## Heads pointed Board

### Vacancies and Four Give Absence

DAVE ROOD changes in top administrative positions were made by the State Board of Education following their meeting during spring vacation. Rood, former controller for the state, was named as new controller for the department of education. He was appointed to the position of director of the department of education. Rood was named head of the department of education and will assume the position July 1 while the new appointments were made.

Dr. E. J. Dicks, dean of the engineering department, Dr. E. J. Dicks, dean of the engineering department, Dr. E. J. Dicks, dean of the engineering department.

**TOM KING**  
relations director...  
Director of the department of education and pharmacology, Dr. E. J. Dicks, dean of the engineering department, Dr. E. J. Dicks, dean of the engineering department.

## Enrollment Sets Spring Record; 13,602 Register

### Records Show Drop Normal, Says Linton: Ratio Of Men To Women, Three To One

By BEA WILSON  
Approximately 13,602 students were registered in Michigan State University during the week ending the largest spring enrollment in the history of the institution, according to Registrar Robert Linton.

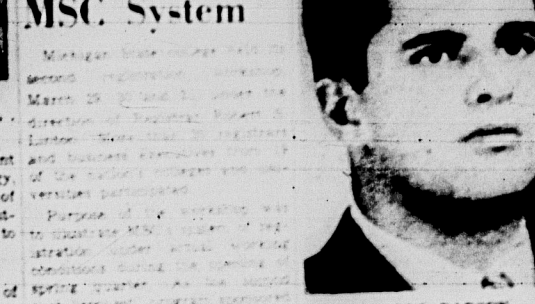

## Barson Case Suspects Arraigned

### Police Holding Key Witness In Stabbing

By RON LINTON  
Three suspects in the Robert Barson murder case were arraigned in Lansing Tuesday before Judge James H. Hays.

## Registrars See MSC System

Michigan State University registrars will meet Tuesday to discuss the new registration system for the fall semester.

**ROBERT BARSON**  
former MSC student...  
Barson was a member of the MSC football team and was a member of the Psi Chi honor society.

## Coal Strike Data Given To Truman

### Injunction Awaits Directive From President

WASHINGTON, March 31 (AP)—President Truman received the report of his fact-finding board in the soft coal strike today but put off his next move, pending the study.

Charles Ross, press secretary, said the report would not be made public until Saturday. He would say what the president would do about the 37-day-old coal strike in the meantime.

Truman seemed to delay at least until Saturday the issuance of a court injunction to halt the strike over miners' demands. But actually, he gave Mr. Truman a chance to turn the war of nerves on John L. Lewis for a change.

The United Mine Workers' president in the past has kept the White House guessing as to his plans.

Meanwhile, the Justice Department has papers ready to seek a court injunction against Lewis if the directive comes from the White House.

However, some officials are not certain that even an injunction would send the miners back to work. They say it might be hard to enforce because Lewis denies he inspired the walkout. He says the miners simply presented the failure of the operators to set up a pension system under their contract.

# EUROPEAN AID BILL APPROVED BY HOUSE

## Red Cedar Hits Flood Stage

Areas of water cover the Dem hall student parking lot as the Red Cedar reaches flood stage Saturday, March 26. Flood water is seen from the foot of the railroad bridge looking toward Jackson to double second annual rampart. Above picture was taken from the foot of the railroad bridge looking toward Jackson to double.

## Fire, Flood Hit Canoes To Pinetum

By BOB...  
First of the term, pinetum canoes were damaged by a fire and flood. The fire was caused by a small spot fire in the Pinetum area, reported yesterday.

## Jungle Family To Picture Life In Brazil Wilds

Professional tiger hunter, Sumner Bennett, will lecture and show his movie, "Jungle Family" in the College Auditorium Saturday at 8 P.M.

## Reporters' Meeting

There will be a meeting of all old and prospective reporters at the State News office this afternoon at 4.

## Ag School Plans Dairy Meeting

Spring term activities of the Ag School get underway tomorrow when representatives from 12 mid-western states meet to discuss milk marketing.

## Council To Meet

Student council will hold its first meeting of spring term tonight at 7 p.m. in Tower room.

## Carrier Wanted

Wanted—student with to night class, deliver on South Campus. Apply Classification Department, State News.

## Invitation To Spain Affirmed

WASHINGTON, March 31 (AP)—The House passed the \$5,200,000,000 foreign aid bill tonight.

Aided in larger part at blocking expansion of calls for the largest overseas relief and reconstruction program ever undertaken by any nation.

It includes \$1,500,000,000 in the first year out of the Marshall plan for European recovery.

And it includes \$425,000,000 in outright military aid, \$175,000,000 for Greece and Turkey and \$150,000,000 for France. It also gets another \$425,000,000 in economic aid.

Beyond the military and economic aid provisions, the House package bill includes \$60,000,000 for the United Nations' Indian Relief Fund.

A proposal by Rep. Marston of ALABAMA that the entire aid program be handled through the United Nations was voted down by a overwhelming 276 to 167.

## Spartan Mag Set To Blast Local Daily

In previous issues the Spartan magazine has been attacking the local daily newspaper for its coverage of the local news.

## Green Helmet Sponsors Smoker

Eight Green Helmet members met and discussed a smoker sponsored by the Green Helmet in the Union High School gymnasium.

## Non-Parents Get GI Boost This Month

Effective today, full-time students who are non-parents and are eligible for the increased subsistence provided by Public Law 411.

## Ag School Plans Dairy Meeting

Spring term activities of the Ag School get underway tomorrow when representatives from 12 mid-western states meet to discuss milk marketing.

## Carrier Wanted

Wanted—student with to night class, deliver on South Campus. Apply Classification Department, State News.

## Reds Restrict Allies' Travel

BERLIN, March 31 (AP)—A sudden Soviet order imposing restrictions over road and rail communications of all Americans, British and French in Berlin prevented a four-power crisis in Germany tonight.

## Lodge Wants Europeans In Army

WASHINGTON, March 31 (AP)—Senator Lodge (R-Mass.) who brought overseas troop ceilings down to 100,000 young men, urged that European men join the United States Army and become citizens later.

## Beaumont May Be Attic Of New Dorm

HARRY MELOTTAN  
The tower will be moved from the new Union Union building and placed in the attic of the new dormitory building. The State Board of Education will be broken this afternoon by the new south wing which will house a drive-in and a gift shop of products for students who are away from home.

View beside the winding Grand River avenue, the casual observer casually observes the neoclassical neo-Gothic structure which has been constructed to house the college bell.

## Beaumont May Be Attic Of New Dorm

The cooperation of all the students is needed in moving Beaumont, especially the major movers who will be in charge of handling the building. Alex Sorenson, responsible president, will conduct the moving of these plastic symbols.

## Forget My Ice Skates

The new addition will house students, tobacco and ice cream shops. The new dormitory building will be a two-story building with a swimming pool and a gymnasium. The new dormitory building will be a two-story building with a swimming pool and a gymnasium.

THE SQUARE CORNER

Sprig Terb

By PAT MCCARTHY

SO YOU'RE ENROLLED FOR SPRING term. We sincerely hope that you only signed up for the minimum of 12 credits because spring term is not the time for studying. For one thing the weather is going to average sunny and nothing below 48 degrees straight through until graduation which is only a matter of nine short golf-playing weeks away.

Last spring term was infested with some very nasty weather. But prospects of the Wells hall and Olds hall people having a swimming pool in their respective back yards is now slim since the Red Cedar took care of its extracurricular flood activity during vacation.

Plans for a good hand of poker out on the grass by the library look good after the sun has dried the local acreage out over this weekend.

BUT THE ANNUAL CAMPAIGN ABOUT keeping off the grass may present some difficulty to the enjoyment of this pastime or that of a casual afternoon smoothie in the shade of the elms and maples over in the forest of Arden between the music building and Beaumont. And of course the latter recreation will be getting official disapproval once it reaches full popularity in a few weeks.

SPRING TERM WILL BRING NO RE-

lief from the rapid activity of winter term and it looks right now as if the social schedule will be jammed more than last term. Starting off next week will be the Dionysians' production, "What Goes Up." The crew and cast have been knocking themselves out all during vacation to get the show ready for the opening curtain Tuesday. From all indications the musical will be as big a success or more than last year's "Studio on the Square."

And the drama department is sponsoring a return to Shakespearean productions with the staging of "Twelfth Night" for later in the term. Then there will be the Mardi Gras with costumes again and the usual slate of other big dances including the Varsity club ball with Stan Kenton. All of which will, of course, be topped off by the bigger-than-ever Water Carnival.

But these are only the beginning. Sport events have a big calendar with baseball track (three or four excellent Olympics prospects), tennis and golf. And then of course there will be the all day golf games which are naturally more refreshing and invigorating than attending classes all day. The weekends will be blossoming out with the usual array of picnics and canoe parties (selected beverages).

Altogether it looks as though there will be ample opportunity to avoid anything resembling boredom during spring term.

INTERPRETING THE NEWS

Recovery Aid To Spain Faces Numerous Blocs

By J. M. ROBERTS, JR. (AP Foreign Affairs Analyst)

There is only one explanation for the surprising unanimity of the House in deciding that Spain should be included in the Marshall Plan. France represents the vitalist position against which the world democracies have been struggling for 15 years. It's not merely Spain. It's a way of thought and a way of government which has fought to suppress in Germany and which we are now fighting to prevent from spreading.

It has become a stepping stone in which we have been trying to keep the most dangerous enemy of the Marshall Plan from spreading. By that token we are willing to accept the help of governments of Spain which will give us the means to keep them from spreading under the cover of aid being sent by the United States. The democracies do not have against France a united front after the war because we feared to open the door to Communism in Spain. It is still an important factor.

As a result of the House's attitude of the House of Representatives toward Spain should happen to prevail, the will be America's only ally in the field of Europe and the Middle East. But even the idea of expediency may prove insufficient. The House action already has been any damage to the hopes for the Italian election.

Chief Explains Traffic Policy

As much enforcement as is necessary in the future should be required in the traffic laws. Explaining Chief Justice said that enforcement will aim at preventing accidents and avoiding congestion and added that regulations will be strictly enforced. A relaxation of regulations is not what we need. We need more strict enforcement of the laws. Chief Justice said.

Station WKAR GRIN AND BEAR IT Plans Opening Of New Studio

# Dionysians' Ticket Sale Underway

## Admiral Byrd Praises 'Forward-Looking Plan'

By HELEN RIDGE

The first goal of \$100,000 for the Memorial Center has been reached. Walter W. Nelson, chairman of the College Memorial Center fund, announced today that the goal has been reached through the generous contributions of alumni, faculty and friends of MSU.

The Memorial Center, which will consist of a Memorial Chapel for use by the members of all fraternities and the National Shrine for the purpose of holding religious services, will be built on the site of the old Union Trust building.

Admiral Byrd, who is visiting MSU, praised the "forward-looking plan" of the Memorial Center fund. He said that the fund is a fine example of the spirit of the nation's youth and that it is a credit to the state of Michigan.

# Wrestlers Place Second In NCAA Meet

## Spartan Mat Squad Adds Tourney Honors To String Of Nine Dual Meet Wins

By HERKIE BOWERS

An undefeated dual meet season and second place in the NCAA tourney last month gave the 1948 Spartan wrestling team the distinction of posting the best record in Michigan State's mat history.

According to coach Fendley Collins, it was his first perfect dual meet season in the 19 years he has been at State and the closest he has ever come to annexing the national collegiate crown.

In the nationals, the Spartans placed men in five of the eight weight classes to roll up a 28-point total for the second place cup, five markers behind the pace-setting Oklahoma A & M team.

**Dickenson Takes First Place**  
Dick Dickenson, in the 136-pound division, took the only first for State and Gale Mikles and Bob Mallegan placed second in the 160-pound and heavyweight brackets. The other two that placed were Don Anderson and Gene McDonald with fourth in the 147-pound and 125-pound classes, respectively.

In winning the 136-pound title, Dickenson was the only individual champion who failed to score a fall in any of his bouts. However, this was no discredit for the lightweight as the drags pitted him against the five toughest men in his division.

**Mikles Faces Champ**  
Mikles, State's top scorer all season, also fared none too well in the early round drawing. In the first round he faced Bill Nelson, defending 165-pound champ, and he met Oklahoma's Jim Engleton in the third round, winning both bouts on decisions.

The title bout between Mikles and Jack St. Clair, of A & M, was one of the most exciting of the meet with the latter receiving the nod on a split decision.

After the loss to St. Clair, Mikles had to meet Don Mulligan for second place but he won easily with a fall in slightly over seven minutes.

**Mallegan Loses To Hutton**  
In the heavyweight class, Mallegan had little trouble in walking off with second place honors. Outside of his loss to Dick Hutton of Oklahoma A & M, who won the title, Bob had little difficulty with the other contenders, scoring three falls in the other four bouts.

Nebraska's Mike D'Bone, who boxed to the Spartan heavyweight in the final dual meet of the season, gave Mallegan his best scrap but Bob pinned him in 13:12.

The 125-pound, fourth round tussle between McDonald and Iowa Teacher's Gerald Leeman, provided one of the highlights of the tourney as the Spartan lightweight pinned his man in less than five minutes.

**McDonald Taps Leeman**  
Leeman was rated as the favorite in that weight class and had previously defeated McDonald in the first meet of the season. The Iowa won the 126-pound NCAA crown in 1946 and was named as the outstanding wrestler of the tournament, but injured prevent-

ed him from defending his title last year.

In the first two minutes of the bout, McDonald almost scored a fall but Leeman managed to break away. However, McDonald came back with the same hold to pin the ex-champ just before the five-minute mark.

McDonald lost to Romulo Macias, who placed second, in the following round and dropped to fourth place in the final standing.

In the 147-pound class, Anderson was undefeated through the first four rounds of competition, scoring three falls in the first four bouts. However, Navy's John Fletcher proved too much for Anderson in the fifth round match and the sailor went on to capture second place honors.

**Koll Wins Award**

Anderson faced Iowa Teachers' 196 Koll in the last round and was pinned in less than five minutes. Koll won the 147-pound title and was named the outstanding member of the tourney for the second straight year, the only man ever to win that award twice.

Michigan State's other two entries, Jack Hancock and Don Goldsmith, failed to add to the team score. Hancock had the misfortune to draw two of the favorites in the first and second rounds and was eliminated before he was really warmed up.

Goldsmith fared little better as he also drew a finalist in the initial round and was eliminated early in the meet.

The 174-pound class was one of the most unfortunate for the Spartan cause. John Dossell was to have been State's entry at that weight but final exams prevented him from participating.

Dick Dickenson, Michigan State's national champ, in the riding position with Lock Haven's Tony Verga in the semi-final 136-pound bout of the NCAA tourney at Lehigh university last week. Dickenson won the bout by decision and went on to take the title while Verga placed third behind Nate Bauer of Oklahoma A & M.

# Netmen Win One, Lose Three

By JOHN STERLING

The Spartan tennis team returned from the Southern Trip last night after dropping three out of four matches against the best teams in the country, but they're still out to crack last year's record of 11 victories and six defeats.

The team played very well for their first appearance outside Harris F. Beaman, State's tennis coach said last night.

**State Wins Opener**

The Spartan netmen won their opening match against Lynchburg 9-0, led by A. Fitzgibbon, No. 1, and Jack Singleton, No. 2, who were easy victors.

Bob Malaga and Bob Chuck, of last year's team, also won their matches followed by Bob Ploughman, No. 5 and Tom Martin

No. 6. State's three doubles teams swept their matches, Don Walstrom playing with Flossmann, won the No. 3 doubles match.

William and Mary's team, team headed by Fred Kowalski and Bernard Herben, nationally ranked at 22 and 25, respectively, in 1947, was the only team to beat North Carolina last year.

**Spartans Blanked**

Bob Chuck, State's No. 4 man, who turned in the only victory the first day, lost to Jim Maxwell, No. 2, the second day as William and Mary won their second match against State 9-0.

North Carolina led by Victor Seixas, No. 11 in national rankings, proved too tough for one State netter, winning 9-0. Beaman said the spring trip is

considered a training trip and the team received good experience during the best teams in the country. He pointed out that William and Mary's netmen were national intercollegiate champions in 1947, the only team to beat North Carolina last year.

# 'S' Gymnast Takes First At Chicago

By LES MILLER

In the Western conference open gymnastic meet held March 13 in Chicago, Ivan Towns, one of State's top ring artists and trampoline man, nosed out all contestants to take first place in the trampoline event.

Close behind Towns was Irving Bedard and Harry Roetzheim of Illinois (Navy Pier) who will figure high in the scoring for Illinois when they come here Saturday afternoon for Michigan State last gym meet of the season. The contest will start at 2 in the afternoon in Johnson gym.

**On Flying Rings**  
Towns also participated in the flying ring event and was a sure bet to place in the money until he landed badly from the difficult "orange crate" dismount.

Roetzheim is an Olympic candidate and in the Western conference won the all-around title in competition on the horizontal bar, parallel bar, side horse, and rings.

Bedard walked away with top honors in the conference tumbling event by a score of 293 points out of a possible 300.

**Spartan In Olympic Tryouts**

Roetzheim will represent Illinois in the Olympic tryouts at the National AAU to be held at Penn State on May 1, while Mel Stout will carry the colors for Michigan State.

Stout, who attended State in the fall, has returned after being out for one term. He has improved in his absence, according to Coach George Szypala, and should be a strong contender for a berth in the Olympic team.

Hailing from Pennsylvania where gymnastics is a major sport, Stout is an old hand in this sport. He was high school all-around champion for two years in Philadelphia.

**52nd Straight**  
Harrison Dillard of Baldwin-Wallace also equaled this record in both preliminary and final heats. It was Dillard's fifty-second straight hurdle victory.

In the Chicago Relays, a week earlier, Johnson placed third in the 50 yd. sprint behind Bill Mathis, who tied the relay record

# Spartan Track Show Olympic Feat

By ANDY ANDERSON

Michigan State's three top Olympians, Fred Johnson and Bill Mathis, netted their specialties in three relay events.

Dianetti, middle distance relay champion, nipped the former Illinois star by 10 yards.

After trailing in the first two laps, the "Rocket" took the lead and finished with a 2:13.5 time. Phil Thigpen, National AAU champion from Seton hall finished fourth behind Bill Leonard of Notre Dame.

**Johnson Equals Record**

Spartan dashman Fred Johnson scampers home in the 60 yd. dash at the Purdue Relays last Saturday a step ahead of Charles Peters, Indiana Big 9 champion.

### Olympic Tickets

Anyone wishing to see the Olympic trials at Evanston, Ill. on July 9 & 10 can secure good seats by contacting Coach Carl A. Schilder at once. The price is \$5 for the two days. Late applications should be submitted to Ben Waidenberg, Manager of Chicago Daily News Olympic tryouts.

and Charles May, Purdue. Gordon Campbell of Michigan Normal was fourth, and Fred Johnson of Ohio State was fifth. The winning time was 6.3 seconds.

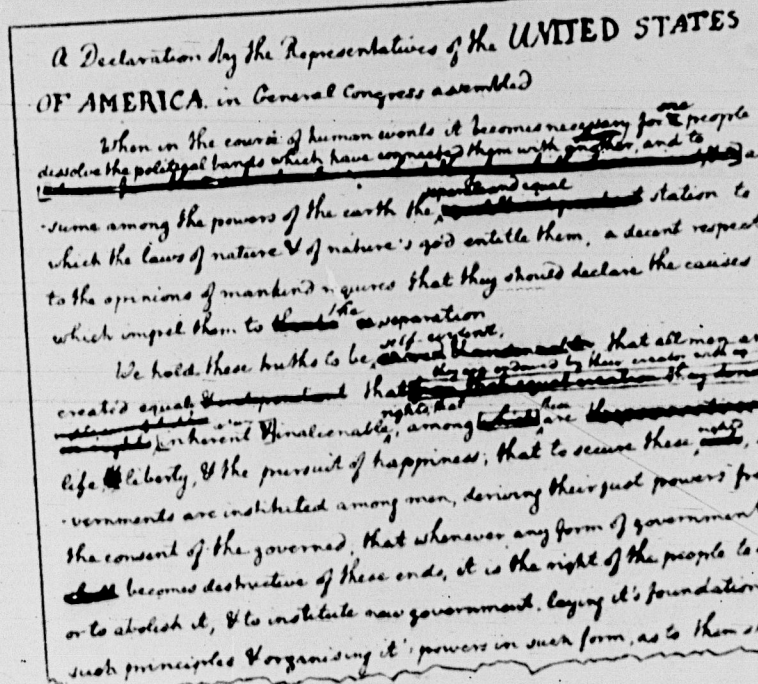

In the afternoon heat of the 60 yd. low hurdles, Johnson tied the indoor American record of 6.8 seconds, but finished fourth in the finals after tripping on the first hurdle.

**52nd Straight**  
Harrison Dillard of Baldwin-Wallace also equaled this record in both preliminary and final heats. It was Dillard's fifty-second straight hurdle victory.

In the Chicago Relays, a week earlier, Johnson placed third in the 50 yd. sprint behind Bill Mathis, who tied the relay record

## CAUSE FOR AMERICAN PRIDE

JEFFERSON'S ROUGH DRAFT OF THE DECLARATION OF INDEPENDENCE

Part of the original manuscript of the Declaration of Independence, written by Thomas Jefferson. It is now on display aboard the "Freedom Train." The revisions shown were included in the document finally presented to the Continental Congress.

**BE PROUD OF WHAT YOU WRITE . . . and the way you write it!**

# WIN \$500.00

## in the MOLLE "What do you say?" contest

We're scouring 16 American college campuses to find the man with the smoothest line! \$500 if it's you!

What do you say\* when a gal says:

What do you say\* when a pal says:

\* O. K. — so she isn't the girl of your dreams! Fill in your smooth answer in the blank balloon above, using 25 words or less. Type or print answers.

\* This one is a cinch, for Molle speaks for itself. You'll find some hints in this ad! Fill in the blank balloon in 25 words or less.

MOLLE Contest, P. O. Box 409, New York 8, N. Y. Set 1

Name \_\_\_\_\_  
 Address \_\_\_\_\_  
 College \_\_\_\_\_

**M**OLLE BRUSHLESS, the shaving cream that gives you the smoothest shave, is looking for the college man with the smoothest line! Is it you? If it is, you're riding the rainbow toward 500 green, crisp, crackling bucks! That's the Grand Prize of the Molle "What do you say?" contest!

**A PRIZE FOR EVERY CAMPUS!  
 \$1300 IN PRIZE MONEY!**

There's more than one prize! Every college must have a prize winner! A gent who collects \$50 for being the winner in his own school . . . and who might win the Grand Prize of \$500 in addition!

Any smooth-talking, quick-thinking college man can win it! So get in it!

Here's all you do!

Every week—for the next 10 weeks—Molle Brushless Shaving Cream will print a set of two cartoons in your college newspaper. These cartoons will be numbered in Sets: Set 1, Set 2, and so forth until Set 10.

In each set, you just fill in the two empty balloons with what you would say in the situations illustrated. The man who fills in all ten sets of cartoons in the most ingenious, most humorous, most

glib manner gets a handful—*overflowing!*—of beautiful, real money!

**DOES THE SMOOTHEST GENT DEMAND THE SMOOTHEST SHAVE?**

We're sure that the gent with the smoothest line is one who's going to insist on getting the smoothest shave. And the smoothest, most comfortable shaves come out of a tube or jar of Molle Brushless Shaving Cream!

That smooth Molle shave gives you a smooth face—and gives it to you quicker, cleaner, more painlessly. For Molle is the heavier brushless cream. It treats tender skin like you'd treat an old uncle who owns heavy securities . . . in a very kindly fashion. Yet Molle has no mercy on even the roughest, toughest, bristliest whiskers!

So get yourself a smooth face to go with your smooth line. Get the Molle Brushless Shave habit.

And get your smooth line in order, for here's Set 1 of the big, new Molle "What do you say?" contest!

**DO IT NOW!** Read rules carefully! Be sure to fill in your name and address in space provided in cartoon. Send answers to MOLLE "What do you say?" Contest, P.O. Box No. 409, New York 8, New York.

**CONTEST RULES**

**Molle "What do you say?" contest**

1. Merely write, in the blank cartoon balloons above, your answers to the questions. Mail your entry to the address given elsewhere in this ad. Be sure to fill in your complete name and address in the space indicated.
2. Each contestant must be a registered male student of the college in whose paper this contest is published, and each contestant must compete in all ten sets of cartoons in order to be eligible for prizes. If you did not receive a copy of this newspaper, a reasonable facsimile of the cartoon or a written description of it will be accepted.
3. With Sets No. 3 and No. 8, the contestant must include a cartoon from a 2 1/2 or 3 1/2 tube—or from any size jar—of Molle. Remember, only two cartoons (of any size) are required, but be sure you send one in with No. 3 and one in with No. 8 of the sets.
4. Only one entry will be accepted from each contestant in each set and all entries must be the original work of the contestants, submitted in their own names.
5. Entries will be judged by the Reuben H. Donnelley Corporation, an independent judging organization. All ten cartoons submitted by a single contestant will be considered as a unit in judging, and the judges' decisions will be based on the originality, aptness and interest of each set. First prize winners of \$50 from each school will be eligible for the Grand Prize of \$500.00 to be awarded to the best set of entries from all the schools. The decision of the judges is final and duplicate prizes will be awarded in case of ties.
6. All entries become the property of Sterling Drug Inc., and no entries will be returned.
7. All ten sets of answers must be mailed before May 14, 1945, final date of the contest. Entries with inadequate postage will not be accepted. Prize winners will be announced in the newspaper the week of May 24.
