offered by Judith Williams, 8-3020; Jane Cade, 8-7994; and Nancy Wyngarden, 8-1064. French instruction will be given by Dorothy Renz, 8-7917.

Help with history will be offered by Margaret Vanderwall, 8-3020; Elinor Trelevan, Ext. 80; and Gretchen Wright, 8-2519.

## American Fifth Army Takes Key Bastion

ROME, Oct. 25 (AP)—American fifth army troops have captured Monte Belmonte, one of the key bastions guarding the southern approaches to Bologna, after a week of bitter fighting, the Allied high command announced today.

On the Adriatic sector British eighth army units advanced another three miles without encountering opposition, which indicated that the Germans may be withdrawing to a new line of defense.

The Worcester Polytechnic institute News figures that war-busy students are working a 70.6 hour week under the accelerated program.

## In Campus Quarters

By LEONE SEASTROM and DOROTHY LA MONT

WITH the oversupply of blank bluebooks and the undersupply of cigarets at the Union desk we've been contemplating black-marketing our roll-your-own stock for a dependable psych pony . . . but before doing anything drastic we'd better take a quick glance at information not in the books . . .

Theta Jean Straith has no trouble at all with night cramming since she began wearing a beautiful left-handed sparkled to share honors with the midnight oil.

Following sorority meeting Monday, Jean announced her engagement to Lt. Bob Liefenbach of the air corps, with a surprise party at the house, Former U. of D. student, Lieutenant Liefenbach is now stationed at Langley Field, Va.

Rings are getting to be common things with the Alpha Xi Deltas these days. This week's engagement announcement concerns Shirley Tubbs. Red-letter man in her life is Ens. Lloyd Rivets of Detroit.

One ring may make it definite but two makes it final—and that's the way it is for Cpl. Dick Mahar, Sigma Chi, '46, and Dorothy Raef of Detroit, since the couple exchanged "I do's" in Boise, Ida., yesterday.

The Gamma Phis shined up their pins and put on their best manners last Monday for province director Mrs. James J. Merek, whom they entertained at dinner. The tables were turned last week, however, when they played guests of the Delta Zetas at a bridge tea.

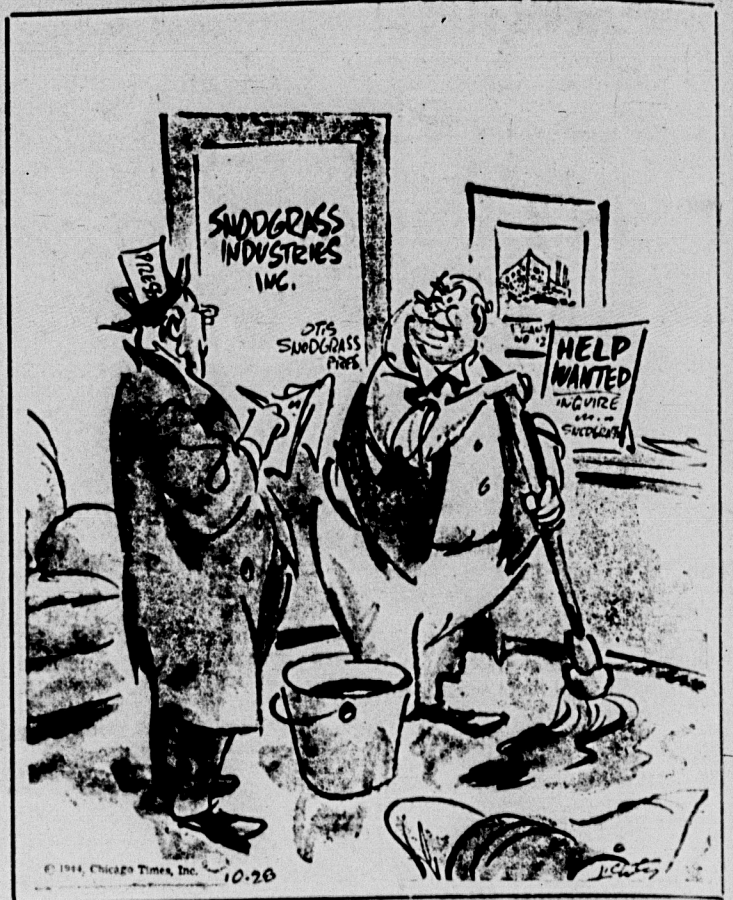

Three rings and out this week . . . and the last one goes to Amy Lodge, Detroit sophomore of Ewing house. Giver of the gift is Cpl. Tony Gargano stationed at Fort Knox, Ky., with the tank corps. Corporal Gargano was a former med student at Wayne.

That pledges are seen and not heard is a thing of the past these days . . . Alpha Gam neophytes are making a name for themselves by starting a precedent in pledge activities. They'll entertain two pledge representatives from each sorority at a blue jean party tonight.

From the junior crop of ATOs comes the announcement of new bosses. Hubbie Webster, Royal Oak sophomore, will give the orders to fellow pledges while Jerry Cole, Detroit sophomore, takes notes and keeps track of the finances. Nick Piccato, Millham, N. Y., sophomore, will keep the fellows in the social whirl.

Usually keeping their name in print by pin passing and ring giving, this week the Phi Deltas break into the news by announcing the arrival of a new mascot, Irish setter, "Red." Possessing qualities of all the big-wigs of dogdom, Red is both full grown and housebroken.

## Grin and Bear It . . . By Lichty

"The paper would like a feature story on how you attained position of eminence in the industrial world, Mr. Snodgrass."

## THE WOMAN'S WORLD

By MAY ANN MAJOR

### MORTAR BOARD

Members of Mortar Board are holding their regular meeting this evening at 7:15 in Org. room 2, Union, Pres. Dorothy Jury Shaw, Detroit senior, announces.

### DELTA GAMMA MU

Joan Preutnant, Detroit junior, has been elected president of Delta Gamma Mu, women's national fencing honorary. Officers assisting her are vice-president Marilyn Johnson, Detroit sophomore; and Secretary Mary Vining, Greenville junior.

Treasurer is Nancy Lee Trabue, Highland Park junior, and publicity will be handled by Barbara Elliott, Royal Oak sophomore.

Regular meetings will be held on Tuesdays at 7:15 p.m. The honorary is sponsoring WAA classes to be held Monday through Thursday from 5 to 6 p.m. and Thursday night from 7:15 to 8:15.

### THANKSGIVING PERMISSION

Judiciary board announces the following permissions for the Thanksgiving weekend: Wednesday, Nov. 22, all women will have 12:30 a.m. permission. No coupon will be required for those being absent from college residences on this night only.

Thursday night, Nov. 23, permission will be for 9:30 and 10:30 as on Sunday's. Women who are absent from college residences are required to hand in one "A" coupon.

### THETA SIGMA PHI

Theta Sigma Phi, women's journalism honorary, will meet

tonight at 7 at the International center, 3 Faculty row. All pledges and actives are requested to attend. Plans for the year's activities will be discussed, followed by an informal discussion with Prof. and Mrs. S. C. Deane.

### MED BIOS

The Medical Biology club will meet today at 7:15 in the bacteriology building, according to Eleanor Hall, publicity chairman. Following the business meeting Dr. Edward Devereux will talk to the group.

### WOMEN'S RESIDENCES

Any women's residence which has not sent a representative to the AWS office to pick up their time-ration stamps and 4x6 ones on which to attach the used stamps should do so today between 9 a.m. and noon or 2 p.m. to 3 p.m.

### Librarian to Report

Jackson Towne, college librarian, will report on the "American Library association's post-war planning for college and university libraries" on the second day of the annual conference of the Michigan Library association, which is being held in Grand Rapids today through Saturday.

# Spartans, Tartars Expected To Play Aerial Game Friday

## Practice to Wind Up With Night Workout

With night workout scheduled to top off a week of preparation for their seventh meeting with the Wayne Tartars Michigan State's football forces appear in top shape for their encounter Friday night.

A large crowd in the neighborhood of 15,000 is expected to witness the clash between the two schools. Good weather is promised by the weatherman, and that may boost the crowd an additional thousand or more.

With clear weather on the state, a passing game is likely to ensue. Wayne employs the 'T' formation which is no stranger to the Spartans, and this should advertise a host of aerials with Bob Mistele on the pitching end. Mistele played a big part in Wayne's initial victory over Otterbein.

State can rely on three of their starting backs, and Herb Speers, reserve wingback, for the passing role. Frank Brogger and Dan Grondzik, starting ends, have figured heavily on the receiving end. Grondzik has caught two pay-off tosses, and Brogger has gathered in several long heaves for substantial game.

If the field is dry there may be a lot of wide-open football from both forces. The Spartans are expected to try and shake their four ponybacks loose; Bob Bruenger, one of the shiftest runners to don State livery in a long time; Fred Aronson, an adept reserve artist; Ben Johnson and Herb Speers, reserve speed merchants; are expected to pick up most of the broken field mileage.

But the big task of the leatherugging will again fall on the capable shoulders of burly Jack Breslin, kingpin of the green and white's current campaign. Whether or not Breslin will be able to go all the way is a question, and if the high stepping charger shows signs of weakening it can be expected he will be pulled in an effort to reserve him for the Missouri game a week hence.

The "red water" which sometimes discolors the ocean along the seacoast is caused by millions of microscopic plants, according to W. E. Allen, assistant professor of biology at the University of California.

# MSC Geologist Helps Plan State Park in Upper Peninsula

Prof. W. A. Kelly, of the college geology department, is working on a map of the Porcupine mountain area in the Upper Peninsula, which will eventually be used by the state department of conservation in the establishment of a state park in Ontonagan and Gogebic counties.

Working with aerial photographs, to supplement first-hand information and visits to the area, Kelly's map will show not only streams, lakes, hills, and valleys, but also the elevation.

When completed the park will include 75 to 100 square miles of virgin timber, the largest in the state. Many of the trees attain the height of 100 feet and are often more than 10 feet in circumference. The highest point of elevation in Michigan is also included in this area.

# Crisler Prepares Wolverines for Purdue Clash

By FRANK KENESSON

ANN ARBOR, Oct. 25 — (AP) — Coach H. O. (Fritz) Crisler isn't overlooking any bets as he prepares his University of Michigan Wolverines for their Saturday big ten football clash here with Purdue, the team that shared the western conference championship with Michigan last season.

In Monday and Tuesday drills this week the Michigan squad scrimmaged on defense against Boilermaker running plays. Today they worked long and hard against Purdue passes as demonstrated by reserves.

"Purdue has one of the best balanced attacks I have seen," Crisler said today, referring to his scouting trip last week when he watched the Boilermakers pound Iowa 26 to 7.

"They have a fast, explosive running attack; better than average passing," Crisler explained. "Their fullbacks, especially Ed Cody, are dynamite; their halfbacks can really run, and they have plenty of power through the middle. Cecil Isbell has done a grand job of coaching the 'T' and we're going to have to turn in our best game of the season to win."

# Superfortresses Hit Kyushu Island

WASHINGTON, Oct. 25 (AP) — American superfortresses in medium force bombed the Japanese aircraft assembly and repair installations at Omura, on Kyushu island, with "good" results today, the war department reported. One of the big bombers failed to return.

The attack was carried out in daylight against Omura targets located on the east coast of Omura bay, 12 miles northeast of Nagasaki.

The aircraft assembly, repair and training installation comprises some 75 buildings and is one of Japan's largest installations of the kind.

Kyushu is the southernmost of the Japanese home islands. The B-29's encountered some fighter resistance. Anti-aircraft fire over the targets was reportedly "moderate."

# Cast Gives Memorable Performance; 'Carmen' Wins Audience Approval

"Carmen," Bizet's opera which played last night to an audience of approximately 4,000 people, was well received by an enthusiastic public. There was nothing to be criticized in the musical unless it is the fact that Donald Dixon, as Escamillo, had much too small a role.

Dixon was more than adequate in the part of the bullfighter, however, and rendered the familiar torreador song as the highlight of the second act.

Edward Kane, playing Don Jose, the young sergeant who is spurned by Carmen, was excelled only by Regina Resnik, who played the title role. His best scene was the last, in which he took both his own and the gypsy girl's life.

Miss Resnik was Carmen to perfection. Her heartless technique with the male members of

the cast was so convincing that it seemed surprising that she lived as long as she did.

Ann Simpson and Leon Varkas highlighted the opera with some excellent Spanish ballet, and Enya Gonzalez, who sang the role of Michaela, the country girl who tries to draw Don Jose away from the gypsies, gave a sympathetic portrayal.

Emile Renan and Karl Laufkötter, as the smugglers, provided the lightest moments in the production. The acting was exceptional at all times.—R.S.

Dr. L. Richard Cipes, former instructor at the New York university college of dentistry, says there are several features of penicillin therapy which make it particularly applicable to dental use.

# Navy Announces Defeat of Jap Fleet

## Damage to Enemy Eases American Supply Problem

WASHINGTON, Oct. 25 (AP)—The Imperial Japanese fleet, which raced out of its hiding places to present a massive challenge to American liberation of the Philippines, has been defeated, heavily damaged, and put to flight in what may be one of the decisive naval battles of all time, a series of historic announcements declared tonight.

A message from Admiral William F. Halsey to President Roosevelt said that the enemy has been "defeated, seriously damaged and routed." Fragmentary reports filtering in from other sources presented this picture:

### Damage to Fleet

Five Japanese battleships damaged, with some possibly sunk. An aircraft carrier sunk. Several cruisers and destroyers sunk and others badly damaged.

American losses so far made public were the light carrier Princeton, an escort carrier, and several P.T. boats sunk and a number of planes lost, several escort carriers and destroyers damaged.

It was obvious, however, that so much of the full story remained to be told that these tabulations would undergo extensive revision.

### Opens Shipping Route

Immediate results for the United States certainly were an easing of the problem of maintaining and supplying the ground forces in the Philippines — and perhaps the opening of the way, without any serious enemy naval challenge, to the east coast of China.

Obviously elated, President Roosevelt told reporters the news of the Japanese defeat had just reached him through the navy department and his military chief of staff, Admiral William D. Leahy.

## Greek Cabinet Formed Premier Announces

ATHENS, Oct. 24 (AP)—Premier George Papandreou announced tonight the formation of a new Greek cabinet, and at the same time his finance minister disclosed arrival of "large amount" of gold from London to help stabilize the drachma.

The new cabinet, in which Papandreou will hold the ministries of war and foreign affairs, includes representatives of eight political parties and two independents. Only three of the 17 members served with the Greek government in exile in Cairo.

## Fans To Hear Grid Game From WKAR

Football fans will again be able to hear a play-by-play description of Friday's game between State and Wayne university. WKAR will broadcast the game, as sent by ticker, at 8:15 p.m. in the main lounge of the Union.

The feature will be a part of the regular Friday Frolic, which will include dancing, bridge and other entertainment. Party-Party will be held in the Union as usual on Saturday from 3 to 5 p.m.

Alpha Phi Omega, national service honorary, is planning to sponsor a homecoming dance Nov. 11 from 9 to 12 midnight. Gene Devine and his orchestra will furnish music for the dance which will be held in the Union ballroom.

Chairman for the dance is Dick Henderson, Detroit freshman. He will be assisted by Reiner Schneider, Lansing junior, who will handle publicity; Russ Scovall, Lansing sophomore, decorations, and Dick Mosher, East Lansing sophomore, patrons.

Homecoming decorations, planned by sororities and fraternities active on campus and living in their own houses, will be resumed this year. Formal letters will be sent out to the individual groups later this week. A prize will be awarded to the organization having the outstanding display.

## Vogue, Nursing Council Members to Talk With Coeds Today

Eugenie DeArmitt, representing the National Nursing council, and Louise Stickney, representative of Vogue magazine, will be available for consultations today from 10 a.m. to 4 p.m. in the Placement office, north of Campbell Hall.

Miss DeArmitt will have consultations with any women interested in the nursing profession and offers an opportunity for anyone intending to enter the field to check on qualifications and requirements.

Women who have already enrolled in the Prix de Paris contest should make an appointment to see Miss Stickney. She will also interview women interested in the fields of art, fashion or journalism.

Appointments may be made to see either of the representatives by calling the Placement office, extension 525.

To retrain business and professional men for supervisory positions in war industries Stanford university is offering a training program in management practices in war industries.

## Explorers to Show Color Movies of Salmon River

Frederic and Sylvia Christian will present the color motion picture, "The River of No Return," the story of their trip down the Salmon river in Idaho, Saturday at 8:15 p.m. in College auditorium.

Featured in the picture will be such areas as the craters of the moon, practically unexplored lava formations which resemble those on the moon's surface. Another little known part of America's remotest region to be shown is the Lost river.

Results of tests taken by basic college students are now available in the counselor's office, according to Paul Dressel, head of counselors. Each student should make an appointment to meet with his counselor as soon as possible. Dressel said.

This river flows for 90 miles through a desert of stone and then disappears into the earth. One hundred miles to the northeast it is believed to reappear as the Thousand springs which gush from canyon walls with no evident source.

The film will also portray wild life such as antelope, mountain sheep and goats, moose, elk, deer, and bear in their wild, natural habitat.

## Teachers at MEA Convo Will Hear Chicago, Grand Rapids Editors

Region three of the Michigan Education Association will meet today and tomorrow on the college campus. The region includes approximately seven counties and between four and six thousand teachers are expected to attend, according to C. V. Millard, education department head.

The program will be highlighted by the speeches of several prominent leaders of education. Frank Smothers, editor of the editorial page of the Chicago Sun will open the program at 9:30 this morning with a talk, "Looking Forward in a World at War." This evening at 8, Ben East, outdoor editor for the Grand Rapids Press will present films on "Pathways for Invasion."

William P. Tolley, chancellor of Syracuse university, will speak tomorrow afternoon on the topic "Getting Ready for Post-war Education."

All senior education majors are especially invited to attend the meetings. They may receive tickets free from Prof. Edmund Thorne in College auditorium.

## Convo Rooms Needed

Over-night rooms to accommodate delegates to the State Grange meetings, being held on campus the week of Oct. 30, will be urgently needed then, said Dr. Fred Mitchell, counselor for men. Householders who have available overnight rooms are urged to leave this information with the counselor for men's office, college extension 201.

## Germans Evacuate Volos Ahead of British Drive

Rome, Oct. 25 (AP)—The British drive to clear the Germans out of Greece has swept up the mokes, 30 miles north of Larna, and the Germans have evacuated Volos, seaport on the eastern coast of Greece. Allied headquarters announced today.

The communique said the Germans moving northward out of Volos were suffering heavy casualties at the hands of Greek guerrillas.

1712 Opportunities for Michigan Girls
