## 46 Seniors Will Promenade Tonight

### March to Terminate At Fairchild Theater For Alumni Elections

Winding through the campus in the annual senior swing-out tonight, capped and gowned seniors will march from one end of the campus to the other, adding students of the separate schools at specified places.

Seniors will begin the Swing-out at Ag hall as those in the Agriculture school will leave the hall at 7 p.m. to join Engineering seniors at Olds hall. The march will continue to Home Economics building where seniors in that school will next be added.

Business and Public Service and Science and Arts seniors will join the group at Morrill hall and then march with the

group to Vet clinic to meet seniors in that school.

The Swing-out will end in Fairchild theater at 7:30 p.m. where alumni class officers will be elected from a slate presented by the nominating committee.

Following the election, Pres. John A. Hannah and Alumni Director Glen O. Stewart will address the class.

Seniors who do not have their gowns are requested to be at Fairchild theater at 7:30 for the last part of the affair. In case of rain, senior class president, Jack Breslin, said all seniors are to meet in the theater at that time. The procession will be omitted.

### Candidates Will Take Comprehensive Exam For Scholarships

Over 250 Michigan high school seniors will take a comprehensive examination in competition for 64 alumni undergraduate scholarships Saturday morning.

Candidates were nominated for their scholarship and leadership by alumni committees in 32 districts.

## TODAY'S CAMPUS

### ... Mistaken Identity

Bob Storms, Niles sophomore, has been ribbed mercilessly since he was played up as a war cartoonist in yesterday's State News. Early yesterday copies of the edition were piled on the doorstep. Bob has been fairly successful in warding off the fans though by saying, "I'm not Bob, I'm Ed." Brother Ed is on campus too, and is almost a dead ringer for his notorious cartoonist twin brother.

### WSSF Drive Gains \$57 In First Day

Incomplete reports on first day donations to the current World Student Service fund drive on campus netted only \$57.15, it was revealed last night by co-chairmen Bob Butler, Trenton junior, and Gayle Oviatt, Washington, D. C., junior.

Although the total was far short of expectations and the announced MSC goal of \$5,000, it was emphasized by WSSF officials that yesterday's receipts represented only that turned in by four canvassers and donations received at the desk on Union lower deck.

Student representatives from PanHellenic council, IPC, and AWS are acting as canvassers in all housing units on campus and in East Lansing in an attempt to contact each student individually for a contribution. Members of YMCA, SWL and Town Girls are in charge of the Union desk.

Other officials of the WSSF drive are: Peggy Troup, Jackson senior, solicitation chairman; Ken Kuhn, Haslett senior, publicity chairman; Bob Williams, Iron Mountain junior, YMCA representative; and Miss Edith Runyan, YWCA secretary.

### Show To Urge World Unity

The curtain will rise on Michigan State college's second annual International Festival tomorrow night at 8, College auditorium. Interwoven throughout the festival is the central thought of a united world as expressed in its theme, "E Pluribus Unum" — "Out of Many, One."

#### Parade of Nations

The parade of nations will begin the pageant as men and women of 26 nations march on stage while "Hymn of Nations" will be sung by the mixed chorus.

Featured will be a series of acts, portraying the life of peoples of various countries. Rama Mehta, a woman from India will do a native mystic dance to the accompaniment of a drum and a song.

A Carmen Miranda act will be performed by Jose Chiriboga from Ecuador. Amparo Ruiz and Also Santoni, both from South American, will do a tango.

#### An American Atmosphere

Students will provide an American atmosphere by dancing the Virginia Reel followed by a square dance. Egypt contributes Dr. Amin Zaher of Cairo who will sing of his native country to the accompaniment of an Egyptian instrument.

Barbara Dorsam of Honolulu will perform a specialty dance in an Hawaiian scene which includes a native dance by a troupe of seven women in costume.

### Union Board Will Give Tea Dance Proceeds To WSSF Drive

Proceeds from this afternoon's Matinee dance will go to the World Student Service Fund drive which is being held on campus this week.

The dance will be held from 3 to 5 p.m. in the Union ballroom and is open to all college students. It is sponsored by Union board, and tickets may be obtained at the Union desk.

### Hilarious Laughter Will Be Proper

## Buell Stresses Top Entertainment Value In Term Play Production Of Hart Comedy

By TOM NORTHWAY

"You Can't Take It With You," hilarious comedy of the Broadway stage, will add another performance to its long history when it is presented in Fairchild theater on May 31 and June 1, Director Don Buell indicated yesterday.

For 18 months the play drew capacity crowds in New York with Henry Travers in the role of Grandpa Vanderhof. Then the comedy went on tour for two years, and veteran actor Fred Stone played the Vanderhof role. His daughter, Carol, was starred as young Alice Sycamore in the traveling cast.

#### Stresses Entertainment

"The play is one of the better examples of typical Broadway comedy," Buell stated. "And this is one of the years we've been stressing entertainment values rather than education."

This outstanding Kaufman & Hart effort won the Pulitzer Prize in 1936. It met with more widespread popularity when Lionel Barrymore appeared in the screen version seven years ago as Grandpa Vanderhof.

#### Story About Screwball

The story is that of the screwball Sycamore clan, which lives in New York in just the way it wishes, despite the intrusion of the Kirbys, bluebloods from the word "go".

Buell explained that the play lends itself well to casting in a college group. "You Can't Take

## Primaries Cut Down Council Field To 31

### 10 Per Cent Of MSC Student Body Cast Votes For Governing Board

Thirty-one Michigan State college students came out as semi-finalists in the Student council primary elections run yesterday when just under 1,000 of their fellow classmates voted for them from a list of 136.

Only 15 of these men and women will emerge from the elections Wednesday as the 1946-47 members of the newly revised council. The additional name resulted from a tie in the votes on the junior representative of the School of Science and Arts.

#### Candidates to Meet

All 31 of the candidates will meet tonight to formulate plans for the campaigning pep rally to be held Tuesday night either in front of or inside the Union building.

#### Organizations Co-operate

Dorothy Kerth, of the physical education department, was supervised the women of Green Splash, as general overseer for this water show. Such organizations as the Spartan Women's league and the Buildings and Utilities department, have lent a helping hand on decorations and construction work.

General chairman is Mary Alice Kingsbury, East Lansing senior, who has been assisted by a large group of faculty and students interested in this show.

#### Show Has Indian Theme

The theme of this aquacade is a Silver Cascade, or Indian fantasy. The entire show will center around this theme, complete with decorations representing an Indian utopia, Indian music and songs, and Indian costumes. Even the women's swim suits will be trimmed in fringe in order to carry out this theme.

In its story, the Silver Cascade depicts a group of Sky Maids, daughters of the Sun God, who made an earthly playground of a beautiful mountain lake. The women's pool has been turned into this mountain lake, by the efforts of the decorations committeemen.

#### WSSF Drive Continues

Donations will be received for the WSSF this week in the lower deck of the Union. Give generously to this noble cause.

#### All students whose names are to appear on the final Student council election ballot are requested to attend a special meeting tonight at 8 in room 17 Union annex, Helen Fisher, Grand Haven senior, has announced.

als for the School of Agriculture are David Larson and Mary Elisabeth Miller.

The eight present freshmen to run for the four sophomore positions include Margee Lee Babcock, Richard Beals, Barbara Davies, Jack Goodrich, Dawn Haugan, Richard Prince, Charles Procter and Gerald Warren.

#### Cline or Lamont

Business and Public Service juniors will vote for either Paul Cline or Don Lamont while sophomores will choose between Don Borgeson and Nicholas Gregory for their junior council representatives.

In the School of Engineering, Thomas Loring and Frank Prescott, Jr., will be the two vying for the senior representative position. Charles Bachman and Sara Donelson are the two names to be listed as junior representative candidates.

## LETTERS to the EDITOR

**EDITOR'S NOTE** — All letters to the editor submitted with the intention of being published, must be signed by the writer. If he does not want his name to appear with the letter, it must be indicated. No letters will be considered for publication unless the writer is known. The opinions expressed are those of the writers and not necessarily those of the editors.

To the Editor:  
Last Friday a letter from R. L. appeared in this column in which I became interested. It was written concerning the veterans' lack of interest in much needed social legislation, such as housing problems, price control, and other reforms detrimental to veteran interest.

R. L. went on to say that if the veteran thus continues to let Congress go on with utter disregard and "cut more ground every day from under the veterans' feet, they will allow the propagandizing influence of the national association of manufacturers and the national chamber of commerce" to promote selfish interests in the way of special class legislation harmful to the ex-GIs. R. L. concluded that what the 8,000,000 or more veterans need is an organization capable of expressing their needs and making them felt, so why don't they do something about it?

My answer to this is that there is an organization on this campus that has something to offer the GI and something to do about the aforementioned situation. It's an organization of World War II men and women, regardless of race, creed or color, who have served honorably with our armed forces, merchant marine, or allied forces, and whose motto has become "Citizen's first, veterans second." The name of the group is American Veterans

committee, and it strives for "a more democratic and prosperous America, and a more stable world."

It believes that the veteran, confronted with new problems, should have a new organization that is not dominated by a faction with views and interests which are contrary to his own. A new organization has no commitments to the past to weaken its action for the future.

Therefore, AVC, a new organization begun by GIs, backed by GIs and run by GIs can help the veteran get what he wants. It can do this by helping each veteran re-establish himself as a citizen and a working member of his community; and by work for an international veterans organization, can help assure world peace; and can work for permanent security for every veteran.

AVC realizes, too, that the only hope for real security for every veteran lies in the permanent security of every citizen of America.

The AVC chapter at MSC has just started to roll and we need men like R. L. to help. If we can realize the importance of working together and becoming, as veterans, not a burden but a contribution to the community, we shall have won a second victory.

# State Golfers Upset 'M'; Funston Leads Squad

## Abbot 18 Stays Lead Position After Close Game

Progress halted a scoreless tie between Abbot 18 and Abbot 16 in the tenth inning last night. Coffey, pitching for 16, and Fusi of 18 hurled almost the ten innings Coffey allowed one hit and Fusi was perfect for three. Both pitchers had perfect control. Fusi struck out 20 and Coffey 11.

In another well-played game Abbot 15 defeated Abbot 10 by a score of 10-0. Behind the two hitters of Barry Jones. George Coffey pitched with two men on base for the winning run.

## Abbot 14 in First

In the seven walks with Abbot 13 scored 14 in the second inning hanging a 1-0 defeat on Abbot 12. The power pitcher pounded the batters for 15 hits.

The slugfest was won by Abbot 11 over Abbot 11 with a score of 11-0. The losers committed several errors.

## Abbot 13 Has Perfect Slate

Exactly half of the dormitories played. Abbot 13 pitcher Pete Fusi, has a record of four victories, after last night's scoreless win over Abbot 10. Every team has been defeated at least once.

## Michigan Shuts Out Scoreless U. D. '9'

TROIT, May 8 (AP) — The University of Michigan jammed the bases in the fourth inning today to score its 10th shutout baseball victory in a week, blanking University of Detroit 10-0.

Michigan hurlers, Irving Biss Bowman, Earl Block, Vic Savage, combined to shut out the Tigers to three hits as the three registered their ninth, 10th and 11th starts this season.

Swanson, slugging Michigan catcher, belted two doubles in four trips to the plate, knocking in three runs.

Taking four singles and all best ball matches the Spartan golf squad turned the tables on the powerful University of Michigan linksmen, handing them a 20-7 trimming.

The meet was an almost complete reversal of the form shown by the two clubs in their previous meeting. Pacing the State squad, as usual, was Jim Funston, whose 71, a low score even for him, easily took medalist honors on the difficult Country club course. Funston swept his singles match and, with Dale Ottmar, took a best-ball tilt.

George Teale, currently seeded second among varsity linksmen, took a 3-0 decision, as did Johnny Wokzyske. Jim Anderson took a 2-2-1/2 victory in his singles match.

In other matches, Pete Elliott, Wolverine golfer, defeated Bill Kent, 3-0, and Dale Ottmar dropped a 2-1 decision.

In best ball rounds, the Funston-Ottmar and Wokzyske-Teale combos took 3-0 wins, while Kent-Anderson drew a tie. This victory brings the season's record so far to three wins and two losses.

Because of their success against 'M', the same lineup will appear against Detroit in a meet to be held at Ben Han golf course on Friday morning.

## Two Hitter Gives Tigers Win, 1-0

WASHINGTON, May 8 (AP) — Hal Newhouser pitched like anyone but a man with a chipped elbow today as he held Washington's Senators to two hits and hurried Detroit's Tigers to a 1-0 victory.

Aided by the season's first triple play at Griffith stadium, Newhouser returned to the mound after giving his arm a week's rest and nosed out Roger Wolff in a brilliant pitching duel. Wolff yielded four singles, three of them of the infield variety.

In this clash of two of last season's 20-game winners, the Tigers got the only run in the fifth inning on an error by second baseman Gerry Priddy.

The Tigers killed off Washington's best scoring chance in the third inning by executing the triple play.

# Page To Hurl When State Plays Normal

By JIM CARR

Coach John Kobs has nominated Bill Page, the sophomore right hander as his pitching selection when the Spartans travel to Ypsilanti to renew their rivalry with the Michigan Normal college nine, Friday afternoon.

Page has a record of two wins and no losses so far this season. Both victories came on the recent vacation training jaunt. He has not made an appearance in any of the five games played since.

The Spartan coaching staff has moved Ernie Shuhart up from Dee Manion's junior varsity. Shuhart plays either third base or short stop, and may be Kobs' answer to his quest for another hard-hitting infielder.

**Shuhart Good Hitter**

Shuhart had been showing that he is a consistent hitter by displaying potential power at the plate in the past Jayvee games.

## Spring practice in boxing, an innovation in Spartan athletics, will get under way Monday, May 13, at 4 in room 269 of Jenison gymnasium.

Cash Lou Zurza stated today. All those interested are asked to report at this time to see a movie of last season's Wisconsin-MSU matches.

and varsity intersquad bouts of the past two nights.

Kobs continues to shuffle his lineup in order to find a suitable replacement for the outfield position vacated by Bob Ludwig's army induction.

The most likely starters are Pat Peppler and Ed Sobczak, Kobs stated last night that the Normal pitching staff will determine who gets the starting nod Friday. Peppler is a left handed pitcher while Sobczak bats from the right side of the plate.

**Irish Next Home Contest**

The Spartans will meet Notre Dame university in the first game of a home and home series here Saturday.

This game will be the feature game of a double header. The Spartan junior varsity will take on Motor Wheel team of Lansing at 1, the main event will get under way at 3.

## Sigma Nu Downs SAE To Gain Tennis Finals; Face Phi Tau's Monday

Sigma Nu and Phi Kappa Tau tennis teams will meet this evening on College courts next to Dem hall for the fraternity net championship.

Joe Beyer and Dick Simpson, will represent Sigma Nu while the Phi Kappa Tau's will have Bill Ottmar and Bob Ferguson match.

Yesterday Beyer and Simpson tripped Sigma Alpha Epsilon in overtime sets to put Sigma Nu into the finals. The same two teams battled to a tie last week which was called due to darkness.

The winners took SAE's Howie Grasher and Jake Miliken, 19-3 and 8-6, in the closest and best played affair of the present Greek net competition.

## DZVs Meet Myrt's

DZV will meet Myrt's Marauders in the final of the Independent softball league on Diamond 4 tonight. Starting hurlers will be Ollie White for the DZVs and Joe Krakora for the Marauders. Both teams are undefeated.

# JVs Meet Western Michigan After Fifth Straight Win

By JACK WORTH

Meeting Western Michigan on Old College field at 4:10 today, the Spartan Jayvees will attempt to run their current winning streak to five straight games.

Lee Smith will start on the mound for Michigan State, with Vern Davis catching. Dick Yata, who homered to beat Central Michigan last week, will be at first in the infield with Art Ross, second base, Carl Moss third, and Norm Schmitter shortstop.

In the outfield Coach Manion will use Harry Paul, John Markas and Harold Monke.

Since the opening game defeat by Jackson Prison, the Jayvees have taken two victories from Central Michigan, and single games from Motor Wheel of Lansing and Muskegon Junior college. A second game with Motor Wheel will be played Saturday.

# Byrnes Asks Ministers To Recognize Failure

## Molotov Opposes Secretary's Plan

PARIS, May 8 (AP) — U. S. Secretary of State James F. Byrnes proposed abruptly tonight that the Conference of Foreign Ministers recognize its failure to agree on terms for Europe's peace treaties and refer their differences to a 21-nation peace conference June 15.

The ministers' conference appeared to be breaking up in discord between the Soviet Union and the western powers, and a member of the American delegation said that while it probably would last into next week, there seemed little hope of resolving the major differences.

Byrnes' proposal won prompt support from both Foreign Secretary Ernest Bevin of Britain and Foreign Minister Georges Bidault of France, but Soviet Foreign Minister Vyacheslav M. Molotov demurred.

American sources said Byrnes cited as the American position a pledge by the Moscow conference last December by the Big Three to the French — that the European peace conference would be no "rubben stamp," but would have the real purpose of advising the major powers.

Thus, Byrnes was said to have pointed out, there was no real need for the foreign ministers to achieve complete accord.

## MSC Orchestra, Choir To Appear For Composers

Under the direction of Alexander Schuster, the MSC orchestra will play two groups of selections, and the choir, under the direction of William Kimmel, will sing two groups of songs for the American Composer's congress being held in Detroit this week.

MSC will be the only college privileged to present a complete program at this congress.

This evening has been designated as "MSC night" and at this time the campus representatives will have the honor of presenting a prize-winning composition. This selection, "The Singers" by John W. Work of Nashville, Tenn., was written for mixed chorus, orchestra, and baritone solo.

This congress, nation-wide in scope, will have many of the best-known American composers as visitors and performers. Four of the concerts will be given by the Detroit Symphony orchestra. Prizes have been awarded for compositions written for various instruments, choir, chorus, band and orchestra.

## Ag Council Plans Honors Banquet

May 23, the Agricultural council, in cooperation with the School of Agriculture will hold its first annual honors banquet since 1942.

Recognition and awards for outstanding leadership and scholarship in the School of Agriculture are to be presented. Awards will be sponsored by Alpha Zeta, national agricultural honorary, Xi Sigma Pi, national forestry honorary, and various commercial concerns.

Tickets may be obtained from Dean Anthony, 13 Agriculture hall, or at the Union desk.
