Happy Easter

That's What I Like

Trade coach, Payton Marshall, received a special box by mail yesterday containing a late entry for the approaching contest. The South From Alabama, it contained one supercharged box turtle... a terrarium with a southern crawl... that is.

Men To Activate Officers Club

Col. Grover B. Egger, ROTC commandant, announced yesterday that the Officers club, pre-war organization for advanced military students, soon will be active again.

The first official meeting of the club will be held Tuesday at 8:30 p.m. in room 103 Union annex. Capt. Edwin Solem, personnel officer and club advisor, said that a constitution will be drafted and plans will be made for election of officers.

Prior to its deactivation in 1943, the organization had nearly 100 members and encompassed the majority of social functions sponsored by junior officers.

Through the group, corps sponsors were elected each fall and arrangements were made for their coronation ceremony. Their military ball was the highlight of the winter term social season.

Communists Claim Victory In Changchun

CHUNGKING, April 19 (P) — The capture of Changchun was claimed today by Chinese communists even as the government rushed two fresh armies to Manchuria and General Marshall struggled to restore peace through mediation. The official communist New China news agency announced the "liberation" of Changchun in a broadcast from Yen-an, and communist headquarters, here later published the same report.

Hold Two Buildings
It was not confirmed immediately, but the government had expected it and had acknowledged earlier that its small garrison held only two buildings in the Manchurian capital.

Yen-an asserted that "communist-led local popular forces" last night had finished clearing Changchun of "Japanese and puppet troops and bandits" who had been committing "outrages" ever since the Russians withdrew Sunday night.

No Report
There was no word directly from Changchun nor from the five American correspondents and two U. S. military observers there.

Another Yen-an broadcast said the communists still held the railway junction city of Sze-ping-kai, 80 miles south of Changchun.

Canoe Canoe? 'S' Canoe Livery To Open Doors

Spartans will again enjoy on-campus canoeing when the canoe shelter immediately west of Farm Lane bridge opens at noon tomorrow.

In addition to 25 new canoes to rent out from the Red Cedar river livery, the concessions department will be in operation. Ray McGlaughlin campus concessions head, has announced. Rental rates will proceed upward from the basic 35 cents an hour according to the facilities employed.

A shipment of 25 more canoes is expected to be delivered within the next three weeks.

Spartans Win 17th Straight Contest

Forestry Club Will Pay Tribute

As a living tribute to 14 members of the forestry department who lost their lives in World War II, the MSC forestry club will today begin the planting of a memorial arboretum.

A bronze plaque, bearing the names of those killed in either combat or training, will be mounted on a boulder in the center of an arboretum to be located on Hagadorn road, east of the campus, Prof. P. A. Herbert, head of the forestry department, has revealed.

To Represent Each Variety
Under the direction of Prof. Terrill Stevens, advisor, the club members will eventually plant trees to represent every variety known to thrive in this region.

It is planned to arrange each species of trees in a series of separate arbors in exactly the same order as they are classified by the botanist, Professor Herbert declared. Originator of this system of planting is Professor Stevens.

Those to whom the memorial arboretum will be dedicated are:

- Class of '38: Harvey P. Harrington, Sault Ste. Marie, and Roger Morgan, Grand Rapids.
- Class of 1939: Robert Hetrick, Dimondale.
- Class of 1941: Ellsworth Burall, Baltimore, Md.; Charles Wil-

Contractor Files Suit Against East Lansing

Suit has been filed against the city of East Lansing to show cause for denial of a building permit for a 15-unit apartment house within a multiple dwelling zone, by Arthur Teglund, Lansing contractor.

Associated with Prof. Franklin Sherman, of the entomology department, in the project, Teglund was denied a permit after an open hearing of the appeals board of the East Lansing zoning commission April 12.

Circuit judge, Paul G. Eger, has ordered the city zoning board of appeals and building inspector to appear in court Monday to show sufficient reason for denying the permit. If Teglund wins the suit, the city will be ordered to issue the construction permit for the apartment.

State Crushes Wisconsin, 11-3; Will Take On Badgers Again Today

By JIM CARR

Michigan State will be shooting for its 18th straight win today at 3 p.m. when it takes on the University of Wisconsin on Old College field. The Badgers were badly beaten by the Spartans yesterday afternoon, 11-3, in the first contest of the two-game series.

News To Publish Full Size Papers For Five Days

Issues of the State News next Tuesday through Saturday will appear in the form of a full-size daily newspaper rather than the usual tabloid, Manager Janice Hopps, Ypsilanti senior, announced yesterday.

An experimental project to determine the best form for MSC's student newspaper, the four-page, eight column issues will be published for the one week only. At the end of that time the student body will have an opportunity to express their opinions about the type of paper.

With the increase in enrollment and subsequent increase in college news, a larger paper has become feasible, according to Miss Hopps. Although frequent eight-page tabloids have made it possible to give better-than-usual coverage, members of the State News staff feel that a permanent size sufficient to meet all needs should be selected. Next week's experimental paper is designed to give State students a chance to compare a large type paper with the size now in use.

Whenever size is selected, Miss Hopps pointed out, the contents will remain approximately the same. The two sizes carry equal amounts of news, and in either case the news content will be considerably greater than it has been during the past year.

The permanent change to either an eight-page tabloid or a four-page standard newspaper, which will be decided this term, will go into effect next fall.

Student Choir Will Sing At Sunrise Holy Service

Beaumont tower will be the scene of a sunrise service tomorrow at 6 a.m. Carillon music by Dennis Murphy will be heard and songs by the student choir of Student Christian union. An address will be given by the Rev. Julius Fischbach.

Professor Gives Slant On Shakespeare

By TOM NORTHWAY

Awe and reverence for the works of William Shakespeare would be tossed out the 'literary window' by Prof. Joe A. Callaway, head of MSC's radio education department.

It is the contention of this veteran Shakespearean actor that the works of the English playwright "should be considered solely as good theater rather than classics."

Mere Commercial Drama

"Shakespeare wrote for a living in the commercialized theater of his day and not for posterity. The modern-day practice of memorizing lines from his works would bring disapproval from Shakespeare, who wrote

plays in a time when gentlemen wrote sonnets," Callaway declared.

The author thought little of his plays as creative works except for parts with expressive poetry. In fact, he failed to have them published, friends finally doing so after his death over three hundred years ago, he revealed.

"Shakespeare is the greatest writer a nation has ever produced," the professor related. "No writer says so well the things we need to hear today."

3,000 Shows With Globe

The Globe theater, which played the shows without division into acts or scenes, is the only group in the country that has produced Shakespeare as it was

given in Elizabethan times. In brief, popularized productions were staged in an authentic replica of the original playhouse.

Callaway played 5,000 performances and 16 different plays while a member of the Globe theater for three and a half years.

An inquisitive press agent recently computed available figures and stated that the actor had played more Shakespearean performances for his age than any other actor who's ever lived.

This new "Shakespeare a la mode," along the line of slapstick comparable to the "Key-stone Cops," will be presented in a free performance Tuesday evening by Callaway.

Weekend Will Offer Two Open Parties To Stay-at-Schools

Michigan State's social calendar is somewhat on the light side tonight but consolation will be afforded to Spartans spending Easter weekend on campus by the two open parties planned for their enjoyment.

A date dance in the Union ballroom from 9 to 12 this evening will be sponsored by Union board. Dick Charles' orchestra has been engaged to supply the music, and Mr. and Mrs. Thomas W. McGrain will attend as patrons.

Tickets for the all-college dance may be obtained at Union desk.

Hillel's "coed-bid" dance is also open and will be staged at the Shaarey Zedek in Lansing tonight from 8:30 to 11:30.

Titled "The Turn About Twirl," the main event of the party will be the crowning of the first king and queen of Hillel. Their identities will be kept secret until tonight.

Music will be provided by L. C. Durbin and his orchestra, Jan Fisher, Detroit freshman, stated. Patrons for the dance will be Prof. and Mrs. Alan Scott, Mr. and Mrs. Frank Seidel, and Prof. Norman Kinzie.

TIME TABLE

- TODAY—
 - Union board dance, 9-12 p.m.
 - Union ballroom
- TOMORROW—
 - Lutheran Student club
 - 7:30 p.m., Union gym porch

For Men With Merit

The reorganization of Blue Key has paved the way for the return of men's honoraries on campus. Excalibur, senior men's honorary, and Green Helmet, for sophomores, are due to appear on the scene again.

Election to membership in Excalibur means that an individual has reached the top in his special extra-curricular field, as well as other activities. Membership is restricted to 13 men.

Green Helmet held the most rigid membership requirements of any honorary on campus by accepting only those sophomore men who could boast a 2.2 all-college average, in addition to being active in extra-curricular groups.

With so many men back, it shouldn't prove difficult to uncover individuals who merit membership in these honoraries and thereby giving proper recognition to scholastic achievement.

How about it, you prospective BMOCs?

OPA Cracks Down On Black Market; Jury Indicts 31

DETROIT, April 19 (AP) — Thirty-one persons were indicted by a federal grand jury today as the Office of Price Administration claimed to have smashed a black market in used motorcars involving sales totaling \$3,000,000 above ceiling prices.

The U. S. district attorney's office, said most of the defendants, who live in Michigan, Kentucky, Illinois, and Missouri and allegedly operated in five other states, were expected to surrender next week.

All were charged with conspiring "feloniously" to violate price regulations in a scheme in which, the OPA said, 5,000 cars were tunneled out of Detroit to buyers who paid an average of \$600 above ceiling prices.

Joseph C. Murphy, assistant U. S. attorney, said no additional indictments would be returned in Detroit, but that others "probably will be handed down in other sections of the country."

The OPA charged similar illegal operations had been carried on in Washington, D. C.; Indianapolis, and Cincinnati. These were not involved in today's indictment.

CAMPUS CHURCHES

COLLEGE LUTHERAN

"We Worship a Living Christ" will be the sermon of the Rev. William Young on Easter at the 10:30 service to be held in the State theater.

CHRISTIAN SCIENTIST

The theme of the service to be held in Masonic temple, 314 M. A. C., is "The Doctrine of Atonement."

Sunday school begins at 9:30 a.m.

CANTERBURY HOUSE

Holy Communion will be given at 8 a.m. with breakfast following.

ST. THOMAS AQUINAS

Mass will be said at 8 and 10 a.m. and 12 noon by Fr. Jerome V. Mac Eachin and Fr. Michael Mleko.

PEOPLES CHURCH

The sermon of the Rev. N. A. McCune for Easter will be "God Raised Him from the Dead."

Services will be held at 9:30 and 11 a.m. Student vespers begin at 7:15 in the evening.

FIRST PRESBYTERIAN

Two services will be held on Easter Sunday, at 9 and 11 a.m. The Rev. J. M. Vander Meulin will speak on the subject "What Kind of Resurrection?"

UNITY CENTER

"Recognition of the Christ" will be the theme of the Rev. Roxie G. Miller at the 11 a.m. service tomorrow.

CHRIST LUTHERAN

Two services will be held Easter morning. At the sunrise service at 7 a.m. the Rev. E. L. Woldt will preach on the topic "Easter Morn in Joseph's Garden." Holy Communion will be celebrated at this service.

The festive service will begin at 10:45 a.m. The sermon topic will be "Christian Faith, Certified."

CENTRAL METHODIST

"The Keystone of the Arch of Faith" will be the sermon of the Rev. D. Stanley Coors at the 11 a.m. service tomorrow.

ST. MARY'S CATHEDRAL

Masses will be said by the Rev. William J. Flannagan and assistants at 6, 7, 8:30, 10, and 11:10 a.m., and 12:40 p.m. on Easter Sunday.

NAZARENE

Worship service will begin at 11 a.m. tomorrow. The evening service is at 7:30.

Michigan Crushes Wayne, 11-1 Tartars Get Only One Hit

ANN ARBOR, Mich., April 19 (AP) — The University of Michigan baseball team today smothered Wayne University 11 to 1 in its season opener on Ferry field, with Earl Block holding the Tartars to a single scratch in the third inning.

Wolverines Capitalize on Wayne Errors in the Inning to Break Out

Three run splurge. They were more in the fifth than in any other. First baseman Tom Rosema and second baseman Louis Anschutz for a double which was followed by a left field triple by right fielder Bob Chappus and a double by second baseman Dominic Tomasi.

The sixth frame Anschutz had a bad start by passing the ball to first baseman Walt Kell and fielder Ralph Houser.

Rzepka, who went to the mound, was toughed for perfect play by left fielder Bliss Bowlin and the bases, and Kell scored on three successive errors by third baseman Urdan.

Wolverines added four runs in the seventh inning thanks to the wildness of pitchers and a right fielder by Chappus.

Worked smoothly about the game, striking out three batsmen and walking Wayne's solitary run was by Bill Fagenson, left fielder who was hit by a pitched ball and home on Rosema's error.

Senators Beaten By Yank Rally

NEW YORK, April 19 (AP) — John Lindell, a former pitcher who is a sub outfielder with the New York Yanks, lofted a towering fly to center field in the last of the ninth today and scored Tommy Henrich with the winning run as the Yanks defeated Washington, 7 to 6, in Gotham's opening American League game which lured 54,826 fans.

Only one other previous opening day crowd ever topped this one and that was in 1923 when the Yankees inaugurated their stadium and attracted 72,200 fans.

Trailing 6-5 in their last turn at bat, and with ancient Johnny Niggeling, Senators fifth hurler on the slab, the Yankees quickly put two men on base. George Stirnweiss drew a walk and Henrich was hit by a pitched ball. Joe DiMaggio then lined a double off the left field wall, driving in Stirnweiss with the tying run and sending Henrich to third. Henrich then scored on Lindell's hoist.

Star May Miss Opening Net Tilt With Wildcats

Michigan State's tennis team left for Evanston yesterday afternoon for its opening match against Northwestern university today with the possibility that Roger Cessna, Spartan number one man, may not be able to compete against the Wildcats because of a knee injury.

Cessna twisted his leg in Wednesday's workout and up until the team left he was still limping. In case Cessna is unable to see action Bob Malaga will be

moved to the top bracket, followed by Dave Phillips, Herb Hoover, John McGrath.

In doubles Cessna or Malaga will team with Phillips, Hoover with Frons and Martin and McGrath will probably play together.

Next week the Spartan netters will hit the road again, playing Michigan, Ohio State, Cincinnati and Kentucky on consecutive afternoons, starting Tuesday.

Spartans Out For 18th Straight After Beating Wisconsin Friday

(Continued from Page 1) In the second inning after Floyd Guest and Bob Groves managed to get on base by Wisconsin errors, and Dick Mineweaser tripled to deep left field scoring Guest and Groves.

Mineweaser's single in the third, which produced three more Spartan runs, rounded out a perfect day at the plate for him. He split the day's action at third with Harry Hughes.

Regan Hits Homer
George Rutenbar, Bob Groves, and Floyd Guest each collected two hits for the Spartan nine as Frank Granitz and Jim Regan proved to be the big offensive guns for the Badgers.

Regan's home run in the sixth inning, with one man on base, was the longest of his three satisfactions.

Robin Roberts, Spartan hurler, will be presented the Detroit

Free Press trophy for being the outstanding basketball player in the state last season.

Marshall Dann, former sports editor of the State News and now a member of the Free Press staff, will present the trophy in a brief pre-game ceremony.

German POWs Suffer From Poison

Investigators Find Arsenic In Rations; 1,900 Men Stricken

FRANKFURT, Germany, April 19 (AP) — Nineteen hundred German prisoners of war were poisoned by arsenic in their bread early this week in an American camp and all are "seriously ill," U. S. headquarters announced tonight.

The mass poisoning struck down the prisoners in Stalag 13 near Nuernberg, but no deaths were reported.

Found On Crusts

Col. S. T. Williams, of Denton, Tex., a regimental commander, said the poison was found on the crust. He said the arsenic might have been sprinkled on shelves against cockroaches and thus have gotten on the bread.

The bread for captured soldiers was obtained from a local German bakery by contact "in accordance with normal procedures," the announcement said. Police stood guard at the bakery to prevent German civilians from buying any bread there. Counter-intelligence agents searched the area to determine whether any German civilians had been stricken.

Stricken Monday

The first German soldier became ill Monday afternoon shortly after the weekly bread ration

and distributed to the men. Colonel Williams said. Late Monday the number of men taken ill increased as the former soldiers began eating their ration.

The number soared until Wednesday, when the cause was determined and the prisoners were told not to eat their remaining bread, Williams said.

Williams said the army would permit the bakery, now under supervision, to deliver its weekly ration again next Monday, pending conclusion of an inquiry started by the counter-intelligence corps and agents of the Theater Provost Marshal.

Food and Nutrition Majors Will Dine

The junior Foods and Nutrition majors are sponsoring a dinner for their senior group on Wednesday at 6 p.m. Guest speakers will be recent alumni who will discuss briefly the type of work they are doing in the home economics field now.

The dinner will be held at Hunt's food shop and is open to all junior and senior F. & N. majors. Tickets will be on sale Monday in the lobby of the Home Economics building.

The soldier and his girl were out until the WHEE hours of the morning — Alan Haber.

Poise the art of raising the eyebrows instead of the roof.

President Appeals To United States To Share Food

WASHINGTON, April 19 (AP) — President Truman appealed to Americans tonight to share their food with the world's hungry people because "a sound world order can never be built upon a foundation of human misery."

Mr. Truman made his plea in a nation wide broadcast. On the program with him were former President Herbert Hoover, speaking from Cairo, and Secretary of Agriculture Anderson and UNRRA Director Fiorello La Guardia.

Declaring that America is faced with a solemn obligation, Mr. Truman said there can be no doubt that many people are dying of hunger now in Europe and Asia.

Prophet Receives Chief Position At Annual Meeting Of Scholars

Prof. Edward Prophet, of the geology and geography department, was elected president of the Michigan Academy of Science, Arts, and Letters for the year 1946-47. The organization held its 50th annual meeting at the University of Michigan in Ann Arbor last weekend.

The Michigan Academy of Science, Arts, and Letters is an organization which provides an opportunity for scholars in many fields to convene annually to talk over matters concerning their specific fields of interest.

While most of the members are from Michigan colleges and universities, Prophet stated that all individuals working in the sciences and arts or having a genuine interest in them are eligible for membership. Over 1,000 members were present at last week's session.

The academy has done much to help the people of Michigan

by securing financial support of scientific knowledge. The organization also provides a voice to the general public affiliated with the Academy of Science.

Past president of the Academy from MSC has been Walter C. Stammers, dean of the College of Arts and Letters and director of the department of geology.

Prophet is also a member of the Michigan Academy of Science, Arts, and Letters and is a member of the American Association of Political and Social Science
