Today's Campus

...Hear Ye, Hear Ye

From the round-about corners of the campus comes the story of the bold class reciter who keeps interrupting class lectures with remarks and questions.

During yesterday's please meeting, the professor was determined not to be interrupted when questioning the class and ignored the exasperated student's up-raised arm. Finally the lad could retain himself no longer and blurted out, "But, professor I just wanted to tell you the building's on fire."

...Just In Case

Pauline Creswell, of Muskegon, taking no chances with her fiance after having seen what happened to so many when they went overseas. When her man, Bob Phillips of Abbot hall, came to college, she sent her brother, Carl, along as his roommate, just in case.

Cossack Chorus To Give Concert Thursday Night

The General Platoff Don Cossack chorus, which has given more than 4,500 concerts in a number of the world, will be presented as a special number of the lecture-concert series in College Auditorium Thursday night at 8:15.

A program of Russian liturgical music and folk songs, Cossack melodies, battle songs of their homeland, and recent songs of Russia will be given by the 27 Russians, under the direction of Nicholas Kosturkoff.

An unusual feature, the Cossack Cossack knife dance in

Two thousand free tickets, for students only, are available today for the Don Cossack chorus performance Thursday in College Auditorium.

An activity book coupon may be exchanged at the accounting office for reserved seats.

12 knives are juggled, will be included in the program. The chorus, exiled from its native land, is named after the Cossack general, Platoff, famous for helping to stop Napoleon's invading army in its march against Moscow.

Antenna Used to Contact Moon

This is an antenna that was used by the army signal corps to make radar contact with the moon in an experiment at Bradley Beach, N. J. In the upper right corner is the moon.

Quartet Wins MSC Acclaim

Last night in the Music auditorium, the Budapest String Quartet made their third appearance on campus and played the works of two great masters and one modernist with all the perfection that those composers could desire.

Haydn's Quartet in D minor was played with artistry and precision; the second movement being light and quick, the menuetto and finale, lovely and vivacious.

The Quartet in E flat major, by Hindemith, dedicated by him to the Budapest String quartet, consisted of a deep and quiet fugue, a sonata, theme and variations, and a majestic theme, all of which were woven together, near the end, like a fine tapestry.

As Beethoven cannot be surpassed in the composition of beautiful, pure, melodious sound, his Quartet in E flat major was a stirring conclusion; artistic fingers traced the intricate patterns of his music with smoothness and perfection of movement. —B. W.

Writer to Speak To Journalists

Mrs. Elizabeth Hajos, Paris journalist, will be guest speaker at an open meeting of Theta Sigma Phi, women's journalism honorary, this evening at 7:30 in 103 Union annex.

Mrs. Hajos came to America four years ago. She had previously worked for some time as a correspondent on a Budapest paper. She was then sent to Paris, where she worked as a correspondent for 10 years, one of which was during German occupation.

Mrs. Hajos will speak on her work in the field of journalism and her experiences in Europe. All persons interested in journalism are invited to hear Mrs. Hajos speak.

Veterans Answer Emergency Call For Blood Donor

Three ex-servicemen responded Sunday night for an emergency call for blood donors of a rare type of blood. The distress call came from the Michigan State college hospital where Bob Carr, Gary, Ind., freshman, had just undergone an operation for an intestinal obstruction.

Two minutes after the call had come in at Abbot hall, three men were on their way to the hospital to offer their blood, and within an hour Arthur Stadelmeyer, Saginaw, who is on a refresher course, gave the transfusion of the type O blood.

Carr's condition was described as "serious" yesterday by hospital doctors.

Coach Karl A. Schlademan, MSC track coach, said that 24-year-old Carr is "the most promising pole vaulter ever to enter the college."

Wiley Snaps Campus Action

By TOM NORTHWAY

When flash bulbs begin to pop at basketball games and dances, chances are that Art Wiley, Mt. Pleasant freshman, is on the job.

Last term Wiley and his able assistant, Bonnie Johnson, Grand Rapids sophomore,

were the only members in the photography department of the Wolverine, college year-book. Now seven others are taking part in the work, and most of them have had experience in photography while serving Uncle Sam.

Small Dark Room

A law of physics determines that only half the members of the photo crew are able to squeeze into their matchbox lab in room 18 Union annex. The dark room was formerly a janitor's office but was fitted out recently with the supplies and instruments

*Ford Reveals 15 Per Cent Increase In Wages of Salaried Workers

Blaze Causes Slight Damage

The East Lansing fire department was called out yesterday shortly after noon to combat a fire at the Physics building on campus, according to Firechief Merle Crox.

K. G. Brown, instructor in physics, sent in the alarm when a woman student told him the building was on fire.

The two engines that responded to the call had a difficult time arriving at the scene of the fire as the Abbott road entrance to campus was blocked by cars parked on both sides of the

Tuesday and Wednesday senior proofs are at the Wolverine office. They must be picked up today between the hours of 2 to 5 p.m. Saturday and Monday's proofs have been lost and the Wolverine office will notify students when their resettings will be taken.

Faculty row was also obstructed by the construction equipment for the new women's dorm. By the time the crew arrived, a passerby who was not identified, had quelled the major portion of the flames.

A tarpaulin and two-by-four supporting it, covering the north entrance steps of the building and a wide strip of the vines which cover the building were damaged.

The buildings and grounds department estimated the damage at 10 to 15 dollars. Cause of the fire has not been definitely stated, however it is probable that a careless cigarette or cigar butt dropped at the base of one of the two-by-fours was the origin.

Chief William L. Mann of the East Lansing and campus police stated that a new parking ordinance will be put into effect preventing the parking of cars adjacent to the islands in the Abbott road entrance.

Auto Permits Ready

All students are asked to pick up their car permits from the campus police office, according to William Mann, acting chief of police.

Students who have cars at school but who have not filled out requests must do so at once in order to get their permits.

*PITTSBURGH, Jan. 28 (AP) — Business men predicted today unemployment will skyrocket if the big steel strike continues a few more weeks.

There are approximately 750,000 members of the CIO-United Steelworkers on strike, and forecast from four large industrial areas today indicated that number of idle would more than double—to exceed 1,500,000—if the stoppage in steel production continues a month.

WASHINGTON, Jan. 28 (AP) — New federal action within the next few days toward settlement of the week-old steel strike was strongly hinted tonight but its nature was not revealed.

Officials still were unanimous, however, in discounting any idea that early seizure of the industry was in the cards.

One high official, who could not be quoted, indicated that the White House would move in on the dispute again around the middle of the week unless it were on the way to settlement by that time.

John D. Small, chief of the Civilian Production administration, was asked at a news conference whether the government would seize the steel mills if the strike continued a long time.

"I hope it doesn't have to come to that," he replied.

Pressed for an estimate on how long seizure could be delayed, the OPA chief said:

"I think we could stand it (the steel strike) a few more days."

"There has been a growing feeling throughout the country," Small told reporters, "that price increases would be about the worst thing that could happen. To my mind lack of production is the worst thing."

DETROIT, Jan. 28 (AP) —

The Ford Motor company, which has granted the CIO United Auto Workers an 18 cent hourly wage increase, today announced a 15 per cent wage boost for 19,000 salaried and hourly employees who are not covered by the union's contract.

The announcement from President Henry Ford II came as the UAW-CIO squared off with General Motors corporation in a tight over that firm's bargaining "faith" and simultaneously launched another wage increase drive in the auto industry.

The Ford raise will be retroactive to Jan. 1 and will include 4,335 foremen of the company who will be transferred from an hourly to a salary basis in negotiations with "other labor organizations," the company announcement read.

The union disclosed its new wage drive in the auto industry as the National Labor Relations board opened its hearing to determine whether General Motors has refused to bargain in good faith over the UAW-CIO's wage demands.

Help Europe Fight The Cold

Have you ever walked without a pair of shoes in the snow, or shivered in worn and ragged garments, chilled to the bone by wintry winds?

This is the plight of many thousands in Europe today. Their lands laid waste by years of war and strife, many of these people lack the bare essentials of life: food, shelter and clothing.

The United Nations Relief and Rehabilitation association has undertaken the gigantic task of providing for them. Its clothing collection drive is now under way. The goal is 100,000,000 garments and 100,000,000 letters of good cheer to go along with the garments.

What can you spare that they can wear? What unused articles in your wardrobe can you contribute that will give warmth and protection to your fellow human beings less fortunate, and in such dire need?

Among the items needed are infants', children's, men's and women's garments of all kinds; shoes, galoshes, bedding, blankets, and remnants of material one yard or over. Contributors are asked not to donate straw hats, toys, feather beds, pillows, mattresses, purses, novelties or other household furnishings.

Under the sponsorship of AWS, campus collection boxes have been placed in sorority houses, in the Home Economics building, in the Union, as well as other campus and off-campus houses.

The clothing collection drive ends Thursday. Make your contribution today.

INFORMATION

STATE NEWS

A State News staff meeting will be held this afternoon at 5 in the news office. All reporters are requested to be present, according to Marion Heckel, editor.

AIEE

The American Institute of Electrical Engineers will hold a meeting tonight at 7:30 in room 107 Union annex. Prof. M. M. Cory of the electrical engineering department will speak on "Selsyn Motors and Their Applications." Howard Cloyd, Coldwater sophomore revealed.

MSC RADIO CLUB

Michigan State Radio club will hold a meeting tonight at 7 in room 7 of the Union annex, according to Dick Hineine, Jackson freshman.

READING HOUR

The reading hour will be held from 4 to 5 p.m. today in room 49 of College auditorium.

PI ALPHA

Pi Alpha, sociology honorary, will hold its first meeting of the term tonight at 7:15 in room 112 Union annex. Gunnar Dybwad of the Lansing department of social

welfare will speak on the case workers' duties in his agency, according to Nedra Macduff, program chairman.

ELEMENTARY ED CLUB

All members are requested to return all stubs and money to Marilyn Dreher, East Mayo, by this evening.

THETA SIGMA PHI

Theta Sigma Phi, journalism honorary, will hold a meeting at 7:15 p.m. in room 103 Union annex, according to Jeanette Nixon, president and Royal Oak senior. All pledges and actives are requested to attend. Informal pictures will be taken of the group at 9:20 p.m.

CHRISTIAN SCIENCE ORGANIZATION

The Christian Science organization will hold a meeting tonight at 7:15 in room 206 Music building, according to Anne Field, Greenville freshman.

FLYING

All students interested in flying are urged to pick up questionnaires at the Union desk today and tomorrow, according to Lee Slocum, Detroit freshman.

Affairs of State

By TONI EBNER and SALLY CLARK

THIS 1 a.m. permission of winter term must be the guiding point for Cupid lately. His arrow has pierced many a heart and even with the cold weather and midterms coming up before too long, he keeps right on going full strength.

The first to feel the sting of his blow is Ann Christenson, Newaygo senior, who received a diamond from Don Hagerman. He is a former State student, and was recently released from the army air corps after returning from the South Pacific.

Then there were the tales brought back from Detroit this weekend concerning a big wedding. Theta Alleen Wilson, who graduated last June, was married to Phelps Trix, of Grosse Pointe. Still sweating out the war with her man overseas is Carol Himes, Ithaca freshman. But, just to make things a little easier for her he has presented her with a beautiful sparkler. The man in the case is Pvt. Jack Crawford.

Out in the east end of town in Mason hall there are a series of events that seem to be worthy of some attention. In the lists of engagements Gloria Reynolds and Betty Thayer are sporting new rings. The donor in Gloria's case is Lt. Frank Hollingshad. Both are from Mt. Pleasant and Gloria is a freshman. Francis Buckeridge is the man in Betty's life from now on. Betty is a sophomore from Milford (?) and Francis is a Birmingham graduate student.

Switching from the ring category over to the pinnings we have two—still from Mason hall.

Janice Oyer, North Tonawanda, N. Y., sophomore, has received an Alpha Gamma Rho pin from Bill Brunn, Eggertsville, N. Y. sophomore.

And, the other pinning is that of Barbara Tinney, Pontiac sophomore, to Francis Cappert, Stephenson sophomore. Francis is a member of Ellsworth house.

Getting back to fraternity activity the SAEs held an initiation ceremony. New active members include Reno Maccardine, Bessemer sophomore; Ralph Jacobson, Lansing freshman; Tom Pembleton, Metamora sophomore; Dick Skinner, East Lansing sophomore; John Vandervoort, Colona freshman, and Dick Love, Detroit sophomore.

Amateur Radio Club Returns to State After War Years

The MSC Amateur Radio club, inactive on campus since the beginning of the war, has again organized, according to Richard B. Pennington, chief operator of the club.

Membership is open to all licensed radio amateurs and all who are interested in reaching this status. Classes and instruction will be given on code and basic radio theory to all unlicensed members so that they may become licensed by the Federal Communications Commission.

The organization has a club station W8SH which may be back on the air soon, according to Pennington.

State Extensionists Attend Conference

Representatives of the Michigan State college extension service and the Emergency Farm Labor program left for St. Louis, Mo., yesterday to attend a two-day national conference on farm labor problems.

Two Staff Members Return to State

Dr. Tukey, head of the culture department, recently announced the return of two former members of that staff.

The navy freed S. A. . . . as a lieutenant, and . . . back into his specialty . . . crops, in the extension . . . Friday.

Also back in the extension service is Clarence Sanger, discharged from the army as a lieutenant colonel. Sanger graduated from MSC in 1933 and played on the champion baseball team of that year, holding . . . base.

"He always stops the bus at the wrong corner for any . . . Jonathan Logan dress."

Lots of Action Promised for Cagers This Weekend

By ROGER CESSNA

Coach Ben Van Alstyne and his Spartan basketball team are heading straight for trouble when they start their weekend excursion for games with Notre Dame, Kentucky, and Cincinnati.

Their Thursday night date on the South Bend hardwood will find them facing the Fighting Irish of Notre

Dame, a team fresh from a 46 victory over Kentucky.

According to statistics, the Spartans should be 20 point underdogs in the Rambler game.

The next night they'll take on the same Wildcats of Kentucky who defeated the Spartans 55-44 in the Jenison fieldhouse earlier this season.

Following the Kentucky game, the team travels to Cincinnati where the Bearcats, 69-38 first-year losers to the Green and White, will provide the opposition.

Notre Dame and Kentucky are ranked by those who know as two of the nation's three finest quintets. Their records alone are enough to substantiate such a claim, having a total of 26 victories against two lone defeats.

The Irish have yet to lose a game, racking up 12 consecutive wins. When their lineup is expected to look as if an all-star committee had been tampering with it.

Named for good teams and outstanding players, the South Bend team have come up with quite an reputation this year. All-American Billy Hassett, pudgy guard, and Lee "Crystal" Klier, flying forward, are supported by Vince Ely, pivot man who holds the school season scoring record.

Jimmy Dee and George Ratterman, forwards who took the lid off opposing baskets for close to 20 points apiece, last year, and Dick Gilhooley, dangerous backcourt buddy of Hassett will play.

That lineup of six men represents a potential scoring machine of 127 points per season or an average of 67 markers a game.

It is practically impossible for a modern basketball team to go through a complete schedule undefeated and if the Spartans play they did in racking up their 46 out of Syracuse and produced the brilliant streaks that have shown in spots in their games, the Notre Dame fans will be holding their heads as the Spartans leave for Kentucky.

At the game at Louisville, they will be watching Ralph Beard, Van Jones, Jack Tingle, and company, who'll be trying to get on the winning path after Notre Dame setback. Other than the Irish, only Temple has been able to turn back the Wildcats by just three points.

At the 12 days beginning with

Ball Players Begin Training 'Grind'

Professional baseball players certainly lead a tough life, having to sweat under a torrid Florida sun, while we enjoy the good central Michigan winter weather. Here's **ROLLIE HEMSLEY**, veteran New York Yankee catcher, showing some youngsters how it's done at Bob Feller's baseball school in Tampa.

WOMEN'S SPORTS

By-MARGE McRAY

ALL-college badminton doubles will begin Monday and entries must be in by Friday. All coeds planning to compete are asked to sign up early.

The block playoff for women's singles badminton tournament started last Monday. These games will be played at 5 each afternoon in the Women's gym and spectators are welcome.

The winner of block 1 is Elizabeth Hammond who was last year's champion. The defending champion will be seeded number one. Marilyn DeWitt played off a tie with Ruth Holm to win the crown in block 2. In block 3 Marion Duncan came out on top.

The block 4 winner is Jani Hite with Jean Long the winner for block 5. In block 6 Jeanne Burton Sarge, the 1942 singles winner, will again battle for a title. Sara McDonald and Doris Taubert are the winners for blocks 7 and 8, respectively, with Nicki Allen on top in block 9.

Margaret Wells, last year's runner up in the women's badminton singles who will be seeded number 2, is the block winner for number 10. In the last block Elaine Brant came out the winner. Results of these block playoffs will be posted.

DURING last week's basketball games East Mayo took the Hotfoot team, 10-7. Shaw house had to give in to the Slippery Slickers, 44-2. Colts, who are undefeated in block 2, beat the Abbot Spartans, 13-11.

In the battle between the Steamteam and North Campbell, Steamteam won by a score of 22-14. Another undefeated team, the Purple Passions, beat the Spots by the slim margin of 7-6. The Eager Beavers, also undefeated, took the Knitting Kittens, 33-8.

Other teams that are undefeated are the Willy's Terrors, Hearty Sparties, Sanford house, and Robinson house.

At the Rainbow alleys Alpha Xi Delta and Alpha Chi Omega are tied in Block I; South Williams has a definite lead in Block II, with Alpha Gamma Delta leading Block 4 on its four straight wins. This next week should determine the final block winners.

Ted Wonch Smashes Records As State Trackmen Whip OSU

As the Michigan State track team beat Ohio State 68 to 50 last Saturday night, Spartan Ted Wonch, in his first competition since his return from a three year stretch in the navy air corps, broke the Jenison fieldhouse record with a pole vault jump of 13 feet, 7 1/4 inches. His leap bettered the former

meet record by five inches and was an inch higher than the fieldhouse record set by William Moore of Western Michigan in 1945. Wonch also cracked his own varsity record of 13 feet, 5 1/2 inches, which he set before leaving MSC at the close of the 1943 winter season.

State Took Seven First
Coach Karl Schladehman's cindermen took seven firsts to six for the Buckeyes and captured eight second places to three for the Ohio State men.

Carl Baynard, Negro sprinter for the Buckeyes, took high honors for the evening by scoring firsts in both the 75-yard dash and the 300-yard run for a total of 10 points. Baynard's time of 32.7 in the 300-yard run set a new meet record.

Carrier, Mack Score High
State's Bob Carrier and Walter Mack divided the scoring honors with eight points each. Carrier took first place in the 75 high hurdles and placed second to Lowell Shirey of Ohio State in the low hurdles.

Hugh Hughes showed good form in taking the 2 mile run and Jim Fraser finished 25 yards ahead of the field to capture the 440 event.

New Grid Foe State, Boston To Clash Oct. 5

Spartan gridgers have five opponents lined up now for the 1946 season, the latest team scheduled being Boston college, who will play here Oct. 5.

The Boston Eagles have played State just twice before, taking an 18 to 6 win in 1935, and playing to a 13 to 13 tie in 1936. Both games were played in Boston.

Other squads scheduled so far are Washington State on Nov. 30 on Macklin field; and three road contests including Penn State Oct. 19, Kentucky Nov. 2, and Michigan Nov. 9.

Athletic Director Ralph Young stated that negotiations were pending with "four other opponents" to complete a nine-game schedule for the Spartans.

Relay Classic Slated For Jenison Track Again This Year

Entry blanks are being mailed this week for the 24th Michigan State relays slated to be held in Jenison fieldhouse Saturday, Feb. 9.

Some of the full teams will come from Michigan, Notre Dame, and Ohio State and the Spartan track men are in full training for the event.

Cinder Coach Karl A. Schladehman, who is acting as relay manager, said 18 events will be run that include seven relays. Only one event, the mile relay, will be divided into college and university competition while the others are open.

A new feature of the classic is the high school sprint medley that is expected to attract prep teams from Lansing and surrounding areas.

The relays were returned this year to State after being sponsored last year in Ann Arbor by the University of Michigan.

U. of M. Swimmers Favored to Break MSC Win Streak

Renewing old acquaintances, the University of Michigan will tangle with the State swimmers Saturday in Jenison fieldhouse pool. Michigan will go into the meet heavy favorites, boasting one of the strongest teams in the nation.

Interesting highlight of the meet will be the competitive duel of two unbeaten stars swimming for State, Abel Gilbert, former Ecuadorian star, and representing Michigan, Matt Mann III, son of the famous swimming mentor. These two boys have gone undefeated in their dual meets so far this season, and will tangle in the 220 and 440 yard freestyle events.

Mann will be the favorite in both events, having turned in very fine performances in dual meets this year.

Hogan Putts Way To \$1,500 Purse In Golf Tourney

PHOENIX, Ariz., Jan. 28 (AP)—Little Bennie Hogan, 137 pounds of golfing eye from Hershey, Pa., today went around the last nine holes in 33 to fashion a three under par 68 and defeat Herman Keiser of Akron, O., in an 18-hole playoff for the Phoenix open golf championship.

Hogan won the \$1,500 first money and Keiser, who registered a 70—his worst round of the tournament which started last Friday—got \$1,000. Yesterday at the end of the tournament, the pair were tied with 273 for the 72-hole route.

After they had each carded a birdie two on the 130-yard second hole, the game developed into a duel between Hogan's long, straight drives and Keiser's putting ability. Keiser finished the first nine in two under par 34, one better than the mighty mite. But his putter failed him on the way home.

Memory, of all the powers of the mind, is the most delicate and frail. —Johnson.

Iran Tells Complaints To UNO

Iranian Delegate Brings Charges Of Interference Against Russia

LONDON, Jan. 28 (AP) — Russia asked the United Nations Security Council tonight to shelve Iran's appeal to the United Nations organization and let the two nations solve their dispute by negotiation after Iran's chief delegate had charged the Soviet union with interference in the internal affairs of his country.

The Soviet Vice Commissar of Foreign Affairs, Andrew Y. Vishinsky, declared that Iran charges had been "raised by a government no longer in power, and the claims have not sufficient grounds for action by the council."

Charges Interference

Just before Vishinsky spoke, the Iranian chief delegate, S. H. Taqizadeh, charged that "there have been a number of interventions in Iranian affairs by Soviet authorities."

In effect, he asked the council, which is empowered by the UNO to settle disputes by peaceful or military means, to prevent further "intervention."

Greek Ambassador

Meanwhile, the Greek ambassador to Great Britain, T. Aghnides, filed with the security council a statement by the Greek foreign affairs committee defending the presence of British troops in Greece. Russia has asked the security council to investigate the Greek situation on the grounds that it is a threat to peace and security. The dispute is on the council's agenda.

The Greek situation is scheduled to come before the council after the Iran affair has been handled. The Soviet Ukraine's complaint regarding the British military actions in Indonesia will come up after discussion of the Greek case.

Delegation Asks Ferguson's Aid On FEPC Action

WASHINGTON, Jan. 28 (AP) — Senator Homer Ferguson, Michigan Republican, told a home-state delegation today he would do "all possible" to break a filibuster against fair employment practices committee legislation.

The group, which came here to urge support for the FEPC bill, was headed by Jack Raskin, executive secretary of the Michigan Civic Rights federation.

Ferguson said he already had signed a petition to invoke cloture and would join other senators in holding night and day sessions if necessary to force the legislation to a vote.

The delegation also visited the office of Senator Arthur Vandenberg (R., Mich.), now in London as a United Nations organization delegate, to ask him to speak out against the filibuster.

Vandenberg's aides agreed to relay a message saying "we know that the conduct of the poll tax senators is embarrassing to the American delegation at UNO who are trying to give democratic leadership to the people of the world."

Besides Raskin the group included Dr. F. E. Potter of the Michigan Veterans' council.

Local Lutheran Group Elects '46 Officers

Alpha Omicron, the local chapter of Gamma Delta, association of Lutheran college and university students, elected the following officers for 1946 at a meeting Sunday evening.

President will be Henry Schwabe, Lansing freshman; vice-president, Helen Gribler, Detroit junior, re-elected; secretary, Carol Erdmann, Menominee sophomore, and treasurer, Ardath Stiebe, Port Austin sophomore.

Miss Gribler is general chairman of the installation banquet to be held Sunday, Feb. 10 at Christ Lutheran church in Lansing. Prof. Louis A. Wolfanger will act as main speaker at the affair.

U. of D. Queen

PATTIE HOFFMAN, U. of D. sophomore from Detroit, will reign as queen of the annual University of Detroit junior prom. The first post-war prom of the Detroit school will be held Friday at the Hotel Statler.

WKAR to Feature Veterans' Views On New Program

"Veteran Anonymous," a half-hour program aired over station WKAR on Saturday afternoon, is sponsored by the college office of adult education.

The program consists of a discussion by veterans and includes news which will be of interest to ex-servicemen, their families and community leaders. This information is supplied by the state Office of Veteran Affairs and county counselors of veterans.

Participants in the discussions are selected by the Red Cedar post of the American Legion. A committee of veterans arrange the programs. Names of those on the program are withheld to insure frank opinions.

Future broadcasts will center on topics of veterans' privileges under the GI bill, employment for returned servicemen and topics that are requested by the listening audience.

AFFAIRS

(Continued from Page 1)

Completing the roster of SAE actives are Bill Springer, Lansing sophomore; Bob Shipper, Martinsburg, W. Va., sophomore; Larry O'Connor, Flint sophomore; Gus Lanier, Hammond, Ind., sophomore, and Chet Lulek, Detroit freshman.

And speaking of pledges, the SAEs have one more on their list. In this category is Norm McCormick, Detroit junior.

From the Chi Omega house we hear of another pinning. Alice Domke, Highland Park sophomore, has an AGR pin from Bob Turner, Lapel, Ind., sophomore. Francis Katlan, Detroit sophomore, turned over his Ellsworth pin this week to Barb Tinney, Pontiac sophomore.

Also on the marriage list are Dorothy Anderson and Art Wiley. They have the date in mind and everything, so things are really all set. March 17 is to be the big day for the happy twosome. They are both freshmen and Dorothy is from Holly, while Art is a Lansing man.

The fraternities have been doing a little work on their own of late. The Theta Chis have added a new pledge to their list. He is Bill Susdorf, East Lansing sophomore.

Senator Tydings Asks for World Disarmament

WASHINGTON, Jan. 28 (AP) — Senator Tydings (D-Mr) called on President Truman today to issue an immediate call for a world disarmament conference.

"In this state of a world armed to the teeth," he told the Senate "we cannot further reply on the United Nations organization for our own protection."

"It is as plain as the nose on one's face," Tydings said, "that the great armed forces of our own country are being maintained principally for possible use against Russia, Britain, France or China, since Germany and Japan are to be kept disarmed."

"Is it not plain, too, that Russia is maintaining her armed forces for possible use against Britain or the United States or France or China?"

Tydings said the UNO's treatment of the atomic bomb situation is feeble, fumbling and ineffectual. He added that it helped convince him that the world organization is not "equipped to initiate successfully" a task of the magnitude of disarmament.

McKay Trial Goes On

JACKSON, Jan. 28 (AP) — A parade of five minor witnesses passed through the witness stand today in the liquor conspiracy trial of Frank D. McKay, Grand Rapids politician, and four associates.

Two liquor sales representatives, whom Special Prosecutor Kim Sigler said were the last "background witnesses" he expected to call, testified that William H. McKeighan, one of the defendants, received approximately \$26,000 in 1935 in commissions on sales of liquor to the state liquor monopoly.

Vets Receive Four Awards

Four awards to students in the school of veterinary science were presented last week at the annual 23rd Post Graduate conference for veterinarians by Victor LaBranche, Haverhill, Mass., senior and president of the Junior AVMA.

Veterinary faculty awards of \$25 each were made for the highest scholastic records in the first year veterinary class of 1944-45, and in the present senior class.

Nancy Kadlec, Chicago sophomore, received the freshman award. This is the first time that a woman has won this prize.

The senior award went to Gordon Stocking, Cadillac senior. Stocking was also presented with the Borden Milk fellowship of \$300. The latter award is given to the student with the highest scholastic record in his junior year.

Harry Blair, Dansville, Ind., senior, received the Rommy Steensma award based on scholarship, personality and service. Classmates of Steensma set up this award in his memory as the first State casualty in World War II.

Coeds to Appear On Reading Hour

Marjorie Atkinson, East Lansing junior, and Marion Cannon, Toledo, O., sophomore, will appear on the college "reading hour" at 4 this afternoon in the Workshop theater of College auditorium.

The program, according to Mrs. Moiree Comper who is in charge of the group, is the first of a series of three.

Miss Atkinson will read Donn Byrne's "Messr. Marco Polo," a story of the explorer's love for the daughter of Kubla Khan. Dana Burnett's "The Pool" will be read by Miss Cannon.

This program, which is sponsored by the speech department, is open to college and townspeople.

— THE — WOMEN'S WORLD

AWS

Regular meeting of all members of AWS will be held in room 115 of the Union annex this evening at 7, according to Sue Acenill, Birmingham senior.

WOMEN SWIMMERS

All women who have placed first, second or third in any swimming meet are asked to attend a meeting at 5 p.m. today in Women's gym, according to Lou Newman, physical education instructor.

A meeting of women physical education majors will be held in the lounge of the Women's gym at 5 p.m. tomorrow, according to Markene Traynor, Swartz class senior, president. PEM will be the major topic of conversation. Any woman who is interested and cannot attend the meeting should hand her name to Miss Thelma Bishop at the gym.

ASTR Men Leave Vets Take Over

The last remnant of the young men that trained at MSC during the last three years under the Army Specialized Training Reserve program have left the campus. At the peak of the program 3,500 men were enrolled.

Their withdrawal has vacated room for 200 in Wells hall which are being returned to the college for the use of veterans now living in Jenison dorms.

Jenison fieldhouse will cease being a men's dormitory however, as 200 new men are expected to enroll under winter term, will be housed there.

Atrocities Revealed

NUERNBERG, Germany, Jan. 28 (AP) — A blonde French widow who spent days and nights of terror at the Oswiecim extermination camp today told the International Military tribunal that children were tossed alive into cremation furnaces because the Nazis "ran out of gas" for the camp's execution chambers.
