## rikes Stir Unrest Interviews West Germany; G To Investigate Air Corps

To Find Whether Trouble In Red Flot Or Food Crisis

y. Jan. 16, (F)—Strikes in three ow turest in western Germany warms of military government investigators Buhr crisis to see whether the strikes were Communist-inspired or a ical food shortages.

Fifty thousand workers in

seman bi-zonal officials in skipert warned the 40,000,000 mans of the British-American a that some of them may not twe "a single gram of fat and

title ment" beginning Feb. 1, and predicted that strikes in the Ruhr trouble area would soon preed to other industrial sectors.

Lecturer

Fifty thousand workers in the Ruhr cities of Duisberg. Mushibeim and Dislaken struck against the food shortages, bringing to more than 160,000 the number who have walked out for brief periods in the last week. The total out, however, was about 10,000, most of the remaining 110,000 having returned to work, including 25,000 who struck pasterday at Oberhausen.

## Set For OCS,

By BON BALL.

Applicants I or Officery Candidate school and /Avidition Cadet training will be interviewed Monday and Tuesday, 8-5 in room 1, Demonstration hall, Colonel John L. Whitelaw, commandant, said yesterday.

Successful applicants for the air force OCS will assume successful applicants for the air force OCS will assume successful attention with the air force upon graduation.

Candidates completing aviation cadet training will be commissioned into the U.S. air force reserve on flight status.

Beath Exam Regulated

Eligibility for OCS requires men between the ages of 2019, and 28, high school graduates and able to pass physical requirements. Applicants must take both a written and health examination.

During training to OCS confi-

tion of "Protecol M.," purporting to quitine a Communist master plan of strikes for the purpose of breaking down the Marshall plan for European recovery by stacking the industrial heart of Europea. The British Foreign selice said it was convinced the plan was of authentic Communist conging. The Communist constructed of Socialist Unity party destared in Berlin, however, that the documents was a "clumsy party destared."

both a written and health examination.

During training in OCS candidates receive rank of staff sergent and all pay and alloyances of that grade. If training is not satisfactorily completed, candidates will be discharged upon request. School terms are six months.

Name the Single

Air cadets must be single and between the ages of 20 and 20% years of age. They must have at least half the number of credits required for college graduation, or pass a test to measure the equivalent. In addition they must complete physical and aptitude tests.

## In Languages

leading language authorities, both civilian and military, for his work in exposing linguistic frauds.

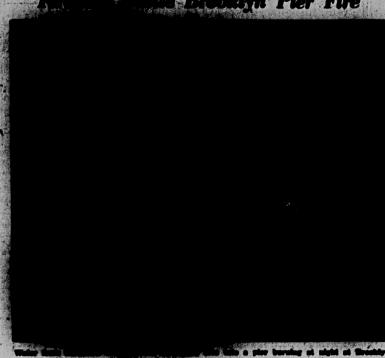

"Catchwords like 'Army methods' and 'intensive' have been wildly and indiscriminately broadcast on a conflueed and credulous public," asserted Prefessor Cross. He pointed out that even trained linguists could not hope to learn an unfamiliar foreign language in less than a year. In spite of this, some conversational courses preside a werking knowledge to the layman within a matter of weeks.
