Senior Ball Tickets To Go On Sale

First Day Ticket Sales Will Be Restricted To Senior Students

Tickets for the annual semi-formal senior ball, featuring Clyde McCoy's orchestra, will go on sale Monday at the Union desk, ticket chairman Howard Grasher, Battle Creek senior, announced.

The dance will be held Friday in College auditorium from 9 p.m. to 1 a.m. Coeds have been granted 1:30 a.m. permission by an AWS decree.

Tickets For Seniors

Seniors only will be eligible to buy tickets the first day. Tuesday sales will be open to all students.

The checkoff system, which was used for selling J-Hop tickets will again limit tickets to one per person. One thousand tickets will be sold for the dance.

McCoy Begins Early

McCoy began playing trumpet in grade school and by the time he was 12 years old he was playing in the high school band. While in his teens he organized a three-piece unit, later increasing it to a seven-piece dance band. After high school graduation he enlarged his band again to a full sized orchestra.

The "Sugar Blues" king was in the party for three years, and now is back to entertain the public with his muted trumpet style. Billie Jane Bennett is the featured vocalist with the organization.

TODAY'S CAMPUS

... Broadened Outlook

A freshman, in the finer sense of the term, in answering a questionnaire in regards to what she had gained in her first 11 weeks at MSC answered: "five pounds."

... The Green Ears

A friend in need is a friend indeed. So proved the two strange gentlemen who inquired the way to Peoples church of Jeanne Profit, Cass City freshman, and Rose Mary Phillips, Bad Axe freshman. The "strangers" turned out to be Pee Wee and Corn Red, two of radio's "Corn-cobblers." They invited Jeanne and Rose Mary to their program at the church, personally found them exclusive seats, and took them backstage and introduced them to all of the band and to Max Wells, radio commentator.

U. S. Protests Soviet Action In Manchuria

WASHINGTON, March 1 (AP) — In a speedy development of Secretary Byrnes' new policy of plain speaking, the state department declared today that Russia had no right under any allied agreement to remove industrial equipment from former Japanese-held Manchuria.

The action appeared tantamount to a rebuke to Russia. A Soviet commander had announced at Mukden earlier this week that machinery had been removed in accordance with what he called a Big Three agreement, though he said he could not remember when or where it was made.

After Byrnes' Speech

The department's statement came close on the heels of Byrnes' speech in New York last night in which he declared that "no power had a right to help itself to such property prior to a reparations pact among the interested allied nations."

The development came in the midst of increasing uncertainties in Anglo-American relations brought about by two new disclosures concerning Soviet activities in Iran and China. Officials considered it probable that

Red Cross Drive To Open At MSC

The Red Cross drive has been postponed and will now run from March 27 to 30, according to Marion Chenery, Ann Arbor junior, chairman of the drive.

The goal set for the college is 100 per cent contribution. This would call for cooperation from the entire student body. The goal attained last year was not a perfect 100 per cent, but added to \$1,486.92.

A drive contest will be conducted between men's and women's residences and a special surprise honor will be conferred on the women's and men's dorm leading in contributions. Recording of the contributions will be on the basis of the amount contributed and the number contributing.

Game Marks 12th MSC Win; Matmen Tie Iowa State

Konrad, Mikles Win Over Panthers

A fighting Spartan wrestling team came close to upsetting the powerful Panthers of Iowa State Teachers college last night, holding the Iowans to a 12-12 tie.

Cliff Fletcher lost a hard fought battle in the 121-pound class, being decisively by Cecil Mott, 8-2. Bill Covey of State was decisively by the same score by Russ Bush. Iggy Konrad brought the Spartans their first win of the evening, stopping Johnson in the 136-pound division by a 9-7 count.

Bill Koll of Iowa Teachers easily defeated Gordy Cole of State, 8-0, in the 145-pound class. Gale Mikles returned to his old form again, beating John Ball 10-0, to add to the Spartan score. Leon Martin, last year's AAU runner-up, showed his prowess by defeating State's Jerry Brentnar in the 175-pound tilt. Then Maldegen came to the MSC squad's rescue with a 7-2 decision over Laverne Camarata.

This meet completed the Spartan dual meet competition with

Barbara Gregory Receives Award

Barbara Ann Gregory, Tucson, Ariz., junior, has been awarded the S. O. L. C. Plant scholarship award for this year, according to Dr. J. Sutherland Frame, head of the mathematics department.

Second prizes were given to Rosalie Ann Manz, Lansing junior, and Carolyn Jane Trimm, also a Lansing junior.

These awards were made possible when Prof. L. C. Plant, head of the mathematics department from 1913 to 1943, made a sum of money available to deserving mathematics majors.

Students eligible for the award are judged on scholarship, interest in their major field, and helpfulness to the department of mathematics.

Auditions are held in room 246 of College auditorium every Monday at 4 p.m.

Locals Outclass Madison Quintet For Most of Tilt

By TOM RIORDAN
Dropping in baskets from all angles, the Michigan State Spartans closed their basketball season for 1946 with a 56-52 win over a badly outplayed University of Wisconsin quintet on Jenison fieldhouse hardwood last night with 6,200 fans in attendance.

This 12th Spartan win in 21 starts marked the end of one of the toughest schedules ever attempted by a State team and showed five victories out of seven starts against Big Ten competition. Wisconsin was also beaten last week, 59-46, in Madison.

It marked the closing of collegiate cage careers for Sam Fortino, record-breaking forward; Shorty Krall, giant pivot man, and Ollie White, dead-eyed guard. All three of these hoopsters turned in grand performances in their final Green and White appearances.

Fortino Gets 11

Fortino already holds the individual scoring record for one season and added 11 points to it by virtue of his five field goals and single charity toss. The record now stands at 241 tallies, and was formerly 239 as set by Joey Gerard in 1941.

State never had any trouble with the Badgers as the Spartans pulled away in the opening minutes of play and not once relinquished their lead. White and Don Waldron pushed in one-handers to open the scoring and the Vanmen were off.

They were ahead 13-7 with 10 minutes left to go in the first half and then kept punching through the buckets until at intermission were out in front, 33-24.

Not Up To Spartan Par

Although, far from State's level of ball-handling and shooting, the Badgers kept plugging away, until they had climbed to within three points of the Spartans with one minute of action left in the contest.

However, this was the best they could do and State took control of the ball in the final 60 seconds, and managed to stall un-

King Sets September For Possible Opening Of Apartment House

Construction of the apartment building on Shaw lane for married veterans should be completed by September, Tom King, veterans' counselor, announced. King said that if apartments are not ready by then they will be finished at least by the following January.

"About 300 applications have been received," King said. Since 106 units will be available, selection of occupants will be on the basis of "first come, first served."

In regard to the quonset hut settlement on Harrison road, King announced that a dozen huts have been completely erected. Plumbing and other work is yet to be finished, however, and single veterans may be able to move in by April 1.

Higher Scholastic Rating For MSC

New buildings, increased enrollment, additional faculty—all are indices that Michigan State college is growing. Our athletic prowess brings us recognition from many quarters. Ours is a college to be noted.

In a rating of colleges according to plant, enrollment and athletics, doubtlessly, MSC would place high on the list. But how would we fare if the rating criterion were scholastic standards?

There are numerous reasons why a student might come to school here. State is almost unequaled for its beautiful campus. Tuition is low, compared to many other schools. We have some excellent departments in certain fields of study. Our social life is attractive. We pride ourselves in our traditional spirit of friendliness.

But how many come to State because of our liberal entrance requirements, because State is an "easy" school to go to, where taking a degree requires only a minimum of effort?

This notion of our scholastic standards vexes many staunch Spartan supporters. We want to pride ourselves in our Alma Mater in every way possible. Why not in scholastics, too?

At this time when enrollment figures flow over the brim, we have an opportunity to be selective in admitting new students. Why not make entrance to school here conditional to demonstrated ability in examination, rather than sex or high school averages?

A problem like class attendance would have little significance for a caliber of student, able and intent on learning. When passing a course demands attention to material presented in class, and the acquisition of knowledge becomes a challenge, then will we have quality in our scholastics.

An improved quality of student at State would inevitably lead to increased prestige of MSC as an educational institution.

TO the Editor:
 In approaching the problem of cutting regulations in our fair college, we mustn't lose sight of the fact that every student on this campus has a responsibility not only to his own pocketbook, but to the pocketbook of every tax payer in Michigan.

When the state legislature appropriates funds for our tuition and for the salaries of our professors, they aren't dishing out the citizens' money for those who like their classes in the grill or for the professors to wax eloquent before a room of empty seats.

Actually it isn't a matter of ignoring the few "brains" who could get A's without exerting the effort of attending classes. It is more a matter of considering the dozens who could easily get through on C's in the same manner. Everyone realizes there are too many uneducated college graduates floating around the country now, without encouraging the same from our own Alma Mater.

In comparing our system with other schools, on a wild guess I would venture there are as many that allow no cuts as all as there are on an unlimited cut system. In most cases the latter type are not state supported schools, but

schools where each student pays from \$600 to \$1,000 per term for their right to attend classes. In classes such as theirs, people just don't cut.

If MSC were unreasonable in its allowance of cuts, we might have a gripe, but aren't three cuts in a three credit course enough?
 Bobbie Dickie

TO the Editor:
 Many of us have been disturbed by complaints from students that they were unable to obtain seats for the lecture-concert series. Since very few students attend the lectures one could assume that exclusion from the musical entertainments was the cause of the gripe. Will this stand analysis?

The concert given by our college orchestra in the fall term was heard by a disgracefully small group. The seats were free and there were plenty of them. The musicians work long and hard for such performances. They played a fine program. The director, Prof. Schuster, is probably the best conductor of an amateur orchestra in this country.

If our students are interested in hearing high-class music, well presented, why should'nt the auditorium be filled to capacity to enjoy their own orchestra?

Maybe all seats will be occupied Tuesday evening when the orchestra presents its winter concert. I wonder.

Poolmen Meet Great Lakes Tank Squad

World's Record May Be Broken In State Pool

By BILL SONNEBORN
Michigan State's poolmen will be pushing their opponents all the way, when they meet the Great Lakes nats this afternoon at 2 in Jenison fieldhouse pool.

Although the Spartans will enter the pool as underdogs, the races will all probably be very close.

Highlight of the match will be the attempt by Wally Ris, Great Lakes top freestyler, to set a new world's record in the 220-yard freestyle assignment.

Special officials and timers will be on hand to officiate at the 220-yard event, according to association regulations, so that a possible setting of a new world's record will be judged legal.

Beat Ford of Yale

Ris, who won the national AAU 100-yard freestyle sprint from Yale's Alan Ford, to set a new record, will be timed against the 220-yard record set ten years ago by Jack Medica of the University of Washington.

Competing against Ris will be the sprinter Thomas Gastineau, and Spartan speedster Abel Gilbert, but neither are conceded much chance.

National Champ

Salter Jack Weeden, who was the national AAU 100-meter backstroke champion of 1944, has been confined to sick bay and will not be able to swim for the service team. Weeden was to be matched against Spartan backstroke Howard Patterson, who was timed at 1:38.4 seconds in the 100-yard contest at Ohio State, the second best time in the United States.

Cooley Back in Shape

Patterson's rump mate, Will Cooley, has been sick but is reported to be in good shape for today's classic. Cooley has been swimming close behind Patterson all season and should be pushing him all the way.

In the diving matches, Great Lakes Carl Quantance, an AAP champion, will highlight his assignment, backed up by his team mate, Roy Hoch.

Coach Charles McCaffree has announced that only students will be permitted to the affair and that there will be room for at least 500 spectators.

Army, NYU Lead Field As ICA Trackmen Prepare For Meet

NEW YORK, March 1 (P) — A hard two-way battle between Army's defending champions and a high-seeded squad from New York university is expected to decide for the team title in the 22nd annual ICA indoor track and field championships at Madison Square Garden tomorrow night.

Navy, ICA outdoor champion in 1944 and 1945 and runner-up to Army in the indoor meets of the past two years, was a third favorite earlier in the season, but the Midshipmen slumped last season when they scored only three points in the national AAU carnival.

NYU finished second in the AAU team scoring with 26 points, less than the repeating champions of the New York Athletic club while Army tallied 20 points, good for a third-place tie. Manhattan college, back in ICA competition after a lapse of three years, seems as a possible dark horse. The Jaspers, who scored 14 points for fifth place at the national AAU meet, have the talent to take four individual titles, barring upsets.

The first atom was split by man in 1919 when Rutherford changed a small amount of nitrogen in nitrogen.

TODAY'S THE BIG DAY

100 To Compete In Bowling Tournament

Nineteen cash prizes ranging from \$25 down, will go on the block today when bowlers pitch at the maples on the Spartan alleys in the first State News all-college pin classic starting at 12:15.

Exactly 100 Spartan students signed up for the tournament, believed to be the first of its kind in collegiate sports history.

First prize of \$25 will go to the man turning in the best three-game series total with the next in

line getting \$15, third and fourth places \$10, fifth, sixth, and seventh \$5, three dollars to the following five winners, and the same number of two dollar awards.

Five dollars will be taken by high game, and low series will grab a booby award of \$2. This totals \$107 in winnings. Ninety dollars of the entrance fee money will go for the 300 lines of bowling and \$3 was used to secure posters and official

scoring pads.

Scorers will be provided each two alleys and also a foul judge will be employed. Regular league pins are going to be used. Bowlers are urged to arrive 15 minutes before their scheduled time of competition to obtain shoes if they don't already have some.

One change in yesterday's roster for times to bowl is the moving up to the 12:15 round of Nick Gregory in place of Robert Smart, who will take to the lanes at 2:30.

Zarza Confident Of Victory In Tonight's Boxing Meet

In a return match with Iowa Pre-flight's Seahawks, Coach Lou Zarza is looking forward to his first victory of the season. The teams meet in Jenison fieldhouse this evening at 8.

"If John Tierney is in shape to fight, we'll definitely have the upper hand; if he isn't, it will be anybody's meet." Tierney, 135-pound scrapper, is troubled with a stomach ailment and it will not be known until this afternoon, when the teams weigh in, whether he will fight or not.

Other Spartan starters will be Len Pickering, 120 pounds; Doug Houth, 127 pounds; Jack Tierney, 135 pounds; Jack Champton, 145 pounds; Barney Glowicki, 155 pounds; John Buda, 165 pounds; Jerry Brenta, 175 pounds, and heavyweight Lloyd Coon.

Aside from the regulation matches, during the evening Coach Zarza will present two preliminary fights. Nick Kritalis will box at 155 pounds, and Dave Lumsden, 235-pound heavyweight, will be in the other bout. Lumsden is a protege of the coach, being discovered in one of the boxing classes.

This is the season's finale, and although the season hasn't been too successful, Zarza is well pleased with the enthusiasm shown by the boys and is grateful for the big turnout he received in his first year as boxing coach.

Rudy York Reports To Red Sox Camp

SARASOTA, March 1 (P) — Rudy York, the last of the Red Sox' holdouts, checked into camp today and reported to Manager Joe Cronin that he was "virtually signed." York indicated that his salary differences were so slight that he did not expect any difficulties coming to an agreement with general manager Eddie Collins.

York, however, was not permitted to participate in the Soxers' three-hour drill, which stressed hitting.

Tiger Infield Drills Without Ed Lake; McCosky Rests Injury

LAKELAND, Fla., March 1 (P) —With no word as to when to expect holdout infielder Ed Lake, the Detroit Tigers held a short fielding workout this afternoon with Skeeter Webb drilling at shortstop. Bill Hitchcock was at third, Eddie Mayo at second, and Hank Greenberg at first.

Center fielder Barney McCosky took it easy to rest a pulled muscle in his hip.

Warm sunshine following two days of rain enabled manager Steve O'Neill to split the squad of 56 players into two groups, one working in the morning and the other afternoon.

U. S. PROTESTS

(Continued from Page 1) the United States would send a protest to Moscow over the Iranian situation.

Soviet Activities

These were the developments concerned:

1. Russian troops began a partial withdrawal from Iran to meet tomorrow's deadline, but Moscow announced that Red army forces will remain in the northwestern area of the country which has been torn by civil strife. The United States position has been that all Russian troops should be withdrawn at once. Diplomatic authorities said it was reasonable to expect blunt American objection to the Soviet policy.

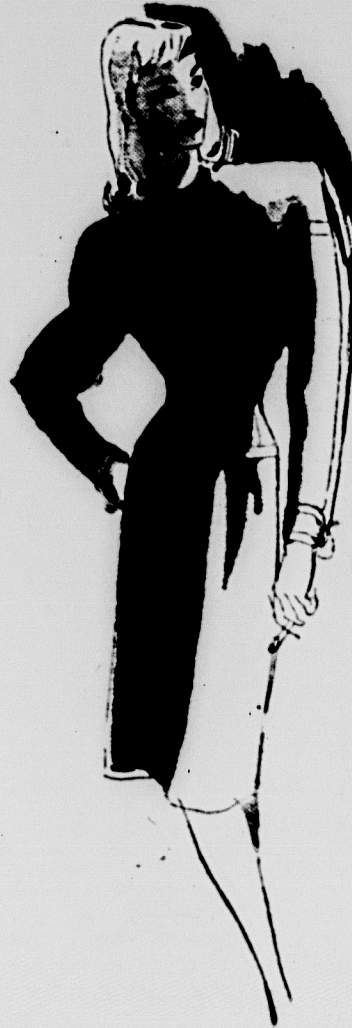

2. It was learned here from official sources that two Russian fighter planes fired upon a United States navy patrol plane off the China coast about Feb. 20 after the craft flew low over an airbase in the Soviet fortified zone at Port Arthur. None of the eight crew members was injured, though the plane was reported damaged.
