## Roberts Fans 11 To Shutout Tartars

## Candidates For Mardi Gras Face Initial Balloting Today

## TODAY'S CAMPUS

### Suds-Plussed

Mason and Abbot halls' new suds-saving device, the Bendix washer, created quite a furor in the laundry room yesterday when an inquisitive character opened the door in the front of the machine to see how the washing was progressing. He was damply surprised as suds, water and clean clothes poured onto the floor at his feet.

### Audience Enjoys Concert Music Despite Rain Fall

An enthusiastic, though damp, audience attended the first of the 80-piece Michigan State college band in the band shell last night.

Under the direction of Leonard Falcone, the band rewarded the large number of students

The registrar's office still has many student ID cards. Students are requested to pick these cards up immediately. Basic college students are especially asked to get their cards before the comprehensive exams begin.

Townpeople who braved the rain with an enjoyable and finished performance.

Selections from "Oklahoma" and "Song of Norway" were well received, although the singers were handicapped by the fuzziest of the microphone. In addition, the band played the popular "Holiday for Strings," "Malediction," and Wagner's "Album Leaf." —L. K.

## Students Pick New Governing Council

### Representatives To Elect Officers For Coming Year At Annual Banquet

Sixteen hundred Michigan State college students turned out yesterday to choose the Student council which will represent them for the coming year. The 18 new councilmen will choose their officers Wednesday at a banquet of old and new council members.

### India Veteran Talks Tonight

Eleanor Morrison, former Red Cross worker, will speak at the Home Economics banquet tonight on "If You Lived in India." Miss Morrison spent 18 months in the CBI the-

ELEANOR MORRISON ... speaks on India ...

ater, where she served as director of service clubs.

The annual banquet is scheduled for 6:30 in the Union ballroom and is under the general chairmanship of June Helbig, Cleveland Heights, O., junior.

During the evening Marie Dye, dean of the School of Home Economics, will present awards and scholarships to honor students.

### Annual Speech Dinner Will Feature Plays, Awards to Students

The speech department will hold its annual banquet on Friday, May 24, in Peoples church. Chairman Patty Shepard, Royal Oak senior, states that the dinner is an open affair and that tickets may be purchased at the speech office.

Speech awards will be presented to outstanding students in the department.

### Moundsman Holds Wayne Batters To Five Safetys

By allowing Wayne university only five scattered hits, Robin Roberts hurled the Michigan State Spartans to a 3-0 victory over the Tartars yesterday afternoon on Old College diamond.

The Spartan hitters worked Jack Hooveh, the Wayne pitcher, for seven safeties and four bases on balls while Roberts gave up five hits, walked two, and struck out 11 Tartar batters and was never in trouble throughout the game.

### State Takes Lead

State took the lead in the third inning when Ed Sobczak singled down the third base line and went to second when Wayne's

## News in Brief

WASHINGTON, May 15 (AP)—Deadlocked over John L. Lewis' demand for a seven per cent payroll levy, coal peace talks were broken off today and the negotiators went to the White House with empty hands instead of the signed contract requested by President Truman.

Government conciliators had stepped in and halted the negotiations between Lewis and the operators after the latter flatly rejected the program for a union-controlled health and welfare fund to be financed by the mine owners through a payroll levy.

WASHINGTON, May 15 (AP)—The Senate banking committee voted 11 to 5 today for a year's extension of OPA, then took a four-day recess to enable members to prepare amendments to the extension bill.

The present price control law expires June 30. The House voted for an extension of only nine months.

NEW YORK, May 15 (AP)—A proposed rule which would permit the United Nations Security council to keep its proceedings secret even from fellow members of the United Nations will come before the council tomorrow with strong indications it will be approved.

Candidates for king and queen of the annual semi-formal Mardi Gras have been nominated by sorority, fraternity, dorms, co-ops, and off-campus houses, Bill Page, Muskegon sophomore, has revealed. The dance will be held Saturday evening from 8 to 12 in College auditorium.

Primary voting will take place in the lower deck of the Union today. Final balloting will be held tomorrow. Students can vote for both king and queen.

### Greek Women Nominate

Sorority nominees for queen are Barbara MacLean, Alpha Chi Omega; Marie Matte, Alpha Gamma Delta; Helen Boehler, Alpha Omicron Pi; Dora Jean Lindbloom, Alpha Phi; Carolyn Forrester, Alpha Xi Delta; Jean Procter, Chi Omega; Janet McFarlane, Delta Gamma, and Toni Procissi, Delta Zeta.

Others include Joan Bowman, Gamma Phi Beta; Peg Frimodig, Kappa Alpha Theta; Phyllis Bainbridge, Kappa Delta; Pat Remington, Kappa Kappa Gamma; Pat Combs, Pi Beta Phi; Jacqueline Taylor, Sigma Kappa, and Ruth Kotz, Zeta Tau Alpha.

### Selections from the Dorms

Dormitory candidates are Phyllis Collins, North Campbell; Phyllis Smith, South Campbell; Dee Dee Smith, East Mayo; M. J. Burns, West Mayo; Joyce Cottrill, North Williams; Frances DeBruyn, South Williams; Penny Nitz, Mason, and Barbara Mitchell, North hall.

Town Girls have nominated Peggy Jane McBride; co-ops, Marion Haglund, and off-campus houses, JoAnne Savoie.

### Candidates for King

Men running for king of the dance are Robert Turner, Alpha Gamma Rho; Floyd Guest, Alpha Tau Omega; Walter Naas, Delta Chi; Harold Sessions, Delta Sigma Phi; Glenn Johnson, Phi Delta Theta; Richard Prince, Phi Kappa Tau, and Harry Hughes, Sigma Alpha Epsilon.

Also included are Roy Niemeyer, Sigma Chi; Tom Riordan, Sigma Nu; Bob Butler, Theta Chi; Carroll Chapman, Psi Upsilon, and Andy Lindsay, Kappa Sigma.

## Building Workers Highlight Campus Scene

By PHIL SPELMAN

Judging from the crowds of enthralled onlookers, one of the smash hits of this season is the pageant of building construction on campus. The scenery includes stacks of bricks, fleets of trucks, and small grey office buildings; and the players are the

tough bosses, carpenters, masons, timekeepers, and even the waterboy.

### Alumnus Directs Operations

At the site of the new classroom building, a prop called a Northwest Dragline crane scoops up a ton of dirt in every mouthful. The operator, Buck Merindorf, would rather dig holes than anything else in the world. Red-headed Norm Baux, who left State for the armed forces in '42, offers to trade his shovel for anybody's tennis racket, rain or shine.

The fate of the new building is in the hands of alumnus Vince Vanderburg, star football center of '37. Van's combat boots are a holdover from his days as an engineer officer in the ETO.

### Knocked on the Beam

Vanderburg has a rough crew of men. Just the other day a six by six beam fell on a workman's cranium and didn't even faze him. Accidents have been unusually few, with only one man going to the hospital since the building began.

At the site of Snyder-Phillips

hall, New men's dorm, Dick Linnend superintends the job. He says that a record has probably been broken in that only three and a half days have been lost because of weather since December when the project was begun. Dick is an amazing gentleman who went through the engineering school of Maine university with only a country school background.

The curtain will come down on construction of most of the buildings before the beginning of fall term, but in the meantime geology students stand about studying the depth of the campus topsoil, engineers dash up to catch a few minutes of construction procedure, and landscape architecture men are mentally planting their trees.

The presentation system, as set forth under the new Student council constitution, gives the School of Science and Arts four representatives. They will be Dick Mosher, Tom Procissi, Joe Bogart, and Ruth Meinke.

### Veterinary Medicine

William Jackson and Russell Abbott will be the representatives for the School of Veterinary Medicine, while Tom Loring and Charles Bachman have been selected by members of the School of Engineering.

School of Home Economics majors have chosen Grace Johnson and Margaret Foster, and the School of Agriculture gave majority votes to David Larson and Gary Granger.

### Cline and Gregory

Paul Cline and Nank Gregory will represent the School of Business and Public Service.

Four sophomores, Dick Beals, Dawn Haugen, Richard France, and Gerald Warren, have been chosen as the representatives for Basic college. Three freshmen will be elected next fall to complete the Student council.

### Graduation Exercise Tickets to be Ready For Seniors May 24

Baccalaureate and commencement tickets will be given out to seniors beginning May 24 in the office of the registrar.

Seniors will be entitled to six tickets apiece for each event and those remaining will be available after the first distribution. Beginning May 31, more baccalaureate tickets will be ready and the extra commencement tickets will be passed out at the registrar's office on June 6.

## Anti-Necking Drive Hits MSC

During the past week the college has quietly launched an unofficial campaign against "necking" and "smooching" in public view on campus. In doing so no suggestions or opinions were sought from any of the campus-wide organizations such as the Student council, AWS, or IFC-PanHel which would seem to be the logical manner in which to handle the situation.

Taken as a majority, Spartan students would be in favor of eliminating the indiscrete necking which has graced our campus for some time, in that it is embarrassing to all who pass the way of the offenders. As has been much in evidence, the aid of the campus police has been enlisted and they have taken to the execution of their duties over-zealously, to say the least.

As the drive was originally begun, it was understood that in the main the students conduct themselves in a mature manner becoming mature persons and that the few violators needed only a reminder or two in order that the situation be eradicated. It is obvious that this point needs clarifying for the benefit of the local constabulary.

### Spring FANTASY

For those of you who automatically connect "suit" with "spring," Paul Sachs has designed this two-piece dress to combine your yearnings for a suit and a dress. Black leaf applique rounds your tiny waist, softly ties in the front and disappears in the back... Rayon Gabardine in Pale Green, Champagne, Mist or Sun. Sizes 10 to 18.

## Affairs of State

By LIZ CORRY and THAIS LUCAS

ANYONE just visiting the campus for a week might think that the Hollywood version of college life as one song and dance after another isn't too far from wrong. Senior dances, last night's band concert, Saturday night's big name band, the sorority sing which is slated for Sunday . . . all look like quite a social career. Add to this the current pinnings and engagements, and the screen versions look dull.

Elsworth house members will be heading for the Red Cedar to carry out their tradition of a river party for pin passers. Mel LaVerne, Detroit junior, passed his pin to Ginnie Snyder, Grand Rapids junior; and Harry Wil-sin, Saginaw junior, passed his to Jacqueline Kretz, Saginaw junior.

Mary Hunsbury, Detroit freshman, received a diamond from Clark Broadwell, also a Detroit freshman.

Mary Liz Hanson, Alpha Phi from Detroit, is now wearing Dick Smith's Psi U pin. Dick is also from Detroit. A fraternity brother, Dick Wier, of Birmingham, passed his pin to Jackie Potter, Kappa from Lima, O.

Barbara DeGaw, Detroit junior, over at the Sigma Kappa house has that old gleam in her eye. Barbara received a ring from Tom Clements, a Phi Delt at Miami university. Tom just returned from the Pacific and will attend State next year. See AFFAIRS, Page 4

# Netmen Meet Tartars Today

MSC tennis team will be in its first East Lansing appearance this afternoon when it meets Wayne university on the university courts at 3. The Spartan team's order of play is as yet undecided, but the four positions in the singles undoubtedly be filled by Cessna, Dave Phillips, Hoover, and Bob Malaga. A toss-up between Tom Frans, Carl Frans, and Mike Herman for the two remaining spots. Doubles pairings will be as follows:

Cessna and Hoover, Malaga and Phillips, and Frans and Martin. Coach Charles D. Ball's netmen will be seeking their fifth win in ten starts when they square off with the Tartars today.

## Close Games Show In Softball Play

John Babula singled to score Joe Dyar in the final inning to give Abbot 14 a close 7-6 win over Abbot 12 last night in the dormitory's softball league.

The losers came within a single run of victory with a four run rally in the fifth on a double, four walks and an error.

Abbot 18 continued undefeated by defeating Abbot 17, 2-0 behind the two-hit pitching of Pete Fusi. Floyd Turnbull, pitching for 17, allowed but four hits; but a double and a single in the third and an error and single in the fourth gave 18 its runs.

Barry Jones turned in a brilliant one-hit game for Abbot 15 to win over Abbot 11, 2-1. Jones missed a shutout when three walks and an error produced a run in the third.

Three doubles and a single in the first inning were good for three runs to give Abbot 16 a 5-3 victory over Abbot 10. Wes Coffey was the winning pitcher.

## BASEBALL

(Continued from Page 1)

left fielder, Charlie Ross, dropped Bob Groves' long fly ball. Bucky Walsh came through with a timely single to score Sobczak with the run which proved to be the winning tally.

Again in the fifth inning the Spartans started a scoring spree when lead-off batter Groves drew a base on balls and went to second when Walsh beat out an infield hit. Groves advanced to third on a fielder's choice and then scored on Robin Roberts' long fly ball to center field. The spree came to an abrupt end when Pat Peppler closed the inning by grounding to the third baseman.

**Another Rally**  
Again in the sixth inning the Spartans started what looked like a sure rally. Marty Hansen opened the inning with a sharp single to center field. Breslin followed with another single, and Hansen scored on Shortstop Jim Neubacher's wild throw trying to hail him going to third. Two walks then filled the bases but Breslin failed in an attempt to steal home, and the inning ended.

Catcher Walsh paced the Spartans at the bat with two singles in as many trips to the plate, while Don Torres, the Wayne centerfielder, collected two hits, a double and a single, in three times at bat.

The game, which featured five double plays, took only one hour and 35 minutes to play.

# Lou Coolman Rated One Of Best Coed Athletes On Spartan Campus

One of the finest women athletes at MSC is Lou Coolman, Dearborn sophomore, who, during her two years here, led the field in bowling, softball, and golf.

Miss Coolman has been bowling for a number of years, and in 1943 was awarded the Michigan all-event medal for this sport. She entered the national tourney in California when the city of Dearborn sponsored her. At State she bowls for her sorority, Sigma Kappa, and has one of the most consistently high averages on campus.

As for softball, Miss Coolman, besides batting over .300, is the only pitcher this season who has hurled a no-hit game.

She considered basketball to be her poorest sport, but played with the Slippery Slickers, this year's champion basketball team.

On the links Lou has been breaking 50 consistently this spring.

Outside the sports world Lou finds cooking enjoyable, and is a bridge enthusiast.

Concerning the MSC sports program, Miss Coolman says, "I think the competitive sports set-up at State is excellent, as it allows all girls to participate."

## WOMEN'S SPORTS

By MARGE McRAY

MICHIGAN State coed swimmers who tied for first in the central telegraphic meet, made an excellent showing in the national meet to place fourth out of 48 colleges competing. Spartan coed swimmers topped such schools as Vassar, Wellesley, Duke, Wisconsin, Indiana, DePaul, Illinois, Purdue, and Iowa State.

Sensational MSC swimmer, Donna Maddock, placed first in three events: the 40-yard crawl, 100-yard back crawl, and the 75-yard individual medley. Miss Maddock, Betty Smock, and Edna Hartman placed fourth in the 75-yard medley relay, while Janet Squires, Miss Hartman, Doris Pick and Miss Maddock placed third in the 100-yard free style relay.

As a result of our winning the central district swimming meet and not making such a good showing in the nationals, we have been notified that we are eligible to be regional sponsor for next year.

## INFORMATION

### SPARTAN CHRISTIAN FELLOWSHIP

Rev. Mackay, of Flint, will speak at tonight's meeting of Spartan Christian fellowship at 7:15 at 435 M.A.C. avenue.

### PHILOSOPHY CLUB

A paper on Schopenhauer and his philosophy will be presented at tonight's meeting of the Philosophy club in room 107 of Union annex at 8, Pres. Dorris Livingston, Battle Creek junior, has announced.

### SAILING CLUB

All hands will come aboard this evening for a meeting of the Sailing club to be held in room 15, Union annex, at 6:15. There will be an election of officers and constitution approval.

### PARACHUTE CLUB

Parachute club will meet tonight in room 111, Union annex, at 6:30. Sec. Robert Lazell has announced that a picnic is planned for tomorrow and members are urged to attend this meeting to sign up for the picnic and receive their membership cards.

### MEN WHO SING

Beverly Johnstone, Birmingham junior, is looking for a group of male voices to sing a couple of numbers for the Sorority sing Sunday afternoon. The group can number anywhere from three to 25. Those interested are to contact Miss Johnstone at South Campbell hall.

### SENIORS AND FACULTY

Seniors and faculty who have not yet made reservations for caps and gowns must do so on or

before Tuesday, R. L. Villar, of Union desk, announced yesterday.

### CHEMISTS AND PHYSICISTS

R. B. Powell, of the Los Alamos scientific laboratory, University of California, will be on campus tomorrow to interview students, the college placement office has announced. Special interest groups which Powell is desirous of interviewing are chemists and physicists with Ph. D. degrees, with B. S. degrees and an interest in radar, and electrical engineers having both B. S. and M. A. degrees and an interest in radar. Those interested are requested by the placement office to phone Ext. 523 for appointments.

### FORESTRY STUDENTS

Prof. Paul S. Herbert, head of the forestry department, revealed yesterday that the United States Forest service has a variety of summer jobs open to forestry students. Positions are still available in California, the Rocky Mt. states, and the Lake states.

### FRESHMAN HOME EC BOARD

Freshman Home Ec board announces that Wednesday, May 27, will be election day for Home Ec club freshmen. They will elect sophomore board candidates, who will be announced later. The freshman board has planned a picnic for Tuesday, which will be a box lunch at Pinetum from 5:30 to 7 p.m. Tickets will go on sale in the Home Ec building tomorrow.

## Highway Department Offers Jobs

Men students of Michigan State college who are interested in careers in the fields of highway and bridge construction will be offered on-the-job training with the Michigan state highway department during the summer. Chester L. Allen, head of the Michigan State college civil engineering department, announced.

Approximately 20 men, not necessarily engineering students, who pass a civil service examination given before June 21, will be given employment for three months each year. During the summer of their freshman year, students will be employed as roadmen and will earn \$145 a month.

During the summer of 1947 the men will be employed on construction work as engineers or inspectors, and will receive \$155 monthly. Each man will be made a junior engineer assigned to a project of his own during

the third summer, and will be paid \$165 a month. After these men receive their college degrees and pass another civil service exam, they will be employed as highway engineers at \$200 a month.

Additional information and application blanks may be obtained at the civil engineering department, Michigan State college.
