Underclassmen Poll Small Vote; Council Adds Election Rule

By HORTON D. SWEELING
More than five per cent of the freshman class went to the polls yesterday to select their Student Council representatives. The vote for sophomore treasurer was littered, with six per cent of the class casting ballots. Freshmen qualifying for the election are Fred Black and Joe Bruno who received 107 votes, Betty ...

Emmons Shelves Schedule Issue Indefinitely
A final solution of Michigan State football schedule difficulties was delayed further yesterday when Dean Lloyd Emmons, chairman of State's athletic council, announced that the council will not meet tomorrow as previously planned.

Soph Ticket Sale Begins Today; No Restrictions
Tickets for the Sophomore class mixer to be held in the Women's gym, Friday, 9-12, will go on sale in the Union lounge today. John Cox, class president, announced last night.

Students To Attend Council
The council, a body composed of representatives of several men's organizations on campus, will hold its meeting Thursday at 8:30 in room 115, Union annex, to elect freshmen with the names of past presidents of various organizations.

500,000 Vets Will Get Cut In VA Checks

Government Pay To Be Affected By GI Earnings
WASHINGTON, Nov. 20 (AP) — Veterans Administration officials said today more than half a million veterans in school or job training will find their monthly government checks reduced, eliminated or temporarily held up.

They include:
1. More than 150,000 trainees throughout the country whose payments have been suspended because they neglected to report their earnings by Nov. 5.
2. About 300,000 whose subsistence will be reduced under the G. I. bill limiting amounts in accordance with size of earnings.

Winter Term Party Rules Announced

At the meeting of the student-faculty social committee this week the problem created by the great number of organizations wanting the use of the auditorium and all facilities for winter term parties was settled.

Proposals presented to the group by a sub-committee were accepted by the organization. Leslie Scott, manager of the Union is chairman of the committee. Joan Bowman, Panhellenic representative, Bill Jackson, Student council representative, and Mrs. Dorothy Libery, secretary of the social committee, composed the sub-committee.

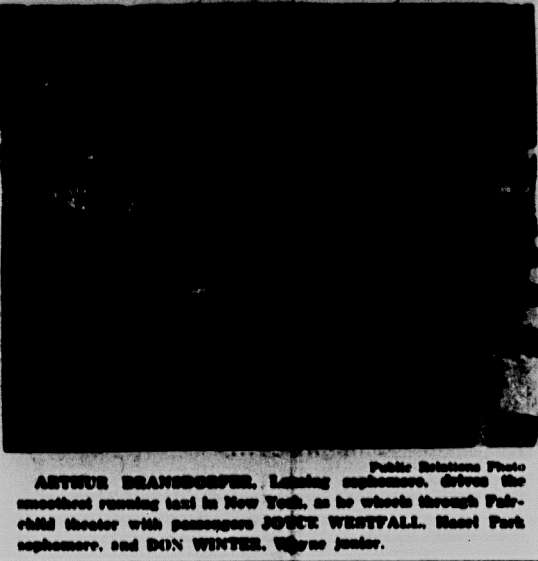

Parties Rules
The following rules will cover the parties held in the auditorium, women's gym, Union and Little Theater of the Home Ec building.
1. All parties using college facilities for dancing should be open.
2. The basis for determining which organizations shall have precedence will be the number of students represented in the organization.
3. Organizations may band together for use of college facilities for one date in any one term.
4. In case of conflict as to choice of dates when size of organization is the same, the earliest application will be given preference.
5. Organizations desiring closed parties will have to rely on early purchase of tickets.

Tickets Limited
Tickets may be limited to members of the sponsoring organization during the first day of sale. Organizations may limit sales to the minimum number set up by the committee for each facility. (1) Union-200 couples; (2) Women's gym-300 couples; (3) Little Theater-50 couples; (4) Auditorium-1250 couples.

Parties Rules
The following rules will cover the parties held in the auditorium, women's gym, Union and Little Theater of the Home Ec building.

Term Play Leads Taken For Ride

ARTHUR BRANDBERGER, Lansing sophomore, drives the smoothest running taxi in New York, as he wheels through Fairchild theater with passengers JOYCE WESTFALL, Hazel Park sophomore, and DON WINTER, U-M junior.

New York Scenes Await 'Island' First Nighters

When the curtain rises at 8:15 tonight the stage of Fairchild theater will be transformed into fabulous Manhattan Island for the benefit of the audience witnessing the opening performance of the term play, "Two on an Island."

FLAY TICKETS
The few remaining tickets for "Two on an Island" will go on sale today at noon in the administration building. All will be sold on a first come, first served basis. The supply is limited, but it includes tickets for all performances.

Ward and John Thompson, "Two on an Island" features performances by over 50 students.
Cost Listed
These include Joyce Westfall, Hazel Park sophomore, as debutante Dorothy Clark, and Ted Brink, East Grand Rapids senior, as Larry Ormont, the theatrical producer.

Mark Bucher, senior from Detroit, will play artist Clifton Ross, and Donald Winter will be the communist worker, Frederic Winthrop. Arnold Brandberger, Lansing sophomore, and Fred Vincent, Chicago, Ill., sophomore, will be seen as a pair of cab drivers.

PHILADELPHIA, Nov. 20 (AP) — The United States mint began stamping 100,000 commemorating Iowa centennial 50-cent pieces here today.

LAKE SUCCESS, N. Y., Nov. 20 (AP) — M. Molotov, Russian foreign minister, accepted today a United States proposal for a full accounting of Allied troops on former enemy territories but shied away temporarily from the United States demand that the Soviet Union make a complete report on all Red Forces, at home and abroad.

LAKE SUCCESS, N. Y., Nov. 20 (AP) — M. Molotov, Russian foreign minister, accepted today a United States proposal for a full accounting of Allied troops on former enemy territories but shied away temporarily from the United States demand that the Soviet Union make a complete report on all Red Forces, at home and abroad.

Opening Date For Co-op Set At 20 Days

Smith Calls For Help To Complete Work On Store Building
The opening date for the Red Cedar Cooperative association, Inc., better known as the trailer camp grocery, now depends entirely upon its members, according to Gerald E. Smith, Bayonne, N. J., senior, president of the co-op's board of directors.

The board of directors contacted 22 prospective full-time store managers during October. The remainder of the operating personnel, so far as possible, will be made up of co-op shareholders working part time.

The cooperative association now has over 200 share holders and the necessary \$5,000 capitalization. Establishment of the cooperative store grew out of discussions sponsored by the college American Red Cross.

Vets Consider College Policy For GI Funds

The American Veterans committee at its meeting this week discussed to considerable length the rights of veterans under the GI bill, bearing heavily on the length of schooling allowed, and the college policy in regard to using the \$500 allotted per school year.

Continuing with the interest in elections evidenced in its efforts to get the student vote out, AVC passed a resolution that President Hannah be asked to initiate action to obtain a break down from the attorney-general of the state's registration laws affecting students.

Other topics of discussion were GI insurance and the Fair Employment Practices commission legislation, which is before the state legislature at this time.

Under the law a veteran may go to school under the G. I. bill, receive subsistence, and have his tuition paid for as many calendar months, as allowed under the above paragraph. This is contrary to the general opinion that subsistence and tuition allowance are figured on a calendar year.

At the end of each three terms, one school year, a new \$500 allowance for tuition and books is allotted. Thus in three calendar years, four school years may be completed if summer school is attended.

John L. Lewis Still Ignores Injunction Of Federal Court

BY THE ASSOCIATED PRESS
The deadline signaling the start of the nation's second paralyzing soft coal strike in less than a year passed at 12:01 a. m. today with no sign of retreat from John L. Lewis, and the federal government prepared to push contempt proceedings against the boss of the nation's 400,000 AFL United Mine workers.

Strike Perils MSC Heating Facilities

While the entire nation prepared for brownout to conserve the coal supply on hand, Edward E. Kinney superintendent of Building & Utilities department asked that both faculty and students assist his department in conserving heat by closing open doors and windows.

Kinney said that the coal stockpile beside the power house and on the other side of the Red Cedar river would last until the middle of January.

Last year 30,000 tons of coal were used to supply this campus with heat, electricity, and warm water. This year it is expected that the total tons of fuel burned will be closer to 40,000, due to the use of steam in carrying on construction work, and a poor quality of strip mine coal being used.

The explanation that Kinney gave for the complaints received in his office about heat shortage in the trailer and quonset areas was that the State Police barracks facility housing, temporary housing in addition to the trailer and quonset areas are served by a four inch line. "It is obviously too small to serve the whole area," he said.

A new eight inch line is being laid now, but a shortage of labor is slowing the completion of the project.

Informal Party Will Acquaint Sister Group

First of a series of social activities sponsored by Big Sister council to acquaint freshman women with their upperclass big sisters will be held tonight from 7:30 to 8:30 in the Union ballroom.

Big sisters are to accompany their little sisters, but all freshman women are asked to attend whether they have been located by their big sisters or not. Due to the living conditions, many big sisters have been unable to contact the freshman women to whom they have been assigned. Everyone is to wear blue jeans and plaid shirts for the informal sister party.

Future Teachers Hold Conference; Register At Placement Office

One hundred and four teachers have held conferences with Dr. Clyde M. Campbell of the Teacher Placement bureau relative to teaching positions in 1946 and 1947.

All teachers who expect to receive teaching certificates should register with the Placement bureau immediately. The credentials can be obtained from the Placement bureau and arrangements made for a conference with the Director.

NEWS In BRIEF

PARIS, Nov. 20 (AP) — A report by the French Press agency of the sighting of a possible signal fire deep in the wintry French Alps gave heart tonight to rescue parties searching for 11 Americans who crash-landed yesterday near the Italian frontier in a disabled U.S. Army C-53 transport.

Below freezing temperatures caused concern for the Americans who included, according to army sources in Vienna and Frankfurt, a brigadier general, his wife, and 11-year-old girl, the wives of two other brigadier generals and the wife of another high officer.

PHILADELPHIA, Nov. 20 (AP) — The United States mint began stamping 100,000 commemorating Iowa centennial 50-cent pieces here today.

LAKE SUCCESS, N. Y., Nov. 20 (AP) — M. Molotov, Russian foreign minister, accepted today a United States proposal for a full accounting of Allied troops on former enemy territories but shied away temporarily from the United States demand that the Soviet Union make a complete report on all Red Forces, at home and abroad.

ISA Is Political, Too

Regardless of its professed stand as a non-political organization, the provisional Independent Students' association has included the following aim in its platform: "To interview and thoroughly investigate all candidates for class offices and Student Council and make public unbiased reports of findings."
 By this act, the organization would become political, whether or not it likes to think of itself in this vein. Any organization that concerns itself with political affairs assumes a political character. This goes for the veterans' organizations and the Spartan Citizens' committee (PAC), as well as ISA.
 This does not mean that ISA would be essentially political, but merely that political activities would be part of its functions. Perhaps ISA fears being branded a 'political' organization—we don't know.
 Let ISA reassure itself that there is no stigma involved in political activities. On the contrary, the organization should be congratulated for the interest it is taking in campus political affairs.
 More power to you, ISA!

INFORMATION

- WOLVERINE**
Students interested in writing copy for the Wolverine are asked to meet tonight in the Wolverine office at 7 Irene Court, copy editor announced.
- BOY-LITTLE SISTERS**
Big and little sisters are invited to an informal order party tonight from 7:30 to 8:30 in the Union ballroom. Marie Matle, co-chairman, asks all those attending to wear plaid shirts and blue jeans.

Hard Times Party Glow For Green Splash Pledges

Green Splash active members put 16 pledges through a "courtney" evening last night at 7 in the Women's gymnasium when the regular informal initiation was held.

The affair was a hard times party with the women who pledged the swimming honorary coming dressed in comic outfits.

Women who pledged the honorary include Joyce Conklin, Lansing, junior; Marian Craig, Charlevoix, junior; Barbara Kerr, Niigo, junior.

WOLVERINE FIX

Basics and juniors who have not had their Wolverine underclassman pictures taken should go to the Union ballroom Monday or Tuesday between 8:30-11:30 a. m. or 1:30-3 p. m. Please wear suits.

sophomore; Bettie Lou Ruhling, East Lansing senior; and Margaret Herbinson, Jackson senior.
 Others were Onales Laird, Flint senior; Alice Finley, Milford junior; Donna Maddock, California sophomore; Doris Baird, Ionia senior; Joan Billis, junior and Vivienne Dunis, Detroit sophomore.
 More new pledges include Peggy Erickson, Indiana junior; Laura Lee Jensen, Shelby sophomore; Jeanne Tanner, Grand Pointe sophomore; Joyce Carr, Flint sophomore and Charlotte Beck, New York junior.
 Green Splash members who handled the party, and the refreshments included: Arlene Noller, New York junior; Polly Hanson, Mass., junior; Louise Eling, Chicago senior; Doris Pick, Grosse Pointe junior; Virginia Collins, Grosse Pointe senior and Martha Osborn, Ann Arbor junior.

School Pop Rises Out Of Tradition Of State Past

(Continued from Page 1)
 A few hours of routine at Michigan State in 1949. School outside the atmosphere of war, economic and political crises had their effect on the campus of MSU on a movie screen, and to recall favorite memories of their alma mater.

Just turning out enthusiastically for contests, dances, and banquets was not enough. Students' pride in their campus was so deep that they voluntarily stayed on the walks and obtained from smoking and otherwise leaving the ground most beautiful campus in the country.

These conditions do not apply to the 100,000 disabled veterans in job training and educational institutions under public law 16.

1 DAY WATCH REPAIR

Offense Sharpened For Maryland Game

By CHUCK STRATTARD

Offensive tactics were the keynote yesterday as Charley Bachman put the Spartan gridders through what he termed the final heavy practice of the week before the invasion of Maryland university Saturday.

Bachman however, left no

stone unturned in an effort to sharpen the squad in all departments. During a lengthy scrimmage following a chalk talk with his assistants, the head coach directed a defensive drill against the Terrapins' style of play.

High Praise for Defense
Al Kawai, Spartan line coach, had high praise for the defensive work in the center of State's line against Marquette.

"LaClair, Arnon and McCurry played a fine defensive game, but our tackles, Bill Baldwin and Earl Mahoney were outstanding," Kawai said. The Hilltoppers made a net gain of 83 yards passing and rushing Saturday.

Statistics also revealed Frank Waters, hard driving fullback, averaged five yards a carry against the Milwaukee outfit. In 15 shots against Marquette's line he went 75 yards.

Badon, Zito Return
Awaiting their fifth serving of "T" this season, the team was cheered by the return of Ed Badon and Jim Zito, guard-tackle tandem in the forward wall.

Badon, out two weeks with a shoulder separation suffered in the Kentucky game, reported yesterday in warm up clothes, but he is not expected to be ready for Maryland. Zito, recovering from a Michigan injury, will see limited service Saturday.

Conner Sideline
Alger Conner, still favoring an injured ankle, watched practice from the sidelines yesterday. Although he showed no traces of a limp Wednesday, he is another doubtful starter against the Terrapins.

In Tuesday's workout, the husky tackle further aggravated the injury, and was excused from the mid-week drill.

Bachman, realizing the need for a letup in the final weeks of the season, announced today's session would consist of a light conditioning practice, with Friday a day of rest.

PASADENA, Calif., Nov. 20 (AP) — Texas' undefeated, untied 10-0 junior college today was named to play Compton, Calif. junior college in the inaugural "Little Rose Bowl" football game here Dec. 7.

Big Nine, Coast Grid Officials Sign Bowl Pact

BERKELEY, Calif., Nov. 20 (AP) — The Pacific Coast conference and the Big Nine of the Western conference hitched their football wagons to the Rose Bowl gray train in a five year pact today, but only after far west representatives reluctantly scuttled ambitions to test their gridiron mettle against Army's unbeaten eleven next Jan. 1.

The decision to make the new plan for the Pasadena classic effective at once was admittedly one of expediency to forestall further delay in bringing to fulfillment negotiations which have been in progress for years.

Army Popular Choice
Army was the popular choice of the coast for the coming post-season clash. There was no doubt the Cadets were crowding the picture as representatives of the two conferences met on into the early hours of today before finally agreeing to make their pact effective now, instead of postponing it in favor of Army until January 1948.

Illinois is the potential Big Nine champion to meet either Southern California or the University of California at Los Angeles. The Illini have to get past Northwestern Saturday to clinch their claim to Rose Bowl honors. Southern Cal. and unbeaten, untied UCLA battle it out in Los Angeles the same day to settle their claims.

Illinois Opposed
Paradoxically, it was Illinois who opposed a Western Conference bowl tieup with the coast conference. However, Big Nine representatives were unanimous in the opinion that Illinois would go along with the pact signed early today, and which Western Conference schools had endorsed by a majority vote. Only Illinois and Minnesota originally went on record as unfavorable.

Alpha Tau Omega will be favored to retain its fraternity title when it meets Sigma Nu at 7 on the practice field. ATO star punter Keith Steffen will get plenty of support from speedy Russ Kraft, Bill Gaylord and Ralph Masza.

The Sigma Nus, who dropped last fall's final to the same opponents they meet this evening, will put their hopes in Ed Lord, their top over-head man.

Alpha Tau Omega will be favored to retain its fraternity title when it meets Sigma Nu at 7 on the practice field. ATO star punter Keith Steffen will get plenty of support from speedy Russ Kraft, Bill Gaylord and Ralph Masza.

The Sigma Nus, who dropped last fall's final to the same opponents they meet this evening, will put their hopes in Ed Lord, their top over-head man.

STATE NEWS CLASSIFIEDS
BRING RESULTS

Mason 6, Quonset R Win To Reach League Finals

On a fog-shrouded Old College field, Mason 6 and Quonset R won their way into the all-college quarterfinals by downing Mason 2 and Quonset Z, respectively, last night.

Mason 6 roared past their opposition, 31-0, as Jack Dillon's sharp passing and run-

ning was responsible for all the points scored. Dillon passed twice to Lee Griffith and once to Fred Martindale, ran for another TD, and passed for two extra points to Lee Jewell.

In the Hut playoff, Precinct R edged Z, 20-19, in a hard fought tilt. Bill Frankensfield passed to Tom Crews for two TDs, and Chuck Bartash passed to Bill Grubbs, while Jack Braden tallied once for the losers, with Al Bernicki passing to Tom Dwyer for the other scores.

This marked the end of this week's "clean-up" of Block and inter-Block playoffs.

Intramural touch football will go into final phases this evening with eight teams shooting for individual championships in the dormitory, quonset, independent, and fraternity leagues and a chance to reach the all-campus playoffs.

Back in the independent limelight after three years the DZV independent brotherhood will face a tough test when it meets the Tick-Tocks on the practice field at 8. This will be a battle of two fine passers, the DEV's Walter Kiewicki and Tony Rhodes of the Tick-Tocks.

Kiewicki will be aiming most of his aerials at dependable receivers Joe Nelson and Dud Jones while Al Maksimovitch will be the target of most of Rhodes' tosses.

Alpha Tau Omega will be favored to retain its fraternity title when it meets Sigma Nu at 7 on the practice field. ATO star punter Keith Steffen will get plenty of support from speedy Russ Kraft, Bill Gaylord and Ralph Masza.

The Sigma Nus, who dropped last fall's final to the same opponents they meet this evening, will put their hopes in Ed Lord, their top over-head man.

Women's Sports

By LILLIAN RADEK

SOUTH Campbell, last year's volleyball champs have but a few more days to gaze at the plaque in their halls. By this time next week it will be adorning the walls of a sorority house, one which will be determined within the next week.

Tonight, the Kappa Deltas, the champions of Block One, will be tilting the ball across the net to the Gamma Phi Betas, the Block Two winners. Both managers, Kitty Weiss, for the KDs and Eileen Buckley, for the Gamma Phis, are getting their teams in top-notch condition for the game.

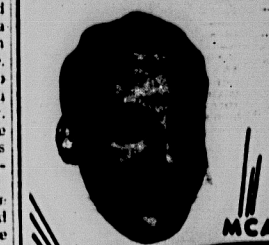

The team that comes out on top will tangle with Kappa Alpha Theta, probably next Monday. This final play-off will bring the winners the honor of being 1946's volleyball champs and the plaque.

The close race between the Theta's and West Mayo reached its peak last night when the Theta's ousted the Mayo women from the block race by a score of 35-15.

The Unionites and Pi Beta Phis finished their games last night with a tie. North Campbell and Delta Zeta also played and defeated their opponents, bringing both teams their first win of the block. While this does not change any of

the block standings, it gave both sides the encouragement they needed to resume their fighting for next year's competition.

Town & College

AWS

Late Permission OK'd For Play

Regular late permission has been passed for the term play, "Two On An Island," by AWS. Women attending the play on Thursday night will be allowed the usual 30 minutes to return to their residences.

Attendants must present their ticket stubs, not the program, to be admitted to the residence.

Regular closing hours will be observed in college residences during Thanksgiving vacation. Late permissions may be used on Wednesday or Thursday nights if the need arises.

Women have been careless about signing out, an AWS representative stated. Three late minutes will be given if the person does not sign out for a definite place. This applies to women who are signing out for Lansing and going to neighboring towns.

CO-OP

(Continued from Page 1)

can Legion post during the summer. Smith pointed out that any MSC student, faculty member, or employee of the college is eligible for membership in the cooperative. Single shares are being sold for \$25 and the present plan is for quarterly declaration of dividends, the amount of which will depend upon the volume of business which the store handles.

The store will stock popular brand canned goods as well as the produce of cooperative canneries. Dairy products will be furnished by the MSC dairy. Bruce Crow, a State alumnus from the class of 1942, has arranged to stock the meat counter from the Farmers' Marketing co-op in Hillsdale county. Fresh fruits and vegetables will be purchased directly from farmers markets.

The Red Cedar Cooperative association is renting the store buildings from the college and plans have been made for early expansion.

LEWIS

(Continued from Page 2)

comes effective. "Labor regards this step on the part of the government as a violation of the Norris-La Guardia act. It represents force, violence and the threat of punishment on the part of the government.

"Neither troops with bayonets, nor court injunctions, nor incarceration of miners or their representatives in jail, can serve to produce one single ton of coal."
