Green, Detroit junior, all set to take in the Inter-Festival next Friday, but a sign in room 104 of Union annex has her wondering if the affair is to be open. Following the usual de-notice emphatically: "No admission."

Sap's Runnin'

Assistant Prof. H. C. Beeskow, the botany and plant pathology department, startled his students in a recent lab meeting. At the end of class, he led the room over and said, "forestry they say that the ascends so . . . you may all and depart."

Couples To See Band 'Battle'

Tonight's IFC-PanHellenic dance will feature the music of Jimmie Shafer's and Dick Charles' bands from 8:30 to 12 in College auditorium.

Chairmen Sally Clark and Masher, East Lansing juniors, have announced that contrary to rumor, the dance will be a semi-formal affair. It is open to all students on campus, and plans have been made to accommodate 1,000 couples.

As previously announced, the two bands will combine and present special features. This area was previously used at State during the 1942 Mardi Gras ball, which was based on a similar theme.

Ormandy Will Conduct Symphony On Tuesday

Eugene Ormandy will conduct the Philadelphia Symphony orchestra, the orchestra Rachmaninoff called "the finest the world has ever known," in a concert at College Auditorium Tuesday at 8:15 p.m.

The orchestra is probably the only one that can boast a set of twins in its ranks. These brothers are violinist Alex Gray and cellist John Gray, born in Scotland of a musical family. As boys, they practiced with two other brothers and comprised a musical quartet—a string quartet made of four brothers.

Rioters Ask Truce Offer Of Warden

SAN FRANCISCO, May 3 (AP)—Fear-crazed Alcatraz convicts, pounded for more than 24 hours with rifle and grenade fire, asked Warden J. A. Johnston today for a truce.

Major Albert Arsenaunt, marine public information officer, returned from the island this afternoon and told reporters of the truce offer.

Major Arsenaunt said the warden was becoming worried about 150 convicts being held under guard by marines in the yard. They are becoming highly restless and the warden plans to move them back into their cells as soon as possible.

Aided by combat marine volunteers, prison officials predicted they would be able to "take over" the block from the heavily-armed prisoner "at any time."

But for the time-being an ominous quiet settled on the glowering federal penitentiary in San Francisco bay.

The cessation of fire, following on a period of silence from the beleaguered convicts, gave rise to a belief that the grim battle had been won by forces besieging "the rock" since Tuesday afternoon.

Federal Housing Assigns MSC 560 Temporary Home Units

Emergency Dwellings to Be Available For 'State' Veterans By Fall Term

Substantial relief for the strained housing situation of veterans and their families on campus is now in sight as plans for erection of 560 dwellings at MSC were announced yesterday by Charles B. Lawrence, director of region 8 of the Federal Public Housing Authority.

Students File 150 Petitions For Office

Primary elections for the Student council will be held in the Union all day Wednesday, council president, Helen Fisher, Grand Haven senior, has announced. All students except seniors may vote upon presentation of their identification cards.

Over 150 petitions for office were received by the council. The faculty committee on organizations is now checking qualifications of the candidates. A list of all those accepted will be printed in the State News on Tuesday.

No Poster Pictures

Because of the great number of candidates, posters with pictures will not be used at the polls during the primaries, Miss Fisher said.

Further details on campaign rules have been revealed by Miss Fisher. Handmade posters not exceeding 8 1/2 x 11 inches in size may be used in campaigning, but they must be posted only on bulletin boards or other places provided for advertising purposes.

Name Tags Allowed

Also acceptable as campaign material are paper name tags worn by supporters of the candidates. These too must be handmade, however.

Samples of campaign materials along with the names and phone numbers of the person submitting them should be left in the Student council office. Candidates will be notified if the material does not comply with the regulations, it was stated.

Coal Union Chief

JOHN L. LEWIS (above), head of the 400,000 striking United Mine workers, reports "no progress" in the government-sponsored negotiations between the mine owners and the union.

With no sign of the end of the 33-day coal strike in sight, emergency brownouts have been instituted and railroads are also beginning to feel the crippling effects.

Social Weekend Lists Parties, Open Dances

Three open dances and two closed parties headline tonight's whirl of social affairs.

Doors to the Union ballroom will open at 9 tonight for an all-college semi-formal dance sponsored by the Junior Farm bureau. Gordon Springborg and his band will take the music honors.

Patrons for the dance, as revealed by Dorothy Mulder, Holland junior and general chairman, include Mr. and Mrs. Don Phillips and Mrs. Corelia White, while guests will be Mr. and Mrs. Jack Frost and Mr. and Mrs. Ralph Tenny.

Tickets Are Available

Tickets may still be obtained for the dance at the Union desk, Miss Mulder said, as the event is open to all Spartan couples.

Across campus in College auditorium IFC-PanHellenic's informal all-college dance will be sponsored from 8:30 to 12, with Jimmy Shafer and Dick Charles "battling" musically.

Student Club Party

The third open party of the evening will be a carnival and variety show party planned by Student club in the social hall of

The units to be constructed from service barracks, are expected to be situated on Harrison road south of the present apartment and moonset but developments. It will be the second instance in which the FPHA has come to the aid of married Spartans, the first project being the trailer camp set-up provided last fall.

Ready by Fall

Slated for completion by fall term, the buildings will average 100 by 20 feet in area and will accommodate three families each. The average apartment will have one bedroom, while others will include as many as three.

Director Lawrence, who came to MSC upon request by President Hannah, said that the materials would come from army and navy establishments in the south, where barracks would be dismantled and shipped by rail to Michigan State to be reconstructed. Shipment will begin as soon as the site for the dwellings is prepared, and they will be ready for occupancy within 90 days after commencing construction, Lawrence revealed.

PHA Finances Project

Inhabitation of the units will be restricted to veterans and their families by law. The housing authority will provide all funds for purchase and erection of the dwellings as appropriated by Public Law 336.

The college will finance the installation of utilities such as stoves, iceboxes, heating equipment, sidewalks, and running water facilities.

Uncle Sam Stakes His Veterans

The educational provisions of the GI Bill of Rights make possible schooling and training for many who might otherwise never have taken up the books.

Of course, the bill also serves to facilitate the schooling of those whose studies were interrupted by the war. Some of us who were here before Pearl Harbor are seeing lots of "old familiar faces" on the campus these days.

Government subsidized education might also be viewed as a kind of payment for services rendered. Men who fought to safeguard their country should be entitled to the start in life that education can afford.

By making education and specialized training available to more of the people, the country as a whole will reap benefits.

Veterans should utilize government schooling in the same spirit it is given them. A student should realize his responsibility to the American people who have made his going to school possible and should ply his studies with this thought in mind.

To date, reports from colleges in various parts of the country indicate that the veterans as a body are more serious and industrious than non-veteran students. Let us hope that our ex-servicemen will keep up their good work.

Kobsmen Face Detroit Here Today Skrocki Or Roberts To Pitch As State Tries To Snap Slump

Vogt, Yata Star As Jayvees Win Fourth In Row

MT. PLEASANT, May 3 (AP)—Punching across two runs in the ninth inning the Michigan State Jayvee baseball team dropped Central Michigan college, 8-6, for the Spartans' fourth straight win of the season.

It was the second victory of the year for Zeke Vogt, star SC moundsman, but the real highlight of the contest was certain first baseman, Dick Yata, who blasted a 400-foot homer with two men on base in the fifth.

At the time Yata came through in his four-ply blow, the Spartans were losing by a pair of runs. Another tally was added by State in that frame, making the Spartans four.

State Takes Lead

Central pushed three runs over the plate in the first two innings, while MSC could only score one. State added a marker in the third and then went ahead in the fifth on Yata's homer. The Bearcats tied the game up in the seventh when they counted three times on a walk, error, triple, and double.

State seemed handcuffed by Ed Morgan until the final frame when Carl Moss scratched single to left. Harry Paul twice singled foul and then forced Moss second when he grounded to short.

Suhart Gets Base Knock

Ernie Suhart came through with another one-base knock when Paul going all the way around when Tony Pabalis, Central shortstop, threw wildly to short in a vain attempt to get Suhart. Yata was hit by a pitch and then Suhart tallied when Ed Mazza bounded to deep center.

Vogt struck out 13 and gave up seven hits while Morgan of Central whiffed seven and was walked for seven bingos.

Next week the Jayvees play home games, meeting Western Michigan Bees Thursday, and Motor Wheel next Saturday.

Tigers Lose Fifth to Yankees, 2-0

NEW YORK, May 3 (AP)—The New York Yankees handed the world champion Detroit Tigers their fifth straight setback today when Alen Gettel pitched a brilliant four-inning shutout to subdue the Bronchos' former jinx, Dizzy Trout, 2-0.

Bill Dickey's third inning single, Gettel's sacrifice and Phil Minton's single brought in the first Yankee run. In the eighth, Casey Keller provided a clinch—his second home run of the season and the team's 16th in 17 games.

Gettel retired the first 17 batters in order. Trout got the first hit in the sixth; Eddie Collins the other in the seventh.

CHURCHES

(Continued from Page 2)
10:30 and 11:10 a.m. and 12:40 p.m. tomorrow by the Rev. William J. Flannagan and assistants.

CENTRAL METHODIST
"What Makes a Real Home" will be the sermon of the Rev. D. Stanley Coors at the 11 a.m. service tomorrow.

ST. PAUL'S CATHEDRAL
The Rev. A. J. Greutter from St. Andrew's church in Toledo, O., will preach the 11 a.m. service tomorrow.

Coach John Kobs will pin the Spartan hopes of shaking their losing streak on the strong-right arm of either Joe Skrocki or Robin Roberts when the State nine takes on the University of Detroit this afternoon in the third home game of the season.

The contest is scheduled to get under way at 3 p.m. on the Old College diamond. Students will be admitted by presenting their student activity books at the gate.

Lloyd Brazil, the Titan mentor, has nominated Walt Kelly, ace of Detroit's hurling staff, as his pitching selection for the game. Kelly faced the Spartans in two games last season and was defeated both times.

U. of D. came back from the trouncing handed them last Tuesday by the University of Michigan, to defeat Hillsdale on Thursday. The Titan hitters had a field day, rapping out 15 hits and scoring a total of 15 runs.

Detroit now has won four games in the last five starts this season, with victories over Central Michigan, Selfridge field, Michigan Normal, and Hillsdale. Their one defeat came from the powerful Michigan Wolverines. Bob Groves, the regular second baseman, has been released from the college hospital and has been declared by Dr. Charles Holland ready to take over the keynote position.

Jack Breslin has been moved back into the starting lineup, replacing Dick Massuch who started the Western Michigan game. Marty Hansen has been given the nod at shortstop.

The race for the starting job at third base still continues but Dick Mineweaser will probably get the go sign at game time. Harry Hughes, the other third sacker, has been suffering from a batting slump in the last few games, while Mineweaser has been showing more improvement at the plate.

The regular outfield of George Rutenbar, Bob Ludwig and Floyd Guest will be in the other garden. Big Ed Sobczak has apparently recovered from the knee injury which held him up in the earlier part of the season, and has been showing the coaching staff that he is ready to take over one of the outfield positions. Sobczak may break into the lineup as a pinch hitter if the situation calls.

Capt. Ben Hudenko will get the call for the catching duties. Hudenko has been living up to his last season's playing when he led the Spartan hitters with a .370 average.

State Tennis Team Trips Western, 5-4

Stopping Western Michigan 5-4, the Spartan tennis squad won their second match victory of the season yesterday.

Roger Cessna defeated Don Worth, of Western, 6-4, 6-1, while Dick Malaga outlasted Arnold Brown, 8-6, 5-7, 9-7 in the feature matches of the afternoon.

In other contests, Herb Hoover trounced Bronco John Milroy, 6-4, 6-2; Spartan Mike Yatchman topped Ray Postema, 6-1, 7-5; while Carl Franz and Dave Phillips were defeated by their foes from Kalamazoo.

Things looked bad in the doubles, with the couplings of Cessna-Malaga and Phillips-Hoover losing, but the number three crew of Franz and Tom Martin trounced Worth and Postema, 6-2, 6-2 to give State the decision.

Linksmen Readied For Three Meets

Six Spartan golfers will be in action three times this week in an effort to continue the team winning streak, now at two. Foes for the three meets will be Northwestern, Monday, Michigan, Wednesday, and at Detroit Friday.

Coach Ben Van Alstyne announced that the same lineup which trounced Marquette would remain intact, although its playing order may be changed by challenge matches still in progress. The starting linksmen will be Jim Funston, Dale Ottmar, Bill Kent, Jim Anderson, Johnny Wozzysko, and George Teale.

The linksmen dropped the "away" match of their home-and-home set with the Wolverines by a score of 24-3, while the U. of D. men fell before the Spartans, 23½-3½, a week ago.

The home meets will be held at the Lansing country club, starting at 1 p.m. The Detroit meet will be at Red Run golf course.

One armed drivers should always remember that there's danger in a soft shoulder.

Derby Day Fast Field Set For Big Race

LOUISVILLE, Ky., May 3 (AP)—The largest field in nine years—17 three-year-olds—will battle it out in tomorrow's tremendous 72nd Kentucky derby with Lord Boswell as the horse to beat and a throng of 100,000 expected to watch the 16 others try to do it in the mud.

Back on a peace-time basis after struggling through four years of war to keep alive its unbroken run of nearly three quarters of a century, the run for the roses spearheads sports postwar caviar and champagne era, this time, playing host to a huge horde of fans from all corners of the nation, who had money flowing around derby-town like mint juleps.

As the derby-eye julep jamboree went on like Niagara through the town tonight, the byword was "as Maine goes, so goes the derby—Maine Chance, that is."
