TODAY'S CAMPUS

Birth of a Nation

Expert snailologist wanted to solve the problem of Jane Johnson, Cadillac freshman, and Marion Duncan, Grosse Pointe junior. Last Sunday they took pity on a lonely Red Cedar snail and gave it a home in their West Mayo room. Within a few hours their "pet" was the proud mother of twins. Since then the family has increased to eight. The coeds would like to know how long this is going to keep up, and in the meantime . . . anybody like to buy a snail?

Ap't Question

Marriage lecturer, Dr. Robert Foster, was stumped by the first audience query following his talk on "Adjustment After Marriage." The question . . . "Where can we find an apartment?"

Students Enter Band Festival

One hundred and thirty four high school band members, who will take part in the Michigan state band festival at MSC Friday and Saturday, will be housed in private homes in East Lansing Friday night.

Only students who are from schools outside a 160 mile radius of East Lansing and who will take part in both the solo and ensemble activities on Friday and the orchestra events on Saturday are to remain over night, stated Forrest Rinehart, music director of East Lansing schools and chairman of housing for the festival.

The group, which includes only students from the lower peninsula, is made up of students from high schools in Petoskey, Traverse City, Holland, Cass City, and Reading.

Les Brown's Band to Appear At Annual MSC Mardi Gras

King, Queen Will be Chosen by Student Vote

Les Brown and his "Band of Reknown" will play for the annual semi-formal Mardi Gras dance scheduled for Saturday, May 18, in College auditorium, Bud Cline, Owosso sophomore, and Anne Cowen, Detroit senior, have revealed.

This year both king and queen will be elected by the students from candidates submitted by dorms, sororities, fraternities, co-ops, and off-campus houses. Preliminary and final voting will be held on two consecutive days to insure a fairer voting. Coronation will take place during intermission at the dance.

Twelve hundred tickets will be available for the dance, ticket chairman, Merrill Walker, Niles junior, stated.

May Start Early

Because Saturday night dances can not last after 12 midnight, Cline said he hoped arrangements could be made to have the dance start at 8 p. m. Entertainment will also be kept at a minimum to give couples more dancing time.

Coeds attending the dance will be granted 1 a. m. permission, AWS has announced.

Appear at Record Shop

Doris Day, blond vocalist, Butch Stone, novelty singer, and Jimmy Zito and Dick Shanahan, instrumental stars will be featured with the orchestra.

Saturday afternoon of the

dance, Les Brown will make a personal appearance at the Campus Music shop, autographing records and giving out pictures.

Brown has risen rapidly in the music circles with the assistance of his hit records, theme songs, "Leapfrog," and "Sentimental Journey," (which he wrote). Other best sellers include, "In a Moon Mist," "We'll Be Together Again," and "A Good Man is Hard To Find."

Frosh Debaters Will Participate In State Contest

Members of the freshman debate team will participate Friday in the State tournament for inexperienced debaters at Ypsilanti, Coach Gordon Thomas stated.

All state colleges will be represented at Michigan State Normal college by debaters who have not participated in a league debate.

Three rounds of debate are set for the afternoon and will deal with "Resolved: Policy of the United States should be directed toward the establishment of free trade among nations of the world."

Affirmative will be taken by Mary Moran, Battle Creek, and Phyllis Davis, Lansing.

The negative David Moss, East Lansing, Charles Proctor, Wayne, and Charles Demarest.

The group will be accompanied by Thomas and Prof. J. D. Menchhofer, director of radio discussion.

News in Brief

WASHINGTON, April 10 (AP)—The government intervened in an attempt to revive collapsed coal strike negotiations tonight after John L. Lewis had jammed his hat on his head and walked out of the parley with a blast at the mine owners.

Secretary of Labor Schwelmbach announced that he had arranged to meet with Lewis and the operators tomorrow and try to get the negotiations resumed.

WASHINGTON, April 10 (AP)—A House military subcommittee approved a flat \$400 a year pay increase for all servicemen today and Representative Harness (R., Ind.) announced that he would move to make it a basis for halting draft inductions.

WASHINGTON, April 10 (AP)—The Senate banking committee gave the proposed British loan a 14 to 5 blessing today and Senator Barkley (D., Ky.) predicted "a substantial majority" of the Senate would approve it.

State News to Sponsor Meeting on Publicity

In order to promote better understanding of available publicity for college organizations, the Michigan State News will have a second meeting tonight at 5 in room 115 of Union annex for publicity directors of all campus organizations.

Publication procedure and chairman duties will be the topic under discussion, Marion Heckel, Detroit senior and editor of the paper, announced.

Delegate Charges Fascist Regime Of Spain With Threatening Peace; Suggests United Nations Action

NEW YORK, April 10 (AP)—Poland accused the Franco government of Spain before the United Nations Security Council today of endangering world peace, sheltering Nazis, and aiding German scientists in "devising new means of warfare." It asked the council to crack down on the regime with the full weight of the United Nations.

State to Vote On Council Constitution

Voting will take place today on the revised Student council constitution, according to Helen Fisher, president of the MSC student governing body.

Students may vote at a booth in the lower deck of the Union near the Union desk. Members of Student council will man the booth between 8 a. m. and 5:30 p. m. and voting will be limited to one day only.

Miss Fisher stated that the changes in the constitution affect mainly methods of nominations and representation. Copies of the constitution may be obtained at the Union desk.

Jean Procter, Detroit junior and president of the activities board of Associated Women Students, presented the constitution of the recently re-organized AWS at the Student council meeting last night. This was considered and approved by the council.

Senate Approves Bill To Speed Vet Housing

WASHINGTON, April 10 (AP)—A veterans' housing bill designed to speed the construction of 2,700,000 new dwellings by the end of next year passed the Senate today and went back to the House for consideration of numerous amendments.

Senate provided subsidies on scarce building materials.

Gardens Bloom for 69 Years

By KEN KUHN

It's a sure thing that when Dr. W. J. Beal set out the first plant in his botanical garden exactly 69 years ago today, he did not count on the beauty spot becoming the spring evening sanctum it is now.

A glance through the time-worn pages of Beal's "History of Michigan Agricultural college" reveals that the professor began his pet project rather modestly back in 1877.

The project was started on the bank of a brook northwest of the greenhouse, the stones used being a portion of those left over in the building of the first Wells hall. Looking Glass river, as the brook is known now, runs underground through a 400-foot cement tunnel under the plot.

Varied Difficulties

During the 69 years, the director of the garden has experienced perplexing difficulties.

First it was moles that caused the trouble along with red squirrels, chipmunks, and muskrats. But to Henry Chapman, who today holds the imposing title of superintendent of Beal-Garfield botanical gardens, it is a more modern thing that worries — money.

Major Trouble

For most of the 20 years he has been in charge, the "lack of sufficient funds has prevented much development of the good start that Prof. Beal made," Chapman asserted. Beal gardens has lost much of its old-time interest," he added.

"Holes in the roof of the greenhouse, which has had only minor repairs over a period of 70 years," Chapman revealed, "have allowed frost to kill some rare and tropical plants and flowers."

Chapman now hopes for funds for the repair of the greenhouse after the building program nears completion.

The Polish charges against Generalissimo Francisco Franco were announced by the United Nations secretary general as the council, in executive session, decided to meet again next Monday at 3 p. m., E.S.T.

Iranian Case Scheduled

At that time the council will be confronted once more with the Russian-Iranian case. Russia is demanding that the whole affair be dropped from the council agenda. Iran is insisting it should be held pending until May 6, to see whether Red army troops completely evacuate Iran.

Poland Makes Charges

The consensus of U. N. observers was that Russia would be voted down and the case would remain before the council.

Dr. Oscar Lange, Polish delegate, in his letter to the secretary general, Trygve Lie, dated April 9 and made public today, lashed off six charges against Franco and his regime.

Entertainment Set For Carousel to be Kept Dark Secret

Entertainment which will be kept secret until the time of its presentation will be a feature of the College Carousel annual social get-together of MSC students and faculty.

The carousel, sponsored by Spartan Women's league will be held tomorrow night in the pavilion starting at 7:30 p. m.

The theme for the evening is "County Fair" and 12 booths will carry out the theme.

Tickets for the carousel may be purchased at the accounting office and the Union desk.

Democracy Or Oligarchy?

During the war years, Student council left representative government and reverted to an oligarchic form, a kind of closed corporation where aspiring politicians became council members by vote of those in office. Personal considerations were the vogue. The student body electorate was virtually ignored.

Now that the war is over and the men have come back, Council President Helen Fisher and her cohorts with intelligent foresight realized that the prevailing setup would not do. So they proceeded to revise the constitution. The result of their work was printed in the State News last week.

No constitution is a perfect instrument, and the revised Student council constitution is hardly the exception. But, if approved by the student body, it will return representative government to the campus. It will give the average student an opportunity to voice his preference for office holders.

The polls are open today in the Union to receive your vote on the constitution. Be sure to vote.

LETTERS To The Editor

TO the Editor:
Congratulations to "The Pen!" Nice work. You really hit the nail on the head in your article of April 10, 1946, concerning MSC necking parties. This condition has existed for a long time and we are all aware of it. The majority of the students wholeheartedly disapprove and would like to see this condition remedied.

Just to sight a few examples: One evening as Beaumont was nearing 10 and the couples were in the midst of their prolonged kisses in the lobby of one of the dorms, approximately 100 coeds from the dorm marched through the lobby, displaying their disapproval in hopes that the hint would be taken.

Another time upon entering a dorm several women were quite surprised to find one couple embracing directly under the lamp-light of the dorm entrance. A few minutes later these same students were leaving the dorm and were even more surprised to see these same two people still kissing with no sign of even nearing completion.

These are only a few of the many such instances that prevail on our campus.

We are in agreement with "The Pen" that a goodnight kiss is all right, but these long necking parties are a disgrace to the entire student body and give the college an undesirable reputation.

Since the college officials will not permit the housemothers to take a hand, we would suggest the college add to its list of new buildings, a necking pavilion.

We, too, should like to know why such a condition of disgrace should continue to exist on our campus and why our college should become known as a "necking institution."
"The Ink"

TO the Editor:
An anonymous character by the name of "The Pen," who referred to our attention a subject entitled "necking," has placed a challenge which shall not go unanswered. At first glance one is led to believe that this barb was made by a love-starved or love-sick pup.

At this point I want to point out that this pup is of the masculine species, and is a grown up pup which we call a "wolf" in more certain terms. This pup is not love-starved but maybe he is love-sick. Has the thrill of a good night osculation ceased in his soul? If so, may we pity him.

He stated that the average goodnight kiss at these places of public osculation stations last up to a period of five minutes. Surely "The Pen" is only fooling himself and nobody else. If he had the time to take a stop watch and time these innocent couples, then he also has the time to wait until the rush is over and deliver his date back to the dorm.

Affairs of State

By LIZ CORRY and THAIS LUCAS

THE fraternity pit of "Bare-foot Boy With Check" fame has been snaring increasing numbers of victims lately. Bright, shiny new pins direct from Bal-four are daily sprouting out on new sweaters and plaid shirts. Pinnings and engagements are also the order of the day, but as this is spring term, that goes without saying.

Joanne Erickson, a student at Olivet college, is now wearing George Lawley's Sigma Chi pin. His fraternity brother, Bob Mitchell, Blue Field, W. Va., sophomore, passed his pin to Raemarie Ryan, Clare sophomore. Fred Meyer, another Sigma Chi man, gave an engagement ring to Jean Hope, Detroit sophomore.

Betty Trompies, Sigma Kappa, received a diamond from Ned Maccadino, a graduate from Northwestern university.

The Delta Sigma Phi fraternity initiated 12 members last Sunday morning. The new initiates are Vic Emery, Breckenridge; Fred Garvey, Muskegon; Jim Pilz, Wyandotte; Bob Mosher, East Lansing; John Gundersen, Boyne City; John Clark Grand Rapids; Tennie Flake, Detroit; John Frederick, Grand Rapids; Carl Franz, Grand Rapids; George Steirle, Saginaw; and Bob Taylor, Bay City. Phil Bagley, Muskegon Heights freshman, was initiated earlier in the term before he left for the army.

The Sigma Nus have added 8 new men to their active members. The new initiates are Bob Smith, Detroit junior; Bob Maldegen, Detroit freshman; Bill Stone, Don Morfee, Gary, Ind., sophomore; Bub Hall, Flint freshman; George White, East Lansing junior; Tom Thompson, East Lansing freshman; and Don Borgeson, Chicago, Ill., sophomore.

Delta Chi has welcomed back from the services the following active members: Julius Martinek, Cleveland, O.; Joe Eveland, Mayville; Tom Monroe, Three Rivers; Dick Coville, Royal Oak; and Johnny Albert, Detroit. Another new Delta Chi active is Frank May, Dearborn.

Callaway Will Appear In Roles From Plays Of W. m. Shakespeare

Prof. Joe A. Callaway, director of radio education, is scheduled to appear in a program of scenes from Shakespearean plays on April 23, according to Paul D. Bagwell, head of the Speech and Dramatics department.

Entitled "Shakespeare: a la-mode," the program will consist of comedy and tragedy parts. Costumes, make-up, lighting effects, and music will be used for Callaway's individual portrayals, Bagwell added.

Callaway has had 10 years' professional experience on the stage and radio. He has taken part in over 5,000 performances of 16 Shakespearean plays, as a member of the famous Globe theater.

Leading Varsity Moundsman Oppose JVs Saturday

Coach John Kobs plans to use three pitchers in the first official inter-college game between his undefeated varsity team and Coach Al Kircher's junior varsity. The game will get under way at 2:30 and all are invited to attend.

Will Use Three Top Hurlers

Kobs will use his three top chuckers, Joe Kirocki, possibly Keith Steffe, and Bill Page, having them work three innings each. Kirocki hurled the Spartans to three victories on the vacation tour, while Steffe and Page were credited with two wins apiece.

The race for the regular starting catcher gets keener at every practice session. With Ben Hudenko and Bucky Walsh and the return of veteran Pete Fornari, the Spartans have the finest collection of backstops in the history of State baseball.

All Hitting Ball Well

The coaching staff is still undecided which one of the boys will get the nod next Saturday, but does not believe in a possible shift of the spare pitchers to other positions to utilize their slugging power.

Fornari led the 1944 Spartan team when he posted a .393 batting average, while Hudenko paced the States of the southern part with a .336 and Bucky Walsh punched out a .313 clip.

Jayvees Readied For First Contest

In spite of unfavorable weather Coach Al Kircher's Jayvee baseball squad has been impressive in numbers and aggressiveness the past few afternoons with close to 50 men practicing in weather more favorable to football.

Because of its large size several intra-squad games have been played to give everyone a chance to show what he can do, but so far any regular lineup is merely a matter of speculation.

Saturday the Jayvees will field two teams against the varsity and varsity reserves. Coach Kircher doesn't expect a victory over the undefeated Spartan nine, but does expect to have a better line on his material after the games.

Both contests will begin at 2:30, giving Spartan fans an opportunity to watch the junior baseball talent of the college in action.

Of the 3,500 veterans attending Michigan State college, 1,100 are married.

Cardinal's Otis Davis Forced Out Sliding Into Base

Otis Davis, of the Cardinals, is forced out at Indians second baseman, jumps away from the ground by Adams in the Cardinals-Indians exhibition game at St. Petersburg, Fla. Mayer.

Practice Injuries Hits MSC Backs

The promising Spartan backfield men were on the sidelines of MSC's spring grid training season yesterday as a result of scrimmage injuries.

Marvin Daugherty, 210 pound centerback, and Turner, all state star from East Pittsburgh, Pa. suffered a broken left leg on the first play of the scrimmage, and William Hawkins, 175 pound Detroit halfback, was forced out with a fractured right arm.

Dr. Charles Hubbard said that Daugherty would be sent to the hospital for an X-ray, and...

All students interested in becoming assistant football managers are urged to report to the practice field any afternoon after 4 to Coach Charley Bachman.

Daugherty played with the First and Twelfth Air Force teams while in service, participating with the latter in this year's Spaghetti Bowl game at Rome.

Sigma Nu Cindermen On Top In Fraternity Track Meet

Competition will reach a high pitch in the final day of the inter-fraternity track meet this afternoon at 5 in the Jensen fieldhouse when the 400-yard mile relay is run.

Yesterday Sigma Nu came from behind to snatch first place from Alpha Tau Omicron.

The ATO cindermen, who up until the third day of action held first place, now have 32 points to the leader's 44.

Phi Delta Theta follows in third place with 23 and Lambda Chi Alpha, 9. Sigma Alpha Epsilon, 8 and Sigma Chi, 2 and Theta Chi, 1.

By clearing the way at five feet six inches Chuck Parrson of Sigma Nu took the number one spot in the high jump, and Shorly Krall, also Sigma Nu, placed in this event by tying for second.

Bill Merchant chalked up five points for Phi Delta by taking first in the 440 yard dash with a time of 38.1. Sigma Nu's Dick Poole was on the fringe of the winner, one tenth of a second behind.

Winning time in the mile run by the ATO's Dick Schenckow...

was 5:12.7. The five points he gained by placing first was not enough to keep his fraternity in the lead.

The summaries are as follows: High jump: Won by Parrish (Sigma Nu.) tied for second are Krall (Sigma Nu.) Wilson (Phi Delta) and Poole (Sigma Nu.) tied for fifth are Van Meter (Phi Delta) and Butler (Theta Chi). 440 yard dash: Won by Merchant (ATO) second Poole (Sigma Nu.) third Hurd (Delta Sig.) fourth, Prator (ATO) fifth Zarka (SAE). Mile run: Won by Schenckow (ATO) second, Borak (ATO) third, Maldegen (Sigma Nu.) fourth, Thompson (Sigma Nu.) fifth, Pitt (Phi Delta).
