YWCA Opens Spring Drive For Members

Dark blue paper triangles being worn this week by many women on campus are evidence of the YWCA spring term membership drive. New members have been signing up at the table on the upper deck of the Union during registration week.

Women may join the Y by signing a membership card indicating a desire to follow the purpose of the organization, that of Christian fellowship. Membership is open to every woman on campus. Faculty and staff members may become YWCA associate members.

A new type of program is being followed this term, according to President Marion Masoff. Members will be organized into various interest and activity groups.

Groups whose activities are already underway are an art group, a dramatic group, and a glee club. The art group, under the leadership of Ruth Ann Dunn, has made plans for publicity posters and for art and craft work.

Wings Topple Rangers, 3-1 In Playoffs

DETROIT, April 1 (AP) — Two goals by rookie red-headed defenseman Len Kelly put the Detroit Red Wings one-up on the New York Rangers tonight in their best-of-seven National Hockey League playoff series as Detroit took the fifth game 3 to 1 before 13,442 fans.

Kelly, a steady young defenseman who rarely stars in the Red Wing scoring, was the big show on attack tonight.

WITHOUT SMITH Quadrangle Meet First For Runners

By ANDY ANDERSON
Purdue, Ohio State and Michigan will comprise the opposition for Michigan State's track team in their first outdoor meet of the '38 season at Columbus, Ohio, on Saturday, April 17.

State will be at a disadvantage when it meets the three Big Nine schools due to the loss of its star hurdler, Herace Smith, who was

declared ineligible following term end examinations. Although Smith will be out of collegiate competition for the regular season, he can compete in the NCAA tournament on June 18 and 19 if his deficiencies are made up by the end of this term.

This will give the Jackson sophomore, who is considered a possible Olympic candidate, a chance for a tryout for the World games to be held in the latter part of July.

Time Trials Monday
Time trials for the quadrangle meet will be run on April 12 to determine the squad that will travel to Columbus.

Ohio State's versatile Lloyd Duff will pace the same Buckeye team that State edged during the indoor season by one-third of a point. The Spartans tied the Wolverines 57-57 in dual meet indoor competition.

Because the weather has delayed practice outdoors none of the trackmen made the trip to Austin, for the Texas Relays to be held tomorrow.

Negro Star Davey Wins First Two Fights Gets Tryout As Catcher In Defense Of NCAA Crown

VERO BEACH, Fla., April 1 — Leo Durocher isn't fooling when he says rookie Roy Campanella can throw as good as any catcher in baseball. The Dodger manager has been watching the chunky Negro all spring with the Montreal club before he moved him up to Brooklyn.

Campanella comes to the majors without the fanfare that preceded Jackie Robinson's advance a year ago. Yet there are many who think he will prove as valuable as Jackie in his freshman year.

Durocher Convinced
"He can throw as good as any man living," said Durocher. "I know he's a good catcher — a great receiver. He has looked good. The only question is his hitting."

Last year at Montreal he hit in the 280 class, catching most of the games. Like Bruce Edwards now sidelined with a sore arm, Campanella is a workhorse who likes to see action every day.

Durocher isn't the only baseball man high on Campanella. Branch Rickey, Dodger president, rates him with the best. So does Frank Shaughnessy, President of the International League in which Roy performed last year.

Good On Bunts
"Campanella is the greatest man I ever saw on balls hit around the plate," said Shaughnessy. "He is out there on top of them like a cat. Wait until you see him in a few games."

A native of Philadelphia, Campanella becomes the third Negro on the Dodger roster. Robinson and pitcher Dan Bankhead, due to be farmed out, are the others.

Stan Kozuszek is referred to by Wisconsin boxing fans as the Badgers' "fightiest" fighter. He has been one of Wisconsin's top men all season in the light-heavyweight class.

Trio Of Spartans In Running As Meet Enters Semi-finals

Chuck Davey, Michigan State's 135-pound champ, opened defense of his National Collegiate Athletic Association boxing title successfully yesterday winning in the first and second round matches of the 11th annual tournament according to Associated Press reports last night.

Davey earned a decision over Al Bourgeois of Louisiana State in the lightweight class and then went on to defeat Jim Mizogotta, Virginia, in the second round.

Southpaw Davey had too much class for the LSU fighter whom he decimated earlier in the year at New Orleans.

Three In Semifinals
A total of three men have battled their way into the semifinals for the Spartans. The other two are Ernie Charbonneau and Jack Torney who won their first round matches and will continue their fight for an NCAA crown tonight.

Charbonneau, fighting in the flyweight class, defeated Ralph Campbell of Washington State and welterweight Jack Torney defeated Jim McCarthy from Superior, Wis., Teachers college.

Wisconsin's Cal Vernon scored a second technical knockout of the opening round, putting away George Smith of State in 1:06.

Hughlett Bows To Parisi
Heavyweight Vito Parisi posted his sixth straight Wisconsin victory by outpointing Art Hughlett of Michigan State.

Fallout of Phil Marshall, Spartan middleweight, to make his weight earlier today eliminated him from the tournament and forced a reshuffle of pairings in the division.

Wisconsin qualified seven men to lead the way in the battle for the team championship, which it won a year ago. Other schools and the number of qualifiers are: Michigan State, four; Minnesota, three; Miami, Washington State, Maryland and San Jose (Calif.) State, two each; and Syracuse, Iowa State, California Aggies and Virginia, one each.

A crowd of 15,000 fans saw tonight's quarter-final matches.

Sixteen fights, four in each weight class, are scheduled for tonight.

Last Saturday night 14,000 fight fans in the University of Wisconsin neighborhood gave a tremendous ovation of approval for George Makris and the Spartan boxers, as both Wisconsin and MSC closed their dual meet seasons.

Although the Spartans took the small end of a 5 1/2 to 2 1/2 score, Frank McCormick, Madison State Journal sports editor, remarked in a story that the Spartan advantage was "one of the games, one of the best conditioned, and one of the best coached teams that ever fought at Madison."

Third Perfect season
The victory gave the Badgers their third straight undefeated season, which should place them among the nation's best in the collegiate group.

Spartan Chuck Davey also finished his third and feated season to list him with the all-time greats. Davey declared Bob Apperson in the 135-pound division.

Lightheavy George Smith scored his fourth TKO this season when he knocked out Stan Kozuszek in the third round. Kozuszek is again Wisconsin's "fightiest" fighter.

Bomber Lewane Dickerson and Jack Torney furnished the crowd with a close, hard-fought battle which the referee called a draw. Dickerson and Torney fought the same type fight in that they were counterpunching boxers, waiting for the other to lead.

Good decisions were awarded to Wisconsin when Steve Gregg (an undecided 125-pound Ernie Charbonneau) and Don Dickerson edged out Spartan John Hatherill. The shut-out was stopped during the second round when Greggman received a cut over his eye. He was granted the bout because he was leading on points.

Stan Kozuszek is referred to by Wisconsin boxing fans as the Badgers' "fightiest" fighter. He has been one of Wisconsin's top men all season in the light-heavyweight class.

Opens Spring Practice 150 Football Candidates; Emphasis On Fundamentals

Begins For Starting Berths All Positions Declared Open

By TOM NICHOLSON

Every one to feel that they have an equal chance to play football next fall. We plan to work on fundamentals during the spring and the men who show the most progress in the department will be the ones that will play on the team next fall.

Clarence, who has been named as the starting quarterback, spoke at length on the importance of fundamentals. He said that the team will be expected to win the state championship next fall.

Entries For Softball Tournament Expected To Reach 150 Teams

By ROY HOLDING

Ed Pogor, Michigan State's director of intramural athletics, is scurrying around MSC's damp campus today in search for high and dry land. In the next week and a half Pogor is faced with the perplexing problem of finding homes for an expected 150 softball teams who will begin a battle for the All-College crown April 12.

With the Reniger Construction company occupying the site of four of last year's diamonds in back of the stadium Pogor is left with only 10 playing fields to carry on this season's one game elimination tourney.

More Fields Needed
Several more diamonds are needed to provide playing space for what the intramural director expects to be the greatest number of teams to ever enter an MSC softball tourney.

If the Michigan State campus is placed on daylight saving time the space problem will be solved. The extended daylight period would allow two five-inning contests to be played on every diamond each night instead of the usual one starting at 6:15.

The intramural department will start to accept entries for the tourney next Tuesday and will take them until the following Friday.

Play Starts April 12
Tourney will begin play in their own stadiums, fraternity or independent divisions. April 12 and one loss will eliminate a squad from the running. The winners of each section will continue the one-game knockout tourney until an unbeaten college champion is decided.

The intramural department will continue its search for the All-College sports skills champion this spring with contests in baseball, throwing tennis, track, golf and horseshoes. The first event on the program, the 100-yard dash, is scheduled for April 12 through the 16th.

Mikles Wins Wrestling Award For Fourth Consecutive Season

By HERKIE BOWERS

Gale Mikles, Michigan State's leading wrestler for the past four seasons, has posted one mark that will go into the record books to stay.

As the leading scorer on the current grappling team the veteran matman has won the Walter Jacobs trophy for the fourth consecutive year.

The trophy is an annual presentation to the high-point man on the varsity squad. Mikles' record is not likely to be broken by future contenders.

gible for varsity competition

First Multiple Winner
Since the inauguration of the award in 1927, no one had ever captured the honor more than once until Mikles began his personal monopoly.

Walter Jacobs, who established the award, was the first Spartan grappler ever to annex a national title. He won the 135-pound division in 1936.

Although he had never wrestled before coming to State, Jacobs captured seven more national crowns after his graduation and is rated as one of the all-time greats at his weight.

Totals 45 Points
In racing the squad for the year Mikles piled up a total of 40 points for the Spartans. During the dual meet season he posted 35 markers in eight bouts and added another 15 points in the Inter-state and National Collegiate tourneys.

Gale led the team in scoring despite the fact that an injury kept him out of one dual meet. A point point behind Mikles in the race was heavyweight Bob Maldegan with a total of 45. The big fellow trailed by two points at the end of the dual meet season, but scored an extra fall in the Inter-state meet.
