Byrnes Claims Reds Impede Peace Plans

WASHINGTON, May 20 (AP) — Secretary of State Byrnes declared tonight that the Foreign Ministers' meeting at Paris made "disappointingly small" progress on European peace settlements, but that the advance was "infinitely greater" than he had expected.

WASHINGTON, May 20 (AP) — Secretary of State Byrnes, aiming his words straight at Russia, declared tonight that no one of the great powers has a right to veto the making of peace in Europe.

He said that if a general peace conference is not called this summer, the United States will appeal to the United Nations assembly to make peace recommendations.

Byrnes Seeks Peace

In a fighting speech in which he repeatedly expressed confidence that peace, though difficult, is possible.

Trainmen Present Compromise Plan

Hopes Rise For Aversion Of Tie-Up As Steelman Meets Negotiators

WASHINGTON, May 20 (AP) — Hope for a compromise that would avert a nation-wide railroad tie-up rose tonight as A. F. Whitney, president of the Trainmen's brotherhood, presented a new "proposition" and other rail labor sources said prospects of a settlement "look good."

J. C. Appoints MSC Man As State Chief

Paul D. Bagwell, Michigan State college written and spoken English department head, was elected state president of the Michigan Junior

PAUL D. BAGWELL heads Junior Chamber . . .

Chamber of Commerce at a convention in Lansing last weekend.

Professor Bagwell has been active in Chamber of Commerce circles for several years and during the past year served as a national director.

Michigan State's campus was toured Friday afternoon by the 600 convention delegates. The Spartan Spotlight review entertained the chamber members Friday evening.

Whitney told reporters he made his proposition to government conciliators seeking to settle the wage dispute before a five-day truce expires Thursday.

Steelman Confers

The conciliators, including John R. Steelman, presidential adviser, kept busy in separate negotiations with union and carrier representatives.

Steelman met with Whitney and Alvanley Johnston of the Brotherhood of Locomotive Engineers, for more than an hour at midday.

Tries Compromise

Steelman was trying to work out some compromise before asking both sides to resume joint negotiations. The unions have boiled down their demands to an 18 percent increase, with a \$1.44 per day minimum boost, while the railroads were willing to go only as high as \$1.18 or 16 cents an hour as had been recommended by a presidential fact-finding committee.

Term Players Offer Tickets

Tickets for "You Can't Take it With You," third-term play, are on sale at the Union desk. Lois Banzet, ticket chairman and East Lansing senior, revealed.

Representatives will handle sales in sororities, fraternities, dormitories, cooperatives, and off-campus houses, Miss Banzet added.

Performances of the Broadway comedy success are set for May 31 and June 1. Don Buell, of the speech and dramatics department, is directing the production.

We Need More All-College Affairs

An indication that the college social setup needs re-vamping became evident at the Mardi Gras Saturday night.

There were too many people at the dance. The downstairs smoking room, the balcony, and the dance floor were all packed to capacity, simultaneously.

Since the Mardi Gras was the only big all-college event this term, a stampede for tickets was inevitable. Scalping might have been held down by requiring the ticket buyer to give up a coupon from his activity book for a dance ticket.

Student groups, working with the administration, should plan more all-college affairs in College auditorium each term so that the number of students attending each party would be leveled off to a reasonable number.

Affairs of State

By LIZ CORRY and THAIS LUCAS

THE rain sure didn't drown out the students for the Mardi Gras. Spartans and their friends literally poured into the dance. The weatherman also tried his best to scare away the Sorority Sing Sunday afternoon, but didn't succeed. In spite of the competition of the rain and train whistles the Greek women gave a good showing, and in spite of the smooching ban, there has been no lull in romance at State.

Two FarmHouse members have entered their names on the "lost pin" list. **June Irene Szosz**, Elgin, Ill., junior, is now wearing **Lynn Zimmerman's** pin. Lynn is a junior and a native of Fowlcerville. Fraternity brother **Stanley Anderson**, Sault Ste. Marie senior, has hung his pearl and ruby badge on **Dorothy Thalken**, Pontiac, class of '45.

Saturday night was the night of all nights in the life of **Ruth Kotz**, Lansing junior, as at that time **Jim Nixon**, also of Lansing, presented her with an engagement ring. Jim was recently discharged from the navy.

Virgiline Meyers, Ithaca sophomore, is proudly displaying an ATO pin which was recently presented her by **Dick Mineweaser**, Pontiac sophomore.

Gibbard Stars As Tracksters Splash To Victory Over Irish

By BILL SONNEBORN

Highlighting State's 78-44 triumph over the Irish during Saturday's California mist was freshman miler Jim Gibbard who stormed home in the last 25 yards to overcome Notre Dame's stoutest, Bill Leonard.

Gibbard posted a time of 17 minutes, 23.2 seconds for the event, clipping sixths of a second off the record of old freshman mile runner Al LaGrou. A spectacular race considering the wet track and cold rain which fell throughout the meet.

Mayhew Takes Hurdles

Spartan hurdler Harold Mayhew trimmed his Irish opponent O'Neil in both the high and low hurdles, two events which Notre Dame aggregation is confident of winning.

Michigan State tallied a clean sweep of the 100 and 200-yard dashes when Bob Spencer took the sprints. Second place position went to Spartan Tino Barbieri.

Field Events Pleasing

Coach Karl A. Schlademan yesterday that the field events were pleasing with first place by vaulter Ted Wonch, Naab in the javelin and Ryan hurling the discus. A nine-man squad will board plane Thursday for the ICAAA track and field competition which will be run Saturday at Annapolis, Md.

Schlademan's entries in the carnival will include Bob Wonch, Naab, Schepers, Mayhew, Jim Fraser, LaGrou, Mack and Gibbard. Ryan will not fly to the carnival since a standing rule does not allow men in the graduating class to compete.

Tigers Maul 'M' Diamond Squad In Exhibition

ANN ARBOR, May 20 (AP) — The Detroit Tigers' second stringers this afternoon turned loose a six-hit attack in the sixth inning to defeat the University of Michigan baseball team 6 to 1, in an exhibition game.

Shortstop Skeeter Webb led off by racing to second when second baseman Dominic Thomas threw wild to first and after third baseman Johnny Lipon had been thrown out, third to first, centerfielder Hoot Evers singled to right field to score Webb.

Left fielder Dick Wakefield, followed with a single to center and from then on Wolverine Bliss Bowman had more than he could handle on the mound.

Tiger manager Steve O'Neill started left-hander Ted Gray, who allowed the Wolverines only one hit, Jack Weisenburger's triple, in the five innings he pitched.

Hal White, who succeeded Gray, also allowed the Wolverines one hit—a scratch single to short by first baseman Tom Rosema.

BYRNES

(Continued from Page 1) cult, can be built, Byrnes declared that the United States at the Paris Foreign Ministers' conference started an "offensive for peace" and will not halt the drive until it wins its objective—"not a peace founded upon vengeance or greed, but a just peace, the only peace that can endure."

"There is no iron curtain that the aggregate sentiments of mankind cannot penetrate," he said in a report on the Paris conference prepared for broadcast to the nation.

Armies Must Withdraw

In discussion of problems still in disagreement, Byrnes stressed especially his determination to put through his proposal for a 25-year German control treaty, his insistence on the prompt withdrawal of Allied armies from Austria, and his demand that a peace conference of all the nations which helped win the European war, be called either July 1 or July 15.

Stellar Marty Hansen at short-stop, Bob Groves at the key-stone position, and Jack Breslin at first base, will round out the Spartan infield.

Tower Guards Serve Blind In Library Browsing Room

By HAROLD DACHTLER

If you by chance enter the browsing room of the library your first impression may be that you are entering a Chinese school where studying is done aloud.

A second glance will reveal that it is a group of Tower Guard women reading to the eight visually-handicapped students now on campus.

Since the fall term of 1941, Tower Guards have made reading to the blind one of their major service projects. Each of the 35 coeds reads from two to four hours a week throughout the entire school year. Most of the time they are called upon to read assignments in courses far afield from their own major subjects.

Varied Majors Chosen

Each of the eight blind students on campus is majoring in a different field. Textbook assignments are bought to the browsing room where a Tower Guard waits at a specified time to read the necessary material.

Since 1941 the blind students have been using this room for their studies, but not until the fall term of 1944 did they have

exclusive rights to the room.

Mental Notes Suffice Some of the students take and reading notes in brackets the majority of them taking mental notes. Examinations either taken orally from teacher or on a typewriter in department office. The visually-handicapped are excused from taking courses which entail great deal of lab work.

Because the reading has to be done aloud, much time is spent on one reading assignment, but gets finished. Handicaps are excused from doing an equal amount of work as MSC visually-handicapped students. No unusual favors.
