

ies Stage Tank
ack On Red Line;
emy Losses High

Estimated 51,000 Red Casualties
Beginning Of UN Offensive

The greatest Allied tank thrust of the war jabbed deep into Chinese and Korean Red positions within five miles of Seoul Monday, killed and wounded 51,000 Red soldiers, then retired safely to Allied lines.

U.S. Eighth Army estimates on casualties inflicted on the Reds since the present Allied drive began Jan. 25 soared beyond 51,000 dead and wounded. Monday's count still was incomplete.

In the west, three swift hunter-killer tank columns slashed through a reported buildup of from 10,000 to 15,000 fresh Communist troops who had moved south from the Han river Sunday night.

The Reds had appeared to be massing for a Chinese Lunar new year's counter-offensive today.

Whithin Five Miles of Seoul
The main Allied tank punch hit within five air miles of Seoul, the nearest approach to the fallen South Korean capital since the United Nations forces abandoned it Jan. 4.

On the central Korea front, a tank-led allied force spurred forward to gain four miles in four hours in an attack north of Hoengsong. This placed the UN team 52 air miles east of Seoul on an interior highway running

Appeal Made
For Veterans'
Entertainment

Auditioning Stated
For Union-Tonight

Students interested in entertaining wounded veterans at Percy Jones hospital in Battle Creek are urged to audition tonight at 8:30 in room 31 of the Union.

All types of acts are needed to fill the requests of the veterans. John Ringle, chairman of the MSC Veterans' Program, said that the groups have been well received.

The veterans have asked for a show every week. Dancers, singers, uke novelties, jazz combos, and artists have entertained the men.

The group will entertain Korean veterans at Percy Jones hospital, Battle Creek, for the third time next Tuesday.

Many letters have been received from the veterans expressing their thanks for previous entertainment.

Mary Pangborn, hostess chairman, said girls are needed to talk to the men, write letters for them, and generally entertain. Girls interested are urged to attend the audition.

Hannah Meets
On Education
In Washington

President John Hannah is in Washington attending a meeting of the committee on relation of higher education to the American government of the American Council of Education.

James Denison, administrative to the president, said that Dr. Hannah would not appear before the senate armed services preparedness subcommittee. He was slated to appear before the subcommittee and give the college views on manpower.

However, Denison said, this testimony has already been given to the subcommittee.

He is expected to return tonight.

Include New Members, Executive Positions
Council To Make Appointments

By PHIL GUNBY
Eleven appointments to Student Council positions will be considered at the meeting this Wednesday, Jack Sweet, vice-president and presiding officer, announced.

They are the result of a mass council shake-up.

The appointments include assignment of executive positions to present councilmen and seating of new council members.

Council members will take action on the tentative appointment of Wally Mayer, Detroit senior from Mason hall, to the chairmanship of the Spartans Spirit

committee. Meyer replaces Peter Krupciak, Port Huron senior, whose change of address forced him to leave the council.

Appointments include: Other appointments include Roger Bess, Detroit senior from East Lansing, to head the higher education committee; and Bob Brown, agent with the student-faculty social committee. Bessy assumes the duties of Joan Widmar, Beverly Shoves, Ind. sophomore, who resigned from the council.

Bessy seeks also to be approved as East Lansing delegate. Originally a Lansing representative,

Laugh A Day
Oh, Shucks!
It's Simple!

Jacqueline Greer, Jackson freshman, was surprised this week to see her name on the Wells hall fall term honor roll, credited with a 3.2 average.

"It wasn't hard, I didn't open a book," she told her friends.

She wasn't kidding. This is her first term in college.

New Ruling
May Alter
Draft Laws

Childless Married
Men Considered

WASHINGTON — (AP) — Selective Service Director Lewis B. Hershey said yesterday an order now awaiting approval would remove the draft exemption of 220,000 childless married men who are not veterans.

And he added he sees no reason "whatever" why physical and mental standards also should not be lowered to tap 150,000 to 250,000 more men, now deferred.

Both these groups would be in the 19 to 26 age group covered by the present draft law.

But Hershey, testifying before the house armed services committee, said these steps still would not meet the nation's defense manpower needs. He stuck to his guns in favor of an administration bill lowering the draft age to 18 and providing universal military service and training.

Some congressmen are reluctant to take 18-year-olds until the draft of the 19 to 26 group is tightened.

Two Additional Steps
Commitment suggested to Hershey today two additional steps in this tightening process: drafting of national guardsmen and a stricter policy in deferring "essential" industrial and agricultural workers.

Hershey told the committee an order to draft childless married men aged 19 to 26 has been prepared and turned over to defense manpower agencies, where he is virtually certain it will be approved.

The step also requires an executive order by President Truman.

DiSalle To Give
Orders Hitting
Meat Supplies

TOLEDO — (AP) — The nation's price chief, Michael V. DiSalle, announced yesterday he is about to issue two meat orders that will leave the government "to keep a finger on meat supplies from the slaughterhouse to the retailer."

He also made his toughest warning against black marketers so far, saying "The black marketer is a first class fifth columnist for Stalin and I would hate to be the first one to get caught."

He also said frankly that the rising cost of living can't be stopped suddenly. It may take as much of 1951 to put the lid on the inflationary forces generated in the past year.

But he declared that if the Jan. 25 price freeze order had not been issued, prices today would be much higher than they are now.

DiSalle's statements were in a speech prepared for delivery in a high school auditorium before his fellow taxpayers.

It was his first real speech since he resigned as mayor of Toledo two months ago to become director of price stabilization.

Plan Macklin Commencement;
Faculty Group OK's Trial Basis

Gimme' That Ball!

Michigan State center Ray Steffen appears to be doing a high-kicking dance step as he strings for control of the ball. Jim Rupp, Minnesota, came in from behind to defeat the Gophers 50 to 44.

Committee Not Convinced
Open-Air Plan Practical

By DEAN MORTON

Graduation exercises will be held in Macklin field stadium this year, the faculty commencement committee announced yesterday.

The announcement followed two weeks of negotiation among senior class officers, the faculty commencement committee and administration members.

The decision was made known with the following statement:

"The commencement committee discussed at length again yesterday the request of representatives of the senior class that the 1951 commencement exercises be held outdoors, preferably in the Macklin field stadium, rather than in Jensen fieldhouse as has been done for many years.

"The committee is not convinced of the advisability of holding these exercises out-of-doors because of certain physical handicaps. However, it is willing to hold the ceremony in the stadium this year on a trial basis and has so voted.

May Shift
"It is the understanding of the committee that in event of inclement weather, the exercises will be held in Jensen fieldhouse on an emergency basis, that is, with a bare minimum of physical facilities, ceremony and decorations, and with public admissions severely restricted."

Dr. R. A. Runnels, chairman of the faculty commencement committee, explained the hesitant attitude toward outdoor exercises as fear of rain. The senior class cannot afford to fully outfit both an outdoor exercise and Jensen fieldhouse, according to Runnels.

Time Element Involved
If Commencement day is rainy there will not be time to set up grandstand seats in the fieldhouse, Runnels said. There will be chairs set up with seating space for only two or three guests per senior, he added.

Runnels said that the exercises were being planned on a year-to-year basis because of uncertainty in the college situation. If too many men leave college for the services, or if service groups introduce accelerated courses at MSC, there may not even be a 1952 graduation exercise, Runnels pointed out.

Klein 'Happy'
Robert Klein, senior class president, said he was "very happy" to hear the faculty committee's decision. Klein said that the senior class had first introduced the outdoor proposal to the faculty committee two weeks ago.

The faculty committee could not agree upon the issue and it was referred to administrative heads. He said the faculty committee made the decision in light of administrative advice.

The senior council worked for the outdoor exercises because the class was in favor of it, according to Klein. He said that some advantages would be an unlimited amount of tickets for the affair, and a nicer program.

Klein said that other details of the '51 graduation exercises, such as the main speaker and the program, were still to be decided.

Switchmen
Hear Plea
Over Radio

Stirkers Go Back
In Several Cities

By The Associated Press

Striking railroad switchmen in a few cities went back to work Monday, and the White House arranged a nationwide broadcast to urge the others to return.

More than 5,000 railroad workers in Philadelphia ended their six-day-old "sickness" strike yesterday with a general back-to-work movement, the first big break in the nationwide work stoppage.

BULLETIN

WASHINGTON — (AP) — Mobilization Director Charles E. Wilson last night asked the striking railway trainmen to abandon their walkout which he said endangers "the safety of our country."

"It is up to you men who are striking to do this for the rest of us. The responsibility is yours. The whole country and our men overseas are watching what you will do."

"I am sure you will not let America down."

"I ask you to report on your next shift. Don't put it off."

Wilson asked the railroad men.

Switchmen also were reporting for duty in Altoona, Pa., Detroit, Flint, Milwaukee and Madison, Wis.

This followed the return to work Sunday of about 1,300 switchmen at Atlanta.

And in some places, such as Portage and Fond Du Lac, Wis., other men walked out for the first time during the current "sick call" strike.

Charles E. Wilson, director of defense mobilization, had President Truman's approval for a broadcast last night (9:45 p.m. CST) aimed "to get the men back to work."

Wage-hour talks in Washington were reported hopelessly deadlocked. A railroad "work or fight" bill was introduced in congress.

Rep. Andrews (D-Ala.) introduced legislation for immediate induction of striking railroad employees who hold occupational draft deferments.

Andrews called the work stoppage "unpatriotic." He said he understands that many railroad men not working now on the grounds they are "sick" have been deferred from the draft because of their jobs.

Cagers Come From Behind
To Beat Minnesota, 50-44

By STAN STEINBOERN

Facing a 29-25 halftime deficit, Michigan State basketball team defeated Minnesota last night 50-44.

State took the lead at the 3:42 mark in the second half and never lost it.

The Spartans made 18 out of 22 free throws while the Gophers, electing to take most of their free throws out of bounds, made four out of five.

Temper flared with 10 seconds left in the game as referees threw

Minnesota's captain, Whitey Skoog, out of the game for talking back to the official after a foul had been called on Coach Ozzie Cowles.

Cowles came on the floor to protest Skoog's being ordered out and started kicking towels and jackets out on the court. He was ordered off the floor and the game continued.

Minnesota used a stalling offense all through the first half, electing to take all but two of its free throws out of bounds.

State got the lead in the second half and reverted to the same type of ball the Gophers had used in the first half. They stalled the game for four minutes, taking out all their free throw time.

They finally lost the ball for holding it too long without passing or trying to score. After the Spartans took the lead they stayed two to four points ahead until the last minute, when they increased the margin to six points.

Leading the State attack was Ray Steffen with 15 points. Gordie Stauffer scored 13.

State held the Big Ten's fourth high scorer, Maynard Johnson, to three baskets, and all-conference Whitey Skoog, team captain, to one basket in the second half. He had six in the first half.

The Spartans made 18 out of 44 field goals and Minnesota 20 out of 45.

State Coach Pete Newell called the win a team victory.

The game, played before 5,856 fans at Jensen fieldhouse was State's third conference win.

Horowitz Set
For April 16

Vladimir Horowitz, originally scheduled to appear on the Michigan State College lecture-concert series Jan. 24, will now present his recital Monday, April 16 in the college auditorium.

This announcement was made by Dean S. E. Crowe, series director, who pointed out that tickets already purchased for the original concert date would be honored for Horowitz' appearance in April.

Internationally renowned as a piano virtuoso, Horowitz has been called a "regular" on the MSC series and in his two earlier appearances established himself as a top favorite with Michigan State audiences.

He has moved to East Lansing, living for the two vacant Lansing posts are Ben Linton, Lansing senior, Phil Van Alsburg, Lansing junior, and John Chiselman, Lansing sophomore.

The other vacancy was created by the resignation of Chris Jennings, Lansing junior.

Council Needs Vacant
At present almost 25 per cent of the council seats are vacant. After the Wednesday session, only occupied housing (two positions) will be unrepresented, council officials said.

Adolph Weinacker, Phillips delegate, will apply for re-election.

Jointly Sponsored
Non-Credit Course
Offered In Poly Sci

A non-credit off-campus course in political science jointly sponsored by the Lansing Junior Chamber of Commerce and MSC is scheduled to start tomorrow night, according to Prof. James Miles, of the Political Science department.

Enrollment in the course is limited to 50. Each of the eight meetings will be on Wednesday evening at 6:30 in the Chamber of Commerce office in Lansing from 7 to 9 p.m.

The sessions will be conducted in the panel discussion form. The first panel will consist of Clinton Fair, A. F. of L. Stanley Powell, Fair Bureau Federation, Rep. Martha Griffiths, Democrat, and Harold Smith, Republican party headquarters.

The title of the course is "The role of political parties—interest groups in a democracy (with special reference to Michigan political processes)."

Fashions Styled Individually In France, Says Mlle Terre

French women dislike seeing other women in dresses like theirs even more than American women do, Mlle. Helen Terre, French educator and lecturer, yesterday told home economics students and faculty.

Three time winner of the Croix de Guerre for her services to France, Mlle. Terre said that the French fashions were dedicated to French women and what they liked to wear. No promotion is necessary.

France is the fourth largest textile producing country of the world, she stated. This is not due to an abundance of raw materials, for France is lacking in most of the necessary products. The French like their work and truly enjoy working with textiles and fashions.

Fashions follow inventions of a country, Mlle. Terre explained. When an invention becomes natural and commonplace so do fashions that follow it. This was displayed in the automobile industry and the styles of clothes that went along with it.

Everyone in France knows how to sew, she said. All girls are taught to sew by the time they are 4 or 5 years old. The speaker said the way hats are bought in Paris is typical of French individuality. Hats are sold to the shops untrimmed and each chapeau is trimmed with flowers, feathers or ribbon to fit the wearer. The hat must suit the face before it is termed a "nice" hat.

Mlle. Terre, French co-ordinator for the U.S. commission on international co-operation in education and the French ministry of education talked on "France: Source of Fashion Inspiration." She was the director of the French women's army during World War II.

Mlle. Helene Terre will speak tonight at 8 in Fairchild theater under the auspices of the School of Home Economics. Her topic, "Friendship Through Understanding," will include the present French situation, the accomplishments of the Marshall plan, and the average Frenchman's reaction to the defense plan for Western Europe.

Ballot Box

New Sigma Alpha Epsilon are: athletic chairman, Edward Lord, East Jordan junior, corresponding secretary, Wayne Geyer, Williamston junior, social chairman, Richard Worfle, Dunkirk, N.Y., senior, public relations officer, John Lennock, East Jordan sophomore, and membership chairman, Gerald Trout, Belleville junior.

New officers of Phi Kappa Sigma are: George Cook, Saline senior, president; William Throop, Royal Oak senior, vice-president; Arnold Nelson, Pontiac junior, house manager; and Gerald Shirley, Pontiac junior, treasurer.

Newly elected recording secretary is Hugh Grigorett, St. Joseph junior, corresponding secretary, Bernard Craigie, Detroit senior, and pledge director, Robert Oliver, Lincoln Park sophomore. William Kellogg, Glencoe, Ill. junior, is cash chairman, and Richard Findlater, Detroit junior, was chosen social chairman.

Pi Kappa Phi's new officers are: Joseph Schadtler, Baroda senior, president; Jim Steere, Crystal junior, treasurer; and Bob Rogan, Detroit senior, secretary. New Hendrick house officers are: Dean Martin - Jerry Lewis - in - "At War With the Army" - SAT. "KIM" - Errol Flynn.

COMMENCING Ash Wednesday and every Wednesday during Lent from 12-1 P.M., the McCune Chapel of People's Church will be available for short worship periods. Communion will be served at intervals of 15 minutes. Worshipers may feel free to come and go as their time permits. On all other days, the Chapel will be open for individual meditation.

Swim Team Blasts Purdue

Springboard Artist

One of the many first year men on the sophomore swim team, displayed the best State form of the year in collected 347.9 diving points in Saturday's meet.

Matmen Beat Purdue, Year's Big Ten Champs

By MIKE WRIGHT

Michigan State collected two falls in winning an 18-11 mat meet from the Purdue Boilermakers, last year's Big Ten champions, in Lafayette Saturday afternoon.

Sherman and George Bender led the Spartans to a fourth win of the year. Sherman pinned Joe at 5:50 after a close battle. Bender won his first victory in the 137-pound

weight class. Bender came through with the State mat at 8:40. Bender won the 137-pound

Freestyle Strength Brings Easy Victory To Tankers

By GEORGE WEEKS

Michigan State's 48-36 swamping of the powerful Purdue swimming squad Saturday in Lafayette, Ind., gave the Spartans' rating as one of the top tank-teams in the nation a tremendous boost.

"We're coming back up," declared Coach Charles McCaffrey following the victory.

"Our boys have recovered both mentally and physically from their loss to Ohio State." The veteran mentor was greatly pleased with the showing of the Spartan freestylers, especially Bert McLachlan.

It was State's superiority in the freestyle events that enabled them to drown the strong Boilermaker tankers. They won all four individual events and the relay finale.

McLachlan displayed magnificent form as he lathered past the 220 and 440 yard flags for double wins. His 4:22.8 stroking in the quarter mile earned him another pool record. Dave Norman gave MSC second in both events.

Purdue received a decisive dunking in the sprint. Clark Scholtes continued his championship form in the freestyle dashes by capturing first in the 50 while taking second behind his great Spartan teammate, former Olympic swimmer George Hoogervorst, in the 100.

Shoup Beaton

After leading for seven lengths, Hal Shoup was edged by Boilermaker backstroke star, Everett Brooks. Al Omans was nosed by Robert Dunlop, the Big Ten breaststroke champ, in his specialty.

Michigan State's loss in the first event, the medley relay was evened up when Dave Hoffman, Hoogervorst, Scholtes, and Jim Quigley captured the 400-yard freestyle relay in the last race of the 11th MSC-Purdue dual meet.

Quigley came through with a third in the 50 and Ken Coyne picked up third place in the hotly contested diving event.

Out of nowhere came a brilliant performance by Michigan State freshman Chuck Baldwin in the Michigan AAU Champion meet in Detroit Saturday.

The stocky unknown made voice-ment out of the press-clippings of the University of Michigan's freshman swimming celebrity, Bumpy Jones, as he captured the AAU championship in the 40-yard sprint and lost to Jones by the width of his fingernail in the 200-yard freestyle.

Danny Simpson, assistant Michigan State swimming coach, won the state AAU long board diving event. Coach Marshall, Spartan sophomore, placed third off the low boards.

Spartans Show Lack Of Depth In Dropping First Gym Meet

By BILL BEAUDRY

The Michigan State gymnastics team dropped their opening meet of the season to Ohio State 51-44 Saturday night. The teams broke even in number of first places but the lack of depth shown by the Spartans allowed the Buckeyes to cop most of the remaining slots.

Captain Mel Stout paced the Spartans with 24 points to cop meet high point honors. He won the flying rings, parallel and horizontal bar events.

Bob Feldmeier took runner-up scoring honors for State with nine points gathered from thirds on the side horse, parallel and horizontal bars.

The Green and White squad had a nine point lead going into the tumbling event. The Buckeyes took the meet with a 12-3 win in that event.

Al Hannas took third and John Walter finished fourth in the trampoline events for State. Ken Cook and George Kuczerops also finished third and fourth respectively in the flying rings.

The Ohio State squad was led by Dennis Hargett and Tom Martin with ten points each. They scored one-two in the trampoline and tumbling.

Sport Shorts

IN A surprise announcement, the "outstanding runner of the Michigan State relay award," now an annual presentation, was dedicated to Dey Ernest, one of State's all-time track stars.

Ernest competed for the Spartans from 1920 to 1932 and has been the chief starter at the annual relay classic since almost the full 29 years of the running of the event.

Nobody, outside of the press, knew who the award would be named after until it was awarded to Michigan's Don McEwen after the meet, and not until then did Ernest know of the dedication.

THE gymnastic team has the two oldest athletes to compete for the Spartans in 34-year-old Arnold Nelson and 30-year-old Dick Richter.

Coach George Szypula, who is 29, can get plenty of fatherly advice, anyhow.

WHEN Michigan's distance medley relay squad broke the world's record Saturday night, no one knew where the old record had been established until Coach Tom Decker, Drake's head coach spoke forth. He knew because he ran against Indiana in 1936 in the Butler Relays when it was set.

Michigan Track Coach 'Gets Boot' Out Of Headline

ANN ARBOR — (AP) — Track Coach Don Canham was highly pleased with the Michigan State College relay at East Lansing Saturday.

A new world's distance medley relay record would please any coach. But Canham also got a boot out of a headline in the Lansing State Journal, the paper in Michigan State's home town.

"It isn't often we get headline in the Journal," laughed Canham.

Badminton Club

All persons interested in forming a Badminton club are invited to attend a meeting in room 206 in Jackson gym tonight. The club is being sponsored by Coach Roy Neimeyer.

Joe Suarez

Leading winning play.

The Michigan Tech defense was so tight in this game that the Spartans were only able to send 16 shots at Lloyd Combs, the Tech netminder.

Led by Suarez, the Spartans were not much more generous. Reid only handled 19 shots.

In Saturday's contest the Huskies jumped into a three goal lead before the Spartans ever threatened.

Wanhainen opened the Tech scoring when he converted a pass.

Huskie Grab Lead

Less than a minute later Rautiola assisted on the goal that sent the Huskies into the lead.

Doug Peterson sent the puck past the Spartan goalie Del Reid at 14:15.

In the second stanza most of the action was limited to defensive play. Both teams were continuously stopped before they could get into position for a shot on goal.

Tech finally broke the scoring ice to increase their lead. Doug Koski put the puck into the net at 16:15.

The Spartans wasted no time getting back into the game as the third period opened.

All The Way

McCormick, assisted by Blair and Bristol, took the puck from the faceoff at center ice, and went all the way in to score. Only 20 seconds had elapsed in the period.

Bob Revon scored an unassisted goal three minutes later to tie the score and set the stage for

Guessing Game On Over Jake's Television Net

CHICAGO — (AP) — There's a guessing contest going on over how much television will be worth to middleweight champion Jake La Motta in his Feb. 14 title bout with Sugar Ray Robinson at the Chicago stadium.

La Motta said here yesterday he was getting a guarantee which is "very secret" but has been pegged by some folks as high as \$75,000.

The signed contracts call for the net gate and Robinson to get 15 per cent with each to receive \$1,500 from television and radio proceeds.

But the \$1,500 is the fixed fee the International Boxing club has been paying Robinson on its series of "believed" bouts being sponsored by a brewing company.

This, however, is a pro-rate payoff from the nestegg the IBC got in a package deal from the brewing company.

At 14:00 in the same period Peterson, assisted by Rautiola, increased the Huskies' lead.

This same combination raised the count to 3 to 0 as the second period opened. Rautiola got his fourth assist of the two games while Peterson got his third goal.

State finally got into the scoring act at 7:03. Co-captain Jim Dovie scored for the Spartans. Reid received an assist on the play.

That was all the scoring in the second period.

Come Close To Tying

The third period saw McCormick score at 5:45 to put the Spartans within one goal of catching Tech. But Joe DeBastiani ended State hopes when he sent a pass from Wanhainen sailing past Reid.

Michigan State coach Harold Paulson had high praise for the defensive play of his team, particularly Suarez. He also praised his high-scoring line of McCormick, Bristol and Blair.

The practice sessions this week will be aimed at upsetting this weekend's opponent, the Minnesota Gophers, who walloped the Spartans in two contests earlier this season at Minneapolis.

Wolverines Dominate Annual MSC Relays With Five Firsts

By ALEX LAGGIN

Although the experts predicted a mass attack on the standing records, they too, were amazed after the 29th annual running of the Michigan State relays came to a close Saturday night.

The wonder-boy of the evening turned out to be Michigan's brilliant Don McEwen, who steered the Wolverine distance medley team to a world's indoor record and again to a less dramatic win in the two-mile relay.

Wins Tremor

McEwen was awarded for his night's efforts with the first "Dey Ernest award" given annually to the "outstanding athlete of the relays."

Although four records were smashed, the Wolverine's feat, the Buckeyes of Ohio State broke the sprint medley mark, Michigan Normal took the college one-mile relay record, and Illinois' Dick Coleman vaulted 14 feet, one inch, for the pole vault record.

Big Ten Dominates

Led by Michigan's five victories, the Big Ten dominated the meet, winning nine of the 19 events.

For the Spartans, it was Jesse Thomas that saved a little glory for the Green and White, by taking runner-up honors in the high hurdles, fourth in the low hurdles and tying for fourth place in the broad jump.

The Spartan distance medley squad gave the Wolverines their toughest competition in their record breaking medley race, finishing second.

Grab Lead

Don Makleiski grabbed the lead in the 880 race. Purdue took the lead during the 440, with the Wolverine's second and State third. After the three-quarter mile, McEwen started the anchor of the race, the mile, five yards back of Purdue's sensational sophomore, John Payton.

State's anchor man, Warren Druetzler, passed Payton early in the mile race and started after McEwen, but the Canadian distance star left Druetzler in the dust as he whipped around the oval at a terrific 4:11 clip.

Ribbs Outstanding

Michigan Normal's Jim Ribbs was the outstanding sprint star of the meet, tying his last year's first place mark of 7.7 seconds to win the 75-yard dash again.

In the one-mile run, the Spartans placed Wayne Scott in third place and Dick Roberts in fourth. Art Ingram turned in a sparkling performance in the dashes for State, coping third place in the highly contested 75-yard dash.

McAuliffe Decisive

In the heavyweight class 240 pound Ron Raveling decisively won the bout.

In the opening bout, State's Eddie Wagnander was decisively won by Dave Mackey who is one of the Gophers' top boxers.

Ralph Lutz at 135 pounds lost to Milt Jacobson. Lutz did not punch in series and was sometimes off balance, but with experience, he should show well in future fights.
