Sec. Byrnes Hits Slavs On Vote

Slaps Bucharest For Violation Of Free Vote

WASHINGTON, Oct. 29 (AP)—The United States applying pressure anew in an area under Russian influence...

The language of the U. S. note to the Romanian foreign ministry appeared to approximate at least a hint that this government may withdraw diplomatic recognition unless Romania liberalizes the rules for its election Nov. 19.

All women who plan to stay overnight in Ann Arbor after the MSC-U. of M. game must have special permission...

Similar charges were made by Britain in a separate note delivered in Bucharest.

It followed by only a few days publication of a similar exchange between Secretary of State Byrnes and Bulgaria...

Incomplete returns from this balloting showed that the Bulgarian voters overwhelmingly decided to retain in power the Communist-dominated Fatherland front.

The American note to Romania reminded that government of the assurances it offered in January that conditions would be provided for a free election.

Fall Elections May Curtail State Building

LANSING, Oct. 29 (AP)—The state building division today warned contractors for state building projects to "take it easy" in awarding sub-contracts...

A. N. Langus, state building director, said the contractors were being instructed to keep costs, especially those of finishing buildings, at a minimum.

He said drastic reductions in the building program would be necessary if the amendment to return one third of the sales tax to cities and schools passes.

Ski Club Waits For Snowfall

With a prayer for an early snowfall, followed by a long period of cold crisp weather, MSC's ski club held its first meeting...

Several weekend trips to Michigan ski resorts, especially Cadillac, are being planned. Transportation may prove to be a problem...

Tow fees will be paid by the club, but other costs are a personal matter. A safe estimate for a thirty yet complete weekend is \$10, stated Bedwell.

Governor Candidates Turn To Personalities In Talks

With the gubernatorial race between Kim Sigler, Republican and Murray D. VanWagoner, Democrat, moving into its final weeks, the candidates have begun their final stumping in Wayne county...

Republican candidate Kim Sigler, of Battle Creek, is having his campaign on a clean up of state government platform. Sigler's political reputation is built upon his record as prosecuting attorney for the special grand jury investigation of conspiracy and bribery in the state legislature.

Sigler's prime campaign pledge has been to promise a continuation of his grand jury policies in seeking out and exposing graft and corruption in the state government.

Sigler has also advocated a reorganization of the state labor services. He has said that he would endeavor to have the state mediation board, the Labor commission and other state labor organizations merged into a unified department...

Both Sigler and Van Wagoner have promised immediate opening of the veteran's proposal No. 3 on the ballot, if it is adopted in the election.

Women Veterans Meet To Organize New Vet Group

Fifty-one women veterans out of a total of 150 on campus at meeting of the new women's vet group, last Monday night.

The new group is being organized by Norma Jean Mosher, Lansing sophomore, and vet of two years service in the WAVES, as a radio operator and instructor.

The women at the meeting represented a cross section of all branches of the service. Thirty three WAVES, three Spars, five Marines, eight WACs, and two nurses were present.

Considerable discussion took place at the first meeting, as to whether the group would be of the social or civic type. No decision was reached, but the subject will be taken up, along with a name for the club, at the next meeting...

SWL To Hold First Meeting

Spartan Women's league is holding its first general meeting of the year to acquaint new students and those already familiar with the work of the group...

Besides the Carousal and the Variety show, which the organization sponsors, and work done in conjunction with other women's groups on Good Carnival and Spinnin' Spin, SWL offers special interest groups in art, student-faculty relations, recognition, social and personality, and service.

Memberships will be taken at the meeting.

Molotov Predicts UN Collapse If Veto Power Is Discarded

NEW YORK, Oct. 29 (AP)—Soviet Russia, for the second time in history, called tonight for universal disarmament, including the banning of the atomic bomb...

Vyacheslav M. Molotov bluntly told the United Nations assembly today that its war-born structure would collapse if the veto system is eliminated...

He called also for an accounting of troops of the United Nations, particularly United States and British soldiers, stationed in foreign, non-enemy countries...

In a far-reaching statement of Soviet policy on his first appearance before the United Nations assembly, the Russian foreign minister ranged up and down a whole world of problems for one hour and eight minutes.

A packed chamber listened closely and applauded vigorously his appeal for the United Nations to get behind a program of disarmament directed toward curbing the atomic bomb and other weapons.

Molotov said that Reactionaries are leading a campaign aimed at the Soviet Union in their attempt to eliminate the veto. If they are successful, the whole United Nations would collapse.

Churchill and his "many friends" in Britain and the United States are "managing a campaign against the Soviet Union" in search of international domination.

The Baruch plan for atomic control, offered on the part of the United States by the American elder statesman, is "egotistic" that plan people of the world do not agree with "the philosophy of Mr. Baruch who says that after war."

Production Chief Optimistic In Views On Business Boom

WASHINGTON, Oct. 29 (AP)—Civilian Production Chief John D. Small today cautioned the nation into talking itself into a business recession.

He declared an industrial decline "is not inevitable" if labor and management use common sense, reasonableness and restraint.

Taking cognizance of production from some quarters that a recession may start within the next few months, Small told a news conference.

Although saying he does not expect a drop in production and employment, Small added that "even if it comes, I don't think it will amount to much."

In support of his optimistic views, Small pointed to CPA's production report for September, which showed continued peak output of most consumer goods.

For example, shipments of sewing machines increased 21 percent over the previous month; Vacuum cleaners 12 percent; refrigerators 7 percent; and electric irons 5 percent.

Small declines were noted in washing machines, electric and gas ranges and radios, but this was attributed mostly to the fact there were three fewer work days in September than in August.

Vets To Submit Reports

DETROIT, Oct. 28 (AP)—All veterans enrolled in education or on-the-job training courses must submit reports of earnings to the Veterans Administration by Nov. 5.

Failure to do so will result in suspension of subsistence payments, a VA statement said.

Lewis Works On Demands

WASHINGTON, Oct. 29 (AP)—President John L. Lewis of the United Mine workers prepared tonight to press his still unspecified demands on the government...

Other policies, such as purchase of scarce items and voting will be covered in the store rules.

The board of directors of the co-op has been expanded. The members include: Jerry Smith, chairman, Walter Davidson, vice chairman, Harvey Jensen, treasurer, Luzzie Heteny, Robert Fisher, Donald Hewes, John Crew, and Elwood Verges.

Lansing Gets Station

WASHINGTON, Oct. 29 (AP)—Federated Publications, incorporated, asked Communications commission authority today to operate a new radio station at Lansing, Mich., on 790 kilocycles, 1 kilowatt power, unlimited hours.

Ford's Discharges Man

DETROIT, Oct. 29 (AP)—The Ford Motor company today discharged one man and suspended 17 others in connection with the recent ten-day strike in the open hearth department of the River Rouge plant.

One man was fired, the company said, for being the "leader" of the strike. One other was suspended for three weeks as a "major participant" and 16 others were laid off for two weeks as "principal participants."

Let's Have A Forum

MSC students are busy thinking. Today, more than ever before, our student body is actively interested in the goings-on of the world. Our horizons extend far beyond Grand River and the Red Cedar.

The STATE NEWS endeavors to supply this interest through its columns by presenting state, national, and world news, as well as news of the campus.

We realize, further, that thinking should give way to expression. Our "Letters to the Editor" column is one medium that students can use to give vent to their views and opinions. Others are needed.

Recognizing this, we suggest that Student Council sponsor a college open forum, where students can come out and speak their minds, where the vital issues of the day can be brought forth and discussed. Such matters as housing, football, the proposals on the November ballot, foreign relations, and veterans affairs could be taken up.

Freedom of speech is a precious possession. The best way to keep it is to use it.

Here is an opportunity for Student Council to put democracy into action.

How about it?

LETTERS to the EDITOR

To the Editor,

Please permit me through the medium of your valuable newspaper to express my sincere appreciation of the pleasant evening afforded to foreign students by Tower Guard, Blue Key and Green Helmet, recently.

Although I, personally, have been here only six weeks, and it might be considered too soon to form an opinion of conditions on the campus, yet I am sure it would involve no risk on my part when I state that foreign students' first impression is that they have made a comparatively ideal choice of selection in MSC for their studies in the immediate future.

On behalf of these students, then, I assume the responsibility of extending, through the State News, a very hearty "thank you" to all concerned and wish our new Alma Mater nothing short of unqualified success.

To the Editor:

REPLY OF U. OF M. FAN

On to the Rose Bowl we were to go.

Ah, it was a sweet dream.

Undoubtedly we were and proud as could be.

That is till we met the strong Army team.

Even then our hopes were high, for we were told,

That the Big 10 winner would be the one to go.

So we set ourselves for the Northwestern team.

But it turned out to be The worst norwester we'd ever seen.

Then we looked to our game with Illinois.

A team we should beat, so we were told.

Instead it was us who took the beating.

And with it went the Rose Bowl!

But through it all there remains one bright light.

We can beat MSC any old night.

(Or can we?)

An MSC Student

TO THE EDITOR

As a member of the sophomore class and an active supporter of John Cox in the primary election, I demand a public explanation of how our class president plans to reconcile his primary election, aim of which reads as follows: "to provide equal and impartial representation of all members of the sophomore class regardless of sex, color, veteran or non-veteran and fraternal or independent status" with his stand that political organizations should not be allowed to organize on campus.

THE Lobster Shift

By HELEN GOVER

Students in three schools at the University of Cincinnati will never run into the bottleneck of "you can't get a job unless you have the experience, and you can't get experience unless you can get a job."

Under their set-up in the divisions of Business Administration, Engineering, and Applied Arts, which includes architecture, interior decorating, and landscape architecture, a student attends classes for seven weeks and then goes out on a job for seven weeks.

The procedure follows somewhat our split-shift plan where two persons hold down the same job. At the end of seven weeks the two students get together, and the one who has been out on the job gives the latest dope to the one who has been attending classes.

Student-workers while on the job are paid at regular wages, and are also marked by their employer on responsibility, ability to get along with fellow employees, originality and competence.

Of course like every other plan it has its drawbacks. One of these is that it takes a student five years to get a degree, with only three weeks off every summer.

Figured from an objective viewpoint, however, that extra year in school is worth two years out of school trying to find an opening, for many students go right into regular positions with the firms with which they have done their apprentice work.

And then there was the freshman who was trying to be a big wheel. He walked into a joint which advertised beer and billiards. He didn't like beer so he ordered a glass of hilliards.

Affairs of State

By THOMAS LUCAN and BETTY BERRY

WITH the fall leaves silently floating down and covering the campus grounds with various autumn colors, with the sun more hiding behind the dark clouds, and the night breeze starting its usual howl, the time of the year has again rolled around when mysticism is in the air and witchcraft is under foot.

Much of the mysticism brought about by engagements, punnings and weddings has been disclosed recently. Barbara Jean Gierffe, Wayne university student, of Detroit, is the proud owner of a diamond given her by Charles P. Joy, Detroit sophomore. The pining of Donna Hoffman, Jackson senior, to Don Durbak, Signs Chi, has recently been announced.

Gamma Phi Beta rates highest in this edition of Affairs of State with four weddings and two punnings having taken place. Included on the marriage list are Loretta Ayling, Adrian grad, to Bob Vetter, Psi Upsilon, Jacqueline Bohn, Grosse Pointe sophomore, to Frank Parella, Grosse Pointe; Joyce Taylor, Lansing Gamma Phi, has become the bride of Ray Tassinsare, Alpha Tau Omega, and Irene Moody, Gamma Phi, is the wife of Don Ripberger, Detroit.

The two coeds of Gamma Phi recently punned are Jean Potts, Washington, D. C., junior, from Chuck Bear, Delta Sigma, and Nina Burks, Detroit junior, from Tony Simpson, Phi Kappa. Glenys Jenkins, Grand Rapids senior, was united in marriage with Art Rowley, Lansing junior, this summer.

Those initiated recently to Delta Psi of Kappa Sigma are Carroll Streeter, Grand Rapids, William Stone, Howell, Richard Collins, Grand Rapids, Gerry Finney, Detroit, Wayne Eberhard, Grand Rapids, Lynn Coil, Grand Rapids, Paul Brown, Chicago.

Gamma Phi, veterinary women's society, have elected new officers for the coming year, with Lorraine Beaman, Boston junior, as president, and Barbara Walters, Chicago sophomore, chosen as secretary-treasurer. The monthly dinner was held with Dr. H. J. Stalseth of the bacteriology department as guest speaker.

The election of officers of Psi Upsilon has also taken place. The members elected to office are Dick Weir, president; Et Long, vice-president; Dick Speer, secretary; Jack Curtis, treasurer, and Bob Adley, corresponding secretary.

At their weekly meeting last Monday evening, the members of Sigma Chi elected officers to serve for the remainder of fall term. They are Larry Arnold, house manager; Henry Bowen, purchasing agent; Lytle Chapman, secretary; Dick Siencher, steward; Norm Runyon, treasurer, and Bill Keskey, social chairman.

Elections at the Phi Beta house put the following men into office: Dick Newberg, president; Percy Guest, vice-president; Norm Kuhl, secretary; Grant Turnbloom, house manager; Dick Hart, treasurer; Bob Allward, warden, and Dick Hanley, pledge master.

Delta Zeta has given several members to married life this summer. Pat Lord, Detroit senior, to Bill Farnel, Detroit sophomore; Irma Downs, junior, to Otto Mahsimovich, sophomore, both of Hammond, Ind.; Barb Galbreath to Hank Frampton, Kappa Sigma, both sophomores from Detroit. Also on the list are Amy Lunde, senior, to Al Conner, junior, both from Detroit, and Carroll Brots, Adrian senior, to Bob Adams, Detroit sophomore.

Delta Chi Walter Naan recently passed his pin to Susanne Hjelgel, former State student.

Recent engagements at the Chi O house include Betty Lou Card to Wally McTain of Hillsdale; Jane Taylor to Ralph Frenschmeyer; Thelma Chi, Pat Barr to Don Gies, Kappa Sigma, and Carol Healey to Oliver Strong from U. of M.

Four Delta Sig sweethearts were serenaded recently. Margaret Morrison, Jackson senior, pinned to Dick Henderson, Detroit senior; Alpha Phi Jerry Murphy, Flint junior, to the Kovalski, Iron River senior; Gamma Phi Beta Jean Potts, Washington D. C. junior, to Chester Bear, Detroit senior; Vivian Jones, Muskegon junior, to Don Aronson, also a junior from Muskegon.

Dear Sir:

Now that you are back from doing a good job, your concern is to get a good education quickly—to make up for the unspent years.

The world is still in bad shape; each new day finds fresh trouble. Old values are changing. Your cost of living has zoomed since 1941.

We should like to point out some values which haven't changed. They will interest you.

1. Most Arrow shirts (including whites) still sell for less than \$2.00.
2. Most Arrow neckties still sell for \$1 and \$1.50.
3. Arrow shirts, sports shirts and handkerchiefs are still reasonably priced.
4. Every Arrow product retains its pre-war quality and workmanship.
5. All Arrow shirts and shorts and most Arrow sports shirts are Sanforized—labeled—can be washed with less than 1% shrinkage.

Because of the demand, Arrow shirts are still hard to come by. But if you find one—and we know you do—guarantee you and your wallet will be completely satisfied.

Sincerely yours,

It is time for "universal disarmament" and the Soviet Union proposes a four-point program for the United Nations aimed at the elimination of atomic energy for war and the diminishing of armaments throughout the world.

The Soviet Union is ready to give full information on its troops in alien, non-enemy countries and does not understand why other countries should decline to do this.

The Security Council made a "great mistake" in its decisions in the Spanish and Iranian cases.

Two political tendencies are in conflict in the world — one cooperation for peace "with which we all agree"; the other "domination of other countries."

Socialites To Ride, Dine, Dance During Weekend

Campan Groups Hold Midweek Dinners: State Parties For Friday, Saturday
Spartans will have a large choice of entertainment this weekend with hayrides, term parties, and exchange dinners heading the list of social doings.

The Gamma Phi Betas will hold an exchange dinner with the Farmhouse boys to night, according to their social chairman, Barbara Jenkins. Sigma Kappa social chairman, Jeanne Willard, announced that they will follow that same line with the Kappa Sigma to night.

Tomorrow the Phi Kappa Tau will exchange with the Kappa Alpha Thetas for dinner, and at the same time the Kappa Kappa Gamma will hold their exchange with the SAE.

This weekend finds the Christian Student foundation holding a Halloween party on Friday in the social hall of the Peoples church. The Sigma Kappas and the Kappa Kappa Gamma will follow the same theme by entertaining their dates at a hayride and dance at their respective houses on the same night, their social chairmen announced.

Saturday's schedule is overflowing with good times for all students, starting with a Union board dance in the Union ballroom. The Mason-Abbott radio party on Saturday will be held in their lounge and grill for the men and their guests.

Phi Upsilon will celebrate all Hallows eve with a party at their house on Saturday, their chairman Austin Paulknes announced, and at 214 Michigan Ave. the Alpha Epsilon Phi will hold a radio party for their guests.

The Phi Phi will hold their term party Saturday in the Masonic hall here in East Lansing for members and their guests, while the Alpha Chi Omegas are entertaining with a radio party in their house. Other radio parties slated are, Alpha Xi Deltas at their house and the Delta Chi at 101 Woodmere. The Sigma Kappa...

U. S. Opens Plan To Cut Veto Power

Revised Program Of Three Points To Be Offered UN

NEW YORK, Oct. 29 (AP) — The United States, shunning any show of ganging up with Britain against Russia, is working out a detailed plan for restricting use of the veto vote in the United Nations security council in at least three different ways, it was learned tonight. Major proposals are: 1. To broaden an existing rule against letting any Big Five power sit in judgment on council decisions arising from charges against itself. (The U. N. charter allows any one of the five to veto use of force against itself but not to vote on non-force measures.)

2. To allow any of the Big Five voluntarily to abstain from voting without having the failure to vote counted as a veto as it might be now. 3. To classify as fully as possible security council decisions which are "procedural" (requiring only majority vote for decision) and those which are "substantive" (requiring concurrence of the Big Five; that is, the veto system). Lack of agreement on this has had the council many hot hours of debate.

While presumably subject to last-minute change, the plan will be placed informally before the Russian, British, French and Chinese delegations here soon, probably by American Chief Delegate Warren R. Austin. Depending on Big Five reaction, it probably will then be brought up in modified form, in the general assembly committee handling U. N. political and security issues.

TRAIN TO U. OF M. GAME
A special train to the U. of M. game will leave at Harrison road at 9 a. m. the day of the game and arrive at Ann Arbor at 11 a. m.

At least 1,000 students can be accommodated and sandwiches and coffee will be sold enroute. Tickets will be on sale Monday at the Union desk.

The Football Writers association of America has been asked to help design the press box which will perch atop the new Macklin stadium, come 1948. The Football Broadcasters group has been asked to suggest on what they want in the way of radio facilities.

Wood for scores and then took a pass from Wood to tally once himself.
ATO Wins Defending championship club of Alpha Tau Omega had no trouble in breezing by Pi Kappa Phi, 32-7. Ace aerial artist, Keith Steffe, got away a pair of TD passes, one to John Blanchard and another to Bob Wiseman. Jack Sprague took one from Bill Gaylord for another ATO score and Ralph Mazza passed to Wiseman after intercepting a pass for the winner's final marker.

A touchdown pass, Hank Anderson to John Foster kept the Pi Kappa Phi from suffering a shut-out.
Psi Upsilon edged past Alpha Gamma Rho, 12-7, on touchdowns by Walter Gerstaecker and Harry Paul. For the losers score Howie Phillips passed to Bill Engle.

In a lone Quonset hut contest, Precinct A took C, 24-2.

In block three last night contests came out as follows Sigma Kappa 66, Ewing House 14, West Mayo 35, East Mayo 21, Kappa Kappa Gamma 27, Kappa Alpha Theta 32, Alpha Xi Delta won from Zeta Tau Alpha by default.

An interesting highlight of last week's interclass hockey game was the triumph of the senior team over the sophomores. The sophomores as last year's freshmen walked off with an undefeated season. This year captured by Dany Phillips, Massachusetts sophomore, they were overpowered by one point. The senior captain, Helen Nussdorfer of Lansing, led her team to a 5-4 victory.

OPA Expands Decontrol
WASHINGTON, Oct. 29 (AP) — OPA greatly expanded its decontrol program tonight by removing price ceilings from radios, lamps, small electrical appliances, kitchenware, glassware and many other consumer durable goods.

LETTERS TO EDITOR

(Continued from Page 3)
TO the Editor: How many times have you been sitting in the Union grill and found large tears rolling down your cheeks with no coinciding emotional stimulus? Could it be the smoke? Shucks, no, there are four large fans which take care of that—or

could it be possible that they aren't doing what they were intended to do? Here's a suggestion which may help. Place at least two fans so that they blow the smoke out of the building through an open window instead of just swirling it around inside.
Dick Schweich

TO the Editor: In regards to the letter to the Editor in Friday's edition of the State News, I wish to inform D.E.B. that there is a rubber-stamping club and that a meeting of this club will be held Wednesday, Oct. 30, at 8 p.m., room 111, Union news.
