## Social Calendar Shows Dance, Open House, Radio Parties

The summer school social calendar has expanded into what promises to be a rather big weekend, considering the rising temperature.

Gene Devine's band will play for an all-college dance tonight in the Union ballroom from 9 p. m. to midnight. Tickets may be obtained at the Union desk. Bob Butler, president of Union board has announced the grill will be open during the evening.

West Mary Mayo will open their doors tonight at 8 for all men students for the "Summer School Shuffle," social chairman Mary Woody, Detroit sophomore has announced. Chaperoning the open house will be Prof. and Mrs. G. E. Prof. and Mrs. Hoppe, Mr. and Mrs. Lawrence T. Frymire, and Prof. and Mrs. J. B. Harison.

Tonight the Christian Student foundation will sponsor a Theater-Cafe party. All students are invited to meet at the Auditorium. Following the movie they will return to the student part of the church for refreshment.

Women living in the Sigma Kappa house will entertain their dates at a closed radio party tonight, and residents of Precinct 3 at Abbot are sponsoring another dance in the Lower lounge, chairman Ralph M. Pearce has announced.

## Anthony To Talk Before Meeting Of Farmers

More than 200 persons are expected to be on campus Monday and Tuesday for the annual meeting of the American Society of Farm Managers and Rural Appraisers.

An informal smoker is planned for Sunday evening, before the sessions get underway. Registration for the meeting will start Monday morning in the Union at 8.

Ernest L. Anthony, dean of Agriculture at State, will be the featured speaker at the Monday morning session. His topic is "What Is In the Future of Agriculture."

Other speakers include Dr. C. E. Miller of the oil science department and Dr. C. F. Huffman of the dairy department. Charles Figg, director of the Michigan state department of agriculture will be the principal speaker at the noon luncheon Monday.

A tour of the campus farm and experiment station in the late afternoon will follow the business session.

## Church Members Ship Food Parcels Abroad

East Lansing Christian Science Church is preparing and shipping food parcels to the needy people of England and other war-ravaged countries.

Having secured the names and addresses of the individuals in those countries, the church is sending the packages directly to them.

Providing that the need continues to exist, plans have been laid to continue this work for four more months.

During the past war-years many articles of clothing and bedding have been shipped abroad by members of the church.

## Awards Climax 4-H Club Week

Award ceremonies will climax the twenty-eighth annual 4-H club week this morning in Fairchild theater. Announcements of the courtesy and safe-driving honor groups and of 4-H club scholarships will be made.

### Kelly To Greet

Following the early morning session members will travel to the state capitol where they will be greeted by Governor Harry F. Kelly and Charles Figg, director of the Michigan department of agriculture.

Theme of the four day conference has been "4-H in a Changing World." Over 600 club members from 41 southern Michigan counties attended.

### Program Included

Among the varied activities on the program have been a welcoming address by Pres. J. A. Hannah Tuesday, a safe driving clinic sponsored by the Michigan State police and the American Automobile Association, and a candle lighting ceremony conducted by R. J. Baldwin, director of extension at MSC.

## Music Faculty Plans Concert

Faculty members of the music department will present the first of a series of concerts Monday in the Music auditorium at 8:15 p. m. The concerts are being conducted for the high school students who are attending the School Music special course.

### High School Soloists

On Thursday a selected group of high school soloists and ensembles will give a concert at the Music auditorium at 8:15 p. m.

A choir made up of 90 members of the special course students will participate in a concert

to be given Saturday, July 6 at 8:15 p. m. under the direction of George F. Strickling of Cleveland Heights, Ohio.

### Schuster Will Conduct

The program will also include a 75 piece orchestra from the special course students with Prof. Alexander Schuster of the music department conducting.

A band concert on Sunday, July 7 will bring to a close the summer's concert entertainment. The band, made up of 128 instruments, will perform in the band shell at 3 p. m. In case of rain it will be held in the College auditorium.

## Hicks Seeks Vets Awaiting Checks

Veterans attending college under Public Act 16 or 346 who have not received subsistence checks, but meet the specified requirements should contact the Office of Veterans' Affairs, Demonstration Hall, prior to 2:30

John Hicks of the Veterans' administration announced that the veteran must have presented his certificate of Eligibility and Entitlement or letter of authorization to the college before he can expect this subsistence allowance.

Veterans who have filed their form 1950 prior to June 1, 1946 but have not received their Certificate of Eligibility and Entitlement, should also report to the office.

## Baritone Donald Dickson Will Sing Tuesday Night

## Program To Offer Popular Numbers In Second Summer Term Concert

Acclaimed as one of America's outstanding young singers, Donald Dickson, versatile baritone, will make his MSC debut at the College auditorium Tuesday night. The program will commence at 8:15.

Concert Artist

Discovered by Arthur Rodinski, Dickson made his debut with the Cleveland Symphony, at the age of 19, as Ford in "The Merry Wives of Windsor." Lawrence Tibbett, noted Metropolitan singer scored his first success in the same role.

When he first entered the field of radio, Dickson started on the Scullery program and has been heard at regular intervals both as a regular member and as guest soloist on such shows as the Chase and Satterthorn Hour, Coca Cola program, Kraft Music Hall, and the General Motors concert of the air.

### Guest Opera Appearance

Although radio has taken on the major portion of his time in recent years, he still makes guest opera appearances with the Chicago Opera and has sung out the country. He is looking forward to the time when he can devote a great portion of his time to opera.

Dickson declares that he prefers the dramatic type of role and has sung Juliette, his favorite, Scarpia, Germont, Grand Inquisitor, as well as many others.

All of the above mentioned he has sung in English, but one of the strongest contenders for opera in English today. A greater number of people he believes, would then be heard and enjoy opera.

### Metropolitan Youngest

Dickson was the youngest singer in Metropolitan history when he made his debut at the age of 25, as Valentin in "Faust."

He is considered one of the premier artists to introduce the music of modern contemporary composers. Last spring at 31 he made his screen debut in Samuel Goldwyn's technicolor production, "Up In Arms."

### Program of Popular Selections

Highlights of the Tuesday night program will be such selections as the ever popular "Serenade," by Schubert, Kern's "Old Man River," and "I Bred A Forest-Praying," by DeRose.

Other selections will include works by Romberg, Gershwin, Dvorak and Thomas. As an added attraction, Lawrence Stevens, Dickson's talented accompanist, will play a solo.

Students will be admitted to the concert on presentation of activity books.

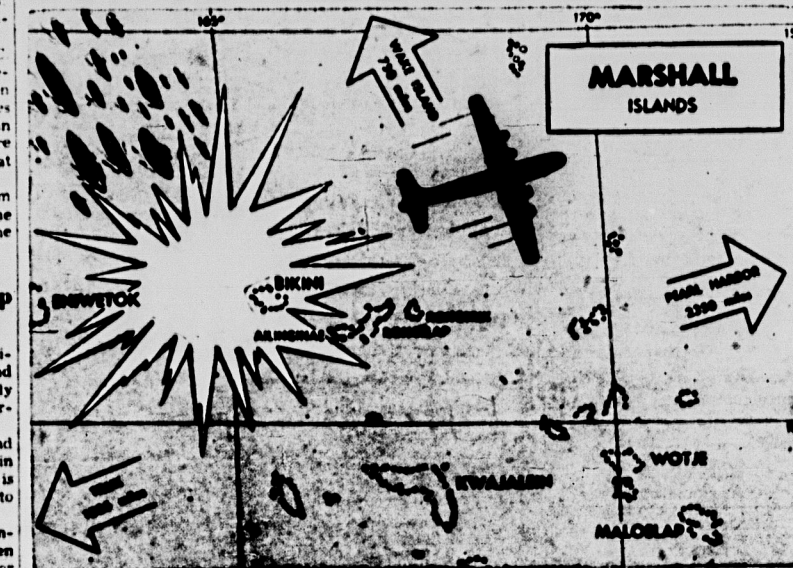

## College Offers Film Program

"The 30 Steps" with Madeline Carroll and Robert Donat will be the movie featured at Fairchild theater tonight at 8 p. m. Saturday's entertainment stars Marian Hopkins and C. Apptey Smith in "Becky Sharp."

Admission to these as well as all other summer school entertainment will be by activity book for both six week and two week students, S. E. Chow, Dean of Students announced.

Part time students and others who wish to attend must purchase sea on tickets or single admission tickets at the accounting office for admission.

## Placement Facilities Available To Students

All students enrolled in the college are requested to use the facilities of the Placement Bureau, Dr. Clyde M. Campbell, bureau head, stated yesterday. He emphasized that many teachers doing graduate work this summer are not aware that it is greatly to their advantage to register in room 203 of the Placement center as soon as possible.

Tennis is a game that demands a certain degree of privacy. That is, to the extent of at least having a court all of

your own to plan on. It is not like golf where as soon as the first twosome or foursome has been started a few minutes, you can step up and play too. It's not like bridge where all you need is enough room to sit down.

It is a game that requires a large expensive court, and for this reason there aren't too many courts. It does seem funny though to see four or five clay courts sitting idle. The obvious reason why these courts are idle is that they are locked up most of the time. Why are they locked?

I know that clay courts take more maintenance that concrete ones. However, I also know that these clay courts will have

## Affairs of State

by BETTY SHORT

WITH June "breaking out all over" many of the students and alumni of MSC are taking full advantage of the traditional month of weddings.

In this category we find George Doyle, Sigma Chi '46, who was married June 14 to Ann Chevie, Delta Zeta who was graduated in March.

Another marriage reported is that of Bob Ballard, Jackson '46. The second party in the ceremony was Doris Tours of Jackson.

Harry Sheridan, Manistee junior and Dorothy Howell chose June 22 to celebrate their wedding anniversary on in the future.

Several Phi Taus and Chi Omegas went to Battle Creek Sunday to attend the wedding of Ann Kendrick and Bob Ferguson. The reception was later held in one of the local hotels.

Another wedding reported was that of Irene Gardner, Detroit sophomore who married Pat Dalton, Grand Rapids graduate student on June 20.

Passing pins has become quite a hobby lately. Pi Beta Phi Ruth Ellen Dunlop received a Delta Sig pin from Bob Applegate.

Early this week, Floyd Guest passed his pin on to Pat Beecher who is wearing it next to her own Gamma Phi badge.

Pat's sorority sister Jackie Fred is pinning besides her Gamma Phi pledge pin the Theta Chi pin of Arnie Walkup. See AFFAIRS Page 4

gam, Saginaw; Wally G. Scheckler, Traverse City; and Charlotte Hansen, Bessemer.

Candidates must be in the upper one third of their respective high school classes and are nominated by alumni groups in the various districts of the state in cooperation with High School principals.

Final award is determined by comprehensive examination transcript of credits and is granted by the faculty committee on scholarships.

Michigan State's 1945-46 basketball team was ninth best in the middle west and the 15th ranking quarter of 217 college and service teams in the nation, according to Dick Dunkel, national athletic statistician.

to be completely reworked, before any tournament use can be made of them next year. If they are going to be gone over anyway, why can't they be used now?

I can't see how student use of them NOW will do any damage to them, to the extent requiring a large expenditure of money.

The college is now admittedly short of courts, since a great block of them gave way to the new men's dorms why can't we at least use the ones that we have?

### TO THE EDITOR

The question has been raised several times as to why Michigan State college does not have an honor system in their attendance of classes. Instead of going to the administration for the whys and wherefores, a verbal question and answer poll was conducted by yours truly among a number of students and instructors who were seriously interested in the subject. Here's what nine out of ten of them say.

Approximately half of the classes would be without a student. Why? Because an equal number of instructors talk for and hour, sometime two, without saying a thing. Those that have something to say don't know how to say it, and that's even worse.

What should be done about this? Here are some of the ans-

wers I received:

1. Make all instructors take another year of public speaking, regardless of whether they have had any before or not.
2. Take another year of general education.
3. Prepare all lectures, regardless of how important, far enough ahead of time so they can find out what they are really talking

4. Make home recordings of their lectures so they can improve on their diction.
5. Fire them all and get a complete new staff.

I realize that some of these suggestions are a bit brutal, but that is what has been suggested to me.

What do you think about it? (Signed) Bud
