Co-Managers Picked To Head Advertising

Appointments to top State News positions for 1947-48, including summer term, were made by the Board of Publications at its May meeting when Al Berglund, Newberry junior, was named managing editor, Jerry Kenney, Detroit senior, and Pat McCarthy, Lansing junior, were given the editor's position for summer and fall terms, respectively.

Berglund, whose appointment is for one year, will succeed Managing Editor Bill Johnston, South Haven senior. Kenney, a physics major who graduates at the end of summer term, will replace Editor Tom Jordan, Detroit senior. McCarthy was named co-promoter for summer term, and will succeed Kenney fall term. All appointments become effective June 12.

Has Two Managers

The State News will have two advertising managers during 1947-48, succeeding Advertising Manager Dawn Hall, Detroit senior. The Board of Publications temporarily amended a clause in the State News charter to permit appointment of Valerie Wilder, Bay City junior, and Nanette Vandervoort, Lansing junior as co-advertising managers.

Classified Advertising Manager Al Nemeroski, Oak Park, Ill., sophomore, was appointed advertising manager for summer session. Neither Misses Wilder or Vandervoort, whose appointments become effective fall term, will attend summer school.

Hanna Continues

The circulation department will continue under the direction of Circulation Manager Gordon Hanna for summer term, with Miss Rosemary Severance, East Lansing senior, slated for the position fall term. Miss Severance, an English major, has worked on the State News for eight terms, including three terms as assistant circulation manager.

Kenney Is Veteran

The new editor for summer term, Jerry Kenney, has served on the staff two terms as an active editor. Previous to winter term, Kenney, served eight terms in various capacities, including reporter and sports editor. He has had experience in See PUBLICATIONS, Page 6

Latin Americans Offer Tutoring In Spanish Class

Nearly 40 Latin American students have organized a club to orient Latin American students to MSC campus life, and to further cooperation among foreign students with the student body and faculty. This club will be a part of the International club.

Among the club's plans for activities are free tutoring in Spanish available to all students in classes in Latin-American dance and the organization of a Latin American orchestra.

The officers elected are: Miguel A. Hernandez, Puerto Rican graduate student, president; Enrique Reardon, Ecuador sophomore, vice president; Esperanza Bonilla, Columbia graduate student, secretary; Amparo Ruiz, Peruvian graduate student, treasurer.

The club's executive members include: Ramiro Madrinan, Columbia freshman; Paulino Salazar, Panama freshman; and Martha Abril-Lamarque, Maryland sophomore.

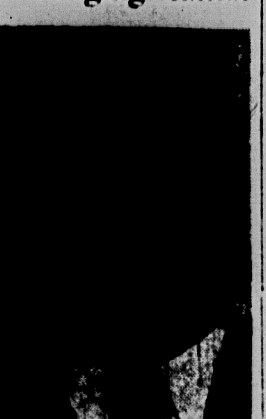

Free tutoring in Spanish for any and all students who wish to improve their Spanish will be offered by the Latin American club. It was announced today.

These classes will be instructed by native Latin Americans. This tutoring will be done at the following places and times:

From 3 to 5, Monday through Friday.

Monday, Room 100 Ag Hall
Tuesday, Room 117 Ag Hall
Wednesday, Room 404 Ag Hall
Thursday, Room 117 Ag Hall
Friday, Room 604 Ag Hall

Singers To Give Joint Concert At Auditorium

MSC's Men's and Women's Glee clubs will present joint concerts tonight at 8 in College auditorium. William R. Sur will direct the women's group, and the men's club will be under the direction of David F. Machtel.

Included in the program of the Women's Glee club will be Tcherenpin's "Praise Ye the Name of the Lord," and "May Peace Prevail" by Reger. Their second number, a six-part composition by Freud, is called "Postscripts."

More Sad Songs

The third section of their program will include the singing of two shorter compositions, "The Little Turtle" by Enders, and "Arkansas Traveler," arranged by Branscombe.

The Men's Glee club will sing several well-known numbers, among them the old English hunting song, "John Peel," "White Doves of the Sea," and Romberg's "Student's March Song" from "The Student Prince." Two other old favorites will be sung, "Southwestern Men" from Romberg's operetta "New Moon," and "Tramp, Tramp, Tramp" from Victor Herbert's "Naughty Marietta." Leland Funk, baritone, will sing the solo part.

A LOOK AT THE STARS

MSC's 'Dauphin' Sees Broadway Version

By BARR WELLS

Dreams do come true, as Lansing freshman, E. Dale Bliss can testify. His good fortune started late last term when he was cast as the Dauphin in the term play, "Jean of Lorraine," which is to be presented in Fairchild theater May 20 through 23, and reached a climax a week or so ago in New York.

Luck didn't seem to be with him when he tried to get a ticket for the Broadway hit production of "Jean" through the regular channels. Finally in desperation he wrote to Ingrid Bergman, star

Subsistence Raise Gets More Aid

Ferguson, Pepper Encourage Group Of Vet Delegates

Veterans in college need a higher rate of subsistence was the general opinion of the Senators interviewed by "Operation Subsistence" in Washington last week, according to Gordon Hanna, delegate from Michigan State.

Senator Homer Ferguson, of Michigan, told Hanna, M. D. Sumner of Western Michigan and George Antonofsky of U. of M. that he felt that the senate would pass a bill asking for higher subsistence when such a bill came on the floor.

Believe In Economy In Government

"I believe in economy in government, but I feel that it would be false economy to try to cut educational allowances. I believe that the country needs trained men and I would vote for a raise in veterans subsistence rates," Ferguson said.

Senator Taft said that he had not made up his mind on veterans subsistence but that his committee on Labor and Public Welfare are giving it their most careful consideration.

Three Bills Pending

Three bills are in the Senate now to raise veterans checks. They are the Langer bill, the Pepper bill and the McFarlane bill. Each would grant an additional allowance for veterans in college.

Senator Pepper, who has introduced a bill that he is strongly in favor of an increase. George Antonofsky, U. of M. delegate, said that he would support the bill.

Michigan State Observes 90th Anniversary Today

Congratulations are in order today for MSC on its 90th birthday. Yes, ninety years old, and still going strong. Of course you'll have to admit the years have changed it, but not the better, not the worse.

Formally dedicated on May 13, 1857, as Michigan Agricultural College, the total enrollment was only 73 students. The campus could boast of only three buildings, the boarding hall, which accommodated 80 students, College hall for classrooms, and a brick stable. In 90 years State has attained an enrollment of 12,992 and over — large buildings.

Even In The Early Days

Even in the early days, enrollment had to be limited because of lack of housing and classroom facilities. Early applicants received priority and all were required to meet the entrance requirements. Applicants had to be 14 years of age, and have a "good primary school education." Each student was required to devote a portion of each day to manual labor, for which he received "an equitable remuneration."

The Courses Included Special

The courses included special theory and practice of agriculture, natural science, mathematics, and English literature with emphasis on moral and intellectual philosophy. No ancient or modern languages were taught.

Soon after dedication the college passed its first crisis when the legislature proposed selling the 676 acres of farmland it had purchased as the site of MSC. The vote was close, but it was finally decided to keep the land. Ad-

Torch Parades, Music, Speeches To Proclaim Return Of Pre-War Fete

Current campus election campaigning will reach a fever pitch this evening when the State News sponsors a combination street dance and rally at 7:30 in front of the Women's gym. The road will be blocked from traffic until 9:30.

Members of MSC's two newly organized political parties

, the Spartan Progressives and Green and White, both of whom are supporting candidates in the final voting, will march at 7 to give the street a clean sweep down. They will also sprinkle corn meal on it to make the surface danceable.

Providing the music will be Don Tatroe and his popular 13-piece campus band

, Tatroe, St. Johns freshman, and his entire organization are donating their services for the affair.

Featured with the band will be vocalist Mary Jean, Jack Hora, New Buffalo sophomore, tenor sax, and Jim Hunter, Detroit.

Sigma Chi's Annex Sing; ATO Second

Sigma Nu, Phi Delta Place In Eighth Annual Contest

By CHARLES GABEL

Sigma Chi, last on the program, outclassed all opposition to take first place in last night's Alpha Phi Omega Interfraternity sing, before 3,500 Spartans.

Second place went to Alpha Tau Omega, third to Sigma Nu, and fourth to Phi Delta Theta.

Marched Judges: Judges David Machtel and J. H. Swanson, of MSC's music department, and E. L. Eberhart of Lansing Section, gave all four groups 250 out of 260 possible points.

Sigma Chi, which scored 260 points, was directed by Bob Kleyfanger, Detroit sophomore. Their songs were: the humorous "Old Man Noah," the popular, "Let's Dream This One Out," and the famous, "Sweetheart" of Sigma Chi.

ATO's Miss

It was the first victory for the group, while ATO fell short of its attempt for a third straight victory.

The Alpha Tau's song "ATO Jewels," "Night and Day," and "Begin the Beguine" under the leadership of Jack Stevens, Lansing junior. Sigma Nu rendered "Mandy Patinkin," "Sigma Nu Girl," and "Mood Indigo," the latter with a solo by John Marakas, Detroit sophomore. Their leader was Don Grey, Detroit freshman.

Distinctions in another

went to Lambda Chi Alpha, whose housemother accompanied the men on the piano, to Theta Chi, which sang four songs, due to interference by the Pere Marquette and to announcer Bob Shackleton.

SDA To Hold Weekly Talks

The campus chapter of Students for Democratic Action will hold the first of a series of weekly discussion meetings tonight at 7:30 at the home of Dr. Orion Grey, of East Lansing.

Chapter officers for the fall and winter terms will be nominated, and a discussion of civil liberties will be concluded.

The Tuesday night discussion meetings will be continued for the remainder of the term, according to the group's leaders, and will supplement regular SDA meetings.

Pi Alpha Li Holds Initiation Banquet

Pi Alpha Li, national floriculture honorary, initiated six new members at a banquet Thursday night, May 8, at the Porter hotel.

The new members are: Paul Andrews, Howell junior; Richard Anderson, Detroit junior; Duane Gerlach, Mt. Clemens senior; Jay Keith, Inkster junior; Clyde Swager, Detroit junior; and Dwight Murphy, Lakeview grad student.

All senior girls majoring in

horticulture were invited to the banquet. Dr. and Mrs. Harold D. Tubey were guests of honor.

Scavarda To Talk On Opportunities In Police Work

Captain Caesar J. Scavarda of the Michigan State police will present a study of opportunities in the Police science field, tonight at 7:30 in room 110 Ag hall. The talk is sponsored by the MSC Police Science association.

Captain Scavarda, a native of Muskegon, Michigan, joined the State Police in 1917. He held the rank of lieutenant in 1926 and achieved the rank of captain that same year.

In 1927, Captain Scavarda resigned to accept the position of chief in Flint, and later became city manager. He returned to the State police in 1934.

He is presently assigned as chief of the Traffic and Safety division, and also the radio communications division. The captain's efforts in recent years have brought him three citations for meritorious service with the State police.

The Police association extends an invitation to all police, sociology, and psychology students to attend the meeting. This will be the first open meeting of the Police Association this term.

BURNIE SAYS—

Sounds Like Fun

By TOM RIORDAN

FOR MANY YEARS AROUND ELECTION time people have been shouting at Michigan State students: "Get out and vote!" A fine idea, but by itself, the statement doesn't seem to carry much weight.

The voters have got to know a little something about the people they're told to "get out and vote" for; they've got to get a little hepped up about campus politics before they really feel like taking part in a local polling.

That's why the State News wants to do its share in helping stimulate interest in the elections; to get voters acquainted with the candidates and do what it can in aiding to better Spartan student government.

This special election edition contains pictures of all those persons running for office. It has their platforms; what they contend should be accomplished here.

This evening the News is going to put on an old-fashioned political rally and street dance. We expect to see snake dances, hear campaign ballyhoo, and find lines of candidate supporters parading near the Women's gym with large signs and gasoline torches.

In Saturday's paper we aired the latter idea, and, although there were no takers as far as sponsoring it, there was a lot of individual interest shown.

This type of affair used to be a regular on the bill of fare of spring elections before the war and it drew enormous crowds. It was a lot of fun; gave the students a chance to see and hear who they were voting for, always helped get a good turnout at the polls.

Our current election is one that will definitely go down in student government history. We've already set a record for the largest number of votes cast. There's been plenty of interest shown, and from all indications the local political scene seems to be brightening all the time.

With a lusty follow through in the finals, the 1957 edition can be looked upon as being a "lulu".

LETTERS to the EDITOR

TO the Editor:

I want to express my sympathy for those poor beleaguered gentlemen who have been posting and shoving through polling booths for several times.

Perhaps we can provide a rickshaw service for them from building to building.

If, as they asserted, the majority of the students could prefer marching from class to class, I am definitely a member of the minority.

William Hecker

TO the Editor:

Permit me to congratulate you on your very fine column in Wednesday's State News concerning Governor Sager's press conference. I am flattered about the disproportionate importance in the

conference you so graciously attributed to me.

I would have been more gratified had you quoted me accurately and alluded to my remarks in the more favorable light I believe they merited.

Notwithstanding, I feel obliged to compliment you on your ability to exercise the "news sense" that is the boon of a good newspaperman.

Morton J. Sniering

TO the Editor:

After reading the article written by the boys who want students marched between classes, all we can say is if these fellows want militarization let them join the army.

We all have had all of the marching and drilling we want for a long time to come.

We do not intend to be herded around as so many "nuncupmops." Marching may be all right for the services, but let's keep it there.

Sororities Plan Sing Contest For Sunday

Michigan State's 15 sororities will vie for top honors in the annual Sorority Sing at 7 p.m. Sunday in the bandshell.

In order to shorten the program, each sorority will sing one song instead of three, the custom in previous years. Selection of the number is optional and it may be a sorority song or any other the group desires.

Kappa Alpha Theta has won the cup the last two years and can receive the award if they win again this year.

Pan-Hellenic council, sponsor of the sing, has a new award for this year, as the old cup is completely filled with names of previous winners.

Barbara Reid, Detroit Junior, is general chairman of the event. Margy Hughes, Detroit Junior, will be in charge of judging, while Josann Dodge, East Lansing Junior, will act as master of ceremonies. Miss Dodge will also be in charge of intermission entertainment.

If the weather is bad, the sing will be held the following Sunday, May 25.

United Nations Give Green To Palestine Inquiry Group

LAKE SUCCESS, N. Y., May 12.—The United Nations assembly's political committee tentatively approved late today a clear field for the special U. N. inquiry group which will search this summer for a solution of the Palestine issue.

By a vote of 29 to 14, with 10 abstentions and two absences, the committee tossed out six proposals relating specifically to Palestine independence.

The majority thus agreed with the United States and British contention that the special inquiry

committee should be composed of representatives of the United States, the United Kingdom, and the Soviet Union.

The committee first met last week.

Campus Politicians Promise Kids' Playground, Sidewalk

Listed below are statement of platforms and aims furnished by 58 out of 60 candidates for student council positions in tomorrow's final elections. The elections will be held by districts as in the primaries last week. Lansing, East Lansing, other areas, fraternities, and the voters from cooperatives and North Hall will vote in the Union. All districts will ballot in their respective areas after the noon hour meal.

FRATERNITIES

Richard Ernst, Phi Delta Theta, and Rapids: "For a Student Council that is not a figurehead, instrument of the administration, but the organ for strong, active student expression."

Bill Gaylord, Alpha Tau Omega, Muskegon: "In every organization there is always room for improvement. The Student Council is no exception. I hope to see improvement while representing the fraternities."

Bob Poole, Sigma Nu, Okla. City: "I will do everything possible to see that this newly elected Student Council be characterized by vitality and work, with achievement as its goal."

Noble Shermorehorn, Delta Tau Delta, Cassopolis: "I endorse the proposal of closer student faculty liaison through a Student Council committee to hear and weigh student problems."

SORORITIES

Jan Hite, Alpha Phi, Detroit: "If elected as representative from the sorority area I will be acting for a group, I will faithfully and sincerely work for the betterment of the campus."

Marian Douglas, Battle Creek: "If elected to the Student Council my aim is to promote better student government, emphasize the necessity of student participation in campus activities."

MASON HALL

Marshall Bennett, Harkness: "I stand for establishment of a conscientious and active representation in an impartial student council. Promotion of such things in college policy as are necessary."

James Goodie, Detroit: "A cooperative effort by the administration in regard to policies, rules, and regulations concerning dormitories, clarification and unification of the rules and working system."

Edwin Hoffman, Boston Harbor: "A clearly defined policy in student administration relations. Initiative and independent action, and a program on the part of the student body."

Joe Pernick, Highland Park: "To give my constituents true representation, and I firmly believe in conservative progressive government and not radical changes."

Harold Robinson, Detroit: "A Student Council that properly represents the student body and have a closer contact between student body and council members plus published minutes of meetings."

Herb "Lyte" Thompson, Lansing: "Will see that a Student Council suggestion box is installed in Quonset cafeteria and up to date bulletins of council activities are posted after meetings."

John Brummer, Detroit: "On all issues, immediate and abstract, your representation should reflect the opinion of Snyder. Giving true recognition is the vital function of a Snyder representative."

John Hayes, Detroit: "Snyder hall shows great possibilities of becoming one of the leading political interest groups on campus. The men want and will get responsible representatives."

Robert Fisher, Flint: "It is my desire to change the function of Student Council from an advisory or social committee to an administrative body representing the students."

Howard Worthington, Jackson: "A playground for children of the married housing area and government by the students are my aims."

Charles Christ, East Lansing: "Voice married students' opinions on matters which vitally concern their general welfare and have these opinions recognized and acted upon through their Student Council."

Marlyn McGowan, Lansing: "I am a candidate for re-election to stimulate interest and spirit, to give the council a real power, to make Lansingites feel that they belong."

Larry Wisniewski, Grand Rapids: "Aims: a stronger more representative student government; to bring to attention problems of Lansing students; back NSO; more active representation of independent students."

Keneth Olson, St. Clair Shores: "I intend to support the 10-point platform of the Green and White so that Michigan State students will have the best in student government."

Max Ploughman, Boyne City: "Better cooperation between the students and the faculty; return of college traditions; sell Michigan State college; support NSO; make ours a campus for the students."

William Greher, Battle Creek: "I hope to work capably and intelligently toward the primary goal of making the council a mature responsible body on this campus."

Dale Crittenden, Flint: "Platform: Your interest. Promises: My best. Goal: Greater cooperation between the student body and the administration by arbitration and common sense."

Robert Raven, Cadillac: "My platform includes publication of proceedings of Student Council, more active alumni group, and a 'push MSC' spirit. This program will make MSC diplomas worth more job dollars."

Bob Valliere, Brooklyn, N. Y.: "Valliere is replacing John Watts as a candidate from Abbot Hall. Watts resigned. I have eleven terms in 'Mason-Abbot' and am a member of the dorm council. Platform: An MSC ambulance suggestions from residents will control my actions."

Bob Greenblatt, New York City: "Periodic reports to the men of Quonset; sidewalks to the men of Quonset; outdoor handball courts; bridge; outdoor handball courts; to truly represent Quonset on the Student Council."

Ray Hunter, Wyandotte: "To investigate our Student activity books and find out why the best programs are not included. Stimulate action into the Student Council."

Arthur Jarvis, Crystal: "My interests lie in good student government which can be brought about by better representation and more cooperation between students and faculty."

Eugene Kiesel, Hamtramck: "... to consider the best interests of everyone, not to sidestep controversial issues, and to make the Student Council activities of the campus."

Robert Brown, East Lansing: "With the new constitutional change, married students are excluded to representation. To be your spokesman, but whatever the outcome, get out and vote."

Charles Christ, East Lansing: "Voice married students' opinions on matters which vitally concern their general welfare and have these opinions recognized and acted upon through their Student Council."

Marlyn McGowan, Lansing: "I am a candidate for re-election to stimulate interest and spirit, to give the council a real power, to make Lansingites feel that they belong."

Larry Wisniewski, Grand Rapids: "Aims: a stronger more representative student government; to bring to attention problems of Lansing students; back NSO; more active representation of independent students."

Twenty-Four Candidates Will Vie For Positions Of Class Officers

Gridman Guerre Battles Bogart For Senior Prexy

Tomorrow's final elections mark the close of one of the biggest political campaigns ever seen on Michigan State's campus. In the class office race, 24 candidates who survived the primaries will vie for 12 offices.

Voting for the class leaders will be held at tables on the Union lower deck, as was the procedure in the primaries. Polls will remain open from 8 a.m. to 5 p.m.

Identification cards and check lists of class members will be used in the election. The election committee of the Student Council stressed that voting for class officers will be held only in the Union, and that polls for this purpose will not be open in the dormitories.

SENIOR CLASS

PRESIDENT: Joe Bogart, Sturgis. "I resolve to unite the senior class, improve the senior prom, enlarge the water carnival and get more governing power in the hands of the students."

George Guerre, Flint: "It is my desire to aid MSC students to obtain a more efficient government by giving the student body true representation in its student government."

VICE - PRESIDENT: Larry Johns, Flint. "I haven't advocated any sort of promises, but if elected I'll do all in my power to carry out the wishes of the Senior class."

Ruth Meinke, Detroit: "I will earnestly strive to coordinate all senior class activities, devoting all my conscientious effort toward a unified, stimulated, successful class of 1948."

SECRETARY: Fay Blakely, Gibraltar. "I shall fulfill my duties to the best of my ability, cooperating wholeheartedly in programs the class feels to be in its best interest."

TREASURER: Dave Lucas, East Lansing. "Student government of, by and for the students."

Dick Minewasser, Pontiac: "Cooperating with all and the best I can accomplish for better student government at Michigan State college are my aims."

JUNIOR CLASS

PRESIDENT: John Ruda, Melvindale. "I will strive to bring back to the Junior class the initiative and independence needed to allow them to achieve the respect the students demand."

Karl Mikko, Durand: "For an active and unified junior class, and for a strong Student Council behind the ideas epitomized in the Green and White platform."

VICE - PRESIDENT: Barbara Fox, Detroit. "My platform is that of Spartan Progressives. Support of all college activities. Mutual fund, cooperation between fraternities and independent organizations, clarification of student rights and responsibilities."

Mary Lou Young, Detroit: "Unity is essential for class spirit."

SECRETARY: Marge Dunlop, Detroit. "Student government is a wonderful thing. I would like to see it in action."

TREASURER: Carl Moss, Dearborn. "My aim is to aid the class to the best of my ability, and to help improve their finances, as well as their class spirit."

Ellen Lide, Detroit: "I promise the sophomore class a safe, honest and efficient handling of their money."

Barbara Fox, Detroit: "My platform is that of Spartan Progressives. Support of all college activities. Mutual fund, cooperation between fraternities and independent organizations, clarification of student rights and responsibilities."

Mary Lou Young, Detroit: "Unity is essential for class spirit."

SECRETARY: Marge Dunlop, Detroit. "Student government is a wonderful thing. I would like to see it in action."

TREASURER: Carl Moss, Dearborn. "My aim is to aid the class to the best of my ability, and to help improve their finances, as well as their class spirit."

Steel Shortages Force Auto Plants To Shut Down

DETROIT, May 12 (AP) — More than 40,000 Michigan auto workers were idle today as a critical steel shortage forced car production to its lowest ebb in six months.

Shut down were final assembly lines of all four Chrysler divisions, Plymouth, Dodge, DeSoto and Chrysler; final assembly lines of two General Motors divisions, Buick and Oldsmobile at Lansing, and six Briggs Manufacturing co. plants.

In 1945, \$184,274,000 were lost due to fire.

Spartans Complete Two-Game Series Against Wisconsin At Madison Today

Star Sprinters Lead Track Team To Easy Win Over Penn State

By WALLY SCHRAMM

Jerry Karver of Penn State, Jack "Rocket" Dianetti of Michigan State and Horace Ashenfelter of Penn State ran the best miles of their careers as they finished one-two-three in the featured mile run while Michigan State was swamping the Lions 71 3-5 - 59 2-5 at State College, Pa., Saturday afternoon.

Karver, 1947 IC-4A indoor champion, tore off the four laps in 4:11.6 on a heavy track and displayed a sparkling "kick" in the last 120 yards to overtake Dianetti two yards from the tape. Dianetti's 4:12 clocking was a new personal standard for the little freshman distance ace. Although he finished third, Ashenfelter also hit his peak with a 4:19 timing.

Spartans Take Dash Honors

Michigan State clinched the victory with their supremacy in the hurdles and dashes. Bob Schepers made it six straight victories as he grabbed top honors in the 100 and 200 yard dashes for the third successive time. He sprinted the 100 in .09.9 and the 200 in 21.6.

Versatile Fred Johnson also scored a double as he set a new variety record with a leap of 24 feet, 6 3/4 inches in the broad jump and then came out to race into first place in the 220 yard low hurdle flight in .24.5.

Hal Mayhew topped the field in the 120 yard high bar event, clearing over the timber in 15.1. Johnson scored a second in the 100 yard dash. Paige Christiansen finished second in the high hurdles, and third in the low hurdles. Mayhew and Bob Fraser took second and third in the 220 yard dash.

Fraser In Fast Clocking

Capt. Jim Fraser rebounded from his loss against Notre Dame the previous Saturday to set a new meet standard of 50.1 in the 440 yard run. Mitch Williams of the Lions was second with 52.5.

Final Session For Gridders

Head Coach Biggie Munn sent his Spartan football squad through its next to last scrimmage Saturday in a contest which saw the "Whites" defeat the "Blues" 24-12. The team will wind up spring practice with a final workout Friday.

Lynn Chandross made the White's first score Saturday on a 16-yard jaunt around his left end. Quarterback Gene Glick went over from the two for the second TD.

A crashing block by tackle Carl Cappert aided George Guerre on a 33 yard run which set up the winner's third marker. Fullback Jim Blankhorn covered the final 15 yards in three line bucks.

Guerre's 20 yard toss to end Ken Balge accounted for the fourth White touchdown.

Tony Waldron lateraled to Bill Spiegel who passed to Bob Gerns for the initial Blue score. Don Sherrod made the second after Hank Ferris had intercepted a pass and carried it back 50 yards to the White 10.

Since there are no goal posts on the practice field, no extra points were attempted during the contest.

State Bats Silent In Second Loss To Western Michigan

By HERKIE BOWERS

This afternoon the Spartan nine faces Wisconsin in the second of a two-game series with the initial contest having been played last night. Michigan State will play host to the Badgers in a return two-game engagement May 30 and 31.

Saturday afternoon the Western Michigan Broncos nailed the Spartans 4-1 for the second consecutive time this season. On paper, the Spartans would appear to have the better team. The Broncos compiled a mediocre record this year, except for their two wins over their favorite "cousins", Michigan State.

Against Tough Competition

By way of contrast, coach John Koba's charges have done quite well by themselves, winning 12 of their 16 tilts, and the games were against some of the best competition in the south and the mid-west.

The Broncos received no free gift Saturday for the Spartans played fine ball, much better than they did at Kalamazoo, but were nearly helpless at the plate with southpaw Ed Rossi repeating the six-hit performance of the previous contest.

Al Reynolds, who holds down the number one position on Jake Dahlgren's tennis team, is caught by the camera as he fires one of his cannon-ball services. Reynolds is currently sparking the MSC tennis team to one of its most successful seasons.

Use Three Hurlers

Three Spartan hurlers went to the mound and each of them were scored on. Freshman Don Harris started the game and gave up three consecutive singles in the second with two gone for the Broncos' first run. Harris was charged with defeat and his record now stands at three wins and one loss.

Fencing Coach Demonstrates Skill Tonight

Charley Schmitter, fencing coach, will hold a demonstration of fencing skill tonight at 8 p.m. in room 207 of Jensen fieldhouse in which he will take on all members of the Michigan State fencing team.

Members of this year's squad who will challenge Schmitter are Bill Lacey, Al Kwartler and Dennis Murphy in the foil matches. George Custer, Capt. Jack Conrell and Johnny Finlay will form the challenging saber three. Ed Popper, Chandler Washburn, and Jake Venema will also fence in that division.

Schmitter extended an invitation to the public for the matches.

Fireballer Bob Roberts received Harris and was struck for two runs and eight hits in six innings. Rod Morgan hit the last two frames, giving up one hit and one counter. Morgan walked Rossi, he first man he faced in the eighth, and the chunky left-hander scored on Bob Pollard's double to deep left field.

Jayvees Win From Junior Broncos, 7-4

By ED BROWN

Sporting a 7-4 victory over the Western Michigan "B" team, the Michigan State Jayvees are being groomed for tomorrow's meeting with Flint Junior college at Flint.

Advance information on the Flint nine indicates that the MSC lads will be up against a well-balanced squad which has gone undefeated in the three games they have played so far this season.

The Spartans met the Broncos reserves at Kalamazoo Saturday under perfect playing conditions. They jumped off to a two-run lead in the second inning, and led all the way.

Rhodes Leads Off

Tony Rhodes lead off the big second inning with a walk, but was forced at second on a fielder's choice when Ray Steffan, next at bat, shot a hot ball to left.

Steffan advanced to second when Joe Barta walked. The catcher, George Pavlick, fanned, bringing up Dick Murphy, who was on the mound for the Spartans. Steffan and Barta each moved up a base when Western Michigan's second sacker dropped a peg from the catcher. Murphy tangled to left scoring both men. He got to second when the left fielder bobbled the ball, but was picked off the bag to end the inning.

Change of Pitchers

The Spartans played a pair of walks, a pair of passes and a hit by Joe Bechard in their half of the third to produce two more runs, while the Broncos combined three State errors and a walk into a tally in the last half of that inning.

State gathered two more runs in the fourth and one in the fifth to total their seven runs of the game on the eight hits, allowed them by the two Bronco pitchers.

Pat Leads Nearest Rival By 59 Points

CHICAGO, May 12 (AP)—Outfielder Pat Mullin at Detroit, who specializes in flaming extra-base blows, stepped up his sizzling pace-setting in the American League batting race last week with a climb of 16 percentage points to 41.

That gave the ruddy Tiger slumper a 41-59-point margin over second-place Buddy Lewis of Washington, who slumped 37 points to 382.

Mullin, during the week ending Sunday, collected nine hits in 19 trips, including four doubles which retained his leadership in that department at 11.

Netters Win Second From Wayne, 5-4

By JACK WORTH

Returning to winning form, the Michigan State tennis team won four of six singles matches to top Wayne university, 5-4 yesterday on the Tartar courts.

The victory was the ninth in 13 matches for the Spartans, and their second of the season over Wayne. State rolled up an 8-1 score in the first match, played earlier in the season on the college courts.

Al Reynolds started Coach Jake Dahlgren's squad on the right side of the scoreboard with a three-set, 6-2, 5-7, 6-2 victory over the Tartar's No. 1 player, Louis Graves.

Cesna Even Count

Roger Cesna evened the season's count with Wayne by disposing of Delbert Russell in straight sets, 6-3, 6-4. In the first match between the schools, Russell beat Cesna for the Tartar's only point.

Jack Shingle on discovery of Al Cesna had two matches and dropped the third singles match, 2-7, 4-6. Bob Maza moved up to fourth after his brilliant play in practice last week, put State back into a 3-1 lead with a three set, 6-1, 4-6, 6-4 win over Quentin Vaughn.

Wayne Threatens

Bob Chuck had two matches for Gerry Gorman and swept two easy sets, 6-2, 6-1, for another Spartan point. Tom Maza, left the match in doubt, going into the doubles, after he dropped two sets to Lon Fosse, 2-6, 1-6.

Wayne picked up to a 3-2 lead after the first doubles match, as Russell and Gorman rallied to stop Reynolds and Cesna in their 3-1, 1-6, 6-2, 6-4.

Pogor Announces Faculty, Student Intramural Games

Explosives—an essential industrial tool

INDUSTRIAL explosives are as much of a yardstick of industrial progress as sulfuric acid. They are involved in the fabrication of nearly all the products used by man. This year the United States will use over 500 million pounds of industrial explosives.

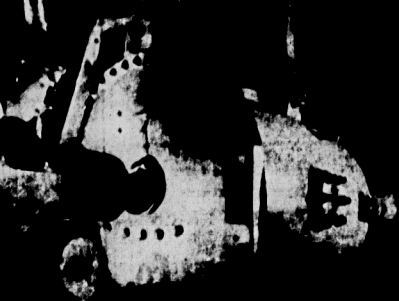

The technical problems that confront the explosives industry are many and varied. A measure of this is the fact that the Du Pont Company manufactures about two hundred dynamite formulations, each intended to do a different job, from the slow heaving action of blasting coal to the rapid, violent shattering necessary for a hard ore.

Ranging between these two extremes are a large number of intermediate grades, including explosives especially formulated for agricultural work, seismic prospecting for oil, submarine blasting—right down to the tiny charge used in an explosive rivet.

Studies in Laboratory and Field

One of the first industrial laboratories for chemical research in the United States, the Eastern laboratory of the Du Pont Explosives Department has nearly two hundred chemists, engineers, physicists and assistants. There, methods have been developed for measuring the power of explosives, the degree to which they shatter or pulverize various materials, their water resistance, their safety characteristics when exposed to shock or flame, the composition of the gases they produce, etc. As a result of studies of the influence of various factors on dynamite performance, it has become possible to formulate an explosive to meet practically any blasting condition.

In keeping with these improvements, the application of explosives has reached a new level of efficiency. Technical service men, usually mining engineers or

Frank A. Loving, Chemical Engineer, Texas A & M '41, prepares to fire an explosive charge into a chamber of methane or dust air to test safety under conditions found in coal mines.

A. S. St. Peter, Princeton '37, supervises blasting operation Squeechona River Project, lowers a 5 1/2 inch "Mittman" Primer into one of 600 drill holes preparatory to blasting a pipe line ditch.

Aside from these developments in explosives and blasting supplies, there have been many accomplishments in chemistry and engineering associated with such projects as the oxidation of ammonia to nitric acid; manufacture, granulation and drying of ammonium nitrate; substitutes for nitroglycerine and ethylene glycol dinitrate, concentration of nitric and sulfuric acids, and a host of other subjects.

YWCA To Stage Mexican Fiesta

A Mexican Fiesta has been planned for Michigan State students by the YWCA on Wednesday, May 15, at Peoples church beginning at 6:15.

A typical meal will be served, with hot tamales topped the native menu, and candles on checkered table cloths will set the atmosphere, accompanied by Latin rhythms on the records.

Displays of Mexican jewelry and other native crafts will be set up in the Women's parlor, and following the meal, colored movies will be shown, and discussed by Nan Wyngden and Mary Helen Dardis.

Margaret Kettunen Wins Merit Award Of Conde Nast Firm

Margaret Jean Kettunen, Lansing junior art major, received one of the five awards of merit in the recent art and photography contest sponsored by the Conde Nast publications, the art department announced yesterday.

The award includes a \$50 government bond and first and second place winners received appointments to the publishing staff.

Candidates submitted essays and paragraphs on layout and editorial matter in fashion magazine advertising. Miss Kettunen submitted samples of her art work and an eight page dummy. The publishing house received entries from 2,839 enrollees from 869 colleges.

Statistics Depict MSC Women As Bookworms

Quality, rather than quantity characterizes the women at MSC. At least as far as grades are concerned.

Despite the fact that they are outnumbered three to one, women have a higher point average than the men.

The registrar's office reports show that the feminine members of the student body compiled a point average of 1.48 for winter term. The same term the men only averaged 1.35.

The sororities also proved they have better students than the fraternities when the Greek women amassed an average of 1.59 against the fraternities average of 1.39.

The grade averages for the entire student body was 1.38, a full tenth of a point below the average of the coeds.
