## Bituminous Operators Accept Coal Strike Truce

### State Nine To Face Notre Dame After Whipping Michigan Normal

"Scattered showers" said the weatherman, but Michigan State athletes and sports fans are hoping that he will be wrong this time as there are several events on tap for today. The Spartan baseball club is expected to meet Notre Dame university at 3 p.m. on Old College field and the football team will be holding an inter-squad game on Macklin field at 1.

#### Games Start at Noon

State's Jayvees will also see action, meeting the Motor Wheel Industrial team from Lansing at noon on the freshman diamond.

The Spartan nine, fresh from a 10-3 triumph over Michigan Normal in Ypsilanti yesterday (complete details on sports page) will be shooting for its 13th victory of the season.

Coach John Kobs will have Joe Brock on the mound with Rocky Walsh doing the receiving against the Irish. Kobs used all See **BASEBALL, Page 3**

### Festival Receives Congratulations Of U.N. Leader

Twenty-five nations approached a bit closer to the doorstep of many Americans who attended the International Festival last night in College auditorium.

The program combined dignity and fun, the rhythmic chant of an Egyptian song, a gay South American serenade, strangeness of oriental music and the mystic movements of an Indian ballet.

Dr. Quo Tai-chi, chairman of United Nations security council, gave recognition to MSC's International Festival in an open message to students and the audience. He read in part: "I firmly believe that any effort to bring together the different peoples of the world will contribute to the cause of international cooperation and world peace. I wish to congratulate your college on its noble endeavor in that direction."

Senator Vandenberg also sent a telegram to the college in praise of the festival. —P. P.

### Lewis Orders Workers Back Into Coal Mines

#### Agreement Reached on Welfare Fund

WASHINGTON, May 10 (AP) — The Bituminous operators negotiating committee tonight accepted John L. Lewis' two week truce proposal for re-opening the nation's strike bound mines.

### Indian Legend Draws Many On First Night

Green Splash, women's swimming honorary, churned Women's gym pool into multi-colored foam last night in presenting their annual water show, Silver Cascades, before a capacity audience.

Theme for the aquacade was "Indian Fantasy" and gave performers ample opportunity to show their talents in the legend of an Indian queen's rescue from a sea monster by young braves.

#### Spots Play on Swimmers

Colored spotlights played on swimmers as they frolicked about an artificial waterfall at one end of the pool. The other was used as a stage for speciality dances, a soloist, and a trio which supplied Indian music.

Men took part in the aquacade for the first time since 1931. As Indian braves, they pursued the monster in the legend and later returned for outstanding exhibition diving.

#### Finale Impressive

For an impressive finale, five divers plunged into the water from the low board, balcony, and tower.

"Silver Cascades," directed by Dorothy Kerth, of the physical education department, is scheduled for its final performance tonight at 8. —T. N.

#### WASHINGTON, May 10 (AP) —

John L. Lewis today conditionally waved his 400,000-strike coal miners back to the pits for a two-weeks truce and the White House said both sides to the conflict had agreed to the principle of a miner's health and welfare fund.

One jump ahead of expected action by an armed Congress, Lewis directed the United Mine workers to dig coal until May 25 if the operators would agree to make any pay increase retroactive.

#### Hope for Price Increase

Spokesmen for the "captive" mines—diggings owned by steel companies which use their output—quickly agreed to the offer. Other mine operators called a meeting to determine their course. They obviously were hoping for some guarantee of price increases to meet added costs.

Summoned to the White House for a 4 p.m. conference, Lewis and Charles O'Neill, operators' spokesman, told reporters afterward that the President had called upon them to reach a contract in four or five days.

#### Agree on Welfare Fund

Then Charles G. Ross, presidential secretary, informed the newsmen that Lewis and O'Neill had agreed, in the presence of the chief executive, to the principle of a welfare fund. They agreed also, Ross added, to the necessity for safety provisions in minings.

Lewis has stressed his demand for a health and welfare fund. Operators have said he wants a union-controlled fund financed by a royalty on each ton of coal.

### Class Of '46 Vote Seekers Elects Alum Officers

Results of the elections of alumni officers by the senior class at swing-out Thursday night have been released by Alumni Director Glen Stewart.

Jack Breslin, Battle Creek, was elected alumni president for the class of '46.

#### In Men's Offices

The office of men's alumni secretary went to Glenn Johnson of Grosse Ile, and Richard Curtis, Lowell, will direct men's alumni activities.

Marion Clarke, Birmingham, won the election for women's alumnae secretary. Janice Hopps, Ypsilanti, will serve as the women's alumnae director.

#### Hold Office Five Years

The new officers will hold their positions for five years. According to Stewart, their chief job during this time will be gathering news about their classmates for publication in the MSC Record, alumni quarterly.

They will also be in charge of the class's first reunion in 1951. Election of alumni officers for the next five-year period will take place at the reunion.

Stewart stressed the fact that all alumni are entitled to free subscriptions to the Record and should keep the alumni office informed of any changes of address.

### Vote Seekers State Views

Candidates seeking Student council offices have been asked by the State News to submit statements on their candidacy. These statements, listed according to the schools the candidates want to represent, appear below. Those statements not included today will appear in Tuesday's issue.

#### School of Science and Arts— for senior representative:

"Student council, as well as numerous other campus organizations, aims for the goal closest to every Spartan—student independence." —Kathleen Masson, Lorain, O.

"Student council stands for student government, and it is up to you to choose your representative. Put voting on your 'must' list." —Toni Procissi, Flint.

"I believe that the council can be a more active body working in the interests of all the students. It should listen to the voice of the students and act." —Mary Schuyler, Detroit.

#### School of Science and Arts— for junior representative:

"The so-called 'cut system' we have here now is ineffective and old fashioned. I intend to propose unlimited cuts for the student body." —David Brodepick, Grand Rapids.

"There is a job to be done. We'll do our part if you'll do yours by supporting Student council. Vote for your candidate." —Ruth Meinke, Detroit.

## 'HONOR THY MOTHER' — The Bible Special Day Founded To Honor Mothers Who Play Great Part In American Life

By KATHIE REED

"What does my mother mean to me?" is a good question to ask yourself around this time of the year, for whether old or young, known as "ma" and "mom," mothers have proved to be important in the development of great men and women.

Tributes have been paid to mothers by famous figures in history such as George Washington to his mother, Mary Ball Washington; James McNeill Whistler to his mother, Anna McNeill Whistler.

Theodore Roosevelt's great lines to his mother, Martha Bullock Roosevelt, were "The Woman's task is not easy—no task worth doing is easy—but in doing it, and when she has done it, there shall come to her the highest and holiest joy known to mankind."

Modern mothers are also winning acclaim. In 1935 the American Mothers' committee of the Golden Rule foundation began offering a prize each year to the typical American mother. The American mother selected for this year is Mrs. Emma Clarissa Clement, of Louisville, Ky., 71-year-old mother of seven children, and granddaughter of a slave. She is the first negro to be so honored by the American Mothers' committee. In 1908, Anna M. Jarvis of Philadelphia, suggested the first observance of Mother's day, arranging a memorial service for her own mother. Through the years, Mother's day has been the second Sunday of May, by proclamation of the U. S. president.

#### Select American Mother

The American mother selected for this year is Mrs. Emma Clarissa Clement, of Louisville, Ky., 71-year-old mother of seven children, and granddaughter of a slave. She is the first negro to be so honored by the American Mothers' committee.

In 1908, Anna M. Jarvis of Philadelphia, suggested the first observance of Mother's day, arranging a memorial service for her own mother. Through the years, Mother's day has been the second Sunday of May, by proclamation of the U. S. president.

#### Students Heal Home

On campus, many organizations are observing Mother's

observance of Mother's day, arranging a memorial service for day by planning breakfasts, dinners, or various other forms of entertainment in their honor. Many other students are going for the weekend, taking their best wishes for a happy Mother's day with them.

"Honor thy father and mother," is one of the ten commandments, and all will agree that it should hold true all the year round. However, it seems only fitting that one particular day should be set aside for each parent, in which to show love for them and thanks for the great task they are accomplishing.

### Military Inspectors Will Review ROTC

Two inspecting officers will arrive on campus Monday morning to review ROTC classes, instructors and facilities. Col. John L. Whitelaw, commanding officer of the military department, announced yesterday.

Second army headquarters, through sixth service command, designated Lt. Col. William Van Antwerp and Lt. Col. Gordon L. Beach for this task. Both men are experienced veterans with overseas time to their credit.

## Weekend Social Calendar Offers Program Of Four Private Parties

Four private parties make up the slim social calendar for tonight's campus frolicking.  
A semi-formal term party for the Alpha Xi Deltas and their guests will be held in the Union ballroom from 9 to 12 p.m. with Jimmy Shafer providing music melodies.  
"Roses" has been chosen as the theme of the closed event, according to Carolyn Forrester, general chairman. Patrons will be Prof. and Mrs. W. H. Combs and Prof. and Mrs. R. M. Gonso.

## AVC Chapter Plugs Extension Of OPA

Newest of the veterans' organizations to form at Michigan State is the American Veterans' committee, Lansing chapter number one. The Spartan AVC chapter is now awaiting acceptance of its constitution which has been submitted to the Student Council for approval. George Diadiun, Chicago freshman and acting chairman, has announced.  
The Lansing branch has its headquarters established in the Union annex and meets each Tuesday at 7 p.m. AVC is a world-wide set-up with 27 overseas chapters in the European and Pacific areas, as well as 133 divisions across the nation.  
The veterans' organization was founded two years ago by ex-GIs who felt that the existing organizations did not fulfill their aims. Express purpose of the AVC is "to make America the symbol of the kind of world which they fought for" and "a world organization strong enough to prevent having new veterans from a new war."  
The local AVC chapter has come out in full support of the OPA and for the past week has been circulating petitions to Congress demanding extension of price control without crippling amendments.

### Abbot Has Radio Party

Abbot hall men will entertain their dates at an informal radio party from 9 to 12 tonight, social chairman, Bob Westcott. Farmington junior, has stated. The Abbot hall grill will be open for refreshments and records will provide the music for dancing.

Kappa Kappa Gammas are holding their term party at the chapter house from 9 to 12 p.m. June Wheaton, Birmingham junior, said. The semi-formal dance will honor the new Kappa initiates. Prof. and Mrs. John Kobs and Dean and Mrs. Ralph Huston will chaperon the party.

### State News Staff Party

The State News staff is having a get-together at the Forestry cabin from 8:30 to 12 p.m. Refreshments, dancing, and card games will furnish the entertainment. Prof. and Mrs. A. A. Applegate, Prof. and Mrs. Alan Scott, and Mr. and Mrs. Charles Foo are patrons for the affair. Members of the copy editing class are invited to attend the party.

Tomorrow Alpha Chi Omega has planned a Mother's day luncheon. East Mary Mayo coeds will also entertain their mothers at dinner from 12:30 to 2 p.m.

### Campbell Honors Mothers

Campbell hall women, besides honoring their mothers at dinner, are giving a program for their guests.  
Instead of corsages for Mother's day the Alpha Phis will buy canned goods and label them with the mother's name and address as their contribution to the Emergency Food drive, which will start tomorrow. Mrs. Thomas H. Osgood, chairman of the drive, has announced.

## CAMPUS CHURCHES

### ST. THOMAS AQUINAS

"The Christian Mother" will be the theme of the sermons at the 8 and 10 a.m. and 12 noon masses tomorrow. The Rev. Jerome V. MacEachin and the Rev. Michael Mleko will officiate.

### PEOPLES CHURCH

The Rev. N. A. McCune will speak on "Modern Mothers and Modern Families" at the 9:30 and 11 a.m. service tomorrow. Student vespers begin at 7:15 in the evening and the student fire-side discussion at 8 p.m.

### UNITY CENTER

"Patience and Forgiveness" will be the theme of the sermon by Rev. Roxie G. Miller at the 11 a.m. service tomorrow.

### CANTERBURY HOUSE

Holy communion will be celebrated at 8 tomorrow morning and breakfast will be served at 8:30. The Canterbury club meets at 6:30 p.m. each Sunday.

### CHRISTIAN SCIENTIST

"Adam and the Fall of Man" will be the topic of the sermon at the 11 a.m. service.

### COLLEGE LUTHERAN

At the worship service beginning at 10:30 a.m. in the State theater, the topic of the sermon tomorrow will be "Wanted: God-Fearing Mothers!"

The Rev. Ulrich Groth was installed as the assistant pastor for Lutheran students at Michigan State last Sunday.

Many are squawking that Uncle Sam is again playing a loan hand in world affairs.

Alimony—A contraction of the phrase, "All of his money."

# Three Homers Give 'S' Win Over Rain Soaked Hurons

By TOM RIORDAN

LANSING, May 9 — Cashing in on three home runs, with the bases loaded, Michigan State climbed back to the victory trail here this afternoon when the Spartans thumped Michigan Normal, 10-3.

The game was played in a steady downpour which finally caused the contest to be called in the eighth inning.

Bill Page went the distance on the mound for State, but had a hard time getting the ball down due to the rain. He allowed three hits, two of which were

home runs. The first Spartan home run collected a trio of runs over the short center field wall. Ed Groves, playing his first varsity game in the Spartan outfield, hit a three-and-one pitch in the second with the sacks full.

Groves' first round-tripper, a home run, was followed by a home run by Groves, State right fielder, who collected one of the homers. He collected two other hits, both sacrifice bunts that collected runs.

Another Spartan home run collected by second baseman Groves, who had a perfect game at the plate, getting two besides his round-tripper.

The game on ice was punched over one run in the first, but saw the ball game when the Huron first baseman, Chuck Nemeth, lead-off, dropped a three-and-one over the centerfield fence.

The Spartans put the game on the second frame when they scored five runs. Groves got the first blow of the game to open the frame. Dick Mineweaser was in an error, and Bill Page was first when his bunt went to the fielder's choice to fill the

break humered to clear the bases and Guest followed with a home run, this one clearing the 330-foot mark in right field.

Another Spartan Run in the fourth when Pete Groves was walked and moved on a passed ball. Sub-

sequent also drew a pass and once more Guest tried to sacrifice the runners ahead, but got a hit when his bunt wasn't played. Both scored when Dick Massuch singled to center.

Arnie Suhart walked and Ben Hudenko popped to the catcher, but Groves came through with a bingo, scoring Guest and Massuch.

Playing the complete game at shortstop for State, Suhart saw his initial varsity action since coming up from the Jayvees last Tuesday.

## WOMEN'S SPORTS

By MARGE McRAY

Joyce and Janet Johnson again faced the Alpha Pi Phi to victory in a game played this week to defeat Alpha Omicron Pi 11-7. Jean Ingerson was back playing for Alpha Omicron Pi after an ankle injury suffered in a game last week.

Robinson House whitewashed Mason 3, 16-3, with Sue Waite being credited as the winning pitcher. Hard hitting Olive Boat and Fran Grossmule brought in several of the 16 runs scored by Robinson house.

## BASEBALL

(Continued from page 1) right-handed hitters against the Hurons yesterday when they employed left-handed hurlers.

If Notre Dame starts a right-hander, Kobs stated he will move Marty Hansen, shortstop; Jack Breslin, first base, and Pat Perpler and George Rutenbar, outfielders, back into the lineup.

Another change that the Spartan mentor stated he would make is replacing Dick Mineweaser at third with Harry Hughes.

# Spartan Gridmen End Spring Drills With Game Today

Coach Charley Bachman's Spartan football squad, in keeping with this week's fallish weather, concludes its spring practice session with the annual inter-squad game at 1 p.m. today on Macklin field.

This afternoon's contest, which is free of charge to the general public, will permit Spartan boosters to see what the team will look like next fall.

The starting lineups of the "Black" and "White" teams will probably be changed many times in the course of the afternoon as the coaches will substitute freely and move men from one squad to another in order to see the largest number of prospects in action.

A mixture of old and new names appear on the squad rosters for this game. For the "Blacks," returning veterans Ken Balge, Algy Conner, and Russ Gilpin are expected to vie for honors with Mark Blackman and Walt Veimar, letterwinners of last year.

The "White" squad lineup has a less familiar list. Warren Husky, big 17 year-old from the '45 squad, has one of the end posts, and center Dave Lundquist, will start at fullback.

BLACKS	WHITES
Balge	RB
Husky	RE
Conner	RG
East	LT

# State Cindermen Face Marquette

Coach Karl A. Schlademan's Spartan cinder squad will face Marquette today in a dual meet at Milwaukee.

Schlademan has named a 25-member squad to wear the Green and White at the meet led by veteran vaulter, Ted Woneh, Leonard Naab hurling the javelin, Bruce Drynan in the discus and the mile relay combination of Dick Zobel, Ray Beckord, Al LaGrou and Jim Frasier.

Other members of the aggregation leaving here today are Tim Barbas, Jim Barbour, Francis Cappaert, Jim Gibbard, Lawrence Harting, Milford Jones, Ed Kazinski, Walt Kainbach, Walt Mack, Harold Mayhew, Ray Niemeyer, George Osborn, Russ Reader, Bob Scheyers, Dave Sorenson, Jim Tanner, Bob Vosberg and Dick Zobel.

Tobacco plants found in many southern states and in some cigarettes.

# 'S' Linksmen Stop Titans

Keeping on their winning ways, the Spartan golf squad defeated the U. of D. Linksmen, 21-6 yesterday, in a meet held at Red Run golf course in Detroit.

Sal Pomante, top Titan golfer, edged Jim Funston, 75-76, to take three singles points from the Spartan ace, and also meet medalist honors.

Dale Ottmar, Jim Anderson, and Johnny Wawzyko scored 3-0 victories in their singles competition while Bill Kent stopped Jim Brodie, 21-19. George Teale was defeated, 1-2.

In doubles matches, Funston-Ottmar won 21-19, while Kent-Anderson and Wawzyko-Teale took 3-0 victories.

In individual scores, Funston led the Spartans with 76, Kent rated second with his 77, and Wawzyko placed third with 81. The next meet will be Monday in Detroit, against Wayne university.

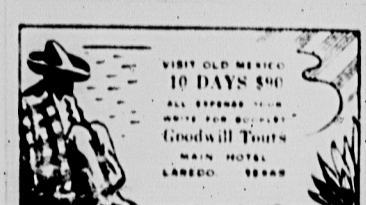

# Sigma Nu Tops Phi Tau For Net Title

Sigma Nu doubles tennis team came from behind in the first game to take the championship series, 7 to 3 and 6 to 0, from the Phi Kappa Tau's last night.

The Phi Tau team, Bob Ferguson and Bill Ottman jumped out to an early lead in the first game and were ahead 4-0, when Joe Beyer and Dick Simpson of Sigma Nu began to recover their old winning form.

Beyer and Simpson continued in the second set to turn back the Phi Tau pair without too

much trouble by winning the six straight games. This match gave the Sigma Nu team the interfraternity title, having won all their previous titles.

# Expanding the heart of the telephone system in Michigan

A telephone system that permits you to call any telephone in your city or virtually any telephone in the world is not a simple thing.

The telephone instrument and the wires that link the customer's premises with the pole line or cable are the visible parts. But the real heart of a telephone system is behind the doors of the "central office" where a maze of wires, terminals and switches connect your telephone with the one you want to reach. And there's a limit to the number of telephones a given amount of this equipment can serve.

Right now, in telephone exchanges throughout Michigan, we're putting in more switching equipment just as fast as it comes from the factories, to catch up with the war-born shortage.

Meanwhile, in order to give some type of service to as many waiting applicants as possible, we're continuing to stretch our present facilities to the limit—even at the risk of temporarily lowering the quality of service.

We shall spare no effort to fill each order for telephone service in its proper turn just as soon as we can.
