

Two AWS Board Heads Will Be Chosen Today

Judicial-Legislative, Activities Presidents To Come From Slate of Six Candidates

Voting for new presidents of the Judicial-Legislative board and Activities board of the Associated Women students will take place today in the lower deck of the Union from 8 a. m. to 5 p. m.

Ruth Meinke, Detroit sophomore, chairman of AWS elections, announced that candidates for president of Judicial-Legislative board are Gloria Capuano, Detroit senior, and Margaret English, Harborborn junior.

Activities Board

Running for president of Activities board of AWS are Betty Middleton, Birmingham junior; Gayle Oviatt, Washington, D. C., junior, and Jean Proctor, Detroit junior. Peg Framodig, East Lansing junior, has withdrawn from the candidacy for Judicial-Legislative head because of point limitations.

Only presidents of each board will be elected today. Other officers will be elected by new AWS members to each group.

Noted To Ballot

All women students, with the exception of first term freshmen, are requested to vote and may do so on presentation of student identification cards. Sophomore members of AWS council are in charge of AWS elections.

Remaining president of AWS is Kay Averill, Birmingham senior. Nancy Hamelink, Lansing senior, is headed Activities board for the year.

Union Honors Senior Grads

A banquet honoring seniors during this term and sponsored by Union board will be held in Union ballroom at 6:15 this evening. Chairman Shirley Frank, Franklin Village junior, is announced.

Guests who will attend are Mrs. John A. Hannah, Mrs. Justice Gannon, counselor for women, and Glen O. Stewart, director of alumni relations. Stanley Crowe, dean of students; Tom King, counselor for men and director of placement service, and H. M. Donel, secretary of the department of agriculture will also be present.

Jack Breslin, Battle Creek senior and president of Union board, will be master of ceremonies. A program of entertainment has been planned.

Theresa Gataleto will sing, accompanied by Yvonne Behler, and Rapids senior. Mary Taylor, Huron, O., sophomore, will give a reading, and Prof. Carl S. Mack will present a magician's trick.

Proposals Favored

DETROIT, March 4 (AP) — The 104-day strike of the United Auto Workers today qualified for a secret ballot on the proposal of ending the 104-day strike.

UAW Group Hears Proposals

Alfred Frederico (gesturing) of Flint, Mich., calls meeting of United Auto Workers (CIO) National General Motors council to order at Detroit, Mich. Members heard proposals extended by General Motors to end long nationwide strike and discussed them. From the left are Charles Beckman of Cleveland, O.; Frederico; Walter P. Reuther, PAW-CIO vice-president; Pres. R. J. Thomas, UAW-CIO, and two others unidentified.

Russian Embassy Found In Charge Of Spy Activities

OTTAWA, March 4 (AP) — Prime Minister W. L. Mackenzie King announced today that Canada's espionage inquiry had produced evidence that Soviet and Canadian agents, operating under "direct instructions from Moscow," had formed a "network" to obtain information on American troop movements, and highly confidential wartime scientific data on the atomic bomb and radar.

Col. Nicolai Zabotin, military attache of the Soviet embassy in Ottawa, was declared to have been in charge of the operations in Canada, working with other members of the embassy staff and with employes of the Canadian government and a woman in the office of the United Kingdom High Commissioners office, which is Britain's counterpart of an embassy here.

Commission Conducts Inquiry

The prime minister made public an interim report of the two-man royal commission conducting the espionage inquiry. It was the first detailed announcement of the nature of the espionage activity, disclosure of which on Feb. 15 resulted in Moscow's charging the Canadian government with conducting an "unbridled anti-Soviet campaign."

The royal commission's report made these main points:

"The evidence establishes that a network of under-cover agents has been organized and developed for the purpose of obtaining secret and confidential information."

Moscow Instructs

"These operations were carried on by certain members of the staff of the Soviet embassy at Ottawa under direct instructions from Moscow."

These agents and others were instructed by someone in Moscow known as "the director" to obtain the following data:

Particulars "as to the materials of which the atomic bomb is composed, its technological process and drawings"

Romberg's Operetta To Play Anniversary Engagement Tonight

Alexander Gray, baritone of stage and radio, will portray the role of "Dr. Engel" in Sigmund Romberg's most famous operetta, "The Student Prince," which will be performed at the Michigan theater, Lansing, tonight.

The musical, which will play its twentieth anniversary engagement, will be at 8:15.

The popular show was written by Dorothy Donnelly from a famous old stage success with Sigmund Romberg's melodious score.

In addition to Gray, the cast includes Laurell Hurley, Detmar-Poppen, Toby Durst and Nina Varela. A famous chorus of male voices is another feature in tonight's production.

TODAY'S CAMPUS

... Shortage?

Folks are getting used to doubling up in dorms and cars, but when it comes to clothing—! A couple pacing up and down a bus stop on Grand River last night proved that a roomy raincoat can keep two as dry as one, providing they take their steps at the same time.

... Beautiful Women

Any MSC coed would have beamed like a headlight if she had heard a visiting U. of M. student's addition to a famous quotation: "Four out of five women in the world are beautiful, and the fifth one goes to Michigan."

"I've decided what happens to the other four," he said, "two go to Michigan State, one gets married, and one gets a job."

... The Rains Came

At 2 p. m. yesterday the weather bureau on campus was asked how the forecast would affect the flooding Red Cedar. They said that temperatures would drop and there was a possibility of snow this afternoon, but no rain. For those who were asleep yesterday at that time, the rains came at 2:02 p. m.

State Vet Agent To Visit Campus

The State Veterans' administration will have a representative, John Hicks, on campus tomorrow. Tom King has announced.

Hicks will interview those veterans who failed to receive subsistence allowances and are entitled to them. The state administration has found that incorrect filing or loss of papers has resulted in discrepancy in a number of cases.

It is of the utmost importance that such faults be rectified by Hicks tomorrow, King said. He will be located in the veteran corner of Demonstration hall.

Shortage of Living Quarters

Faculty To Organize Housing Association

Plans for the organization of a faculty housing association were made last week by 65 faculty members who met to discuss ways of dealing with the present faculty housing shortage.

A survey of those present indicated that 32 find their present homes inadequate, eight are separated from their families, and 11 must find new houses in the near future.

Six Point Plan

Prof. Walter Abell of the art department suggested a six point program for the housing association. These points include (1) determination of the extent and nature of faculty housing needs by a campus survey; (2) group publicity on immediate needs

Science And Arts Leads Enrollment Preference List

Winter term enrollment figures show that science and arts leads the other schools with a total enrollment of 2,245, according to a report of the registrar's office released recently.

Though Basic college enrollment total 4,196, only 229 of this number failed to indicate a preference for some school.

According to enrollment and preference indicated, business and public service ranks second with 1,446; engineering, third, with 850; followed by 785 in home economics; veterinary science, 492; and agriculture, 474. The school of graduate studies totals 359 students.

In the school of business and public service, 744 are listed as business administration majors, while science and arts has 471 language and literature majors, followed by 431 social science majors.

Red Cross Drive Opens for Staff

Friday marked the opening of the MSC faculty Red Cross drive, according to Dean D. R. Rodney of the school of business and public service.

Rodney stated that staff members and college employees make up a total of almost 1,500 potential members. Each will be contacted by a representative from his department.

Membership cards, pins, and booklets will be given each subscriber. It is asked that donations be more than a dollar each. Starvation in Asia and Europe, plus the need for gifts and help to American servicemen, will require the attainment of goals in all communities, Rodney concluded.

An important meeting of the students who have agreed to visit their home high schools during spring vacation will be held tomorrow at 5 p. m. in the Music auditorium, Karl McDonel, secretary, announced.

This will be a short meeting.

Memberships will be given each subscriber. It is asked that donations be more than a dollar each. Starvation in Asia and Europe, plus the need for gifts and help to American servicemen, will require the attainment of goals in all communities, Rodney concluded.

Cooperative Housing

At this meeting Guard Laging, of the literature and fine arts department, introduced plans for the establishment of cooperative building projects, and reported on similar projects which have been carried out successfully elsewhere.

Plans were also made for a complete faculty survey of housing conditions before the second meeting to be held Thursday at 7:30 p. m. in room 1, Home Ec building. All interested faculty and staff members are invited, stated Professor Abell.

Is The Bookstore Geared To Go?

With spring term scarcely three weeks ahead, the college administration is gearing itself to register a student body that will push enrollment figures to a record peak certain to go over and above the 7,000 of the current term.

Housing will become more critical than ever. Night classes are bound to swell, and staff members of the Union grill predict an unprecedented patronage.

A new term also means new texts for new courses. Veteran students are beginning to wonder whether they will again have difficulty in getting books. "Are we in for more rigmarole, red tape and undue delay?" they ask.

Though certain books will not arrive from the publishers in time, students have every reason to expect that those on hand at the bookstore be given speedy distribution.

The office of veteran affairs has promised: "We feel sure that we will be able to cope with this difficulty (book distribution) from now on."

Do we yet have adequate facilities, will the book store be properly manner, are we set to go, office of veteran affairs?

Affairs of State

By TONI EBNER and SALLY CLARK

WINTER term is drawing to an abrupt close and the thought of next week leaves a bad taste in our mouth. Right now the big problem is how to rustle up a half a dozen term papers in short order and then prepare for the battle with the books.

On the brighter side, the Zeta Tau Alphas took to the high-roads last weekend to see one of their sorority sisters married in Detroit. The bride was Jackie Smith, in the class of '47, and her husband is Ens. Harvey Phillips, former State student before joining the navy.

It seems that spring might be on its way and Cupid is right behind it. Mary Vining, Greenville senior, surprised her sorority sisters when she came back to the Sigma Kappa house with a ring from Bob Powers. Her fiancé is a student at University of Michigan and also from Greenville.

Along that same line of romantic tidings Lee Ross, Grosse Pointe freshman, recently gave Wanda Lee Smith, of Detroit, a diamond. Lee is an ATO pledge and is back at school this term after serving with the navy air corps.

Something new has been added beside Alice Wood's Kappa pin. Alice is a Pontiac junior and returned last weekend from Ann Arbor with a Delta Upsilon pin from Noyce Strait, jr., also from Pontiac.

SAE Larry O'Connor, Flint sophomore, topped of the SAE-Sigma Nu party Saturday night by passing his pin to Mary Jean Vesburgh, Phi Phi senior from Cleveland, O.

In the sorority and fraternity department things are really jumping. The Delta Zetas have a host of new pledges at their house. The women are Irma Dennis, Hammond, Ind., sophomore; Martha Green, Lansing freshman; Colleen Labbe, Lansing freshman; Mary Simpson, Lansing freshman; Pat Slown, Grosse Pointe freshman; and Barbara Whittaker, Detroit freshman.

The AOPs pledged the following women yesterday: Helen Boehler, La Grange, Ill., freshman; Patricia Finnigan, Detroit junior; Gloria Green, Ferndale freshman; Alice Groosbeck, Ypsilanti sophomore; Betty Tait, Grand Rapids freshman; Barbara Thomas, Howell freshman.

They also initiated the following women Sunday: Kathryn Adler, Benton Harbor sophomore; Phyllis Cronin, Fowlerville sophomore; Jean Ingerson, East Lansing. See AFFAIRS, Page 4

"I figure it's a period of adjustment and try to pick up a few little ideas he picked up in the Army."

LETTERS . . . To The Editor

EDITOR'S NOTE — All letters to the editor submitted with the intention of being published, must be signed by the writer. If he does not want his name to appear with the letter, it must be indicated. No letters will be considered for publication unless the writer is known. The opinions expressed are those of the writers and not necessarily those of the editors.

To the Editor:
 As a yearning idealist, I am keenly interested in this year's issue of the To-cut-or-not-to-cut controversy and have been inspired to chip in my bit (gratis) in spite of the old saying "Fools names . . ."

An overwhelming majority of students seem to be in favor of unlimited cuts. Ideally, I am of that majority. Ideally, however, I also believe in anarchy as the perfect form of government, and in both cases I realize that both are impracticable.

Both of these, anarchy and unlimited cuts, must be based on what has ostentatiously been called the essential goodness of man—with oratorical gestures—and I have seen, in political and academic affairs, that this is a dangerous doctrine.

The inspiration for my statement, academically, is the student. As long as students come to school with the idea that "If students pay to go to college, it should be their choice" (the good old American doctrine of "I'm paying for this and you damn well better give me my money's worth"), as long as students write their midterm exams with an open textbook on the floor before them (and it's happened rather recently and regularly, I

assure you); as long as students are incapable of taking academic responsibility, going to class should NOT be their option.
 Richard P. . .

To the Editor:
 Having read the "Mad as Hell" Friday issue, I am most comment on some of the expressed there.

The words which are thorns in the pride of Michigan for four year, "A . . . in at Michigan State . . . which Michigan . . . proud of. No fool . . . as I believe the . . . graduates from MSU . . ."

It is easy to . . .tain high education . . . by accepting as . . . intellectual top . . . high school . . . schools though . . . uational reser . . . the largest gro . . .

State News Pin Classic Won By Don 'Squirt' Allen

By CHARLES GABEL

Don "Squirt" Allen will be the happy owner of 30 of Uncle Sam's best this afternoon, just for appearing in the State News office, and, incidentally, for throwing high series and high game in the News all-college bowling classic held Saturday on the Spartan alleys.

Allen, a Detroit freshman who served as a bombardier with the eighth air force, had an even 600 series including a 248 game, which was also high for the day. Twenty-five dollars goes to Allen for the three-game total and \$5 for high game.

In second place was Dan Kaufeld, who hit the maples for a 599 series and \$15 in runner-up prize money. Harold Wells placed third with 557, copping \$10. Fourth place winner, and receiving a like award, was Richard VanBuren, who had a 555 series and also a 204 game, third best of the afternoon.

Five Dollars To Next Three

Winners of the \$5 awards for fifth, sixth, and seventh places were Bob Chomiere, 549; Art Kulek, 548, and Gil Haley, 544.

The next five places, with accompanying \$3 prizes, were taken by Bob Kushler, 535; Patsie Lipman, 533; Wendell Douglass, 527; H. Hefty, 525, and Jim Chapin, 523. Hefty placed second in high game with a 206.

Those who placed from 13 to 17: George Webb, 518; Howie Wilkinson, 516; Jack Pendergast, 515; Roger Miller, 514, and John

Tiger Star Diz Trout Set To Start Action

LAKELAND, Fla., March 4 (AP) —Paul (Dizzy) Trout, a 20-game winner in the American league for two straight years before a combination of ailments cut him down to 18 wins last season, chiefly from lack of work, believes his lame back won't be bothering him in 1946, but he has more than his share of minor pains and aches in the Detroit Tigers' spring camp.

Because Dizzy, the Hoosier workhorse, is determined to get into shape quickly, he's trainer Jack Homb's No. 1 customer on the rubbing table.

Pitching batting practice almost daily to strengthen his arm; running and running again to build up his legs, Trout has hardly a muscle that isn't stiff and sore.

"My back is stiff, my arm is stiff, my shoulder's sore, my legs are sore—I've even got blisters on my toes," Dizzy groaned at the windup of one of the Tigers' early Lakeland workouts.

McCaughna at 513, each won two dollars.

Low Man Gets Duce

The fame, or notoriety, of low man on the totem pole went to Dick Hollingsworth for his 341. Dick, a Lansing senior, won \$2 booby award.

The hard luck boys who finished out of the money, but in places 18 to 25, were Kurt Gemalski, 560; Skrocki, 504; Ken Schultz, 503; Nick Gregory, 499; Jack Baumeister, 494; George Lawley, 493; Mike Haley, 493, and Zig Koraleski, 492.

All prize winners are reminded to call for their awards this afternoon at the State News office, No. 8 Union annex basement.

U. of M. Cindermen Win Track Meet From MSC, Irish

A well-balanced University of Michigan track team literally romped over the the Spartans and Notre Dame university last Saturday night.

The Wolverines amassed a total of 70 1 3 points while Notre Dame and State brought up the rear with 33 1 6 points and 25 1 6 points and 25 1 2 points, respectively.

Ted Wonch scored the only complete victory for the Spartans by taking a first in the pole vault with the jump of 12 feet 6 inches.

Long, lanky George Osborn tied for top honors in the high jump when he and Bob Harris, former Spartan athlete, went to the height of 6 feet 3 4 inch.

Harold Mayhew was the only Spartan to place in two events. He took a second in the 65-yard high hurdles and placed fourth in the low hurdles.

Jim Fraser was noised out by pre-race favorite Hugh Short, Michigan's speed demon. Short covered the 440-yard distance in 50.8 seconds.

Jim Murphy scored the upset of the evening by putting on a tremendous last lap kick and winning in the two mile run. While Charlie Fonville, brilliant Michigan freshman, proved that he could be counted on for five points with his usual first in the shot put.

Spartan Stars By Storms

WOMEN'S SPORTS

By MARGE McRAY

MICHIGAN State college scored 44 points to win the first annual women's intercollegiate swimming meet held at the Women's City club in Detroit Friday.

Kalamazoo college was second with 28 points, University of Detroit had 10, and Bowling Green 8. Wayne university failed to score a point. The Spartan women took first in four events, second in five and placed in all others.

The U. of D. entries, Jean Kessler, national senior AAU diving champion, took first in the varsity diving with Virginia Fitzgerald, national junior AAU diving winner, taking first in the freshman event.

Spartan Diver Third

Michigan State diver, Ramona Werner, took third in the varsity event, and Jean Bowen captured second in the freshman group, with Barbara Keir coming in fourth.

Virginia Baldwin of Kalamazoo college, Pan-American AAU breaststroker, swam 50 yards in 37.5, eight tenths of a second slower than the national intercollegiate record. Miss Baldwin was followed by Ruth Garret and

Betty Smarik of State, taking second and third, respectively.

Spartan swimmer, Donna Maddock, took an easy first in the 50-yard back crawl.

MSC Swimmers Lose To Great Lakes Marking Close Of Duel Meet Season

Paced by wins by Wally Ris, S. L. C. in the freestyle assignments, the Great Lakes swimming team triumphed over the Spartan natators, 45-39, Saturday afternoon.

Ris, coach of the Bluejacket tankmen, touched in wins in the 50 and 100-yard freestyle events, setting a new MSC pool record of 51.2 seconds in the century race.

State's swimmers took both relay victories but could not pile up enough points to counter the five first place awards taken by

Hermie Says —

By TOM RIORDAN

The first State News all-college bowling classic is now history, but it has left lots of pleasant memories and good fellowship. From all indications and favorable comments we heard at the Spartan alleys the classic will probably become an annual affair.

Without the cooperation and hard work of the sports staff and volunteer workers from among the bowlers while they weren't in action, the tournament wouldn't have been much of a success.

This writer would like to thank the staff for its fine job and also the men who helped out as scorekeepers.

With the building of the Union alleys it looks as though sponsoring a yearly classic with its big prize money will become a regular task of the State News.

White Captain

Guard Ollie White has been elected by his Michigan State college basketball teammates as honorary Spartan vice captain.

White was third in individual scoring among Coach Ben Van Alstyne's squad members and was one of the scrappiest players. He returned to MSC this season after three years in the army air forces.

Last Minute Conclave Called On Phone Strike

Union Leaders Still Say Walkout Scheduled To Come Off Thursday 6 a.m. As Planned

NEW YORK, March 4 (AP) — Another last-minute effort to head off a nationwide telephone tieup was made late today when Edgar L. Warren, director of the U. S. conciliation service, summoned leaders of the Federation of Long Lines Telephone Workers, and the American Telephone and Telegraph company to a conference in Washington at 10 a.m. tomorrow.

The summons followed by a few hours assertions by union leaders that the walkout, set for 6 a.m. Thursday, would begin as scheduled, after another meeting over wages ended early today without agreement.

Union Is Key Group

The Federation of Long Lines Telephone Workers is the key group in the National Federation of Telephone Workers, (Ind).

When today's meeting ended, John J. Moran, president of Long Lines Federation, said:

"The union's demands of 18½ cents per hour, which have not been met up until now, and the company's offer of approximately 15 cents, leave us with but one alternative and that is to complete our arrangements for a strike."

In Washington, Edgar L. Warren, U. S. conciliation director, said he hoped to avert a shut-down of long distance and local operator service either by settlement before Thursday or through

adoption of other procedure.

To Halt Services

A work stoppage by the Long Lines employees would halt transoceanic service, long distance calls and possibly would affect teletype and telegraph circuits. However, A. T. & T. has said it hoped to maintain some services, such as to radio stations, press associations and newspapers.

A spokesman for the company said 65 per cent of the nation's telephones were on a dial system. These would not be affected by the walkout, but should mechanical troubles develop no maintenance men would be available for repairs.

Students Injured In Auto Accident

Three coeds were injured last Friday night when the car they were riding in was struck by another auto which ran through a stop street. The accident occurred on Marshall street a few blocks from the armory in Lansing.

Six were riding in the car, and they were all given first aid at the Sparrow hospital in Lansing before they were brought to the Olin Memorial hospital on campus.

The coeds were Vera Souci, Oscoda freshman; Barbara Rogers, Big Rapids freshman, and Rosetta Adams, Oscoda freshman.

The only person seriously hurt was Miss Adams, who suffered a fractured pelvis.

AFFAIRS

(Continued from Page 2) sing sophomore; Alice Lodensen, Royal Oak junior, and Phyllis Webster, Detroit freshman.

The Alpha Xi Deltas initiated four women on Saturday. They are Maxine Richards, Dearborn sophomore; Lois Soderquist, Dearborn sophomore; Marsha Scott, Lansing sophomore, and Mary Reed, Ishpeming junior.

They also have a group of new officers at the house. Holding the gavel will be Jane Ott, Grosse Pointe junior; vice-president, Gloria Aster, Highland Park junior; recording secretary, Lois Taylor, Detroit junior; corresponding secretary, Zoe Woods, Brown City junior, and treasurer, Carolyn Duncan, Port Huron sophomore.

The Gamma Phis elected new officers at their last meeting. The women installed yesterday are president, Mary Flucke, Detroit junior; vice-president, Irene Moody, Detroit junior; recording secretary, Jean Welch, East Lansing sophomore; corresponding secretary, Randy TePoorten, Pontiac junior, and treasurer, Nina Burkes, Detroit junior.

The Pi Kappa Phis have two new members in their fraternity. They are Robert A. Buys, Mt. Morris freshman, and Robert W. Morse, Detroit senior.

What we call "progress" is the exchange of one nuisance for another nuisance. —Havelock Ellis.

LETTERS to the EDITOR

(Continued from Page 2)

students, the average. Michigan State, meeting that responsibility, is paying particular attention to the education of this large group, and I for one, am appreciative of a college where a fool has a chance.

"Neither am I convinced that the men, women, veterans and non-veterans on campus now are all college material." What is this division which separates "college material" from non-college material? Whatever it is, Miss Hopps infers that we have dropped below it to accept the students who have swelled enrollment in the past year.

Requirements for admission are not designed primarily to limit enrollment; they are based on the requirements for graduation. If by lowering admission requirements we can educate more men and women, it is right to do this. Let us teach all those who can benefit by the teaching and forget "the prestige of MSC as an educational institution." Recognition will follow.

Requests for admission have become greater than Michigan State can accommodate, and the college has decided to limit feminine enrollment. Miss Hopps suggests that enrollment be limited by raising admission requirements rather than by man-over-woman preference.

In spite of the natural truth about the equality of women, in spite of equal suffrage and co-education, this remains a man's world. The greater responsibility for its preservation, in the home and around the conference table, still falls on him.

Now that enrollment must be limited temporarily, the college has chosen wisely in giving the man the greater opportunity. Whether he is "college material" or not, he needs the education most. And the world needs most that he have it.

Reading Contest To Begin Today

Preliminaries for the annual state prose and poetry reading contest will be held today and Thursday from 4 to 5:30 p.m. in room 49 of College auditorium.

The competition in prose reading to be held today will be divided into a men's and women's division. The same system will be used Thursday with the poetry reading.

First prize will be presented in each division, and a second prize in all that have five or more contestants.

Each contestant in prose reading will be given "spot" material and 20 minutes to study it before presentation. The poetry to be read should not exceed four minutes and may be prepared in advance.

First prize winners will represent Michigan State in the finals to be held at Calvin college in Grand Rapids on May 3. Preliminary prizes will not be presented until after the winners have participated in the finals.
